ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Bronson Housing Commission's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Bronson Housing Commission to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Bronson Housing Commission's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Bronson Housing Commission will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Bronson Housing Commission office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Bronson Housing Commission will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Bronson Housing Commission will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Bronson Housing Commission housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request

accommodations and the guidelines the Bronson Housing Commission will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Bronson Housing Commission will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Bronson Housing Commission will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Bronson Housing Commission will obtain documentation that the requested accommodation is needed due to the disability. The Bronson Housing Commission will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Bronson Housing Commission's business is housing. If the request would alter the fundamental business that the Bronson Housing Commission conducts, that would not be reasonable. For instance, the Bronson Housing Commission would deny a request to have the Bronson Housing Commission do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Bronson Housing Commission may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is they need; however, the Bronson Housing Commission retains the right to be shown how the requested accommodation enables the individual to access or use the Bronson Housing Commission's programs or services.

If more than one accommodation is equally effective in providing access to the Bronson Housing Commission's programs and services, the Bronson Housing Commission retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Bronson Housing Commission if there is no one else willing to pay for the modifications. If another party pays for the modification, the Bronson Housing Commission will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Bronson Housing Commission will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

Since the presence of non-English speaking populations is very rare, The Bronson Housing Commission will not maintain non-English speaking staff. However, the whenever necessary, the Bronson Housing Commission will endeavor to provide access to people who speak languages other than English in order to assist non-English speaking families.

4.0 FAMILY OUTREACH

The Bronson Housing Commission will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Bronson Housing Commission will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Bronson Housing Commission will also try to utilize public service announcements.

The Bronson Housing Commission will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Bronson Housing Commission will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)

Completed applications will be accepted for all applicants and the Bronson Housing Commission will verify the information.

The completed application will be dated and time stamped at time of application.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Bronson Housing Commission to make special arrangements. A Telecommunication Device for the Deaf (TTY) is available for the deaf. The TTY telephone number is (517) 369-6265.

The Bronson Housing Commission will issue a final determination of eligibility when the family nears the top of the waiting list. The Bronson Housing Commission will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

8.3 *SUITABILITY*

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Bronson Housing Commission will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Bronson Housing Commission employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

1. A credit check of the head, spouse and co-head;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Bronson Housing Commission may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
 4. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Bronson Housing Commission will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Bronson Housing Commission, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Bronson Housing Commission's decision. The Bronson Housing Commission must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The participant family may request that the Bronson Housing Commission provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 **MANAGING THE WAITING LIST**

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the Bronson Housing Commission and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family nears the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Bronson Housing Commission must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Bronson Housing Commission may update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Bronson Housing Commission has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Bronson Housing Commission will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep three scheduled appointments with the Bronson Housing Commission will be sent a notice of termination of the process for eligibility.

The Bronson Housing Commission will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Bronson Housing Commission will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Bronson Housing Commission, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Bronson Housing Commission system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant

claims that their failure to respond to a request for information or updates was caused by a disability, the Bronson Housing Commission will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

PREFERENCES

In the absence of a federally mandated deconcentration plan, the Bronson Housing Commission will select families based on the following preferences within each bedroom size category:

- A. Elderly/Disabled Families
- B. Near Elderly Families
- C. Homeless or Involuntarily Displaced, Rent Burden, Substandard Housing (as defined below)

1. Involuntary Displacement

An applicant is or will be involuntarily displaced if the applicant has vacated or will have to vacate his or her housing unit as a result of one or more of the following actions:

- a. Disaster, such as a fire or flood, that results in the uninhabitability of an applicant's unit;
- A. Activity carried on by an agency of the United States or by any State or local governmental body or agency in connection with code enforcement or a public improvement or development program; or
- B. Action by a housing owner that results in an applicant's having to vacate his/her unit, where:
 - C. The reason for the owner's action is beyond an applicant's ability to control or prevent;
 - D. The action occurs despite an applicant's having met all previously imposed conditions of occupancy; and
 - E. The action taken is other than a rent increase.

An applicant is also involuntarily displaced if:

- A. The applicant has vacated his or her housing unit as a result of actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other member of the applicant's household; or
- B. The applicant lives in a housing unit with such an individual who engages in such violence. For purposes of this paragraph, the actual or threatened violence must, as determined by the PHA in accordance with HUD's administrative instructions have occurred recently or be of a continuing nature.
- C. The applicant has provided information on criminal activity to a law enforcement agency, and based on a threat assessment, the law enforcement agency recommends re-housing the family to avoid reprisals. (Displacement to Avoid Reprisals)
- D. The applicant is a victim of a hate crime. A hate crime means actual or threatened physical violence or intimidation against a person or the person's property that is based on the person's race, color, religion, sex, national origin, handicap, or familial status. (Displacement by Hate Crime)
- E. The applicant or family member has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make the necessary changes as a reasonable accommodation to the disabled person. (Displacement by inaccessibility of unit)
- F. The applicant has been or will be displaced because of HUD disposition of a multifamily unit.

For purposes of this section, reasons for an applicant having to vacate a housing unit include, but are not limited to:

- 1) Conversion of an applicant's housing unit to non-rental or non-residential use;
 - A. Closure of an applicant's housing unit for rehabilitation or for any other reason,
 - B. Notice to an applicant that he or she must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy;
 - C. Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred;

- D. Any other legally authorized act that results or will result in the withdrawal by the owner of the unit or structure from the rental market. Such reasons do not include the vacating of a unit by a tenant as a result of actions taken because of the tenant's refusal:
- E. To comply with applicable program policies and procedures under this title with respect to the occupancy of under occupied and overcrowded units or;
- F. To accept a transfer to another housing unit in accordance with a court decree or in accordance with such policies and procedures under a HUD approved desegregation plan.

2. Substandard Housing

A housing unit is substandard if it:

- a. Is dilapidated;
 - A. Does not have operable indoor plumbing;
 - B. Does not have a usable flush toilet inside the unit for the exclusive use of a family;
 - C. Does not have a usable bathtub or shower inside the unit for the use of a family;
 - D. Does not have electricity, or has inadequate or unsafe electrical service;
 - f. Does not have a safe or adequate source of heat;
 - A. Should, but does not, have a kitchen, or;
 - B. Does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family, or it has one or more critical defects, or a combination of intermediate defects in sufficient number or extent to require considerable repair or rebuilding. The defects may involve original construction, or they may result from continued neglect or lack of repair or from serious damage to the structure.

For the purposes of this paragraph, an applicant who is a "homeless family" is living in substandard housing. For purposes of the preceding sentence, a "homeless family" includes any individual or family who:

- a. Lack a fixed, regular, and adequate nighttime residence; and
- b. Has a primary nighttime residence that is:
 - B. A supervised publicly or privately operated shelter designed to provide temporary living accommodations including welfare

hotels, congregate shelters, and transitional housing for the mentally ill;

- C. An institution that provides a temporary residence for individuals intended to be institutionalized; or
- D. A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

A "homeless family" does not include any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State law.

For the purposes of this section, definition of a "homeless family" includes participants in transitional housing programs.

For purposes of this section, Single Room Occupancy (SRO) Housing (as defined in CFR 822.102) is not substandard solely because it does not contain sanitary or food preparation facilities (or both).

3. Rent Burden

For purposes of this section, rent is defined as:

- a. The actual amount due, calculated on a monthly basis, under a lease or occupancy agreement between a family and the family's current landlord; and
- b. In the case of utilities purchased directly by tenants from utility providers:
 - A. The PHA's reasonable estimate of tenant-purchased utilities (except telephone) and the other housing services that are normally included in rent; or,
 - B. If the family chooses, the average monthly payments that it actually made for these utilities and services for the most recent 12 month period or, if information is not obtainable for the entire period, for an appropriate recent period.

For the purposes of determining a preference under this section, applicant must document that they have been paying more than 50 percent of monthly income for rent for at least 90 days.

For purposes of calculating rent under this section, amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the otherwise applicable rental amount to the extent that they are not included in the family's income.

In the case of an applicant who owns a manufactured home, but who rents the space upon which it is located, rent under this section includes the monthly payment to amortize the purchase price of the home, as calculated in accordance with HUD's requirement.

In the case of members of a cooperative, rent under this section means the charges under the occupancy agreement between the members and the cooperative.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C, and preference C families will be offered housing before any families in preference D.

The date and time of application will be noted and utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons
--------------------	-------------------

	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Bronson Housing Commission will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex may share a bedroom.
- B. Children of the opposite sex may share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Bronson Housing Commission will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size units for 3 years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Bronson Housing Commission will allow the

larger size unit if the family provides a verified medical need that the family be housed in a larger unit.

- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

10.3 SELECTION FROM THE WAITING LIST

The Bronson Housing Commission shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

Since the Bronson Housing Commission has only one family development, it is exempt from federal deconcentration requirements.

10.5 OFFER OF A UNIT

When the Bronson Housing Commission discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income-targeting goal.

The Bronson Housing Commission will contact the family first via first-class mail to make the unit offer. The family will be given fourteen (14) calendar days from the date the letter was mailed to contact the Bronson Housing Commission regarding the offer. If the family rejects the

offer of the unit, the Bronson Housing Commission will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the Bronson Housing Commission skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Bronson Housing Commission did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Commission personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Bronson Housing Commission will retain the original executed lease in the tenant's file. A copy

of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to the Total Tenant payment or \$50.00 whichever is greater

In exceptional situations, the Bronson Housing Commission reserves the right to allow a new resident to pay their security deposit in up to two payments. One half shall be paid in advance, and one half with their second rent payment. This shall be at the sole discretion of the Housing Commission.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the Bronson Housing Commission counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Bronson Housing Commission subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal

Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.

- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage,

the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 3. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted as income.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;

- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Commission or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;
 - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
 - 6. Temporary, nonrecurring or sporadic income (including gifts);

7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
 - i. Is authorized by a Federal, State or local law;
 - ii. Is funded by the Federal, State or local government;
 - iii. Is operated or administered by a public agency; and
 - iv. Has as its objective to assist participants in acquiring employment skills.
 - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
 - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally,

this exclusion is only available to the following families:

- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
- b. Families whose income increases during the participation of a family member in any family self-sufficiency program.

The following deductions will be made from annual income:

- A. \$480 for each dependent;

- B. \$400 for any elderly family or disabled family;
- C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.
- D. For any elderly or disabled family:
 - 1. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;

 - 3. That has disability assistance expenses that are less than 3% of annual income, an allowance for combined disability assistance expenses and medical expenses that is equal to the total of these expenses less 3% of annual income.
- E. Child care expenses.

12.0 VERIFICATION

The Bronson Housing Commission will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Bronson Housing Commission or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Bronson Housing Commission will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Bronson Housing Commission has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Bronson Housing Commission will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Bronson Housing Commission will make a copy of the individual's INS documentation and place the copy in the file. The Bronson Housing Commission will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Bronson Housing Commission will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Bronson Housing Commission determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Bronson Housing Commission will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Bronson Housing Commission will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Commission will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Commission will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent may request to have a reexamination and return to the formula based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

13.2 THE FORMULA METHOD

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

The family will pay the greater of the total tenant payment or the minimum rent of \$ 0.

In the case of a family who has qualified for the income exclusion at Section 11.2(H)(11), upon the expiration of the 12-month period described in that section, an additional rent benefit accrues to the family. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received.

