This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Admissions and Occupancy Policy

Housing Authority of the City of Grapevine

I. PURPOSE

This Policy is established in order that the Housing Authority of Grapevine, Texas will meet its responsibilities pursuant to the United States Housing Act of 1937, as amended, Title VI of the Civil Rights Act of 1964 and all other civil rights requirements, regulations promulgated by the U. S. Department of Housing and Urban Development (HUD), the Annual Contributions Contract between the Housing Authority and HUD, and State and local laws, with respect to admission and occupancy of the Low Rent Public Housing Program.

This Policy governs admission and occupancy of Public Housing administered by the Housing Authority of Grapevine, Texas hereafter called the Authority. It is the intent of the Authority to ensure decent, safe and sanitary housing for families of limited income in all Public Housing units owned or operated by the Authority under the United States Housing Act of 1937, as amended. It is the intent of the Authority to provide a suitable living environment, which fosters economic and social diversity and upward mobility. The Authority will periodically review this Policy to assure compliance with housing legislation and civil rights requirements.

II. COMPLIANCE WITH CIVIL RIGHTS LAWS

A. Nondiscrimination

1. It is the policy of the Housing Authority of City of Grapevine to comply with all applicable laws relating to Civil Rights, including
 - a. Title VI of the Civil Rights Act of 1964 *(24 CFR 1)*
 - b. Title VIII of the Civil Rights Act of 1968, as amended by The Community Development Act of 1974 and the Fair Housing Amendments Act of 1988. *(24 CFR 100)*

- c. Executive Order 11063, Section 504 of the Rehabilitation Act of 1973 *(24 CFR 8)*
 - d. Age Discrimination Act of 1975 *(24 CFR 146)*
 - e. Title II of the Americans with Disabilities Act, to the extent that it applies; otherwise, Section 504 and the Fair Housing Amendments govern.
 - f. Any applicable state laws or local ordinances
 - g. Any legislation protecting the individual rights of tenants, applicants or staff that may subsequently be enacted *(24 CFR 960.203)*
2. The Authority will not discriminate because of race, color, sex, religion, age, familial status, disability, or national origin in the leasing, or other disposition of housing or related facilities, including land, that is part of any project under the Authority's jurisdiction covered by a contract for annual contributions under The U. S. Housing Act of 1937, as amended, or in the use or occupancy thereof. *(24 CFR 100.5)*
3. The Authority will not, on account of race, color, sex, religion, age, familial status, disability, or national origin:
- a. Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;
 - b. Provide housing which is different from that provided others, unless the housing has been specially adapted for use by persons with disabilities, where applicable and/or required;
 - c. Subject a person to segregation or disparate treatment;
 - d. Restrict a person's access to any benefit enjoyed by others in connection with the housing program;
 - e. Treat a person differently in determining eligibility or other requirements for admission;
 - f. Deny a person access to the same level of services *(services must be accessible to disabled persons, whether services are offered by the Authority or by another service provider on the Authority's property); or*
 - g. Deny a person the opportunity to participate in a planning or advisory group which is an integral part of

the housing program.

4. The Authority will not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., a family with children born to unmarried parents, elderly families with a pet, or families whose head or spouse is a student). Each applicant in a particular group or category will be treated on an individual basis in the normal processing routine. *(24 CFR 960.205)*.
5. The Authority will identify and eliminate situations or procedures that create a barrier to equal housing opportunity for all. In accordance with Section 504 and the Fair Housing Amendments Act of 1988 the Authority will make structural modifications to its housing and non-housing facilities *(24 CFR 8.21, 8.23, 8.24, and 8.25)*, make reasonable accommodations *(24 CFR 100.204)*, or combinations of the two to permit people with disabilities to take full advantage of the housing program.
 - a. In making reasonable accommodations or structural modifications to existing housing programs *(see 24 CFR 8.24)* or in carrying out Other Alterations *(see 24 CFR 8.23(b))* for otherwise qualified persons with disabilities, the Authority is not required to:
 - 1) Make each of its existing facilities accessible or make structural alterations when other methods can be demonstrated to achieve the same effect *(24 CFR 8.24)*;
 - 2) Make structural alterations that require the removal or altering of a load-bearing structural member *(24 CFR 8.32 (c))*;
 - 3) Provide an elevator in any multifamily housing project solely for the purpose of locating accessible units above or below the grade level *(24 CFR 8.26)*;
 - 4) Take any action that would result in a fundamental alteration in the nature of the program *(24 CFR 8.24 (a)(2))*; or
 - 5) Take any action that would result in an undue financial and administrative burden on the Authority. *(24 CFR 8.24 (a)(2))*.

b. When the Authority is making substantial alterations (defined in 24 CFR 8.23 as Comprehensive Modernization or work in developments with 15+ units, work whose value exceeds 75% of the replacement cost of the facility) to an existing housing facility, Authority is not required to:

- 1) Provide an elevator in any multifamily housing project solely for the purpose of locating accessible units above or below grade level *(24 CFR 8.26)*;
- 2) Make structural alterations that require the removal or altering of a load-bearing structural member *(24 CFR 8.32(c))*; or
- 3) Make structural alterations to meet minimum accessibility requirements where it is structurally impractical. Structural impracticability is defined as: Changes having little likelihood of being accomplished without removing or altering a load-bearing structural member and/or incurring an increased cost of 50% or more of the value of the element of the building or facility involved. *(24 CFR 8.32)*

Note that the undue burden test is not applicable to housing undergoing substantial alteration.

6. The Authority will not permit these policies to be subverted to do personal or political favors. The Authority will not offer units in an order different from that prescribed by this Policy, since doing so violates the Policy, federal law and the civil rights of the other families on the Waiting List. *[24 CFR 906.204 (a) (3) (ii)]*
7. The Authority will not discriminate in the assignment of managers and other staff responsible for the administration of the dwelling units.

B. Accessibility and Plain Language

1. Application and management offices, hearing rooms, community rooms, laundry facilities, craft and game rooms and other common areas of the Authority will be available for use by residents with a full range of disabilities. If these facilities are not already accessible and located on accessible routes, some must be made so, subject to the undue financial and administrative burden test. *(24 CFR 8.20 and 8.21)*

2. Documents intended for use by applicants and residents will be made available in formats accessible for those with vision and hearing impairments *(24 CFR 8.6)*. The documents will be written simply and clearly to enable participants with learning or cognitive disabilities to understand as much as possible. *(24 CFR 912.5(a) requires that any notice or document relative to citizen or eligible immigration status, where feasible, be provided to an applicant or resident in a language that is understood by the individual if the individual is not proficient in English).*
3. Some of the concepts that must be described relative to eligibility, rent computation, applicant screening, reasonable accommodations and lease compliance are complicated, but Authority staff will offer examples where possible to help applicants/residents understand the issues involved. In writing materials to be used by applicants/residents, the Authority staff will keep in mind that mental retardation, learning disabilities and cognitive disabilities may affect the applicant's ability to read or understand, so rules and benefits may have to be explained verbally, perhaps more than once. *(24 CFR 8.6)*
4. The Authority staff will determine or ask all applicants whether they need some form of communication other than plain language paperwork. Alternative forms of communication might include: sign language interpretation, having materials explained orally by staff, either in person or by phone, large type materials, information on tape, and having someone (friend, relative, advocate) accompany the applicant to receive, interpret and explain housing materials. *(24 CFR 8.6)*
5. Some applicants will not be able to read (or to read English), so intake staff must be prepared to read and explain anything that they would normally hand to an applicant to be read and filled out. Applicants who read or understand little English may furnish an interpreter who can explain what is going on. *(PHAs are not required to pay the costs associated with having a foreign language interpreter as they are for a sign language interpreter for the hearing impaired [24 CFR 8.6] because the Fair Housing law makes no such requirement)*
6. At a minimum, the Authority will provide the following information in plain-language accessible formats:
Informational material

III. MARKETING

- A. It is the policy of the Authority to conduct outreach as needed to maintain an adequate application pool representative of the eligible population in the area. Outreach efforts will take into consideration:
 - 1. The number of vacant units
 - 2. Availability of units through turnover
 - 3. Waiting List Characteristics
- B. The Authority will periodically assess the factors in order to determine the need for and scope of any marketing efforts.
- C. All marketing and informational materials will :
 - 1. comply with the Fair Housing Act requirements with respect to the Equal Housing Opportunity logo and use of nondiscriminatory language *[24 CFR 109.30 (a)]*;
 - 2. describe the housing units, application process, Waiting List, priority system and eligibility accurately;
 - 3. will be in plain language.
 - 4. will target agencies that serve for potential applicants;
 - 5. will make clear who is eligible.
 - 6. will make clear that it is the Authority's responsibility to provide reasonable accommodations to people with disabilities.

B. **Deconcentration and Income Targeting**

In its assignment of units, the Authority will, to the maximum extent possible, avoid concentration of the most economically and socially deprived families in any one or all of its developments, in an attempt to achieve a broad range of incomes.

1. Applicants will be grouped according to the following priorities based on income ranges:
 - a. Priority 1: Families with incomes between 0% and 30% of the area median income
 - b. Priority 2: Families with incomes between 31% and 80% of the area median income (target is 60% of admissions)
2. As required by the ***Quality Housing Responsibility Act of 1998***, at least **40 percent** of the families admitted during the fiscal year **must be** admitted from Priority 1. In order to ensure that at any given time the Authority has not fallen below the required 40%, the following test (see worksheet in Addendum B) will be performed prior to each new admission:
 - a. Determine total number of admissions since start of the fiscal year
 - b. Add one to this total (the applicant about to be housed)
 - c. Determine number of families housed to-date with incomes at or below 30% of median
 - d. Divide line three (3) by (2) on the Authority's Income Targeting form.
 - 1) if the result is .40 or greater, next admission may have an

income greater than 30%

- 2) If the result is less than .40, the next admission must have an income at or below 30% of median.
 3. In order to prevent or correct concentrations of the lowest income families in any one project or portion of project, the Authority may skip over a Priority 1 family on the Waiting List in order to house a Priority 2 family with higher income.
- C. When selecting a family for a unit in housing designated for elderly families, the Authority will give a priority to elderly and near elderly; in housing designated for disabled families only disabled families will be admitted.
- D. When selecting a family for a unit with accessible features, the Authority will give priority to families that include disabled persons who can benefit from the unit's features.
- E. If no family needing accessible features can be found for a unit with accessible features, the Authority will house a family not needing the features, subject to the procedures described in the Tenant Selection and Assignment plan described in Section XIII Under this Policy. A non-disabled family in an accessible unit will be required to move so that a family needing the unit features can take advantage of the unit and no grievance may be lodged.
- F. Over-Income Families (for PHAs under 250 units). If there are vacant Units and there is no one on the waiting list
1. the Authority will post the availability of the unit for 30 days.
 2. a family wanting to lease the unit may do so on a month to month basis until an eligible family applies.
 3. if an over-income family becomes available to fill the unit before the advertising period is up; the Authority may move the family into the unit.
 4. A market rate rent will be charged for the unit.
 5. When an eligible family becomes available, the over-income family will be given 30 days notice to vacate

- G. If determined necessary to increase security within a project, the Authority may rent a unit to a police officer who is not otherwise eligible.
 - 1. Rent and terms of the lease will be negotiated between the Authority and the officer.
 - 2. Officer must be employed full-time as a professional officer licensed by a federal, state or local government agency.

VIII. OCCUPANCY STANDARDS

- A. It is the Authority’s policy that units should be occupied by families of the appropriate size. This policy maintains the usefulness of the units while preserving them from excessive wear and tear.
- B. The following minimum and maximum number of persons per unit guide will govern the number of bedrooms required to accommodate a family of a given size and composition:

Occupancy Guidelines		
Number of Bedrooms	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6

- C. Families may choose to be placed on the waiting list for a unit one bedroom size smaller than that designated on the chart. A family that chooses to occupy a smaller size unit can not request a transfer until their family size changes.
- D. Under the minimum-number-of-persons-per-unit standard, generally two people will share a bedroom, except that units will be so assigned that:
 - 1. It will not be necessary for persons of different generations or opposite sex, other than husband and wife, to occupy the same bedroom **except at the request of the family.**
 - 2. Exceptions to these standards may be made in the case of reasonable accommodations for a person with disabilities.
 - 3. An unborn child will not be counted as a person in determining unit size. A single pregnant woman may be assigned to a one

bedroom unit.

4. In determining unit size, the Authority will consider a child who is temporarily away from home because of placement in foster care, kinship care or away at school.
 5. Two children of the opposite sex will not be required to share a bedroom **except at the request of the family.** Two children of the same sex is expected to share a bedroom, regardless of their ages.
 6. The living room or dining room will not be considered as a bedroom when determining the minimum size unit for which a family qualifies.
 7. A single head of household parent will not be required (but may choose) to share a bedroom with his/her child.
 8. A live-in attendant may be assigned a bedroom.
 9. For verified reasons of medical or health problems, a separate bedroom may be provided for an individual family member.
 10. A single person who is not elderly or disabled may not be placed in a larger than one bedroom unit.
- E. At the discretion of the Authority, families may be permitted to exceed the maximum as shown on the chart when the family requests such occupancy, and when the Authority determines that the unit in question is large enough.
- F. In any case, no larger unit will be held vacant due to lack of appropriate sized family on the Waiting List, if it is not financially feasible to do so.
- G. In assigning unit sizes, the Authority will take into account different cultural standards, length of time the family would have to wait for smaller versus larger units, and the age, relationship and sex of family members. *(related language recommended by HUD)*

IX. THE WAITING LIST

- A. General Management
1. It is the policy of the Authority to administer its Waiting List as required by the regulations at 24 CFR 960.
 2. The Authority, at its discretion, may restrict application intake, suspend application intake, and close Waiting Lists in whole or in part. The Authority may open or close the list by unit size or type

available.

3. At the time of initial intake, the Authority will advise families of their responsibility to notify the Authority when their circumstances, mailing address or phone numbers change.

B. Closing the Waiting List

1. Decisions about closing the Waiting List will be based on
 - a. the number of applications available for a particular size and type of unit,
 - b. the ability of the Housing Authority to house an applicant in an appropriate unit within a reasonable period of time
2. Decisions to close the Waiting List, restrict intake or open the Waiting List will be posted at the GHA Administrative Office.
3. During the period when the Waiting List is closed, the Authority **will not** maintain a list of individuals who wish to be notified when the waiting list is re-opened
4. When the waiting list is closed or re-opened, a 30 day notice of intent to close will be posted in a public place. The sign will indicate which parts of the Waiting List are affected (program, type and bedroom size).

C. Removal of Applications from Waiting List

1. The Authority will remove an applicant's name from the Waiting List under the following circumstances:
 - a. The applicant requests that the name be removed.
 - b. The applicant has failed to advise the Authority of his/her continued interest in being on the Waiting List. The Authority requires applicants to notify the Authority of continued interest on a six **(6) month** basis (*subject to reasonable accommodation for persons with disabilities—see Section IV B 4 b*) This includes advising the Authority of any changes in family status, priority status, or in physical or mailing address.

- c. The Authority has made reasonable efforts to contact the applicant to schedule interviews or obtain information necessary to complete the application process and the applicant has failed to respond. In this case, the Authority will notify the applicant in writing or by telephone that he/she has ten **(10) working days** within which to reschedule the interview or provide the needed information. If applicant fails to respond within that period, the application will be withdrawn.
 - d. The applicant has failed to pay an outstanding balance owed to the Authority.
 - e. The Authority has notified the applicant of its intention to remove the applicant's name because the applicant was determined ineligible based on preliminary information on the application or pursuant to the verification process. In this case, the applicant may request an Informal Hearing for Denials (see Section XII), if he/she responds within five **(5) working days** of receipt of the written notification.
2. The Authority will consider mitigating circumstances such as disabilities, health problems or lack of transportation in determining if the application should be withdrawn.

X. VERIFICATIONS

- A. Verification is required for all information related to admission, annual re-examination, interim re-examination, transfer and any other changes in occupancy. To the maximum extent possible, the Authority will use the forms in **Addendum A and the Up Front Income Verification System (see Section XXIX.)** for obtaining verifications.

1. phone verification with the results recorded in the file, dated, and signed by Authority staff
2. fax verification

If the second attempts of verification are not received by the 10th day the following methods may be used:

Exceptions will be permitted only to comply with Court Orders or Settlement Agreements involving GHA as a plaintiff or defendant, or when approved in advance by Fair Housing and Equal Opportunity.

B. Method of Applicant Selection

1. The Authority will first match the characteristics of the applicant to the unit available, including size, type and special features of the unit (e.g., accessible) and any priorities for admission required for designated or mixed population housing.
2. Further, in the selection of a family for a unit with accessible features the Authority will give priority to families that include a person with disabilities whom can benefit from the unit features. *(24 CFR 8.27)*

C. Assignment Plan

1. The selection and assignment of applicants to suitable housing will assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, age, familial status, national origin, or disability.
2. Each qualified applicant first in sequence on the Waiting List will be made **one** offer of a unit of appropriate size. If more than one unit of the appropriate size is available, the first unit offered will be the one that will be ready for occupancy first.
3. The applicant has seven **(7)** working days from the date the offer is made (by phone, mail or the method of communication agreed by GHA and by the applicant) to accept the

offer.

4. If the applicant chooses not to accept the offer, he/she will be removed from the Waiting List.
5. If an applicant is willing to accept the unit offered but is unable to move at the time of the offer and presents to the satisfaction of the Authority, clear evidence (“**good cause**”) that acceptance of the offer of a suitable vacancy will result in undue hardship or handicap not related to considerations of race, color, sex, religion, or national origin, the applicant will not be dropped from the Waiting List. If an applicant is unable to except after 3 offers, they will be removed from the waiting list.
6. Examples of good cause reasons for refusal of an offer include, but are not limited to:

1. Before offering a vacant accessible unit to a non-disabled applicant, the Authority will offer such units:

 - b. Second, to an eligible applicant on the Waiting List having a disability that requires the special features
2. When offering an accessible/adaptable unit to a non-disabled applicant, the Authority will require the applicant to sign an agreement to move to an available non-accessible unit within thirty **(30) days** when either a current resident or an applicant

- needs the features of the unit. This requirement will be reflected in the lease agreement signed with the applicant.

- H. Residents will receive one offer of a transfer. Refusal of that offer without good cause may result in lease termination. The "good cause" standard that is applicable to new admissions will also apply to transfers.
- I. The cost of transfers to correct occupancy standards will be the responsibility of the family.

XV. LEASING PROCEDURE *(24 CFR 966)*

- A. It is the Authority's policy that all units must be occupied pursuant to a lease that complies with HUD's regulations (24 CFR 966)

 - 1. Family will not be evicted for nonpayment of rent during the 90-day period beginning on the date of the family's request for waiver.
 - 2. If the PHA determines there is a qualifying financial hardship, but it is temporary, the PHA may not impose a minimum rent for a period of 90 days from the date of the family's request. At the end of the 90-day suspension period, a minimum rent is imposed retroactively to the time of suspension for an additional 90 days. At the end of the 180 days the PHA will extend time only until re-examination is due, if situation has not changed applicant will no longer be eligible for assistance. The family will be offered a responsible repayment agreement for the amount of back rent owed.
 - 3. The Authority will negotiate a repayment agreement with the family if necessary for any rent not paid during this period.

C. Provisional Rent

If the family is placed on "Provisional" rent, either at admission or following an interim or regularly scheduled re-examination, the family must report to management every thirty (30) days, as provided for in Section VII of the Lease (**Addendum C**)

D. Interim Adjustments

1. Rent will not be changed between admission and regularly scheduled re-examinations except for reasons and according to procedures outlined in Section VII of the Lease **(see Addendum C)**
2. If the family has lost or had its public assistance reduced as a result of fraud or failure to participate in an economic self sufficiency program or comply with a work activities requirement, the rent will not be reduced.
3. If the family has been on a twelve (12) month income disregard program and the period has expired, rent payable by the family for the next 12 months will be increased due to the continued employment but the increase will not be greater than 50% of the amount of the rent increase. *For example: Family has been paying \$100 rent. Without income disregard, it would have been paying \$200. At the end of the disregard period, the rent is increased due to the increased income; however, instead of the rent being raised to \$200, it is raised to \$150— or by 50% of the increase amount.*
4. Interim rent changes will become effective as follows:
 - a. **Increases** in rent: first day of the second month following the month in which the change occurred, unless the increase is a result of false or incomplete information supplied by the family.
 - b. **Decreases** in rent: first day of the month following the month in which the change was reported and verified.

E. Rent Collections

Rents are due and payable in accordance with provisions of Section II of the Lease **(Addendum C)** and the Rent Collection Policy **(Addendum H)**.

- B. In Authority housing developments where the resident pays all or part of the utilities, total tenant payment minus the utility allowance may result in a negative figure. In this case, HUD regulations require that the Authority reimburse this amount (called “utility reimbursement”) to the resident directly or, if the family and utility company consent, the amount may be paid to the utility company and family jointly or directly to the utility company.

XXII. OTHER CHARGES

- A. **Maintenance charges:** Families will be charged for cost of services or repairs due to intentional or negligent damage to the unit beyond normal wear and tear, caused by the resident, other household members or guests. Charges will be made in accordance with Schedule of Other Charges, **Addendum G**.
- B. **Excess Utilities:** In the case of Authority-provided utilities, residents using more than the consumption-based utility allowance may be charged for excess utility usage.
- C. Payment for such charges is due and collectible two weeks after the Authority provides written notice of the charges.

XXIII. RE-EXAMINATIONS AND CONTINUED OCCUPANCY

- A. Annual Re-examinations
1. The Authority will re-examine the income and family composition of all resident families at least once every twelve (12) months (coincidental with end of lease term) to determine any changes in required unit size and rent and to re-certify the family for continued occupancy.
 2. All adult members of the family will be asked to participate in the annual re-examination interview.
 3. Families will be notified in writing 90 - 120 days in advance of the re-examination anniversary date so that verifications can be completed by that time.
 4. Verified information will be analyzed and a determination made with respect to:

- a. Eligibility of the resident as a family or as the remaining member of a family;
 - b. Unit size required for the family
 - c. Rent the family should pay
5. The same procedures used at admission for obtaining verifications will be used; however, fixed items need not be re-verified.
 6. The income of a family opting to remain on flat rent need not be re-verified unless it has been three (3) years since the last verification.
 7. If there is any change in rent, a “Notice of Rent Adjustment” will be sent to the resident and this written notice will serve as an amendment to the Lease, as stipulated in Section VII of the Lease **(Addendum C)**.
 8. If there is any change in the size unit required, the resident will be placed on the transfer list in accordance with the transfer policy outlined in Section XIV.

B. Special Re-examinations

1. When it is not possible to estimate projected family income with any degree of accuracy at the time of admission or regular re-examination, a temporary determination will be made with respect to income.
2. A special re-examination will be scheduled every 90 days until a reasonably accurate estimate of income can be made.
3. Residents will be notified in advance as to the date of the special re-examination(s).

C. Eligibility for Continued Occupancy

1. Residents who meet the following criteria will be eligible for continued occupancy.
 - a. Qualify as a family as defined in Section IV of this Policy. For purposes of continued occupancy, remaining family members qualify as family. Remaining family members

can also include court recognized emancipated minors under the age of 18.

- b. Are in full compliance with the resident obligations and responsibilities as described in the Lease.
 - c. Whose family members, age 6 and older, each have Social Security numbers or have certifications on file indicating they have no Social Security number.

The Authority will not commence eviction proceedings or refuse to renew a lease, based upon the income of the family unless it has identified, for possible rental by the family, a decent, safe and sanitary dwelling of suitable size available at a rent not exceeding thirty (30) per cent of Adjusted Income as defined in Section IV.

D. Special procedures related to citizenship and immigration status
(24 CFR Part 5.501-518)

- 1. Verification procedures for existing residents are the same as for new applicants, although evidence of eligible immigrant status is require only one time during continuously assisted occupancy.
- 2. Family Preservation Assistance Options
 - a. A mixed family may receive continued full assistance if
 - 1) family was receiving assistance as of June 19, 1995;
 - 2) either the husband or spouse has eligible immigrant status or is a U. S. citizen; and
 - 3) the only other individuals in the household without eligible immigrant status or U. S. citizenship are the parents or children of the head and/or spouse
 - b. A mixed family may receive prorated assistance based on the number of eligible family members if the

family first received assistance after November 29, 1996.

- c. Temporary Deferral of Termination of Assistance is available to the following families to allow time for orderly transition to other affordable housing. In order to receive the deferral, the family must demonstrate reasonable efforts to find other affordable housing but be unable to locate comparable housing (*defined as unassisted, not substandard, appropriate size, and can be rented for an amount not to exceed the amount the family is paying for rent and utilities, plus 25%, and vacancy rate in community for affordable housing is 5%*).
 - 1) mixed families who are eligible for but decide that they do not want prorated assistance
 - 2) families with no U. S. citizens or members with eligible immigration status
3. Procedure for Temporary Deferral of Termination of Assistance
- a. The time limit for deferrals is six months, with renewals allowed for up to 3 years for families granted deferrals prior to November 29, 1996; 18 months for families granted deferrals on or after November 29, 1996. *These time periods do not apply to a family which includes a refugee under Section 207 of the Immigration and Naturalization Act or an individual seeking asylum under Section 208 of that Act.*
 - b. The Authority will notify the family at the beginning of the deferral period that they are ineligible for financial assistance and that they are being granted the deferral time to find other affordable housing. *(The Authority will offer the family information on and referrals to assist in the location of other housing.)*
 - c. Prior to the end of the deferral period, the Authority will, using local market data, determine the availability of alternative affordable housing for the family. At least 60 days prior to the expiration date of the deferral period, the Authority will notify the family in writing:
 - 1) the termination of assistance will be deferred for another six months and that there was a

determination made that there is no affordable housing available for them provided the extension will not exceed an aggregate of 18 months *(3 years, if deferral was granted prior to November 29, 1996).*

or

- 2) the termination of assistance will not continue to be deferred because either the aggregate period of renewals has reached the maximum time limit or a determination has been made that there is affordable housing available.
- d. If the family was originally eligible for prorated assistance and chose to take the temporary deferral instead, the Authority will inform the family that it may request pro-ration of assistance at the end of the temporary deferral period if a good faith effort has been made to locate other affordable housing.
4. For any new occupant of an assisted unit (e.g., a new family member comes to live in the unit), the required evidence of eligible status must be submitted at the first interim or regular reexamination following the person's occupancy.
5. All notifications to the family regarding status of prorated assistance eligibility or deferral of assistance termination must be in writing, stating reasons for decisions and providing opportunity for a hearing.

XXIV. GRIEVANCE PROCEDURE

To assure that a resident family is afforded an opportunity for a hearing if the resident disputes, within the stated amount of time, any Authority action or failure to act, involving the resident's Lease or Authority regulations which adversely affect the individual resident's rights, duties, welfare or status, a Grievance Procedure for the Authority is incorporated into this policy as **Addendum I**. Evictions resulting from criminal activity, including drug-related criminal activity on or off Housing Authority premises, are excluded from the Grievance Procedure. Also excluded are termination cases involving any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or by Authority employees.

XXV. PET POLICY

Pets may be allowed in Authority housing but pet owners must abide by the provisions and requirements of the Pet Policy, which is incorporated into this policy as **Addendum J**.

XXVI. EVICTIONS

Serious or repeated violations by a resident family of the material provisions of the Lease shall cause the Authority to begin eviction proceedings in accordance with State Law and the lease provisions. Families are entitled to utilize provisions of the Authority's Grievance Procedure (**Addendum I**) to attempt settlement of disputes with the Authority. Eviction procedures are outlined in **Addendum L**.

