PHA Plans

Streamlined Annual Version

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

Attachment #1

The Housing Authority of the City of Floresville wishes to convert the dwelling unit located at 1403 Standish – Floresville, TX to an administrative office in an effort to meet the growing needs for Security and storage of administrative files and current caseload with the understanding that the Operating Subsidy and Capital Fund program monies will be reduced in accordance with a reduction of dwelling units to 29. Additionally, it is the Housing Authority's intention to improve parking availability due to the State's decision to use their easement to widen Standish St. in order to accommodate increased traffic in the area.

No adverse impact to the local housing market is anticipated by the conversion of this unit. Of the 30 rental units available in the public housing program 20 are three bedroom size. Currently the waiting list for this size of unit has 13 families with the earliest application receipt date of February 23, 2005. There were 12 offer letters to families on the waiting list for this size of unit last year. The 2004 unit turnaround for 3 bedroom units was 10.

Funds to be utilized for this conversion will be Operating reserves. The estimated date of the conversion is April, 2006.