13.3 MINIMUM RENT

The Bronson Housing Commission has set the minimum rent at \$ 0. However if the family requests a hardship exemption, the Bronson Housing Commission will immediately suspend the minimum rent for the family until the Housing Commission can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program;
 2. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 3. When the income of the family has decreased because of changed circumstances, including loss of employment;
 4. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 5. When a death has occurred in the family.
- B. No hardship. If the Housing Commission determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Commission reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Commission will offer a repayment agreement in accordance with the Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Commission will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Commission determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Commission's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Bronson Housing Commission has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its condition, amenities, services, and neighborhood. The Bronson Housing Commission determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The Bronson Housing Commission will post the flat rents at each of the developments and at the central office and are incorporated in this policy upon approval by the Board of Commissioners.

13.5 CEILING RENT

The Bronson Housing Commission chooses not to implement ceiling rents.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Bronson Housing Commission will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Bronson Housing Commission will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Bronson Housing Commission. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The Bronson Housing Commission shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Bronson Housing Commission will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's formula or flat rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Bronson Housing Commission. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For Bronson Housing Commission paid utilities, the Bronson Housing Commission will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Bronson Housing Commission will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Bronson Housing Commission for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Bronson Housing Commission purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Bronson Housing Commission on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at **318 South Ruggles**. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment

If the rent is not paid by the fifth of the month, a Notice to Quit will be issued to the tenant. In addition, a \$10 late charge or \$1 a day, whichever is greater, will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge of the actual amount of the NSF bank processing fee.

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older
- B. Family members who are blind or disabled
- C. Family members who are the primary care giver for someone who is blind or disabled
- D. Family members engaged in work activity
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

The Bronson Housing Commission shall identify all adult family members who are apparently not exempt from the community service requirement.

The Bronson Housing Commission shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Bronson Housing Commission shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat

rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Bronson Housing Commission will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Bronson Housing Commission may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Bronson Housing Commission will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The

volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.

- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Bronson Housing Commission whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Bronson Housing Commission will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Bronson Housing Commission will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Bronson Housing Commission shall take action to terminate the lease.

15.0 RECERTIFICATIONS

At least annually, the Bronson Housing Commission will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Bronson Housing Commission will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Bronson Housing Commission will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Bronson Housing Commission taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent

- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every year.
- E. Families who opt for the flat rent may request to have a reexamination and return to the formula-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.
- F. The dates upon which the Bronson Housing Commission expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Bronson Housing Commission will send a reexamination letter to the family offering the choice between a flat or a formula rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Bronson Housing Commission may assist the family in identifying the rent method that would be most advantageous for the family.

15.4 THE FORMULA METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Bronson Housing Commission will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income; or
- B. 30% of adjusted monthly income.

The family will pay the greater of the total tenant payment or the minimum rent of \$ 0.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Bronson Housing Commission between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Bronson Housing Commission will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Bronson Housing Commission will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Bronson Housing Commission may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the

date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Bronson Housing Commission's deconcentration goal.
- F. To eliminate vacancy loss and other expense due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Bronson Housing Commission occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Bronson Housing Commission when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;
- D. The family is current in the payment of all charges owed the Bronson Housing Commission and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of

housekeeping problems during the last year;

- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Commission staff.
- G. Participates in a series of classes conducted by the Bronson Housing Commission on basic home and yard care.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Bronson Housing Commission and the family rejects two offers without good cause, the Bronson Housing Commission will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Bronson Housing Commission's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides

deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.

- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Bronson Housing Commission in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Bronson Housing Commission has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Bronson Housing Commission. This means the family must be in

compliance with their lease, current in all payments to the Housing Commission, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by requesting a transfer in writing. In considering the request, the Bronson Housing Commission may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Bronson Housing Commission will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Bronson Housing Commission will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

Tenant families shall be allowed to transfer from one dwelling unit to another within a development, provided the following is agreed to in writing by the Tenant and Executive Director and/or his designee prior to authorization to move:

To pay in full, the higher of the following, immediately following management's authorization to move:

- a. Actual labor and material costs for preparing the currently occupied unit, or;
- b. Actual labor and material costs for preparing the unit to be occupied.

To absorb all costs for moving and to hold the Commission harmless in the case of damage or loss during the move.

Moves will only be authorized within a development when an insufficient number of approved applications are available for the immediate re-rental of all vacant units. At all times applicants shall be given preference over tenants already in residence for the selection of dwelling units. Transfers between developments shall be made for families requiring larger size units that do not exist within a development.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE BRONSON HOUSING COMMISSION IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Bronson Housing Commission and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Bronson Housing Commission file and a copy given to the family member. An authorized Bronson Housing Commission representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Bronson Housing Commission claim(s) for damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Bronson Housing Commission and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Bronson Housing Commission will inspect each public housing unit annually to ensure that each unit meets the Bronson Housing Commission's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Bronson Housing Commission.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Bronson Housing Commission will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Bronson Housing Commission will give the tenant at least two (2) days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Bronson Housing Commission has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 MOVE-OUT INSPECTIONS

The Bronson Housing Commission conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

A Pet Policy has been established by the Bronson Housing Commission and is hereby incorporated into this Policy by reference. A copy of the Pet Policy may be viewed at the Bronson Housing Commission's management office.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Bronson Housing Commission back charges and is unable to pay the balance by the due date, the resident may request that the Bronson Housing Commission allow

them to enter into a Repayment Agreement. The Bronson Housing Commission has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

20.0 TERMINATION

20.1 *TERMINATION BY TENANT*

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 *TERMINATION BY THE HOUSING COMMISSION*

The Bronson Housing Commission after 10/01/2000 will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Bronson Housing Commission will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit and ancillary facilities assigned to the resident in a safe and sanitary manner;

- G. Use of the premises for purposes other than as a dwelling unit (other than for Housing Commission approved resident businesses);

- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any criminal activity on the property or drug-related criminal activity on or off the premises. This includes but is not limited to the manufacture of methamphetamine on the premises of the Bronson Housing Commission;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) days each year without the prior written approval of the Housing Commission;
- M. Not abiding by necessary and reasonable regulations promulgated by management for the benefit and well being of the housing project and the tenants which shall be posted in the management office and is incorporated by reference in this Policy;

- R. Not refraining from illegal or other activity which impairs the physical or social environment of the project;
- S. If the Tenant, members of his household and visitors are in noncompliance with laws and city ordinances affecting the use or occupancy of the premises;
- T. Permits the storage of inflammables such as gasoline, naphtha, solvents, etc. without prior consent from the Bronson Housing Commission;

U. Other good cause.

The Bronson Housing Commission will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program.

