## **NARRATIVE REPORT ON THE CFP BOND LEVERAGING PROGRAM FOR THE RED BANK HOUSING AUTHORITY**

### **INTRODUCTION**

The purpose of this plan is to set forth the scope of the modernization work to be undertaken and completed by the Red Bank Housing Authority (hereinafter referred to as the "Housing Authority," the "HA," or the "Authority") under a proposed \$485,000 bond issue; and the plan for financing same. Also set forth in this report are the following justifications:

- A. A statement of need explaining how the proposed modernization activity was selected and a statement affirming that a need assessment was conducted to determine that the proposed activity is the most critical activity in regard to the HA's portfolio; explaining how the annual CFP grant funds remaining after payment of debt service will be sufficient to fund ongoing capital needs during the life of the bond; and setting forth the rationale for financing the proposed activities versus funding same with annual grant funds.
- B. A brief description of the modernization activities that will be funded with the bond proceeds, including project numbers and the number of units.
- C. A brief description of the HA's construction management and financial control mechanisms.
- D. A brief description of the relevant financing and construction experience of the HA.

### **THE PLAN FOR FINANCING THE PROPOSED MODERNIZATION ACTIVITY**

The Housing Authority proposes to use a portion (approximately 30%) of its annually appropriated Capital Grant Funds to play debt service on a 20-year fixed rate tax exempt bond obligation totaling \$485,000, which would be issued by the HA through a public offering using the capital markets. The bond proceeds, after the deduction of financing fees (estimated at \$10,000) would be used by the HA to fund modernization activities described further in this report. The bonds would be secured by a pledge of the HA's annual Capital Grant Fund appropriations over the 20-year life of the bonds. The HA would establish the required debt service fund.

The bond under writer will assist the HA in structuring the bond transaction and its creditworthiness and offering the bonds for sale to the public. Bond Counsel will be responsible for preparing the bond resolution, the trust indenture and other documents required to authorize the issuance of the bonds; and for delivering the needed opinion regarding the exemption of interest income on the bonds from federal and state taxes, etc.

### **THE STATEMENT OF NEED**

The HA has determined, based on a management and physical needs assessment conducted by L.S. Engineering, that the selected modernization activities are the most

critical activities in regard to the HA’s portfolio.

The HA further determined, as a result of the findings under the aforesaid assessment, that the annual grant remaining after payment of debt service on the bonds will be sufficient to fund ongoing capital needs over the life term of the bonds.

The HA’s rationale for financing the proposed modernization activities via the proceeds from the bond issue versus funding the activities with annual Capital Grants is based on the fact that the costs of such activities are far too great to cover with annual Capital Grant funds, and the need for undertaking and completing the proposed activities within a time period of four years or less, as opposed to a longer time period, is of a critical nature.

**A BRIEF DESCRIPTION OF THE PROPOSED MODERNIZATION ACTIVITIES:**

The activities proposed to be funded with bond proceeds are:

PROJECT NO.	NO. OF UNITS	PROPOSED MOD ITEM	ESTIMATED COST
HA-WIDE	90	Remove asbestos tile floors and install new flooring	435,000
HA-WIDE	90	A/E services on above	40,000
TOTAL			475,000

**DESCRIPTION OF THE CONSTRUCTION MANAGEMENT AND FINANCIAL CONTROL MECHANISMS**

The payments from the Trustee held funds must be made in accord with the process described in the bond indenture. See attachment hereto with regard to same (below).

Please note that the participations in the New Jersey CFP Bond Leveraging Program have agreed that the program is to include modernization activity only.

**DESCRIPTION OF THE RELEVANT FINANCING AND CONSTRUCTION EXPERIENCE OF THE HA**

The Housing Authority’s relevant experience in the subject areas has been acquired via the HA’s participation over the past decade in a comprehensive and ongoing program designed to modernize its public housing units; and via the day-to-day management and financial operations of its public housing and Section 8 Housing Choice Voucher Programs.

## **ATTACHMENT**

The payments from the Trustee held funds must follow the process described in the Indenture as described below.

### **Per Section 4.02 of the Indenture**

Payments from the Project Fund for the Project. Payments from the Project Fund shall be made only upon compliance with the following:

The Trustee shall pay costs of issuance of the Bonds or of any additional Bonds out of the Costs of Issuance Account as are authorized by a closing statement delivered at settlement for the Bonds or such additional Bonds, respectively. Any such closing statement shall be signed by an Authorized Officer of the Agency and shall specify the person to whom payment is to be made, the obligation on account of which the payment is to be made, and the amount payable with respect thereto

Each Housing Authority shall prepare and file with the Trustee a project budget (the "Project Budget") for each of its Projects showing a detailed estimate of the Costs of the Project and a projected disbursement schedule at the time the Bonds are issued. The Project Budget shall be updated each fiscal year by the Housing Authority or more frequently, if required, to reflect any material changes in the Project Budget or the projected disbursement schedule and each updated Project Budget and project disbursement schedule shall be filed promptly with the Agency and the Trustee.

Except as provided in subsections (a) and (b) above, all payments from each account with in the Project Fund funded with the proceeds of the Bonds and any additional Bonds shall be made only upon receipt by the Trustee of a requisition signed by an Authorized Officer of each of the Housing Authority and the Agency. The Housing Authority shall present each requisition to the Agency for execution. The Agency shall, within three (3) business days from the date such requisition is received by it, (i) execute such requisition and forward it to the Trustee, or (ii) advise the Housing Authority submitting the requisition and the Trustee of its refusal to execute such requisition and state the reasons therefore. Each such requisition shall state: (i) the name and address of the person to whom the payment is to be made (which may be the Housing Authority); (ii) the amount to be paid; (iii) the obligation on account of which the payment is to be made, showing the total obligation, any amount previously paid, and the unpaid balance; (iv) that the obligation was properly incurred and is a proper charge against the Project Fund; and (v) that the amount requisitioned is due and unpaid. Each such requisition shall further include (1) a certificate of the Housing Authority stating that the work, material or other purchased item to which the payment relates has been accomplished, delivered or installed in such a manner satisfactory to the Housing Authority; and (2) satisfactory evidence or an opinion of counsel or a certificate of an architect to the effect that the Housing Authority has made all submissions to governmental authorities and has obtained all licenses, permits

and approvals required by state law for the financing or refinancing, installation or construction and operation of the Project, to the extent the same are needed at the time of the first requisition relating to that portion of the Project, given the current status of the Project, and in the case of such opinion, that based upon inquiry to appropriate officers of the Housing Authority, such counsel has no reason to believe that any approvals and permits thereafter required for such purpose will not be granted. If the Housing Authority has previously provided the item listed in (2) of the previous sentence to the Trustee with respect to the Project to which the requisition relates, then the requisition shall include a certificate of the Housing Authority stating that such items were previously provided to the Trustee.

**In addition, the Program Agreement among the Housing Authorities, the NJHMFA and the Trustee, which the document wherein the Housing Authorities pledge their capital grant allocations for payment of debt service, also requires the herein described process for the payment of the funds:**

**Per the Terms of the Program Agreement:**

**Section 4.04. Proceeds of the HMFA Bonds.** (a) A portion of the proceeds of the HMFA Bonds shall be applied to accrued interest, if any, costs of issuance thereof, including if applicable the costs of bond issuance, capitalized interest, if any, HMFA's first year's administrative fee, the Trustee's first year's fees, fees for services of special counsel and financial advisor to the Representative, fees of local counsel or other consultants to the Housing Authorities paid in connection with the issuance of the HMFA Bonds, and other traditional bond issuance costs, including but not limited to Bond Counsel Fees, Rating Agency fees, in amounts agreed to by the HMFA and the Representative, a Debt Service Reserve Fund or the cost of a surety or other Debt Service Reserve Fund Credit Instrument, if necessary by the Rating Agency or any Bond Insurer, and for Capital projects of the respective Housing Authorities in accordance with their respective ACC's, and all other Program Expenses, including Scheduled Program Expenses, as shall be more fully set forth in the Indenture.

(b) Proceeds of the HMFA Bonds held by the Trustee for the Capital Projects of Housing Authorities in accordance with their respective ACC's shall be invested by the Trustee, pending disbursement for such Capital Project costs, in United States Treasury Obligations or such other securities as permitted under the indenture with the consent of the Representative. All earnings thereon shall be retained for the benefit of the respective Housing Authorities, pending disbursement for Capital projects.

(c) Each Housing Authority may requisition any such funds held by the Trustee for Capital Projects in accordance with their respective ACC's by submitting to the Trustee a written and duly authorized and executed requisition of such funds in accordance with the terms of the Indenture, which shall provide, at a minimum, that an authorized officer of the respective Housing Authority shall state in any such requisition that (i) the Capital Projects for which disbursement of funds are being requested are eligible costs under the Capital Fund Program and under the ACC, and are otherwise in compliance with Tax Letter of Representations and the other Housing Authority Documents, (ii) the Capital

Projects for which disbursement of funds are being requested have not been the basis of any previous withdrawal, (iii) that attached thereto, are invoices or other evidence that such Capital Project costs have been incurred, (iv) that attached thereto is a copy of a resolution of the governing body of the Housing Authority approving payment to vendors or reimbursement for prior advances relating to the items of eligible costs under the Capital Fund Program detailed in any such requisition and (v) that attached thereto is a certificate of the architect or engineer appointed by the Housing Authority recommending payment of any such requisition.