XXVII. COMPLAINTS OF DISCRIMINATION

For those individuals who believe themselves to be the subjects of discrimination, a Fair Housing and Equal Opportunity poster, containing information on filing complaints with HUD, will be conspicuously posted in the Authority office.

XXVIII. CONFLICT WITH FEDERAL STATUTE, REGULATION OR HUD POLICY

This Policy is to be interpreted in accordance with federal statutes and regulations and in compliance with HUD policy and any conflict between this Policy and federal statutes and regulations will be resolved in favor of federal law and policy.

XXIX. ENTERPRISE INCOME VERIFICATION POLICY (PREVIOUSLY CALLED UP FRONT INCOME VERIFICATION)

The Up Front Income Verification System (EIV) provides PHAs with information supplied from state wage income collection agencies (SWICA) and the Social Security Administration. Quarterly wage information, bi-weekly unemployment benefit information and Social Security benefits information are provided through a data matching process for households covered by a 50058 form submitted to HUD.

The EIV System shall be used in conjunction with other methods of verification to verify income

at the time of acceptance to the program, annual re-certification, interim re-exams, zero income residents/participants or at any other time at the discretion of the PHA.

The PHA shall compare Income information provided by the applicant/resident/participant (hereafter ARP) or their employer with information obtained from SWICA or other federal agencies.

1. **Income discrepancy** is income information revealed by third party sources that differs from ARP supplied information. HUD defines a substantial difference as one that is \$200 or more per month.
 - a. If income data provided by EIV is found to be more than ARP provided documentation, the PHA will use EIV income data to calculate anticipated annual income unless the ARP provides the PHA with documentation of a change in circumstances (*i.e.*, change in employment, reduction in hours, etc.). This documentation shall be dated within the last 60 days of the interview date. Upon receipt and acceptance of change in circumstance documentation, the PHA will calculate the anticipated annual income.
 - b. The PHA shall enter into a repayment agreement for any unresolved income discrepancies found in the previous 12 to 24 months.
1. In cases where EIV income data is **substantially** different than ARP provided documentation (more than \$200 per month), the PHA shall:
 - a. Request written third party verification from the discrepant income source, in accordance with 24 CFR 5.236(3)(I).
 - b. Review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the PHA can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
 - c. Analyze all data (EIV) data, third party verification and other documents/information provided by the ARP) and attempt to resolve the income discrepancy. If ARP disputes EIV SS/SSI benefit data, the PHA shall require the ARP to provide the PHA with a current, original SSA notice or benefit letter within 10 business days of the interview date.
 - d. Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.
 - e. The PHA shall pursue appropriate action for any income discrepancies that are not resolved. Repayment agreements may be offered for any amount less than \$2,400 to be paid within two years. Any amount over \$5,000 shall be referred to the District Attorney or Federal Bureau of Investigation (FBI) and shall result in termination of assistance.

ADMINISTRATIVE PLAN FOR THE HOUSING AUTHORITY OF GRAPEVINE SECTION 8 VOUCHER PROGRAM

This Administrative Plan provides the guidelines for the operation of the Section 8 Housing Choice Voucher Program for the City of Grapevine by the Grapevine Housing Authority.

HUD pays rental subsidies so eligible families can afford decent, safe, and sanitary housing.

This Plan is designed with the objective of encouraging the freedom of housing choice. Its purpose is to establish discretionary policies for matters, which are not covered under Federal Regulation for the Section 8 Housing Choice Voucher Program. This program should allow very low-income families the opportunity for obtaining community wide housing, by improving their living conditions while providing affordable rent payments. The goal of this Housing Authority (hereinafter referred to as 'PHA') is to assist as many very low-income families as possible, therefore providing them the opportunity of improving their lifestyles and becoming more self-sufficient.

The Administrative Plan must be in accordance with HUD regulations and other requirements. The PHA must revise the Administrative Plan if needed to comply with HUD requirements. The PHA must give HUD a copy of the Administrative Plan. The PHA must administer the program in accordance with this Administrative Plan. The Administrative Plan will be approved by the Board of Commissioners.

The PHA Administrative Office is located at: 131 Starr Place; Grapevine, TX. 76051.____

The PHA office is open Monday – Friday and hours are posted on door. Application for assistance can be obtained during normal working hours.

SECTION 1 SELECTION AND ADMISSION OF APPLICANTS FROM THE PHA WAITING LIST, INCLUDING ANY PHA ADMISSION PREFERENCES, PROCEDURES FOR REMOVING APPLICANT NAMES FROM THE WAITING LIST, AND PROCEDURES FOR CLOSING AND REOPENING THE PHA WAITING LIST

I. Eligibility. (982.201)

- (a) When applicant is eligible: general. The PHA will only admit an eligible family to the program. To be eligible, the applicant must be a 'family', must be income-eligible, and must be a citizen or a noncitizen who has

- (b) eligible immigration status as determined in accordance with 24 CFR part
- (c) Income
 - (1) Income-eligibility. To be income-eligible, the applicant must be a family in any of the following categories:
 - (i) A 'very low income' family;
 - (ii) A low-income family that is 'continuously assisted' under the 1937 Housing Act;
 - (iii) A low-income family that meets additional eligibility criteria specified in the PHA Administrative Plan. Such additional PHA criteria must be consistent with the PHA plan and with the consolidated plans for local governments in the PHA jurisdiction;
 - (iv) A low-income family that qualifies for Voucher assistance as a non-purchasing family residing in a HOPE 1 (HOPE for Public Housing homeownership) or HOPE 2 (HOPE for homeownership of multifamily units) project. (Section 8(o)(4)(D) of the 1937 Act (42 U.S.C. 1437f(o)(4)(D));
 - (v) A low-income or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing as defined in 248.101 of this title;
 - (vi) A low-income family that qualifies for Voucher assistance as a non-purchasing family residing in a project subject to a resident homeownership program under 248.173 of this title.
 - (2) Income-targeting.
 - (i) Not less than 75 percent of the families admitted to a PHA's tenant-based Voucher Program during the PHA fiscal year shall be targeted to families whose annual income does not exceed the following amounts as determined by HUD:
 - (A) 30 percent of the area median income, with adjustments for smaller and larger families; or
 - (B) A higher or lower percent of the area median income, if HUD determines that a higher or lower percent is

necessary because of unusually high or low family incomes.

- (ii) Conversion of assistance for a participant in the PHA Certificate Program to assistance in the PHA Voucher Program does not count as an 'admission,' and is not subject to targeting under paragraph (b)(2)(i) of this section.
 - (iii) Admission of families as described in paragraphs (b)(1)(ii) or (b)(1)(v) of this section is not subject to targeting under paragraph (b)(2)(i) of this section.
 - (iv) If two or more PHAs that administer Section 8 tenant-based assistance have an identical jurisdiction, such PHAs shall be treated as a single PHA for purposes of targeting under paragraph (b)(2)(i) of this section. In such a case, the PHAs shall cooperate to assure that aggregate admissions by such PHAs comply with the targeting requirement. If such PHAs do not have a single fiscal year, HUD will determine which PHA's fiscal year is used for this purpose.
- (3) The annual income (gross income) of an applicant family is used both for determination of income-eligibility under paragraph (b)(1) of this section, and for targeting under paragraph (b)(2)(i) of this section.
- (4) The applicable income limit for issuance of a Voucher when a family is selected for the program is the highest income limit (for the family unit size) for areas in the PHA jurisdiction. The applicable income limit for admission to the program is the income limit for the area where the family is initially assisted in the program. The family may only use the Voucher to rent a unit in an area where the family is income eligible at admission to the program.
- (5) The admission of an extremely low-income family that ports out and has initial lease-up in the jurisdiction of the receiving PHA will be credited to the initial PHA only unless the receiving PHA absorbs the portable family from the point of admission.
- (6) A PHA whose admissions of families above the extremely low-income limit have reached 25 percent for a fiscal year may not pull from the waiting list families that are not extremely low-income, even if there are no extremely low-income families on the waiting list, without HUD approval.
- (7) If there are no extremely low-income families on the

waiting list, then outreach efforts to extremely low-income families, including areas outside of the jurisdiction will be conducted.

(c) Family composition.

(1) A 'family' may be a single person.

(2) A 'family' includes a family with a child or children.

(3) A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family. The PHA determines if any other group of persons qualifies as a 'family'.

A single person family may be:

(i) An elderly person

(ii) A Displaced person

(iii) A Disabled person

(iv) Any other single person

(3) A child who is temporarily away from the home because of placement in foster care is considered a member of the family.

(5) Two person living together as a 'family'.

(d) Continuously assisted family--An applicant is continuously assisted under the 1937 Act if the family is already receiving assistance under any 1937 Act program when the family is admitted to the certificate or voucher program.

The PHA policy concerning whether and to what extent a brief interruption between assistance under one of these programs and admission to the voucher program will be considered to break continuity of assistance under the 1937 Housing Act will be no more than a 60-day interruption.

(e) When PHA verifies that applicant is eligible. The PHA must receive information verifying that an applicant is eligible within the period of 60 days before the PHA issues a Voucher to the applicant. After 60 days, Verification must be re-processed.

(f) Decision to deny assistance.

(1) Notice to applicant. The PHA must give an applicant prompt

written notice of a decision denying admission to the program (including a decision that the applicant is not eligible, or denying assistance for other reasons). The notice must give a brief statement of the reasons for the decision. The notice must also state that the applicant may request an informal review of the decision, and state how to arrange for the informal review. Per Federal Regulations, a PHA cannot issue a voucher on zero income.

- (2) The PHA may at any time deny program assistance for an applicant, or terminate program assistance for a participant family for any of the following grounds:
 - (i) If the family violates any family obligations under the program (see 982.551 & 982.552 b). See 982.553 concerning denial or termination of assistance for crime by family members.
 - (ii) If any member of the family has ever been evicted from Public housing or Section 8 housing.
 - (iii) If a PHA has ever terminated assistance under the program for any member of the family.
 - (iv) If any member of the family has committed fraud, bribery, or any other corrupt or criminal act.
 - (v) If the family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or Public Housing assistance under the 1937 Act.
 - (vi) If the family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease or any other landlord.
 - (vii) If the family breaches an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA. (The PHA, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a PHA or amounts paid to an owner by a PHA. The PHA may prescribe the terms of the agreement.)
 - (viii) If a family participating in the FSS program fails to comply, without good cause, as determined by PHA management with the family's FSS contract of participation.
 - (ix) If the family member or guest has engaged in or threatened abusive or violent behavior toward PHA personnel, or other tenants as documented by PHA or other authorities.

- (x) If the family fails to fulfill its obligations under the Section 8 welfare-to-work voucher program.

II. How applicants are selected: General requirements. *(982.202)*

- (a) Waiting list admissions and special admissions. The PHA may admit an applicant for participation in the program either as a waiting list admission or a special admission.
- (b) Prohibited admission criteria.
 - (1) Where family lives. Admission to the program may not be based on where the family lives before admission to the program. However, the PHA may target assistance for families who live in Public Housing or other federally assisted housing, or may adopt a HUD-approved residency preference.
 - (2) Where family will live. Admission to the program may not be based on where the family will live with assistance under the program.
- (c) Applicant status. An applicant does not have any right or entitlement to be listed on the PHA waiting list, to any particular position on the waiting list, or to admission to the programs. The preceding sentence does not affect or prejudice any right, independent of this rule, to bring a judicial action challenging a PHA violation of a constitutional or statutory requirement.
- (d) Admission policy.

The PHA must admit applicants for participation in accordance with HUD regulations and other requirements, and with PHA policies stated in the PHA Administrative Plan and the PHA Annual Plan.

III. Waiting list: Administration of waiting list. *(982.204)*

- (a) Admission from waiting list. Except for special admissions, participants must be selected from the PHA waiting list. The PHA must select participants from the waiting list in accordance with admission policies in the PHA Administrative Plan.
- (b) Organization of waiting list. The PHA must maintain information that permits the PHA to select participants from the waiting list in accordance with the PHA admission and occupancy policy. The waiting list must contain the following information for each applicant listed:

- (1) Applicant name;
 - (2) Family unit size (number of bedrooms for which family qualifies under PHA occupancy standards);
 - (3) Date and time of application;
 - (4) Qualification for any local preference; and
 - (5) Racial or ethnic designation of the head of household.
- (c) Removing applicant names from the waiting list.
- (1) The PHA removes names of applicants from the waiting list who do not respond to PHA requests for information or updates.
 - (2) A PHA decision to withdraw from the waiting list the name of an applicant family that includes a person with disabilities is subject to reasonable accommodation in accordance with 24 CFR part 8. If the applicant did not respond to the PHA request for information or updates because of the family member's disability, the PHA must reinstate the applicant in the family's former position on the waiting list.
- (d) Family size.
- (1) The order of admission from the waiting list may not be based on family size, or on the family unit size for which the family qualifies under the PHA occupancy policy.
 - (2) If the PHA does not have sufficient funds to subsidize the family unit size of the family at the top of the waiting list, the PHA may not skip the top family to admit an applicant with a smaller family unit size. Instead, the family at the top of the waiting list will be admitted when sufficient funds are available.
- (e) Funding for specified category of waiting list families. When HUD awards a PHA program funding for a specified category of families on the waiting list, the PHA must select applicant families in the specified category.
- (f) Number of waiting lists. A PHA must use a single waiting list for admission to its Section 8 tenant-based assistance program. However, the PHA may use a separate single waiting list for such admissions for a county or municipality.

