Included you will find comments from the Hazleton Association of Resident Councils who were consulted prior to the finalization of the plan, as well as a list of supporting documentation as required.

Our Housing Choice Voucher Homeownership Program with our partner, Housing Development Corporation continues. We have had two homeownership settlements and have eight families enrolled, one of which should reach settlement prior to years end.

We are in the receipt of our second ROSS Grant for the elderly residents. This grant has gone a long way in providing services the Housing Authority could not provide due to budget restraints.

Our partnership with the local drug prevention agency remains strong, along with Luzerne County Community College, Head Start Program and the local police. All of these initiatives are on site at our family units.

In 2006 we will strive to maintain the level of service we have continually provided in the past as well as regain our high performing status.