#### **Sevtion 4.05. Capital Projects**

- (a) The Housing Authorities may substitute Capital Projects in accordance with terms of their respective ACC's, including Section 4(H) of the ACC Financing Amendments, provided that any such substitution thereof complies with subsection (c) hereof and does not materially adversely affect any representations, warranties or covenants of the respective Housing Authorities set forth in their respective Tax Letter of Representations, unless accompanied by an opinion of nationally recognized bond counsel, and acceptable to HMFA, to the effect that any such substitution does not adversely affect the exclusion of interest from the gross income of the holders of Bonds for Federal income tax purposes.
- (b) The Housing Authorities hereby grant the Representative and HMFA that right to compel any such Housing Authority to submit to HUD an annual Capital Fund Program plan and/or an annual Capital Fund Program amendment in accordance with Section 4(E) of the ACC Financing Amendment applicable to any such Housing Authority to the extent any such plan or amendment has not been approved at the time that is forty-five (45) or fewer days prior to any payment date of the principal of (including sinking fund installments) and interest on the Bonds in order to assure that HUD will be able, subject to Congressional appropriation, to make Pledged Capital Fund Allocation payments to the Trustee in a timely manner to make the applicable Pledged Capital Fund Allocation Payments when due and in full.
- (c) Capital Projects shall be further limited to roofs, windows and doors, masonry and brickwork, elevator replacements and upgrades, security improvements and upgrades, major site improvements, mechanical systems, nondwelling structures, apartment improvements and any other improvements/repairs that are within the definition of HUD account nos. 1450, 1460 and 1470, together with the architectural services, engineering services and other administrative costs related thereto that are within the definition of HUD account nos. 1408, 1410 and 1430, unless HMFA, HUD and the Representative shall agree to expand Capital Projects to additional items not within the purview of this subsection (c), provided further that HMFA receives an opinion of nationally recognized bond counsel that such additional category of items shall not cause the interest on the HMFA Bonds or other series of Tax-exempt Bonds to lose their exclusion from gross income for Federal income tax purposes.
- (d) No later than the date of execution of the Letter of Representations (i.e., the sale of the HMFA Bonds), each Housing Authority shall provide a Capital Project budget to the Representative detailing the Capital Projects to be funded from a

portion of the HMFA Bonds by (i) HUD account number, (ii) estimated cost, (iii) estimated draw schedule (which shall, if applicable, be binding against the Housing Authorities to the extent the Housing Authorities desire to draw money sooner than anticipated because it is anticipated HMFA will direct its Trustee to invest the Bond proceeds in the aggregate to maximize investment earnings) and (iv) estimated start and completion dates per Capital Project.

**In addition, pursuant to the Program Agreement (see language of Section 4.06 below), each Housing Authority has covenanted: 1. to submit additional quarterly reports to the Newark Area office (see Exhibit F herein) and to enhance its annual audit by its external auditor to include verification of compliance with the requirements of the leveraging program. These requirements also were made pursuant to the Rating Agency's request for on-going monitoring of the use of the Capital Funds throughout the life of the Bond.**

#### **Section 4.06. Reports**

- (b) In preparing its annual audits to HUD pursuant to their respective ACC's, the Housing Authorities shall separate out the Capital Fund Program expenditures and revenues, and to the extent practical, further delineate such expenditures by Capital Project.
- (c) During the construction period for Capital Projects funded from a portion of the proceeds of the HMFA Bonds, the required annual audit of each Housing Authority will specifically require a supplemental schedule of such Housing Authority's leveraging activity. Included will be the construction funds requisitioned from the Trustee, funds expended during the audit period and cumulatively for the period since the date of issuance of the HMFA Bonds.
- (d) As part of the annual audit process, the auditor shall verify that all filings have been provided to HUD, both financial and otherwise, and shall include a separate report on compliance with HUD rules and regulations that may jeopardize or delay funding of Capital Fund Allocations. This would include timely submissions of the Housing Authority's annual and 5 year plans, compliance with timely obligation and expenditure of existing capital fund programs and outstanding response to any HUD reviews resulting in corrective action plans.

Such annual reports shall be complete no later than on hundred twenty (120) days after the end of each Housing Authority's Fiscal Year end, and shall also be provided to the Rating Agency and any Bond Insurer.