20.3 ABANDONMENT

The Bronson Housing Commission will consider a unit to be abandoned when a resident has both fallen one monthly rental period behind in rent *and* has clearly indicated by words or actions an intention not to continue living in the unit. The Bronson Housing Commission will file a petition in Circuit Court to obtain receivership of the unit and contents. The following actions will take place only after receipt of a signed order by the Court.

A Bronson Housing Commission representative may enter the unit and remove any abandoned property. Such property will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold or disposed of as the Bronson Housing Commission sees fit. If the Bronson Housing Commission does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

The Bronson Housing Commission will mail a notice of the sale or disposition to the resident and then wait 30 days. Family pictures, keepsakes, and personal papers cannot be sold or disposed of until 30 days after the Bronson Housing Commission mails the notice of abandonment.

Any money raised by the sale of the property goes to cover money owed by the family to the Bronson Housing Commission such as retroactive rent, utility charges, the cost of storing and selling the goods, or other charges. If there is any money left over and the family's forwarding address is known the Bronson Housing Commission will mail it to the family. If the family's address is not known, the Bronson Housing Commission will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Bronson Housing Commission.

Within 30 days of learning of an abandonment, the Bronson Housing Commission will either return the deposit or provide a statement of why the deposit is being kept.

20.4 RETURN OF SECURITY DEPOSIT

After a family moves out, the Bronson Housing Commission will return the security deposit within 30 days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The Bronson Housing Commission will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within thirty calendar days.

Rental Payment

Resident shall pay monthly rent of **\$0.00**. If this Lease begins on a day other than the first day of the month, the first month's rent shall be **\$0.00**.

- This rent is based on the Commission-determined flat rent for this unit.

Families may change rent calculation methods at any recertification. Families who have chosen the flat rent option may request a reexamination and change to the formula-based method at any time if the family's income has decreased, their on-going expenses for such purposes as child care and medical care have changed or any other circumstances that create a hardship for the family that would be alleviated by a change.

Rent is due and payable in advance on the first day of each month at the Bronson Housing Commission management office and shall remain in effect until adjusted in accordance with the provisions of this lease. If a reasonable accommodation on where to pay rent is needed, other arrangements can be made.

If Resident fails to make the rent payment by the **fifth** day of the month, a notice to quit will be issued to the Resident. A minimum of \$10 late charge or \$1 a day, (whichever is greater), late charge will be assessed to cover the added costs of rent payment received after the fifth day of the month. A check returned for non-sufficient funds shall be considered non-payment of rent and will incur the late charge plus an additional charge of in the actual amount of the NSF bank processing fee.

If a family is paying the minimum rent and its circumstances change creating an inability to pay the rent, the family may request suspension of the minimum rent because of a recognized hardship.

In the event legal proceedings are required to recover possession of the premises, the Resident will be charged with the actual cost of such proceedings, including but not limited to Court costs and process server fees. Attorney fees incurred by the Bronson Housing Commission as a result of legal action shall not be charged to the tenant.

In the event a money judgment is issued by the court of proper jurisdiction in favor of the Bronson Housing Commission, statutory interest shall accrue.

The Landlord will hold this security deposit for the period the Resident occupies the dwelling unit. The Landlord shall not use the Security Deposit for rent or other charges while the Resident is living in the dwelling unit.

With the written permission of the Landlord, the Resident can incidentally use the premises for legally permissible income producing purposes so long as the business does not infringe on the rights of other Residents. All such business-related uses of the premises must meet all zoning requirements and the Resident must have the proper business licenses.

The Resident has the right to exclusive use and occupancy of the dwelling unit, which includes reasonable accommodation of the Resident's guests, visitors and, with the consent of the Landlord, foster children and/or adults and the live-in caregiver of the Resident's family.

This report, signed by both the Resident and Landlord, or Landlord's agent, is attached to this Lease.

At the time of move out, the Landlord shall complete another inspection of the dwelling unit. When the Resident notifies the Landlord of his or her intent to vacate, the Landlord shall advise the Resident of their opportunity to participate in the move-out inspection.

Utilities

The Bronson Housing Commission shall provide the following utilities as a part of this lease agreement but shall not be liable for the failure to provide service if beyond its control:

Management shall provide garbage collection, water and sewer and heat in the amounts and at times as necessary according to local customs and usage. However, Tenant agrees to immediately notify Management of any interruptions of any utility to his/her unit.

The dwelling unit shall include a stove and refrigerator provided by Management. Management shall not be responsible or liable for failure to supply any utilities for reasons beyond its control.

b. **Family Housing:**

The Tenant will contract for gas and electricity. A utility allowance shall be established by management and deducted from Tenant's gross rent to compensate for normal cost of Tenant-supplied utilities. The Tenant agrees to furnish heat to the dwelling unit and agrees to maintain sufficient heat to prevent freezing of piped water.

Tenant will be charged for any damages resulting from his or her failure to maintain sufficient heat or to notify management unless for any cause beyond his or her control.

The dwelling unit shall include a stove and refrigerator provided by Management. Management shall not be responsible or liable for failure to supply any utilities for reasons beyond its control.

Rent Recertifications

At least once each year, by the date specified by the Landlord, Residents who are paying rent based on their income shall provide updated information regarding income, assets, expenses, and family composition. The Landlord shall verify the information supplied by the Resident and use the verified information to establish the amount of the Resident's rent for the next year. At the time of the annual review, the landlord shall advise the Resident of any income that will be excluded from consideration. Increased earnings due to employment shall be excluded during the twelve month period following hire for families whose income has increased because of the employment of a family member who was previously unemployed for one or more years, because of participation in a self-sufficiency program or was assisted by a State TANF program within the last six months. At the time of the review appointment the Resident may elect to change his or her rent choice option.

In cases where annual income cannot be projected for a twelve-month period or the Resident is reporting no income and Resident has chosen the percentage of income rent option, the Landlord will schedule special rent reviews at least once every sixty (60) days. In addition, the Resident may request a change in the rent choice option before the date of the review if the family experiences a decrease in income; their circumstances have changed increasing their expenses for child care, medical, etc.; or other circumstances create a hardship on the family such that the formula method would be more financially feasible for the family.

Residents paying rent based on income may meet with the Landlord to discuss any change in rent resulting from the recertification process; and, if the Resident does not agree with the determination of Resident rent, the Resident may request a hearing in accordance with the landlord's grievance procedures.

Interim Rent Adjustments

Residents must promptly report to the Landlord any of the following changes in household circumstances within ten (10) business days between Annual Rent Recertifications:

1. A member has been added to the family through birth, adoption, or court-awarded custody.
2. A household member is leaving or has left the family unit.

In addition, Residents paying rent based on a percentage of income may report the following activities that occur between Annual Rent Recertifications:

3. A decrease in annual income;
4. Childcare expenses for children under the age of 13 that are necessary to enable a member of the household to be employed or to go to school;
5. Handicapped assistance expenses, which enable a family member to work;
6. Medical expenses of elderly, disabled, or handicapped headed households that are not covered by insurance; or,
7. Other family changes that impact their adjusted income.

Notwithstanding the provisions listed above, a Resident's rent shall not be reduced if the decrease in the family's annual income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Resident's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family's annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in a rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had they complied with the welfare requirements or had not committed an act of fraud.

For purposes of rent adjustments, the reduction of welfare or public assistance benefits to a family that occurs as a result of the expiration of a time limit for the receipt of assistance will not be considered a failure to comply with program requirements. Accordingly, a Resident's rent will be reduced as a result of such a decrease.

Effective Date of Rent Change

The Landlord shall give the Resident written notice of any change in the Resident's rent. The notice shall be signed by the Landlord, state the new amount the Resident is required to pay, and the effective date of the new rental amount.

b. Rent Decreases

The Landlord shall process rent decreases so that the lowered rent amount becomes effective on the first day of the month after the Resident reports the change in household circumstances. This rent change may be made retroactive to the appropriate date if less than five (5) working days have been given to the Landlord to process this change.

c. Rent Increases

The Landlord shall process rent increases so that the Resident is given no less than 30 days advance written notice of the amount due.

Once the rental rate is established, it shall remain in effect until the effective date of the next annual review, unless another interim review and change is warranted or the Resident elects to change to or from flat rent calculation method.

Resident Obligation To Repay

Residents who pay rent based on income shall reimburse the Landlord for the difference between the rent that was paid and the rent that should have been charged if proper notice of income change had been given and if the following circumstances occur:

1. Resident does not submit rent review information by the date specified in the Landlord's request; -or-
2. Resident submits false information at Admission or at annual, special, or interim review.

Resident is not required to reimburse the Landlord for undercharges caused solely by the Landlord's failure to follow U.S. Department of Housing and Urban Development's procedures for computing rent, or for bookkeeping errors made by the Bronson Housing Commission.

Maintenance

The Resident Agrees To:

3. Keep the dwelling unit and any other areas assigned for the Resident's exclusive use in a clean and safe condition;

The Damage and Service Charge Schedule is posted in the Landlord's office. If the item is not listed on the Schedule, the Resident shall be charged the actual cost the Landlord incurred.

The Landlord Agrees To:

- d. Maintain the premises and the property in decent and safe condition;
- e. Comply with requirements of applicable building codes, housing codes materially affecting health and safety, and U.S. Department of Housing and Urban Development regulations;
- f. Make necessary repairs to the premises;
- g. Keep property buildings, facilities and common areas, not otherwise assigned to the Resident for maintenance and upkeep, in a clean and safe condition;
- h. Maintain in good and safe working order and condition electrical, plumbing, sanitary, heating, ventilating, and other facilities and appliances, including elevators, supplied or required to be supplied by the Landlord;
- i. Provide and maintain appropriate receptacles and facilities for the deposit of garbage, rubbish, and other waste removed from the premises by the Resident; and,
- j. Supply running water and reasonable amounts of hot water and heat at appropriate times of the year (according to local customs and usage) except where heat or hot water is generated by an installation within the exclusive control of the Resident and supplied by a direct utility connection.

If the dwelling unit is rendered uninhabitable, regardless of cause:

- k. The Resident shall immediately notify the Landlord;

- l. The Landlord shall be responsible for repair of the unit within a reasonable time. If the Resident, household members or guests caused the damage, the reasonable cost of the repairs shall be charged to the Resident.
- m. The Landlord shall offer standard alternative accommodations, if available, when necessary repairs cannot be made within a reasonable time.
- n. The Landlord shall make a provision for rent abatement in proportion to the seriousness of the damage and loss in value if repairs are not made within a reasonable time. No abatement of rent shall occur if the Resident rejects the alternative accommodations or if the Resident, Resident's household, or guests caused the damage.

Restriction On Alterations

The Resident shall not do any of the following without first obtaining the Landlord's written permission:

1. Dismantle, change or remove any part of the appliances, fixtures or equipment in the dwelling unit;
2. Paint or install wallpaper or contact paper in the dwelling unit;
3. Attach awnings or window guards in the dwelling unit;

5. Attach any shelves, screen doors, or other permanent improvements in the dwelling unit;
6. Install or alter carpeting, resurface floors or alter woodwork;
7. Install washing machines, dryers, fans, heaters, or air conditioners in an elderly dwelling unit;
8. Place any aerials, antennas or other electrical connections on the dwelling unit;
9. Install additional or different locks or gates on any doors or windows of the dwelling unit; or
10. Operate a business as an incidental use in the dwelling unit.

