ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Niles Housing Commission, as an arm of the City of Niles, will take part in the City's long range plan to be completed over the next three (3) years. The city plan will include rezoning, among other issues that will affect any NHC strategic decisions.

The Housing Commission, first in Niles to address the issue of low income housing, is no longer the only game in town. Other initiatives have been made in the Niles area. There is another high-rise only a half mile from us, utilizing Section 8 funding, that is newer, more spacious, and in a more desirable location. Habitat for Humanity also provides an alternative for certain, eligible families. A brand new, for profit, apartment complex has been constructed just a block from our high-rise. These and other for profit developments have raised the bar, so to speak, as to affordable housing applicants.

Given these circumstances, our goals are of a modest nature until we know more of the City's planning process.

1. To devise and execute a comprehensive plan for improvement of the interior and exterior appearance of the Gateway Plaza high-rise.
2. To acquire adjacent land, if possible, to increase the available parking such that our elderly and handicapped residents have better access to the building's entry.
3. To redirect our recognition away from "the high-rise", to the building's actual name, the Gateway Plaza, by installing signage in the lobby, on its entrances and on two exterior locations.
4. To improve our scattered site residents' pride in their homes and their skills and motivation in maintaining them.

5. **To upgrade the exterior appearance of the homes, the yards, driveways and landscaping.**

9.4 DECONCENTRATION POLICY

It is Niles Housing Commission's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Niles Housing Commission will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis can be found in **Appendix 1**.

9.5 DECONCENTRATION INCENTIVES

The Niles Housing Commission may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

9.6 OFFER OF A UNIT

When the Niles Housing Commission discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

HARDSHIP POLICY

A. A hardship exists in the following circumstances.

1. when the family has lost eligibility or is waiting for an eligibility determination for a Federal, State, local assistance program;
2. when the family would be evicted as a result of the imposition of the minimum rent requirement;
3. when the income of the family has decreased because of changed circumstances, including loss of employment;
4. when the family has an increase in expenses because of changed circumstances, medical costs, child care, transportation, education, or similar items; or,
5. when a death has occurred in the family.

B. No Hardship: If the Housing Authority determines there is no qualifying hardship the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

C. Temporary Hardship: If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with the Section 18 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

8.4 THE FLAT RENT

The Niles Housing Commission has set a flat rent for each public housing unit. The Commission has determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied.

Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

8.5 CEILING RENT

The Niles Housing Commission has set a ceiling rent for each public housing unit. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Niles Housing Commission will post the ceiling rents at the office and are incorporated in this policy upon approval by the Board of Commissioners.

Suitable housing means housing that is not substandard and is of appropriate size for the family.

Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.
