### **13. Capital Fund Program Five-Year Action Plan**

#### Resident Assessment Follow-Up Plan

Deficiencies were noted in the Survey Communication Section, the Survey Neighborhood Appearance Section and the Survey Safety Section. The Housing Authority has consulted with the Resident Advisory Board and developed an Implementation Plan to address these deficiencies which includes the following elements:

##### Communication:

Ripley Housing Authority communicates with its residents on an ongoing basis. The Housing Authority meets with its residents on a quarterly basis to discuss any issues that are resident related. Residents are also provided information concerning modernization activities. Residents are invited to express any ideas they have that will improve the housing developments. Ripley Housing Authority will continue to conduct these activities and will make every effort to assure that residents are treated politely and with respect.

##### Neighborhood Appearance:

The Ripley Housing Authority's Agency Plan includes the following elements to address the Neighborhood Appearance Section:

- Site Improvements at each development throughout the 5-year program (Capital Fund Program)
- Exterior Building Improvements have been completed at Project TN57-6 in FY2001, 2002 and 2003 Capital Fund Programs.
- Exterior Building Improvements at Project TN57-3 in FY2005 (Capital Fund Program)
- Development identification signs
- HA-WIDE – Clean and Pressure wash buildings

With the cooperation of the residents in maintaining their own yards, the above referenced improvements in our Agency Plan will enhance the neighborhood appearance in each housing development.

- Security storm doors at Project TN057-5 (Capital Fund Program)
