This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

2. Program Description:

a. Size of Program

☒ Yes ☐ No: Will the PHA limit the number of families participating in the Section 8 homeownership option?

If the answer to the question above was yes, what is the maximum number of participants this fiscal year?

*We do not anticipate assisting any Section 8 families under the Section 8 homeownership option during the FY 2007 fiscal year due to the high cost of housing in Southern Calif. A for-sale, affordable housing project is scheduled to commence construction shortly, and we expect that several of our Section 8 FSS families will qualify for the affordable units, which*

*will be sold at below market sale prices. This project will be completed in approximately 14 months. During the upcoming fiscal year, we will be working with the Anaheim Housing Counseling Agency to enroll Section 8 FSS families, who appear to be candidates for homeownership, in pre-homeownership counseling classes to educate and prepare them for the homeownership process.*

b. PHA-established eligibility criteria

☒ Yes ☐ No:

Will the PHA's program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria? If yes, list criteria:

- 1. Eligible applicants for the Section 8 Homeownership Program must have completed an initial Section 8 lease term and completed the first annual recertification process.*
- 2. The family may not owe AHA, or any other PHA money.*

- 4. Participants in the Family Self-Sufficiency (FSS) Program who are in compliance with their FSS Contract of Participation shall receive priority for participation in the Homeownership Program.*
- 5. Secondary priority will be given to graduates of the FSS Program.*
- 6. AHA further defines first-time homeowner/buyer to include:*
  - a. An individual applicant or co-applicant who has no ownership in a principal residence during the 3-year period ending on the date of purchase of the property.*
  - b. A single parent who has only owned a home with a former spouse while married.*

  - d. An individual who has only owned a principal residence not permanently affixed to a foundation in accordance with applicable regulations.*
  - e. An individual who has only owned a property that was not in compliance with State or local model building codes, and which cannot be brought into compliance for less than the cost of constructing a permanent structure.*

c. What actions will the PHA undertake to implement the program this year (list)?

- AHA annually presents a Section 8 Homeownership orientation and maintains an interest list of attendees at that orientation for possible participation in the Section 8 Homeownership Program. The next orientation is scheduled in June 2007.*
- The Anaheim Housing Counseling Agency annually presents a Section 8 Homebuyer Education class. The classes, presented in English and Spanish, educate attendees about*

*budgeting, credit, financing, home purchasing, and home maintenance.*

- *The City Housing Services Agency offers downpayment assistance in the form of junior mortgages. Loan amounts vary up to \$75,000, with an interest rate of three percent and loan term from 10 to 30 years.*
- *As stated under "Program Description" above, AHA does not anticipate assisting any Section 8 families under the Section 8 homeownership option during the FY 2007 fiscal year due to the high cost of housing in Southern Calif. A for-sale, affordable housing project is scheduled to commence construction shortly, and AHA expects that several of our Section 8 FSS families will qualify for the affordable units, which will be sold at below market sale prices. The project will be completed in approximately 14 months. During the upcoming fiscal year, we will be working with the Anaheim Housing Counseling Agency to enroll Section 8 FSS families, who appear to be candidates for homeownership, in pre-homeownership counseling classes to educate and prepare them for the homeownership process.*

### 3. Capacity of the PHA to Administer a Section 8 Homeownership Program:

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- ☒ Establishing a minimum homeowner downpayment requirement of at least 3 percent of purchase price and requiring that at least 1 percent of the purchase price comes from the family's resources.
- ☒ Requiring that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.
- ☐ Partnering with a qualified agency or agencies to administer the program (list name(s) and years of experience below):
- ☒ Demonstrating that it has other relevant experience (list experience below):

*The Anaheim Housing Counseling Agency (AHCA), a HUD-approved Housing Counseling Agency established in 1998, is the agency designated to implement the Section 8 Homeownership Program. This agency is located in the same City department as the Anaheim Housing Authority – the Community Development Department. During FY 2005-06, the AHCA provided first-time homebuyer education classes to 224 homebuyers, individual pre-purchase counseling to 188 potential homebuyers, and default/foreclosure counseling was provided to 45 homeowners. #### **4. Use of the Project-Based Voucher Program**

##### **Intent to Use Project-Based Assistance**

☒ Yes ☐ No: Does the PHA plan to “project-base” any tenant-based Section 8 vouchers in the coming year? If the answer is “no,” go to the next component. If yes, answer the following questions.

