The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Falmouth Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Falmouth Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Falmouth Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Falmouth Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Falmouth Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Falmouth Housing Authority office. In addition, all appropriate written information and advertisements will contain the proper Equal Opportunity language and logo.

The Falmouth Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Falmouth Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Falmouth Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy

clarifies how people can request accommodations and the guidelines the Falmouth Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Falmouth Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Falmouth Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Falmouth Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Falmouth Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Falmouth Housing Authority's business is housing. If the request would alter the fundamental business that the Falmouth Housing Authority conducts, that would not be reasonable. For instance, the Falmouth Housing Authority would deny a request to have the Falmouth Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Falmouth Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the Falmouth Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Falmouth Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Falmouth Housing Authority's programs and services, the Falmouth Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Falmouth Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Falmouth Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Falmouth Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign

language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Falmouth Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English in order to assist non-English speaking families.

4.0 FAMILY OUTREACH

The Falmouth Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Falmouth Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Falmouth Housing Authority may also try to utilize public service announcements.

The Falmouth Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Falmouth Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours

- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at 115 Scranton Avenue, Falmouth, MA 02540.

Applications are taken to compile a waiting list. Due to the demand for housing in the Falmouth Housing Authority jurisdiction, the Falmouth Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Falmouth Housing Authority will verify the information.

Applications may be made in person at the Falmouth Housing Authority on Monday through Friday from 9 a.m. to 4:30 p.m. except Wednesday when the agency closes at noon. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Falmouth Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Falmouth Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 1-800-545-1833 Ext. 185.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e., family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family's placement on the waiting list.

Upon receipt of the family's pre-application, the Falmouth Housing Authority will make a preliminary determination of eligibility. The Falmouth Housing Authority will notify the apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Falmouth Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Falmouth Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Falmouth Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Falmouth Housing Authority screening criteria in order to be admitted to public housing.

8.2 **ELIGIBILITY CRITERIA**

- A. Family Status - All families must have a Head of Household or Co-Heads of Household.
1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
 2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
 3. A **near elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
 4. A **disabled family**, which is:
 - a. A family whose head, spouse, or sole member is a person with disabilities;

- b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
 - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
- 5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
 - 6. A **remaining member of a tenant family**.
 - 7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

- 1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
- 2. Income limits apply only at admission and are not applicable for continued occupancy.
- 3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Falmouth Housing Authority.
- 4. If the Falmouth Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
- 5. Income limit restrictions do not apply to families transferring within our Public Housing Program.

6. The Falmouth Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.
7. If there are no eligible families on the waiting list and the Falmouth Housing Authority has published a 30 calendar-day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the noncitizen rule).
 - c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Falmouth Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Falmouth Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the Falmouth Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies; and
 - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Falmouth Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Falmouth Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Falmouth Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, especially rent and any utility payments;
 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 3. History of disturbing neighbors or destruction of property;
 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Falmouth Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Falmouth Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse and co-head;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Falmouth Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC) . This criminal background check will proceed after each adult household member has signed a consent form designed by the Falmouth Housing Authority. The information received as a result of the criminal background check shall be used solely for screening, lease

enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Falmouth Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Falmouth Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit if one has a questionable landlord reference. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Falmouth Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUND S FOR DENIAL

The Falmouth Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;

- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property.

For the purpose of this Policy, if any member of the applicant family has been convicted of a crime within the past ten years or has not been free from incarceration for at least seven years with as clean record shall be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past ten years because of drug-related criminal activity. The ten- year limit is based on the date of such eviction, not the date the crime was committed.

However, the Falmouth Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Falmouth Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current).
 - L. The Falmouth Housing Authority determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

- M. The Falmouth Housing Authority determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Falmouth Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any Falmouth Housing Authority staff member or resident;
- O. Have a family household member who has been terminated under the certificate or voucher program;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

In determining whether to deny admission for illegal drug use by a household member who is no longer engaging in such abuse, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Falmouth Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program;
or
3. Has otherwise been successfully rehabilitated.

For this purpose, Falmouth Housing Authority will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Falmouth Housing Authority denies admission to the Falmouth Housing Authority's public housing program on the basis of a criminal record, the Falmouth Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e., the child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Falmouth Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

8.5 *INFORMAL REVIEW*

- A. If the Falmouth Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Falmouth Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The Falmouth Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Falmouth Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Falmouth Housing Authority's decision. The Falmouth Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the Falmouth Housing Authority provide for an Informal Hearing after the applicant has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicant, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 *MANAGING THE WAITING LIST*

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any significant contacts between the Falmouth Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be within three (3) months of being offered a unit, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Falmouth Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Falmouth Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Falmouth Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Falmouth Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Falmouth Housing Authority may be sent a notice of termination of the process for eligibility.

The Falmouth Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Falmouth Housing Authority will work closely with the family to find a more suitable time.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Falmouth Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Falmouth Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Falmouth

Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Falmouth Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities for all the property we own and/or manage regardless of the source of funds:

- A. The applicant has been involuntarily displaced and is not living in standard permanent housing, or, within no more than six months from the date of certification or verification as required, the applicant will be involuntarily displaced.
 - 1. The applicant has vacated his or her unit as a result of actual physical or mental abuse directed against applicant or one or more members of the applicant's family by a spouse or other member of the applicant household. Appropriate proof of this situation must be provided. The abuser cannot live in the unit without a specific finding by the Housing Authority that appropriate treatment has been received by the abuser.
 - 2. Displacement to avoid reprisals if family members provided information on criminal activities to a law enforcement agency and the law enforcement agency recommends re-housing the family to avoid risk of violence against family members.
 - 3. Displacement by hate crimes if one or more members of the applicant's family have been the victim of hate crimes, and the applicant has vacated a housing unit because of such crimes or the fear associated with such crimes.
 - 4. Displacement by the inaccessibility of a unit because a member of the family has a mobility or other impairment that makes the person unable to use the critical elements of the unit, and the owner is not legally obligated to make changes to the unit that would make critical elements accessible to the disabled person as a reasonable accommodation.
 - 5. Displacement because of HUD disposition of multi-family projects.

- B. The applicant is living in substandard housing (a homeless family is considered to be living in substandard housing).
- C. The applicant is paying more than 50% of gross monthly income for rent and utilities for at least 90 days.
- D. People who live or work in the Town of Falmouth. The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.
- E. People who live or work in the remainder of Barnstable County, Dukes, or Nantucket Counties.

Based on the above preferences, each of these preferences shall be worth one point each on a preference score except those applicants living or working in the Town of Falmouth shall get five points for that preference. Families with the greatest number of preference points shall be housed before families with a lesser number of points.

The date and time of application will be noted and either it or a lottery will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled (Mixed Population Developments): Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies or requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30 calendar-day notice.

10.1.1 FEDERAL DISASTERS

In the case of a federally declared disaster, the Falmouth Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	N/A	N/A
1	1	2
2	N/A	N/A
3	N/A	N/A
4	N/A	N/A

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons.

10.3 SELECTION FROM THE WAITING LIST

The Falmouth Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 OFFER OF A UNIT

When the Falmouth Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development.

The Falmouth Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail and given the right to view the unit. The family will be given five (5) business days from the date family was contacted by telephone or from the date the letter was received to contact the Falmouth Housing Authority regarding the offer.

This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Falmouth Housing Authority will send the family a letter documenting the offer and the rejection.

10.5 REJECTION OF UNIT

If the Falmouth Housing Authority did not skip over other families on the waiting list to reach this family and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.6 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, the current schedule of routine maintenance charges, and a request for reasonable accommodation

form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Falmouth Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to the Total Tenant Payment.

In exceptional situations, the Falmouth Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family may be billed for these charges.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Falmouth Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Falmouth Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Falmouth Housing Authority believes that past income is the best available indicator of expected future income, the Falmouth Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

If a family reports no income, the family shall re-verify every 30 days that they are still without any income or report any new income that has started within the past 30 days.

Annual income includes, but is not limited to the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. The value of funds in a savings or checking account is determined by the amount in the account at the time of verification. Income that could have been derived from assets worth more than \$10,000 that were disposed of for less than fair market value within the past two years will be counted as income.
- D. The full amount of periodic amounts received from Social Security, annuities,

insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

F. Welfare assistance.

1. Welfare assistance payments

a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

- i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
- ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.

b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
- ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

a. A family's annual income includes the amount of imputed welfare

income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency, as specified in notice to the Falmouth Housing Authority by the welfare agency) plus the total amount of other annual income.

- b. At the request of the Falmouth Housing Authority, the welfare agency will inform the Falmouth Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Falmouth Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Falmouth Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Falmouth Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Falmouth Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Falmouth Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Falmouth Housing Authority denies the family's request to modify such amount, then the Falmouth Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Falmouth Housing Authority's determination of the amount of imputed welfare income. The Falmouth Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to

the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The Falmouth Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Falmouth Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b. The Falmouth Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the Falmouth Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Falmouth Housing Authority shall rely on the welfare agency notice to the Falmouth Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution unless it is an athletic scholarship that includes assistance available for housing costs and that portion is included in income;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring,

lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;

5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. Additionally, this exclusion is only available to the following families:
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any family economic self-sufficiency or other job-training program.
 - c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

11. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
13. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
14. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:
 - a. The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017(b));
 - b. Payments to Volunteers under the domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058);

Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602); and
- s. Allowances, earnings and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931).
- t. This expires on May 15, 2006 or when the resident enrolls in the Medicare Prescription Drug Program.
- u. Any low-income subsidy received to assist low-income persons in paying for their Medicare prescription drug Program."

The Falmouth Housing Authority will not provide exclusions from income in addition to those already provided for by HUD.

11.3 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;
- C. The sum of the following, to the extent the sum exceeds 3% of annual income:
 - 1. Unreimbursed medical expenses of any elderly family or disabled family including any fee paid by the participant for the Medicare Prescription Drug Program; and
 - 2. Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the

extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus.

- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

11.4 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME

- A. If a public housing resident receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within thirty (30) calendar days of receipt by the resident.
- B. The Assistant Executive Director shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the Falmouth Housing Authority shall, if appropriate, adjust the resident's rent beginning at the start of the next month. If the reconciliation is completed during the final five (5) calendar days of the month, the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the Falmouth Housing Authority shall do one of the following:
 - 1. Immediately collect the back rent due to the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the lease and evict for failure to report income; or
 - 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The Falmouth Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the Falmouth Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Falmouth Housing Authority will comply, on a case-by case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The Falmouth Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

- A. The law enforcement agency shall notify Falmouth Housing Authority that the fugitive felon and/or parole or probation violator (i) is fleeing to avoid prosecution, custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor; or (ii) is violating a condition of probation or parole imposed under Federal or State law; or (iii) has information that is necessary for the officer to conduct his/her official duties;
- B. The location or apprehension of the recipient is within the Falmouth Housing Authority's official duties; and,
- C. The request is made in the proper exercise of the law enforcement agency's official duties.

12.0 VERIFICATION

The Falmouth Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically

during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. Tenant Assessment Subsystem (TASS)** – HUD's online system for Social Security (SS) and Supplemental Security Income (SSI) information.
- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

It is important to note that UIV data will only be used to verify a resident's eligibility for participation in a rental assistance program and to determine

the level of assistance the resident is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Falmouth Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Falmouth Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Falmouth Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

The Falmouth Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Falmouth Housing Authority will allow 10 calendar days for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Falmouth Housing Authority will allow 5 calendar days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the 15 calendar day period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the 15 calendar day period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Falmouth Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Falmouth Housing Authority will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Falmouth Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Falmouth Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Falmouth Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Falmouth Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Falmouth Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Falmouth Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible noncitizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Falmouth

Housing Authority will provide them with the following information whenever they have to make rent decisions:

1. The Falmouth Housing Authority's policies on switching types of rent in case of a financial hardship; and
2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Falmouth Housing Authority will provide the amount of income-based rent for the subsequent year only the year the Falmouth Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$25.00.

13.3 MINIMUM RENT

The Falmouth Housing Authority has set the minimum rent at \$25. If the family requests a hardship exemption, however, the Falmouth Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for

permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

2. When the family would be evicted because it is unable to pay the minimum rent;
 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Falmouth Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Falmouth Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Falmouth Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Falmouth Housing Authority has already factored who pays for the utilities unit the flat rent calculation.

13.5 CEILING RENT

The Falmouth Housing Authority has not established a ceiling rent for its public housing units.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Falmouth Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.

- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The Falmouth Housing Authority shall not establish a utility allowance for its public housing units since there are no separate meters. The Falmouth Housing Authority supplies all utilities except telephone and cable TV.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at 115 Scranton Avenue. Reasonable accommodations for this requirement will be made for persons with disabilities.

Since rent is due on the first of the month and is considered late as of the 5th of the month, a late charge of \$15.00 will be added to any rent remaining due on the 6th of the month. This allows a 10-day grace period between the time the rent is considered late and when the late fee is imposed.

Residents maintaining signed repayment plans and making their payments prior to the 15th of the month will be considered current and on time.

Residents who have an unusual circumstance may report same to the Executive Director, prior to the 15th of the month and arrange to sign a repayment plan. By so doing, they will be considered current and no late rent fee will be assessed that month. This cannot be a recurring practice, and the unusual circumstance must be something truly unforeseen and unavoidable. Approval of the circumstance is at the discretion of the Executive Director.

If a check is returned for insufficient funds, in addition to the applicable late charges there will be an additional charge of \$15 for bank charges and/or processing costs. In addition, the Falmouth Housing Authority may require the resident to pay by bank check, money order or cash for up to six months.

14.0 Reserved

15.0 RECERTIFICATIONS

At least annually, the Falmouth Housing Authority will conduct a reexamination of family income and circumstances. Typically this is done in the month of January. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Falmouth Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview may result in the Falmouth Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:

1. The family's income has decreased.
2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Falmouth Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their recertification, Falmouth Housing Authority will send a reexamination letter to the family offering the choice between a flat or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Falmouth Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Falmouth Housing Authority representative, they may make the selection on the form and return the form to the Falmouth Housing Authority. In such case, the Falmouth Housing Authority will cancel the appointment and solely verify the family size and whether it is an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Falmouth Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;

- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the recertification with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective the month following the recertification.

If the family caused the delay, then any increase will be effective on the recertification date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report changes in family composition to the Falmouth Housing Authority between regular reexaminations. The family shall report these changes within thirty (30) calendar days of their occurrence.

In order to add a household member, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete a continued occupancy packet stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Falmouth Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to

be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Falmouth Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Falmouth Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Falmouth Housing Authority may schedule special reexaminations every thirty (30) calendar days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Falmouth Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of 12 months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To facilitate a relocation when required for modernization or other management purposes.
- C. To facilitate relocation of families with inadequate housing accommodations.
- D. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category 3: Regular administrative transfers. These transfers are made for non-emergency but medically advisable transfers, and other transfers approved by the Falmouth Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category 1 and 2 will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category 1 will be housed ahead of transfers in category 2.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Falmouth Housing Authority and the family rejects two offers without good cause, the Falmouth Housing Authority will take action to terminate their tenancy.

16.5 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or

- C. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.
- D. When the family is required to pay for the cost of the move, the family will also:
 - 1. Contract for the rehabilitation of the unit they have been living in.
 - 2. Said contract must be with an outside contractor on the Falmouth Housing Authority's list of approved contractors.
 - 3. The contract must be paid for with funds escrowed with the Housing Authority prior to the family's move.
 - 4. Rent must continue to be paid on the old unit until the rehabilitation is complete and the unit is ready for re-occupancy.

The cost of the transfer will be borne by the Falmouth Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation, revitalization, disposition or demolition activities; or
- B. When action or inaction by the Falmouth Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.6 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Falmouth Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.7 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Falmouth Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Falmouth Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Falmouth Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.8 RIGHT OF THE FALMOUTH HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Falmouth Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Falmouth Housing Authority file and a copy given to the family member. An authorized Falmouth Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Falmouth Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Falmouth Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Falmouth Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Falmouth Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks

for leaks; and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Falmouth Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Falmouth Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Falmouth Housing Authority will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Falmouth Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 MOVE-OUT INSPECTIONS

The Falmouth Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN PUBLIC HOUSING

The Falmouth Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Falmouth Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The Falmouth Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one four-legged pet per unit will be allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed twenty-five (25) pounds in weight projected to full adult size.

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Falmouth Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A pet deposit of \$300 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Falmouth Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Falmouth Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the Falmouth designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over ten hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without Falmouth Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to

remove the visiting pet.

18.12 REMOVAL OF PETS

The Falmouth Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Falmouth Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Falmouth Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Falmouth Housing Authority allow them to enter into a Repayment Agreement. The Falmouth Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months without special approval of the executive Director. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

Twelve months after the Falmouth Housing Authority has implemented the mandated Community Service Requirement, it will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Falmouth Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Falmouth Housing Authority or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;

- N. Alcohol abuse that the Falmouth Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The Falmouth Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;
- Q. Determination that a household member is illegally using a drug or when the Falmouth Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- R. Criminal activity as shown by a criminal record. In such cases the Falmouth Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the Falmouth Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial;
- S. Non-compliance with other resident responsibility items listed in the lease; and
- T. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Falmouth Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Falmouth Housing Authority will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for an action or failure to act that warrants the termination.

AND/OR

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Falmouth Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or
3. Has otherwise been successfully rehabilitated.

For this purpose, Falmouth Housing Authority may require the leaseholder to submit evidence of one of the above 3 statements.

20.3 TERMINATIONS FOR CRIMINAL ACTIVITY

- A. The term “due process determination” means a determination by HUD that law covering the Falmouth Housing Authority’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Falmouth Housing Authority has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Falmouth Housing Authority’s public housing premises by other residents or employees of the Housing Authority;
 2. Any violent or drug-related criminal activity on or off such premises; or
 3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The Falmouth Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, an Falmouth Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the Falmouth Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office. All state laws shall be complied with.

Any money raised by the sale of the property goes to cover money owed by the family to the Falmouth Housing Authority such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known the Falmouth Housing Authority will mail it to the family. If the family's address is not known, the Falmouth Housing Authority will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Falmouth Housing Authority.

20.4 RETURN OF SECURITY DEPOSIT

After a family moves out, the Falmouth Housing Authority will return the security deposit within 30 calendar days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The State law requiring the payment of interest on security deposits shall be complied with.

The Falmouth Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within 30 calendar days.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Falmouth Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Falmouth Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.

- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Falmouth Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Falmouth Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Falmouth Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Falmouth Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Falmouth Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Falmouth Housing Authority deems appropriate.

If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under section

3(a)(1) shall be the amount resulting from one application of the percentage.

2. Total tenant payment for families residing in public housing does not include charges for excess utility consumption or other miscellaneous charges.

B. Total tenant payment for families residing in public housing whose initial lease was effective before August 1, 1982: Paragraphs (b) and (c) of 24 CFR 913.107, as it existed immediately before November 18, 1996), will continue to govern the total tenant payment of families, under a public housing program, whose initial lease was effective before August 1, 1982.

Victims of Domestic Violence: Individuals or families who have been or are being subjected to or victimized by violence by a member of the family or household. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual's or a family's eligibility for this preference:

It includes such benefits even when they are:

- A. Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Falmouth Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Falmouth Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Falmouth Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Falmouth Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Choice Voucher Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Falmouth Housing Authority office. In addition, all appropriate written information and advertisements will contain the proper Equal Opportunity language and logo.

The Falmouth Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Falmouth Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Falmouth Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Falmouth Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Falmouth

Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Falmouth Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Falmouth Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Falmouth Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Falmouth Housing Authority's business is housing. If the request would alter the fundamental business that the Falmouth Housing Authority conducts, that would not be reasonable. For instance, the Falmouth

Housing Authority would deny a request to have the Falmouth Housing Authority do grocery shopping for the person with disabilities.

2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Falmouth Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Falmouth Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Falmouth Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Falmouth Housing Authority's programs and services, the Falmouth Housing Authority retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible. The Housing Authority may, however, grant a higher payment standard for units where property owners make physical modifications for persons with disabilities so long as the payment standard does not exceed 110% of FMRs.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR NON-ENGLISH SPEAKING PERSONS AND PARTICIPANTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Falmouth Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English to assist non-English speaking families.

1.6 FAMILY/OWNER OUTREACH

The Falmouth Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income and very low families in a newspaper of general circulation and by other suitable means.

To reach persons who cannot or do not read newspapers the Falmouth Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Falmouth Housing Authority may also try to utilize public service announcements.

The Falmouth Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for the Housing Choice Voucher Program.

The Falmouth Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefings are intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities (including lead-based paint) under the program. Emphasis is placed on quality screening and ways the Falmouth Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Falmouth Housing Authority staff.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to annually sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

1.8 REQUIRED POSTINGS

The Falmouth Housing Authority will post, in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. The Section 8 Administrative Plan

- B. Notice of the status of the waiting list (opened or closed)
- C. Address of all Falmouth Housing Authority offices, office hours, telephone numbers, TDD numbers, and hours of operation

 - d. A low-income family or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary;
 - e. termination of an insurance contract on eligible low-income housing.
2. Income limits apply only at admission and are not applicable for continued occupancy; however, as income rises the assistance will decrease.
3. The applicable income limit for issuance of a housing choice voucher is the highest income limit for the family size for areas within the housing authority's jurisdiction. The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family may only use the housing choice voucher to rent a unit in an area where the family is income eligible at admission to the program.
4. Families who are moving into the Falmouth Housing Authority's jurisdiction under portability and have the status of applicant rather than of participant at their initial housing authority must meet the income limit for the area where they are initially assisted under the program.
5. Families who are moving into the Falmouth Housing Authority's jurisdiction under portability and are already program participants at their initial housing authority do not have to meet the income eligibility requirement for the Falmouth Housing Authority program.

6. Income limit restrictions do not apply to families transferring units within the Falmouth Housing Authority Section 8 Program.

C. Citizenship/Eligible Immigrant status

To be eligible for a housing choice voucher at least one member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

Family eligibility for assistance.

1. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
2. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 11.5(F) for calculating rents under the noncitizen rule).
3. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security Number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD and the Falmouth Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or

verify the application for participation or for eligibility for continued occupancy;

- b. A provision authorizing HUD or the Falmouth Housing Authority to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
- d. A statement allowing the Falmouth Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies; and
- e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Suitability for tenancy

The Falmouth Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Falmouth Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Falmouth Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Falmouth Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Falmouth Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

If an applicant or adult family member has been incarcerated within the past five (5) years the applicant may not be issued a Section 8 Housing Choice Voucher.

The Falmouth Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Falmouth Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s

list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Falmouth Housing Authority will provide the owner with the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

In addition, if an owner submits a request to the Falmouth Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Falmouth Housing Authority must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Authority. If the Falmouth Housing Authority receives criminal conviction records requested by an owner, the Falmouth Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Falmouth Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact of whether or not they comply with HUD regulations and the owner's criteria. The Falmouth Housing Authority may charge owners a fee of \$25.00 for this service.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner; the Falmouth Housing Authority will merely apply the criteria the owner establishes. The fee for this service, if charged, shall be \$25.00.

- G. No assistance shall be provided under Section 8 of the 1937 Act to any individual who:
1. Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
 2. Is under 24 years of age;

3. Is not a veteran of the United States military;
4. Is unmarried;
5. Does not have a dependent child; and
6. Is not otherwise individually eligible, or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under section 8 of the 1937 Act

4.0 MANAGING THE WAITING LIST

4.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 TAKING APPLICATIONS

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at 115 Scranton Ave., Falmouth, MA 02540.

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Falmouth Housing Authority jurisdiction, the Falmouth Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The Falmouth Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

Applications may be made in person at the Falmouth Housing Authority on Monday to Friday from 9 a.m. to 4:30 p.m. except Wednesday when the office closes at noon. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Falmouth Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Falmouth Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 1-800-545-1833 Ext. 185.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition and family unit size, racial or ethnic designation of the head of household, income category, and information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list if deemed apparently eligible.

Upon receipt of the family's pre-application, the Falmouth Housing Authority will make a preliminary determination of eligibility. The Falmouth Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Falmouth Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant is encouraged to report changes in their applicant status including changes in family composition, income, or preference factors. The Falmouth Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Falmouth Housing Authority will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Section 8 Program.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;

- B. All applications will be maintained in order of preference and then in order of preference points and lottery number;
- C. Any significant contact between the Falmouth Housing Authority and the applicant will be documented in the applicant file.

All files (applicant or participant) shall be retained for three years from the date the file is closed, whether this is due to the surrender of a housing choice voucher or the removal of a person from the waiting list, whichever is later.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 *FAMILIES NEARING THE TOP OF THE WAITING LIST*

When a family nears the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. Annual income must be verified within 60 calendar days of the issuance of a housing choice voucher. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Falmouth Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.5 *MISSED APPOINTMENTS*

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below may be sent a notice of denial.

The Falmouth Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Falmouth Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.6 *PURGING THE WAITING LIST*

The Falmouth Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

The purge shall consist of the Falmouth Housing Authority mailing via first class mail a form to be completed by the person on the waiting list and returned to the housing authority within a specified number of calendar days. If the envelope is returned as undeliverable or if no response is received from the applicant within the specified time frame, the applicant shall be stricken from the waiting list. If the envelope is returned with a forwarding address on it, the housing authority shall mail the form to the new address, with a new deadline for response.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Falmouth Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
- C. The applicant does not meet either the eligibility or screening criteria for the program; or
- D. The applicant has been issued a Housing Choice Voucher.

The reason for all removals from the waiting list shall be carefully documented in the applicant's file and retained for three years from the date the file is closed.

4.8 GROUNDS FOR DENIAL

The Falmouth Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;

- E. Have a family member who was evicted from federally assisted housing within the past three years because of drug-related criminal activity. The three year limit is based on the date of such eviction, not the date the crime was committed.

However, the Falmouth Housing Authority may admit the household if the PHA determines:

- 1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Falmouth Housing Authority; or
 - 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- F. Have a household member who is currently engaging in illegal use of a drug;
 - G. Have a household member whose illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - H. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing;
 - I. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program;
 - J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
 - L. Have a household member who is currently engaged in, or has engaged in the following during the last ten years and out of jail for at least seven years before the projected date of admission:
 - 1. Drug related criminal activity;
 - 2. Violent criminal activity;

3. Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or
4. Other criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the Falmouth Housing Authority (including a Falmouth Housing Authority employee or a Falmouth Housing Authority contractor, subcontractor or agent).

For purposes of this section, a household member is “currently engaged in” criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

- M. Have a family member who violated any family obligations under previous participation in the program;
- N. Have a family member who has been evicted from federally assisted housing in the last five years;
- O. Have a family member that the Falmouth Housing Authority has ever terminated assistance for under the program;
- P. Have a family member who has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- Q. Currently owes rent or other amounts to the Falmouth Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- R. Have not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;
- S. Have breached an agreement with Falmouth Housing Authority to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority;
- T. If a family participating in the Family Self-Sufficiency Program, a family fails to comply, without good cause, with the family’s FSS Contract of Participation;
- U. Have engaged in or threatened abusive or violent behavior towards any Falmouth Housing Authority staff member or resident;
- V. If a welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program.

If the Falmouth Housing Authority denies admission to the Falmouth Housing Authority's Housing Choice Voucher program on the basis of a criminal record, the Falmouth Housing Authority will provide the person with the criminal record (i.e., the family member) and the applicant head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in the procedures for the Informal Review Process for Applicants. The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Falmouth Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Falmouth Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review in writing. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Falmouth Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Falmouth Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Falmouth Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 INFORMAL REVIEW

If the Falmouth Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Falmouth Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Falmouth Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Falmouth Housing Authority will use the assistance for those families. If this occurs, the Falmouth Housing Authority will maintain records demonstrating that these targeted housing choice vouchers were used appropriately. When one of these targeted vouchers turns over, the voucher shall be issued to applicants with the same specific characteristic as the targeted program describes.

5.2 PREFERENCES

Consistent with the Falmouth Housing Authority Agency Plan, the Falmouth Housing Authority will select families based on the following preferences based on local housing needs and priorities. They are consistent with the Falmouth Housing Authority's Agency Plan and the Consolidated Plan that covers our jurisdiction.

- A. The applicant has been involuntarily displaced and is not living in standard permanent housing, or, within no more than six months from the date of certification or verification as required, the applicant will be involuntarily displaced.
 - 1. The applicant has vacated his or her unit as a result of actual physical or mental abuse directed against applicant or one or more members of the applicant's family by a spouse or other member of the applicant household. Appropriate proof of this situation must be provided. The abuser cannot live in the unit without a specific finding by the Housing Authority that appropriate treatment has been received by the abuser.
 - 2. Displacement to avoid reprisals if family members provided information on criminal activities to a law enforcement agency and the law enforcement agency recommends re-housing the family to avoid risk of violence against family members.
 - 3. Displacement by hate crimes if one or more members of the applicant's family have been the victim of hate crimes, and the applicant has vacated a housing unit because of such crimes or the fear associated with such crimes.
 - 4. Displacement by the inaccessibility of a unit because a member of the family has a mobility or other impairment that makes the person unable to use the critical elements of the unit, and the owner is not legally obligated to make changes to the unit that would make critical elements accessible to the disabled person as a reasonable accommodation.
 - 5. Displacement because of HUD disposition of multi-family projects.

- B. The applicant is living in substandard housing (a homeless family is considered to be living in substandard housing).
- C. The applicant is paying more than 50% of gross monthly income for rent and utilities for at least 90 days.
- D. People who live or work in the Town of Falmouth.
- E. People who live or work in the remainder of Barnstable County, Dukes, or Nantucket Counties.

Based on the above preferences, each of these preferences shall be worth one point each on a preference score except those applicants living or working in the Town of Falmouth shall get five points for that preference. Families with the greatest number of preference points shall be housed before families with a lesser number of points.

The date and time of application will be noted and either it or a lottery will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

The Falmouth Housing Authority will not deny a local preference, nor otherwise exclude or penalize a family in admission to the program, solely because the family resides in public housing.

5.2.1 FEDERAL DISASTERS

In the case of a federally declared disaster, the Falmouth Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.”

5.3 SELECTION FROM THE WAITING LIST

Based on the above preferences, each of these preferences shall be worth one point each on a preference score except those applicants living or working in the Town of Falmouth shall get five points for that preference. Families with the greatest number of preference points shall be housed before families with a lesser number of points.

The date and time of application will be noted and either it or a lottery will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Falmouth Housing Authority retains the right to skip higher income families on the waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Falmouth Housing Authority will issue a housing choice voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	2
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Falmouth Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Children of the same sex will share a bedroom so long as there are less than eight years of age separating the children..
- B. Children of the opposite sex, both under the age of five will share a bedroom.
- C. Persons of different generations will not be required to share a bedroom.
- D. Foster adults and children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

The Falmouth Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a disability or a medical reason or other good cause why the larger size is necessary.

If a family becomes over-housed in the middle of a lease, it shall be converted to the proper sized payment stand at its next re-certification. It can remain in place, as long as the family pays the extra rent required.

The family unit size will be determined by the Falmouth Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING

When the Falmouth Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a housing choice voucher the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families , including maps that show locations of housing opportunities outside areas of poverty or minority concentration, both within and outside its jurisdiction and neighboring its jurisdiction; has assembled information about job opportunities, schools, transportation, and other services in these areas;
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard when the family initially rents a unit and the fact that the family may have to pay a security deposit from its own funds;
- H. A description of the homeownership program if one exists; and
- I. An explanation of information contained in the Housing Choice Voucher packet.

6.2 PACKET

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the housing choice voucher and the Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard, exception payment standard rent areas, and the utility allowance schedule;

- D. How the Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how portability works and a list of names, address and phone numbers of contact persons at neighboring housing authorities;
- F. The HUD-required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;
- H. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses ;
- I. The Housing Authority's subsidy standards, including when the Housing Authority will consider granting exceptions to the standards such as a reasonable accommodation to a person with a disability;
- J. The HUD brochure on how to select a unit ("A Good Place to Live");
- K. The HUD-required lead-based paint brochure;
- L. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
- M. A list of landlords or other parties known to the Falmouth Housing Authority who may be willing to lease a unit to the family or help the family find a unit including owners with properties located outside areas of poverty or minority concentration;
- N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the Falmouth Housing Authority that may be available;
- O. The family's obligations under the program;
- P. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction;

- Q. Falmouth Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- R. The Falmouth Housing Authority owner information packet. This packet can be given by the applicant to a prospective owner to help explain the program.

6.3 *ISSUANCE OF HOUSING CHOICE VOUCHER; REQUEST FOR APPROVAL OF TENANCY*

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Falmouth Housing Authority will issue the housing choice voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a request for approval of the tenancy form. The terms of the HUD tenancy addendum shall prevail over any conflicting provisions of the lease. The family will submit the request form to the Housing Authority during the term of the housing choice voucher. The Housing Authority will review the request and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within 15 calendar days after the receipt of inspection request from the family and owner. The 15-day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable. After the inspection is completed an appropriate lease will be executed.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner.

6.4 *TERM OF THE HOUSING CHOICE VOUCHER*

The initial term of the housing choice voucher will be 60 calendar days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 calendar days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 calendar days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, it will grant the additional search time.

Upon submittal of a completed request for approval of tenancy form, the Falmouth Housing Authority will suspend the term of the housing choice voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 calendar days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

If a family's voucher expires, the family is no longer eligible for housing assistance. They are free to re-apply to the Housing Choice Voucher program and start over again at the bottom of the waiting list. If the waiting list is closed, they must wait until the Falmouth Housing Authority is once again accepting applicants for the Section 8 program. They will be treated exactly like all other new applicants for the program.

6.5 APPROVAL TO LEASE A UNIT

The Falmouth Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the following:
 - 1. The names of the owner and the resident;

2. The address of the unit rented;
 3. The term of the lease (initial term and any provisions for renewal);
 4. The amount of the monthly rent to owner;
 5. A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family; and
 6. The required HUD tenancy addendum.
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- F. The owner certifies that he or she is not in a conflict of interest situation with the resident.
- G. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- H. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- C. The landlord and resident sign the lease to include the HUD required addendum; and
- D. The Housing Authority approves the leasing of the unit.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 calendar days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Authority will not pay housing assistance to the owner.

6.6 FALMOUTH HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD (one who has been debarred, suspended, or is subject to a limited denial of participation). The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- E. The owner has a history or practice of renting units that fail to meet State or local codes;
- F. The owner has not paid State or local real estate taxes, fines, or assessments;
- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by residents, Falmouth Housing Authority employees or owner employees; or
 - 2. residences by neighbors;
- H. If the owner is the parent, child, grandparent, grandchild, sister, or brother or any member of the family of an applicant seeking the initial use of a housing choice voucher (currently shopping) unless the Falmouth Housing Authority determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities;

- I. The Housing Authority has been informed by HUD that the federal government has instituted an administrative or judicial action against the owner for a violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending or a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements; or
- J. Other conflicts of interest under Federal, State, or local law.

6.7 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space or units being purchased under a Section 8 Homeownership Program; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The Falmouth Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities

- A. Congregate housing
- B. Cooperative housing

The Falmouth Housing Authority will approve leases for the following housing types:

- A. Single family dwellings

- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals

If a property has both HUD issued project-based assisted units and market rate units, housing choice vouchers can be utilized in the market rate units, but not the project-based units. In this situation, rent reasonableness will dictate that the rent for the housing choice voucher unit will equal the HUD-approved rent (the basic rent) for the project-based units as long as it is within the Falmouth Housing Authority's payment standard. Also, the Falmouth Housing Authority's utility schedule will be utilized in setting the rent, not the property's utility schedule. Finally, the Falmouth Housing Authority will re-certify everyone living in a property utilizing tenant-based housing choice vouchers and the landlord will be responsible for the re-certification of those residing in the property using project-based vouchers.

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the participant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted residents in the same complex.

When the resident moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the participant, damages to the unit or for other amounts the family owes under the lease.

The owner must give the participant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the resident in compliance with State law..

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Authority has terminated the HAP contract. The Falmouth Housing Authority will issue the family a new housing choice voucher if the family does not owe the Falmouth Housing Authority or any other Housing Authority money, has not violated a Family Obligation, has not moved or been issued a certificate or housing choice

voucher within the last 12 months, and if the Falmouth Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived.

