The Agency Plan is a comprehensive guide to the Martinsburg Housing Authority's policies, programs, operations and strategies for meeting local housing needs and goals. There are two parts to the Plan: the Five-Year Plan, which the Authority submits to the Department of Housing and Urban Development (HUD) once every fifth fiscal year, and the Annual Plan, which is submitted to HUD every year. This document represents the Authority's FY2006 Annual Update to the FY2005-2009 Five-Year Agency Plan.

Since the Agency Plan serves as the annual application for the Capital Fund Program (CFP), the Authority has submitted an Annual Statement and Five-Year Plan for the FY2006 CFP based on FY2005 funding amount. The Annual Statement and Five-Year Plan can be found in this binder under Tab 2 (wv006a01).

A list of all information included in the Plan is located on the following pages.

### **Brief Statement of Progress in Meeting the FY2005-2009 Five-Year Plan Mission and Goals**

The Executive and Director, Commissioners, and staff will continue to strive to complete and exceed all health and safety requirements to keep our units and complexes in excellent condition. We maintain an ongoing preventative maintenance schedule for building and unit structures and equipment. With the use of the Capital Fund Program, we are able to replace appliances, repair interior and exterior hardware; and landscape the grounds to keep the complexes looking desirable and well maintained.

The Housing Authority strives to keep up to date on new programs and requirements to improve our services and complexes. We keep in contact with local agencies to refer applicants and residents to other organizations where they can get needed assistance. We advertise and notify these other service organizations of any changes in the status of our waiting lists.

The Housing Authority encourages communication with residents. We ask that they notify us of their housing needs and suggestions for improvement. We try to encourage resident councils and help wherever possible. A well informed resident is one of our best assets.

### **Resident Assessment and Satisfaction Survey Follow-Up Plan**

The U. S. Department of Housing and Urban Development sends surveys to residents of the Martinsburg Housing Authority on an annual basis. The survey includes questions related to how well the Authority's staff is doing in certain areas. The areas include maintenance and repair, communications, safety, services and neighborhood appearance. Once the survey is completed, the resident sends it back to HUD. HUD then compiles the results and notifies the Authority of their score. The scores for the FY2005 Resident Assessment and Satisfaction Survey are shown in the table below.

<b>Section</b>	<b>Score</b>
Maintenance and Repair	90.0%
Communication	79.7%
Safety	84.0%
Services	97.9%
Neighborhood Appearance	85.8%

Due to the results of the survey, the Martinsburg Housing Authority is not required to develop a Follow-Up Plan.

## **Attachment F**

### **Criteria for Substantial Deviation and Significant Amendments**

PHAs are required to define and adopt their own standards of Substantial Deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **Substantial Deviation from the 5-year Plan:**

A substantial deviation from the Five-Year Plan is defined as a change to the mission statement or the goals and objectives that would cause a change in the service provided to Public Housing residents or to Section 8 Program participants including a significant change in the Authority's financial situation.

#### **Significant Amendment or Modification to the Annual Plan:**

The following actions are considered to be Significant Amendments or Modifications:

- Changes to rent or admissions policies or organization of the waiting list;
- Any change with regard to homeownership programs.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; HUD does not consider such changes significant amendments.
