## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Middleville Housing Commission is a small PHMAP High-Performer agency located in Barry County, Michigan. The MHC manages 50 units of public housing at a single site.

The mission of the MHC is:

The Housing Commission is committed to excellence in providing quality housing and an environment which will ensure all Residents opportunity, access to resources, and the expectation that our communities will be a safe, secure place to live and realize their potential.

To achieve the mission statement we will:

- Recognize Residents as our ultimate customer;
- Improve Commission management and service delivery efforts through effective and efficient management of Commission staff;
- Seek problem-solving partnerships with Residents, community, and government leadership; and
- Apply limited Commission resources to the effective and efficient management and operation of public housing programs.

The MHC will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.
- E. To provide timely response to resident request for maintenance problems.
- F. To return vacated units with new residents in 20 days.

- G. To continue to enforce our “One Strike” policies for residents and applicants.
- H. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The MHC's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The MHC has assessed the housing needs of Middleville and surrounding Barry County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The MHC has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The MHC has determined that its housing strategy complies with the state of Michigan's Consolidated Plan

The MHC has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The MHC has established a minimum rent of \$25.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The MHC has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The MHC has no plans to demolish or dispose of any of its properties. The MHC has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The MHC has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The MHC has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the MHC has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of MHC's Agency Plan to HUD on April 17, 2000

Because the MHC is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Homeownership
- Community Service
- Asset Management

## **Deconcentration Policy**

It is the policy of the Middleville Housing Commission (MHC) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the MHC is to house no less than 40% of its residents with families that have income at or below 30% of the area median income by public housing development. Also the MHC will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the MHC does not concentrate families with higher income levels, it is the goal of the MHC not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The MHC will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the MHC.

To accomplish the deconcentration goals the MHC will take the following actions:

- A. At the beginning of each fiscal year, the MHC will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
  1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
  2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the MHC's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

The Middleville Housing Commission's (MHC) Definition of Substantial Deviation and Significant Amendment or Modification are as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.