7.1 *WHEN A FAMILY MAY MOVE*

For families already participating in the Housing Choice Voucher Program, the Falmouth Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated;
- B. The owner has given the resident a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the participant; or
- C. The tenant has given notice of lease termination (if the participant has a right to terminate the lease on notice to the owner).

7.2 *PROCEDURES REGARDING FAMILY MOVES*

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Falmouth Housing Authority's jurisdiction, will be required to participate in a mover's briefing prior to the Falmouth Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard when initially renting a unit;
- E. Portability requirements and opportunities;

- F. The need to have a reexamination conducted within 120 calendar days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Falmouth Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Falmouth Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Falmouth Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Falmouth Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 *GENERAL POLICIES OF THE FALMOUTH HOUSING AUTHORITY*

A family whose head or spouse has a domicile (legal residence) in the jurisdiction of the Falmouth Housing Authority at the time the family first submits its application for participation in the program to the Falmouth Housing Authority may lease a unit anywhere in the jurisdiction of the Falmouth Housing Authority or outside the Falmouth Housing Authority jurisdiction as long as there is another entity operating a tenant-based Housing Choice Voucher program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence in the jurisdiction of the Falmouth Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Falmouth Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Falmouth Housing Authority.

Families participating in the Housing Choice Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the Falmouth Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Falmouth Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Housing Choice Voucher Program is being administered.

For income targeting purposes, the family will count towards the initial housing authority's goals unless the receiving housing authority absorbs the family. If absorbed, the admission will count towards the receiving housing authority's goals.

If a family has moved out of their assisted unit in violation of the lease, the Falmouth Housing Authority will not issue a voucher and will terminate assistance in compliance with Section 17.0, Termination of the Lease and Contract.

8.2 *INCOME ELIGIBILITY*

- A. A family must be income-eligible in the area where the family first leases a unit with assistance in the Housing Choice Voucher Program.
- B. If a portable family is already a participant in the Initial Housing Authority's Housing Choice Voucher Program, income eligibility is not re-determined.

8.3 *PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY*

- A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.
- B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a housing choice voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

A. When the Falmouth Housing Authority is the Initial Housing Authority:

1. The Falmouth Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
2. The Falmouth Housing Authority will determine whether the family is income-eligible in the area where the family wants to lease a unit if the family is not already a program participant.
3. The Falmouth Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority by giving them the name and telephone number of the person responsible for working with incoming portability families and any procedures related to getting an appointment for the issuance of a voucher.
4. The Falmouth Housing Authority will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family via telephone, fax or email.
5. The Falmouth Housing Authority will immediately mail or fax the Receiving Housing Authority a completed Part I of HUD Form 52665, the most recent HUD Form 50058 (Family Report) for the family, and related verification information. If the family is an applicant and not a participant, the Falmouth Housing Authority will provide the Receiving Housing Authority with the family information and income information in a format similar to that utilized by the 50058.

B. When the Falmouth Housing Authority is the Receiving Housing Authority:

1. When the portable family requests assistance from the Falmouth Housing Authority, the Falmouth Housing Authority will within fourteen (14) calendar days of HAP contract execution (not its effective date) inform the Initial Housing Authority that it will absorb the family into its program or notify the Initial Housing Authority within the time limit set forth in Part I of the 52665 that it will bill the Initial Housing Authority for assistance on behalf of the portable family. Completing Part II of HUD Form 52665 in a timely manner will accomplish this. If the family is absorbed, the Falmouth Housing Authority will also send the Initial Housing Authority a new HUD Form 50058.
2. The Falmouth Housing Authority will issue a voucher to the family within fourteen (14) calendar days as long as the initial voucher has not expired

(if it has expired, the family shall be referred back to the Initial Housing Authority). The term of the Falmouth Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's housing choice voucher. The Falmouth Housing Authority will determine whether to extend the housing choice voucher term. The decision to extend will take into account the Falmouth Housing Authority's existing absorption policy and the billing deadline date provided by the Initial Housing Authority in the 52665. If an extension is granted, the Initial Housing Authority will be informed of this decision. The family must submit a request for tenancy approval to the Falmouth Housing Authority during the term of the Falmouth Housing Authority's housing choice voucher. If the Falmouth Housing Authority has decided to bill the Initial Housing Authority, the request for tenancy approval must be processed in enough time for the Initial Housing Authority to process a Request for Lease Approval and execute a HAP contract before the billing deadline date.

3. The Falmouth Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Falmouth Housing Authority's subsidy standards.
4. The Falmouth Housing Authority will notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the housing choice voucher. In any event the Falmouth Housing Authority will notify the Initial Housing Authority of what is occurring before the expiration of the deadline established in the HUD Form 52665. If the family has leased a unit, the Falmouth Housing Authority will notify the Initial Housing Authority of this fact in enough time for the Initial Housing Authority to process a Request for Lease Approval and execute a HAP contract if the Falmouth Housing Authority intends to bill the Initial Housing Authority.
5. In order to provide tenant-based assistance for portable families, the Falmouth Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the Falmouth Housing Authority may make a determination to deny or terminate assistance to the family. If assistance is denied or terminated, the family shall have a right to an informal hearing.
6. The Falmouth Housing Authority may deny or terminate assistance for family action or inaction in accordance with 24 CFR 982.552 and 24 CFR 982.553.

7. Although the Falmouth Housing Authority will promptly issue a voucher to an incoming portability family, it will still subject the families to its normal screening procedures. If the family fails to pass the screening thresholds either the voucher will be revoked or the family will be terminated from the program if a unit has already been leased.

C. Absorption by the Falmouth Housing Authority

If funding is available under the consolidated ACC for the Falmouth Housing Authority's Housing Choice Voucher Program when the portable family is received, the Falmouth Housing Authority may absorb the family into its Housing Choice Voucher Program. The decision to absorb or not will be made on a case-by-case basis and will solely be the decision of the Falmouth Housing Authority. If absorbed, the family is assisted with funds available under the consolidated ACC for the Falmouth Housing Authority's Tenant-Based Program.

D. Portability Billing

To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees as long as all HUD required deadlines have been compiled with. The billing procedure will be as follows:

1. As the Initial Housing Authority, the Falmouth Housing Authority will within thirty (30) calendar days of receipt of the completed Part II of the HUD Form 52665 reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family in a form and manner the Receiving Housing Authority is able and willing to accept. Payments made after the first payment shall be sent in time for the Receiving Housing Authority to receive the payment no later than the fifth working day of the month. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
2. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

F. On-going Responsibilities as a Receiving Housing Authority

When the Falmouth Housing Authority is a receiving agency it will:

1. Send the Initial Housing Authority an updated HUD Form 50058 at each annual recertification so the Initial Housing Authority can reconcile it with its records.
2. Send the Initial Housing Authority a copy of any new HUD Forms 52665s and 50058s to report any change in the billing amount with ten (10) working days of the effective date of any change in the billing amount.
3. If the Falmouth Housing Authority decides to absorb a family it had previously been billing for, it shall notify the Initial Housing Authority within ten (10) working days following the effective date of the termination of the billing arrangement.
4. If the family decides it wants to move to yet another jurisdiction, the Initial Housing Authority shall be promptly notified and requested to send a new HUD Form 52665 and supporting documentation to the new Receiving Housing Authority.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Falmouth Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Falmouth Housing Authority subtracts all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or

2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Falmouth Housing Authority believes that past income is the best available indicator of expected future income, the Falmouth Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

B. Annual income includes, but is not limited to the amounts specified in the federal regulations currently found in 24 CFR 5.609:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. The value of funds in a savings or checking account is determined by the amount in the account at the time of verification. Income that could have been derived from assets worth more than \$10,000 that were disposed of for less than fair market value

within the past two years will be counted as income.

4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
 - a. Welfare assistance payments
 - i. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - (1). Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - (2). Are not otherwise excluded under paragraph Section 9.3 of this Plan.
 - ii. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - (1). The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (2). The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a

percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

b. Imputed welfare income.

- 1). A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Falmouth Housing Authority by the welfare agency), plus the total amount of other annual income.
- 2). At the request of the Falmouth Housing Authority, the welfare agency will inform the Falmouth Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Falmouth Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Falmouth Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- 3). A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Falmouth Housing Authority by the welfare agency).
- 4). The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- 5). The Falmouth Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- 6). If a participant is not satisfied that the Falmouth Housing Authority has calculated the amount of imputed welfare

income in accordance with HUD requirements, and if the Falmouth Housing Authority denies the family's request to modify such amount, then the Falmouth Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Falmouth Housing Authority's determination of the amount of imputed welfare income. The Falmouth Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may contest the decision in accordance with our informal review policy.

7). Relations with welfare agencies

- a) The Falmouth Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Falmouth Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b). The Falmouth Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, the Falmouth Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- c). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures.

The Falmouth Housing Authority shall rely on the welfare agency notice to the Falmouth Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the participant family, who are unable to live alone);

- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The amount of student financial assistance paid directly to the student or to the educational institution for tuition. For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
1. Amounts received under training programs funded by HUD;

 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiative coordination. No resident may receive more than one such stipend during the same period of time;
 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
 6. Temporary, nonrecurring, or sporadic income (including gifts);
 7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

 9. Adoption assistance payments in excess of \$480 per adopted child;

11. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Tenant Assessment Subsystem (TASS)** – HUD's online system for Social Security (SS) and Supplemental Security Income (SSI) information.

- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the Falmouth Housing Authority has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Falmouth Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Falmouth Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

The Falmouth Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by

another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Falmouth Housing Authority will allow 10 calendar days for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Falmouth Housing Authority will allow 5 calendar days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the 15 calendar day period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the 15 calendar day period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority

will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Falmouth Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship-eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as birth certificate, military ID or military DD 214 Form.)

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Falmouth Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Falmouth Housing Authority also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Falmouth Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program. If they are members of families that include citizens, the rent must be prorated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Falmouth Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of

24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Falmouth Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If individuals state that they do not have a Social Security Number they will be required to sign a statement to this effect. An adult must sign for minor children. The Falmouth Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a participant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 calendar days to provide the verification. If the individual is at least 62 years of age, they will be given 120 calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within sixty (60) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

Household income and composition will be verified at least annually.

For each family member, citizenship/eligible noncitizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

[RESERVED]

11.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If 60 calendar days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Authority or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Housing Authority will consider the location, type, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units. The results of this determination shall be documented in the participant's file.

The Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The payment standard adopted by the Falmouth Housing Authority or one over 110% of the Fair Market Rent that has been approved by HUD determines the maximum subsidy for a family.

For the Housing Choice Voucher Program, the minimum payment standard will be 90% of the FMR and the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a housing choice voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the maximum subsidy may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

The Statute requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR without HUD's prior approval. The Falmouth Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Falmouth Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of housing choice voucher holders in finding units, and the percentage of annual income families are paying for rent under the

Housing Choice Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units located only in poverty-impacted neighborhoods, or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships. The objective is to allow families a reasonable selection of modest, decent, and safe housing in a range of neighborhoods.

The Falmouth Housing Authority may establish a higher payment standard (although still within 110% of the published fair market rent) as a reasonable accommodation for a family that includes people with disabilities. With approval of the HUD Field Office, the payment standard can go to 120%.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Falmouth Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the housing choice voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or

2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when housing choice voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types. The exception payment standard area(s) may not contain more than 50% of the population of the FMR area.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

1. 10% of the family's monthly income
2. 30% of the family's adjusted monthly income
3. The minimum rent
4. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so

designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage.

Plus any rent above the payment standard.

B. Minimum Rent.

The Falmouth Housing Authority has set the minimum rent as \$50. However, if the family requests a hardship exemption, the Falmouth Housing Authority will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. When the family would be evicted because it is unable to pay the minimum rent;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - d. When a death has occurred in the family.
2. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the month following the date of the family's request. At the end of the 90-day period,

the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.

4. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Preservation Vouchers

1. Payment Standard

- a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
- b. If the dwelling unit is located in an exception area, the Falmouth Housing Authority will use the appropriate payment standard for the exception area.
- c. During the HAP contract term, the payment standard for the family is the higher of :
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.

- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
 - i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.

- 2. The Falmouth Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

D. Manufactured Home Space Rental: Section 8 Vouchers

- 1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
- 2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for participant paid utilities.
- 3. The participant pays the rent to owner less the HAP.
- 4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

E. Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;
2. The family was granted continuation of assistance before November 29, 1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).
3. The prorated participant rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone and cable television), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the participant. Any savings resulting from utility costs below the amount of the allowance belong to the participant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made within fifteen calendar days of when due after the first two months of the HAP contract term, the owner may charge the Falmouth Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Falmouth jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted residents; and
- B. The owner also charges such penalties against the resident for late payment of family rent to the owner.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the Falmouth Housing Authority or because of an action or inaction of the landlord.

A housing assistance payment is considered made upon being mailed by the Falmouth Housing Authority.

Unless otherwise terminated, the housing assistance payment contract shall end 180 calendar days after the last housing assistance payment is made.

11.8 CHANGE OF OWNERSHIP

The Falmouth Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Falmouth Housing Authority's rent payment or the address as to where the rent payment should be sent.

In addition, the Falmouth Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Falmouth Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The Falmouth Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Falmouth Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family cannot be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the Falmouth Housing Authority will only schedule one more inspection. If the family misses two inspections, the Falmouth Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the Falmouth Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.

- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e., HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- G. Quality Control Inspection - Supervisory inspections based on at least the minimum number required by the Section 8 Management Assessment Program (SEMAP).

12.2 OWNER AND FAMILY RESPONSIBILITY

- A. Owner Responsibility for HQS
 - 1. The owner must maintain the unit in accordance with HQS.
 - 2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Falmouth Housing Authority will take prompt and vigorous action to enforce the owner obligations. The Falmouth Housing Authority's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
 - 3. The Falmouth Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Falmouth Housing Authority and the Falmouth Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or any Falmouth Housing Authority approved extension). If the required repair is not made in a timely manner, the rent shall be abated beginning with the next rent check. If three consecutive checks are abated or five checks are abated over the life of the HAP contract, the assistance shall be cancelled.

4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the Falmouth Housing Authority may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the resident;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the participant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused defects, the family must correct the defect within no more than 30 calendar days or any Falmouth Housing Authority approved extension.
3. If the family has caused a breach of the HQS, the Falmouth Housing Authority will take prompt and vigorous action to enforce the family obligations. The Falmouth Housing Authority may terminate assistance for the family in accordance with 24 CFR 982.552.

12.3 HOUSING QUALITY STANDARDS (HQS) 24 CFR 982.401

This Section states performance and acceptability criteria for these key aspects of the following housing quality standards:

A. Sanitary Facilities

1. Performance Requirement

- d. The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.
- e. Elevators must be working and safe.

G. Interior Air Quality

H. Water Supply

1. Performance Requirement

The water supply must be free from contamination.

2. Acceptability Criteria

The dwelling unit must be served by an approvable public or private water supply that is sanitary and free from contamination.

I. Lead-based Paint

1. Performance Requirement

The Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and implementing regulations at part 35, subparts A, B, M, and R of this title apply to units assisted under this part.

2. Acceptability Criteria

The requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings.

During initial and annual inspections of pre-1978 units that are occupied or will be occupied by families with children under 6 years of age, the inspector must conduct a visual assessment for deteriorated paint surfaces and the owner must stabilize deteriorated surfaces. Applicable areas include painted surfaces within the dwelling unit, exterior painted surfaces associated with the dwelling unit, and common areas of the building through which residents must pass to gain access to the unit and areas frequented by resident children under six years of age, including play areas and child care facilities.

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by the PHA), and the owner must complete hazard reduction activities if lead hazards are identified during the risk assessment.

J. Access

1. Performance Requirement

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirement

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirement

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).

b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992, (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner

would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 LEAD-BASED PAINT REQUIREMENTS AND RESPONSIBILITIES

A. Exempt Units

The following units are exempt from this policy as it relates to lead-based paint requirements:

1. Units built after December 31, 1977;
2. Zero (0) bedroom and Single Room Occupancy (SRO) units;
3. Housing built for the elderly or persons with disabilities, unless a child of under age six (6) resides or is expected to reside in such housing;
4. Properties for which a paint inspection was completed in accordance with the new regulations that became effective on September 15, 2000, and are certified to have no lead-based paint;
5. Properties in which all lead-based paint was identified, was removed, and that received clearance in accordance with the new regulations which became effective on September 15, 2000.

B. Non-Exempt or Covered Units

For dwellings built before January 1, 1978, and occupied or to be occupied by assisted families with one or more children under age six (6), lead-based paint requirements apply to:

1. The unit interior and exterior paint surfaces associated with the assisted unit: and
2. The common areas servicing the unit, including those areas through which residents must pass to gain access to the unit, and other areas frequented by resident children less than six (6) such as play areas, and child care facilities. Common areas also include garages and fences on the assisted property.
3. Under Massachusetts law the Owner shall present the housing authority for any unit that houses a person under the age of six (6) with a certification from a licensed or certified lead-based paint company.

C. Owners of units to be or that are assisted in addition to providing the required certification shall have the responsibility to:

1. Disclose known lead-based paint hazards to all potential residents prior to execution of a lease;
2. Provide all prospective families with a copy of Protect Your Family From Lead in Your Home or other EPA approved document;
3. When necessary, perform paint stabilization to correct deteriorated paint;
4. Each time paint stabilization is performed, notify the resident about the conduct of lead hazard reduction activities and clearance (if required);
5. Conduct lead hazard reduction activities when required by the Falmouth Housing Authority;
6. Perform all work in accordance with HUD prescribed safe work practices and conduct clearance activities when required; and
7. Perform ongoing maintenance. As part of ongoing maintenance, the owner must provide written notice to each assisted family asking the occupants to report deteriorated paint. The notice must include the name, address, and phone number of the person responsible for accepting the occupant's complaint.

Before the execution of the lease the owner is required to disclose any knowledge of lead-based paint or lead-based paint hazards in housing built prior to 1978 to all prospective residents. The Falmouth Housing Authority will keep a copy of the disclosure notice executed by the owner and resident in the participant's file. The owner will keep the original disclosure notice and forward a copy of the notice to the Falmouth Housing Authority.