Access By Landlord

The Landlord shall provide two (2) days written advance notice to the Resident of his or her intent to enter the dwelling unit for the purpose of performing routine inspections and preventive maintenance, extermination or to show the dwelling unit for re-renting. The notice shall specify the date, time, and purpose for the entry. The Resident shall permit the Landlord, his or her agents, or other persons, when accompanied by the Landlord, to enter the dwelling unit for these purposes. In the event that the Resident and all adult members of the household are absent from the dwelling unit at the time of entry, the Landlord shall leave a note stating the date, time and name of the person entering the dwelling unit and the purpose of the visit.

The Landlord may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe an emergency exists.

Size of Dwelling

The Resident understands that the Landlord assigns dwelling units according to the Occupancy Standards published in its Admissions and Continued Occupancy Policy (ACOP). The Standards consider the type (such as dwelling units designed for the elderly or handicapped) and size of the dwelling unit required by the number of household members. If the Resident is or becomes eligible for a different type or size dwelling unit and an appropriate dwelling unit under this program and the Landlord's transfer policy becomes available, the Resident shall be given a reasonable period of time to move. This time shall not exceed sixty (60) days unless an unusual hardship condition exists. If the Resident fails to move to the designated dwelling unit within the notice period specified by the Landlord, the Landlord may terminate this lease.

If the Landlord determines that a Resident must transfer to another unit based on family composition, the Landlord shall notify the Resident. The Resident may ask for an explanation stating the specific grounds of the determination, and if the Resident does not agree with the determination, the Resident may request a hearing in accordance with the Landlord's grievance procedures.

If management determines that, due to special circumstances, tenant is unable to find other suitable housing, although he or she has made every effort to do so, the tenant may remain in the current unit so long as the special circumstances exist, but the monthly rent will be in accordance with the approved rent schedule. Documentation of the Tenant's efforts to find suitable housing must be placed on file at the Housing Commission not less often than every month.

Any termination of this Lease shall be carried out in accordance with U.S. Department of Housing and Urban Development regulations, State and local law, and the terms of this Lease. The Landlord shall not terminate or refuse to renew the Lease other than for serious or repeated violation of material terms of the Lease, such as, but not limited to, the following:

35. For all other cases, thirty (30) days, unless State law permits a shorter period.

The Notice to quit required by State or local law may be combined with or run concurrently with a Notice of Lease termination required by this lease.

The Notice of Lease Termination from the Landlord shall be either personally delivered to the Resident or to an adult member of the Resident's family residing in the dwelling unit, or sent to the Resident by First Class Mail, properly addressed, postage prepaid. The notice shall:

- a. Specify the date the Lease shall be terminated;
- b. State the grounds for termination with enough detail for the Resident to prepare a defense. The Landlord shall rely solely on the grounds stated in the Notice of Lease Termination in the event eviction action is initiated;
- c. Advise the Resident of the right to reply as he or she may wish, to examine the Landlord's documents directly relevant to the termination or eviction, to use the Grievance Policy to contest the termination, and/or to defend the action in court.

Lease Termination By Resident

The Resident shall give the Landlord 30 days written notice before moving from the dwelling unit. If the Resident does not give the full notice, the Resident shall be liable for rent to the end of the notice period or to the date the dwelling unit is re-rented, whichever date comes first.

Termination Of Lease Upon Death Or Incapacity Of Resident

Upon the death of the Resident, or if there is more than one Resident, upon the death of all Residents, either the Landlord or the personal representative of the Resident's estate may terminate this Lease upon 30 days written notice, to be effective on the last day of a calendar month. If full notice is not given, the Resident's estate shall be liable for rent to the end of the notice period or to the date the unit is re-rented, whichever date comes first. The termination of a Lease under this section shall not relieve the Resident's estate from liability either for payment of rent or other amounts owed prior to or during the notice period, or for the payment of amounts necessary to restore the premises to their condition at the beginning of the Resident's occupancy, normal wear and tear excepted.

If during the term of this Lease the Resident, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease and the Landlord cannot make a reasonable accommodation to enable the Resident to comply with the Lease; then the Lease shall be terminated thirty (30) calendar days after receipt that such physical or mental impairment exists.

Property Abandonment

If a Resident abandons the dwelling unit, the Landlord shall take possession of the Resident's personal property remaining on the premises, and shall store and care for the property. The landlord will consider the unit to be abandoned when a resident has fallen behind in rent and has clearly indicated by words and actions an intention not to continue living in the unit. The Landlord has a claim against the Resident for reasonable costs and expenses incurred in removing the property, in storing and caring for the property, and in selling the property. The Landlord can collect from the Resident all these costs.

The Landlord may sell or otherwise dispose of the property 30 days after the Landlord receives actual notice of abandonment or 30 days after it reasonably appears to the Landlord that the Resident has abandoned the premises, whichever date occurs last. At least 14 days prior to the sale, the Landlord agrees to make reasonable efforts to notify the Resident of the sale by sending written notice of the sale by first-class mail, address correction requested, to the Resident's last known address. Any money raised by the sale of the property goes to cover money owed by the family to the Bronson Housing Commission such as retroactive rent, utility charges, the cost of storing and selling the goods, or other charges. If there is any money left over and the family's forwarding address is known the Bronson Housing Commission will mail it to the family. If the family's address is not known, the Bronson Housing Commission will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Bronson Housing Commission.

Delivery Of Notices

Notice by Landlord

Any notice from the Landlord shall be in writing and either personally delivered to the Resident or to an adult member of the Resident's family residing in the dwelling unit, or sent to the Resident by first-class mail, address correction requested, properly addressed, postage pre-paid.

Notice by Resident

Any notice to the Landlord shall be in writing, and either personally delivered to the Landlord at the Landlord's Office, or sent to Landlord by first-class mail, postage pre-paid and addressed to: The Bronson Housing Commission.

