[24 CFR Part 903.12 (b), 903.7 (o)]

Civil rights certifications are included in the *PHA Plan Certifications of Compliance with the PHA Plans and Related Regulations: Board Resolution to Accompany the Streamlined Annual Plans* which is submitted to the Field Office in hard copy—see Table of Contents.

8. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

It is the intent of the Housing Authority of the City of Lomita to adhere to the goals and objectives outlined in the 5-year strategic plan. However, the plan will be modified and re-submitted to HUD if a significant deviation from program goals and objectives occurs. Significant deviation is defined by the Housing Authority as follows:

- A change in Program Administration
- A significant increase or decrease in program funding
- A significant change in the local economy, i.e., economic recession.
- A need to respond to events beyond the Housing Authority's control such as an earthquake, civil unrest or other unforeseen events.
- A mandate from local government officials, specifically the governing body of the Housing Authority, to change the direction (goals and objectives) of the program.

b. Significant Amendment or Modification to the Annual Plan

The Housing Authority of the County of Los Angeles (HACoLA) administers the Housing Choice Voucher and Conventional Public Housing programs for residents in Los Angeles County. The contents of the Annual Plan reflect the current state of operations and management of the affordable housing programs. The Annual Plan contains the following attachments: the Capital Fund Annual Statement, the Capital Fund Program Five-Year Action Plan Resident Advisory Board comments, Admission Policy for Deconcentration, Progress in Meeting Five-Year Goals, Schedule of Flat Rents, the Admissions and Continued Occupancy Policy (ACOP) and Lease Agreement for the Conventional Public Housing Program, and the Section 8 Tenant-Based Program Administrative Plan.

A significant amendment is a change in program policy including changes to rent, admissions policies, or organization of the waiting list; additions of non-emergency work items (items not included in the current Capital Fund Annual Statement or Five-Year Action Plan), or a change in the use of replacement reserve funds under the Capital Fund Program; and any change with regard to demolition or disposition, designation, homeownership programs, or conversion activities. An exception to this definition will be

made for any of the above that are adopted to reflect changes in HUD regulatory requirements, as such changes are not considered significant amendments by HUD. This new definition will allow the Housing Authority to make program changes in line with HUD regulations without a 45-day public comment period.

Section 8

Since HACoLA administers the Housing Authority's Section 8 Program, HACoLA formed a joint Resident Advisory Boards (RAB), which included Section 8 participants from HACoLA and other cities whose programs are administered by HACoLA.

In October 2006, a newsletter was sent to all Section 8 participants, inviting them to participate in the Annual Plan process. Eight RAB members volunteered to participate in the development of the Annual Plan. Four Section 8 RAB meetings were held in November 2006.

Attachment C: Comments of Resident Advisory Board or Boards & Explanation of PHA Response

PUBLIC HOUSING

Comment: Can we get a new van with funds from the capital fund program? The food bank donated the last one.

Response: A new van can be purchased from Capital Fund program funds if the Housing Authority (HA) applies for Operations funds or if there are funds left over after all other work items are taken care of. The HA will evaluate the present van and if needed, the HA can apply for Operation funds in the next Annual Statement for 2008.

Comment: Can we get security cameras in the hallways?

Response: The HA will evaluate the need for security cameras and include it in the 5 Year Plan as needed.

Comment: We are happy with the new windows.

Comment: Do Veterans have an admissions preference over everyone?

Response: In accordance with the State of California Health and Safety Code, section 34322.2, the HA must give priority to families of veterans and members of the armed forces within each of the admissions preference categories.

Comment: Will the Housing Authority redo the rain gutters?

Response: The Housing Authority will evaluate the need for new rain gutters and include it in the 5 Year Plan as needed.

Comment: Veterans should be given top priority.

Response: Veterans are given an admissions priority over other applicants.

Comment: It is good that the Housing Authority will be fixing the gate entrance.

Comment: Does the Violence Against Women's Act apply to Lomita Manor?

Response: Yes. To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2005, the HA has implemented policies protecting victims of domestic violence from discrimination at Lomita Manor.

Comment: Why do we have Loitering policies?

Response: The current chapter in the Admissions and Continued Occupancy (ACOP) regarding the HA's curfew policies does not describe the HA's policies on loitering. In order to increase the safety of Lomita Manor residents, the HA will now revise the current curfew policies ACOP chapter to include loitering policies. Loitering is defined as when a person delays, lingers, idles or remains in an area and does not have a lawful purpose for being there.

Comment: Will there be indoor painting?

Response: Please contact the maintenance department. Indoor painting is not an eligible capital fund program item.

Comment: Is the Housing Authority replacing the entire gate/intercom entrance or just fixing it?

Response: The intercom system will be replaced and updated in fiscal year 2007-2008.

Comment: Why does the dining area have carpet not tile? I think I would like tile instead.

Response: This is not a priority item in the capital fund program. To replace the carpet with tile in the dining area, all residents would have to approve this change.

Comment: On the B side, the east door needs a window (in the north side) for those that are wheelchair bound.

Response: The HA will evaluate the need for a new door and will be replaced as needed.

Comment: Can the glass doors be sliding doors? It's an ADA issue because right now the door closes on wheelchair bound residents.

Response: The HA will evaluate the need for sliding glass doors and will replace the doors as needed.

Comment: The new patio doors are not wide enough. Not good for people in wheelchairs. They do not fit. Additionally, people are tripping at the entry of these glass doors.

Response: The HA will evaluate the need for wider patio doors and will replace the doors as needed.

SECTION 8

Criminal Background Checks

Comment/Question: Why do criminal background checks take so long?

Response: Criminal background checks may take longer than usual if something is found during the course of the check or if fingerprinting is necessary. It may also take longer when we are in the process of batching a very large number of applications.

Comment/Question: When doing a criminal background check, where do you check?

Response: The FBI and local law enforcement.

Comment/Question: Is someone with a criminal history allowed to receive Section 8?

Response: Yes, but there are regulations restricting some with criminal histories from receiving Section 8. Sex offenders with lifetime sex offender status will not receive assistance. Drug offenders and violent criminals will not receive assistance until at least three years has past from the date of their conviction or the date their incarceration ended,

whichever is later. Those who have been convicted of the manufacture of methamphetamines in federally assisted housing will also not receive assistance. At HACoLA we do not allow admission to anyone on parole or probation.

Comment/Question: Do you share the results of criminal background checks with landlords?

Response: No. We will only provide the participant's former address, if asked.

Comment/question: Do you conduct criminal background checks on everyone?

Response: The Housing Authority requests a criminal background check for all applicant household members (including live-in aides) 18 years of age and older. The criminal background check is used as a factor in screening applicants for criminal activities that would prohibit admission to the Housing Authority's Section 8 rental assistance program. The Housing Authority will conduct criminal background and sex offender registration checks for all incoming portability families and will not delay issuing the family a voucher.

Comment/Question: I think you need to change the policy that does not allow people on parole or probation admission to the program.

Family Composition

Comment/Question: Would my adult son or daughter be allowed to rejoin my household?

Response: No. We only allow minors or marital-type partners to be added. Caretakers, who may be an adult relation, may be added as a reasonable accommodation.

Comment/Question: If my daughter goes to college, can she come back to live with me on her breaks?

Response: Yes, as long as you report her only temporarily absent from your home, she is still considered part of your household.

Comment/Question: What if I get married? Will my spouse be allowed to live with me?

Response: Yes. We allow the addition of a marital-type partner as long as they are otherwise eligible for the program.

Eligibility

Comment/Question: Can people working at the Housing Authority receive Section 8?

Response: No, that is not permitted.

Comment/Question: Can you be a homeowner and still receive Section 8?

Response: Yes, you may own property and still receive assistance under Section 8, however you may not be living in the property you own.

Comment/Question: Can I live in my son's house and still receive Section 8?

Response: You may live in a home owned by a relative only if it is necessary as a reasonable accommodation. You may not live in the same unit as the owner.

Payment and Occupancy Standards

Comment/question: How does the Housing Authority determine subsidy/occupancy standard?

Response: Program regulations require that the Housing Authority establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. Such standards must provide for a minimum commitment of subsidy while avoiding overcrowding. Subsidy/occupancy standards and determination of voucher bedroom size are based upon the number of family members who will reside in the assisted dwelling unit.

Comment/question: How does the Housing Authority determine the payment standards and the tenant portion of rent?

Response: HUD regulations allow the Housing Authority to set Payment Standards at a level that is between 90 percent to 110 percent of the Fair Market Rent for Los Angeles County. The Housing Authority must set the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families on the waiting list as possible. Current the Housing Authority's payment standards are at 100 percent of the Fair Market Rent for Los Angeles County.

Comment/Question: Why do I only get a two-bedroom voucher if the gender of my children is different?

Response: The occupancy standard is set at two people per bedroom. Gender is not a consideration.

Comment/Question: If my rent is more than the payment standard, can I still live in my unit?

Response: Yes, if the additional rent is 40% of your income or less.

Income

Comment/Question: Will the Housing Authority count my minor son's income.

Response: No, we do not count the income of minors.

Comment/Question: Is my lump sum payment from Social Security included in my income?

Response: It depends what the lump sum payment was. If it was a lump sum because periodic payments were delayed, it is included. If it was for deferred periodic payments, it will be excluded.

Comment/Question: My welfare payment changed. Do I have to notify the Housing Authority?

Response: You must provide written documentation of your income change to the Housing Authority within thirty days.

Special Programs

Comment/question: Does the Housing Authority have programs for mental ill people?

Response: Yes, the Shelter Plus Care (S+C) Program. This program is designed to link rental assistance to supportive services for homeless individuals with disabilities and/or their families. This program primarily provides assistance to those who have been diagnosed with mental illness, chronic substance abuse problems, or AIDS. Assistance is provided for a term of 5 years or for as long as there is a continuum of funding available for this program.

Comment/question: Does the Housing Authority have a self-sufficiency program?

Response: Yes, the Family Self-Sufficiency Program (FSS). The FSS Program is designed to provide supportive services for families who are residents within the Housing Authority's jurisdiction. Supportive services include but are not limited to childcare, education, transportation, counseling, job preparation, vocational training and home ownership workshops. Upon becoming employed, FSS participants continue to pay rent in accordance with the Housing Authority's housing choice voucher procedures. Whenever the participants rent increases, the Housing Authority establishes an interest bearing Escrow Account in their name. If the family successfully complete the contract obligations within 5 years, the family can apply to graduate from the program and receive the accrued portion of their escrow account.

Comment/Question: If a man is the victim of domestic violence, will he be allowed to stay if the lease is split?

Response: Yes, the language is not specific to gender.

Inspections and Moves

Comment/Question: How many inspections can a unit fail?

Response: HACoLA performs two inspections before HAP payments are abated, if there are owner-related deficiencies. If a third inspection is failed with owner-related deficiencies, the Housing Authority will terminate the HAP Contract and the participant will be required to move.

Comment/Question: Why do I only have thirty days to move if my unit fails three inspections?

Response: We require participants to move within thirty days for the safety of those living in the unit. In addition, the HAP Contract is also terminated and the Housing Authority will not release anymore HAP payments to that owner.

Comment/Question: What if I put in my 30-day notice and can't find a unit in time?

Response: It is up to you to work with the owner to allow you to stay longer than the thirty day period. For this reason, we recommend participants submit a 60-day notice.

Comment/Question: What if I move into a unit before the HAP contract is executed?

Response: If a participant moves in to a unit before the HAP Contract is executed, the participant will be responsible for all rent until the contract is executed.

Comment/Question: Does the Housing Authority possess a list of properties that rent to Section 8 voucher holders?

Response: Yes, you may obtain it from our website, call and have one mailed to you, or obtain one at the Housing Authority offices.

Applications and Waiting List

Comment/Question: How long does the waiting list take?

Response: We cannot be sure. The length of time someone is on the waiting list depends on when they entered the list and the number of vouchers that become available during that time.

Comment/Question: Do you have to come to the Housing Authority offices to apply?

Response: No, you may apply by calling the offices or on our website.

Miscellaneous

Comment/Question: Does the Housing Authority help with security deposits?

Response: No, we do not have funding to give security deposit assistance. You may contact a community-based organization for assistance.

Comment/Question: I like that advocacy groups have a say in the policies of the Annual Plan.

Comment/Question: Can an owner increase the rent every year?

Response: An owner may increase the rent after the initial 12-month period. The owner must submit a written notice to both the tenant and the Housing Authority sixty days from the intended increase. The Housing Authority will not approve a rent increase it cannot determine to be reasonable.

Comment/Question: Is there a central processing location for all Section 8? Response: No, every Housing Authority administers the Section 8 program for its own jurisdiction.

Attachment D: Progress in Meeting 5-Year Goal Fiscal Year 2005-2008 HA of the City of Lomita

1. PHA Goal: Expand the supply of assisted housing

Objectives:

Apply for additional rental vouchers: The Housing Authority continues to apply for fair share funding and funding for specifically targeted programs.