In addition, in order to be in compliance with HUD lead-based paint requirements if the deteriorated paint surface exceeds the de minimis level, the owner must:

1. Conduct all stabilization activities with trained staff;
2. Employ acceptable methods for preparing the surface to be treated, including wet scraping, wet sanding, and power sanding performed in conjunction with a HEPA filtered local exhaust attachment operated according to manufacturer's instruction;
3. Not dry sand or dry scrape within one (1) square foot of electrical outlets;
4. Protect the occupants and their belongings from contamination;

5. Notify the occupants within fifteen (15) calendar days of stabilization activity and provide the results of the clearance examination.

The owner must provide the Falmouth Housing Authority with an executed copy of the Lead-Based Paint Owner's Certification for the HQS violation for paint stabilization to be considered closed.

In no instance may an owner employ any paint stabilization methods that are strictly prohibited by federal, state, or local law such as:

1. Open flame burning and torching;
2. Machine-sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control;
3. Heat guns operating above 1,100 degrees Fahrenheit;
4. Abrasive blasting or sandblasting with HEPA exhaust control;
5. Dry sanding and scraping except limited conditions stated above for limited areas; and
6. Paint stripping in poorly ventilated space using a volatile stripper or a hazardous chemical as defined by Occupational Safety and Health Administration (OSHA).

Failure to comply with paint stabilization requirements, regardless of the amount of deteriorated surface, results in disapproval of the tenancy, abatement of payment to the owner, and/or termination of the HAP contract.

Clearance Activities:

The owner must provide the Falmouth Housing Authority with an executed copy of the Lead-Based Paint Owner's Certification for the HQS violation for paint stabilization to be considered closed.

G. Requirements for Children with Environmental Intervention Blood Lead Level

Should the Falmouth Housing Authority receive information regarding an environmental intervention blood lead level child under age six from the family, owner, or other sources not associated with the medical health community, the Falmouth Housing Authority will immediately verify the information with a public health department or other medical health care provider.

If either the public health department or private medical health agency provides verification that the child has an environmental intervention blood lead level, the Falmouth Housing Authority will proceed to complete a risk assessment of the unit, common areas and exterior surfaces as outlined in Subsection H below. This requirement does not apply if the public health department has already conducted an evaluation between the date the child's blood was last sampled and the receipt of notification of the child's condition.

If the Falmouth Housing Authority receives a report of an environmental intervention blood lead level child from any source other than the public health department, the Falmouth Housing Authority will notify the public health department with five (5) working days.

HUD has defined environmental intervention blood lead level as a confirmed concentration of lead in whole blood equal or greater than 20 ug/dL (micrograms of lead per deciliter) for a single test or 15-19 ug/dL in two tests taken at least three (3) months apart in children under age six.

H. Risk Assessment

Within fifteen (15) calendar days of the notification to the Falmouth Housing Authority by a public health department or medical health care provider, the Falmouth Housing Authority will complete a risk assessment of the dwelling unit, including common areas servicing the dwelling unit, if the child lived in the unit at the time the child's blood was sampled. If the public health department has already conducted an evaluation between the date the child's blood was last sample and the receipt of notification of the child's condition, the risk assessment by the Falmouth Housing Authority is not required.

The Falmouth Housing Authority will only utilize persons trained and certified by an EPA or state-approved agency to perform risk assessments. The risk assessment will identify the appropriate method of correction if correction is required.

The risk assessment will involve an on-site investigation to determine the existence, nature, severity, and location of lead-based paint hazards. The investigation will include dust and soil sampling, visual evaluation, and may include paint inspections (tests for lead in paint). The assessor will issue a report to the housing authority explaining the results of the investigation, as well as option and requirements for reducing lead-based paint hazards. Upon receipt of the risk assessment, the Falmouth Housing Authority shall immediately notify the owner of its results.

The owner must notify the building residents of the results of the risk assessment within fifteen (15) calendar days of receipt of the risk assessment results from the Falmouth Housing Authority.

I. Hazard Reduction

The owner must complete reduction of identified lead-based paint hazards as identified in the risk assessment as outlined in Subsection H of this Section within thirty (30) calendar days (or date specified by the Falmouth Housing Authority if an extension is granted for exterior surfaces).

Hazard reduction activities may include paint stabilization, abatement, interim controls, or dust and soil contamination control. The appropriate method of correction will be identified in the risk assessment.

Hazard reduction will be considered complete by the Falmouth Housing Authority when a clearance examination has been completed and the report indicates that all identified hazards have been treated and clearance has been achieved, or when the public health department certifies that the hazard reduction is complete.

The owner must notify all building residents of any hazard reduction activities within fifteen (15) calendar days of completion of activities.

Like paint stabilization compliance, when the Falmouth Housing Authority receives the owner's certification, this will signal compliance with lead hazard reduction activities.

Failure by the owner to complete hazard reduction activities (including clearance) within thirty (30) calendar days (or later if the Falmouth Housing Authority grants an extension for exterior surfaces) of notification constitutes a violation of HQS, and appropriate action against the owner will be taken if a program family occupies the unit. If the unit is vacant when the Falmouth Housing Authority notifies the owner, the unit may not be reoccupied by another assisted family, regardless of the ages of children in the family, until compliance with the lead-based paint requirement is completed.

J. Falmouth Housing Authority Data Collection and Record Keeping

Quarterly, the Falmouth Housing Authority will attempt to obtain from the public health department having jurisdiction in the same area as the Falmouth Housing Authority, the names and addresses of children under age six with an identified environmental intervention blood lead level.

The Falmouth Housing Authority will match information received from the health department with information about program families. If a match occurs, the Falmouth Housing Authority will follow all procedures for notifying owners and conducting risk assessments as stated above.

Quarterly, the Falmouth Housing Authority will report a list of addresses of units occupied by children under age six, receiving assistance to the public health department, unless the health department indicates in writing that such a report is not necessary.

The Falmouth Housing Authority will inform owners of lead-based paint regulations especially those related to prohibited and safe work practices, resident protection during lead-based paint activities, and notification requirements. This will be accomplished through written material provided by the Falmouth Housing Authority.

The Falmouth Housing Authority is responsible for issuing and maintaining in the file the notification to the owner of any needed corrections and appropriate methods to correct lead hazards, and of the deadline for completing the corrections.

12.5 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

The Falmouth Housing Authority will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS, the owner and the participant will be advised to notify the Falmouth Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given time to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety, the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days or such other time as set by the Falmouth Housing Authority to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Falmouth Housing Authority will abate payment and/or terminate the contract in accordance with Sections 12.5 and 17.0.

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Falmouth Housing Authority may terminate assistance for the family in accordance with Sections 12.2(B) and 17.0.

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.

2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 30 calendar days of the initial inspection.

D. Extensions

At the sole discretion of the Falmouth Housing Authority, extensions of up to 30 calendar days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.5 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within in the required timeframe, the rent for the dwelling unit will be abated as of the first day of the next month.

If the corrections of deficiencies are not made, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected, the Falmouth Housing Authority will end the abatement the day the unit passes inspection. Rent will resume the day the unit passes inspection and be paid the first day of the next month.

For participant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The participant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the Falmouth Housing Authority may send a notice of termination to both the participant and the owner. The participant will be given the opportunity to request an informal hearing.

HAP contracts will be terminated after giving the owner thirty (30) calendar days notice from the first day of a month. It will be sent with the Notice of Abatement. Termination will end any abatement action.

13.0 RESERVED

14.0 RECERTIFICATION

14.0.1 CHANGES IN LEASE OR RENT

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the Falmouth Housing Authority a copy of the changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the Falmouth Housing Authority of any changes in the amount of the rent at least sixty (60) calendar days before the changes go into effect. Any such changes are subject to the Falmouth Housing Authority determining them to be reasonable.

Assistance shall not be continued unless the Falmouth Housing Authority has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner if any of the following changes are made:

- A. Requirements governing participant or owner responsibilities for utilities or appliances;
- B. In the lease terms reducing the length of the lease;
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

The approval of the Falmouth Housing Authority is not required for changes other than those specified in A, B, or C above.

However, owners wishing to change ownership must receive the written permission of the Housing Authority prior to assigning a HAP contract. The owner shall inform the Falmouth Housing Authority of the impending change and give the Authority 14 calendar days to review the prospective owner to make sure they are appropriate. The new owner shall meet the same criteria as the existing owner. Approval shall not be unreasonably withheld.

14.1 ANNUAL REEXAMINATION

At least annually (within 365 calendar days of the anniversary date of the HAP contract) the Falmouth Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Falmouth Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary.

The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Falmouth Housing Authority will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter, a second letter will be mailed. The second letter will advise of a new time and date for an interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the scheduled interview will result in the Falmouth Housing Authority taking action to terminate the family's assistance. If there is no response to the second letter, a termination notice will be issued to both the family and the owners. The termination notice will inform the family of its right to request an informal hearing.

14.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the Falmouth Housing Authority within 30 calendar days between regular reexaminations. These changes will trigger an interim reexamination.

A. A member has been added to the family through birth or adoption or court-

awarded custody.

- B. A household member is leaving or has left the family unit.
- C. Family break-up.
- D. A change in family income.

In circumstances of a family break-up, the Falmouth Housing Authority will make a determination of which family member will retain the housing choice voucher, taking into consideration the following factors:

1. To whom the certificate or housing choice voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Falmouth Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Falmouth Housing Authority will make determinations on a case by case basis.

The Falmouth Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.3.

In order to add a household member other than through birth, adoption, or court-awarded custody (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the

process for applicants. The Falmouth Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Falmouth Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Falmouth Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Falmouth Housing Authority may schedule special reexaminations every 30 calendar days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

14.3 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Falmouth Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of 12 months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the

debt shall be offset to the degree possible before the resident chooses between the two refund methods.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE FALMOUTH HOUSING AUTHORITY

The Falmouth Housing Authority may at any time terminate program assistance for a participant because of any of the following actions or inactions by the household:

- A. If the family violates any family obligations under the program;
- B. If the family was evicted from housing assisted under the Section 8 program for serious violations of the lease;
- C. If a family member fails to sign and submit consent forms;
- D. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the Falmouth Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination;
- E. Have a household member who is currently engaging in illegal use of a drug;
- F. Have a household member whose pattern of illegal drug use interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- G. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing;
- H. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program;
- I. If any member of the family commits drug-related or violent criminal activity in violation of Section 2.3 of this Administrative Plan and 24 CFR 982.551;
- J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;

- K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- L. Have a family member who violates any family obligations under the program;
- M. Have a family member who has been evicted from federally assisted housing in the last five years;
- N. Have a family member that Falmouth Housing Authority has ever terminated assistance for under the program;
- O. Have a family member that has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- P. Currently owes rent or other amounts to the Falmouth Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- Q. Have not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;
- R. Have breached an agreement with Falmouth Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority;
- S. If a family participating in the Family Self-Sufficiency Program fails to comply, without good cause, with the family's FSS Contract of Participation;
- T. Have engaged in or threatened abusive or violent behavior towards any Falmouth Housing Authority staff member or resident;
- U. If a welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program.

For purposes of this section, the Falmouth Housing Authority may terminate assistance for criminal activity by a household member as authorized in this section if the Falmouth Housing Authority determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted of such activity.

If the Falmouth Housing Authority proposes to terminate assistance for criminal activity as shown by a criminal record, the Falmouth Housing Authority will notify the household

of the proposed action to be based on the information and must provide the person with the criminal record (i.e., the family member) and the head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in accordance with the procedures established for the Informal Hearing for Participants. The household will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing.

Any family absent from the assisted unit for more than 180 consecutive calendar days (180 is the maximum) must be terminated from the program.

In circumstances of a family break-up, the Falmouth Housing Authority will make a determination of which family member will retain the housing choice voucher, taking into consideration the following factors:

- A. To whom the housing choice voucher was issued.
- B. The interest of minor children or of ill, elderly, or disabled family members.
- C. Whether the assistance should remain with the family members remaining in the unit.
- D. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Falmouth Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The Falmouth Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The Falmouth Housing Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

16.2 INFORMAL REVIEW FOR THE APPLICANT

- A. Informal Review for the Applicant

The Falmouth Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Falmouth Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The Falmouth Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Falmouth Housing Authority subsidy standards.
2. A Falmouth Housing Authority determination not to approve an extension or suspension of a housing choice voucher term.
3. A Falmouth Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A Falmouth Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.
5. A Falmouth Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the Falmouth Housing Authority.

C. Informal Review Process

The Falmouth Housing Authority will give an applicant an opportunity for an informal review of the Falmouth Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the Falmouth Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the Falmouth Housing Authority decision.

3. The Falmouth Housing Authority will notify the applicant of the Falmouth Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to deny assistance to an applicant because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to receive assistance.

If the Housing Authority seeks to deny assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny assistance. In determining whether to deny assistance for these reasons the Falmouth Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the Falmouth Housing Authority provide for an informal review after the family has notification of the INS decision on

appeal, or in lieu of request of appeal to the INS. The applicant family must make this request within 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 calendar days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The Falmouth Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following Falmouth Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and Falmouth Housing Authority policies:
 - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Falmouth Housing Authority utility allowance schedule.
 - c. A determination of the family unit size under the Falmouth Housing Authority subsidy standards.
 - d. A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - e. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the Falmouth Housing Authority policy and HUD rules.
 - f. Denial of a hardship exemption to the minimum rent requirement.
2. In cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Falmouth Housing Authority will give the opportunity for an informal

hearing before the Falmouth Housing Authority terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The Falmouth Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

1. Discretionary administrative determinations by the Falmouth Housing Authority.
2. General policy issues or class grievances.
3. Establishment of the Falmouth Housing Authority schedule of utility allowances for families in the program.
4. A Falmouth Housing Authority determination not to approve an extension or suspension of a housing choice voucher term.
5. A Falmouth Housing Authority determination not to approve a unit or lease.
6. A Falmouth Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the Falmouth Housing Authority will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)
7. A Falmouth Housing Authority determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the Falmouth Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c), of this Section, the Falmouth Housing Authority will notify the family that the family may ask for an explanation of the basis of the Falmouth Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Falmouth Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:

- a. Contain a brief statement of the reasons for the decision; and
- b. State if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.

D. Hearing Procedures

The Falmouth Housing Authority and participants will adhere to the following procedures:

1. Discovery

- a. The family will be given the opportunity to examine before the hearing any Falmouth Housing Authority documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the Falmouth Housing Authority does not make the document(s) available for examination on request of the family, the Falmouth Housing Authority may not rely on the document at the hearing.
- b. The Falmouth Housing Authority will be given the opportunity to examine, at the Falmouth Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The Falmouth Housing Authority will be allowed to copy any such document at the Falmouth Housing Authority's expense. If the family does not make the document(s) available for examination on request of the Falmouth Housing Authority, the family may not rely on the document(s) at the hearing.

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the Falmouth Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.

- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the Falmouth Housing Authority hearing procedures.

4. Evidence

The Falmouth Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The Falmouth Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the Falmouth Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Falmouth Housing Authority hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Falmouth Housing Authority determines that it is not bound by a hearing decision, the Falmouth Housing Authority will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Falmouth Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the Falmouth Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 calendar days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the participant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Falmouth Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the Lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Falmouth Housing Authority after the initial lease term. The length of the notice that is required is stated in the lease (generally 30 calendar days).

2. By the owner

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in a criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner may take or not take the action in accordance with the owner's standards for eviction. The owner may consider all of the circumstances relevant to a particular eviction case, such as:

- a. The seriousness of the offending action;
- b. The effect on the community of denial or termination or the failure of the owner to take such action;
- c. The extent of participation by the leaseholder in the offending action;
- d. The effect of denial of admission or termination of tenancy on household members not involved in the offending activity;
- e. The demand for assisted housing by families who will adhere to lease responsibilities;

- f. The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- g. The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, the owner may require the participant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of assistance actions must be consistent with the fair housing and equal opportunity provision of 24 CFR 5.105.

- a. The owner may terminate the lease during its term on the following grounds:
 - i. Serious or repeated violations of the terms or conditions of the lease;
 - ii. Violation of Federal, State, or local law that imposes obligations on the participant in connection with the occupancy or use of the unit and its premises;
 - iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons (including property management staff) residing on the premises or in the immediate vicinity of the premises;
 - iv. Any drug-related or violent criminal activity engaged in on or near the premises by any resident, household member, or guest, or such activity engaged in on the premises by any

other person under the tenant's control, is grounds for the owner to terminate tenancy;

- v. When the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- vi. If a participant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under Federal or State law.
- vii. If the participant is violating a condition of probation or parole imposed under Federal or State law.
- viii. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
- c. The owner may only evict the participant by instituting court action after or simultaneously providing written notice to the participant specifying the grounds for termination. The owner must give the Falmouth Housing Authority a copy of any owner eviction notice to the participant at the same time that the owner gives the notice to the participant.
- d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

3. By mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Automatic termination of the contract

- a. If the Falmouth Housing Authority terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with the lease and State and local law.

3. Termination of the HAP contract by the Falmouth Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.

- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. When the family breaks up and the Falmouth Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
- d. The Falmouth Housing Authority determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- e. The owner has breached the contract in any of the following ways:
 - i. If the owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with the HQS.
 - ii. If the owner has violated any obligation under any other housing assistance payments contract under Section 8 of the 1937 Act.
 - iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.
 - iv. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement.
 - v. If the owner has engaged in drug-related criminal activity or any violent criminal activity.
- f. If a welfare-to-work family fails to fulfill its obligations under the welfare-to-work housing choice voucher program.

4. Final HAP payment to owner

The HAP payment stops when the lease terminates. The owner may keep the payment for the month in which the family moves out. If the owner has begun eviction proceedings and the family continues to occupy the

unit, the Housing Authority will continue to make payments until the owner obtains a judgment or the family moves out.

18.0 CHARGES AGAINST THE SECTION 8 ADMINISTRATIVE FEE RESERVE

Occasionally, it is necessary for the Falmouth Housing Authority to spend money from its Section 8 Administrative Fee Reserve to meet unseen or extraordinary expenditures or for its other housing related purposes consistent with federal and State law.

The Falmouth Housing Authority Board of Commissioners authorizes the Executive Director to expend without prior Board approval up to \$300 for authorized expenditures.