Grievances

All individual grievances or appeals, with the exception of those cases concerning eviction or termination of tenancy that are based upon a Resident's creation or maintenance of a threat to health or safety of other Residents or Landlord employees, shall be processed under the Grievance Policy. This policy is posted in the Landlord's Office and is hereby incorporated into this Lease by reference.

Before the Landlord shall schedule a Grievance Hearing for any grievance concerning the amount of rent the Landlord claims is due, the Resident must first bring his or her rent account current by paying an amount equal to the amount of rent due and payable as of the first of the month preceding the month in which the act or failure to act took place, into an escrow account solely intended to escrow rent for this purpose. After the hearing is scheduled, the Resident shall continue to deposit this same monthly rent amount into the same escrow account until the complaint is resolved by the decision of the hearing officer or panel.

When the Housing Commission is required to afford the Resident the opportunity for a hearing in accordance with the Commission's grievance procedure for a grievance concerning the Lease termination, the tenancy shall not terminate (even if any notice to quit under State or local law has expired) until the time for the Resident to request a grievance hearing has expired, and (if a hearing was timely requested by the Resident) the grievance process has been completed.

House Rules

The Resident agrees to obey any House Rules, which are reasonably related to the safety, care and cleanliness of the building and the safety, comfort and convenience of the Residents. The Landlord may modify such rules from time to time provided that the Resident receives written notice of the proposed change, reasons for the change and an opportunity to submit written comments during a 30-day comment period at least 30 days before the proposed effective date of the change in the Rule. Existing House Rules, if any, are posted in the property and are attached to this Lease.

Discrimination Prohibited

The Landlord shall not discriminate based upon race, color, creed, religion, national origin, sex, marital status, age, handicap or disability, familial status, or recipients of public assistance and shall comply with all nondiscrimination requirements of Federal, State and local law.

1.0 RIGHT TO A HEARING

Upon the filing of a written request as provided in these procedures, a resident shall be entitled to a hearing before a Hearing Officer.

2.0 DEFINITIONS

For the purpose of this Grievance Procedure, the following definitions are applicable:

- A. **"Grievance"** shall mean any dispute which a resident may have with respect to the Bronson Housing Commission's action or failure to act in accordance with the individual resident's lease or Authority regulations which adversely affect the individual resident's rights, duties, welfare or status. Grievance does not include any dispute a resident may have with the Authority concerning a termination of tenancy or eviction that involves any activity that threatens the health, safety, or right to peaceful enjoyment of the Authority's public housing premises by other residents or employees of the Authority; or any violent or drug-related criminal activity on or off such premises; or any activity resulting in a felony conviction. Nor shall this process apply to disputes between residents not involving the Bronson Housing Commission or to class grievances.
- B. **"Complainant"** shall mean any resident whose grievance is presented to the Bronson Housing Commission or at the development management office in accordance with sections 3.0 and 4.0 of this procedure.
- C. **"Elements of Due Process"** shall mean an eviction action or a termination of tenancy in a State or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the resident of the grounds for terminating the tenancy and for eviction;
 - 2. Right of the resident to be represented by counsel;
 - 3. Opportunity for the resident to refute the evidence presented by the Authority including the right to confront and cross examine witnesses and to present any affirmative legal or equitable defense which the resident may have; and
 - 4. A decision on the merits.

- D. **"Hearing Officer"** shall mean a person selected in accordance with section 4.0 of these procedures to hear grievances and render a decision with respect thereto.
- E. **"Resident"** shall mean the adult person (or persons) other than a live-in aide:
1. Who resides in the unit and who executed the lease with the Bronson Housing Commission as lessee of the premises, or, if no such person now resides in the premises,
 2. Who resides in the unit and who is the remaining head of household of the resident family residing in the unit.
- F. **"Resident Organization"** includes a resident management corporation.
- G. **"Promptly"** (as used in section 3.0, and 4.0 (D)), shall mean within the time period indicated in a notice from Bronson Housing Commission of a proposed action which would provide the basis for a grievance if the resident has received a notice of a proposed action from the agency.

3.0 PROCEDURES PRIOR TO A HEARING

Any grievance shall be promptly and personally presented, either orally or in writing, to the Bronson Housing Commission office or to the office of the development in which the resident resides so that the grievance may be discussed informally and settled without a hearing. A summary of such discussion shall be prepared within fourteen (14) calendar days and one copy shall be given to the resident and one retained in the Authority's resident file. The summary shall specify the names of the participants, dates of the meeting, the nature of the proposed disposition of the complaint and the specific reasons therefor, and shall specify the procedures by which a hearing under these procedures may be obtained if the resident is not satisfied.

4.0 PROCEDURES TO OBTAIN A HEARING

4.1 REQUEST FOR HEARING

The resident shall submit a written request for a hearing to the Authority or the development office within ten (10) calendar days from the date of the mailing of the summary of the discussion pursuant to section 3.0. The written request shall specify:

- A. The reasons for the grievance; and
- B. The action or relief sought.

4.2 SELECTION OF A HEARING OFFICER

A grievance hearing shall be conducted by an impartial person appointed by the Bronson Housing Commission other than a person who made or approved the action under review or a subordinate of such person.

The Bronson Housing Commission will appoint a Hearing Officer as such time as the need arises.

4.3 FAILURE TO REQUEST A HEARING

If the resident does not request a hearing in accordance with this section, then the Bronson Housing Commission's disposition of the grievance under section 3.0 shall become final. However, failure to request a hearing does not constitute a waiver by the resident of the right thereafter to contest the Bronson Housing Commission's action in disposing of the complaint in an appropriate judicial proceeding.

4.4 HEARING PREREQUISITE

All grievances shall be promptly presented in person, either orally or in writing, pursuant to the informal procedure prescribed in section 3.0 as a condition precedent to a hearing under this Section. However, if the resident can show good cause why there was failure to proceed in accordance with section 3.0 to the Hearing Officer, the provisions of this subsection may be waived by the Hearing Officer.

