Troubled Agency Plan

### Executive Summary of the Annual PHA Plan

Howard County will be challenged during the next few years by aging neighborhoods, a rapidly aging population and the demand for affordable housing for entry and mid-level employees. To meet these challenges, the County must take steps to preserve existing neighborhoods, provide new and suitable housing opportunities and related services for the next generation of seniors and ensure adequate incentives and opportunities for moderate-to-middle income first time home buyers.

The County initiatives will continue to be designed to provide incentives for personal responsibility and self-sufficiency. The hallmark of the programs is to reduce dependency on assistance by assurance all beneficiaries are striving to help themselves to the extent of their abilities. A key component has been the creation a continuum of assistance, support and training by the myriad of private sector, nonprofit and public agencies and institution to ensure families will have the ability to transition from rental assistance to affordable home ownership opportunities. This assistance will include more than just affordable shelter; the goal is to assist these County residents to be become productive, self-sufficient members in the mainstream of life of this vibrant, affluent county.

This Agency Plan is in the format directed by the U.S. Department of Housing & Urban Development (HUD). That format is designed for federal public housing authorities, therefore, portions of this document relate only to the Howard County Housing Commission, the County's federally funded Public Housing Authority. Howard County's housing programs are administered by the Office of Housing and Community Development (the Office of Housing) and the Howard County Housing Commission (the Commission).

The Office of Housing is division of County Government responsible for the County' housing and community developments programs. This Office administers a

range of Federal, State and County funded programs providing opportunities for affordable home ownership, loans and grants for special needs housing program, rental assistance, and community facilities and programs. The seven member Housing and Community Development Board serves as an policy advisory board to the Office of Housing, the County Executive and County Council, act as the a Loan Committee reviewing the awarding of loans and grants, and as the Appeal Board for review of administrative action of the staff. The Board is nominated by the County Executive and appointed by the Howard County Council.

The Commission is a separate legal entity, which serves as the Federal Public Housing Authority for the purpose of developing and managing housing resources for low and moderate income residents of Howard County. The seven Member Board of Commissioners, which serve as the Board of Directors, is nominated by the County Executive and appointed by the Howard County Council. The Commission's staff consist of County employees provided under a contract with The Office of Housing.

This Agency Plan incorporates the programs and the policies of both the Office of Housing and the Commission making it truly a Howard County Agency Plan, not just a PHA Plan.

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

**C. Strategy for Addressing Needs**

Our strategy is to assist families to acquire market rate units in the community at affordable prices through rental subsidies, one time capital assistance or equity contributions and reduced financing costs for home ownership. The needs for the disabled and seniors will be met utilizing existing housing stock and new construction. It is our intent to aggressively seek additional section 8 program type funding. The limited number of building allocations and the cost of construction dictate this strategy.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8

This plan is consistent with the County’s Consolidated Plan. See certifications. The Housing Needs portion of the Agency Plan was developed using the CHAS and the Consolidated Plan Data. Additionally, several of the goals from the strategic plan are continued or extended by this Agency Plan. The following discussion provides the goals and how this plan is consistent with these goals.

Goals from the Consolidated Plan Five Year Strategic Plan

Goal #1 Preservation of Housing Stock

This is accomplished by the Home Ownership programs discussed in section VIII of our Agency Plan.

Goal #5 Incentives for Low and Moderate Income Rental Housing

Every renter is a potential home owner. Each family renting with us has the opportunity to prepare themselves to become home owners by clearing up credit issues, if any, using the job training, placement and outreach program offered through the Block Grant program and when the family is ready, to be given priority for any of our Home Ownership Programs that are available at the time. Some of our renters are on the Maintenance Program whereby they learn what is needed to do to take care of a home and to set aside some funds to assist in buying a home in the future.

Goal #6 Home Ownership Assistance Programs

See the Home Ownership Section VIII of our Agency Plan.

Goal #7 Development of a Shared Equity Program

See the Home Ownership Section VIII.

Goal #8 Development of a Subsidy Contract/Family Self-Sufficiency Program

The subsidy contract has been developed and is in use in our County Housing Program. This plan extends its use to other rental assistance programs.

Goal #9 Improvement of Selected Revitalization Neighborhoods

See the Home Ownership Section VIII of our Agency Plan. Various parts of the Settlement Down Payment Loan Program and other programs are keyed to revitalization neighborhoods selected by the Office of Housing and Community Development and approved by the County Executive.