Any item(s) exceeding \$300 will require prior Board of Commissioner approval before any charge is made against the Section 8 Administrative Fee Reserve.

19.0 INTELLECTUAL PROPERTY RIGHTS

No program receipts may be used to indemnify contractors or subcontractors of the Falmouth Housing Authority against costs associated with any judgement of infringement of intellectual property rights.

20.0 FALMOUTH HOUSING AUTHORITY OWNED HOUSING

Units owned by the Falmouth Housing Authority and not receiving subsidy under any other program are eligible housing units for Housing Choice Voucher holders. In order to comply with Federal regulation, the Falmouth Housing Authority will do the following:

- A. The Falmouth Housing Authority will make available through the briefing process both orally and in writing the availability of Falmouth Housing Authority owned units (notification will also include other properties owned/managed by the private sector available to Housing Choice Voucher holders).
- B. The Falmouth Housing Authority will obtain the services of an independent entity to perform the following Falmouth Housing Authority functions:
 - 1. Determine rent reasonableness for the unit. The independent entity will communicate the rent reasonableness determination to the family and the Falmouth Housing Authority.
 - 2. To assist the family in negotiating the rent.

3. To inspect the unit for compliance with HQS.
- C. The Falmouth Housing Authority will gain HUD approval for the independent agency/agencies utilized to perform the above functions.
- D. The Falmouth Housing Authority will compensate the independent agency/agencies from our ongoing administrative fee income.
- E. The Falmouth Housing Authority, or the independent agency/agencies, will not charge the family any fee or charge for the services provided by the independent agency.

21.0 QUALITY CONTROL OF SECTION 8 PROGRAM

In order to maintain the appropriate quality standards for the Section 8 program, the Falmouth Housing Authority will regularly (at least annually) review files and records to determine if the work documented in the files or records conforms to program requirements. This shall be accomplished by a supervisor or another qualified person other than the one originally responsible for the work or someone subordinate to that person. The number of files and/or records checked shall be at least equal to the number specified in the Section 8 Management Assessment Program (SEMAP) for our size housing authority.

Among the areas that shall have quality control reviews are the following:

- A. The proper people were selected from the waiting list and their selection criteria were actually met by the applicants.
- B. The determination of rent reasonableness.
- C. Participants are paying the appropriate rent and their income and expenses were properly verified.
- D. HQS inspections were properly made.
- E. HQS deficiencies were properly followed up on and appropriate repairs were made in a timely manner.

If significant errors are found during a quality control review, then appropriate training shall be immediately conducted for the person or persons who made the errors and that person shall correct all of his or her errors.

22.0 RESERVED

23.0 RESERVED FOR HOMEOWNERSHIP OPTION

24.0 CONDUCTING BUSINESS IN ACCORDANCE WITH CORE VALUES AND ETHICAL STANDARDS

24.1 PURPOSE

This Code of Conduct establishes standards for employee and Commissioner conduct that will assure the highest level of public service. Recognizing that compliance with any ethical standards rests primarily on personal integrity and specifically in this situation with the integrity of the employees and Commissioners of the Falmouth Housing Authority, this Section sets forth those acts or omissions of acts that could be deemed injurious to the general mission of the Authority.

This Code of Conduct is not intended, nor should it be construed, as an attempt to unreasonably intrude upon the individual employee or Commissioner's right to privacy and the right to participate freely in a democratic society and economy.

24.2 CONFLICT OF INTEREST

In accordance with 24 CFR 982.161, neither the Falmouth Housing Authority nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the tenant-based programs in which any of the following classes of persons has any interest, direct or indirect, during his or her tenure with the Falmouth Housing Authority or for one year thereafter:

- A. Any present or former member or officer of the Housing Authority (except a participant commissioner);
- B. Any employee of the Housing Authority or any contractor, subcontractor or agent of the Housing Authority who formulates policy or who influences decisions with respect to the programs;
- C. Any public official, member of a governing body, or State or local legislator who exercises functions or responsibilities with respect to the Falmouth Housing Authority's programs; or
- D. Any member of the Congress of the United States.

Any member of the classes described in A, B, C, or D, must disclose their interest or prospective interest to the Housing Authority and HUD.

The Conflict of Interest prohibition under this section (23.2) may be waived by the HUD Field Office upon the request of the Falmouth Housing Authority for good cause.

24.3 *PROHIBITION OF SOLICITATION OR ACCEPTANCE OF GIFTS*

No Commissioner or Authority employee shall solicit any gift or consideration of any kind, nor shall any Authority employee accept or receive a gift having value in excess of \$50.00 regardless of the form of the gift, from any person who has an interest in any matter proposed or pending before the Authority.

24.4 *HOUSING AUTHORITY ADMINISTRATIVE AND DISCIPLINARY REMEDIES FOR VIOLATION OF THE HOUSING AUTHORITY CODE OF CONDUCT*

Violations of this Code of Conduct Policy will result in disciplinary action as outlined in the Falmouth Housing Authority's Personnel Policy or as determined by action of the Board of Commissioners.

25.0 SUPPORT FOR OUR ARMED FORCES (FEB 5, 2003)

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Falmouth Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Falmouth Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for dependents residing in the unit, the income received by the temporary guardian will not be counted in determining family income. The presence of the temporary guardian will need to be approved by the landlord.
- B. Although typically a criminal background check is required before anyone can participate in the housing choice voucher program, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves into the assisted unit. If the results of the check dictate that the person is ineligible for the program, the family shall be given a reasonable time to find a replacement temporary guardian.

- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Falmouth Housing Authority will expeditiously re-evaluate a resident's portion of the rent if requested to do so.
- D. A unit cannot be held by a family that is not residing in it as their primary residence for more than 180 consecutive calendar days because of a specific federal regulation. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service. If the service extends beyond 180 calendar days, the Falmouth Housing Authority may seek a waiver of the 180 calendar day limit from HUD.

26.0 ANTI-FRAUD POLICY

The Falmouth Housing Authority is fully committed to combating fraud in its Section 8 housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Falmouth Housing Authority. It results in the inappropriate expenditure of public funds and/or a violation of Section 8 requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Falmouth Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Falmouth Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement;
- C. Terminate the resident's rental assistance;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Falmouth Housing Authority deems appropriate.

27.0 PROJECT-BASING HOUSING VOUCHERS

The Falmouth Housing Authority has determined that project-basing some of its housing vouchers (not to exceed 20% of the inventory) is in the community's interest. This effort is an appropriate option because it will deconcentrate poverty and expand housing and economic opportunity. The specifics of what the Housing Authority is seeking will be contained in an advertisement published in the manner prescribed by HUD that varies depending upon whether the units to be brought into the program are new construction, rehabilitated, or existing units. The actual selection of the units to be project-based shall also be in full accordance with HUD requirements.

27.1 SELECTION OF PROPERTIES TO PROJECT-BASE

A. Selection Policy

The policies as set forth herein are adopted by the Falmouth Housing Authority for the purpose of administering the Section 8 Project-Based Voucher program.

The Falmouth Housing Authority will select Project-Based Voucher proposals by either of the following two methods:

1. Falmouth Housing Authority will request Project-Based Voucher Proposals. The Falmouth Housing will not limit proposals to a single site or impose restrictions that explicitly or practically preclude other submissions of proposals for Project-Based Voucher housing on different sites.
2. The selection of a proposal for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided) where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the Project-Based Voucher proposal selection date. Also, the earlier competitive selection proposal must not have involved any consideration that the project would receive Project-Based Voucher assistance. In this case, the vouchers can be project-based merely on a vote of the Board of Commissioners.

If the Falmouth Housing Authority will be selecting proposals under A(1) of this section, the Falmouth Housing Authority will issue a Request for Proposals (RFP) inviting interested owners to participate in the Project-Based Voucher Program. In the Project-Based Voucher Program, assistance is attached to the structure and may be in the form of existing housing, newly constructed housing or rehabilitated housing. The RFP may include all forms of housing or individual forms (e.g., newly constructed housing only).

The Falmouth Housing Authority will advertise the RFP in the Falmouth Enterprise, which is the newspaper of general circulation for the jurisdiction. Applicants shall have thirty (30) days from the date of publication to respond by submitting their applications. Only applications submitted in response to the advertisement will be considered.

The Falmouth Housing Authority will prepare a detailed RFP package outlining;

- Program Requirements to include:
 - (1) ineligible housing types and prohibition of assistance for units in subsidized housing; and
 - (2) program accessibility requirements of section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8; and
 - (3) housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable;
- Application Requirements;
- Rating and Ranking of Applications; and
- Selection Process.

This information will be provided at the request of interested parties. The submission deadline date will also be a part of the RFP package. This will allow the Falmouth Housing Authority adequate time to examine the proposed site before the selection date. For existing housing, the Falmouth Housing Authority will inspect all of the units to determine whether the units substantially comply with the HQS.

After the closing date of the Request for Proposals, the Falmouth Housing Authority will review each proposal for completeness, determine if the proposed site meets the site selection standards, determine that the cap on number of Project-Based Voucher units in each building has not been exceeded, and score the proposal.

After the Falmouth Housing Authority staff has made its decision, the Executive Director will present the rating and ranking of proposals, along with the recommended selection based on the scores received to the Falmouth Housing Authority Board of Commissioners for approval.

If the selection of proposals includes Falmouth Housing Authority owned property(s), the Falmouth Housing Authority will notify the HUD field office before finalizing the selection for its review of the selection.

A Housing Authority owned unit is defined as a dwelling unit owned by the Housing Authority that administers the voucher program. Housing Authority-owned means that the agency or its officers, employees, or agents hold a direct or indirect interest in the building in which the unit is located, including an interest as titleholder or lessee, or as a stockholder, member or general or limited partner, or member of a limited liability corporation, or an entity that holds any such direct or indirect interest.

The Falmouth Housing Authority will give written notification to the successful proposer(s) within five (5) business days of Board approval. Public notice of the selected proposals will be published in the Falmouth Enterprise, which is the newspaper of general circulation for the jurisdiction. The Falmouth Housing Authority will also notify those proposers that weren't selected within five (5) business days from Board approval. The denial letter will contain the procedures for appealing the selection.

The Falmouth Housing Authority will make documentation available for public inspection regarding the basis for the Falmouth Housing Authority selection of a Project-Based Voucher proposal.

If proposers wish to appeal the selection process, they may do so by presenting their complaint in writing to the Executive Director within ten (10) calendar days from the date contained on the denial letter from the Falmouth Housing Authority.

The Falmouth Housing Authority will seek to resolve all appeals in as informal a manner as possible. The appeal must contain, at a minimum, the following information:

- Name, address, and telephone number of the proposer appealing;
- Identification of the RFP being appealed;
- A statement of the reason for appealing;
- Supporting exhibits, evidence, or documents to substantiate any arguments; and
- The form of relief requested.

The Falmouth Housing Authority shall issue a decision on the appeal as expeditiously as possible after receiving all relevant information requested. The Falmouth Housing Authority may decide to suspend the award of project-based vouchers if the facts presented in the appeal warrant such action. This action will only be taken if the evidence is clear and convincing as to the existence of an

impropriety and there are no other means of resolving the matter. If the Falmouth Housing Authority Executive Director believes that an impropriety exists, then the proposed award of project-based vouchers will be canceled or revised to comply with the decision of the Executive Director.

If the appeal is not granted, the Executive Director will provide a written decision with justification for the denial of the appeal.

B. Requirements for Selection of Project-Base Housing

1. Housing Type

The Falmouth Housing Authority may attach Project-Based Voucher assistance for units in existing housing, newly constructed housing or rehabilitated housing. A housing unit is considered an existing unit if at the time of notice of the Falmouth Housing Authority selection, the units substantially comply with HQS.

2. Prohibition of Assistance for Ineligible Units

(a) Ineligible Units

The Falmouth Housing Authority will not attach or pay Project-Based Voucher assistance for units in the following types of housing:

- (i) Shared housing;
- (ii) Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- (iii) Nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care. Units in an assisted living facility are eligible if they provide home health care services such as nursing and therapy for residents of the housing;
- (iv) Units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students of the institution;
- (v) Manufactured homes;
- (vi) Cooperative housing; and

(vii) Transitional housing.

(b) High-rise Elevator Project for Families with Children

The Falmouth Housing Authority will not attach or pay Project-Based Voucher assistance to a high-rise elevator project that may be occupied by families with children unless the Falmouth Housing Authority determines there is no practical alternative and HUD approves such finding.

(c) Prohibition Against Assistance for Owner-Occupied Unit

The Falmouth Housing Authority will not attach or pay Project-Based Voucher assistance for a unit occupied by an owner of the housing.

(d) Prohibition Against Selecting a Unit Occupied by an Ineligible Family

The Falmouth Housing Authority will not select or enter into an Agreement or HAP contract for a unit occupied by a family ineligible for participation in the Project-Based Voucher Program.

3. Prohibition of Assistance for Units in Subsidized Housing

The Falmouth Housing Authority will not attach or pay Project-based Voucher assistance to units in any of the following types of subsidized housing:

- (a) A public housing dwelling unit;
- (b) A unit subsidized with any other form of Section 8 assistance (tenant-based or project-based);
- (c) A unit subsidized with any governmental rent subsidy (a subsidy that pays all or any part of the rent);
- (d) A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- (e) A unit subsidized with Section 236 rental assistance payments (12 U.S.C. 1715z-1). However, the Falmouth Housing Authority may attach assistance to a unit subsidized with Section 236 interest reduction payments;

- (f) A unit subsidized with rental assistance payments under Section 521 of the Housing Act of 1949, 42 U.S.C. 1490a (a Rural Housing Service Program). However, the Falmouth Housing Authority may attach assistance for a unit subsidized with Section 515 interest reduction payments (42 U.S.C. 1485);
- (g) A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701q note);
- (h) Section 811 project-based supportive housing for persons with disabilities (42 U.S.C. 8013).
- (i) Section 202 supportive housing for the elderly (12 U.S.C. 1701q);
- (j) A Section 101 rent supplement project (12 U.S.C. 1701s);
- (k) A unit subsidized with any form of tenant-based rental assistance (as defined at 24 CFR 982.1(b)(2)) (e.g., a unit subsidized with tenant-based rental assistance under the HOME program, 42 U.S.C. 12701 et seq.);
- (l) A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or by the Falmouth Housing Authority in accordance with HUD requirements. For this purpose, “housing subsidy” does not include the housing component of a welfare payment; a social security payment; or a federal, state, or local tax concession (such as relief from local real property taxes).

4. Prohibition of Excess Public Assistance

The Falmouth Housing Authority will only provide Project-Based Voucher assistance in accordance with HUD subsidy layering regulations and other requirements. The subsidy layering review is intended to prevent excessive public assistance for the housing by combining (layering) housing assistance payment subsidy under the Project-Based Voucher Program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

The Falmouth Housing Authority will only enter into an Agreement or HAP contract after HUD or an independent entity approved by HUD has conducted any required subsidy layering review and determined that the

Project-Based Voucher assistance is in accordance with HUD subsidy layering requirements.

The Falmouth Housing Authority will require the owner to certify that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than the assistance disclosed in the subsidy layering review in accordance with HUD requirements.

5. Cap on Number of Project-Based Voucher Units in Each Building

(a) 25 Percent Per Building Cap

The Falmouth Housing Authority will not select a proposal to provide Project-Based Voucher assistance for units in a building or enter into an Agreement or HAP contract to provide Project-Based Voucher assistance for units in a building if the total number of dwelling units in the building that will receive Project-Based Voucher Assistance during the term of the Project-Based Voucher HAP is more than 25 percent of the number of the dwelling units in the building.

(b) Exception to 25 Percent Per Building Cap

In the following instances, Project-Based Voucher units are not counted against the 25 percent per building cap:

- (i) Units in a single-family building (4 units or less)
- (ii) Excepted units in a multi family building.

Note: "Excepted units" means units in a multifamily building that are specifically made available for qualifying families;

"Qualifying families" means: Elderly or disabled families; or families receiving supportive services.

Supportive services mean those appropriate services made available to a family trying to achieve economic independence and self-sufficiency and may include:

- (1) *Child care - child care of a type that provides sufficient hours of operation and serves an appropriate range of ages;*

- (2) *Transportation - transportation necessary to enable a participating family to receive available services, or to commute to their places of employment;*
- (3) *Education - remedial education; education for completion of secondary or post secondary schooling;*
- (4) *Employment - job training, preparation, and counseling; job development and placement; and follow-up assistance after job placement and completion of the contract of participation;*
- (5) *Personal welfare - substance/alcohol abuse treatment and counseling;*
- (6) *Household skills and management - training in homemaking and parenting skills; household management; and money management;*
- (7) *Other services - any other services and resources, including case management, reasonable accommodations for individuals with disabilities, that the Falmouth Housing Authority determines to be appropriate in assisting families to achieve economic independence and self-sufficiency.*

6. Site Selection Standards

(a) General Requirements

The Falmouth Housing Authority will not select a proposal for existing housing, newly constructed, or rehabilitated Project-Based Voucher housing on a site or enter into an Agreement or HAP contract for units on the site until the Falmouth Housing Authority has determined that:

- (i) Project-based assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities as outlined in the Falmouth Housing Authority Annual and Five-Year Plan and this Administrative Policy. In making this determination, the Falmouth Housing Authority will utilize the following factors:

- (1) Whether the census tract in which the proposed Project-Based Voucher development will be located is in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;
 - (2) Whether a Project-Based Voucher development will be located in a census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition;
 - (3) Whether the census tract in which the proposed Project-Based Voucher development will be located is undergoing significant revitalization;
 - (4) Whether state, local, or federal dollars have been invested in the area that has assisted in the achievement of the statutory requirement;
 - (5) Whether new market rate units are being developed in the same census tract where the proposed Project-Based Voucher development will be located and the likelihood that such market rate units will positively impact the poverty rate in the area;
 - (6) If the poverty rate in the area where the proposed Project-Based Voucher development will be located is greater than 20 percent, the PHA should consider whether in the past five years there has been an overall decline in the poverty rate;
 - (7) Whether there are meaningful opportunities for educational and economic advancement in the census tract where the proposed Project-Based Voucher development will be located.
- (ii) The site is suitable from the standpoint of facilitating and furthering full compliance with applicable Civil Rights statutes and regulations, including the requirement that the site meet the Section 504 site selection requirements described in 24 FR 8.4(b)(5).
 - (iii) The site meets the HQS site requirements at 24 CFR 982.401(1).

