ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Village of Spring Valley Section 8 Program has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which participants in the tenant-based assistance program and other members of the public may locate basic Section 8 Program policies, rules and requirements related to the operations, programs and services of the program.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Section 8 Administrative Plan is the primary policy on display. This important document covers the Section 8 program responsibility to owners/landlords, grievance procedures, HQS guidelines, annual recertification requirements, etc.

The most important challenges to be met by the Village of Spring Valley Section 8 Program during FY 2005 include:

- *Continue to provide guidance to staff by the new Executive Director to assist him in efforts to remove the agency from Troubled status*

- *Identification of management needs to enable PHA staff to prepare for major upcoming changes in the Operating Fund rule. (i.e. Project-Based Accounting, Asset Management, Cost Allocation Planning, and software upgrades.)*
- *Involving the Section 8 participants through the Annual Plan Resident Advisory Board.*
- *Training staff and Village trustees to fully understand and take advantage of opportunities in the new law and regulations to better serve our participants and the community; and*
- *Provide voucher mobility counseling to new and current program participants*

In closing, this Annual PHA Plan exemplifies the commitment of the Village of Spring Valley Section 8 Program to meet the housing needs of the full range of low-income residents. The Village of Spring Valley Section 8 Program, in partnership with agencies from all levels of government, the business community, non-profit community groups, and participants will use this plan as a road map to reach the “higher quality of life” destination for the Village of Spring Valley and Rockland County.

Village of Spring Valley Section 8 Program

Progress in Meeting 5-Year Plan Goals (2005-2009)

The Village of Spring Valley Section 8 Program has been successful in achieving its mission and 5 year plan goals during the period FY 2005-2009.

Concerning modernization the Spring Valley Community Development office with cooperation by the PHA has begun the substantial renovation of the downtown Spring Valley area and the landlord of two projects with 31 Housing Choice Vouchers has begun an enhanced voucher renovation of his units.

Concerning self-sufficiency and crime and safety, PHA efforts with the Spring Valley Police Department and the New York Highway Patrol with their combined Blue-Grey patrols, has reduced crime in the communities through the incarceration of a number of drug dealers along with cancellation of four Housing Choice Vouchers. The Spring Valley Section 8 Program is advancing one employee to become the Family Self-Sufficiency Coordinator, and expect to have as a minimum 5 families with Housing Choice Vouchers in the FSS Program by year end.

Concerning improving the quality of life, PHA has worked with Rockland Housing Action Coalition in helping elderly members with Housing Choice Vouchers move to a new senior housing building recently completed in Spring Valley. Several Housing Choice Vouchers have been issued to residents dislocated by the urban renewal project now begun in downtown Spring Valley.

To ensure compliance with the Public Housing Reform Act of 1998 and the HUD Rental Housing Integrity Improvement Program (RHIP), every policy was reviewed and updated as needed. Most significant was the update to the Admissions and Occupancy Policy and the Section 8 Administrative Plan.

Concerning ensuring equal opportunity outreach efforts have been made by making renewed partnerships with community groups and medical facilities.