4.5 ESCROW DEPOSIT

Before a hearing is scheduled in any grievance involving the amount of rent as defined in the lease which the Bronson Housing Commission claims is due, the resident shall pay to the Bronson Housing Commission an amount equal to the amount of the rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The resident shall thereafter deposit monthly the same amount of the monthly rent in an escrow account held by the Bronson Housing Commission until the complaint is resolved by decision of the Hearing Officer. All monies deposited into an escrow account for the purposes of this section, shall be held in a non-interest bearing account separate from any other funds held in the name of the Bronson Housing Commission. However, the Bronson Housing Commission shall choose the bank that the escrow monies are held in. Amounts deposited into the escrow account shall not be considered as acceptance of money for rent during the period in which the grievance is pending. In extenuating circumstances, the Bronson Housing Commission may waive these requirements. Unless so waived, the failure to make such payments shall result in a termination of the grievance procedure. However, failure to make payment shall not constitute a waiver of any right the resident may have to contest the Bronson Housing Commission's disposition of his grievance in any appropriate judicial proceeding.

4.6 SCHEDULING OF HEARINGS

Upon the resident's compliance with this section the Hearing Officer shall promptly schedule a hearing for a time and place reasonably convenient to both the resident and the Bronson Housing Commission. A written notification specifying the time, place and the

procedures governing the hearing shall be delivered to the resident and the appropriate agency official.

5.0 PROCEDURES GOVERNING THE HEARING

The resident shall be afforded a fair hearing, which shall include:

- A. The opportunity to examine before the grievance hearing any Authority documents, including records and regulations that are directly relevant to the hearing. The resident shall be provided a copy of any such document at the resident's expense. If the Bronson Housing Commission does not make the document available for examination upon request by the resident, the Bronson Housing Commission may not rely on such document at the grievance hearing.
- B. The right to be represented by counsel or other person chosen as the resident's representative and to have such person make statements on the resident's behalf;
- C. The right to a private hearing unless the resident requests a public hearing;
- D. The right to present evidence and arguments in support of the resident's complaint, to controvert evidence relied on by the Authority or development management, and to confront and cross examine all witnesses upon whose testimony or information the Bronson Housing Commission or development management relies; and
- E. A decision based solely and exclusively upon the facts presented at the hearing.

The Hearing Officer may render a decision without holding a hearing if the Hearing Officer determines that the issue has been previously decided at another hearing.

If either the resident or Authority fails to appear at a scheduled hearing, the Hearing Officer may postpone the hearing for up to five business days or determine that the missing party has waived their right to a hearing. Both the Bronson Housing Commission and the resident shall be notified of the Hearing Officer's decision. This decision shall not waive a resident's right to contest the disposition of the grievance in an appropriate judicial proceeding.

The following accommodation will be made for persons with disabilities:

- A. The Bronson Housing Commission shall provide reasonable accommodations for persons with disabilities to participate in the hearing. Reasonable accommodations may include qualified sign language interpreters, readers, accessible locations, or attendants.
- B. If the resident is visually impaired, any notice to the resident that is required by these procedures must be in an accessible format.

6.0 INFORMAL HEARING PROCEDURES FOR DENIAL OF ASSISTANCE ON THE BASIS OF INELIGIBLE IMMIGRATION STATUS

The participant family may request that the Bronson Housing Commission provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. The participant family must make this request within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

7.0 DECISION OF THE HEARING OFFICER

The Hearing Officer shall prepare a written decision, together with the reasons therefor, within fourteen (14) calendar days after the hearing. A copy of the decision shall be sent to the resident and the Bronson Housing Commission. The Authority shall retain a copy of the decision in the resident's folder. A copy of such decision with all names and identifying references deleted shall also be maintained on file by the Bronson Housing Commission and made available for inspection by a prospective complainant, his or her representative, or the Hearing Officer.

The decision of the Hearing Officer shall be binding on the Bronson Housing Commission who shall take all actions, or refrain from any actions, necessary to carry out the decision unless the Bronson Housing Commission's Board of Commissioners determines within reasonable time, and promptly notifies the complainant of its determination, that:

- A. The grievance does not concern Bronson Housing Commission action or failure to act in accordance with or involving the resident's lease or Authority regulations, which adversely affect the resident's rights, duties, welfare or status;
- B. The decision of the Hearing Officer is contrary to applicable Federal, State, or local law, Authority regulations, or requirements of the Annual Contributions Contract between the Authority and the U.S. Department of Housing and Urban Development.

A decision by the Hearing Officer or Board of Commissioners in favor of the Bronson Housing Commission or which denies the relief requested by the resident in whole or in part shall not constitute a waiver of, nor affect in any manner whatsoever, any rights the resident may have to a trial do novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

Following a decision in favor of the Bronson Housing Commission by the Hearing Official, the complainant will remit any monies deposited in escrow to the Bronson Housing Commission management office within three (3) calendar days.

RESIDENT COMMENTS

The Bronson Housing Commission has engaged in an extensive process of seeking resident and public comments on our Agency Plan. In the course of compiling the Plan we engaged in the following process.

November 30, December 1, 2, 6

(Describe the process. Insert dates when specific meetings or hearing were held)

Attached are copies of the advertisement we ran, sign-in sheets from the public hearing, minutes of our meetings with the Resident Advisory Board, and other relevant information.

As a result of this effort, we received the following comments and responded to them in the following manner.

Q. 1 – (resident of Fairview Manor) If we take a vote or have a Petition, do we have to allow cats and dogs?

Answer – (Executive Director) When Congress passed the “Quality Housing and Work Responsibility Act of 1998” it became law that we must allow cats and dogs to live with tenants in Public Housing. It is mandatory that the Bronson Housing Commission develop a Pet Policy incorporating the allowance of cats and dogs pursuant to certain provisions within the Pet Policy itself. It would not be feasible to take a vote or circulate a Petition do to the flow of residents moving in and out. The allowance of cats and dogs to live in Public Housing is not optional.