(b) Existing and Rehabilitated Housing Site and Neighborhood Standards

The Falmouth Housing Authority will determine if a site for existing or rehabilitated housing meets the following site and neighborhood standards. The site must:

- (i) Be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities and streets must be available to service the site. (The existence of a private disposal system and private sanitary water supply for the site, approved in accordance with law, may be considered adequate utilities.)
- (ii) Promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.
- (iii) Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted standard housing of similar market rents.
- (iv) Be so located that travel time and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers is not excessive. While it is important that housing for the elderly not be totally isolated from employment opportunities, this requirement need not be adhered to rigidly for such projects.

(c) New Construction Site and Neighborhood Standards

A site for newly constructed housing must meet the following site and neighborhood standards:

- (i) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.
- (ii) The site must not be located in an area of minority concentration, except as permitted under paragraph (iii)

below, and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.

- (iii) A project may be located in an area of minority concentration only if:
 - (1) Sufficient comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside area of minority concentration; or
 - (2) The project is necessary to meet overriding housing needs that cannot be met in that housing market area.

Note: "Sufficient" does not require that in every locality there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year so that, over a period of several years, it will approach an appropriate balance of housing choices within and outside areas of minority concentration. An appropriate balance will be determined in light of local conditions affecting the range of housing choices available for low-income minority families and in relation to the racial mix of the locality's population.

Units will be considered "comparable opportunities" if they have the same household type (elderly, disabled, family, large family) and tenure type (owner/renter); require approximately the same tenant contribution towards rent, serve the same income group, are located in the same housing market, and are in standard condition.

Application of the "comparable opportunities" standard involves assessing the overall impact of HUD-assisted housing on the availability of housing choices for low-income minority families in and outside areas of minority concentration, and must take into account the extent to which the

following factors are present, along with other factors relevant to housing choice:

- (A) A significant number of assisted housing units are available outside areas of minority concentration.*
- (B) There is significant integration of assisted housing projects constructed or rehabilitated in the past 10 years, relative to the racial mix of the eligible population.*
- (C) There are racially integrated neighborhoods in the locality.*
- (D) Programs are operated by the locality to assist minority families that wish to find housing outside areas of minority concentration*
- (E) Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority families outside of areas of minority concentration.*
- (F) A significant proportion of minority households have been successful in finding units in non-minority areas under the tenant-based assistance programs.*
- (G) Comparable housing opportunities have been made available outside areas of minority concentration through other programs.*

Application of the “overriding housing needs” criterion, for example, permits approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of

the area (a “revitalizing area”). An “overriding housing need,” however, may not serve as the basis for determining that a site is acceptable, if the only reason the need cannot otherwise be feasibly met is that discrimination on the basis of race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.

- (iv) The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.
- (v) The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate, unless there is a concerted program actively in progress to remedy the undesirable conditions.
- (vi) The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted standard housing of similar market rents.
- (vii) Except for new construction, housing designed for elderly persons, travel time, and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers must not be excessive.

7. Environmental Review

The Falmouth Housing Authority will not enter into an Agreement or HAP contract with an owner nor will the Falmouth Housing Authority, the owner or its contractors acquire, dispose of, demolish, or construct real property or commit or expend program or local funds for Project-Based Voucher activities until one of the following occurs:

- (a) The responsible entity (a unit of general local government, a county or a state) has completed the environmental review procedures required by 24 CFR part 58, and HUD has approved the environmental certification and request for release of funds;
- (b) The responsible entity has determined that the project to be assisted is exempt under 24 CFR 58.34 or is categorically excluded and not subject to compliance with environmental laws under 24 CFR 58.35(b); or
- (c) HUD has performed an environmental review under 24 CFR part 50 and has notified the Falmouth Housing Authority in writing of environmental approval of the site.

The Falmouth Housing Authority will require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

8. Falmouth Housing Authority Owned Units

(a) Selection of Falmouth Housing Authority Owned Units

If the Falmouth Housing Authority selects its own proposal, the HUD field office or a HUD approved independent entity will review the selection process to determine that the Falmouth Housing Authority units were appropriately selected based on the selection procedures as outlined in this Section 8 Administrative Plan.

(b) Inspection and Determination of Reasonable Rent

The Falmouth Housing Authority will have an independent entity approved by HUD perform the following program services:

- (i) Determination of rent to owner as outlined in 27.5(A) and (B). The independent entity approved by HUD must establish the initial contract rents based on an appraisal by a licensed state-certified appraiser; and
- (ii) Inspections as outlined in Section 27.2(F) of this Administrative Plan.

(c) Nature of Independent Entity

The independent entity that performs these program services may be the unit of general local government for the Falmouth Housing Authority's jurisdiction (unless the Falmouth Housing Authority is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

(d) Payment to Independent Entity and Appraiser

The Falmouth Housing Authority will compensate the independent entity and appraiser from the Falmouth Housing Authority's ongoing administrative fee income (including the amounts credited to the administrative fee reserve). The Falmouth Housing Authority will not use other program receipts to compensate the independent entity and appraiser for their services.

The Falmouth Housing Authority, independent entity, and appraiser will not charge the family any fee for the appraisal or the services provided by the independent entity.

27.2 HOUSING QUALITY STANDARDS

The Falmouth Housing Authority will follow the policies as outlined in Section 12.0 Inspection Policies and Housing Quality Standards of this Section 8 Administrative for the Project-Based Voucher Program except when the physical condition standards at 24 CFR 5.703 do not apply to the Project-Based Voucher Program and the lead-based paint requirements at 24 CFR 982.401(j) do not apply to the Project-Based Voucher Program.

A. Inspecting Units

1. Pre-Selection Inspection

(a) Inspection of Site

The Falmouth Housing Authority will examine the proposed site to confirm its appropriateness before the proposal selection date.

2. Inspection of Existing Units

The Falmouth Housing Authority will inspect all the units before the proposal selection date and will determine whether the units substantially comply with the HQS. To qualify as existing housing, units must substantially comply with the HQS on the proposal selection date. The Falmouth Housing Authority will not execute the HAP contract until the units fully comply with the HQS.

B. Pre-HAP Contract Inspections

The Falmouth Housing Authority will inspect each contract unit before execution of the HAP contract. The Falmouth Housing Authority will not enter into a HAP contract covering a unit until the unit fully complies with the HQS.

C. Turnover Inspections

The Falmouth Housing Authority will inspect the unit before providing assistance to a new family in a contract unit. The Falmouth Housing Authority will not provide assistance on behalf of the family until the unit fully complies with the HQS.

D. Annual Inspections

1. At least annually during the term of the HAP contract, the Falmouth Housing Authority will inspect a random sample, consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS.

Note: Turnover inspections pursuant to paragraph C. of this section will not count toward meeting this annual inspection requirement.

2. If more than 20 percent of the annual sample of inspected contract units in a building fail the initial inspection, the Falmouth Housing Authority will re-inspect 100 percent of the contract units in the building.

E. Other Inspections

1. The Falmouth Housing Authority will inspect contract units whenever needed to determine that the contract units comply with the HQS, that the owner is complying with the HQS, and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The Falmouth Housing Authority will take into account complaints and any other information coming to its attention in scheduling inspections.
2. The Falmouth Housing Authority will conduct follow-up inspections needed to determine if the owner (or the family if responsible) has corrected an HQS violation. Additionally, the Falmouth Housing Authority will conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of the HQS.

3. The Falmouth Housing Authority will include a representative sample of both tenant-based and project-based units in conducting its supervisory quality control HQS inspections.

F. Inspecting Falmouth Housing Authority Owned Units

1. For Falmouth Housing Authority owned units, the inspections required under this section will be performed by an independent entity approved by HUD. The independent entity that performs these inspections may be the unit of general local government for the Falmouth Housing Authority jurisdiction (unless the Falmouth Housing Authority is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.
2. The independent entity shall provide a copy of each inspection report to the Falmouth Housing Authority and to the HUD field office where the project is located.
3. The Falmouth Housing Authority will take all necessary actions in response to inspection reports from the independent entity, including exercise of contractual remedies for violation of the HAP contract by the owner (Falmouth Housing Authority).

27.3 REQUIREMENTS FOR REHABILITATED AND NEWLY CONSTRUCTED UNITS

If these requirements are applicable, any required work item resulting from these requirements will be included in the description of work to be performed under the Agreement;
 - (vii) Estimated initial rents to owner for the contract units;
 - (viii) Description of the work to be performed under the Agreement. If the Agreement is for rehabilitation of units, the work description will include the rehabilitation work write up and, where determined necessary by the Falmouth Housing Authority, specifications and plans. If the Agreement is for new construction, the work description will include the working drawings and specifications.
- (b) At a minimum, the housing must comply with the HQS.

The Housing Authority may elect to establish additional requirements for quality, architecture, or design of Project-Based Voucher housing

over and above the HQS, and any such additional requirement must be specified in the Agreement.

B. Execution of the Agreement

1. Prohibition of Excess Subsidy

The Falmouth Housing Authority will not enter the Agreement with the owner until the subsidy layering review is completed.

1. Development Requirements

The owner must carry out development work in accordance with the Agreement and the requirements of this section.

2. Labor Standards

(a) In the case of an Agreement of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in development of the housing.

(b) The HUD prescribed form of Agreement shall include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

(c) The owner and the owner's contractors and subcontractors must comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. The Falmouth Housing Authority will monitor compliance with labor standards.

- (b) The owner must comply with federal equal employment opportunity requirements of Executive Orders 11246 as amended, 11625, 12432 and 12138.

4. Eligibility to Participate in Federal Programs and Activities

The Agreement and HAP contract will include a certification by the owner that the owner and other project principals (including officers and principal members, shareholders, investors, and other parties having a substantial interest in the project) are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

5. Disclosure of Conflict of Interest

The owner must disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

D. Completion of Housing

1. Completion Deadline

The owner must develop and complete the housing in accordance with the Agreement. The Agreement will specify the deadlines for completion of the housing and for submission by the owner of the required evidence of completion.

2. Required Evidence of Completion

(a) Minimum Submission

At a minimum, the owner must submit the following evidence of completion to the Falmouth Housing Authority in the form and manner required by the Falmouth Housing Authority:

- (i) Owner certification that the work has been completed in accordance with the HQS and all requirements of the Agreement; and

- (ii) Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

(b) Additional Documentation

At the discretion of the Falmouth Housing Authority, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion. For example, such documentation may include:

- (i) A certificate of occupancy or other evidence that the units comply with local requirements (such as code and zoning requirements); and
- (ii) An architect's certification that the housing complies with:
 - (A) HUD housing quality standards;
 - (B) State, local, or other building codes;
 - (C) Zoning;
 - (D) The rehabilitation work write-up (for rehabilitated housing) or the work description (for newly constructed housing); or
 - (E) Any additional design or quality requirements pursuant to the Agreement.

E. Falmouth Housing Authority Acceptance of Completed Units

1. Falmouth Housing Authority Determination of Completion

When the Falmouth Housing Authority has received owner notice the housing is completed:

- (a) The Falmouth Housing Authority will inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with the HQS and any additional requirement(s) imposed by the Falmouth Housing Authority under the Agreement.

- (b) The Falmouth Housing Authority will determine if the owner has submitted all required evidence of completion.
- (c) If the work has not been completed in accordance with the Agreement, the Falmouth Housing Authority will not enter into the HAP contract.

2. Execution of HAP Contract

27.4 HOUSING ASSISTANCE PAYMENT CONTRACT

This section applies to all Project-Based Voucher assistance including assistance for existing, newly constructed, or rehabilitated housing.

A. Purpose of the HAP Contract

1. Requirement

The Falmouth Housing Authority will enter into a HAP contract with the owner. The HAP contract must be in the form required by HUD.

2. Purpose of HAP Contract

- (a) The purpose of the HAP contract is to provide housing assistance payments for eligible families.
- (b) The Falmouth Housing Authority makes housing assistance payments to the owner in accordance with the HAP contract. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term.

B. HAP Contract Information

The HAP contract must specify:

- 1. The total number of contract units by number of bedrooms;
- 2. Information needed to identify the site and the building or buildings where the contract units are located. The information must include the project's

name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;

3. Information needed to identify the specific contract units in each building. The information must include the number of contract units in the building, the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;
4. Services, maintenance, and equipment to be supplied by the owner without charges in addition to the rent to owner;
5. Utilities available to the contract units, including a specification of utility services to be paid by the owner (without charges in addition to rent) and utility services to be paid by the tenant;
6. Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
7. The HAP contract term;
8. The number of units in any building that will exceed the 25 percent per building cap, which will be set-aside for occupancy by qualifying families (elderly or disabled families and families receiving supportive services); and
9. The initial rent to owner (for the first 12 months of the HAP contract term).

C. When HAP Contract is Executed

1. PHA Inspection of Housing
 - (a) Before execution of the HAP contract, the Falmouth Housing Authority will inspect each contract unit in accordance with Section 27.2 B.
 - (b) The Falmouth Housing Authority will not enter into a HAP contract for any contract unit until the Falmouth Housing Authority has determined that the unit complies with the HQS.
2. Existing Housing

The Falmouth Housing Authority will promptly execute the HAP contract after the Falmouth Housing Authority selection of the owner proposal and Falmouth Housing Authority inspection of the housing.

3. Newly Constructed or Rehabilitated Housing

The Falmouth Housing Authority will execute the HAP contract after the Falmouth Housing Authority has inspected the completed units and has determined that the units have been completed in accordance with the Agreement and the owner has furnished all required evidence of completion.

When executing the HAP contract, the owner must certify that the units have been completed in accordance with the Agreement.

D. Term of the HAP Contract

1. Initial Term and Any Extensions

The Falmouth Housing Authority may enter into a HAP contract with an owner for an initial term of up to ten years for each contract unit. The length of the term of the HAP contract for any contract unit may not be less than one year, nor more than ten years.

Within one year before expiration, the Falmouth Housing Authority may agree to extend the term of the HAP contract for an additional term of up to five years if the Falmouth Housing Authority determines an extension is appropriate to continue providing affordable housing for low-income families. Subsequent extensions are subject to the same limitations. Any extension of the term must be on the form and subject to the conditions prescribed by HUD at the time of the extension.

The term and potential extensions the Falmouth Housing Authority is willing to enter into will be discussed in the project selection process.

2. Termination by the Falmouth Housing Authority – Insufficient Funding

The HAP contract will provide that the term of the Falmouth Housing Authority’s contractual commitment is subject to the availability of sufficient appropriated funding (budget authority) as determined by HUD or by the Falmouth Housing Authority in accordance with HUD instructions.

Note: “Sufficient funding” means the availability of appropriations, and of funding under the ACC from such appropriations, to make full

payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the Falmouth Housing Authority may terminate the HAP contract by notice to the owner for all or any of the contract units. Such action by the Falmouth Housing Authority will be implemented in accordance with HUD instructions.

3. Termination by Owner – Reduction Below Initial Rent

The owner may terminate the HAP contract, upon notice to the Falmouth Housing Authority, if the amount of rent to the owner is reduced below the initial approved rent. In this case, the assisted families residing in the contract units will be offered tenant-based voucher assistance.

F. HAP Contract Amendments (to add or substitute contract units)

1. Amendment to Substitute Contract Units

At the discretion of the Falmouth Housing Authority, and subject to all Project-Based Voucher requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Prior to such substitution, the Falmouth Housing Authority will inspect the proposed substitute unit and will determine the reasonable rent for such unit and the fact that it passes HQS.

2. Amendment to Add Contract Units

At the discretion of the Falmouth Housing Authority, and provided that the total number of units in a building that will receive Project-Based Voucher assistance or other project-based assistance will not exceed 25 percent of the number of dwelling units (assisted or unassisted) in the building or the 20 percent of authorized budget authority of the Falmouth Housing Authority, a HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional Project-Based Voucher contract units in the same building. An Amendment to the HAP contract is subject to all Project-Based Voucher requirements (e.g., rents are reasonable), except that a new Project-Based Voucher request for proposals is not required. The anniversary and expiration dates of the HAP contract for the additional units must be the same as for the anniversary and expiration dates of the

HAP contract term for the Project-Based Voucher units originally placed under HAP contract.

3. Staged Completion of Contract Units

Even if contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

4. Condition of Contract Units

(a) Owner Maintenance and Operation

The owner must maintain and operate the contract units and premises in accordance with the HQS, including performance of ordinary and extraordinary maintenance.

The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the Falmouth Housing Authority and in the lease with each assisted family.

At the discretion of the Falmouth Housing Authority, the HAP contract may also require continuing owner compliance during the HAP term with additional housing quality requirements specified by the Falmouth Housing Authority (in addition to, but not in place of, compliance with the HUD-prescribed HQS). Such additional requirements will be designed to assure continued compliance with any design, architecture, or quality requirement specified in the Agreement.

5. Remedies for HQS Violation

The Falmouth Housing Authority will vigorously enforce the owner's obligation to maintain contract units in accordance with the HQS. The Falmouth Housing Authority will not make any HAP payment to the owner for a contract unit covering any period during which the contract unit does not comply with the HQS.

