This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

February, 2005	89.7 %
March, 2005	87.4 %
April, 2005	90.8 %
May, 2005	90.8 %

October, 2005	85.1 %
November, 2005	85.1 %
December, 2005	85.1 %
January, 2006	86.2 %

AVERAGE OCCUPANCY ---- 87.4 %

OBJECTIVES:

- a) Flat rents have been established based on market value in the private rental market (what a private owner could expect to get for the unit if it received no public subsidy). Utilities and maintenance which are provided by the Housing Agency are taken into consideration when calculating flat rent. Flat rents are reviewed and adjusted accordingly in November of each year.
- b) RCHA has accelerated its marketing by advertising daily in The Morning Edition and placing a display ad in The Devils Lake Journal's Friday paper. Also a color flyer was inserted in The Peddler.
- c) RCHA is a member of trade organizations which offer the opportunity of staying abreast of the many issues facing housing authorities. RCHA continues to maintain a close working relationship with local, county, and area agencies that provide services to our residents.
- d) RCHA has amended its Admissions and Occupancy Policy to provide housing access to over-income families, providing there are no eligible families on our waiting list. This has opened our facility to several residents who desired to live in our community, but, weren't eligible due to income restrictions.

2. RCHA will monitor the HAP payments monthly to ensure that 95% of all anticipated ACC is utilized.

OBJECTIVES:

- a) For FYE ending 6/30/06 HAP payments/earned administrative fees will be at least 97 % of available ACC funding.
- b) In this fiscal year it has not been necessary to enter into a portability agreement, however, if is becomes necessary RCHA will do so.
- c) For the past 12 months approximately 85 % of new admission families for that period have incomes at or below 30% of median. Approximately 80% of the families that are issued Housing Choice Vouchers are at or below 30% of median family income.

d) The annual survey has been conducted.

3. Assess modernization needs of the PHA.

OBJECTIVES:

a) A five-year plan for replacement of equipment is included in capital improvements.

4. Develop and support safe and crime-free housing.

- a) Resident Advisory Board meetings are held periodically. All PHA residents and all Section 8 residents are invited by written notification and attend if they choose. Constant vigilance by residents and maintenance personnel assist in maintaining safe communities and deterring crime.
- RCHA maintains close relationships with the Devils Lake Police Department and the Ramsey County Sheriff's Department. These agencies have been very cooperative in our efforts to control crime in and around our apartment homes. A Safety and Crime Prevention Plan was established in conjunction with Bruce Kemmet, Chief of Police, Devils Lake Police Department.
- c) Our AOP was amended at the time the Zero Tolerance "One Strike and You're Out" policy was implemented. This policy denies applicants and/or removes residents who participate in drug-related criminal activity or illegally use a controlled substance.
- d) Applicant households will be screened for criminal/drug/alcohol abuse history that violates HUD policy.

5. Attend educational sessions on Public Housing and Section 8.

OBJECTIVES:

- a) Either the ED, HAP Director or both will attend all the NAHRO meetings that are feasible.
- b) RCHA staff attempts to attend all state workshops and conferences. There are instances, however, when distance or prior commitments prevent our attendance.
- c) RCHA staff does network with Ramsey County agencies to keep abreast of services available and the needs of lowincome persons.

Ramsey County Housing Authority will carry out all activities and items listed in the Plan in compliance with all applicable civil rights requirements and that the Housing Authority will affirmatively further fair housing.

<u>1. Site-Based Waiting Lists (Eligibility, Selection, Admissions Policies)</u> [24 CFR Part 903.12(c), 903.7(b)(2)] Exemptions: Section 8 only PHAs are not required to complete this component.

Excerpt from the RCHA Public Housing Admission & Occupancy Administrative Plan :

Part III - RESIDENT SELECTION AND ASSIGNMENT POLICIES

The Resident Selection and Assignment Policies take into consideration the needs of individual families for low-income housing and the statutory purpose in developing and operating a sound low-income housing program which provides a decent and suitable living

environment and which fosters economic and social diversity in the resident body as a whole.

A. Non-discrimination

The Housing Agency shall provide housing in a fair and consistent manner to all persons/families interested in renting a Housing Agency unit. The Housing Agency will not discriminate at any stage of the application/participation process because of race, color, national origin, religion, sex, disability or familial status. RCHA is bound by the nondiscrimination requirements of Federal, state, and local law. No preference will be shown any applicant because of political affiliation or acquaintance with any public official at the federal state, or local level. RCHA will abide by the nondiscrimination requirements of:

- 1. <u>Title VI of the Civil Rights Act of 1964</u>, which prohibits discrimination based on race, color, or national origin in programs receiving Federal financial assistance;
- 2. <u>Title VIII of the Civil Rights Act of 1968</u>, which prohibits discrimination based on race, color, religion, national origin, or sex in the sale, rental or advertising of housing;
- 3. <u>Section 504 of the Rehabilitation Act of 1973</u>, which prohibits discrimination based on handicap in programs receiving Federal financial assistance;
- 4. <u>The Age Discrimination Act of 1975</u>, which prohibits discrimination based on age in programs receiving; and
- 5. <u>Executive Order 11063</u>, which required HUD to take whatever action is necessary to prohibit discrimination based on race, color, national origin, religion (creed), or sex in housing receiving Federal assistance.

- 8. <u>The Americans with Disabilities Act (42 U.S.C. 12101-12213)</u> to the extent applicable.

B. Resident Selection and Waiting List Procedures

A family unit waiting list will be maintained for all presumptively eligible applicants by unit size; a separate waiting list will be maintained for Skyview Apartments.

In order to be placed on the waiting list, an interested family must submit a **complete** application to the PHA. The date and time will be written on the application upon receipt in the Housing Agency office and placed on the waiting list in order of date and time received.

The complete application will consist of:

- 1. Application form
- 2. Releases of Information, Personal Declaration, Privacy Act Statement (to be signed by each household member over 18),
- 3. Current and prior Landlord information form (if an applicant does not have any rental history they must submit two references from non-relative professionals).
- 4. Any additional information requested by the Housing Agency.

All forms requiring applicant signatures must be signed by all adult members of the family listed on the application.

If an application is not completed within 90 days from the date the family originally submitted the application, it will be placed in inactive status.

Waiting List Maintenance. The waiting list will be maintained for all eligible applicants by unit size. A separate waiting list will be maintained for the Housing Agency's designated elderly/disabled/handicapped units known at Skyview Apartments. A waiting list based on date and time of application will be managed according to:

- A. Type and size of unit
- B. In order to provide for the widest possible economic distribution of residents, and to encourage economic self sufficiency of residents, preference shall be given by RCHA in resident selection to those families that have one or more employed members.
- C. Procedure for compliance with Income Targeting Guidelines:
 - 1. Once a month, reports will be run tracking income for new admissions to and Public Housing.
 - 2. In the event that new admissions for the present fiscal year fall below the mandatory income guidelines for extremely low income admissions (Not less than 40% of the families admitted to RCHA's public housing program during the fiscal year from the waiting list shall be extremely low income families. This is called 'basic targeting requirement'), it may become necessary to select applicants whose names have come up on the waiting list based on their meeting the extremely low income guidelines. This will be accomplished in the following manner:
 - a. An applicant at the top of the waiting list will be sent a letter and asked to come for an interview as they normally would.

- b. If after the interview an applicant's verified income exceeds the extremely low income requirement, the applicant will be put back on the waiting list with their original date and time, and the next extremely low income applicant at the top of the waiting list will be taken.
- c. This process will continue until the Housing Authority is again in compliance with the mandatory income guidelines.
- D. Occupancy by over-income families in public housing: RCHA may rent a unit in public housing to an over-income family if:
 - 1. There are no eligible families on the waiting list; or
 - 2. There are no eligible families applying for assistance in that month;
 - 3. The Housing Agency publicizes in a local newspaper;
 - 4. The over-income family rents the unit on a month-to-month basis for the flat rent charge;
 - 5. The over-income family signs an agreement to vacate the unit when needed by an eligible family; and
 - 6. The Housing Agency gives the over-income family notice to vacate the unit when the unit is needed for an eligible family, and this notice is given at least thirty days before the over-income family is to vacate.

An inactive file will be disposed of three years from the date it was classified as inactive, and Ineligible or withdrawn files will be disposed of three years from the date they were classified as ineligible or withdrawn. Terminated resident files will be disposed of three years after audit.