1. ☒ Yes ☐ No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option? If yes, check which circumstances apply:

- ☐ low utilization rate for vouchers due to lack of suitable rental units  
☐ access to neighborhoods outside of high poverty areas  
☒ other (describe below):  
*There is a shortage of decent, safe, affordable housing in the Anaheim area and Section 8 PBV allows AHA to increase the inventory of affordable rental housing.*

2. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):

*In FY 2007, AHA intends to utilize PBV units at the following projects:*

*Rehabilitation: Economy Inn Project: 1921 S. Beach Blvd. (48 PBV units)*

*New Construction: Diamond Aisle Project –Westerly Terminus of Diamond Street and NE corner of Wilshire and Pearl (25 PBV units)

☐ Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

*The Strategic Plan for the City of Anaheim's FY 2005-2010 Consolidated Plan Document (CPD) identifies three goals to work toward during the five-year period covered by the CPD: Goal 3 of the Plan specifically pertains to the PHA Plan and is stated as follows:*

*"Quality Housing to Meet the Community's Needs." The City needs to continue to provide housing appropriate to all segments of the community in order to maintain jobs/housing balance and enhance economic growth." This strategy consists of the following priorities:*

***Priority 3-1: Provide opportunities for low- and moderate-income housing.***

***Priority 3-2: Provide for homeless and "special needs" populations.***

*To address **Priority 3-1**, the City/AHA will implement the following programs:*

#### **PRESERVATION AND REHABILITATION OF EXISTING HOUSING**

*The City offers two kinds of low interest home improvement loans through the Community Development Department, Development Services Division. The purpose of these programs is to preserve the conditions of the City's existing housing stock and stabilize neighborhoods. Following is a summary of the preservation/rehabilitation programs that will be utilized by the City during the next five-year period:*

***1. City of Anaheim Residential Rehabilitation Loan Program:*** *These loans are offered to owner-occupants of single-family homes. To qualify, a household's maximum income cannot exceed 80% of the HUD median family income (MFI), and there must be sufficient equity in the property to support the loan. Funded with Federal CDBG funds, loans of up to \$60,000 are available at 3% simple interest. Loans may be direct payment or deferred. The term of the loan is 15 years.*

*Multi-family housing units are eligible if a Comprehensive Plan has been developed for the neighborhood in which the units are located.*

2. Anaheim Redevelopment Agency Residential Rehabilitation Loan Program: *These loans are offered to owner-occupants of single-family homes. To qualify, a household's maximum income cannot exceed 120% of MFI, and there must be sufficient equity in the property to support the loan. Funded through local Redevelopment Housing Set-aside funds, loans of up to \$60,000 are available at 5% simple interest, and may be direct payment or deferred. The term of the loan is 15 years.*

## AFFORDABLE HOUSING DEVELOPMENT

### Affordable Rental Housing Strategic Plan

*In August 2005, the Anaheim City Council adopted the "Anaheim Affordable Rental Housing Strategic Plan." The primary objective of the Plan was to establish a goal of 1,200 new affordable family rental housing units to be developed in the City of Anaheim over the next four years. The 1,200 targeted units would be split evenly between very low, low-, and moderate-income households. In addition to the new construction goal, the Plan identifies specific policies that would encourage and facilitate the development of affordable family rental housing, including: updating the current density bonus ordinance; creating a mixed use overlay with an affordability component; and streamlining the plan check process for affordable developments. The adopted Plan also requires staff to provide the City Council with quarterly updates; and allows the City Council to review the Plan on an annual basis. On August 22, 2006, the City Council voted to approve the continued implementation of the measures in the Affordable Rental Housing Strategic Plan. In addition, on October 3, 2006, the City Council increased the target unit production goal from 1,200 to 1,328 units.*