IV. Waiting list: Different programs *(982.205)*

- (a) Merger and cross-listing.
 - (1) Merged waiting list. The PHA may merge the waiting list for tenant-based assistance with the PHA waiting list for admission to another assisted housing program, including a federal or local program. In admission from the merged waiting list, admission for each federal program is subject to federal regulations and requirements for the particular program.
 - (2) Non-merged waiting list: Cross-listing. If the PHA decides not to merge the waiting list for tenant-based assistance with the waiting list for the PHA's Public Housing Program, Project-Based Voucher Program or Moderate Rehabilitation Program:
 - (i) If the PHA's waiting list for tenant-based assistance is open when an applicant is placed on the waiting list for the PHA's Public Housing Program, Project-Based Certificate Program or Moderate Rehabilitation Program, the PHA must offer to place the applicant on its waiting list for tenant-based assistance.
 - (ii) If the PHA's waiting list for its Public Housing Program, Project-Based Certificate Program or Moderate Rehabilitation Program is open when an applicant is placed on the waiting list for its tenant-based program, and if the other program includes units suitable for the applicant, the PHA must offer to place the applicant on its waiting list for the other program.
- (b) Other housing assistance: Effect of application for, receipt or refusal.
 - (1) For purposes of this section, 'other housing assistance' means a federal, State or local housing subsidy, as determined by HUD, including Public Housing.
 - (2) The PHA may not take any of the following actions because an applicant has applied for, received, or refused other housing assistance:
 - (i) Refuse to list the applicant on the PHA waiting list for

- tenant-based assistance;
 - (ii) Deny any admission preference for which the applicant is currently qualified;
 - (iii) Change the applicant's place on the waiting list based on preference, date and time of application, or other factors affecting selection under the PHA selection policy; or
 - (iv) Remove the applicant from the waiting list.
- (3) Notwithstanding paragraph (b)(2) of this section, the PHA may remove the applicant from the waiting list for tenant-based assistance if the PHA has offered the applicant assistance under the Voucher Program.

V. Waiting list: Opening and closing; public notice. *(982.206)*

- (a) Public notice.
- (1) When the PHA opens a waiting list, the PHA must give public notice that families may apply for tenant-based assistance. The public notice must state where and when to apply.
 - (2) The PHA must give the public a 30 day notice of intent to close the waiting list by posting in a public place. The notice must comply with HUD fair housing requirements.
 - (3) The public notice must state any limitations on who may apply for available slots in the program.
- (b) Criteria defining what families may apply.
- (1) The PHA may adopt criteria defining what families may apply for assistance under a public notice.

In admission to the program, the PHA must give preference to elderly families, displaced families and displaced persons over other single persons. The PHA decides that applications from other single persons will not be accepted.
 - (2) If the waiting list is open, the PHA must accept applications.
- (c) Closing waiting list. If the PHA determines that the existing waiting list contains an adequate pool for use of available program funding, the PHA may stop accepting new applications, or may accept only applications

meeting criteria adopted by the Housing Authority.

 - (i) The lease is terminated by the owner or the tenant;
 - (ii) The PHA terminates the HAP contract; or
 - (iii) The PHA terminates assistance for the family.
- (c) Family responsibility.
 - (1) If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice of termination at the same time. Failure to do this is a breach of family obligations under the program.
 - (2) The family must notify the PHA and the owner before the family moves out of the unit. Failure to do this is a breach of family obligations under the program.

IX. Owner termination of tenancy. *(982.310)*

- (a) Grounds. During the term of the lease, the owner may not terminate the tenancy except on the following grounds:
 - (1) Serious violation (including but not limited to failure to pay rent or other amounts due under the lease) or repeated violation of the terms and conditions of the lease;
 - (2) Violation of federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises;
or
 - (3) Other good cause.
- (b) Nonpayment by PHA: Not grounds for termination of tenancy.
 - (1) The family is not responsible for payment of the portion of the rent to owner covered by the Housing Assistance Payment under the HAP contract between the owner and the PHA.
 - (2) The PHA failure to pay the Housing Assistance Payment to the

owner is not a violation of the lease between the tenant and the owner. During the term of the lease the owner may not terminate the tenancy of the family for nonpayment of the PHA Housing Assistance Payment.

- (c) Criminal activity. Any of the following types of criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control shall be cause for termination of tenancy:
 - (1) Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents;
 - (2) Any criminal activity that threatens the health, safety or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or
 - (3) Any drug-related criminal activity on or near the premises.

- (d) Other good cause.
 - (1) 'Other good cause' for termination of tenancy by the owner may include, but is not limited to, any of the following examples:
 - (i) Failure by the family to accept the offer of a new lease or revision;
 - (ii) A family history of disturbance of neighbors or destruction of property, or of living or housekeeping habits resulting in damage to the unit or premises;
 - (iii) The owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or
 - (iv) A business or economic reason for termination of the tenancy (such as sale of the property, renovation of the unit, or desire to lease the unit at a higher rental).

 - (2) During the initial lease term, the owner may not terminate the tenancy for 'other good cause'; unless the owner is terminating the tenancy because of something the family did or failed to do. For example, during this period, the owner may not terminate the tenancy for 'other good cause' based on any of the following grounds: failure by the family to accept the offer of a new lease or revision; the owner's desire to use the unit for personal or family use, or for a purpose other than as a residential rental unit; or a business or economic reason for termination of the tenancy (see

paragraph (d)(1)(iv) of this section).

(e) Owner notice.--

(1) Notice of grounds.

(i) The owner must give the tenant a written notice that specifies the grounds for termination of tenancy during the term of the lease. The tenancy does not terminate before the owner has given this notice, and the notice must be given at or before commencement of the eviction action.

(ii) The notice of grounds may be included in, or may be combined with, any owner eviction notice to the tenant.

(2) Eviction notice.

(i) Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used under State or local law to commence an eviction action.

(ii) The owner must give the PHA a copy of any owner eviction notice to the tenant.

(f) Eviction by court action. The owner may only evict the tenant from the unit by instituting a court action.

(g) Regulations not applicable. 24 CFR part 247 (concerning evictions from Certain subsidized and HUD-owned projects) does not apply to a tenancy Assisted under this part 982.

X. When assistance is paid. *(982.311)*

(a) Payments under HAP contract. Housing Assistance Payments are paid to the owner in accordance with the terms of the HAP contract. Housing Assistance Payments may only be paid to the owner during the lease term, and while the family is residing in the unit.

(b) Termination of payment: When owner terminates the lease. Housing Assistance Payments terminate when the lease is terminated by the owner in accordance with the lease. However, if the owner has commenced the process to evict the tenant, and if the family continues to reside in the unit, the PHA must continue to make Housing Assistance

Payments to the owner in accordance with the HAP contract until the owner has obtained a court judgment or other process allowing the owner to evict the tenant. The PHA shall continue such payments until the family moves from or is evicted from the unit, provided the owner is following the eviction procedure in a timely manner.

- (c) Termination of payment: Other reasons for termination. Housing Assistance Payments terminate if:
 - (1) The lease terminates;
 - (2) The HAP contract terminates; or
 - (3) The PHA terminates assistance for the family.
- (d) Family move-out.
 - (1) If the family moves out of the unit, the PHA may not make any Housing Assistance Payment to the owner for any month after the month when the family moves out. The owner may keep the Housing Assistance Payment for the month when the family moves out of the unit.
 - (2) If a participant family moves from an assisted unit with continued tenant-based assistance, the term of the assisted lease for the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of the last Housing Assistance Payment (for the month when the family moves out of the old unit) and the first assistance payment for the new unit, is not considered to constitute a duplicative housing subsidy.

XI. Security deposit: Amounts owed by tenant. (982.313)

- (a) The owner may collect a security deposit from the tenant.
- (b) The PHA will prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.
- (c) The owner may not hold the PHA responsible for any damages caused by the tenant.

ELIGIBLE HOUSING 982.352

(a) Ineligible housing. The following types of housing may not be Assisted by a PHA in the tenant-based programs.

- (1) A public housing or Indian housing unit;
- (2) A unit receiving project-based assistance under Section 8 of The 1937 Act (42 U.S.C. 1437f);
- (3) Nursing homes, board and care homes, or facilities providing Continual psychiatric, medical, or nursing services;
- (4) College or other school dormitories;
- (5) Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- (6) A unit occupied by its owner or by a person with any interest in the dwelling unit. (However, assistance may be provided for a family residing in a cooperative. Assistance may be provided to the owner of a manufactured home leasing a manufactured home space. In the case of shared housing, an owner unrelated to the assisted family may reside in the unit, but assistance may not be paid on behalf of the resident owner. For provisions on cooperative housing, manufactured home space rental, and shared housing, see part 982, subpart M.); and
- (7) For provisions on PHA disapproval of an owner, see §982.306.

(a) PHA-owned housing

- (1) A unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA) may only be assisted under the tenant-based program if all the following conditions are satisfied: (PHA cannot inspect it's own units)
 - (i) The PHA must inform the family, both orally and in writing,

that the family has the right to select any eligible unit available for lease, and a PHA-owned unit is freely selected by the family, without PHA pressure or steering.

- (ii) The unit is not ineligible housing
- (iii) During assisted occupancy, the family may not benefit from any form of housing subsidy that is prohibited under paragraph (c) of this section.
- (iv) (A) The PHA must obtain the services of an independent entity to perform the following PHA functions as required under the program rule:
 - (1) To determine rent reasonableness in accordance with § 982.507. The independent agency shall communicate the rent reasonableness determination to the family and the PHA.
 - (2) To assist the family negotiate the rent to owner in accordance with § 982.506.
 - (3) To inspect the unit for compliance with the HQS in accordance with § 982.305(a) and § 982.405 (except that § 982.405(e) is not applicable). The independent agency shall communicate the results of each such inspection to the family and the PHA.
- (A) The independent agency used to perform these functions must be approved by HUD. The independent agency may be the unit of general local government for the PHA jurisdiction (unless the PHA is itself the unit of general local government or an agency of such government), or may be another HUD-approved independent agency.
- (C) The PHA may compensate the independent agency from PHA ongoing administrative fee income for the services performed by the independent agency. The PHA may not use other program receipts to compensate the independent agency for such services. The PHA and the independent agency may not charge the family any fee or charge for the services provided by the independent

agency.

- (1) The PHA as owner is subject to the same program requirements that apply to other owners in the program.
- (a) Prohibition against other housing subsidy. A family may not receive the benefit of tenant-based assistance while receiving the benefit of any of the following forms of other housing subsidy, for the same unit or for a different unit.
- (1) Public or Indian housing assistance;
 - (2) Other Section 8 assistance (including other tenant-based assistance);
 - (3) Assistance under former Section 23 of the United States Housing Act of 1937 (before amendment by the Housing and Community Development Act of 1974);
 - (4) Section 101 rent supplements;
 - (5) Section 236 rental assistance payments;
 - (6) Tenant-based assistance under the HOME Program;
 - (7) Rental assistance payments under Section 521 of the Housing Act of 1949 (a program of the Rural Development Administration);
 - (8) Any local or State rent subsidy;
 - (9) Section 202 supportive housing for the elderly;
 - (10) Section 811 supportive housing for persons with disabilities;
 - (11) Section 202 projects for non-elderly persons with disabilities (Section 162 assistance); or
 - (12) Any other duplicative Federal, State, or local housing subsidy, as determined by HUD. For this purpose, 'housing subsidy' does not include the housing component of a welfare payment, a social security payment received by the family, or a rent reduction because of a tax credit.

XII. Where family can lease a unit with tenant-based assistance. (982.353)

GHA issues vouchers for the welfare of Grapevine Residents. Anyone who receives a voucher through GHA must remain in GHA's jurisdiction for a period of one year before porting to another jurisdiction.

- (a) Assistance in the initial PHA jurisdiction. The family may receive tenant-based assistance to lease a unit located anywhere in the jurisdiction (as determined by State and local law) of the initial PHA. HUD may nevertheless restrict the family's right to lease such a unit anywhere in such jurisdiction if HUD determines that limitations on a family's opportunity to select among available units in that jurisdiction are appropriate to achieve desegregation goals in accordance with obligations generated by a court order or consent decree.
- (b) Portability: Assistance outside the initial PHA jurisdiction. Subject to paragraph (c) of this section, and Section 1 herein, a voucher-holder or participant family has the right to receive tenant-based Voucher assistance in accordance with requirements of this part to lease a unit outside the initial PHA jurisdiction, anywhere in the United States, in the jurisdiction of a PHA with a tenant-based program under this part. The initial PHA must not provide such portable assistance for a participant if the family has moved out of its assisted unit in violation of the lease.
- (c) Nonresident applicants.
 - (1) This paragraph (c) applies if neither the household head or spouse of an assisted family already had a 'domicile' (legal residence) in the jurisdiction of the initial PHA at the time when the family first submitted an application for participation in the program to the initial PHA.
 - (2) The following apply during the 12-month period from the time when a family described in paragraph (c)(1) of this section is admitted to the program:
 - (i) The family may lease a unit anywhere in the jurisdiction of the initial PHA;
 - (ii) The family does not have any right to portability;
 - (iii) The initial PHA may choose to allow portability during this

period.

- (3) If both the initial PHA and a receiving PHA agree, the family may lease a unit outside the PHA jurisdiction under portability procedures.
- (d) Income eligibility. (Immediate Port must be income eligible with receiving housing authority)
 - (1) For admission to the program, a family must be income eligible in the area where the family initially leases a unit with assistance under the program.
 - (2) If a portable family is a participant in the initial PHA Section 8 tenant-based program (either the PHA Voucher Program or the PHA Certificate Program), income eligibility is not redetermined when the family moves to the receiving PHA program under portability procedures.
 - (1) Except as provided in paragraph (d)(2) of this section, a portable family must be income eligible for admission to the Voucher Program in the area where the family leases a unit under portability procedures.
- (e) Leasing in-place. If the dwelling unit is approvable, a family may select the dwelling unit occupied by the family before selection for participation in the program.
- (f) Freedom of choice. The PHA may not directly or indirectly reduce the family's opportunity to select among available units except as provided in paragraph (a) of this section, or elsewhere in this part 982 (e.g. prohibition on use of ineligible housing, housing not meeting HQS, or housing for which the rent to owner exceeds a reasonable rent).

