The Buffalo Housing Authority is comprised of a 30 unit multi-family public housing complex serving elderly, handicapped and disabled households. The Buffalo Housing Authority strongly encourages resident participation in the development of the Annual Plan, Capital Fund Plan and at each meeting of the Board of Commissioners. The BHA has achieved High Performer recognition under the PHAS system and intends to maintain that status. The primary public housing property is Clear Creek Apartments, which is a very nice property connected to the adjacent Senior Center by an enclosed walkway. This connecting walkway facilitates the participation of all BHA residents in the programs and activities of the Senior Center, thus enhancing the residents' quality of life. The BHA is a public housing only agency. However, the BHA serves as a local intake agent for the Cheyenne Housing Authority voucher program, serving the town of Buffalo.

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The Buffalo Housing Authority has achieved and maintained High Performer PHAS recognition.

Additionally, the BHA has maintained a minimal vacancy rate and encouraged resident participation both by having a resident on the Board of Commissioners and encouraging resident attendance and participation at meetings of the Board of Commissioners. The BHA has utilized capital funds to modernize the property, including:

- modified three unit to be fully handicapped accessible,
- addressed security concerns raised by tenants,
- re-landscaped the property to incorporate more usable space for the residents,
- addressed other concerns raised by the residents.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

b. Significant Amendment or Modification to the Annual Plan

The Buffalo Housing Authority will apply the following definition of substantial deviation and significant amendment from the agency plan that will require formal action by the Board of Commissioners:

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives or plans of the agency and which require formal approval of the Board of Commissioners.

C. Other Information

[24 CFR Part 903.13, 903.15]

(1) Resident Advisory Board Recommendations

- a. ☒ Yes ☐ No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

**Buffalo Housing Authority
Minutes of the Public Hearing
For the 2006 Annual Plan and 5-year Plan
Held on 1/11/06 at 5:00 PM**

Attendance:

Connie Ramsey, Commissioner and tenant, Buffalo Housing Authority Board of Commissioners

Mike Stanfield, Executive Director

Richard Trembley, Clear Creek Apartments Manager

Tenants:

- Connie
- Lucile
- John
- Marilyn
- Jane
- Hattie
- Fay
- Bill
- Ed
- Lucy
- Connie
- Rick
- Caroline
- Anne
- Ruth

Ms. Ramsey thanked everyone for attending and called the public hearing to order.

Mr. Stanfield explained that the public hearing was being held to accept public comment regarding the 2006 annual plan and 5-year plan for the Buffalo Housing Authority. He provided copies and reviewed the plan, with emphasis on the change to the flat rent schedule and the 2006 Capital Fund Program proposed budget and 5-year plan. He explained that the flat rent schedule reflects about a 1.7% increase over the current flat rents, primarily due to increasing costs to manage the properties and program as well as the decreased operating subsidy levels. He also provided examples of what the CFP funds have been used for and asked for any suggestions.

Tenants thanked the CHA for the improvements that have been made and stated that they feel lucky to have Richard as the Manager and Jim as the Maintenance Person.

- A tenant requested that new stoves and refrigerators be installed in all units. Mr. Stanfield explained that

- the BHA has budgeted for the replacement of appliances in the operating budget, for those that may require replacement. He asked if the refrigerators and stoves are working OK. The tenants said their appliances are working OK, but they would like new ones and they would like to choose between side-by-sides or freezer on the bottom units, per apartment. Mr. Stanfield explained that he would add this request to the list of items for the Board to consider. However he cautioned that there are many other items on the list and the Board will need to prioritize those items, including the refrigerators/stoves. Mr. Trembley explained that the refrigerators and stoves were replaced in 1996 and he hasn't heard of appliances not working. He assured the tenants that staff would fix or replace any that break.
- A tenant suggested that the BHA purchase a new vacuum cleaner for the Maintenance person. They said Jim is doing a great job keeping things clean, but his vacuum is nearly worn out. Mr. Trembley confirmed that the vacuum is pretty well worn out. Mr. Stanfield and Mr. Trembley said that bids would be obtained and reviewed.
 - A tenant suggested that a handicapped door operator be installed on the door leading into the breezeway that connects with the Senior Center. Mr. Stanfield and Mr. Trembley said that bids would be obtained and reviewed.

Mr. Stanfield updated the resident council as to the status of the analysis of the fire alarm system. He stated that he has had a difficult time finding a firm willing to review the fire alarm system and verify that it meets the fire code that existed at the time it was updated in 1996. Unfortunately the BHA is probably in a position of hiring an engineering firm to assess the system and recommend improvements to bring it up to current fire codes, which could be very expensive. The tenants agreed that the system is very good and safe, but that additional horns would be helpful. Mr. Stanfield agreed, but reiterated that you cannot add horns without bringing the entire system up to current code, per his discussions with the state Fire Marshal.

Mr. Stanfield reminded the tenants that HUD will be sending out the Resident Assessment Surveys in the coming months and he asked that they please fill them out and send them back to HUD.

There being no further comments, Ms. Ramsey adjourned the public hearing.