Reduce public housing vacancies:

The Eligibility and Suitability Unit continued to process applicants from the Lomita Manor waiting list in a continuing effort to maintain a qualified applicant pool. As a result, vacant units are filled in a timely manner and the current lease-up rate is at 100%.

2. PHA Goal: Improve the quality of assisted housing

Objectives:

Improve public housing management: For Fiscal Year 2005-2006, the Housing Authority (HA) received a PHAS score of 81. The HA will continue to work with its managing agent and the local HUD field office to improve its PHAS Score.

Improve voucher management: The Housing Authority overall performance rating was standard for the assessment period 7/1/03 - 6/30/04. Strategic planning efforts in 2003 allowed the Housing Authority to convert to case management and apply automated and streamlined approaches to paperwork and reporting processes. Extensive training efforts, including hands-on demonstrations, increased efficiency and productivity. The Housing Authority will continue to review lease-up rates and timeliness of recertifications and inspections on a quarterly basis.

Increase customer satisfaction: An automated phone system and online waiting list registration were implemented last year. Online registration services allow applicants to place their name on the waiting list, check their status and submit changes. In October 2004, the Housing Authority also added online resources for Section 8 owners including frequently asked questions and online forms.

Concentrate on efforts to improve specific management functions: Implementation of the ISSI software system for management of the public housing program continues to improve the transmission rate of 50058 forms to HUD and has improved tenant record keeping.

As of June 2004, the Lockbox System of paying rent continues to improve the cash flow and rent collection percentage. The Lockbox System has also improved efficiency, accuracy and security for site staff and residents.

Renovate or modernize public housing units: The Housing Authority will continue to utilize the Capital Fund Program funds to maintain high property standards at Lomita Manor.

3. PHA Goal: Increase assisted housing choices

Objectives:

Provide voucher mobility counseling:

The Housing Authority continues to provide mobility counseling through its Deconcentration Program. The program objective is to enhance available resources for program applicants and participants. All applicants and participants receive a set of housing related support services customized to address their unique housing needs. This includes group session, individual session and housing liaison services.

Conduct outreach efforts to potential voucher landlords: The Housing Authority's Public Liaison unit continues to conduct quarterly workshops with Section 8 landlords in all areas. In addition to quarterly workshops, the Public Liaison unit conducted ongoing task force meetings with existing owners to discuss program issues and new policies. The Public Liaison unit also participated in the area Apartment Association.

Increase voucher payment standards: The Housing Authority sets the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families as possible. The Housing Authority's payment standards have been increased annually to reflect increases in the Fair Market Rent. The Housing Authority may be prevented from continuing this trend due to program budget cuts.

Implement voucher homeownership program: Due to the housing market within the City, a homeownership program is not feasible. The Housing Authority will explore the option of offering the homeownership program in the future.

4. PHA Goal: Provide an improved living environment

Objectives:

Other:

The HA of the City of Lomita has established a number of goals for improving the quality of life for its public housing residents. One of these goals includes providing a safer living environment through a crime prevention program that operates in conjunction with law enforcement, residents and site management.

The Community Policing Team provides crime prevention information, safety tips, and current crime trends when requested to speak at Resident Council meetings or other resident events

Partner with community-based organizations and local colleges and universities through service learning:

The HA's Service-Learning Initiative has been successful in bringing services and support to public housing residents at Lomita Manor. The HA's goal is to provide some of these services to the HA community through civic engaged partnerships with educational institutions including: California State University Dominguez Hills (CSUDH), Los Angeles Harbor College (LAHC), and California State University Long Beach (CSULB). Through these partnerships, students provide their time and enthusiasm to gain a learning experience that relates to their field of study and/or internship, practicum or service-learning course.

Over the past year the HA has supported existing services for residents. A collaboration with both CSUDH and CSULB has brought a variety of program support. From assistance at Lomita Manor to after school programming and resource development, students have brought their enthusiasm and educational experience to the HA's programs.

5. PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

Increase the number and percentage of employed persons in assisted families:

Provide or attract supportive services to increase independence for the elderly or families with disabilities:

The Lomita Manor Resident Council continues to sponsor monthly meetings, and luncheons and special events during the holidays. The council also owns a van, in conjunction with the Harbor Hills Resident Council. The van is utilized for special trips for the seniors, other social activities and to pick up donated goods for distribution to the residents. The council receives an annual operating budget of \$400 from the HA, as well as shares of revenue from the on-site washing machines, as directed by the City of Lomita. The council is a non-profit corporation recognized by the State of California with 501 (C (3)) tax-exempt status and, as mandated in its bylaws and Articles of Incorporation, the council holds an annual meeting of the corporation where they distribute the annual financial report.

6. PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status, and disability:

The HA has ensured that there is a suitable living environment for all families. There were no formal requests for special accommodations at Lomita Manor for 2005-2006. The maintenance staff has been able to accommodate issues such as installing a bathroom grab bar etc. Currently, the HA has an ADA manual and an ADA liaison to process all requests for special accommodations.

To comply with the Violence Against Women and Department of Justice Reauthorization Act of 2005, the Housing Authority has implemented policies protecting victims of domestic violence from discrimination. The Section 8 Program has also implemented policies permitting owners to bifurcate the lease of those in a violent relationship, allowing the victim of violence to remain in the unit. The Housing Authority will not deny admission to an applicant who is or has been a victim of domestic violence, dating violence, sexual assault or stalking, if the person otherwise qualifies for assistance. Additionally, the Housing Authority will not evict a current tenant solely because the resident is or has been a victim of domestic violence, dating violence, or stalking

The Housing Authority refers victims of domestic violence to Antelope Valley Domestic Violence Council (ADVDC) who targets domestic violence (DV) victims, who must be low income and disabled. We do not demand the police reports to verify the domestic violence; however, we do require that ADVDC/applicant sign a certified statement regarding the domestic violence, and a trained profession sign the Certificate of Disability prior to submitting the pre-application to the Housing Authority of the County of Los Angeles for review/approval.

The Section 8 Program gives admissions preference to victims of domestic violence, dating violence and stalking through set-asides and law enforcement referrals. Additionally, the Public Housing Program will continue to provide an admissions preference to a victim of domestic violence, dating violence, or stalking if the applicant is referred by a domestic violence facility or homeless provider.

**CHAPTER 1:
POLICIES AND OBJECTIVES**

1.1 INTRODUCTION

The Housing Choice Voucher Program was enacted as part of the Quality Housing and Work Responsibility Act of 1998 (QHWRA). The Act has been amended from time to time, and its requirements, as they apply to the Housing Choice Voucher Program, are described in and implemented through this Administrative Plan.

The Section 8 Housing Choice Voucher Program for the Housing Authority of the City of Lomita is administered by the Housing Authority of the County of Los Angeles.

In accordance with the agreement between the two agencies, all functions and responsibilities of the staff of the Housing Authority of the County of Los Angeles shall be in compliance with the Department of Housing and Urban Development's (HUD) Housing Choice Voucher Program regulations as well as Federal, State, and local Fair Housing laws and regulations.

1.2 PURPOSE OF THE PLAN
[24 CFR §982.54(a) – §982.54(c)]

The purpose of the Administrative Plan is to clearly outline the policies and procedures that govern the Housing Authority's administration of the Housing Choice Voucher program. The plan includes program requirements established by the U.S. Department of Housing and Urban Development (HUD), as well as the discretionary policies established by the Housing Authority.

The policies and procedures in this Administrative Plan comply with applicable local, State, and HUD and other Federal regulations, relevant memos, notices and guidelines, including fair housing and equal opportunity requirements. If applicable regulatory changes conflict with this plan, regulations will have precedence.

The Housing Authority adheres to the Administrative Plan in administering the Housing Choice Voucher program. The original plan and any changes must be approved by the Housing Authority's Board of Commissioners (the City Council for the City of Lomita), and a copy of the plan must be provided to HUD.

As much as possible, revisions and additions are published to coincide with published changes in the Housing Authority's Agency Plan. Interim changes, including Board mandates and administrative updates reflecting changes in law or regulatory requirements, will be made effective by memo from the Executive Director or designee.

1.3 LOCAL OBJECTIVES
[24 CFR §982.1(a)]

The Housing Authority's Housing Choice Voucher program is designed to achieve three major objectives:

1. To provide improved living conditions and decent, safe, and sanitary housing for very low-income families while maintaining their rent payments at an affordable level;
2. To provide an incentive to private property owners to rent to lower income families by offering timely assistance payments; and
3. To promote freedom of housing choice and spatial deconcentration of lower income and minority families.

Additionally, the Housing Authority has adopted the following mission statement:

- To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

1.4 JURISDICTION
[24 CFR §982.51 and 24 CFR §982.4(b)]

HUD has authorized the Housing Authority to administer the Housing Choice Voucher program within the corporate boundaries of the City of Lomita.

1.5 FAIR HOUSING AND EQUAL OPPORTUNITY POLICY
[24 CFR §982.53]

It is the policy of the Housing Authority to comply fully with all Federal, State and local nondiscrimination laws and with the rules and regulations governing fair housing and equal opportunity in housing and employment.

The Housing Authority shall not deny any family or individual the opportunity to apply for or receive assistance under its rental assistance programs on the basis of race, color, sex, religion, creed, national or ethnic origin, age, family status, handicap or disability.

The Housing Authority will provide Federal, State, and local information to voucher holders regarding discrimination, and the recourse available to them if they are victims of discrimination. Such information will be made available during the family briefing session, and all fair housing information and discriminatory complaint forms will be included in the voucher holder's briefing packet.

Except as otherwise provided in 24 CFR §8.21(c)(1), §8.24(a), §8.25 and §8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the Housing Authority's facilities are inaccessible to or unusable by persons with disabilities.

1.6 SERVICE POLICY
[24 CFR §8.24]

This policy is applicable to all situations described in this Administrative Plan when a family initiates contact with the Housing Authority, when the Housing Authority initiates contact with a family including when a family applies, and when the Housing Authority schedules or reschedules any kind of appointments.

It is the policy of the Housing Authority to be service-directed in the administration of its rental assistance programs, and to exercise and

demonstrate a high level of professionalism while providing housing services to all families.

The Housing Authority's policies and practices are designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific accommodations will be made known by including notices on Housing Authority forms and letters to all families.

1.6.1 Requests for Accommodation
[24 CFR §8.28]

The Housing Authority is required to make reasonable adjustments to rules, policies, practices and procedures of its programs, in order to enable a disabled applicant or participant to have an equal opportunity to use and enjoy their unit, including common areas, and to comply with program obligations.

The Housing Authority approves accommodation requests on a case-by-case basis, upon determination that:

- The requested accommodation is reasonable (i.e., it does not result in a fundamental alteration in the nature of the program or an undue financial and administrative burden), and
- There is an identifiable relationship between the requested accommodation and the individual's disability.

All requests for accommodation will be verified with a reliable, knowledgeable professional so that the Housing Authority can properly accommodate the need presented by the disability.

Families requesting a reasonable accommodation will be notified in writing of the decision.

Reasonable accommodation will be made for persons with disabilities that require an advocate or accessible offices. A designee will be allowed to provide information as needed, but only with the permission of the person with the disability.

1.7 FAMILY OUTREACH

Each time the Housing Authority enters into an Annual Contributions Contract (ACC) with HUD for new Section 8 existing units, it will be publicized in accordance with the specification in the criteria of the Equal Opportunity Housing Plan. The Housing Authority's waiting list will remain open on a continuous basis for the foreseeable future.

The Housing Authority will communicate the status of housing availability to other service providers in the community, advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

Information regarding the program directed at prospective applicants/tenants will be disseminated in accordance with Equal Opportunity Housing Plan and HUD guidelines for fair housing.

1.8 OWNER OUTREACH
[24 CFR §982.54(d)(5)]

The Housing Authority encourages owners of decent, safe and sanitary housing units to lease to families participating in its rental assistance programs. The Housing Authority maintains and regularly updates a list of interested landlords and available units for its rental assistance programs. When listings from owners are received, they are compiled by Housing Authority staff and made available through the phone hotline, by mail, or by Internet at www.hacola.org.

Ongoing marketing efforts to recruit suburban owners for participation include, but are not limited to:

1. Brochures for owners;
2. Realty Board presentations;
3. Apartment Owner Association presentations;
4. Community Center presentations; and
5. Presentation to organizations serving the disabled and other similar organizations.

The Housing Authority periodically evaluates the distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted. Special outreach efforts will be used in order to encourage participation of those groups who would not normally apply or participate.

1.9 PRIVACY RIGHTS
[24 CFR §5.212]

Applicants and participants, including all adults in each household, are required to sign the HUD-9886 Form (Authorization for the Release of Information). This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

A statement of the Housing Authority's policy on release of information to prospective landlords will be included in the briefing packet that is provided to the family.

The Housing Authority's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files are stored in a secure location that is only to be accessed by authorized staff.

Housing Authority staff will not discuss family information contained in files unless there is a business or legal reason to do so. Inappropriate discussion of family information or improper disclosure of family information will result in disciplinary action.

1.10 MONITORING PROGRAM PERFORMANCE
[24 CFR §985]

In order to ensure quality control, supervisory staff will review the following functions:

1. 10 percent of new applicants/contracts, and
2. 100 percent of work completed by new staff for a minimum of 30 calendar days.

The Housing Authority's Quality Assurance Unit conducts audits of:

1. 5 percent of annual re-examinations/interim re-examinations, and
2. Minimum Housing Quality Standards (HQS) quality control inspections as dictated by Section 8 Management Assessment Program (SEMAP) Indicator #5.

The Housing Authority's Program Integrity/Fraud Prevention Team uses credit checks, and other similar tools to confirm eligibility for:

1. 20 percent of all new applicants, and
2. A random sample of program participants.

1.11 TERMINOLOGY
[24 CFR §982.4(b)]

"Family" is used interchangeably with "applicant" or "participant" and can refer to a single person family. "Tenant" refers to participants in terms of their relation to landlords.

"Landlord" and "owner" are used interchangeably.

**CHAPTER 2:
ADMISSION ELIGIBILITY FACTORS AND APPLICANT REQUIREMENTS**

2.1 INTRODUCTION
[24 CFR §982.54(d)]

This chapter defines the criteria used by the Housing Authority to determine program eligibility, and the requirements that families and family members must meet in order to receive assistance under the program. This chapter also clarifies the circumstances that may lead to a denial of admission, and the process for notifying families if they are denied admission.

Family members being added to households that are currently receiving assistance are considered new applicants and are subject to the Housing Authority's admission and eligibility requirements.

The intent of these policies is to maintain consistency and objectivity in evaluating the eligibility of families who apply for the program. The criteria listed in this chapter are the only factors used to review eligibility, to minimize the possibility of bias or discrimination. Selection shall be made without regard to race, color, creed, religion, sex, national origin, familial status, source of income, or disability/handicap.

2.2 ELIGIBILITY FACTORS AND REQUIREMENTS
[24 CFR §982.201 and 24 CFR §982.552]

In accordance with HUD regulations, the Housing Authority has established the following eligibility criteria, which are detailed throughout this chapter. To be eligible for admission, an applicant family must:

1. Meet the definition of a "family;"
2. Be within the appropriate income limits;
3. Be a citizen, or a non-citizen with eligible immigration status [24 CFR §5.508]; and
4. Furnish and verify valid Social Security numbers for all family members age 6 and over [24 CFR §5.216].

The Housing Authority will also deny admission as follows:

1. If applicant fails to meet specified criteria regarding drug abuse and other criminal activity;
2. If applicant fails to submit required consent forms, or any other Housing Authority-required information to verify family eligibility, composition, or income (including birth certificates and valid state identification);
3. If applicant is in violation of other criteria listed in Section 2.8 of this chapter;
4. If the applicant is a member, officer or employee of the Housing Authority who formulates policy or influences decisions with respect to federally funded rental assistance programs or a public official or a member of the local governing body or member of Congress; or

5. If applicant is a student enrolled in an institution of higher learning and meets all the criteria listed in Section 2.5 of this chapter.

The Housing Authority's procedures regarding notification and informal reviews for applicants who are denied assistance can be found at the end of this chapter.

2.3 **FAMILY COMPOSITION** **[24 CFR §982.201(c)]**

The applicant must qualify as a family. The Housing Authority defines a family as a single person or a group of persons as follows.

1. **An elderly family:** A family whose head, spouse, or sole member is a person who is at least 62 years of age. It may include two or more persons who are at least 62 years of age living together, or one or more persons who are at least 62 years of age living with one or more live-in aides.
2. **A disabled family:** A family whose head, spouse, or sole member is a person with disabilities. It may include two or more persons with disabilities living together, or one or more persons with disabilities living with one or more live-in aides.
3. **The remaining member of a tenant family:** Includes a pregnant person whose pregnancy was terminated after admission to the program. However, if the pregnancy is terminated before admission to the program, the individual will no longer constitute a family. The remaining member of a tenant family will be reassigned another bedroom size voucher, provided there is funding available. The remaining member of a tenant family does not include a live-in aide of the former family whose service was necessary to care for the well being of an elderly, disabled or handicapped head of household, or spouse and whose income was not included for eligibility purposes.
4. **A group of persons:** Two or more persons sharing residency, who are not categorized as an elderly or disabled family, whose income and resources are available to meet family needs. There must be a relation by blood, marriage or operation of law, or the group must provide evidence of a significant relationship determined to be stable by the Housing Authority. The following is to be considered as relation by blood: mother, father, children, cousin, niece, nephew, aunt, uncle, grandfather and grandmother. A group of two could also be a single person who is pregnant or in the process of adopting or securing legal custody of any individual under the age of 18.
5. **A single person:** A person who lives alone, or intends to live alone, who is not categorized as elderly, disabled, or the remaining member of a tenant family.

A child who is temporarily away from home due to placement in foster care is considered a member of the family.

2.3.1 Stable Relationship

When the applicant group is not related by blood, marriage, or operation of law, the Housing Authority will require that the applicant group provide evidence of a stable relationship.

The Housing Authority defines a stable relationship as:

1. A relationship that has been in existence for a minimum of 6 months, and
2. The parties provide financial support for each other.

Acceptable documentation of a stable relationship includes lease agreements indicating that the parties have lived together for at least 6 months, utility bills, other joint bills and/or bank account(s) (need to provide for a 6-month period), and, on a case-by-case basis, letters from a social service provider or religious organization confirming the relationship.

2.3.2 Head of Household
[24 CFR §5.504]

The head of household is considered to be the adult designated by the family or the Housing Authority to sign program-related documents. However, since rental assistance is provided to the entire family, it is expected that every family member will uphold the Housing Authority's rules and regulations. Emancipated minors who qualify under State law will be recognized as head of household.

2.3.3 Spouse of Head

Spouse means the husband or wife of the head of household. The marriage partner who, in order to dissolve the relationship, would have to be divorced. This includes the partner in a common-law marriage.

2.3.4 Live-In Aides
[24 CFR §982.316 and 24 CFR §5.403]

A family may include a live-in aide if the live-in aide meets the following stipulations. The live-in aide:

1. Is determined by the Housing Authority to be essential to the care and well being of an elderly person or a person with a disability;
2. Is not obligated for the support of the person(s);
3. Would not be living in the unit except to provide care for the person(s);
and
4. Must submit a signed Criminal Background Consent Form.

A live-in aide is different from a family member in the following:

1. An aide's income will not be used to determine eligibility of family;
2. An aide is not subject to citizenship/eligible immigrant requirements;
3. An aide is not considered a remaining member of the tenant family, which means that they are not entitled to retain the voucher if the eligible family

member(s) voluntarily leave the program, are terminated from the program, or have a voucher that expires.

Relatives are not automatically excluded from being live-in aides, but they must meet all the stipulations in the live-in aide definition described above to qualify for the income exclusion as a live-in aide. A relative who does not qualify for an income exclusion as a live-in aide may qualify for other exclusions, including if a family receives income from a state agency to offset the cost of services and equipment needed to keep a developmentally disabled family member at home. For a complete list of income exclusions, refer to Section 6.4 (Income Inclusions and Exclusions).

A live-in aide may only reside in the unit with the approval of the Housing Authority. The Housing Authority will require written verification from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, and/or disabled. The verification must include the hours of care that will be provided.

The live-in aide will be subject to a criminal background check and must meet the same standard as an applicant. Please see Section 2.8 (Screening for Drug Abuse and Other Criminal Activity) for more information.

With authorization from the assisted family, the landlord and the Housing Authority, a live-in aide may have a family member live in the assisted unit as long as it does not create overcrowding in the unit. The Housing Authority will not increase the family's subsidy to accommodate the family of a live-in aide.

2.3.5 Split Households Before Voucher Issuance

When a family breakup occurs while a family is on the waiting list due to divorce or legal separation, it is the responsibility of the two families to decide which will take the placement on the waiting list. If no decision or court determination is made, the Housing Authority will make the decision, taking into consideration the following:

1. Which family member applied as head of household;
2. Which family member retains the children or any disabled or elderly members;
3. Any restrictions that were in place at the time the family applied;
4. Role of domestic violence or any other infraction; and
5. Recommendation of social service agencies or qualified professionals.

2.3.6 Multiple Families in the Same Household

When families consisting of two families living together, (such as a mother and father, and a daughter with her own husband or children), apply together as a family, they will be treated as one-family unit.

2.3.7 Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51 percent of the time will be considered members of that household. If both parents on the waiting list are trying to claim the child, the parent whose address is listed in the school records will be allowed to claim the school-age child as a dependent.

Where court orders exist and provide guidance on custody issues, the Housing Authority will follow the directives outline in the court documents.

2.4 INCOME LIMITATIONS
[24 CFR §982.201(b) and 24 CFR §5.603(b)]

In order to be eligible for assistance, an applicant must be:

1. An extremely low-income family (a family whose gross annual income does not exceed 30 percent of the HUD-established median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area); **or**
2. A low-income family (a family whose gross annual income does not exceed 80 percent of the median income for the Los Angeles-Long Beach Primary Metropolitan Statistical Area.

As required by HUD regulations, 75 percent of all new admissions will be required to meet the definition of an extremely low-income family. To achieve the required balance, it may be necessary to skip over otherwise eligible family. If this occurs, families that have been skipped over will retain the time and date of application and will be admitted as soon as an appropriate opening becomes available.

Families whose annual incomes exceed the income limit will be denied admission and offered an informal review.

2.5 ELIGIBILITY OF STUDENTS
[24 CFR §5.612]

No assistance shall be provided to any individual that meets the following criteria:

- Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
- Is under 24 years of age;
- Is not a veteran of the United States military;
- Is unmarried;
- Does not have a dependent child;
- Is not otherwise individually eligible, or has parents, who individually or jointly, are not eligible on the basis of income to receive assistance.

2.6 CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS
[24 CFR §982.201(a) and §982.203(b)(4) and §5.508]

Eligibility for assistance is contingent upon a family's submission of evidence of citizenship or eligible immigration status. In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Each family member, regardless of age, must submit a signed declaration of U.S. citizenship or eligible immigration status. The Housing Authority may request verification of the declaration according to verification guidelines detailed in Chapter 7.

The citizenship/eligible immigration status of each member of the family is considered individually before the family's status is defined.

2.6.1 Mixed Families
[24 CFR §5.504]

An applicant family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. A family that includes eligible and ineligible individuals is called a "mixed family." Mixed family applicants will be given notice that their assistance will be prorated and that they may request a hearing if they contest this determination.

2.6.2 No Eligible Members
[24 CFR §982.552(b)(4)]

The Housing Authority is required to deny admission if no member of the family is a U.S. citizen or eligible immigrant. Families will be provided the opportunity to appeal the decision in an informal review.

2.7 SOCIAL SECURITY NUMBER REQUIREMENTS
[24 CFR §5.216(a)]

Applicant families are required to provide verification of Social Security numbers for all family members prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after the admission to the program. Children age 5 and under, who have not been assigned a number, are exempt from this requirement.

Failure to furnish verification of Social Security numbers is grounds for denial of admission.

2.8 SCREENING FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY
[24 CFR §982.552 – §982.553]

This section describes the guidelines the Housing Authority has established for screening applicants for drug abuse and other criminal activity. The section includes HUD-required screening standards, as well as discretionary standards allowed by HUD. The Housing Authority will deny program admission if there is reasonable cause to believe that an applicant family has engaged in activity prohibited by these guidelines.

These guidelines apply to applicant families, and any new members being added to the household of a family currently participating in a rental assistance program

administered by the Housing Authority. The Housing Authority also screens families transferring into its jurisdiction from other housing authorities, as authorized at 24 CFR §982.355(c)(9) and §982.355(c)(10).

**2.8.1 Drug Abuse and Criminal History Screening Standards
[24 CFR §982.552(i) and §982.553(a)]**

The Housing Authority will prohibit program admission to households if any household member is found to have engaged in activities listed in this screening standards section. Applicants convicted of an act listed in this section are ineligible to receive assistance. However, the Housing Authority will consider the household eligible for rental assistance if the household member who committed the criminal act will not be a part of the assisted household; as long as all other admission requirements are met. The family may be required to submit written certification that the ineligible family member(s) will not reside in and/or visit the household.

1. Applicant(s) previously evicted from federally assisted housing for drug-related criminal activity.

The Housing Authority is required to deny admission to the applicant or any household member evicted from public housing, Indian housing, Section 23, or any federally assisted housing program because of a drug-related criminal activity for a 3-year period beginning on the date of such eviction. However, the Housing Authority may waive the 3-year probation period if the person who committed the drug-related crime has successfully completed an approved supervised drug rehabilitation program after the date of the eviction or if the circumstances leading to the eviction no longer exist (i.e. the individual responsible for the original eviction is imprisoned or is deceased).

2. Applicant(s) convicted for the manufacture of methamphetamine on the premises of federally assisted housing.

The Housing Authority is required to deny admission if the applicant or any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.

3. Applicant(s) currently engaging in the illegal use of a drug.

The Housing Authority is required to deny admission to an applicant or any household member who the Housing Authority determines is currently engaging in illegal use of a drug.

The Housing Authority is required to deny admission if the Housing Authority has reasonable cause to believe that there is a pattern of illegal use of a drug by the applicant or any household member and that this pattern may threaten the health, safety, or right to peaceful enjoyment of the premises by others, regardless of whether the household member has been arrested or convicted.

The Housing Authority may approve admission if the person provides sufficient evidence that they are no longer engaging in illegal drug use

and have successfully completed a supervised drug rehabilitation program.

4. Applicant(s) subject to a lifetime sex offender registration requirement.

The Housing Authority is required to deny admission if the applicant or any household member is subject to lifetime registration as a sex offender under a state registration program, regardless of longevity of conviction or completion of any rehabilitative program.

5. Applicant(s) with a pattern of alcohol abuse.

The Housing Authority is required to deny admission if the Housing Authority has reasonable cause to believe that there is a pattern of abuse of alcohol by the applicant or any household member and this pattern may threaten the health, safety, or peaceful enjoyment of the premises.

The Housing Authority may approve admission if the person provides sufficient evidence that they are no longer engaging in the abuse of alcohol and has successfully completed a supervised alcohol rehabilitation program.

6. Applicant(s) currently engaging in, or who have engaged in criminal activities.

The Housing Authority shall deny admission if the applicant or any household member has been convicted for **any** of the following activities, for a period of 3 years following the end of a conviction or incarceration (which ever is later), with no further arrest or convictions other than minor traffic violations:

- Drug-related criminal activity;
- Violent criminal activity (convicted perpetrators only);
- Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; and
- Other criminal activity which may threaten the health or safety of the owner or Housing Authority staff, contractor or subcontractors or vendors.
- The Housing Authority may waive the 3-year period for drug-related criminal activity if the person provides sufficient evidence that they are no longer engaging in the illegal use of a controlled substance and have successfully completed a supervised drug rehabilitation program.

7. Applicant(s) engaging in fraud or bribery associated with any federal housing program.

The Housing Authority shall deny admission if the applicant or any household member has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program. The Housing Authority may make an exception in determining admission if the

family member(s) who participated or were culpable for the action do not reside in the assisted unit.

8. Applicant(s) have not completed parole or probation.

The Housing Authority shall deny admission if the applicant or any household member has not completed parole or probation, including summary probation.

2.8.2 Criminal Background Checks

[24 CFR §982.552 – §982.553, §5.903 – §5.905]

The Housing Authority requests a criminal background check for all applicant household members (including live-in aides) 18 years of age and older. The criminal background check is used as a factor in screening applicants for criminal activities that would prohibit admission to the Housing Authority's Housing Choice Voucher program.

All adult members of an applicant household must submit a signed Criminal Background Consent Form [24 CFR §5.903(b)], authorizing the release of criminal conviction records from law enforcement agencies. Failure to sign the consent form will result in the denial of assistance.

A criminal conviction alone may or may not result in the denial of assistance. Factors such as disclosure, completion of a drug or alcohol rehabilitative treatment program, type and longevity of the conviction may also be taken into consideration.

The Housing Authority is additionally authorized by HUD to obtain access to sex offender registration information, in order to prevent program admission to any household member (including live-in aides and minors) subject to a lifetime sex offender registration under a State sex offender registration program.

2.8.3 Requests for Criminal Records by Owners of Covered Housing for the Purposes of Screening

[24 CFR §5.903(d)]

Owners of covered housing may request that the Housing Authority obtain criminal records, on their behalf, for the purpose of screening applicants. The Housing Authority will charge a fee in order to cover costs associated with the review of criminal records. These costs could include fees charged to the Housing Authority by the law enforcement agency and the Housing Authority's own related staff and administrative cost.

Owners must submit the following items in order for the Housing Authority to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for prohibiting admission of drug criminals in accordance with HUD regulations (§ 5.854 of 24 CFR Parts 5

et al.), and for prohibiting admission of other criminals (§ 5.855 of 24 CFR Parts 5 et al.).

Once the Housing Authority obtains criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for applicant screening. The Housing Authority will base its determination in accordance with HUD regulations and the owner criteria. If the owner's criteria conflicts with HUD regulations, the regulations will have precedence.

It is important to note that the Housing Authority will not disclose the applicant's criminal conviction record or the content of that record to the owner.

2.8.4 Request for Criminal Records by Section 8 Project-Based Owners for the Purposes of Lease Enforcement or Eviction

Section 8 project-based owners may request that the public housing agency in the location of the project obtain criminal conviction records of a household member on behalf of the owner for the purpose of lease enforcement or eviction. The owner's request must include the following:

1. A copy of the consent form, signed by the household member, and
2. The owner's standards for lease enforcement and evicting due to criminal activity by members of a household.

**2.8.5 Confidentiality of Criminal Records
[24 CFR §5.903(g)]**

Criminal records received by the Housing Authority are maintained confidentially, not misused, nor improperly disseminated and kept locked during non-business hours. All criminal records will be destroyed no later than 30 calendar days after a final determination is made.

2.8.6 Disclosure of Criminal Records to Family

The applicant or family member requesting to be added to the household will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an informal review. Participants may contest such records at an informal hearing [24 CFR §982.553(d)].

**2.8.7 Explanations and Terms
[24 CFR §5.100]**

The following terms are used to determine eligibility when an applicant or a family member is added to an already assisted household and is undergoing a criminal background check.

- (10) "Covered housing" includes public housing, project-based assistance under Section 8 (including new construction and substantial rehabilitation projects), and tenant-based assistance under Section 8.
- (10) "Drug" means a controlled substance as defined in Section 102 of the Controlled Substance Act (21 U.S.C. 802).

- (10) "Drug-related criminal activity" means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with the intent to manufacture, sell, distribute or use the drug.
- (10) "Pattern" is defined as the use of a controlled substance or alcohol if there is more than one incident during the previous 12 months. "Incident" includes but is not limited to arrests, convictions, no contest pleas, fines, and city ordinance violations.
- (10) "Premises" is the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.
- (10) "Sufficient evidence" may include all or a number of personal certification along with supporting documentation from the following sources 1) probation officer; 2) landlord; 3) neighbors; 4) social service workers; 5) review of verified criminal records.
- (10) "Violent criminal activity" means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage. Violent criminal activity also includes activity within the family, such as during domestic disputes.

2.9 OTHER CRITERIA FOR ADMISSION
[24 CFR §982.552(c)]

The Housing Authority is authorized to apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program.

1. The family, or any household member, must not have violated any family obligations during a previous participation in a federally assisted housing program. The Housing Authority will review situations, on a case-by-case basis, for violations that are more than 5 years old.
2. The family, or any household member, must not have engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years been evicted from a federally assisted housing program.
3. The family, or any household member, must not be a past participant of any Section 8 or public housing program who has failed to satisfy liability for rent, damages or other amounts to the Housing Authority or another public housing agency, including amounts paid under a HAP contract to an owner for rent, damages, or other amounts owed by the family under the lease.
 - On a case-by-case basis, the Housing Authority may provide the applicant the opportunity to repay any such debt in full as a condition of admissions. The Housing Authority will not enter into a repayment agreement for this purpose.
4. No family household member may have engaged in or threaten abusive or violent behavior toward Housing Authority personnel.
 - "Abusive or violent behavior" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered

insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for denial of admission.

- “Threatening” refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for denial.
5. The family, or any household member, must not supply false, inaccurate or incomplete information on any application for federal housing programs, including public housing and Section 8. The family may be denied for a period not to exceed 2 years from the date of such a determination by the Housing Authority that information which was provided was false, inaccurate or incomplete, provided that no further cause for denial exists [24 CFR §982.552(c)(2)(i)].

2.10 SUITABILITY OF FAMILY
[24 CFR §982.307(a)(2)]

The Housing Authority may take into consideration any admission criteria listed in this chapter in order to screen applicants for program eligibility; however, it is the owner’s responsibility to screen applicants for family behavior and suitability for tenancy.

The Housing Authority will assist and advise applicants on how to file a complaint if they have been discriminated against by an owner.

2.11 DENYING ADMISSION TO INELIGIBLE FAMILIES
[24 CFR §982.201(F)(1) AND §982.552(A)(2)]

Denial of assistance for an applicant family may include denying placement on the waiting list; denying or withdrawing a voucher; refusing to enter into a HAP contract or approve a lease; and refusing to process or provide assistance under portability procedures.

Families from the waiting list who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review if they do not agree with the decision. This policy also applies to incoming families from other housing authorities that have not yet received assistance in the Housing Authority’s jurisdiction. Please refer to Chapter 16 for more information on the informal review process.

**CHAPTER 3:
ADMINISTRATION OF THE WAITING LIST**

3.1 INTRODUCTION
[24 CFR §982.54(d)(1)]

This chapter describes the policies and procedures that govern the initial application, placement and denial of placement on the Housing Authority's waiting list. It is the Housing Authority's objective to ensure that the families are placed on the waiting list in the proper order so that an offer of assistance is not delayed to any family, or made to any family prematurely.

By maintaining an accurate waiting list, the Housing Authority will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

3.2 HOW TO REGISTER

Interested persons may apply online at www.hacola.org, or by calling the Housing Authority's special application telephone number.

3.2.1 Preliminary Registration Waiting List
[24 CFR §982.204(b)]

All families wishing to receive rental assistance through a Housing Authority rental assistance program are initially placed on the Preliminary Registration Waiting List. This is essentially an interest list. Families are placed on the Preliminary Registration Waiting List according to the date and time of their registration. Preliminary information regarding the family's address, income, family composition, and disability status is collected. However, this information is not verified until the family is placed on the Active Waiting List. Applicants receive a confirmation letter that their name has been placed on the Preliminary Registration Waiting List.

3.2.2 Active Waiting List

When the Housing Authority determines that there is sufficient funding to issue additional vouchers, a pool of potential new applicants is drawn from the Preliminary Registration Waiting List. Families move onto the Active Waiting List according to the date and time of their registration. Once a family has been placed on the Active Waiting List, they will be asked to complete an application and provide all the necessary income and eligibility forms. At this point, all information will be confirmed through a third-party. Families must meet all admissions requirements to be issued a voucher.

3.2.3 Change in Circumstances
[24 CFR §982.204(b)]

Applicants are required to notify the Housing Authority in writing, within 30 calendar days, when their circumstances change, including any change of address, income or family composition.

3.3 SPECIAL ADMISSIONS **[24 CFR §982.203]**

Applicants admitted under special admissions, rather than from the waiting list, are identified by codes in the automated system and are not maintained on separate lists.

If HUD awards the Housing Authority program funding that is targeted for specifically named families, the Housing Authority will admit these families under a special admission procedure. Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. They are not counted in the limit on non-Federal preference admissions. The Housing Authority maintains separate records of these admissions. The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

1. A family displaced because of demolition or disposition of a public or Indian housing project;
2. A family residing in a multifamily rental housing project when HUD sells forecloses or demolishes the project;
3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the contract term; and
5. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

3.4 OPENING AND CLOSING THE WAITING LIST **[24 CFR §982.206]**

The Housing Authority has maintained a continuously open waiting list, and for the foreseeable future plans to continue this process indefinitely. However, should it become necessary to close and then reopen the waiting list, the Housing Authority will comply with the policies outlined in this chapter.

3.4.1 Opening the Waiting List **[24 CFR §982.206(a)]**

When the Housing Authority opens its waiting list, it will give public notice by advertising in any of the following newspapers, minority publications, and media entities as applicable:

- Los Angeles Times
- La Opinion
- The Daily News
- International Daily News
- L.A. Sentinel
- Long Beach Press Telegram

- West Hollywood Independent
- Eastern Group Publications
- The Wave
- The Daily Breeze

The Housing Authority's public notice will contain:

- The dates, times, and locations where families may apply;
- The programs for which applications will be taken;
- A brief description of the program(s);
- A statement that public housing residents must submit a separate application if they want to apply to a rental assistance program;
- Any limitations on who may apply; and
- The Fair Housing Logo.

The notice will provide potential applicants with information that includes the Housing Authority's telephone number, website address, location address, information on eligibility requirements, and the availability of local preferences, if applicable. The notice will be made in an accessible format to persons with disabilities if requested.

Additional time for submission of an application after the stated deadline will be given as a reasonable accommodation at the request of a person with a disability.

3.4.2 Criteria Defining Who May Apply
[24 CFR §982.206(b)(1)]

Upon opening the waiting list, the Housing Authority will disclose the criteria defining what families may apply for assistance under a public notice.

If there are sufficient applications from elderly families, disabled families, and displaced singles, applications will not be accepted from other singles.

3.4.3 Closing the Waiting List
[24 CFR §982.206(c)]

Should it become necessary to close the waiting list, the Housing Authority will use the same advertising methods described above.

Notification of impending closure will be provided to the public for a minimum of 30 calendar days.

3.5 TIME OF SELECTION
[24 CFR §982.204(d)]

When funding is available, families will be selected from the waiting list based on the date and time of registration.

If the Housing Authority ever has insufficient funds to subsidize the unit size of the family at the top of the waiting list, the Housing Authority will not admit any other applicant until funding is available for the first applicant.

However, families may be skipped over to meet HUD-mandated income targeting requirements [24 CFR §982.201(b)]. See Section 2.4 (Income Limitations) for details.

**3.6 CROSS-LISTING OF PUBLIC HOUSING AND SECTION 8 WAITING LISTS
[24 CFR §982.205(a)]**

The Housing Authority does not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the Housing Authority must offer to place the family on the Section 8 waiting list. If the public housing waiting list is open at the time an applicant applies for Section 8 rental assistance, the Housing Authority must offer to place the family on the public housing waiting list.

**3.7 REMOVING APPLICANTS FROM THE WAITING LIST AND PURGING
[24 CFR §982.204(c) and §982.201(f)(1)]**

The Housing Authority is authorized to remove names of applicants who do not respond to requests for information or updates. An applicant who fails to respond to a Housing Authority mailing within the time frame indicated will be removed from the waiting list. An extension may be considered an accommodation if requested in advance by a person with a disability.

If a letter is returned by the Post Office, the applicant will be removed without further notice. The envelope and letter will be maintained in the file.

This policy applies to purging, in which a request for current information and confirmation of continued interest is mailed to all applicants, to ensure that the waiting list is current and accurate.

Notices will be made available in accessible format upon the request of a person with a disability.

Applicants who are removed from the waiting list for failure to respond are not entitled to reinstatement on the waiting list, unless:

- The Housing Authority verifies a family/health/work emergency, or
- The applicant failed to respond because of a family member's disability.

Periodically, registrants will call to check their status on the waiting list and learn that they have been cancelled because mail was returned undeliverable. In extenuating circumstances, such as a long-term illness, or other family emergency, the registrant may be reinstated. However, the registrant must be able to provide documentation of the circumstances. Such requests will be reviewed and approved (or denied) on a case-by-case basis by the Applications and Eligibility Unit Supervisor.

3.8 APPLICATION POOL

The waiting list will be maintained in accordance with the following guidelines:

1. The application will be a permanent file;
2. Applications equal in preference will be maintained by date and time; and
3. All applicants must meet eligibility requirements outlined in Chapter 2 (Admission Eligibility Factors and Applicant Requirements).

**CHAPTER 4:
ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST**

4.1 INTRODUCTION

The policies outlined in this chapter are intended to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply. The primary purpose of the intake function is to gather information about the family so that an accurate, fair, and timely decision relative to the family's eligibility may be made. As such, applicants are placed on the waiting list in accordance with this plan.

**4.2 APPLICATION PROCEDURES
[24 CFR §982.204(c)]**

Once the applicant is transferred from the Preliminary Registration Waiting List to the Active Waiting List, an application will be mailed to the applicant. The application is due back within 10 calendar days from the date it was mailed. If the application is returned undeliverable, the applicant will be cancelled from the waiting list.

Once an application is returned, the information provided by the applicant will be used to determine if the applicant is eligible for a tenant selection preference, and used to help the Housing Authority determine which income forms the applicant must complete.

If an applicant is ineligible based on the information provided on the application, or because they fail to return the documents by the due date, the applicant will be provided written notice of the reason for their disqualification and their right to request an informal review.

The application may capture the following information:

- Name of adult members and age of all members;
- Sex and relationship of all members;
- Street address and phone number;
- Mailing address;
- Amount(s) and source(s) of income received by household members;
- Information regarding disabilities relating to program requirements;
- Information related to qualification for preference(s);
- Social Security numbers;
- Race/ethnicity;
- Citizenship/eligible immigration status;
- Convictions for drug-related or violent criminal activity;
- Request for specific accommodation(s) needed to fully utilize program and services;
- Previous address;

- Current and previous landlords' names and addresses;
- Emergency contact person and address; and
- Program integrity questions regarding previous participation in HUD programs.

Applicants are required to inform the Housing Authority in writing within 30 calendar days of effective date of any changes in family composition, income, and address, as well as any changes in their preference status. Applicants must also comply with requests from the Housing Authority to update information.

4.2.1 Interview Sessions/Mailings

The Housing Authority will use both mailing and interview sessions to obtain income, asset and family composition information from applicants.

4.2.2 Request for Information via Mail

During times of high activity, the Housing Authority will mail income and asset forms to applicants. Applicants will be given 10 calendar days to complete and return all required forms. If forms are not returned in a timely manner, the applicant will receive a final notice. The final notice will provide an additional 5-day grace period. If the required forms are not returned, as specified, the application will be cancelled. The Housing Authority will provide additional time, with appropriate documentation, as a reasonable accommodation and in special circumstances such as an illness and/or death in the family.

4.2.3 Application Interview Process

During times for regular activity (average volume), the Housing Authority utilizes a full application interview to discuss the family's circumstances in greater detail, to clarify information that has been provided by the applicant, and to ensure that the information is complete.

Applicants are given two opportunities to attend an interview session. If the applicant does not respond to the second invitation, the application is cancelled. Housing Authority will allow for a third interview appointment as a reasonable accommodation and in special circumstances such as illness. An applicant may also request that the Housing Authority assign someone to conduct the interview at the applicant's home, as a reasonable accommodation.

All applicants must complete the following requirements [24 CFR §982.551(b)(1)(iii)].

1. At minimum, the head of household must attend the interview. The Housing Authority requests that all adult members of the applicant family attend when possible. This assures that all members receive information regarding their obligations and allows the Housing Authority to obtain signatures on critical documents quicker.
2. All adult members of the applicant family must sign the HUD-9886 Form (Authorization for the Release of Information), and all supplemental forms required by Housing Authority.

3. Citizen declaration forms must be completed for all applicant family members, regardless of age.
4. All adult members of the applicant family must complete and sign a Criminal Background Consent/Acknowledgment Form.
5. Identification information for all members of the applicant family such as birth certificates, valid driver's licenses or State (Department of Motor Vehicles) ID cards, whichever is applicable based on the age of the family member, must be submitted for all members of the household regardless of age.

Information provided by the applicant will be verified, including citizenship status, full-time student status and other factors related to preferences, eligibility and rent calculation. Verifications must not be older than 60 calendar days old at the time of issuance.

If they are requested, exceptions for any of the above listed items will be reviewed on a case-by-case basis. Exceptions will be granted based upon hardship. Reasonable accommodations will be made for persons with disabilities. In these cases, a designee will be allowed to provide some information, but only with permission of the person with a disability.

Under both processes, all local preferences claimed on the application while the family is on the waiting list will be verified. Preference is based on current status, so the qualifications for preference must exist at the time the preference is verified, regardless of the length of time an applicant has been on the waiting list.

4.2.4 Secondary Reviews/Credit Reports **[24 CFR §982.551(b)(1)]**

Before issuing vouchers to applicant families, the Housing Authority requests a credit report 20 percent of new applicant families. Of the randomly selected families, all adults (persons 18 years of age and older) who will reside in the assisted household will have their credit report reviewed by the Housing Authority. Applicants claiming that they have zero income will automatically undergo a credit review.

The information contained in the credit report will be used to confirm the information provided by the family. Specifically, the credit report will be used to confirm:

- (10) **Employment**: A credit report will list any employers that the applicant has listed in any recent credit applications. If the credit report reveals employment, for any adult household member, within the last 12 months that was not disclosed, the family will be asked to provide additional documents to clear up the discrepancy. Failure to disclose current employment may result in cancellation of the family's application.
- (10) **Aliases**: A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the Housing Authority, the family will be asked to provide additional evidence of the legal identity of adult family members.

- (10) **Current and previous addresses:** A credit report can provide a history of where the family has lived. This is particularly important because the Housing Authority provides a residency preference. If the family has provided one address to the Housing Authority and the credit report indicates a different address, the family will be asked to provide additional proof of residency. This may include a history of utility bills, bank statements, school enrollment records for children, credit card statements or other relevant documents. Failure to provide adequate proof will result in the denial of a residency preference.
- (10) **Credit card and loan payments:** A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The Housing Authority will review this information to confirm the income and asset information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the Housing Authority will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in termination of the application.
- (10) **Multiple Social Security numbers:** A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

A family will not be issued a voucher until all discrepancies between the information provided by the applicant family, and the information contained in the credit report have been cleared by the applicant family.

When discrepancies are found, the family will be contacted by telephone or by mail. In most cases, the family will be allowed a maximum of 10 calendar days to provide the additional documentation. On a case-by-case basis, as a reasonable accommodation, the family may be granted additional time. If additional time is granted, the family will receive a letter confirming the new deadline. No additional extension will be granted thereafter.

When the credit report reveals multiple discrepancies that are not easily communicated over the telephone, the Housing Authority will set up a face-to-face interview with the applicant. The Housing Authority will schedule up to two interview appointments. An additional interview may be scheduled as a reasonable accommodation. Failure to appear at the interview session will result in cancellation of the application.

Additionally, failure to provide the necessary information will result in cancellation of the application.

4.3 **LOCAL PREFERENCES** **[24 CFR §982.207]**

The Housing Authority will apply a system of local preferences in determining admissions for the program. All preferences will be subject to the availability of funds and all applicants will be required to meet all eligibility requirements. Local preferences are weighted highest to lowest, in the following order: In accordance with California Health and Safety Code §34322.2, the Housing Authority will give priority to veterans and current members of the armed forces, and their families, in each of the categories below. Local preferences are weighted highest to lowest, in the following order

1. **Families previously assisted** by the Housing Authority whose assistance was terminated due to insufficient funding.
2. **Jurisdictional Preference**: Families who live and/or work in the Housing Authority's jurisdiction will be admitted before families outside of the Housing Authority's jurisdiction.
3. These preferences are subject to the approval of the Executive Director:
 - **Victims of Declared Disasters**: An admissions preference may be given to bona fide victims of declared disasters, whether due to natural calamity (e.g. earthquake), civil disturbance, or other causes recognized by the federal government. Victims must provide documentation to receive an admissions preference. Admissions preference may only be given within the allotted timeframe established by the federal government. If HUD provides specific funding, the Housing Authority will not exceed the allocated amount.
 - **Displacement Due to Government Actions**: Families or individuals who are certified as displaced due to the action of a federal government agency or local government agencies may be given an admissions preference.
 - **Referrals from law enforcement agencies**: The Housing Authority may distribute application forms and may issue a voucher to families or single persons that are referred by law enforcement agencies. The types of referrals that will be considered include, but are not limited to:
 - Victims of domestic violence,
 - Involuntarily displaced to avoid reprisals, or
 - Displaced due to being a victim of a hate crime.

Law enforcement referrals must be made in writing, on law enforcement agency letterhead, and signed by the requesting officer and his or her immediate supervisor. Eligibility, including background checks will be confirmed for all members.
4. **Date and Time of Registration**: When the family placed their name on the Section 8 Preliminary Registration Waiting List.
5. **Other preference**:

- Elderly and permanently disabled singles or families that have elderly or permanently disabled members.

Treatment of Single Applicants: All families with children, elderly families, and disabled families will have an admission preference over “Other Singles.”

4.3.1 Verification of Preferences **[24 CFR §982.207(b)]**

Residency Preference: For families who are residing in the Housing Authority’s jurisdiction, or have at least one adult member who works or has been hired to work in the Housing Authority’s jurisdiction.

- In order to verify that an applicant is a resident, the Housing Authority will require documentation of residency as shown by the following documents: current rent receipts, leases, utility bills, employer or agency records, school records, drivers licenses or credit reports.
- In cases where the family’s head of household or spouse works or has been hired to work in the Housing Authority’s jurisdiction, a statement from the employer will be required.

Veteran’s Preference: Acceptable documentation regarding veteran’s status will include a DD-214 (discharge documents), proof of receipt of veteran’s benefits, or documentation from the Veteran’s Administration.

4.3.2 Final Verification of Preferences **[24 CFR §982.207(e)]**

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, the Housing Authority will obtain necessary verifications of preference at the interview and by third-party verification.

4.3.3 Preference Denial

If the Housing Authority denies a preference, the Housing Authority will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal review. If the preference denial is upheld as a result of the informal review, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, or for any other reason, they will be removed from the waiting list.

4.4 DENIAL OF ASSISTANCE **[24 CFR §982.204(c)(1) and §982.204(f)(1) §982.552]**

If an application is denied due to failure to attend the initial and final interviews, or for failure to provide eligibility related information, the applicant family will be notified in writing and offered an opportunity to request an informal review. If the applicant misses two scheduled meetings, the Housing Authority will cancel the application and remove the applicant’s name from the waiting list.

The Housing Authority may at any time deny program assistance to an applicant family because of actions or failure to act by members of the family such as any member of the family to sign and submit consent forms for obtaining information.

The Housing Authority will not deny admission of an applicant who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant otherwise qualifies for admission.

4.5 FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY
[24 CFR §982.301]

If the applicant family is determined to be eligible after all applicable paperwork has been reviewed, they will be invited to attend a briefing session at which time they will receive information regarding their rights and responsibilities and they will be issued a voucher. See Chapter 8 (Voucher Issuance and Briefings) for more detail information.

**CHAPTER 5:
SUBSIDY STANDARDS**

**5.1 INTRODUCTION
[24 CFR §982.402(A)]**

Program regulations require that the Housing Authority establish subsidy standards that determine the number of bedrooms needed for families of different sizes and compositions. Such standards must provide for a minimum commitment of subsidy while avoiding overcrowding. The standards in determining the voucher size must be within the minimum unit size requirements of HUD's Housing Quality Standards (HQS).

This chapter lays out the factors used in determining the voucher size issued to a family initially and when there is a move to a new unit, as well as the Housing Authority's procedures for handling changes in family size, selection of unit size that are different from the voucher size and requests for waivers.

**5.2 DETERMINATION OF VOUCHER SIZE
[24 CFR §982.402]**

Subsidy standards and determination of voucher bedroom size are based upon the number of family members who will reside in the assisted dwelling unit. All standards in this section relate to the number of bedrooms on the voucher, not the family's actual living arrangements.

The unit size on the voucher remains the same as long as the family composition remains the same.

As required by HUD, the Housing Authority's subsidy standards for determining voucher size shall provide for the smallest number of bedrooms needed to house a family without overcrowding. They will be applied consistently for all families of like size and composition, in a manner consistent with fair housing guidelines and HQS.

In accordance with HUD regulations, the unit size designated on the voucher should be assigned using the following Housing Authority subsidy standards, which are based on two persons per bedroom:

<u>Number of Household Members</u>	<u>Number of Bedrooms</u>
1-2	1- bedroom
3-4	2- bedroom
5-6	3- bedroom
7-8	4- bedroom
9-10	5- bedroom
11-12	6- bedroom

1. At issuance, the bedroom size assigned should not require more than two persons to occupy the same bedroom. The family may choose and live

within a suitable unit in any grouping that is acceptable to the family, including using the living room for sleeping purposes.

2. Every family member is to be counted as a person in determining the family unit size [24 CFR §982.402(a)(4)-(6)]. Under this definition, family members include the unborn child of a pregnant woman; any live-in aides (approved by the Housing Authority to reside in the unit to care for a family member who is disabled or is at least 50 years of age); and a child who is temporarily away from the home because of placement in foster care. A family that consists of a pregnant woman (with no other persons) must be treated as a two-person family.

Note: An approved live-in aide is counted in determining the voucher size. There is no waiver or exception to the subsidy standards unless otherwise specified.

3. An additional bedroom may be assigned if approved under a waiver by the Housing Authority (see Section 5.3 below).
4. If the family decides to move, the Housing Authority will issue a voucher based on the family's current composition.

5.2.1 Maximum Unit Occupancy

In cases where an additional person(s) joins the family and the family will continue to occupy the same rental unit, i.e. no move is involved, the Housing Authority may require the family to use the living room for sleeping purposes for no more than one person provided that the unit meets other HQS.

Changes to household composition must be made according to Housing Authority policy detailed in Section 12.5 (Changes in Family Composition).

The maximum occupancy as determined by the Housing Authority is as follows:

<u>Number of Bedrooms</u>	<u>Maximum Occupancy</u>
1- bedroom	3
2- bedroom	5
3- bedroom	7
4- bedroom	9
5- bedroom	11
6- bedroom	13

The Housing Authority will not increase the family's voucher size due to additions where the family will continue to occupy the same unit, unless the addition creates an overcrowding situation for the family.

The family may be required to move into a larger size dwelling unit if the Housing Authority determines that the family is overcrowded.

5.3 OCCUPANCY STANDARDS WAIVER
[24 CFR §982.402(b)(8)]

The standards discussed above should apply to the vast majority of assisted families. However, in some cases, the Housing Authority may grant exceptions to the subsidy standards. Examples of possible exceptions that may be justified include but are not limited to:

1. The health of a family member.
2. A reasonable accommodation to a disability.

Requests based on health related reasons must be verified, in writing, by a doctor or other medical professional. The request must specify the reason for the request and how providing a larger bedroom size would improve or accommodate the medical condition.

A Unit Supervisor who has not been involved in the initial determination will review the request, any prior determination and make a decision based on the specifics of the individual case (on a case-by-case basis). After the decision is made, a letter notifying the applicant or participant of the decision regarding the waiver will be sent by the reviewing supervisor.

To request a larger voucher size than indicated by the subsidy standards for any other reason, the family must submit a written request within 15 calendar days of the Housing Authority's determination of bedroom size. The request must explain the need or justification for a larger bedroom size.

5.4 EXCEPTIONS FOR FOSTER CHILDREN
[24 CFR §982.402(b)(4)]

Exceptions will be made to accommodate foster children. The Los Angeles County Department of Family and Children Services (DCFS) has very specific housing guidelines that must be met by foster families. In order to assure that foster children are able to remain with designated Section 8 foster families, the Housing Authority will utilize the guidelines published by the Los Angeles County DCFS, or specified in a court order, in situations involving foster children.

5.5 FLEXIBILITY OF UNIT SIZE ACTUALLY SELECTED
[24 CFR §982.402(d)]

The family may select a dwelling unit with a different size than that listed on the voucher:

- (10) Larger than the voucher size: The Housing Authority shall not prohibit a family from renting an otherwise acceptable unit because it is too large for the family, provided that the rent for the unit is comparable and the family's total rent contribution (rent to the owner plus any applicable utility costs) does not exceed 40 percent of the family's adjusted monthly income (applies only if the gross rent for the unit exceeds the payment standard).
- (10) Smaller than the voucher size: The Housing Authority will allow families to request a waiver to rent an otherwise acceptable unit with fewer bedrooms than the voucher size, if the unit does not exceed maximum unit occupancy requirements.

5.5.1 Calculating Assistance for a Different Unit Size

To determine the family's maximum rent subsidy, the Housing Authority uses the payment standard for the voucher size or the selected unit size, whichever is lower [24 CFR §982.402(c)].

The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's voucher [24 CFR § 982.517(d)].

**CHAPTER 6:
DETERMINING THE TOTAL TENANT PAYMENT AND HOUSING AUTHORITY
ABSENCE POLICY**

6.1 INTRODUCTION

This chapter explains how the Total Tenant Payment (TTP) is calculated at admission and during annual re-examinations. It covers Housing Authority and HUD standards used to calculate income inclusions and deductions.

This chapter also provides the Housing Authority's definition of absence of household members and explains how the presence or absence of household members can affect the TTP.

The policies outlined in this chapter address those areas, which allow the Housing Authority discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

6.2 INCOME DEFINITIONS

Total Tenant Payment (TTP): TTP is calculated for each household based on family income. It is used to determine the tenant contribution toward rent. The TTP is affected by who is included in the family composition. Accurate calculation of annual income and adjusted income ensures that families do not pay more or less for rent than obligated and required by the regulations.

Income: The Housing Authority will include income from all sources, unless otherwise specifically exempted [24 CFR §5.609(c)] through program regulations, for the purposes of calculating the TTP. In accordance with this definition, income from all sources of each member of the household is counted.

Annual Income [24 CFR §5.609(a)]: The gross amount of income anticipated to be received by the family during the 12 months after certification or re-examination. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.

Adjusted Income [24 CFR §5.611]: The annual income minus any HUD allowable deductions.

**6.3 INCOME DEDUCTIONS
[24 CFR §5.611(a)]**

The following deductions will be applied in the TTP calculation:

- **Dependent Allowance**: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled. This allowance does not apply to foster children.
- **Elderly Family or Disabled Family Allowance**: \$400 for families whose head or spouse is 62 or over or disabled.

- **Childcare Expenses:** Deducted for children under 13, including foster children, when childcare is necessary to allow an adult member to work, search for work, or attend school (see below for details).
- **Allowable Medical Expenses:** Deducted for unreimbursed medical expenses for members of any elderly family or disabled family.
- **Attendant Care and Auxiliary Apparatus Expenses:** Deducted for persons with disabilities if needed to enable the individual or an adult family member to work.

6.3.1 Childcare Expenses **[24 CFR §5.603(d) and 24 CFR §5.611(e)]**

Childcare expenses for children under 13 years of age may be deducted from annual income if they enable an adult to work, search for work, or attend school full time.

In the case of a child attending school, only care during non-school hours can be counted as childcare expenses.

Families will be given a childcare allowance based on the following guidelines:

Childcare to Work: The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

Childcare to Search for Work: Childcare expenses cannot exceed the current amount of income received.

Childcare for School: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

Amount of Expense: The Housing Authority will determine local average costs as a guideline. If the hourly rate materially exceeds the guideline, the Housing Authority may calculate the allowance using the guideline.

6.3.2 Medical Expenses **[24 CFR §5.611(d)(1)]**

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

The Housing Authority will allow as medical expense the actual out-of-pocket amounts which are owed and anticipated to be paid by the family during the re-examination period. Expenses from the previous year may be analyzed to determine the amount to anticipate when other verification is not available.

Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts.

Acupressure, acupuncture and related herbal medicines, and chiropractic services will be considered allowable medical expenses.

6.4 INCOME INCLUSIONS AND EXCLUSIONS

6.4.1 Income Inclusions **[24 CFR §5.609(b)]**

The Housing Authority considers the following to be included in the family's annual income, as required by HUD:

- (1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
- (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;
- (4) The full amount of periodic payments received from Social Security, annuities, insurance policies, retirement funds, pensions, lotteries, disability or death benefits, and other similar types of periodic receipts, including a lump-sum payment for the delayed start of a periodic payment (but see paragraph (13) under Income Exclusions);
- (5) Payments in lieu of earnings, such as unemployment, worker's compensation, and severance pay (but see paragraph (3) under Income Exclusions);
- (6) Welfare Assistance.
 - a. Welfare assistance received by the household.
 - b. The amount of reduced welfare income that is disregarded specifically because the family engaged in fraud or failed to comply with an economic self-sufficiency or work activities requirement.
 - c. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustments by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare income to be included as income shall consist of:

- (i) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (ii) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage;
- (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from persons not residing in the dwelling;

Regular Contributions and Gifts [24 CFR §5.609(b)(7)]

Any contribution or gift received every 3 months or more frequently will be considered a "regular" contribution or gift. This includes payments made on behalf of the family such as payments for a car, credit card bills, rent and/or utility bills and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts.

If the family's expenses exceed its known income, the Housing Authority will question the family about contributions and gifts. If the family indicated that it is able to meet the extra expenses due to gifts or contributions from persons outside the household, the amount provided will be included in the family's TTP.

Alimony and Child Support [24 CFR §5.609(b)(7)]

If the amount of child support or alimony received is less than the amount awarded by the court, the Housing Authority must use the amount awarded by the court unless the family can verify that they are not receiving the full amount. Acceptable verification in such cases may include:

1. Verification from the agency responsible for enforcement or collection, and
2. Documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

Families are required to register with the Los Angeles County Child Support Services Department to facilitate child support income for dependent children.

- (8) All regular pay, special pay, and allowances of a member of the Armed Forces (whether or not living in the dwelling) who is head of the family, spouse, or other person whose dependents are residing in the unit (but see paragraph (7) under Income Exclusions).

- (9) Any financial assistance, in excess of amounts received for tuition, that an individual received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 *et seq.*), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For the purpose of determining income, loan proceeds are not considered "financial assistance".
- (10) Any part of an athletic scholarship that can be used to cover housing costs must be included in a family's income.

6.4.2 Income Exclusions
[24 CFR §5.609(c)]

The Housing Authority considers the following to be excluded from the family's annual income, as required by HUD:

- (1) Income from employment of children (including foster children) under the age of 18 years;
- (2) Payments received for the care of foster children or foster adults (usually individuals with disabilities, unrelated to the tenant family, who are unable to live alone);

Benefits received through the Kin GAP program, a California program designed specifically for foster children who have been placed in the home of a relative are considered foster care and should be excluded.

- (3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses (but see paragraph (5) under Income Inclusions);
- (4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- (5) Income of a live-in aide (as defined by regulation);
- (6) Subject to paragraph (9) in Income Inclusions, the full amount of student financial assistance paid directly to the student or to the educational institution;

(c) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses

- incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;
- (d) A resident service stipend. This is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the owner, on a part-time basis, that enhances the quality of life in the development. This may include, but is not limited to fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time; or
 - (e) Incremental earnings and benefits resulting to any family member from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program.
- (9) Temporary, nonrecurring, or sporadic income (including gifts). For example, amounts earned by temporary census employees whose terms of employment do not exceed 180 days (Notice PIH 2000-1).

 - (14) Amounts received by the family in the form of refunds or rebates under state or local law for property taxes paid on the dwelling unit;
 - (15) Amounts paid by a state agency to a family with a developmentally disabled family member living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; and
 - (16) Amounts specifically excluded by any other federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under the 1937 Act. A notice will be published in the Federal Register and distributed to PHAs identifying the benefits that qualify for this exclusion. Updates will be distributed when necessary. The following is a list of income sources that qualify for that exclusion:
 - a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017 (b));

- b) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058);

6.4.3 Earned Income Disallowance
[24 CFR §5.617]

When determining the annual income of a participant family that includes persons with disabilities, the determination must exclude an increase in annual income due to any of the following events:

1. Employment by a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment.
 - A previously unemployed person is defined as a person who in the 12 months prior to employment has earned no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.
2. An increase in income by a family member who is a person with disabilities and whose earnings increase during participation in an economic self-sufficiency program or other job-training program.
 - An economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families.
3. New employment or increased earnings by a family member who is a person with disabilities and who has received TANF benefits or services within the past 6 months.
 - If TANF is received in the form of monthly monetary maintenance, there is no minimum amount that must be received to be considered a participant in TANF.

- If TANF is received in the form of one-time payments, wage subsidies and transportation assistance that add up to at least \$500 over a 6-month period, they would meet this requirement.

6.4.4 Earned Income Disallowance Exclusion Time Periods
[24 CFR §5.617(c)]

Initial 12-Month Exclusion: During the initial 12-month exclusion period, the full amount of the increase in income due to employment or increase earnings is excluded. This exclusion extends for 12 cumulative months and the months do not have to be consecutive.

Second 12-Cumulative Months: During the second 12-month exclusion and phase-in period, the exclusion is reduced to half, or 50 percent, of the increase in income due to employment or increased earnings. This second 12-month exclusion period begins after the full 12 months of the full exclusion has been used and the months do not have to be consecutive.

4-Year Lifetime Limit: A participant has a total lifetime limit of 48 consecutive months that begins once the initial exclusion is given after the qualifying event. No exclusion should be given after the lifetime limit has been reached.

6.5 FAMILY ASSETS
[24 CFR §5.603(b)]

6.5.1 Included Assets

- (11) Amounts in savings and checking accounts.
- (12) Stocks, bonds, savings certificates, money market funds and other investment accounts.
- (13) Equity in real property or other capital investments. Equity is the estimated current market value of the asset less the unpaid balance on all loans secured by the assets and reasonable costs (such as broker fees) that would be incurred in selling the assets.
- (14) The cash value of trusts that may be withdrawn by the family.
- (15) IRA, Keogh and similar retirement savings accounts, even though withdrawal would result in a penalty.
- (16) Some contributions to company retirement/pension funds.

Contributions to company retirement/pension funds are handled as follows:

- 1. While an individual is employed, include as assets only amounts the family can withdraw without retiring or terminating employment.
- 2. After retirement or termination of employment, include any amount the individual elects to receive as a lump sum.

- (17) Assets, which although owned by more than one person, allow unrestricted access by the applicant.

- (18) Lump sum receipts such as inheritances, capital gains, lottery winnings, insurance settlements, and other claims.

Lump-sum additions to family assets, such as inheritances, insurance payments (including lump-sum payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included as income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

- (19) Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
- (20) Cash value of life insurance policies.
- (21) Assets disposed of for less than fair market value during the two years preceding certification or re-certification.

The Housing Authority must count assets disposed of for less than fair market value during the 2 years preceding certification or re-examination. The Housing Authority will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy, separation or divorce are not considered to be assets disposed of for less than fair market value.

The Housing Authority's minimum threshold for counting assets disposed of for less than Fair Market Value is \$5,000. If the total value of assets disposed of within a 1-year period is less than \$5,000, they will not be considered an asset.

6.5.2 **Excluded Assets**

- (1) Necessary personal property, except as noted in #9 above at Section 6.5.1.
- (2) Interest in Indian trust lands.
- (3) Assets that are part of an active business or farming operation.

If a household member's main occupation is the business from his/her rental property, the rental property is considered a business asset and therefore excluded. If a household member's rental property is considered

a personal asset and held as an investment, it is considered an included asset.

- (4) Assets not controlled by or accessible to the family and which provide no income for the family.
- (5) Vehicles especially equipped for the disabled.
- (6) Equity in owner-occupied cooperatives and manufactured homes in which the family lives.

6.6 CALCULATING INCOME AND FAMILY CONTRIBUTION

6.6.1 "Minimum Rent" and Minimum Family Contribution [24 CFR §5.630(a)(3)]

Minimum family contribution in the Housing Authority's rental assistance programs is \$50.

The Housing Authority will waive the minimum rent requirement in cases where the family documents that they do not currently have any source of income such as in the case of some homeless families. In such cases, the family will be re-evaluated in 6 months. All families are required to report changes in income within 30 calendar days.

6.6.2 Minimum Income

There is no minimum income requirement. Families who report zero income may be required to attend an interim re-examination periodically, up to once a quarter, at the Housing Authority's discretion. A credit review will automatically be requested for families claiming zero income.

6.6.3 Averaging Income [24 CFR §982.516(b)(2) and 24 CFR §5.609(d)]

When annual income cannot be anticipated for a full 12 months, the Housing Authority may annualize current income and conduct an interim re-examination if income changes.

If there are bonuses or overtime which the employer cannot anticipate for the next 12 months, bonuses and overtime received the previous year may be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

6.6.4 Utility Allowance and Utility Reimbursement Payments
[24 CFR §982.517]

The utility allowance is intended to help defray the cost of utilities not included in the rent and is subtracted from TTP to establish the family's rent to the owner. The allowances are based on rates and average consumption studies, not on a family's actual consumption. The Housing Authority will review the Utility Allowance Schedule on an annual basis and revise it if needed (10 percent increase or decrease).

The approved utility allowance schedule is given to families along with the voucher. The utility allowance is based on the actual unit size selected.

Where families provide their own range and refrigerator, the Housing Authority will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a 12-month period.

If the utility allowance exceeds the family's TTP, the Housing Authority will provide a utility reimbursement payment for the family each month. The check will be made out directly to the family's head of household on record.

6.6.5 Reduction in Welfare Assistance
[24 CFR §5.615]

Imputed welfare income is the amount that welfare benefits are reduced specifically because of the following:

- Fraud;
- Failure to participate in an economic self-sufficiency programs; or
- Noncompliance with a work activities requirement.

The Housing Authority will include in the family's annual income the amount of the imputed welfare income plus the total amount of other annual income and the family's rent will not be reduced.

However, the Housing Authority will reduce the rent if the welfare assistance reduction is a result of any of the following:

- The expiration of a lifetime time limit on receiving benefits;
- The family has complied with welfare program requirements but cannot obtain employment; or
- The family member has not complied with other welfare agency requirements.

A family's request for rent reduction shall be denied upon the Housing Authority obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

6.7 PRORATION OF ASSISTANCE FOR “MIXED” FAMILIES

6.7.1 Applicability
[24 CFR §5.520(a)]

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

"Mixed" families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. Mixed family applicants are entitled to prorated assistance. Families that become mixed after June 19, 1995 by addition of an ineligible member are entitled to prorated assistance.

6.7.2 Prorated Assistance Calculation
[24 CFR §5.520(c)]

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible. TTP is the gross rent minus the prorated assistance.

6.8 ABSENCE POLICY
[24 CFR §982.312(d)]

The Housing Authority must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the Housing Authority must count the income of the spouse or the head of household if that person is temporarily absent, even if that person is not on the lease.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the household to report absences and changes in family composition. The Housing Authority will evaluate absences from the unit using this policy [24 CFR §982.551(i)].

6.8.1 Absence of Entire Family
[24 CFR §982.312]

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the Housing Authority will terminate assistance in accordance with appropriate termination procedures contained in this plan.

Families are required both to notify the Housing Authority before they move out of a unit and to give the Housing Authority information about any family absence from the unit.

Families must notify the Housing Authority if they are going to be absent from the unit for more than 30 consecutive calendar days.

If the family fails to notify the Housing Authority of an absence of longer than 30 consecutive calendar days, or if the entire family is absent from the unit for more than 60 consecutive calendar days, the unit will be considered to be vacated and the assistance will be terminated. The Housing Authority at all times shall reserve the right to exercise its judgment regarding extensions on family absence from the unit on a case-by-case basis. However, HUD regulations require the Housing Authority to terminate assistance if the entire family is absent from the unit for a period of more than 180 consecutive calendar days.

"Absence of entire family" means that no family member is residing in the unit, and the unit has not been vacated. In order to determine if the family is absent from the unit, the Housing Authority may:

- Write letters to the family at the unit
- Telephone the family at the unit
- Interview the owner
- Interview neighbors
- Verify if utilities are in service
- Conduct an interim HQS Inspection

If the absence which resulted in termination of assistance was due to a person's disability, and the Housing Authority can verify that the person was unable to notify Housing Authority in accordance with the family's responsibilities, and if funding is available, the Housing Authority may reinstate the family as an accommodation if requested by the family.

6.8.2 Absence of Any Member
[24 CFR §982.312(a)]

Any member of the household will be considered permanently absent if s/he is away from the unit for 180 consecutive calendar days except as otherwise provided in this chapter.

6.8.3 Absence Due to Medical Reasons
[24 CFR §982.312(e)(1)]

If any family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the Housing Authority will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will return in less than 180 calendar days, the family member will not be considered permanently absent.

If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered to be permanently absent – out of the home and removed from the family composition.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the Housing Authority's "Absence of Entire Family" policy.

6.8.4 Absence Due to Incarceration
[24 CFR §982.312(e)(1)]

If the sole member of the household is incarcerated for more than 30 calendar days, s/he will be considered permanently absent and the Housing Authority will initiate proposed termination procedures to terminate assistance.

Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 60 calendar days. Once a family member is removed from the family composition, the family must seek Housing Authority approval prior to allowing the family member to re-join the assisted household. Failure to adhere to this policy can result in termination of assistance.

The Housing Authority will determine if the reason for any family member's incarceration is for drug-related or violent criminal activity and, if appropriate, will pursue termination of assistance for the family if deemed appropriate.

6.8.5 Foster Care and Absences of Children
[24 CFR §982.551(h)(4)]

If the family includes a child or children temporarily absent from the home due to placement in foster care, the Housing Authority will request information from the appropriate agency to determine when the child/children will be returned to the home.

If the time period is to be greater than 180 calendar days from the date of removal of the child/children, the voucher size may be temporarily reduced. If children are removed from the home permanently, the voucher size will permanently reduced in accordance with the Housing Authority's subsidy standards.

6.8.6 Absence of Adult
[24 CFR §982.312(e)]

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the Housing Authority will treat that adult as a visitor for up to the first 180 calendar days.

If during or by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, the voucher will then be transferred to the caretaker.

If custody or legal guardianship has not been awarded by the court, but the action is in process, the Housing Authority will secure verification from social services staff or the attorney as to the status.

If the appropriate agency cannot confirm the guardianship status of the caretaker, the Housing Authority will review the status at 120-day intervals.

The caretaker will be allowed to remain in the unit, as a visitor, until a determination of custody is made or up to 12 months total.

The Housing Authority will transfer the voucher to the caretaker, in the absence of a court order, if the caretaker has been in the unit for more than 12 months and it is reasonable to expect that custody will be granted.

When the Housing Authority approves a person to reside in the unit as caretaker for the children, this person's income will be counted in the TTP for the family pending a final disposition. The Housing Authority will work with the appropriate service agencies and the owner to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 calendar days, the person will be considered permanently absent.

If an adult family member leaves the household for any reason, the family must report the change in family composition to the Housing Authority within 30 calendar days.

The family will be required to notify the Housing Authority in writing within 30 calendar days when a family member leaves the household for any reason or moves out. The notice must contain a certification by the family as to whether the member is temporarily or permanently absent. The family member will be determined permanently absent if verification is provided.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Time extensions may be granted as an accommodation upon request by a person with a disability.

6.8.7 Students
[24 CFR §982.312(e)]

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household. These family members will continue to be counted for the purpose of determining the family's appropriate voucher size.

6.8.8 Visitors
[24 CFR §982.312(e)]

Any person not included on the HUD-50058 who has been in the unit more than 30 calendar days, or a total of 60 calendar days in a 12-month period, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is a family member.

Statements from neighbors and/or the owner will be considered in making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member

of the family and the Housing Authority will terminate assistance since prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 180 calendar days per year, the minor will be considered to be an eligible visitor and not a family member.

6.8.9 Reporting Absences to the Housing Authority
[24 CFR §982.551(h)(3) and §982.551(i)]

If a family member leaves the household, the family must report this change to the Housing Authority, in writing, within 30 calendar days of the change and certify as to whether the member is temporarily absent or permanently absent. When available to do so, an adult family member who is leaving the household should remove him/herself in writing from the lease and voucher family composition.

The Housing Authority will conduct an interim re-examination for changes, which may affect the TTP in accordance with the interim policy. See Section 12.5 (Changes in Family Composition) for more information.

