ATTACHMENT A

DECONCENTRATION POLICY

It is Covington Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower families into higher developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

For every fiscal year, the Housing Authority shall reserve a percentage of its new admissions for families whose incomes do not exceed thirty percent of the median income. The goal for public housing shall be forty percent for new admissions. In reaching the new admissions goals, the Housing Authority is required to avoid concentrating on low income families, in accordance with the Deconcentration Policy.

For projects built exclusively for occupancy by the elderly and handicapped, applicants must meet the qualifications for elderly, disabled or handicapped as defined in Section 1 of this policy and whose income does not exceed the applicable income limits posted for the project.

ATTACHMENT G
IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE
REQUIREMENTS

- A. The Quality Housing and Work Responsibility Act of 1998 requires that nonexempt residents of public housing perform community service. HUD states that the provision is not intended to be perceived as punitive, but rather considered as rewarding activity that will assist residents in improving their own and their neighbors' economic and social well-being and give residents a greater stake in their communities.
- B. In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service or (2) participate in an economic self-sufficiency program, or a combination of the two, unless they are exempt from this requirement.
- C. Exempt individual
The following adult family members of tenant families are exempt from this requirement.
An adult who:
- (1) Is 62 years or older;
 - (2) Is a blind or disabled individual, as defined under the Social Security Act, and who certifies that because of this disability she or he is unable to comply with the community service requirements.
 - (3) Family members who are the primary care giver for someone who is blind or disabled as set forth above.
 - (4) Family members engaged in work activity.
 - (5) Family members who are exempt from work activity under Part A of Title IV of the Social Security Act or under any other State welfare program, including the Welfare-to-Work program.
 - (6) Is a member of a family receiving assistance, benefits or services under a State program funded under Part A of Title IV of the Social Security Act or under any other State welfare program including the Welfare-to-Work and who are in compliance with that program.
- A. All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the PHAs determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The PHA will provide a form to any family members requesting exemption from the service and will advise the member what documentation is required to support the exemption. The PHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.
- B. The PHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. This list may be updated by the PHA at anytime. Each nonexempt

family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the PHA, a family member who is required to fulfill a service requirement must provide signed community service time sheets certifying to the PHA by such other organization that the family member has performed such qualifying activities.

- C. The PHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve-month lease term. The PHA must retain reasonable documentation of service requirement performance in tenant files.
- D. If the PHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the PHA must notify the tenant of this determination. The PHA notice to the tenant must:
 - (1) Briefly describe the noncompliance;
 - (2) State that the PHA will not renew the lease at the end of the twelve month lease term unless:
 - (a) The tenant, and any other noncompliant resident, enter into a written agreement with the PHA, in the form and manner required by the PHA, to cure such noncompliance, and in fact cure such noncompliance in accordance with such agreement; or

COVINGTON HOUSING AUTHORITY
PET POLICY INFORMATION

A resident may own one or more common household pets if the resident maintains each pet responsibly and in accordance with all applicable laws subject to the requirements of the Housing Authority. The requirements are as follows:

Each Head of Household may own up to two pets. If one of the pets is a dog or cat, (or other four legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet.

Pet owners will be required to have their pets inoculated in accordance with State and local Laws.

Rules prescribing sanitary standards governing the disposal of pet waste are as follows:

The pet owner will not allow the pet to dispose of waste inside the building.

Each pet owner will be required to designate areas in their backyard to permit the pet to exercise or deposit waste.

In the case of cats, the pet owner will be required to change the litter twice each week.

Pet owners will be required to keep dogs and cats appropriately and effectively restrained and under the control of a responsible individual at all times.

Pet owners will be required to register their pets with Covington Housing Authority. The registration must include:

A certificate signed by a licensed veterinarian or a State or local authority empowered to inoculate animals (or designated agent of such an authority) stating that the pet has received all inoculations required by applicable State and local law;

Information sufficient to identify the pet and to demonstrate that it is a common household pet; and

The pet owner shall be required to sign a statement indicating that he or she has read the pet rules and agrees to comply with them.

Covington Housing Authority shall refuse to register a pet if the pet is not a common household pet; if the keeping of the pet would violate any applicable house pet rule; if the pet owner fails to provide complete pet registration information or fails annually to update the pet registration; or if it is reasonably determined, based on the pet owner's habits and practices, that the pet owner will be unable to keep the pet in compliance with the pet rules and other lease obligations. If Covington Housing Authority refuses to register a pet, the pet owner shall be notified in writing of the basis for the Housing Authority's action.

Limitations will be placed on the size of dogs and cats allowed in the project.

A dog may not be larger than 20 pounds when full grown.

A cat may not be larger than 10 pounds when full grown.

Tenants who own or keep pets in their units will be required to pay a non-refundable pet deposit as follows: dog \$150, cat \$100, fish aquarium \$50.00, caged pets \$100.00.

The pet owner may not leave a pet unattended in a dwelling unit.

The pet owner will be required to control noise and odor caused by a pet.

Pet owners will be required to protect the condition of the dwelling unit and the general condition of the project premises from any damage that might be caused by a pet.

If Covington Housing Authority determines that a pet owner has violated a rule governing the owning or keeping of pets, removal of the pet or termination of the pet owner's tenancy could result.

STATEMENT OF PROGRESS IN MEETING
THE 5-YEAR PLAN MISSION AND GOALS

The mission of the Covington Housing Authority remains to promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination. Our goals are:

- To improve the quality of assisted housing by renovating or modernizing public housing units.
- To provide an improved living environment by implementing measures to deconcentrate poverty by bringing higher income public housing households into lower income developments.
- To ensure equal opportunity and affirmatively further fair housing by undertaking affirmative measures to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability.

We feel that progress is being made to accomplish the mission and goals of our plan. Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget and policies set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the consolidated Plan. We are committed to improving the condition of affordable housing in Covington. We are continuing the modernization of Project TN41-3 this year, in accordance with our Plan. Some highlights of our Annual and Five Year Plan are to continue to renovate and modernize dwelling units at Project TN41-3, TN41-4, and TN41-7 in the first year and improve the physical condition of each development throughout the following 5 years.