XIII. Portability: Administration by receiving PHA. *(982.355)*

- (a) When a family moves under portability (in accordance with S 982.353(b)) to an area outside the initial PHA jurisdiction, another PHA (the receiving PHA) must administer assistance for the family if a PHA with a tenant-based program has jurisdiction in the area where the unit is located.
- (b) In the conditions described in paragraph (a) of this section, a PHA with jurisdiction in the area where the family wants to lease a unit must issue a Voucher to the family. If there is more than one such PHA, the initial PHA

may choose the receiving PHA.

(c) Portability procedures.

- (1) The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA Section 8 tenant-based program (either the PHA Voucher Program or Certificate Program). However, for a portable family that was not already receiving assistance in the PHA tenant-based program, the initial PHA must determine whether the family is eligible for admission to the receiving PHA Voucher Program. Receiving PHA admission procedures must be followed.
- (2) The initial PHA must contact the receiving PHA on the family's behalf. The initial PHA must promptly notify the receiving PHA to expect the incoming family. The initial PHA on behalf of the family shall contact the receiving PHA by telephone, fax or e-mail. The initial PHA shall also advise the family how to contact and request assistance from the receiving PHA by providing the family with a name (when available) and telephone number of the Portability Department of the receiving PHA.
- (3) The family must promptly contact the receiving PHA, and comply with receiving PHA procedures for incoming portable families.
- (4) The initial PHA must complete Part 1 of the Form HUD-52665 and mail or fax it to the receiving PHA along with the most recent HUD Form 50058 (Family Report) for the family, and related verification information. In the case of an applicant, the initial PHA has not completed the HUD-50058 and submitted the information to HUD because the family is not a new admission. However, the PHA must provide the family information and income information to the receiving PHA in a format similar to the Form HUD-50058 so that the information is easily available for use by the receiving PHA. If the receiving PHA opts to conduct a new reexamination, the receiving PHA may not delay issuing the family a Voucher or otherwise delay approval of a unit unless the recertification is necessary to determine income eligibility.
- (5) When the portable family requests assistance from the receiving PHA, the receiving PHA must promptly inform the initial PHA whether the receiving PHA will bill the initial PHA for assistance on behalf of the portable family, or will absorb the family into its own program. Part I of the form HUD 52665 contains the date by which

the initial billing notice provided by the receiving PHA must be received by the initial PHA. The initial billing submission must be received by the initial PHA no later than 60 days following the expiration date of the family voucher issued by the initial PHA. If the initial PHA has not received a billing notice by the deadline, the initial PHA must contact the receiving PHA to determine the status of the family if the initial PHA intends not to honor a late billing submission. If the receiving PHA reports that the family is not yet under HAP contract, the initial PHA may inform the receiving PHA that they will not accept any subsequent billing on behalf of the family. Once the initial PHA has so notified the receiving PHA, the initial PHA is not required to honor any billing notice received after the billing deadline. If the initial PHA still subsequently receives a late billing notice on behalf of the family, it simply returns the late Form HUD-52665 to the receiving PHA, and the receiving PHA must absorb the family.

Grapevine Housing Authority does not absorb portable families due to the number of applicants on waiting list.

- (6) The receiving PHA must promptly issue a Voucher to the family. The term of the receiving PHA Voucher may not expire before the expiration date of the initial PHA voucher. The receiving PHA must determine whether to extend the Voucher term. However, if the receiving PHA provides the family with search time beyond the expiration date of the initial PHA's voucher, it must inform the initial PHA of the extension and should bear in mind the billing deadline provided by the initial PHA. Unless willing and able to absorb the family, the receiving PHA should ensure that any voucher expiration date would leave sufficient time to process a Request for Lease Approval, execute a HAP contract, and cover the anticipated delivery time (if the PHA is not submitting the billing information by fax or email) so that it will be received by the initial PHA by the deadline date. The family must submit a request for approval of the tenancy to the receiving PHA during the term of the receiving PHA voucher. A receiving PHA should not process the family if the initial PHA voucher has already expired when it receives the paperwork from the initial PHA, but should refer the family back to the initial PHA. The initial PHA would have to decide to extend the term of the initial PHA voucher (and the billing deadline) before the receiving PHA would process the portability move in such an instance.

The receiving PHA must process the family's paperwork and issue the incoming family a voucher for its jurisdiction within two weeks of receiving the HUD-52665 and supporting documentation, provided

the information is in order, the family has contacted the receiving PHA, and the family complies with the receiving PHA's procedures.

- (7) The receiving PHA must determine the family unit size for the portable family. The family unit size is determined in accordance with the subsidy standards of the receiving PHA.
 - (8) The receiving PHA must promptly notify the initial PHA if the family has leased an eligible unit under the program, or if the family fails to submit a request for approval of the tenancy for an eligible unit within the term of the voucher.
 - (9) To provide tenant-based assistance for portable families, the receiving PHA must perform all PHA program functions, such as reexaminations of family income and composition. At any time, either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance to the family in accordance with SS 982.552 and 982.553.
 - (10) When the family has a right to lease a unit in the receiving PHA Jurisdiction under portability procedures in accordance with S982.353(b), the receiving PHA must provide assistance for the Family. Receiving PHA procedures and preferences for selection among eligible applicants do not apply, and the receiving PHA waiting list is not used. However, the receiving PHA may deny or Terminate assistance for family action or inaction in accordance With SS 982.552 and 982.553.
- (d) Absorption by the receiving PHA.
- (1) If funding is available under the consolidated ACC for the receiving PHA Voucher Program when the portable family is received, the receiving PHA may absorb the family into the receiving PHA Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the receiving PHA tenant-based program.
 - (2) HUD may require that the receiving PHA absorb all or a portion of the portable families.
- (e) Portability Billing.
- (1) To cover assistance for a portable family, the receiving PHA may bill the initial PHA for Housing Assistance Payments and administrative fees. The receiving PHA must promptly inform the

initial PHA if it intends to absorb or bill. The receiving PHA must complete and mail Part II of the Form HUD-52665 within 10 working days from the date a HAP contract is executed on behalf of a family. This paragraph (e) describes the billing procedure.

- (2) The initial PHA must pay the first billing amount due within 30 calendar days of receipt of Part II of the Form HUD-52665. Subsequently, the initial PHA must make payment each month the billing arrangement is in effect. The payment must be provided in a form and manner that the receiving PHA is able and willing to accept. Initial PHAs involved in billing arrangements must ensure that subsequent monthly billing payments are received by the receiving PHA no later than the fifth working day of each month. The amount of the Housing Assistance Payment for a portable family in the receiving PHA program is determined in the same manner as for other families in the receiving PHA program.
 - (3) The initial PHA must promptly reimburse the receiving PHA for 80 percent of the initial PHA on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs from the receiving PHA. If both PHAs agree, the PHA's may negotiate a different amount of reimbursement.
 - (4) HUD may reduce the administrative fee to an initial or receiving PHA if the PHA does not comply with HUD portability requirements.
 - (5) In administration of portability, the initial PHA and the receiving PHA must comply with financial procedures required by HUD, including the use of HUD-required billing forms. The initial and receiving PHA must comply with billing and payment deadlines under the financial procedures.
 - (6) A PHA must manage the PHA tenant-based program in a manner that ensures that the PHA has the financial ability to provide assistance for families that move out of the PHA program under the portability procedures that have not been absorbed by the receiving PHA, as well as for families that remain in the PHA program.
 - (7) When a portable family moves out of the tenant-based program of a receiving PHA that has not absorbed the family, the PHA in the new jurisdiction to which the family moves becomes the receiving PHA, and the first receiving PHA is no longer required to provide assistance for the family.
- (f) Portability funding.

- (1) HUD may transfer funds for assistance to portable families to the receiving PHA from funds available under the initial PHA ACC.
- (2) HUD may provide additional funding (e.g., funds for incremental units) to the initial PHA for funds transferred to a receiving PHA for portability purposes.
- (3) HUD may provide additional funding (e.g., funds for incremental units) to the receiving PHA for absorption of portable families.
- (4) HUD may require the receiving PHA to absorb portable families.

XIV. Obligations of participant.

(a) Purpose. This section states the obligations of a participant family under the program.

(b) Supplying required information.--

(1) The family must supply any information that the PHA or HUD determines is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status. 'Information' includes any requested certification, release or other documentation.

- (h) Use and occupancy of unit--
 - (1) The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
 - (2) The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit. No other person i.e., nobody but members of the assisted family may reside in the unit (except for a foster child or live-in aide as provided in paragraph (h)(4) of this section).
 - (3) The family must promptly notify the PHA if any family member no longer resides in the unit.
 - (4) If the PHA has given approval, a foster child or a live in aide may reside in the unit. The PHA has the discretion to adopt reasonable policies concerning residence by a foster child or a live in aide, and defining when PHA consent may be given or denied.
 - (5) Members of the household may engage in legal profit making activities in the unit, in accordance to City and State regulations but

only if such activities are incidental to primary use of the unit for residence by members of the family.

- (6) The family must not sublease or let the unit.
- (7) The family must not assign the lease or transfer the unit.
- (i) Absence from unit. The family must supply any information or certification requested by the PHA to verify that the family is living in the unit, or relating to family absence from the unit, including any PHA-requested information or certification on the purposes of family absences. The family must cooperate with the PHA for this purpose. The family must promptly notify the PHA of absence from the unit.

An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, State or local housing assistance program.

XV. PHA denial or termination of assistance for family. (982.552)

- (a) Action or inaction by family.--
 - (1) A PHA will deny assistance for an applicant or terminate assistance for a participant under the programs because of the family's action or failure to act as described in this section or S 982.553. The provisions of this section do not affect denial or termination of assistance for grounds other than action or failure to act by the family.
 - (2) Denial of assistance for an applicant will include any or all of the following: denying listing on the PHA waiting list, denying or withdrawing a voucher, refusing to enter into a HAP contract or approve a lease, and refusing to process or provide assistance under portability procedures.

- (1) Termination of assistance for a participant will include any or all of the following: refusing to enter into a HAP contract or approve a lease, terminating Housing Assistance Payments under an outstanding HAP contract, and refusing to process or provide assistance under portability procedures.
 - (2) This section does not limit or affect exercise of the PHA rights and remedies against the owner under the HAP contract, including termination, suspension or reduction of housing assistance payments, or termination of the HAP contract.
- (b) Requirement to deny admission or terminate assistance.
- (1) (Reserved)
 - (2) The PHA must terminate program assistance for a family evicted from housing assisted under the program for serious violation of the lease.
 - (3) The PHA must deny admission to the program for an applicant, or terminate program assistance for a participant, if any member of the family fails to sign and submit consent forms for obtaining information in accordance with 24 CFR Part 5, subparts B and F.
 - (4) The family must submit required evidence of citizenship or eligible immigration status. See 24 CFR Part 5 of this title for a statement of circumstances in which the PHA must deny admission or terminate program assistance because a family member does not establish citizenship or eligible immigration status, and the applicable informal hearing procedures.
- (c) Authority to deny admission or terminate assistance.
- (1) Grounds for denial or termination of assistance. The PHA may at any time deny program assistance for an applicant, or terminate program assistance for a participant, for any of the following grounds.

or failure.

- (ii) The PHA may impose, as a condition of continued assistance for other family members, a requirement that other family members who participated in or were culpable for the action or failure will not reside in the unit. The PHA may permit the other members of a participant family to continue receiving assistance.
 - (iii) If the family includes a person with disabilities, the PHA decision concerning such action is subject to consideration of reasonable accommodation in accordance with 24CFR Part 8.

- (c) Evidence of criminal activity. In determining whether to deny or terminate assistance based on drug-related criminal activity or violent criminal activity, the PHA may deny or terminate assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether the family member has been arrested or convicted.

iii

If the second attempts of verification are not received by the 10th day the following methods may be used:

The PHA will make the interim determination within a reasonable time after the family request. A systematic UIV update may be processed at this time.
- (3) Interim examinations must be conducted in accordance

with policies in the PHA administrative plan and Upfront Income Verification policy (Section 23).

- (a) Family reporting of change. The PHA must adopt policies prescribing when and under what conditions the family must report a change in family income or composition.

- (2) Family composition must be reported immediately.

- (a) Effective date of reexamination.

- (1) The effective date of a change in the housing assistance payment resulting from an interim redetermination will begin immediately in case of a decrease in income. When housing assistance payment increased due to an increase in income the effective date of the increase shall be 60-days from the 1st day of the following month.

- (2) At the effective date of a regular or interim reexamination, the PHA will make appropriate adjustments in the housing assistance payment. Staff shall make notes to file concerning person they spoke with, date of conversation and results of conversation.

- (b) Execution of release and consent.
 - (1) As a condition of admission to or continued assistance under the program, the PHA shall require the family head, and such other family members as the PHA designates, to execute a HUD-approved release and consent form (including any release and consent as required under part 760 of this title) authorizing any depository or private source of income, or any Federal, State or local agency, to furnish or release to the PHA or HUD such information as the PHA or HUD determines to be necessary.

 - (B) If the PHA determines there is a qualifying financial hardship, but that it is temporary, the PHA may not impose a minimum rent for a period of 90 days from the date of the family's request. At the end of the 90-day suspension period, a minimum rent is imposed retroactively to the time of suspension for an additional 90-days. At the end of the 180-days the PHA will reassess the situation to determine if long a term hardship exists The family must be offered a responsible repayment agreement for the amount of back rent owed.

Should be 30 day period, then 0 income. Must be Verified. Short term can be put on re-payment Plan. "Long Term" not paid back to PHA.

III. Utility allowance schedule. (982.517)

(a) Maintaining schedule.

- (1) The PHA will maintain a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse).
- (2) The PHA will give HUD a copy of the utility allowance schedule. At HUD's request, the PHA also must provide any information or procedures used in preparation of the schedule.

(b) How allowances are determined.

