Use this section to provide any additional information requested by HUD.

Attachments

Use this section to provide any additional attachments referenced in the Plans.

Attachment 1 – Pet Ownership

The PHA units are occupied by Elderly, Handicapped, or Disabled Families. A Pet Policy was developed in 1987 and adopted by the Board of Commissioners after a 30 to 60 day comment period for the residents and a review by the Board of Tenants' Affairs. The Policy has become an Addendum to the Dwelling Lease and is referenced in the Dwelling Lease. The Policy outlines the amount and kinds of pets allowed, licensing and vet requirements when applicable, spaying or neutering requirements, pet deposit requirements, provision for the name of a contact person to take responsibility of the pet in the event of incapacity or death of the owner, etc. There are also provisions to outline notice procedures of violations of the pet policy, review and hearing rights of the owner, and termination procedures that include removal of the pet from the property or terminations of tenancy.

Attachment 2 – Progress in meeting missions and goals:

The PHA manages units under its management with sound programs of fiscal management, preventive maintenance, and capital fund improvements.

Automated operations are reviewed and updated on an ongoing basis to keep pace with HUD industry and general computer industry upgrades and improvements. Training is provided to staff on an ongoing basis to provide each staff member a comfort level to provide satisfactory performance given individual capabilities and willingness to learn. System security measures are a constant concern and are reviewed and increased as the industry changes.

The preventive maintenance program, described in the Maintenance Plan, is updated to include renovation changes and inclusion of additional services provided to residents as adopted by the Board of Commissioners.

Ongoing discussions take place with local service agencies and the local government concerning the expansion of affordable housing opportunities in the community. PHA will continue to seek management opportunities of housing units developed by others. PHA will seek project-based assistance funding. PHA has entered into a management contract with a private owner of a subsidized housing building.

The PHA has a need for social services for residents that are provided through a contract with a local agency on an annual and as needed basis. Services include needs identification, referral to appropriate service providers off site, intervention and problem solving with residents. Residents who exhibit inappropriate behavior or who are not in compliance with the lease, rules and regulations under which they reside will be referred to social services. The PHA will pursue legal action to remove problem tenants. These tenants are unwilling or unable to comply with the dwelling lease and leave the PHA no recourse other than legal termination of the tenancy.

The PHA will work with other community agencies to develop a disaster plan for each building. This will include review and revision of the Fire Evacuation Plans, development of Disaster Evacuation Plans, design and creation of emergency packs based on the needs of the individual resident, and creation of listings of residents who are at risk in an emergency situation and would require the services of responding emergency personnel. The new Fire Code will mandate repairs and renovations for as yet to be determined total costs. These will be included in the physical needs assessments of the projects from which Capital Fund Improvements Items will be drawn.

A study will be conducted on one project to determine the extent and costs associated with a structural repair of the building. Cost estimates to repair the building will determine the course of action the Commissioners will make and timeframe to complete same.

Attachment 3 - Resident Membership of the PHA Governing Board

A Public Housing Resident was re-appointed by the West Warwick Town Council in November 2004 to serve a 5-year term on the Board of Commissioners. All residents were notified of the opening on the Board and encouraged to submit a letter of interest to local government that he or she would like to be appointed to the Board. Mrs. Helen Mitchell resides in the West Warwick Manor, Project RI-015-001, 62 Robert St., West Warwick, RI.

Attachment 4 - Membership of the Resident Advisory Board

The Resident Advisory Board consists of five members. The Board currently has five public housing residents from each of the PHA's two projects. The members volunteered to serve on the Board after the PHA sought membership involvement by direct mailing or notification to each resident or Section 8 Program Participant. No Section 8 Program Participants expressed interest in serving on the Board during the last membership notification.