If the Falmouth Housing Authority determines that a contract unit is not in accordance with the housing quality standards (or other HAP contract requirement), the Falmouth Housing Authority may exercise any of its

remedies under the HAP contract for all or any contract units. Such remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

6. Maintenance and Replacement – Owner’s Standard Practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

7. Owner Responsibility

The owner is responsible for performing all of the owner responsibilities under the Agreement and the HAP contract. 24 CFR part 982.452 applies as follows:

- (a) Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit.
- (b) Maintaining the unit in accordance with HQS, including performance of ordinary and extraordinary maintenance.
- (c) Complying with equal opportunity requirements.
- (d) Preparing and furnishing to the Falmouth Housing Authority information required under the HAP contract.
- (e) Collecting from the family:
 - (i) Any security deposit.
 - (ii) The tenant contribution (the part of rent owner not covered by the housing payment).
 - (iii) Any charges for unit damage by the family.
 - (iv) Enforcing tenant obligations under the lease.
 - (v) Paying for utilities and services (unless paid by the family under the lease).
 - (vi) Provisions on modifications to a dwelling unit occupied or to be occupied by a disabled person see the following note:

Note: Reasonable Modification of Existing Premises

- (A) *It shall be unlawful for any person to refuse to permit, at the expense of a handicapped person, reasonable modifications of existing premises, occupied or to be occupied by a handicapped person, if the proposed modifications may be necessary to afford the handicapped person full enjoyment of the premises of a dwelling. In the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear expected. The landlord may not increase for handicapped persons any customarily required security deposit.*

However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in any such account shall accrue to the benefit of the tenant.

- (B) *However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in any such account shall accrue to the benefit of the tenant.*

A landlord may condition permission for a modification on the renter providing a reasonable description of the proposed modifications as well as reasonable assurances that the work will be done in

a workmanlike manner and that any required building permits will be obtained.

8. Owner Certification

By execution of the HAP contract, the owner certifies that at such execution and at all times during the term of the HAP contract:

- (a) All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- (b) The owner is providing all the services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases with assisted families.
- (c) Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the Falmouth Housing Authority, and the lease is in accordance with the HAP contract and HUD requirements.
- (c) To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- (d) The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit.
- (e) The amount of the housing assistance payment is the correct amount due under the HAP contract.
- (f) The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- (g) Except for the housing assistance payment and the tenant rent as provided under the HAP contract, the owner has not received and will not receive any payment or other consideration (from the family, the Falmouth Housing Authority, HUD, or any other public or private source) for rental of the contract unit.
- (h) The participating family does not own or have any interest in the contract unit.

27.5 OPERATION OF PROJECT-BASED PROPERTIES

A. Project-Based Waiting List

The Falmouth Housing Authority shall use a separate waiting list for admission to the Project-Based Section 8 Assistance Program. All applicants will be maintained by bedroom size, then preference and date and time of application. If an applicant rejects an offer of assistance of the Project-Based Assistance Program, the rejection will not alter the applicant's position on the Section 8 Voucher Tenant Based Assistance Program.

The waiting list for the Project-Based Section 8 Assistance Program will be maintained in accordance with the following guidelines:

1. The application will be a permanent file.
2. All applications will be maintained by bedroom size, preference and then in order of date and time of application.
3. Substantive contacts between the Falmouth Housing Authority and the applicant will be documented in the applicant file.

B. Admission Preferences

The preferences utilized shall be the same as is used for the Tenant Based Housing Choice Voucher Program.

C. Selection from the Waiting List

If an applicant is removed from the Project-Based Assistance Program waiting list because of the rejection of an offer of a unit, the rejection will not alter the applicants' position on the Section 8 Tenant Based Assistance Program waiting list. Likewise, if the owner rejects the available applicant, the rejection will not be counted against the one unit offer and the family will maintain their position on the Project-Based Section 8 Assistance Program. The owner must promptly notify the Falmouth Housing Authority in writing if an applicant is rejected and the grounds for the rejection.

Under this plan, the first qualified applicant in sequence on the Section 8 Project-Based Assistance Program waiting list will be made an offer of project-based assistance based on the unit size available. If the available unit being offered is a unit with special accessibility features for persons with disabilities, the Falmouth Housing Authority will skip over families not requiring the accessible unit to reach a family who does require such accommodation.

Non-mobility impaired families will be offered these units if no family on the waiting list requires these features. The applicant family will only have one chance to accept a unit offer. If the applicant family rejects the offer, his or her name will be removed from the waiting list and he or she will have to re-apply. The applicant family will be notified in writing of the reason they are being removed from the waiting list and their right to an informal review as described in Section 4.10.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The Falmouth Housing Authority will maintain a record of units offered, including location, date and circumstances of each offer and each acceptance or rejection, including the reason for the rejection.

All Section 8 Tenant Based Assistance waiting list families who want project-based units will be permitted to place their names on the Section 8 Project-Based Assistance Program waiting list.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Falmouth Housing Authority retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

D. Project-Based Briefing

When the Falmouth Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the project-based program works. In order to be eligible for a vacant unit, all adult family members are required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Falmouth Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Falmouth Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

1. A description of how the program works;
2. Family and owner responsibilities;
4. The fact that the subsidy is tied to the unit. After the initial 12-month period, the family has the right to move with continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance; and
5. A description of the Falmouth Housing Authority's policy on providing information to owners.

E. Project-Based Briefing Packet

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

1. How the Housing Authority determines the housing assistance payment and total tenant payment for the family (including a copy of the utility allowances);
2. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses;
3. The HUD-required lead-based paint brochure;
4. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
5. The family and owner responsibilities under the lease and HAP contract;
6. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction; and
7. Falmouth Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing.

F. Leasing of Contract Units

1. Owner Selection of Tenants

During the term of the HAP contract, the owner must lease contract units only to eligible families selected and referred by the Falmouth Housing Authority from the Falmouth Housing Authority waiting list.

The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very-low income families and reasonably related to program eligibility and an applicant's ability to perform the lease obligations.

An owner must promptly notify in writing any rejected applicant of the grounds for any rejection.

2. Size of Unit

The contract unit leased to each family must be appropriate for the size of the family under the Falmouth Housing Authority's subsidy standards.

3. Falmouth Housing Authority Requirements for the Leasing of an Excepted Unit for Supportive Services

At the time of initial lease execution between the family and the owner, the Falmouth Housing Authority will require the family to sign a statement of family responsibility. The statement of family responsibility will contain all the family obligations, including the family's participation in a service program.

The Falmouth Housing Authority will monitor on a semi-annual basis that "excepted families" are receiving supportive services. Additionally, the Falmouth Housing Authority will be monitoring the family to insure that the family is fulfilling their service obligation. This monitoring will consist of a meeting with the family and third party verification from the party responsible for delivery of the supportive services.

The Falmouth Housing Authority will terminate assistance to any family that fails to fulfill its service obligation without good cause.

G. Vacancies

1. Filling Vacant Units

The owner must promptly notify the Falmouth Housing Authority of any vacancy (or expected vacancy) in a contract unit. After receiving the owner notice, the Falmouth Housing Authority will make every reasonable effort to promptly refer a sufficient number of families to the owner to fill such vacancies.

The owner must lease vacant contract units only to eligible families on the Falmouth Housing Authority waiting list referred by the Falmouth Housing Authority.

It is expected that the Falmouth Housing Authority and the owner will make reasonable good faith efforts to minimize the likelihood and length of any vacancy.

2. Reducing Number of Contract Units

If any contract units have been vacant for a period of 120 days or more since the owner notice of vacancy (and notwithstanding the reasonable good faith efforts of the Falmouth Housing Authority to fill such vacancies), the Falmouth Housing Authority may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

H. Tenant Screening

The Falmouth Housing Authority has no responsibility or liability to the owner or any other person for the family's behavior or suitability for tenancy.

1. Owner Responsibility

- (a) The owner is responsible for screening and selection of families to occupy the owner's units.
- (b) The owner is responsible for screening of families on the basis of their tenancy histories. An owner may consider a family's background with respect to such factors as:
 - (i) Payment of rent and utility bills:
 - (ii) Caring for a unit and premises:
 - (iii) Respecting the rights of other residents to the peaceful enjoyment of their housing;

(iv) Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and

(v) Compliance with other essential conditions of tenancy.

2. Providing Tenant Information to Owner

(a) The Falmouth Housing Authority will give the owner:

(i) The family's current and prior address (as shown in the Falmouth Housing Authority records); and

(ii) The name and address (if known) of the landlord at the family's current and any prior address.

I. Lease

a. Tenant's Legal Capacity

The tenant must have legal capacity to enter a lease under state and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

2. Form of Lease

The tenant and the owner must enter a written lease for the unit. Both the owner and the tenant must execute the lease.

If the owner uses a standard lease form for rental to unassisted tenants in the locality or for the premises, the lease must be in an acceptable form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a Falmouth Housing Authority model lease.

In all cases, the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

3. Required Information

The lease must specify all of the following:

(a) The names of the owner and the tenant;

- (b) The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- (c) The term of the lease (initial term and any provision for renewal);
- (d) The amount of tenant rent to owner. The tenant rent to owner is subject to change during the term of the lease in accordance with HUD requirements;
- (e) A specification of what services, maintenance, equipment, and utilities are to be provided by the owner; and
- (f) The amount of any charges for food, furniture, or supportive services.

4. Initial Term of the Lease

The initial lease term must be for at least one year.

5. Tenancy Addendum

The tenancy addendum in the lease shall state:

- (a) The program tenancy requirements; and
- (b) The composition of the household as approved by the Falmouth Housing Authority (names of family members and any Falmouth Housing Authority live-in aide).

All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum shall prevail over other provisions of the lease.

6. Changes in Lease

If the tenant and the owner agree to any change in the lease, such change must be in writing and the owner must immediately give the Falmouth Housing Authority a copy of all such changes.

The owner must notify the Falmouth Housing Authority in advance of any proposed change in lease requirements governing the allocation of tenant and owner responsibilities for utilities. Such changes may be made only if approved by the Falmouth Housing Authority and in accordance with the terms of the lease relating to its amendment. The Falmouth Housing Authority will re-determine reasonable rent in accordance with Section

27.5 (C), based on any change in allocation of responsibility for utilities between the owner and the tenant, and the re-determined reasonable rent shall be used in calculation of rent to owner from the effective date of the change.

7. Lease Provisions Governing Tenant Absence From the Unit

The owner's lease may specify a maximum period of tenant absence from the unit that may be shorter than the maximum period permitted by the Falmouth Housing Authority in Section 2.3(H) of this Administrative Plan.

J. Security Deposit

The owner may collect a security deposit from the tenant. The Falmouth Housing Authority prohibits security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts which the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant. The Falmouth Housing Authority has no liability or responsibility for payment of any amount owed by the family to the owner.

K. Owner Termination of Tenancy and Eviction

1. In general, Section 17.0, Termination of the Lease and Contract, of this Administrative Plan applies with the exception that 17(a)(viii) (3) & (4) do not apply to the Project-based Voucher Program. In the Project-based Voucher Program "good cause" does not include a business or economic reason or desire to use the unit for an individual, family, or non-residential rental purpose. Eviction for drug and alcohol abuse applies to the Project-based Voucher Program.

2. Upon lease expiration, an owner may:

- (a) Renew the lease;
- (b) Refuse to renew the lease for good cause;
- (c) Refuse to renew the lease without good cause, which case the Falmouth Housing Authority will provide the family with a tenant based voucher and the unit will be removed from the Project-based Voucher HAP contract.

3. If a family resides in a project -based unit excepted from the 25 percent per building cap on project-basing because of participation in an FSS or other supportive services program, and the family fails without good cause to complete its FSS contract of participation or supportive services requirement, such failure is grounds for lease termination by the owner.

L. Overcrowded, Under-Occupied, and Accessible Units

1. Family Occupancy of Wrong-size or Accessible Unit

The Falmouth Housing Authority's subsidy standards determine the appropriate unit size for the family size and composition. If the Falmouth Housing Authority determines that a family is occupying a:

- (a) Wrong-size unit, or
- (b) Unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the Falmouth Housing Authority must promptly notify the family and the owner of this determination, and of the Falmouth Housing Authority's offer of continued assistance in another unit pursuant to paragraph (2) of this section.

2. Falmouth Housing Authority Offer of Continue Assistance

If a family is occupying a wrong size unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the Falmouth Housing Authority will offer the family the opportunity to receive continued housing assistance in another unit.

The Falmouth Housing Authority will offer the following housing options as continued assistance.

- (a) Project-based voucher assistance in an appropriate-size unit (in the same building or in another building);

- (b) Other project-based housing assistance (e.g., by occupancy of a public housing unit);
- (c) Tenant-based rental assistance under the voucher program; or
- (d) Other comparable public or private tenant-based assistance (e.g., under the HOME program).

3. Falmouth Housing Authority Termination of Housing Assistance Payments

If the Falmouth Housing Authority offers the family the opportunity to receive tenant-based rental assistance under the voucher program, the Falmouth Housing Authority will terminate the housing assistance payments for a wrong-sized or accessible unit at expiration of the term of the family’s voucher (including any extension granted by the Falmouth Housing Authority).

If the Falmouth Housing Authority offers the family the opportunity for another form of continued housing assistance in accordance with (2) above, and the family does not accept the offer, does not move out of the project-based voucher unit within a reasonable time as determined by the Falmouth Housing Authority, or both, the Falmouth Housing Authority will terminate the housing assistance payments for the wrong-sized or accessible unit, at the expiration of a reasonable period as determined by the Falmouth Housing Authority.

M. When Occupancy May Exceed 25 Percent Cap on the Number of Project-Based Voucher Units in Each Building

- 1. Except as provided in Section 27.1 (B)(5), the Falmouth Housing Authority will not pay housing assistance under the HAP contract for contract units in excess of the 25 percent cap.
 - b. If referring families to the owner for admission to excepted units, the Falmouth Housing Authority will give preference to elderly or disabled families, or to families receiving supportive services.
- 3. If a family at the time of initial move-in is receiving supportive services and residing in an “excepted unit” and subsequently fulfills their commitments and continues to reside in the unit, the unit remains an “excepted unit” for as long as the family resides in the unit.

4. A family (or the remaining members of the family) residing in an excepted unit that no longer meets the criteria for a “qualifying family” in connection with the 25 percent per building cap exception (e.g., a family that does not successfully complete its FSS contract of participation or the supportive services requirement as defined in this Administrative Plan or the remaining members of a family that no longer qualifies for elderly or disabled family status) will be required to vacate the unit within a reasonable period of time established by the Falmouth Housing Authority, and the Falmouth Housing Authority will cease paying housing assistance payments on behalf of the non-qualifying family. If the family fails to vacate the unit within the established time, the unit will be removed from the HAP contract unless the project is partially assisted and it is possible for the HAP contract to be amended to substitute a different unit in the building in accordance with Section 27.4 (F) or the owner terminates the lease and evicts the family. The housing assistance payments for a family residing in an excepted unit that is not in compliance with its family obligations (e.g., a family fails, without good cause, to successfully complete its FSS contract of participation or supportive services requirement) will be terminated by the Falmouth Housing Authority.

N. Family Right to Move

A family may terminate the assisted lease at any time after the first year of occupancy. The family must give the owner advance written notice of the intent to vacate, with a copy to the Falmouth Housing Authority in accordance with the lease.

If the family has elected to terminate the lease after the first year in compliance with the lease, the Falmouth Housing Authority will offer the family the opportunity for continued tenant-based rental assistance in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

Note: Before providing notice to terminate the lease, the family must contact the Falmouth Housing Authority to request comparable tenant-based rental assistance if the family wishes to move with continued assistance. If voucher or other comparable tenant-based rental assistance is not immediately available upon termination of the family’s lease of a project-based voucher unit, the Falmouth Housing Authority will give the family priority to receive the next available opportunity for continued tenant-based rental assistance.

If the family terminates the assisted lease before the end of one year, the family relinquishes the opportunity for continued tenant-based assistance.

27.6 RENT TO OWNER

A. Determining the Rent to Owner

1. Initial and Redetermined Rents

- (a) The amount of the initial rent to owner is established at the beginning of the HAP contract term. For rehabilitated or newly constructed housing, the Agreement states the estimated amount of the initial rent to owner, but the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.
- (b) The rent to owner is redetermined at the owner's request for a rent increase in accordance with this Section 27.5 (A) and Section 27.5 (B) . The rent to owner is also redetermined at such time when there is a five percent or greater decrease in the published FMR.

2. Amount of Rent to Owner

Except for certain tax credit units as provided in Section 27.5 (C), the rent to owner must not exceed the lowest of:

- (a) An amount determined by the Falmouth Housing Authority, not to exceed 110 percent of the applicable fair market rent (or any exception payment standard approved by HUD) for the unit bedroom size minus any utility allowance;
- (b) The reasonable rent; or
- (c) The rent requested by the owner.

3. Rent to Owner for Certain Tax Credit Units

- (a) This section applies if:
 - (i) A contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986 (see 26 U.S.C. 42);
 - (ii) The contract unit is not located in a qualified census tract;

A "qualified census tract" is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of

less than 60 percent of Area Median Gross Income (AMGI) or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

- (iii) In the same building, there are comparable tax credit units of the same unit bedroom size as the contract unit and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and
 - (iv) The tax credit rent exceeds the applicable fair market rental (or any exception payment standard) as determined in accordance with Section 27.5 (B).
- (b) The rent to owner must not exceed the lowest of:
- (i) The tax credit rent minus any utility allowance;
 - (ii) The reasonable rent; or
 - (iii) The rent requested by the owner.
- (c) The “tax credit rent” is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., additional assistance such as tenant-based voucher assistance).

4. Rent to Owner for Other Tax Credit Units

Except in the case of a tax credit unit described in the Section immediately above, the rent to owner for all other tax credit units is determined pursuant to Section 2 above.

5. Reasonable Rent

The Falmouth Housing Authority will determine reasonable rent in accordance with Section 27.5 (C). The rent to owner for each contract unit may at no time exceed the reasonable rent.

6. Use of FMRs and Utility Allowance Schedule in Determining the Amount of Rent to Owner

- (a) Amounts used:

- (i) Determination of Initial Rent (at the beginning of the HAP contract term)

When determining the initial rent to owner, the Falmouth Housing Authority will use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. At its discretion, the Falmouth Housing Authority may use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract.

- (ii) Redetermination of Rent to Owner

When redetermining the rent to owner, the Falmouth Housing Authority will use the most recently published FMR and the Falmouth Housing Authority utility allowance schedule in effect at the time of redetermination. At its discretion, the Falmouth Housing Authority may use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract.