- (1) The utility allowance schedule must be determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the PHA must use normal patterns of consumption for the community as a whole and current utility rates.
- (2) (i) The PHA's utility allowance schedule, and the utility allowance for an individual family, must include the utilities and services that are necessary in the locality to provide housing that complies with the housing quality standards. However, the PHA may not provide any allowance for non-essential utility costs, such as costs of cable or satellite

television.

- (ii) In the utility allowance schedule, the PHA must classify utilities and other housing services according to the following general categories: space heating; air conditioning; cooking; water heating; water; sewer; trash collection (disposal of waste and refuse); other electric; refrigerator (cost of tenant-supplied refrigerator); range (cost of tenant-supplied range); and other specified housing services. The PHA must provide a utility allowance for tenant-paid air-conditioning costs if the majority of housing units in the market provide centrally air-conditioned units or there is appropriate wiring for tenant-installed air conditioners.
 - (3) The cost of each utility and housing service category must be stated separately. For each of these categories, the utility allowance schedule must take into consideration unit size (by number of bedrooms), and unit types (e.g., apartment, row-house, town house, single-family detached, and manufactured housing) that are typical in the community.
 - (4) The utility allowance schedule must be prepared and submitted in accordance with HUD requirements on the form prescribed by HUD.
- (c) Revisions of utility allowance schedule.
- (1) The PHA must review its schedule of utility allowances each year, and must revise its allowance for a utility category if there has been a change of 10 percent or more in the utility rate since the last time the utility allowance schedule was revised. The PHA must maintain information supporting its annual review of utility allowances and any revisions made in its utility allowance schedule.
 - (2) At HUD's direction, the PHA must revise the utility allowance schedule to correct any errors, or as necessary to update the schedule.
- (d) Use of utility allowance schedule.
- (1) The PHA must use the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the PHA subsidy standards).
 - (2) At reexamination, the PHA must use the PHA's current utility

allowance schedule.

- (e) Higher utility allowance as reasonable accommodation for a person with disabilities. On request from a family that includes a person with disabilities, the PHA must approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation in accordance with 24 CFR part 8 to make the program accessible to and usable by the family member with a disability.

IV. Voucher tenancy: How to calculate Housing Assistance Payment. (982.505)

- (a) Use of payment standard. A payment standard is used to calculate the monthly Housing Assistance Payment for a family. The 'payment standard' is the maximum monthly subsidy payment.
- (b) Amount of monthly Housing Assistance Payment. The PHA shall pay a monthly Housing Assistance Payment on behalf of the family that is equal to the lower of:
 - (1) The payment standard for the family minus the total tenant payment; or

- (1) During the first 24 months of the HAP contract term, the payment Standard for a family is the higher of:
 - (i) The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraphs (c) (1) and (c) (2) of this section, minus any amount by which the initial rent to owner exceeds the current rent to owner; or

(ii) The payment standard, as determined in accordance with paragraphs (c) (1) and (c) (2) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.

(2) After the first 24 months of the HAP contract term, the payment standard for a family is the payment standard as determined in accordance with paragraphs (c) (1) and (c)(2) of this section, as determined at the effective date of the most recent regular reexamination of family income and composition after the beginning of the HAP contract term.

(3) At the next regular reexamination following a change in family size or composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:

(i) Paragraph (c)(3)(I) of this section does not apply, and

(ii) The new family unit size must be used to determine the payment standard.

V. Regular tenancy: Certificates--How to calculate Housing Assistance Payment. *(982.518)*

- (a) The total tenant payment; or
- (b) The minimum rent as required by law.

 - (i) The pre-adjustment rent to owner multiplied by the applicable Section 8 annual adjustment factor, published by HUD in the Federal Register, that is in effect 60 days before the HAP contract anniversary;
 - (ii) The reasonable rent (as most recently determined or redetermined by the PHA in accordance with (Section 15); or

 - (2) In making the annual adjustment, the pre-adjustment rent to owner does not include any previously approved special adjustments.
 - (3) The rent to owner may be adjusted up or down in accordance with this section.
 - (4) Notwithstanding paragraph (b)(1) of this section, the rent to owner for a unit must not be increased at the annual anniversary date unless:
 - (i) The owner requests the adjustment by giving at least a sixty day notice to the PHA; and
 - (ii) During the year before the annual anniversary date, the owner has complied with all requirements of the HAP contract, including compliance with the HQS.
 - (5) The rent to owner will only be increased for Housing Assistance Payments covering months commencing on the later of:
 - (i) The first day of the first month commencing on or after the contract anniversary date; or
 - (ii) At least sixty days after the PHA receives the owner's request.
 - (6) To receive an increase resulting from the annual adjustment for an annual anniversary date, the owner must request the increase at least sixty days before the next annual anniversary date.

VII. Regular tenancy: Certificates-- Special adjustment of rent to owner. (982.520)

- (a) Substantial and general cost increases.
 - (1) At HUD's sole discretion, HUD may approve a special adjustment of the rent to owner to reflect increases in the actual and necessary costs of owning and maintaining the unit because of substantial and general increases in:
 - (i) Real property taxes;
 - (ii) Special governmental assessments;
 - (iii) Utility rates; or
 - (iv) Costs of utilities not covered by regulated rates.
 - (2) A PHA may make a special adjustment of the rent to owner only if the adjustment has been approved by HUD. The owner does not have any right to receive a special adjustment.
- (b) Reasonable rent. The adjusted rent may not exceed the reasonable rent. The owner may not receive a special adjustment if the adjusted rent would exceed the reasonable rent.
- (c) Term of special adjustment.
 - (1) The PHA may withdraw or limit the term of any special adjustment.
 - (2) If a special adjustment is approved to cover temporary or one-time costs, the special adjustment is only a temporary or one-time increase of the rent to owner

VIII. Regular tenancy: Certificates-- Rent to owner in subsidized project. *(982.521)*

For a Certificate tenancy in an insured or non-insured Section 236 project, a Section 515 project of the Rural Development Administration, a Section 202 project or a Section 221(d)(3) below market interest rate project, the rent to owner is the basic rental charge (as defined in 12 U.S.C. 1715z-1(f)(1), minus any utility allowance for tenant-paid utilities). The rent to owner may not be adjusted by applying the published Section 8 annual adjustment factor, and a special adjustment may not be approved.

Landlords or property owners will be encouraged to call the office and list any available rental property they would consider putting on the Section 8 Program.

SECTION 6 ASSISTING A FAMILY THAT CLAIMS THAT ILLEGAL DISCRIMINATION HAS PREVENTED THE FAMILY FROM LEASING A SUITABLE UNIT

Illegal discrimination: PHA assistance to family. (982.304)

A family may claim that illegal discrimination because of race, color, religion, sex, national origin, age, familial status or disability prevents the family from finding or leasing a suitable unit with assistance under the program. The PHA must give the family information on how to fill out and file a housing discrimination complaint.

SECTION 7 PROVIDING INFORMATION ABOUT A FAMILY TO PROSPECTIVE OWNERS

The PHA must give the owner the following information about the tenant:

- (a) The family's current and prior address (as shown in the PHA records); and
- (b) The name and address (if known to the PHA) of the landlord at the family's current and prior address.

SECTION 8 DISAPPROVAL OF OWNERS

I. PHA disapproval of owner. (982.306)

- (a) The PHA must not approve an assisted tenancy if the PHA has been informed (by HUD or otherwise) that the owner is debarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

HUD REQUIREMENT, NOT ADM. POLICY

- (b) When directed by HUD, the PHA must not approve an assisted tenancy if:
 - (1) The federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements, and such action is

pending; or

- (2) A court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements.
- (c) In its administrative discretion, the PHA may deny approval to lease a unit from an owner for any of the following reasons:

 - (5) The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity by the tenant, any member of the household, a guest or another person under the control of any member of the household that:
 - (i) Threatens the right to peaceful enjoyment of the premises by other residents;
 - (ii) Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing;
 - (iii) Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or

 - (6) The owner has a history or practice of renting units that fail to meet

State or local housing codes; or

- (7) The owner has not paid State or local real estate taxes, fines or assessments.
- (b) The PHA must not approve a unit if the owner is the parent, child, **Son in law**, grandparent, grandchild, sister, or brother of any member of the family, unless the PHA determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. This restriction against PHA approval of a unit only applies at the time a family initially receives tenant-based assistance for occupancy of a particular unit, but does not apply to PHA approval of a new tenancy with continued tenant-based assistance in the same unit.
- (e) Nothing in this rule is intended to give any owner any right to participate in the program.
- (f) For purposes of this section, 'owner' includes a principal or other interested party.

SECTION 9 SUBSIDY STANDARDS

I. Subsidy standards. (982.402)

- (a) Purpose.
 - (1) The PHA will establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. PHA subsidy standards are the same as HQS table on page 55.
 - (2) For each family, the PHA determines the appropriate number of bedrooms under the PHA subsidy standards (family unit size).
 - (3) The family unit size number is entered on the Voucher issued to the family. The PHA issues the family a Voucher for the family unit size when a family is selected for participation in the program.
- (b) Determining family unit size. The following requirements apply when the PHA determines family unit size under the PHA subsidy standards:
 - (1) The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
 - (2) The subsidy standards must be consistent with space requirements

under the housing quality standards.

- (3) The subsidy standards must be applied consistently for all families of like size and composition.
 - (4) A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family unit size.
 - (5) A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.
 - (6) Any live-in aide (approved by the PHA to reside in the unit to care for a family member who is disabled or is at least 50 years of age) must be counted in determining the family unit size;
 - (7) Unless a live in aide resides with the family, the family unit size for any family consisting of a single person must be either a zero or one-bedroom unit, as determined under the PHA subsidy standards.
 - (8) In determining family unit size for a particular family, the PHA may grant an exception to its established subsidy standards if the PHA determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances. (For a single person other than a disabled or elderly person or remaining family member, such PHA exception may not override the limitation in paragraph (b)(7) of this section.)
- (c) Effect of family unit size---maximum subsidy in Voucher Program. The family unit size as determined for a family under the PHA subsidy standard is used to determine the maximum rent subsidy for a family assisted in the Voucher Program. For a Voucher tenancy, the PHA establishes payment standards by number of bedrooms. The payment standard for a family shall be the lower of:
- (1) The payment standard amount for the family unit size; or
 - (2) The payment standard amount for the unit size of the unit rented by the family.
- (d) Size of unit occupied by family.
- (1) The family may lease an otherwise acceptable dwelling unit with

fewer bedrooms than the family unit size. However, the dwelling unit must meet the applicable HQS space requirements.

Voucher Bedroom Size		Maximum No. In Household
0 – Bedroom		2
1 – Bedroom		2
2 – Bedroom		4
3 – Bedroom		6
4 – Bedroom		8
5 – Bedroom		10

- (b) The HQS rule for no more than 2 persons per living sleeping room room will be followed. The following criteria will be used in accordance with the occupancy guidelines:
- (1) The bedroom size assigned will not require persons of the opposite sex other than husband and wife to occupy the same bedroom with the exception of infants and very young children under the age of three (3).
 - (2) A two-bedroom unit may be used by a two-member family which consists of a single parent and child (over the age of three) or by a couple whom, due to medical reasons must have separate bedrooms, as approved by the PHA.

II. Live in aide. *(982.316)*

- (a) A family that consists of one or more elderly, near-elderly or disabled persons may request that the PHA approve a live-in aide to reside in the unit and provide necessary supportive services for a family member who is a person with disabilities. The PHA must approve a live-in aide if needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability, provided the aide passes the same screening and background checks.
- (b) At any time, the PHA may refuse to approve a particular person as a live-in aide, or may withdraw such approval, if:
 - (1) The person commits fraud, bribery or any other corrupt or criminal

act.

- (2) The person commits or has been convicted of drug-related criminal activity or other criminal activity; or
- (1) The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or Public Housing assistance under the 1937 Act.
- (4) A live-in aide must pass PHA background checks.

SECTION 10 FAMILY ABSENCE FROM THE DWELLING UNIT

I. Absence from unit. (982.312)

- (a) The family may be absent from the unit for brief periods, not to exceed fourteen days without proper notice to the PHA. For longer absences, the family may not be absent from the unit for a period of more than 90 consecutive calendar days in any circumstance, or for any reason.
- (b) Housing Assistance Payments terminate if the family is absent for longer than the maximum period permitted. The term of the HAP contract and assisted lease also terminate. (The owner must reimburse the PHA for any Housing Assistance Payment for the period after the termination.)
- (c) Absence means that no member of the family is residing in the unit.
 - (1) The family must supply any information or certification requested by the PHA to verify that the family is residing in the unit, or relating to family absence from the unit. The family must cooperate with the PHA for this purpose. The family must promptly notify the PHA of absence from the unit, including any information requested on the purposes of family absences.
 - (2) The PHA may adopt appropriate techniques to verify family occupancy or absence, including letters to the family at the unit, phone calls, visits or questions to the landlord or neighbors.

SECTION 11 HOW TO DETERMINE WHO REMAINS IN THE PROGRAM IF A FAMILY BREAKS UP

Family break-up. (982.315)

- (a) For a family with children;

The family member who will be responsible for children will remain on the

program with continued assistance. If both head and spouse have custody of the children from previous marriages, the person who receives continued assistance must be decided by the head and spouse prior to program participation.

- (b) For a couple without children;

The person who receives continued assistance must be decided prior to program participation.

- (c) If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, the PHA is bound by the court's determination of which family members continue to receive assistance in the program.

SECTION 12 INFORMAL REVIEW PROCEDURES FOR APPLICANTS

Informal review for applicant. (982.554)

- (a) Notice to applicant. The PHA must give an applicant for participation prompt notice of a decision denying assistance to the applicant. The notice must contain a brief statement of the reasons for the PHA decision. The notice must also state that the applicant may request an informal review of the decision and must describe how to obtain the informal review. Statutory and regulatory requirements prohibit PHAs from taking any adverse actions against participants solely based on computer matching information.

