This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7( c)( 1).

SEPTEMBER 28<sup>TH</sup> MEETING OF THE BOARD OF COMMISSIONERS  
Resolution

The RCHA Board of Commissioners hereby approve the following changes/additions to the Five-year Plan 2005-2009:

- Affirm vote of August 17, 2005 to change the payment standard back to 110% of the FMR for one and two bedroom units. The policy of using 110% of FMR will continue as always for those who participate in the HomeOwnership Program, project based vouchers and as a reasonable accommodation for the disabled.

Rationale: At HUD's urging the RCHA reduced the payment standard to 100% of the FMR. A year later the lease-up rate has fallen to 52%. Out of the last 45 families that failed to use their voucher, 37 families required a one or two bedroom size unit. All tenants were invited to a meeting on August 17 to discuss this. There were 2 families attending and there were no objections.

- Agreed to execute HUD's request to give the highest preference to victims of the Gulf Coast Hurricanes.
- Affirm addition to the plan of 48 project based vouchers in Weston.

Rationale: Affordable housing units may be lost when owners take project rents up to market rate after the affordability compliance period is ended.

- Affirm clarification of the Criteria for Substantial Deviations and Significant Amendments. The following underlined phrase was understood but not written in the previous plan.

“Changes to rent or admissions policies or anything that would change the manner in which the waiting list is maintained, THAT WOULD HAVE A NEGATIVE IMPACT ON CURRENT TENANTS OR CURRENT FAMILIES ON THE WAITING LIST.”

Rationale: It is illogical to take the time to go through a long process to change something that is both allowed by regulation and would be good for the customer.
