This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

BRIEF SUMMARY OF PROGRESS IN MEETING THE FIVE-YEAR PLAN

During the first two years of this five-year plan, we have improved the physical conditions of existing Public Housing Developments so as to reflect attractive neighborhoods. With the help of CFP Funds, we have taken affirmative action to ensure that all site safety systems are in good working order at all times and that general apartment and site conditions offer a safe environment and attractive sites for residents, visitors and staff.