PHAs may not suspend, terminate, reduce, or make a final denial of any tenant as a result of information produced by UIV until:

- (a) the tenant has received notice from the PHA of its findings and informing the tenant of the opportunity to contest such findings
 - (b) either the notice period provided in applicable regulations of the program, or 30 days, whichever is later, has expired. In most cases it is anticipated that PHAs will resolve income discrepancies with participants
(See 24 CFR Part 5.236)
- (b) Informal review process. The PHA must give an applicant an opportunity for an informal review of the PHA decision denying assistance to the applicant. The Administrative Plan must state the PHA procedures for conducting an informal review. The PHA review procedures must comply with the following:

- (1) The review may be conducted by any person or persons designated by the PHA, other than a person who made or approved the decision under review or a subordinate of this person.
 - (2) The applicant must be given an opportunity to present written or oral objections to the PHA decision.
 - (3) The PHA must notify the applicant of the PHA final decision after the informal review, including a brief statement of the reasons for the final decision.
- (c) When informal review is not required. The PHA is not required to provide the applicant an opportunity for an informal review for any of the following:
- (1) Discretionary administrative determinations by the PHA.
 - (2) General policy issues or class grievances.
 - (3) A determination of the family unit size under the PHA subsidy standards.
 - (4) A PHA determination not to approve an extension or suspension of a Voucher term.
 - (5) A PHA determination not to grant approval of the tenancy.
 - (6) A PHA determination that a unit selected by the applicant is not in compliance with HQS
 - (7) A PHA determination that the unit is not in accordance with HQS because of the family size or composition.
- (d) Restrictions on assistance for noncitizens. The informal hearing provisions for the denial of assistance on the basis of ineligible immigration status are contained in 24 CFR part 5.

SECTION 13 INFORMAL HEARING PROCEDURES FOR PARTICIPANTS

Informal hearing for participant. *(982.555)*

- (a) When hearing is required.--
- (1) A PHA must give a participant family an opportunity for an informal hearing to consider whether the following PHA decisions relating to the individual circumstances of a participant family are in

accordance with the law, HUD regulations and PHA policies:

- (i) A determination of the family's annual or adjusted income, and the use of such income to compute the Housing Assistance Payment.
 - (ii) A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the PHA utility allowance schedule.
 - (iii) A determination of the family unit size under the PHA subsidy standards.

 - (v) A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - (vi) A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under PHA policy and HUD rules.
- (2) In the cases described in paragraphs (a)(1)(iv), (v) and (vi) of this section, the PHA must give the opportunity for an informal hearing before the PHA terminates Housing Assistance Payments for the family under an outstanding HAP contract.
- (b) When hearing is not required. The PHA is not required to provide a participant family an opportunity for an informal hearing for any of the following:
- (1) Discretionary administrative determinations by the PHA.
 - (2) General policy issues or class grievances.
 - (3) Establishment of the PHA schedule of utility allowances for families in the program.
 - (4) A PHA determination not to approve an extension or suspension of a Voucher term.

- (5) A PHA determination not to approve a unit or lease.
 - (6) A PHA determination that an assisted unit is not in compliance with HQS. (However, the PHA must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family as described in
 - (7) A PHA determination that the unit is not in accordance with HQS because of the family size.
 - (8) A determination by the PHA to exercise or not to exercise any right or remedy against the owner under a HAP contract.
- (c) Notice to family.
- (1) In the cases described in paragraphs (a)(1)(i), (ii) and (iii) of this section, the PHA must notify the family that the family may ask for an explanation of the basis of the PHA determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
 - (2) In the cases described in paragraphs (a)(1)(iv), (v) and (vi) of this section, the PHA must give the family prompt written notice that the family may request a hearing. The notice must:
 - (i) Contain a brief statement of reasons for the decision,
 - (ii) State that if the family does not agree with the decision, the family may request an informal hearing on the decision, and
 - (iii) State the deadline for the family to request an informal hearing.
- (d) Expeditious hearing process. Where a hearing for a participant family is required under this section, the PHA must proceed with the hearing in a reasonably expeditious manner upon the request of the family.
- (e) Hearing procedures--
- (1) Hearings and reviews will be conducted solely by the hearing officer. The Hearing Officer will be someone who is not directly involved in the day-to-day administration of the Voucher Program.
 - (2) Any tenant or applicant entitled to a hearing or review must request the hearing or review within 10 working days of receipt of their letter or no later than 14 days from the date of their letter.
 - (3) Hearings and reviews must be scheduled and held no later than 14

days from the deadline date on the tenant's or applicant's letter.

- (4) The tenant or applicant may obtain counsel or other representation at their own expense. The tenant and any counsel or representative will have access to the tenant file and may present any evidence and testimony in their favor. They will be allowed to ask any questions concerning their termination of assistance. Families will also be given the opportunity to examine and copy (at the family's expense) relevant PHA documents before the hearing. The PHA may also request examination of relevant documents in the family's possession.
- (5) Members of the staff will reply to the tenant's questions at the request of the Hearing Officer and will only respond concerning specific reasons for termination of assistance.
- (6) The Hearing Officer will base his/her decision solely on the evidence presented at the hearing. The decision will be in writing and will be mailed to the tenant no later than 15 days from the date of the hearing. The letter to the tenant will state the grounds for the decision that was made.
- (7) Discover
 - (i) By family. The family must be given the opportunity to examine before the PHA hearing any PHA documents that are directly relevant to the hearing. The family must be allowed to copy any such document at the family's expense. If the PHA does not make the document available for examination on request of the family, the PHA may not rely on the document at the hearing.
 - (ii) By PHA. The PHA hearing procedures may provide that the PHA must be given the opportunity to examine at PHA offices before the PHA hearing any family documents that are directly relevant to the hearing. The PHA must be allowed to copy any such document at the PHA's expense. If the family does not make the document available for examination on request of the PHA, the family may not rely on the document at the hearing.
 - (iii) Documents. The term 'documents' includes records and regulations.
- (8) Representation of family. At its own expense, the family may be represented by a lawyer or other representative.

- (9) Hearing officer: Appointment and authority.
 - (i) The hearing may be conducted by any person or persons designated by the PHA, other than a person who made or approved the decision under review or a subordinate of this person.
 - (ii) The person who conducts the hearing may regulate the conduct of the hearing in accordance with the PHA hearing procedures.
- (10) Evidence. The PHA and the family must be given the opportunity to present evidence, and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
- (9) Issuance of decision. The person who conducts the hearing must issue a written decision, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing. A copy of the hearing decision shall be furnished promptly to the family.
- (f) Effect of decision. The PHA is not bound by a hearing decision:
 - (1) Concerning a matter for which the PHA is not required to provide an opportunity for an informal hearing under this section, or that otherwise exceeds the authority of the person conducting the hearing under the PHA hearing procedures.
 - (2) Contrary to HUD regulations or requirements, or otherwise contrary to federal, State, or local law.
 - (3) If the PHA determines that it is not bound by a hearing decision, the PHA must promptly notify the family of the determination, and of the reasons for the determination.
- (g) Restrictions on assistance to noncitizens. The informal hearing provisions for the denial of assistance on the basis of ineligible immigration status are contained in 24 CFR part 5.

SECTION 14 THE PROCESS FOR ESTABLISHING AND REVISING VOUCHER PAYMENT STANDARDS

Payment standard amount and schedule. *(982.503)*

- (a) Payment standard schedule.
 - (1) HUD publishes the fair market rents for each market area in the United States. The PHA must adopt a payment standard schedule that establishes Voucher payment standard amounts for each FMR area in the PHA jurisdiction. For each FMR area, the PHA must establish payment standard amounts for each 'unit size.' Unit size is measured by number of bedrooms (zero-bedroom, one-bedroom, and so on).
 - (2) The payment standard amounts on the PHA schedule are used to calculate the monthly Housing Assistance Payment for a family.
 - (3) The PHA Voucher payment standard schedule shall establish a single payment standard for each unit size in an FMR area and, if applicable, in an exception payment standard area within an FMR area.

- (b) Establishing payment standard amounts.
 - (1)
 - (i) The PHA may establish the payment standard amount for a unit size at any level between 90 percent and 110 percent of the published FMR for that unit size. HUD approval is not required to establish a payment standard amount in that range ('basic range').
 - (ii) The PHA may establish a separate payment standard within the basic range for a designated part of an FMR area.
 - (iii) The PHA may establish a higher payment standard within the basic range if required as a reasonable accommodation for a family that includes a person with disabilities.
 - (2) The PHA must request HUD approval to establish a payment Standard amount that is higher or lower than the basic range. HUD has sole discretion to grant or deny approval of a higher or lower payment standard amount. Paragraph (c) of this section describes the requirements for approval of a higher payment standard amount ('exception payment standard amount').

- (3) The PHA must request HUD approval to establish a payment standard amount that is higher or lower than the basic range. HUD has sole discretion to grant or deny approval of a higher or lower payment standard amount. Paragraph (c) of this section describes the requirements for approval of a higher payment standard amount ('exception payment standard amount').

(c) HUD approval of exception payment standard amount.

- (1) HUD discretion. At HUD's sole discretion, HUD may approve a payment standard amount that is higher than the basic range for a designated part of the fair market rent area (called an 'exception area'). HUD may approve an exception payment standard amount in accordance with this paragraph (c) of this section for all units, or for all units of a given unit size, leased by program families in the exception area. Any PHA with jurisdiction in the exception area may use the HUD-approved exception payment standard amount.

- (2) Above 110 percent of FMR to 120 percent of FMR.

- (i) The HUD Field Office may approve an exception payment standard amount from above 110 percent of the published FMR to 120 percent of the published FMR if such office determines that such approval is justified by either the median rent method or the 40th percentile rent as described below (and that such approval is also supported by an appropriate program justification in accordance with paragraph (c)(4) of this section).

- (A) Median rent method. In the median rent method, HUD determines the exception payment standard amount by multiplying the FMR times a fraction of which the numerator is the median gross rent of the exception area and the denominator is the median gross rent of the entire FMR area. In this method, HUD uses median gross rent data from the most recent decennial United States census, and the exception area may be any geographic entity within the FMR area (or any combination of such entities) for which median gross rent data is provided in decennial census products.

- (B) 40th percentile rent method. In this method, HUD determines that the area exception rent equals the 40th percentile of rents to lease standard quality rental housing in the exception area. HUD determines the 40th percentile rent in accordance with the methodology described in 888.113 of 24 CFR for determining fair market rents. A PHA must present statistically representative rental housing survey data to justify HUD approval.
- (i) The HUD Field Office may approve an exception payment standard amount within the upper range if required as a reasonable accommodation for a family that includes a person with disabilities.
- (b) HUD approval of payment standard amount below the basic range.
 HUD may consider a PHA request for approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve PHA establishment of a payment standard lower than the basic range. In determining whether to approve the PHA request, HUD will consider appropriate factors, including rent burden of families assisted under the program. HUD will not approve a lower payment standard if the family share for more than 40 percent of participants in the PHA's voucher program exceeds 30 percent of adjusted monthly income. Such determination may be based on the most recent examinations of family income.
- (c) HUD review of PHA payment standard schedules.
- (1) HUD will monitor rent burdens of families assisted in a PHA's Voucher program. HUD will review the PHA's payment standard for a particular unit size if HUD finds that 40 percent or more of such families occupying units of that unit size currently pay more than 30 percent of adjusted monthly income as the family share. Such determinations may be based on the most recent examinations of family income.
- (1) After such review, HUD may, at its discretion, require the PHA to modify payment standard amounts for any unit size on the PHA payment standard schedule. HUD may require the PHA to establish an increased payment standard amount within the basic range.

- (2) Above 120 percent of FMR.
 - (i) At the request of a PHA, the Assistant Secretary for Public and Indian Housing may approve an exception payment standard amount for the total area of a county, PHA jurisdiction, or place if the Assistant Secretary determines that
 - (A) Such approval is necessary to prevent financial hardship for families
 - (B) Such approval is supported by statistically representative rental housing survey data to justify HUD approval in accordance with the methodology described in 888.113 of 24 CFR; and
 - (C) Such approval is also supported by an appropriate program justification in accordance with paragraph (c)(4) of this section.
 - (ii) For purposes of paragraph (c)(3) of this section, the term 'place' is an incorporated place or a U.S. Census designated place. An incorporated place is established by State law and includes cities, boroughs, towns, and villages. A U.S. Census designated place is the statistical counterpart of an incorporated place.
- (4) Program justification.
 - (i) HUD will only approve an exception payment standard amount (pursuant to paragraph (c)(2) or paragraph (c)(3) of this section) if HUD determines that approval of such higher amount is needed either:
 - (A) To help families find housing outside areas of high poverty, or
 - (B) Because Voucher holders have trouble finding housing for lease under the program within the term of the Voucher.
 - (ii) HUD will only approve an exception payment standard amount (pursuant to paragraph (c)(3) of this section) after six months from the date of HUD approval of an exception payment standard pursuant to paragraph (c)(2) of this section for the area.

- (5) Population. The total population of HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.
- (6) Withdrawal or modification. At any time, HUD may withdraw or modify approval to use an exception payment standard amount.
- (7) Transition: Area exception rents approved prior to merger date. Subject to paragraph (c)(6) of this section, the PHA may establish an exception payment standard amount up to the amount of a HUD-approved area exception rent in effect at the merger date.

SECTION 15 THE METHOD OF DETERMINING THAT RENT TO OWNER IS A REASONABLE RENT (INITIALLY AND DURING THE TERM OF A HAP CONTRACT)

I. Rent to owner: Reasonable rent. (982.507)

- (a) PHA determination.
 - (1) The PHA may not approve a lease until the PHA determines that the initial rent to owner is a reasonable rent.
 - (2) The PHA must redetermine the reasonable rent:
 - (i) Before any increase in the rent to owner;
 - (ii) If there is a five percent decrease in the published FMR in effect 60 days before the contract anniversary (for the unit size rented by the family) as compared with the FMR in effect one year before the contract anniversary;
 - (iii) If directed by HUD.
 - (3) The PHA may also redetermine the reasonable rent at any other time.
 - (4) At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent as most recently determined or redetermined by the PHA.
- (b) Comparability. The PHA must determine whether the rent to owner is a reasonable rent in comparison to rent for other comparable unassisted

units. To make this determination, the PHA must consider:

- (1) The location, quality, size, unit type, and age of the contract unit; and
 - (2) Any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.
- (c) Owner certification of rents charged for other units. By accepting each monthly Housing Assistance Payment from the PHA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner must give the PHA information requested by the PHA on rents charged by the owner for other units in the premises or elsewhere.

II. Rent to owner: maximum family share at initial occupancy. *(982.508)*

At the time the PHA approves a tenancy for initial occupancy of a dwelling unit by a family with tenant-based assistance under the program, and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share must not exceed 40 percent of the family's adjusted monthly income. The determination of adjusted monthly income must be based on verification information received by the PHA no earlier than 60 days before the PHA issues a voucher to the family.

III. Rent to owner in subsidized projects. *(982.509)*

In addition to the rent reasonableness limit under this subpart, the amount of rent to owner also may be subject to rent control limits under State or local law.

IV. Other fees and charges. *(982.510)*

- (a) The cost of meals or supportive services may not be included in the rent to owner, and the value of meals or supportive services may not be included in the calculation of reasonable rent.
- (b) The lease may not require the tenant or family members to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.
- (c) The owner may not charge the tenant extra amounts for items customarily included in rent in the locality, or provided at no additional cost to unsubsidized tenants in the premises.

SECTION 16 SPECIAL POLICIES CONCERNING SPECIAL HOUSING TYPES IN THE PROGRAM (E.G., USE OF SHARED HOUSING)

This PHA has no Special Housing Types. When Special Housing types are obtained, they will be administered according to HUD written regulations and rules, and/or if applicable any State or Local Laws. Changes in this Administration Plan will be reviewed and approved by the Board of Commissioners.

SECTION 17 POLICIES CONCERNING PAYMENT BY A FAMILY TO THE PHA OF AMOUNTS THE FAMILY OWES THE PHA

- (a) Program participants who owe the PHA a balance will not be allowed to relocate until their balance is paid in full. The PHA will not accept a new lease or enter into a landlord contract for any tenant who owes a balance of any kind.
- (b) The PHA may allow repayment agreements for program participants not to exceed 6 months maximum time period. Agreements will be for participants who owe the PHA for income that was not reported in a timely manner, and/or any funds paid by the PHA on the program participants' behalf.
 - (1) This PHA will consider timely manner to be within 10 days.
 - (2) This PHA will only allow repayment agreements with program participants.
- (c) Families that leave the program owing the PHA money will be offered a repayment agreement in accordance with the PHA Repayment Policy.

SECTION 18 INTERIM REDETERMINATIONS OF FAMILY INCOME AND COMPOSITION

- (a) When PHA conducts interim reexamination.
 - (1) The PHA will conduct an interim reexamination of family income when the increase is greater than \$100 monthly. Any change of family composition must be reported to the PHA within 30 days.
 - (2) At any time, the family may request an interim determination of family income or composition because of any changes since the last determination. The PHA must make the interim determination within a reasonable time after the family request.
- (b) Effective date of reexamination.

Changes in income must be reported and verification in the PHA office no later than the 25th of the month preceding the effective date of the rent

change.

- (c) Family member income. Family income must include income of all family members, including family members not related by blood or marriage. If any new family member is added, family income must include any income of the additional family member. The PHA must conduct a reexamination to determine such additional income, and must make appropriate adjustments in the Housing Assistance Payment.

SECTION 19 RESTRICTIONS, IF ANY, ON THE NUMBER OF MOVES BY A PARTICIPANT FAMILY

Move with continued tenant-based assistance. (982.314)

- (a) Applicability. This section states when a participant family may move to a new unit with continued tenant-based assistance:
- (b) When family may move. A family may move to a new unit if:
 - (1) The assisted lease for the old unit has terminated. This includes a termination because:
 - (i) The PHA has terminated the HAP contract for the owner's breach; or
 - (ii) The lease has terminated by mutual agreement of the owner and the tenant.
 - (2) The owner has given the tenant a notice to vacate, or has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant.
 - (3) The tenant has given notice of lease termination (if the tenant has a right to terminate the lease on notice to the owner, for owner breach or otherwise).
- (c) How many moves.
 - (1) A participant family may move one or more times with continued assistance under the program, either inside the PHA jurisdiction, or under the portability procedures.
 - (2) The PHA policy on moves:
 - (i) PHA prohibits any move by the family during the initial year

of assisted occupancy, unless;

(A) Move would provide for a verified medical need.

(B) Move would provide employment or educational opportunity.

(ii) PHA prohibits more than one move by the family during any one year period, unless;

(A) Move would provide for a verified medical need.

(B) Move would provide employment or educational opportunity.

(3) This policy applies to moves within the PHA jurisdiction by a participant family, and to moves by a participant family outside the PHA jurisdiction under portability procedures. Grapevine Housing Authority issues vouchers for residents who will be living within the jurisdiction of GHA. All Vouchers must stay within Grapevine for a period of one (1) year before becoming eligible for portability.

(d) Notice that family wants to move.

(1) If the family terminates the lease on notice to the owner, the family must give the PHA a copy of the notice at the same time.

(2) If the family wants to move to a new unit, the family must notify the PHA and the owner before moving from the old unit. If the family wants to move to a new unit that is located outside the initial PHA jurisdiction, the notice to the initial PHA must specify the area where the family wants to move.

(e) When PHA may deny permission to move.

(1) The PHA may deny permission to move if the PHA does not have sufficient funding for continued assistance.

(2) At any time, the PHA may deny permission to move in accordance with Section 2 of this plan.

SECTION 20 APPROVAL BY THE BOARD OF COMMISSIONERS OR OTHER AUTHORIZED OFFICIALS TO CHARGE THE ADMINISTRATIVE FEE RESERVE;

(a) The PHA Board of Commissioners must approve any request for

expenditures which may be made from the operating reserve, for other housing purposes, on a case by case basis.

- (a) For operating reserve expenditures, for other housing purposes, the PHA Board, as part of its approval, will make an affirmative determination that the expenditures are necessary and reasonable for purposes consistent with the PHA's authorities under State and local law.

(4) (I) In addition to meeting HQS performance requirements, the housing must meet the acceptability criteria stated in this section, unless variations are approved by HUD.

iv

(ii) HUD may approve acceptability criteria variations for the following purposes:

(A) Variations which apply standards in local housing codes or other codes adopted by the PHA; or

(B) Variations because of local climatic or geographic conditions.

(iii) Acceptability criteria variations may only be approved by HUD pursuant to paragraph (a)(4)(ii) of this section if such variations either:

(A) Meet or exceed the performance requirements; or

(B) Significantly expand affordable housing opportunities for Families assisted under the program.

(i) HUD will not approve any acceptability criteria if HUD believes that such variation is likely to adversely affect the health of safety of participant families, or severely restrict housing choice.

Lead-based paint performance requirement—

- (1) Purpose and applicability.
 - (i) The purpose of paragraph (j) of this section is to implement section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. Paragraph (j) of this section is issued under 24 CFR 35.24 (b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
 - (ii) The requirements of paragraph (j) of this section do not apply to
iv 0-bedroom units, units that are certified by a qualified inspector to
v be free of lead-based paint, or units designated exclusively for
vi elderly. The requirements of subpart A of 24 CFR part 35 apply to

HEPA means a high efficiency particle accumulator as used in lead abatement vacuum cleaners.

Lead-based paint. A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm²), or 0.5 percent by weight or 5000 parts per million (PPM).

(1) Requirements for pre-1978 units with children under 6.

- (i) If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part), must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph (j)(6) of this section.

The PHA may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph (j)(2) of this section. For purposes of this section, a qualified lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.

Treatment of defective paint surfaces required under this section must be completed within 30 calendar days of PHA notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30 day period, treatment as required by paragraph (j)(6) of this section may be delayed for a reasonable time.

- (i) The requirements in this paragraph (j)(3) apply to:

- (A) All painted interior surfaces within the unit (including ceilings but excluding furniture);

- (B) The entrance and hallway providing access to a unit in a Multi-unit building; and

- (C) Exterior surfaces up to five feet from the door or ground that
Are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- (1) Additional requirements for pre-1978 units with children under 6 with an EBL.
 - (i) In addition to the requirements of paragraph (j)(3) of this section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
 - (ii) Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the surface in accordance with paragraph (j)(6) of this section is required, and treatment shall be completed within the time limits in paragraph (j)(3) of this section. The requirements in paragraph (j)(4) of this section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - (A) Within the unit;
 - (B) The entrance and hallway providing access to a unit in a multi-unit building; and
 - (C) Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- (1) Treatment of chewable surfaces without testing. In lieu of the

procedures

set forth in paragraph (j)(4) of this section, the PHA may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph (j)(6) of this section.

- (2) Treatment methods and requirements. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
- (i) A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (A) More than 10 square feet on an exterior wall;
 - (B) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls; or
 - (C) More than 10 percent of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, window sills, baseboards and trims.
 - (i) Acceptable methods of treatment are: removal by wet scraping, wet sanding, chemical stripping on or off site, replace painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials with joints and edges sealed and caulked as needed to prevent the escape of lead contaminated dust.
 - (ii) Prohibited methods of removal are: open flame burning or torching; machine sanding or grinding without a HEPA exhaust; un-contained hydroblasting or high pressure wash; and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totalling no more than twenty

square feet on exterior surfaces.

- (iii) During exterior treatment soil and playground equipment must be protected from contamination.
 - (iv) All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
 - (v) Waste and debris must be disposed of in accordance with all applicable Federal, state and local laws.

- (2) Owner information responsibilities. Prior to execution of the HAP contract, the owner must inform the PHA and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- (3) PHA data collection and record keeping responsibilities.
- (i) The PHA must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the PHA must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint the PHA must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this section, the family must be issued a certificate or voucher to move.
 - (ii) The PHA must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the PHA must keep the test results indefinitely and, if applicable, the owner certification of treatment. The records must indicate which

chewable surfaces in the dwelling units have been tested and which chewable surfaces in the units have been treated. If records establish that certain chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this section, such chewable surfaces do not have to be tested or treated at any subsequent time.

- (k) Access performance requirement. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).
- (l) Site and Neighborhood—
 - (1) Performance requirement. The site and neighborhood must be Reasonably free from disturbing noises and reverberations and other dangers to the health, safe, and general welfare of the occupants.

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied

by any hearing impaired person, smoke detectors must have an alarm system, designed for hearing-impaired person, as specified in NFPA 74 (or successor standards).

- (2) For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993 in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992, (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

 - (3) The PHA must give the family a statement of the PHA policy on providing information to owners. The statement must be included in the information packet that is given to a family selected to participate in the program. The PHA policy must provide that the PHA will give the same types of information to all families and to all owners.

SECTION 23 Up Front Income Verification System Policy

The Up Front Income Verification System (UIV) provides PHAs with information supplied from state wage income collection agencies (SWICA) and the Social Security Administration. Quarterly wage information, bi-weekly unemployment benefit information and Social Security benefits information are provided through a data matching process for households covered by a 50058 form submitted to HUD.

The UIV System shall be used in conjunction with other methods of verification to verify income at the time of acceptance to the program, annual re-certification, interim re-exams, zero income residents/participants or at any other time at the discretion of the PHA.

The PHA shall compare Income information provided by the applicant/resident/participant (hereafter ARP) or their employer with information obtained from SWICA or other federal agencies.

1. **Income discrepancy** is income information revealed by third party sources that differs from ARP supplied information. HUD defines a substantial difference as one that is \$200 or more per month.

- a. If income data provided by UIV is found to be more than ARP provided documentation, the PHA will use UIV income data to calculate anticipated annual income unless the ARP provides the PHA with documentation of a change in circumstances (*i.e.*, change in employment, reduction in hours, etc.). This documentation shall be dated within the last 60 days of the interview date. Upon receipt and acceptance of change in circumstances documentation, the PHA will calculate the anticipated annual income.
 - b. The PHA shall enter into a repayment agreement for any unresolved income discrepancies found in the previous 12 to 24 months.
1. In cases where UIV income data is **substantially** different than ARP provided documentation (more than \$200 per month), the PHA shall:
 - a. Request written third party verification from the discrepant income source, in accordance with 24 CFR 5.236(3)(I).
 - b. Review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the PHA can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
 - c. Analyze all data (UIV data, third party verification and other documents/information provided by the ARP) and attempt to resolve the income discrepancy. If ARP disputes UIV SS/SSI benefit data, the PHA shall require the ARP to provide the PHA with a current, original SSA notice or benefit letter within 10 business days of the interview date.
 - d. Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.
 - e. The PHA shall pursue appropriate action for any income discrepancies that are not resolved. Repayment agreements may be offered for any amount less than \$2,400 to be paid within two years. Any amount over \$5,000 shall be referred to the District Attorney or Federal Bureau of Investigation (FBI) and shall result in termination of assistance.

CALL TO ORDER

The meeting was called to order at 10:00 a.m.

Debra Wells, Executive Director discussed with the residents the changes to the Capital Funds Budget, which included moving irrigation funds back a year to allow for central air units to be installed on W. Worth Street. Residents from W. Worth Street inquired as to when they would get the central air. They were told we were hoping to start the W. Worth central air project as soon as the current project ended and that we had already started working with the architect.

We discussed the time line of when the new windows would be installed. The residents remained pleased with the plan.

It was decided that the annual picnic would be held on September 30, 2005 from 5:00 p.m. to 7:00 p.m. The location will be the same place as last year on W. Worth Street under the big tree. Kentucky Fried Chicken, rolls and tea will be bought from the RAB funds. Residents will bring their favorite dish to share.

The Business meeting ended and bingo was played for an hour. Flo Widner won a door prize.

Meeting was adjourned at 11:20 a.m.