### Acquisition and New Construction:

*The City continues to administer an acquisition program to facilitate new construction of for-sale and rental housing. Approximately 81 acres of infill development sites have been acquired and staff continues to negotiate the acquisition of additional properties. During Fiscal year 2006-2007, the Redevelopment Agency acquired 3 sites, totaling 19 acres, which will be developed with approximately 547 housing units. Development has been initiated on several of these acquisition sites with both affordable and market-rate homes. Two for-sale projects, Kwikset and Olive Street, have recently commenced development. Upon completion, these developments will provide 474 for-sale units, including 61 affordable units. The City is developing several affordable rental projects, including Vine Street, a 60-unit multifamily rental project that will be completed in April 2007. In addition, the City is working with two developers that received Tax Credits to develop affordable rental housing. Elm Street will consist of 52 affordable multifamily rental units and Monarch Pointe will consist of 63 affordable multifamily rental units. Both developments are scheduled for completion in December 2008.*

Jeffrey-Lynne Neighborhood Revitalization: *The Jeffrey-Lynne neighborhood consists of approximately 31 acres of medium-density, multi-family residential housing bounded by Cerritos*

*Avenue to the north, Southern California Edison property to the south, Ninth Street to the west, and Walnut Street to the east.*

*The City of Anaheim has been working to improve the quality of life for the residents of this neighborhood since the early 1980s. Many factors contributed to the deterioration of the Jeffrey-Lynne neighborhood, including overcrowding, unrestricted vehicular access to the area, long unsightly alleys with garages, inadequate parking, lack of usable open space for children and adults, and safety and security problems.*

*On June 16, 1998, the Anaheim City Council entered into an agreement with the Related Companies of California and Southern California Housing Development Corporation (the HOME Program Community Housing Development Organization [CHDO]) to develop a comprehensive planning approach to address the problems facing the neighborhood. The following funding sources were utilized in completing Phase I of this project: \$4,800,000 in Community Development Block Grant (CDBG)/HOME funds; \$1,000,000 in Housing Authority funds; \$1,650,000 in California Housing Finance Agency (CHFA) funds; \$2,000,000 in local funds; \$6,100,000 in Redevelopment Set-Aside funds; \$27,200,000 in developer equity/ tax credits; and \$10,550,000 in private funds (total project cost: \$53,300,000). The project resulted in the substantial rehabilitation of 309 housing units for Phase I. The affordable units are affordable for a term of 55 years. Phase I of the project was completed in January 2002 and includes the following amenities: three tot lots, open play areas, a swimming pool, security gates, barbecue and sitting areas, 90 additional parking spaces, and additional green space throughout the project. An 11,000 square foot community center was built, and includes five offices, three classrooms, a computer lab equipped with 25 computer stations, a multimedia room, a counseling office, career resources center, and an activity room. The Center houses programs such as "English as a Second Language" (ESL) classes, computer classes, a year-round lunch program, food distribution program, on-site health clinic, after school tutoring, career development and job training, and summer camp scholarships. In addition, unit renovations included adding private decks and patios, new stairs, storage closets, awnings, windows, landscaping, flooring, plumbing fixtures, appliances, cabinets, roofs, and window coverings. Phase II of the project commenced in 2003 and was completed in January 2005 and resulted in the creation of 112 affordable units. The Housing Authority, in partnership with the developer, purchased 23 apartment buildings, totaling 112 units. The Anaheim Housing Authority provided a loan of \$7.5 million in Housing Set-Aside funds. The developer applied for and received Low-Income Housing Tax Credits that will assist in maintaining affordability on all of the units for 55 years. Staff also worked with the developer to close several streets in the neighborhood to through traffic, and developed an open space/plaza for residents' use. Phase III of the project will result in the creation of 76 affordable units. Funding for Phase III included a loan from the Anaheim Housing Authority for \$7.9 million in Redevelopment Housing Set-Aside funds and will result in the creation of 76 affordable units. The developer also received Low-Income Housing Tax Credits that will assist in maintaining affordability on all of the units for 55 years. Currently, 16 additional units have been purchased for a potential Phase IV.*

*Developer Incentives Program: To promote housing development, the Community Development Department may provide incentives to developers to offset increased costs associated with affordable housing programs requirements and include the following:*

- *Fund development fees: Under this program the Department may pay some or all fees related to the development of housing units, including plan check, utility hook-up, park and recreation, school, fire and any other development related fees.*
- *Write-down land costs to developers: The Department may purchase property and then resell it to a developer at a price less than market value, based upon highest and best use, but constituting "reuse value based upon affordable requirements". The write-down of land costs makes it possible to establish sales prices or rental rates that are affordable to low-income groups. This approach can be used for single-family, condominium and multifamily developments.*
- *Lease of Authority/Agency owned property: The Department may lease Authority/Agency owned properties to developers (or other individuals) interested in creating multifamily housing. Lease rates would be low in order to allow affordable rental rates.*
- *Pre-development loans/grants: Funding for site planning and engineering, and environmental services as necessary to develop affordable housing.*
- *Provide off-site improvements: The Department may provide assistance to developers in funding off-site improvements on affordable housing projects in accordance with California Health and Safety Code, Section 33334.2(e)(2). The developers will construct the housing development, and the Department will subsidize part or all costs associated with streets, utility systems, and drainage improvements. The subsidy could take the form of defraying all or a portion of assessments where an improvement district is established to fund the improvements. For these techniques to be utilized, there must be a direct connection between the public improvements and the provisions of affordable deed restricted housing.*
- *Subsidize interest rates: The Department may assist in the provision of loans at below market interest rates. This can be accomplished through community lenders who are willing to offer lower mortgage interest rates through a City financial subsidy of the interest differential between market and affordable rates. The Housing Authority/Redevelopment Agency may additionally issue tax exempt mortgage bonds for first-time homebuyers at lower than market interest rates.*
- *Development review process: Continue to review, evaluate and revise the development review process to minimize delays or unnecessary requirements that can lead to higher development costs. Develop a streamlined process for housing projects.*
- *Density Bonus: Density bonuses, consistent with State law, are permitted for*

*developments that agree to produce affordable units, particularly at the low and very low-income levels.*

- *Bond Financing: Where appropriate, the Housing Authority/Redevelopment Agency may support bond financing of projects when: (a) the financing is “conduit financing”, with no payment obligation or guarantee by the Authority/Agency/City; (b) the developer obtains credit support; (c) an investment-quality rating is obtained for the bonds or the bonds are otherwise determined by the Authority/Agency financial advisors to be of a high quality; (d) a cost-saving for the project is effected; and (e) the project would substantially further the achievement of the goals of the CPD, and particularly would provide additional affordable units.*
- *Tax Credits: Where appropriate, the Department should support the use of Tax Credits. This technique, as well as tax-exempt bond financing, can create a financial incentive for long-term developer compliance with housing affordability restrictions.*

#### *Density Bonus and Affordable Rental Housing Ordinance*

*The City adopted a Density Bonus and Affordable Rental Housing Ordinance during FY 2006-07. The ordinance provides developers with incentives to construct multiple family rental projects. In exchange for development incentives that would modify development standards, thereby reducing costs, developers must provide a minimum of 20 percent of the project units at rents affordable to very low-income families (at or below 50% of the HUD median income).*

#### *HOMEOWNERSHIP OPPORTUNITIES*

*The City of Anaheim is a leader in the Southland in assisting renter households, who live or work in the City, to become homeowners. Since 1990, the City has offered several programs for homeownership opportunities as follows:*

##### *Second Mortgage Assistance Program (SMAP):*

*This program is funded by local Redevelopment Housing Set-aside Funds. From July 1, 1990 through January 31, 2007, the City has given financial assistance to 486 households to assist them in purchasing a home.*

*Under the SMAP program the City offers low interest loans in the form of “silent” second mortgages: the homebuyer makes no monthly payments on the principal or interest on this loan – it is fully deferred for a term of 30 years or until sale or change of title. Other features:*

- *Income limits: Up to 120% of median family income (MFI) adjusted for household size*
- *Preference: Live or work in the City of Anaheim*
- *Loan amount: 15% of purchase price, not to exceed \$35,000*
- *Interest rate: 5% simple interest*
- *Term of loan: 30 years*
- *Payments: No monthly payments*

- *Buyer downpayment: 3% of purchase price plus closing costs*
- *Need not be a first time homebuyer, but cannot have an ownership interest in a property at time of application.*

*HOME Program:*

*This is a federally funded program. From July 1, 1993 through January 31, 2007, 163 HOME loans have been made. Like the SMAP program, the HOME program offers low interest loans in the form of “silent” second mortgages: the homebuyer makes no monthly payments on the principal or interest on the loan – it is fully deferred for a term of 30 years or until sale or change of title. Other features:*

- *Income limit: Up to 80% of MFI adjusted for household size*
- *Program area: Offered City-wide*
- *Preference: Live or work in the City of Anaheim.*
- *Loan amount: 20% of purchase, not to exceed \$50,000*

*Housing Enabled by Local Partnerships (HELP) Program:* *A program funded by the California Housing Finance Authority (Cal HFA). The City received \$1.8 million under this program that offers loans up to \$50,000 to homebuyers earning less than 80 percent of MFI. Loans are provided at 3 percent simple interest, fully deferred for ten years. As of January 31, 2007, 32 households have been assisted under this program*

**Affordable Housing Program (AHP):** A program funded by the Federal Home Loan Bank to provide gap financing to affordable housing programs and projects to assist lower-income (earning less than 80% of MFI) households. The City received \$300,000 under this program, and these funds will be available as additional downpayment assistance for lower-income homebuyers who are purchasing a home in the Brookfield Homes projects (Cantada Square and Cantada Lane), or the John Laing Homes project (The Boulevard). As of January 31, 2006, three households have been assisted under this program.

**CalHome Program:** A program funded by the State of California Housing and Community Development Department (HCD). Anaheim Housing Authority was awarded \$500,000 under this program to assist lower-income (earning less than 80% of MFI) households with loans of up to \$25,000. Loans are provided at 3 percent interest for a 30-year loan term. As of January 31, 2007, 14 households have been assisted.

**Equity Participation Assistance Loan (EPAL) Program:** The Anaheim Redevelopment Agency (ARA) has designated \$1 million from Housing Set-Aside funds for the EPAL Program. This program is available for low-moderate income households (at or below 120% of MFI) to purchase a new home in the Brookfield and Laing developments only. The maximum loan amount is \$35,000 with a loan term of 45 years. The interest rate is 0% for the first 5 years, and increases to 5% during years 6-45. After year 5, the ARA annually reviews the household's ability to make interest only loan payments. The program contains a 45-year affordability covenant with resale restrictions that require the property to be sold at a sale price affordable to another low/moderate income household. The ARA will participate in the property's equity if the sale of the property does not satisfy the covenant's requirements. The loan requires payment in full at maturity, sale of the property, title transfer, or non-owner occupancy. As of January 31, 2007, 83 households have been assisted under this program.

**Mortgage Credit Certificate Program:** This is a Federally-funded program that is administered by the State. The State offers Mortgage Credit Certificates through an annual application process, which allows first-time homebuyers a credit on their federal income tax up to 15% of the mortgage interest, paid for the year. The credit can be deducted from the income tax owed, while the remaining 80% of the mortgage remains as an income tax deduction. This savings can be realized on a monthly basis by adjusting the exemptions of a buyer's W-4 form. This tax credit may be offered in conjunction with the Second Mortgage Assistance Program (SMAP).

**Police Residence Assistance Program:** This program was designed to encourage Anaheim police officers to reside in Anaheim by providing financial assistance of a one-time, no interest, forgivable loan by the City, from the City's General Fund, to be used toward the purchase of a principal residence within the City of Anaheim. The maximum loan amount is \$10,000, and the loan is reduced at the rate of \$1,000 per year and forgiven in 10 years, so long as the police officer remains on active status with the Anaheim Police Department, and the property remains as the principal residence. Income limits do not apply. Since the program's inception in August 1995 through January 31, 2007, 84 police officer families have benefited from this program by purchasing a home in Anaheim.

### BEGIN Program

*This program is funded under the State of California Housing and Community Development Department. Anaheim was awarded \$1,860,000 to assist low- and moderate income (less than 120% of median family income) households with loans up to \$30,000. Loans are provided at 3% interest for a 30-year loan term. As of January 31, 2007, 85 households have been assisted under the BEGIN Program.*

### MAINTENANCE OF QUALITY HOUSING

Housing Counseling Agency: *On December 29, 1998, AHA was designated as a HUD-approved Local Housing Counseling Agency (LHCA). The objective of the LHCA is to provide comprehensive housing counseling, education, and outreach to potential homebuyers, homeowners and renters. Approved LHCA's educate homebuyers about the responsibilities of homeownership; assist existing homeowners in dealing with default and foreclosure; and assist low- or moderate-income renters to obtain adequate rental housing. As an approved LHCA, the Housing Authority is eligible to apply for funds under HUD's Housing Counseling Program. In FYs 1999, 2001, 2003, 2005, and 2006 AHA received \$25,450, \$13,864, \$125,223, \$65,040, and \$48,130, respectively in Housing Counseling Program funds. These funds were used to fund staff that provides housing counseling services. During the period of July 1, 2005 through June 30, 2006, first-time homebuyer education was provided to 224 homebuyers, pre-purchase homeownership counseling was provided to 188 potential homebuyers, loss mitigation/foreclosure counseling was provided to 37 homeowners, and rental counseling was provided to 8 renters and 1 homeless household. In the past four years, over 1,500 people attended the Community Development Department's annual Homeownership Fair.*

Fair Housing: *Using CDBG funds, the City provides fair housing services through the Fair Housing Council of Orange County. This program is designed to affirmatively further the fair housing objectives of Title VII of the Civil Rights Act of 1968. In 1996, the City of Anaheim joined together with surrounding cities to form a consortium and have an Analysis of Impediments (A.I.) to Fair Housing conducted. The A.I. was updated in 2005.*

### RENTAL ASSISTANCE PROGRAMS

Section 8 Existing Rental Assistance Program: *This federally funded rental assistance program provides assistance in paying the rent to eligible very low-income families, elderly, disabled and individuals. Families are required to pay at least 30% of their adjusted monthly income, but may elect to pay up to 40% of their adjusted monthly income for rent. Anaheim Housing Authority (AHA) will pay the remaining rent (with certain limitations) directly to the landlord. AHA has 6,258 Section 8 vouchers.*

Section 8 Family Self-Sufficiency Program: *This program assists very low-income families in transitioning from living with the help of public assistance to economic self-sufficiency. As required under Section 8 FSS Program regulations, program participants are selected from the Section 8 Existing Program tenant pool. Participants are required to be enrolled in, or have completed a job training/education program. FSS tenants are also required to seek and maintain suitable employment through the term of their participation. The FSS Program has a*

*five-year term for each participant, with the possibility of two one-year extensions. AHA's current minimum program size for the FSS Program is 162 families. AHA currently has 105 families enrolled in this program.*

*A feature of the FSS Program, which is not part of the regular Section 8 Program, is the "escrow account". As an FSS participant has an increase in earned income, which results in an increase in their portion of the rent, the tenant pays the increased rent amount to the landlord and the Housing Authority "matches" this amount and holds it in the escrow account. In order to receive the money held in the escrow account, a family must maintain employment and be off all public assistance (except rental assistance) for at least twelve months, and complete the terms outlined in their FSS Contract of Participation with AHA.*

#### Section 8 Subprograms:

Section 8 Family Unification Program: *This program provides Section 8 rental assistance to very low-income families for whom the lack of adequate housing is a primary factor that may result in the imminent placement of a minor family member(s) in out-of-home care, or may delay the discharge of a minor family member(s) to his/her/their family from out-of-home care. AHA has 270 vouchers under this program. AHA works with the Children and Family Services Division of the County of Orange SSA to identify qualified families. SSA staff identifies eligible families within its caseload and prepares a Certification of Eligibility for these families and forwards it to AHA. AHA contacts the families and schedules them for an appointment to determine Section 8 Program eligibility. If determined eligible for Section 8 rental assistance, the family is issued a Family Unification voucher and is able to search for a suitable unit.*

Section 8 Mainstream Housing Opportunities Program for the Disabled: *This program provides Section 8 rental assistance to very low-income persons with disabilities to enable them to rent private housing of their own in a nonsegregated environment. AHA has received 225 vouchers under this program. AHA screens its current Section 8 waiting list for disabled persons who meet the eligibility requirements for this program. Once all of the disabled applicants on the Section 8 waiting list have been identified and assisted, AHA seeks disabled/handicapped referrals from the Dayle McIntosh Center for the Disabled, Orange County Mental Health Association, Orange County Health Care Agency, Orange County Area Agency on Aging, Orange County Alcohol Abuse Services, Anaheim Drug Abuse Services and Orange County SSA.*

Section 8 Project-Based Assistance (PBA): *This program links the Section 8 rental subsidy voucher to a property in exchange for the owner's agreement to rent some or all of the housing units to Section 8 tenants. New construction units, rehabilitated units and existing housing units qualify under this program. AHA has assisted 82 units under new construction Section 8 PBA as follows:*

*Linbrook Court: 2240 West Lincoln Avenue (25 units)*

*Casa Alegre: 2761 West Ball Road (22 units)*

*Tyrol Plaza: 891 S. State College Blvd, (35 units)*

*AHA has assisted 159 units under existing Section 8 PBA s follows:*

*Solara Court: 3335 West Lincoln Avenue (59 units).*

*Hermosa Village: 1515 Calle del Mar (141 units)*

*In addition, AHA, for HUD, administers 100 new construction PBA units at a senior housing development, Village Center located at 200 East Lincoln Avenue.*

*Relocation Benefits:* *This program funds relocation payments and other assistance for permanently and temporarily displaced individuals and families due to activities carried out by the Community Development Department, such as the revitalization of the South of Romneya Project and the Jeffrey-Lynne Project. Both projects were multiple-family rental complexes targeted for rehabilitation and occupancy at affordable rents to low-income families.*

*Family Self-Sufficiency Program Coordinators for the Section 8 FSS Program:* *AHA received \$46,350 in FY 1999, \$47,750 in FY 2000, \$104,918 in FY 2001, \$121,114 in FY 2002, \$122,325 in FY 2003, \$124,548 in FY 2004, \$124,784 in FY 2005 and \$126,032 in FY 2006 from HUD to fund 2 FSS coordinator positions (2 coordinators were funded in FY 2001, 2002, FY 2003, FY 2004, FY 2005 and FY 2006) for the Section 8 FSS Program. This position coordinates the delivery of supportive services that FSS tenants need to achieve self-sufficiency, and provides case management services to assist FSS tenants in completing their Contract of Participation.*

***Priority 3-2:*** *Provide for homeless and “special needs” populations.*

*To implement this priority, the City/AHA will implement the following programs:*

### **PREVENTION OF HOMELESSNESS**

*Section 8 Homeless Vouchers Program:* *AHA has set aside 91 vouchers, which are made available to very-low income homeless families and individuals. In addition to Section 8 vouchers, AHA also refers these individuals to the One-Time Rental Assistance Payments program (OTRAPP), administered by its sister agency, the Workforce Development Center, for security deposits and move-in costs, when necessary. AHA receives homeless referrals from local homeless shelters. Shelters submit a referral form to AHA certifying that a family or individual is homeless and capable of living independently and maintaining a home.*

*One-Time Rental Assistance Payments Program (OTRAPP):* *This program serves two population groups: (1) very low-income homeless families residing in a shelter/motel who have sufficient income to pay the monthly rent for permanent housing, but lack the funds necessary to pay the “upfront” costs of renting (e.g. the first and last month’s rent, security deposit, etc.); and (2) very low-income families who are “at risk” of being homeless; and who currently reside in permanent housing, but due to a one-time extenuating circumstance, such as a medical bill or other emergency, are unable to pay their rent. Their financial situation is such that by receiving one-time rental assistance, they are saved from possible homelessness. Utilizing Federal Emergency Shelter Grant (ESG) funds, OTRAPP provides assistance in the form of a grant paid directly to the property owner and participants must show that they have adequate ongoing income to pay the rent after the one-time rent payment is made. OTRAPP receives homeless*

*referrals from local homeless shelters; shelters submit a referral form to AHA certifying that a family or individual is homeless.*

*Federally-Funded Emergency Shelter Grant (ESG) Program:* *These grants improve the quality of existing emergency shelters and increase the number of shelters for the homeless. Anaheim may distribute part of these funds to non-profit subrecipients to carry out these activities. Funds can be used for rehabilitation, essential services, homeless prevention activities, operating costs, and staff operating costs. The City expects to receive \$219,514 in FY 2007-08. ESG funds are a tremendous resource for non-profit agencies providing homeless services.*

*For FY 2007-08, the City expects to allocate its ESG grant to nonprofit agencies as follows: Anaheim Interfaith Shelter (\$94,000), Colette's Children's Home (8,000), Council of Orange County Society of St. Vincent de Paul (\$5,000), H.I.S. House (\$8,000), Interval House (\$20,000), Mercy House (\$8,000) Mental Health Association (\$25,000), Thomas House (\$8,000) WISEPlace (\$6,000) and Women's Transitional Living Center (\$37,514).*

### **5a. Implementation of Violence Against Women Act (VAWA) of 2005**

*The Anaheim Housing Authority has prepared a policy for the implementation of the Violence Against Women Act (VAWA) of 2005. It will notify its tenants and owners of the new law and how it impacts Section 8 tenants and owners. AHA is in the process of amending its Administrative Plan to incorporate the requirements under VAWA and to state the policies and procedures it will utilize to implement VAWA.*

*The following is a description of programs and services available in the City of Anaheim to victims of abuse and violence:*

*AHA is a part of the Community Development Department of the City of Anaheim. As described on above, the City receives Emergency Shelter Grant (ESG) funds, which are administered by the Community Development Department. In the upcoming fiscal year (FY 2007-08), the City expects to award ESG funds to two domestic violence shelters:*

*Interval House* *operates seven shelters and outreach centers for women and children victims of domestic violence. Their core services include 1) emergency crisis hotline counseling 24 hours a day, seven days a week; 2) individual counseling sessions to domestic violence victims and their children; 3) group counseling sessions to domestic violence victims and their children; and 4) emergency and transitional shelter to domestic violence victims and their children. Their services are offered in 45 languages.*

*Interval House also provides domestic violence individual and group counseling and legal assistance services on-site at the City of Anaheim's three Family Resource Centers*

*Women's Transitional Living Center (WTLC)* *provides emergency and transitional shelter, as well as services, to women and children victims of*

*domestic violence. They are the only shelter in the area that accepts clients with active substance abuse and/or mental health issues, and boys over the age of 13. WTLC provides a complete continuum of care for abuse victims, with services designed to help them become safe, healthy and independent. Current programs include: Safety Net Emergency Motel Shelter Program which provides food, shelter, clothing, transportation, translation services, and crisis/referral/resource/legal immigration assistance; 45/90-Day Emergency Shelter Program, which provides case management, counseling, educational process/empowerment groups, children's programs, 24/7 hotline training/placement, work experience programs, substance abuse treatment, and on-site medical care; and the Step-Two Transitional Shelter Program that offers up to a two-year stay in the shelter with services designed to be an extension of those provided in the emergency shelter.*

*WTLC currently has victim advocates stationed at the Anaheim, Garden Grove, and La Habra Police Departments. These advocates contact victims of violence and abuse and offer them services, such as counseling, legal assistance, and medical assistance*

*The Anaheim Family Justice Center opened in August 2006 and is a "one-stop shop" for victims of violence and abuse. The Justice Center co-locates many resources to effectively and efficiently address domestic violence, child abuse, elder/dependent abuse, and sexual assaults. It provides a linear continuum of services to victims of abuse and violence. The Center houses staff from the Anaheim Police Department Family and Sex Crimes Detail, a Deputy District Attorney/investigator, Orange County Child and Family Services, two full-time City Attorneys, and chaplain/members of the faith community. WTLC is the primary shelter and advocacy agency providing services at the Justice Center.*

*AHA staff refers applicants experiencing domestic violence and abuse to the above organizations. The shelters encourage their clients to apply for the Section 8 Housing Choice Voucher Program so that when their shelter stay is over, they have access to decent, safe, and affordable housing for themselves and their children.*
