[24 CFR Part 903.12 (b), 903.7 (r)]

<u>A. PHA Progress in Meeting the Mission and Goals Described in the 5-</u> Year Plan

(*Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 - 2009.*

In 2005 Licking Metropolitan Housing Authority (LMHA) saw the acquisition and occupying of new a new office building to locate the Administrative and Housing Choice Voucher staff of LMHA. The office building, located at 144 West Main Street, Newark Ohio is only several hundred years away from the Terrace Gardens Apartment building, home to our 97 units of Public Housing, as well as the former administrative and HCV staff offices. This new office facility was funded by Section 8 Administrative funds set aside in past years under Board approval. This new office building will allow employees a more effective workplace, thus permitting higher productivity and improved quality and service. Another benefit of relocating these staff members to 144 West Main will be

realized in the near future when the office space they previously used will be returned to public housing units.

LMHA is currently reviewing proposals from housing software vendors with the anticipation of a state-of-the-art software upgrade will occur before the end of 2005. LMHA's current DOS-based system will be replaced by a windows-based system that will increase throughout, quality and service.

In addition to the new office building and housing software, LMHA plans to make significant improvements to Terrace Gardens public housing with the installation of a new roof as well as new windows for the apartment units. These two projects are also planned to be completed by the end of 2005.

The completion of these projects will allow LMHA to provide more cost-effective products and services to our clientele as well as improving the quality of work-life for our employees.

a. Substantial Deviation from the 5-Year Plan

LMHA's definition of Substantial Deviation and Significant Amendment or Modification to the Five Year Plan is as follows:
