The Mt. Pleasant Housing Commission has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. We have adopted the following mission statement which reflects our continued commitment to provide quality housing choices and available assistance for our program participants:

To be the area's affordable housing of choice. We provide and maintain safe, quality housing in a cost effective manner. By partnering with others, we offer rental assistance and other related services to our community.

The Goals and Objectives we have adopted are both reasonable and attainable, and our Annual Plan is based on the premise that if we accomplish these goals and objectives, we will be working towards the achievement of our mission. Taken as a whole, the plan, statements, policies, etc. set forth in the Annual Plan are consistent with the Consolidated Plan of the State of Michigan. A few highlights of our Annual Plan are:

- 1. Continue to leverage funds allocated by the Saginaw-Chippewa Indian Tribal Council to improve our existing public housing stock, keeping it viable**
- 2. Continue to achieve High Performer status.**

3. Reduce turnover time by increasing waiting list.
In summary, we are on course to improve and preserve the condition of affordable housing in our area.

Attachment No. MI074a01

Mt. Pleasant Housing Commission Admissions and Continued Occupancy Policy Deconcentration Plan

Section III, A, 3: Deconcentration Plan

It is the policy of the Mt. Pleasant Housing Commission to provide for deconcentration of poverty and encourage income mixing, including a small number of families who are over the income guidelines if necessary, by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a higher or lower income. We will accomplish this in a uniform and non-discriminatory manner.

The Mt. Pleasant Housing Commission will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income persons will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families living in each of our developments, the income levels of the corresponding census tracts, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.
