1. Definition of “Substantial Deviation” and ”Significant Amendment or Modification” to the Agency Plan:

A Housing Authority is required to identify in it’s Annual Plan the basic criteria that will be used to determine what constitutes a “substantial deviation” from the Five Year plan and/or a “significant amendment or modification” to either the Five Year plan or the Annual plan.

After approval of the Agency Plan, a Housing Authority may not “substantially deviate” from its Five Year plan or implement any amendment or modification which is a “significant amendment or modification” to the Five Year and Annual plan until:

- The Resident Advisory Board has had the opportunity to review and make recommendations on the amendment or modification;
- The amendment or modification has been adopted at a duly called meeting of the Housing Authority Board of Commissioners; and,
- Notification of the amendment or modification, along with a copy of the recommendations made by the Resident Advisory Board and a description of the manner in which the Housing Authority addressed the recommendations, is submitted to HUD and approval is received from HUD.

The Housing Authority of Chelan County and the City of Wenatchee considers a “substantial deviation” or “significant amendment or modification” as a discretionary change in the plan or policy of the Housing Authority that fundamentally alters the mission, goals, objectives or plans of the Agency and which will require the formal approval of the Board of Commissioners. Specifically, the following may be considered to constitute a substantial deviation or significant amendment or modification.

- A material change in the policies regarding the manner in which tenant rent is calculated.
- A material change in the admissions policies with respect to the selection of applicants from or organization of the waiting list.

An exception to this definition will be made only to the extent that the modification is the result of changes in HUD regulatory requirements; such changes will not be considered a substantial deviation or significant amendment or modification of either the Five Year or Annual Plans.