- (b) Exception Payment Standard and Falmouth Housing Authority Utility Allowance Schedule

- (i) Any HUD approved exception standard amount applies to both the tenant-based and project-based voucher programs. HUD will not approve a different exception payment standard amount for use in the project-based voucher program.

- (ii) The Falmouth Housing Authority may not establish or apply different utility allowance amounts for the project-based voucher program. The same Falmouth Housing Authority utility allowance schedule applies to both the tenant-based and project-based voucher programs.

7. Falmouth Housing Authority Owned Units

For Falmouth Housing Authority owned units, the initial rent to owner and the annual re-determination of rent at the annual anniversary of the HAP contract are determined by the independent entity approved by HUD in accordance with Section 27.5 (C)(6). The Falmouth Housing Authority must use the rent to owner established by the independent entity.

B. Re-determination of Rent to Owner

1. The Falmouth Housing Authority will re-determine the rent to owner:
 - (a) Upon the owner's request; or
 - (b) When there is a five percent or greater decrease in the published FMR.

2. Rent Increase

- (a) The Falmouth Housing Authority will not make any rent increase other than an increase in the rent to owner as outlined in 27.5(A) above.
- (b) The owner must request an increase in the rent to owner at the annual anniversary of the HAP contract by written notice to the Falmouth Housing Authority. The Falmouth Housing Authority must receive the written notice sixty (60) calendar days before the annual anniversary date. The request must be submitted in the form and manner required by the Falmouth Housing Authority.
- (c) The Falmouth Housing Authority will not approve and the owner will not receive any increase of rent to owner until and unless the owner has complied with all requirements of the HAP contract, including compliance with the HQS. The Falmouth Housing Authority will not grant any retroactive increase of rent for any period of noncompliance.

3. Rent Decrease

If there is a decrease in the rent to owner, the rent to owner must be decreased, regardless of whether the owner requested a rent adjustment.

4. Notice of Rent Determination

The Falmouth Housing Authority will give written notice of any redetermined rent. The Falmouth Housing Authority notice of the rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract.

5. Contract Year and Annual Anniversary of the HAP Contract

- (a) The contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP

contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

- (b) The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. The adjusted rent to owner amount applies for the period of 12 calendar months from the annual anniversary of the HAP contract.
- (c) If contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

C. Reasonable Rent

1. Comparability Requirement

At all times during the term of the HAP contract, the rent to owner may not exceed the reasonable rent as determined by the Falmouth Housing Authority.

2. Redetermination

The Falmouth Housing Authority will redetermine the reasonable rent under the following circumstances:

- (a) Whenever there is a five percent or greater decrease in the published FMR in effect sixty (60) days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR in effect one year before the contract anniversary;
- (b) Whenever the Falmouth Housing Authority approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- (c) Whenever the HAP contract is amended to substitute a different contract unit in the same building; and
- (d) Whenever there is any other change that may substantially affect the reasonable rent.

3. How to Determine Reasonable Rent

The reasonable rent of a contract unit must be determined by comparison to rent for other comparable unassisted units. In determining the reasonable rent, the Falmouth Housing Authority will consider factors that affect market rent, such as:

- (a) The location, quality, size, unit type, and age of the contract unit; and
- (b) Amenities, housing services, maintenance, and utilities to be provided by the owner.

4. Comparability Analysis

- (a) For each unit, the Falmouth Housing Authority comparability analysis will use at least three comparable units in the private unassisted market, which may include comparable unassisted units in the premises or project.
- (b) The Falmouth Housing Authority will retain a comparability analysis that shows how the reasonable rent was determined, including major differences between the unassisted units.
- (c) The comparability analysis may be performed by the Falmouth Housing Authority staff or by another qualified person or entity. A person or entity that conducts the comparability analysis and any Falmouth Housing Authority staff or contractor engaged in determining the housing assistance payment based on the comparability analysis may not have any direct or indirect interest in the property.

5. Owner Certification of Comparability

By accepting each monthly housing assistance payment from the Falmouth Housing Authority, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner must give the Falmouth Housing Authority information requested by the Falmouth Housing Authority on rents charged by the owner for other units in the premises or elsewhere.

6. Determining Reasonable Rent for Falmouth Housing Authority Units

For Falmouth Housing Authority units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with Section 27.1(J), rather than by Falmouth Housing Authority staff. Reasonable rent must be determined in accordance with this Section.

The independent entity must furnish a copy of the independent entity determination of reasonable rent for Falmouth Housing Authority owned units to the Falmouth Housing Authority and to the HUD field office where the project is located.

7. Other Subsidy; Effect on Rent to Owner

In addition to the rent limits established in accordance with 27.5(A)&(B), the following restrictions apply to certain units:

- (a) HOME – for units assisted under the HOME program, rents may not exceed rent limits as required by the HOME program.
- (b) Subsidized Projects

This paragraph applies to any contract units in any of the following types of federally subsidized project:

- (i) An insured or non-insured Section 236 project;
- (ii) A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- (iii) A Section 221(d)(3) below market interest rate (BMIR) project;
- (iv) A Section 515 project of the Rural Housing Service;
- (v) A project receiving low-income housing tax credits;
- (vi) Any other type of federally subsidized project specified by HUD.

The rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program.

- (a) Combining Subsidy

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

(b) Other Subsidy: Falmouth Housing Authority Discretion to Reduce Rent

The Falmouth Housing Authority, at its discretion, may reduce the initial rent to owner because of other governmental subsidies, including tax credit or tax exemption, grants, or other subsidized financing.

(c) Prohibition of Other Subsidy

The Falmouth Housing Authority will not attach or pay Project-based Voucher assistance to units in any of the following types of subsidized housing:

- (i) A public housing dwelling unit;
- (ii) A unit subsidized with any other form of Section 8 assistance (tenant-based or project-based);
- (iii) A unit subsidized with any governmental rent subsidy (a subsidy that pays all or any part of the rent);
- (iv) A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- (v) A unit subsidized with Section 236 rental assistance payments (12 U.S.C. 1715z-1). However, the Falmouth Housing Authority may attach assistance to a unit subsidized with Section 236 interest reduction payments;
- (vi) A unit subsidized with rental assistance payments under Section 521 of the Housing Act of 1949, 42 U.S.C. 1490a (a Rural Housing Service Program). However, the Falmouth Housing Authority may attach assistance for a unit subsidized with Section 515 interest reduction payments (42 U.S.C. 1485);
- (vii) A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701q note);

- (viii) Section 811 project based supportive housing for persons with disabilities (42 U.S.C. 8013);
- (ix) Section 202 supportive housing for the elderly (12 U.S.C. 1701q);
- (x) A Section 101 rent supplement project (12 U.S.C. 1701s);
- (xi) A unit subsidized with any form of tenant-based rental assistance (as defined at 24 CFR 982.1(b)(2)) (e.g., a unit subsidized with tenant-based rental assistance under the HOME program, 42 U.S.C. 12701 et seq.);
- (xii) A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or by the Falmouth Housing Authority in accordance with HUD requirements. For this purpose, “housing subsidy” does not include the housing component of a welfare payment; a social security payment; or a federal, state, or local tax concession (such as relief from local real property taxes).

8. Rent to Owner: Effect of Rent Control and Other Rent Limits

In addition to all the above limitations on the rent paid to the owner, if a state or local rent control requirement exists, it will apply to the property.

27.7 PAYMENT TO OWNER

A. Falmouth Housing Authority Payment to Owner for Occupied Unit

1. When Payments Are Made

The Falmouth Housing Authority will make housing assistance payments to the owner in accordance with the terms of the HAP contract.

Except for discretionary vacancy payments in accordance with 27.6(B) below, the Falmouth Housing Authority will not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

2. Monthly Payment

Monthly, the Falmouth Housing Authority will make a housing assistance payment to the owner for each contract unit that is in compliance with HQS and is leased to and occupied by an eligible family in accordance with the HAP contract.

3. Calculating Amount of Payment

The monthly housing assistance payment by the Falmouth Housing Authority to the owner for a contract unit leased to a family is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

4. Prompt Payment

The Falmouth Housing Authority will make the housing assistance payment to the owner under the HAP contract on or about the first day of the month for which payment is due, unless the owner and the Falmouth Housing Authority agree on a later date. If such an agreement has been made, it must be in writing.

5. Owner Compliance with Contract

In order to receive housing assistance payments in accordance with the HAP contract, the owner must be in compliance with all the provisions of the HAP contract. Unless the owner complies with all the provision of the HAP contract, the owner does not have a right to receive housing assistance payments.

B. Vacancy Payment

1. Payment for Move-Out Month

If an assisted family moves out of the unit, the owner may keep the housing assistance payment payable for the calendar month when the family moves out (“move-out month”). If the Falmouth Housing Authority determines that the vacancy is the owner’s fault, the owner may not keep the payment.

2. Vacancy Payment

The Falmouth Housing Authority will determine the vacancy payment to the owner for each month of the maximum two-month period. The maximum two-month period is determined from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month.

The vacancy payment cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit). The Falmouth Housing Authority will only allow a vacancy payment for the period the unit remains vacant.

The Falmouth Housing Authority will make vacancy payments to the owner only if:

- (a) The owner gives the Falmouth Housing Authority prompt written notice certifying that the family has vacated the unit. The written notice must contain the date when the family moved out (to the best of the owner's knowledge and belief);
- (b) The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
- (c) The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
- (d) The owner provides any additional information required and requested by the Falmouth Housing Authority to verify that the owner is entitled to the vacancy payment.

The owner must submit a written request for vacancy payments.

The Falmouth Housing Authority requires vacancy payment requests to be submitted to the Housing Authority by the 25th of the month for processing. If the owner fails to meet this deadline, the check will not be cut until the following month's check run.

C. Tenant Rent; Payment to Owner

1. Falmouth Housing Authority Determination

The Falmouth Housing Authority will determine the tenant rent and effective dates of changes in rent in accordance with this Section 8 Administrative Plan. The tenant rent is the portion of the rent to owner paid by the family.

2. Tenant Payment to Owner

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The tenant rent is determined by the Falmouth Housing Authority and is the maximum amount the owner can charge the family for rent of a contract unit.

The tenant rent is payment for all housing services, maintenance, equipment, and utilities to be provided by the owner without additional charge to the tenant, in accordance with the HAP contract and lease.

The owner cannot demand or accept any rent payment from the tenant in excess of the tenant rent. The owner is required to immediately return any excess payment to the tenant.

3. Limit of Falmouth Housing Authority Responsibility

The Falmouth Housing Authority is responsible only for making housing assistance payments to the owner on behalf of a family in accordance with the HAP contract. The Falmouth Housing Authority is not responsible for paying the tenant rent, or for paying any other claim by the owner.

4. Utility Reimbursement

If the amount of the utility allowance exceeds the total tenant payment, the Falmouth Housing Authority will pay the amount of such excess as a reimbursement for tenant-paid utilities and the tenant rent to the owner shall be zero.

D. Other Fees and Charges

1. Meals and Supportive Services

In assisted living developments receiving project-based assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges will not be included in the rent to owner, nor will the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

For any other type of project-based assistance (other than assisted living) the owner may not require the tenant or family members to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

2. Other Charges by Owner

The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

28.0 COST SAVING POSSIBILITIES

Unfortunately, in recent years the management of the Housing Choice Voucher Program has become more difficult for the Falmouth Housing Authority and all other housing authorities managing the program. As Congress and HUD change the way they fund the program, more and more challenges face the Falmouth Housing Authority.

There are no simple solutions to the challenges the Falmouth Housing Authority faces and the actions we must take will vary depending on circumstances that are often beyond our control. Therefore, the Falmouth Housing Authority hereby establishes in its Administrative Plan the following options that will be considered by the Board of Commissioners depending on the particular circumstances of the time. They are not listed in any particular order.

None of these options will be implemented without Board of Commissioner approval and the opportunity for affected participants to address the Board of Commissioners. Any actions taken under this section of the Administrative Plan will sunset if and when the procuring reason for the action is no longer in effect. Rescissions will also require Board of Commissioner approval.

There shall be one basic principle that will guide the Falmouth Housing Authority in implementing any or all of these options – what must the Falmouth Housing Authority do to assist the maximum number of eligible people in a quality Housing Choice Voucher Program while maintaining the fiscal integrity of the program. The Falmouth Housing Authority shall endeavor to protect elderly and disabled families from significant impact (defined as loss of one's Housing Choice Voucher) but recognizes that what is feasible is dependant on the amount of funding provided to the program.

The options are as follows:

- A. The Housing Choice Voucher Payment Standards may be reviewed in light of the funding situation. If payment standards are reduced, the lower payment standard shall go into effect immediately for new admissions, participants moving from one unit to another, and people staying in place who require a new HAP contract because they are signing a new lease. In extraordinary circumstances, the Falmouth Housing Authority may be forced to ask HUD for a waiver so that even those participants staying in place without a new lease shall have their payment standard decreased immediately instead of the normal second regular reexamination after the lowering of the payment standard.

- B. Housing Choice Voucher Payment Standards must be established according to HUD regulation so that no more than 40% of the participants are paying more than 30% of their monthly adjusted income for rent. If circumstances dictate it, the Falmouth Housing Authority may be forced to ask for a waiver of this prohibition in order to sufficiently lower its payment standard.
- C. The utility allowance schedule may be reviewed to determine if the utility allowances are too high. If they are too high that means that the participants are being subsidized in an excess manner. The new utility allowance schedule may be placed into after a thirty day notice or at a participant's next reexamination depending on the financial circumstances the Falmouth Housing Authority finds itself in.
- D. As stated in Section 11.6, utility allowances are supposed to be adjusted annually or sooner if there is a utility rate increase of 10% or more. If circumstances warrant, the Falmouth Housing Authority reserves the right to seek a HUD waiver of this regulatory requirement.
- E. If financial circumstances dictate, the Falmouth Housing Authority may deny portability moves to a higher cost area for its Housing Choice Voucher participants and/or shoppers if the Falmouth Housing Authority has insufficient funds to pay the higher subsidy amounts and the receiving housing authority declines to absorb the family. While the Board of Commissioners must establish this policy after an examination of the fiscal affairs of the organization, individual denials of portability shall only occur after the Falmouth Housing Authority has determined that the receiving housing authority will not absorb the family. The denial of absorption shall be documented in that person's file.
- F. If financial circumstances dictate, the Falmouth Housing Authority may deny the right of a participant to move within the jurisdiction of the Falmouth Housing Authority to a portion of the jurisdiction that has a higher payment standard than the portion of the jurisdiction the participant currently lives in if the Falmouth Housing Authority has insufficient funds to pay the higher subsidy amounts.
- G. In order to ensure that rent reasonableness requirements are being complied with, the Falmouth Housing Authority may engage in special rent reasonableness reexaminations. This may be performed on all of the units in the program, a sample of the units in the program, or specifically targeted units that the Falmouth Housing Authority believes may not be meeting the required rent reasonableness test. If a unit fails the rent reasonable test, the owner must reduce the rent to the reasonable amount after receiving appropriate notice or the HAP contract must be terminated. If the HAP contract is terminated for this reason, the family will be issued a new voucher to find a new abode.

- H. Housing Choice Vouchers issued to families on the waiting list that have not resulted in HAP contracts may be cancelled.
- I. The Falmouth Housing Authority may be forced to not reissue vouchers surrendered by current participants immediately upon their return to the Housing Authority. Instead, the vouchers may be held in the Authority's inventory in order to avoid dire financial consequences. The amount of time they will be held shall be determined based upon the financial situation of the Housing Authority.
- J. The subsidy standards set forth in Section 6.0 may be reexamined. The size of the unit the Housing Choice Voucher is issued for may need to be reduced. For example, you may use the zero bedroom payment standard for households with only one person.
- K. A program wide study may be conducted to ensure that families are utilizing the proper size Housing Choice Voucher for their current family size.
- L. If the minimum rent is increased under Section 11.5 (B), it can be made the first of the month following the month families are notified of the increase (provided there has been at least a 30-day notice) instead of at the next reexamination.
- M. The requirement of when families have to report changes of their income as set forth in Section 14.2 may be modified due to the financial pressure facing the Falmouth Housing Authority. Also, the new rent payment may become effective at the start of the next month provided there has been a thirty day notice.
- N. Owners participating in the Housing Choice Voucher Program may be asked to voluntarily reduce the rents they are charging participants in order to assist in the financial solvency of the program. This must be a truly voluntary program.
- O. The absolutely last step the Falmouth Housing Authority will take to resolve its Housing Choice Voucher financial problems will be to terminate the vouchers of families already receiving assistance. If this becomes necessary, families in the program the longest shall be terminated first with an exception made for the elderly, people with a disability, and grandparents solely living and taking care of grandchildren.

If it becomes necessary for the Falmouth Housing Authority to terminate Housing Choice Vouchers, the families terminated shall be reinstated onto the program as soon as fiscally and practically feasible in a reverse order of the way they were terminated.

Project-based Voucher Program

The Falmouth Housing Authority intends to project-base not more than 63 Section 8 vouchers (20% of its housing choice voucher inventory). The properties will be located somewhere within the jurisdiction of the Falmouth Housing Authority. If any of the locations about to be selected by the Falmouth Housing Authority are found to be in a census tract with poverty rates of more than 20 percent, the Falmouth Housing Authority will seek an exception from HUD.

This action is consistent with the Agency Plan in the following ways:

- It is consistent with the Mission Statement for the Falmouth Housing Authority.
- It expands the supply of assisted housing
- It increases assisted housing choices
- It conducts outreach efforts to potential voucher landlord participants
- It helps ensure Equal Opportunity in Housing for all Americans
- Project-basing will help the Falmouth Housing Authority meet the statutory goals of deconcentrating poverty and expanding housing and economic opportunities.

The Falmouth Housing Authority is utilizing project-based vouchers for a portion of its housing choice vouchers because of the same reasons that the decision is consistent with the Agency Plan, it expands the supply, increase choice, assists with fair housing goals, and will assist in deconcentrating Section 8 participants.

18.12 REMOVAL OF PETS

The Falmouth Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.
