This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. RAB MEETING MAY 25, 2006 ATTENDANCE

Rose M. Smith, Executive Director Patty Bailey, #615 GT Mary Daub, #101 GT Frank Nowak, #101 GT

The RAB Review meeting for the HA's Annual Plan for Fiscal Year 2006 with all supporting documentation was held on Thursday, May 25, 2006 at 10:00 AM in the dining room of the Gateway Towers Apt. building located at 21 East Long Avenue, DuBois PA.

At the end of the dissertation, everyone was in agreement with the Annual Plan and all attached documents.

There was a brief discussion on the location of the ramp area in the back parking lot. It had been suggested that a ramp be installed closer into the parking lot due to the traffic congestion in the alley. I explained that the ramp will be located where the present curb cut is located at the end of the parking lot. The residents #101 felt their unit should be chosen due to the fact that the female occupant was in need of a wheelchair in the near future. Again, I stated that these details will be discussed with the architect and all will be made aware of the work as it proceeds.

I went into detail with the RAB board as to the need to keep all discussions that go on in these meetings to themselves. We are not a secretive board, but there are issues discussed that do not need to be discussed outside the meetings. I was referring to two members in particular that have been discussing untrue statements around the building. I didn't mention any specific names, however, I believe they knew who they were.

I state there is a "grapevine" within the building that usually winds up with me knowing what is being said about the HA staff, etc.

As there was no further discussion, the meeting was adjourned at 10:30 AM.

Rose M. Smith, PHM Executive Director May 25, 2006
