ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Ashtabula Metropolitan Housing Authority is a large PHMAP High-Performer agency located in Ashtabula County, Ohio. The AMHA manages 585 units of public housing in seven developments.

The mission of the AMHA is:

To promote safe, decent and affordable housing, and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The AMHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. To continue to enforce our "One Strike" policies for resident and applicants.
4. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The AMHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The AMHA has assessed the housing needs of Ashtabula and surrounding Ashtabula County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The AMHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The AMHA has determined that its housing strategy complies with the state of Ohio's Consolidated Plan

The AMHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The AMHA has established a minimum rent of \$50.00 and have developed and implemented Market Value Flat Rent. In addition the AMHA has reinstated its Community Service program.

The AMHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The AMHA has no plans to demolish or dispose of any of its properties. The AMHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The AMHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The AMHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the AMHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of AMHA's Agency Plan to HUD on October 18, 2005

Because the AMHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Homeownership
- Community Service
- Asset Management

Required Attachment A: Deconcentration Policy

It is the policy of the Ashtabula Metropolitan Housing Authority (AMHA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the AMHA is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the AMHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the AMHA does not concentrate families with higher income levels, it is the goal of the AMHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The AMHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the AMHA.

To accomplish the deconcentration goals the AMHA will take the following actions:

- A. At the beginning of each fiscal year, the AMHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the AMHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

- ✦ additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- ✦ any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- ✦ changes to rent or admissions policies or organization of the waiting list;
- ✦ additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- ✦ any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Required Attachment H: Progress in meeting the 5-year plan mission and goals:

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2006 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. The AMHA re-instituted the Community Service program.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2006.

AMHA is continuing to implement new market value rents for its public housing program.

Required Attachment I: Implementation of Public Housing Resident Community Service Requirement

PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2) Work Activity Opportunities

The Ashtabula Metropolitan Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

Required Attachment I: Implementation of Public Housing Resident Community Service Requirement

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).
2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

f. The Ashtabula Metropolitan Housing Authority has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.

PHA's Policy on Pet Ownership in Public Housing Family Developments

PET POLICY FOR FAMILY DEVELOPMENTS

In compliance with Section 526 of The Quality Housing and Work Responsibility Act of 1998, AMHA residents shall be permitted to own and keep common household pets. Animals that are an auxiliary for persons with a disability are excluded from this policy. The ownership of common household pets are subject to rules and limitations:

1. Common household pets shall be defined as “domesticated animals such as a dog, cat, bird, rodent, fish or turtle.
2. No more than one dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of 20 gallons shall be permitted. A resident with a dog or cat may also have other categories of “common household pets” as defined above.
3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner’s apartment for the purpose of handling, but shall not generally be unrestrained.
4. Only one dog or cat is allowed per household. **NO PIT BULLS WILL BE PERMITTED.** All dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside. Neither dogs nor cats shall be permitted to run loose.
5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, AMHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.
7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.)
8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: (1) no additional security deposit shall be required of the resident with whom the pet is visiting (unless the visit is in excess of 72 hours) and two (2) verified complaints shall be grounds for excluding the pet from further visits.
9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community.
10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the AMHA from all claims, causes of action damages or expenses, including attorney’s fees, resulting from the action or the activities of his or her pet.