6.8.10 Verification of Absence

Please refer to Section 7.10.4 (Verification of Permanent Absence of Adult Member).

CHAPTER 7: VERIFICATION PROCEDURES

7.1 INTRODUCTION

[24 CFR §5.240(c), 24 CFR §5.210, 24 CFR §982.551(b)]

HUD regulations require the Housing Authority to verify factors of eligibility. Applicants and program participants must furnish proof of their statements whenever required by the Housing Authority, and the information they provide must be true and complete. The Housing Authority's verification requirements are designed to maintain program integrity. This chapter explains the Housing Authority's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and when there are changes in family members. The Housing Authority will ensure that proper authorization from the family is always obtained before making verification inquiries.

7.2 METHODS OF VERIFICATION AND TIME ALLOWED

The Housing Authority will use five levels of verification methods acceptable to HUD in the following order:

1. Up-Front Income Verification (UIV)/ Enterprise Income Verification (EIV) will be the first level used, when available.
2. Third-party written verification will be the second level used when UIV/EIV is not available.
3. Third-party oral verification will be the third level used when written verification is delayed or not possible.
4. Review of documents verification will be the fourth level used if third-party oral verification is unavailable.
5. Certification/self-declaration verification will be the fifth level used if review of documents cannot be made.

The Housing Authority may allow up to 10 calendar days for the return of third-party verifications before going to the next method.

For applicants, verifications may not be more than 60 calendar days old at the time of voucher issuance [24 CFR §982.201(e)]. For participants, income forms are valid for 120 calendar days from date of receipt.

7.2.1 Up-Front Income Verification (UIV)/Enterprise Income Verification (EIV)

The Housing Authority will utilize up-front income verification and enterprise income verification tools, including UIV/EIV systems made available by HUD, to verify items including but not limited to Social Security (SS) and Supplemental Security Income (SSI), State Systems for the Temporary Assistance for Needy Families (TANF), and Work Number whenever possible.

If there is a \$200 or greater difference between UIV verification and family provided documents, third-party verification will be required.

In cases where UIV income data is not substantially different than tenant-reported income, the Housing Authority will follow the guidelines below:

- If UIV income data is less than current tenant-provided documentation, the Housing Authority will use tenant-provided documents to calculate anticipated annual income.
- If UIV income data is more than current tenant-provided documentation, the Housing Authority will use UIV income data to calculate anticipated annual income unless the tenant provides the Housing Authority with documentation of a change in circumstances (i.e. change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, the Housing Authority will use tenant-provided documents to calculate anticipated annual income.

In cases where UIV income data is substantially different than tenant-reported income, the Housing Authority shall follow the guidelines below:

- The Housing Authority may request written third-party verification from the discrepant income source.
- The Housing Authority may review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when the Housing Authority can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- The Housing Authority will analyze all data (UIV data, third-party verification and other documents and information provided by the family) and attempt to resolve the income discrepancy.
- The Housing Authority will use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

7.2.2 Third-Party Written Verification

Third-party written verification will be used when up-front income verification is not available. Third-party written verification forms will be sent and returned via first class mail. The family will be required to sign an authorization for the information source to release the specified information.

Verifications received electronically directly from the source are considered third party written verifications.

7.2.3 Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will be required to document the file, noting with whom they spoke, the date of the conversation, and the facts provided

7.2.4 Review of Documents

In the event that, third-party written or oral verification is unavailable, or the information has not been verified by the third party. The Housing Authority will annotate the file accordingly and utilize documents provided by the family as the primary source if the documents provide complete information.

All documents will be photocopied and retained in the family file. The Housing Authority will accept the following documents or other documents from the family provided that the document is such that tampering would be easily noted:

- Printed wage stubs
- Computer print-outs from the employer
- Signed letters by source

The Housing Authority will accept computerized printouts delivered by the family from the following agencies or any other required agencies.

- Social Security Administration
- Veterans Administration
- Welfare Assistance
- Unemployment Compensation Board
- City or County Courts
- Child Support Enforcement Agencies

The Housing Authority will accept faxed documents, however a hard copy may be requested for verification.

If third-party verification is received after documents have been accepted as provisional verification, and there is a discrepancy, the Housing Authority may utilize the third-party verification and/or document the reason for not using the third-party verification.

7.2.5 Self-Certification/Self-Declaration

When verification cannot be made by third-party verification or review of documents, families will be required to submit a self-certification.

Self-certification means a notarized statement/affidavit/certification under penalty of perjury and must be witnessed.

7.3 RELEASE OF INFORMATION **[24 CFR §5.230]**

The family will be required to sign specific authorization forms when information is needed that is not covered by the HUD-9886 Form (Authorization for the Release of Information).

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information requested by the Housing Authority or HUD.

7.4 COMPUTER MATCHING

Where allowed by HUD and/or other State or local agencies, computer matching will be done.

sign as required, the family may be denied or terminated for failure to provide required information [24 CFR §5.508(i)].

Time of Verification: For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial public housing agency does not supply the documents, the Housing Authority must conduct the determination [24 CFR §5.508(g)].

Extensions of Time to Provide Documents: Extensions must be given for persons who declare their eligible immigration status but need time to obtain the required documents. 7.10.8 Verification of Social Security Numbers **[24 CFR §5.216(a)]**

Social Security numbers must be provided as a condition of eligibility for all family members, except for children age 5 and under, who have not been assigned a number, and family members who are not eligible to obtain a Social Security number. Social Security numbers will be verified through a Social Security card issued by the Social Security Administration. If a family member cannot produce a Social Security card, only the documents listed below showing his or her Social Security number may be used for verification. This information is to be provided at the time the change in family composition is reported to the Housing Authority [24 CFR §5.216(a)].

If a family member is able to disclose the Social Security number but cannot meet the documentation requirements, he/she must sign a certification to that effect provided by the Housing Authority. The family member will have an additional 60 calendar days to provide proof of the Social Security number. If they fail to provide this documentation, the family's assistance will be terminated [24 CFR §5.216(g)].

If the family member states they have not been issued a number, the family member will be required to sign a certification to this effect.

7.10.9 Medical Need for Larger Unit

A written certification that a larger unit is medically necessary must be obtained from a reliable, knowledgeable medical professional.

7.10.10 Secondary Review/Credit Checks

The Housing Authority uses credit reports obtained from reliable sources to conduct secondary verifications for 20 percent of randomly selected new families, and a randomly selected portion of ongoing program participants.

The methodology used to evaluate the information obtained from the credit report in relation to new applicants is outlined in Chapter 4 (Establishing Preferences and Maintaining the Waiting List).

The secondary review includes a comparison between the information contained in the credit report, for each adult household member, and the information provided by the family to the Housing Authority for eligibility purposes. Specifically, the Housing Authority reviews the credit report to verify:

- **Employment**: If the credit report reveals employment during the subsidized period that was not disclosed to the Housing Authority, the family will be required to provide documentation that the employment did not occur or provide information regarding the amount of earnings received during the employment period.

If the family contends that the employment was made up for the purposes of obtaining credit or was erroneously placed on the credit report, the family must supply a letter from the employers listed confirming such information. On a case-by-case basis, the Housing Authority may accept a certified statement from the family.

If the family failed to disclose employment for a period longer than 6 months, the Housing Authority will propose termination of the family's assistance and seek repayment of any overpayment.

If the family failed to disclose employment for less than 6 months, the family will be required to attend a counseling interview and re-sign all program documents re-enforcing the family's obligations. The family will also be required to repay any overpayment amount. A second violation of this nature will result in a proposed termination.

- **Assets:** The credit report information will be used to verify assets, particularly, large items such as real estate property. If the credit report reveals that the family owns property, the family will be required to provide the appropriate documentation regarding the property.

If all documentation confirms that the family (any family member) owns real estate property that was purposely concealed, the Housing Authority will propose termination of assistance and seek repayment of any overpayment amount.

- **Aliases:** A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to the Housing Authority, the family will be asked to provide additional evidence of the legal identity of adult family members.

- **Current and Previous Addresses:** For a continuously assisted family, it is assumed that the family's primary residence is the assisted address. If the credit report indicates the continuous use of an address, other than that of the assisted unit during the subsidized period, the family will be asked to provide documentation that the assisted address is being used as the family's primary residence. This may include a history of utility bills, bank statements, school enrollment record for children, credit card statements or other relevant documents. Failure to provide adequate proof may result in termination of assistance.

If the family is not using the subsidized unit as their primary residency and/or is subletting the assisted unit, the file will be referred for proposed termination and the Housing Authority will seek full repayment of any overpayment amount.

- **Credit Card and Loan Payments:** A credit report will usually include a list of the family's financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans and credit card payments. The Housing Authority will review this information to confirm the income and asset information provided by the family. If the family's current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, the Housing Authority will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or significantly delinquent are not included in this calculation. Failure to provide adequate proof of income will result in the file being referred for proposed termination. Additionally, the Housing Authority will seek full repayment of any overpayment amount.

- **Multiple Social Security Numbers:** A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult member of the family, the family member will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

Whenever a violation results in a proposed termination, the family is entitled to request an informal hearing. Procedures governing the informal hearing process are outlined in Chapter 16 (Informal Hearings and Complaints).

7.10.11 Victims of Violence

The Housing Authority may request that an applicant/participant certify their statement of being a victim of domestic violence, dating violence, sexual assault, or stalking and that the incident or incidents in question are bona fide incidents of actual or threatened abuse. The Housing Authority will accept the following forms of verification:

- ❑ The Housing Authority's "General Affidavit", or
- ❑ Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effect of the abuse in which the professional attests under penalty of perjury to the professional's belief that the victim of domestic violence, dating violence, sexual assault, or stalking has signed or attested to the documentation, or
- ❑ Federal, State, tribal, territorial, or local police, or
- ❑ Court record.

**CHAPTER 8:
VOUCHER ISSUANCE AND BRIEFINGS**

8.1 INTRODUCTION

This chapter covers the Housing Authority's process for issuing vouchers, including the contents of the briefing that is conducted for families receiving a voucher. It also includes policies on the term of the voucher.

8.2 ISSUANCE OF HOUSING CHOICE VOUCHERS

When funding is available, the Housing Authority will issue vouchers to applicants whose eligibility has been determined.

The number of vouchers issued must ensure that the Housing Authority stays as close as possible to 100 percent lease-up. The Housing Authority performs a calculation to determine whether applications can be processed, the number of vouchers that can be issued, and to what extent the Housing Authority can over-issue.

The Housing Authority may over-issue vouchers only to the extent necessary to meet leasing goals. All vouchers that are over-issued must be honored. If the Housing Authority finds it is over-leased, it must adjust future issuance of vouchers in order not to exceed the ACC budget limitations for the fiscal year.

8.3 BRIEFING TYPES AND REQUIRED ATTENDANCE

8.3.1 Initial Applicant Briefing
[24 CFR §982.301(a)]

When the family is initially issued a voucher, the Housing Authority conducts a briefing session, as required by HUD. The briefing session is mandatory.

Briefing sessions will be conducted in groups or individual meetings.

Briefing sessions will be conducted in English.

The Housing Authority will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend scheduled briefings, without prior notification and approval of the Housing Authority, may be denied admission based on failure to supply information needed for certification. The Housing Authority will conduct individual briefings for families with disabilities at their home, upon request by the family, if required for reasonable accommodation.

Families who attend group briefings and still have the need for individual assistance will be referred to the appropriate staff person.

8.3.2 Re-Issuance Briefing

A briefing will be held for participants who will be re-issued vouchers to move, if they have been re-certified within the last 60 calendar days, and have given proper notice of intent to vacate to their owner. This briefing may include

incoming and outgoing portable families. Families whose re-examinations are older than 60 calendar days must be re-certified in order to be briefed to move.

Families failing to attend a scheduled briefing twice will be denied a new voucher based on failure to provide required information.

8.3.3 Owner Briefing

Briefings are held for owners at least annually. Invitations are mailed to all owners. Prospective owners are also welcome. The purpose of the briefing is to assure successful owner participation in the program.

8.4 INFORMATION PROVIDED AT THE BRIEFING SESSION

The Housing Authority's objectives are to assure that families selected to participate are successful in obtaining an acceptable housing unit, and that they have sufficient knowledge to derive maximum benefit from the program and to comply with program requirements.

The purpose of the briefing session is to provide information on the Housing Authority's process for voucher holders who intend to lease a unit. This will enable families to utilize the program to their advantage, and prepare them to discuss it with potential owners and property manager.

When the family is selected to participate, the briefing session includes information as follows.

8.4.1 Topics Covered in the Briefing Session **[24 CFR §982.301(a)]**

The person conducting the briefing will describe how the program works and include information on the following subjects:

- A description of how the program works;
- Family and owner responsibilities;
- Where a family may lease a unit inside and outside the Housing Authority's jurisdiction;
- How portability works for families eligible to exercise portability; and
- Advantages of moving to an area that does not have a high concentration of poor families, for families living in high poverty census tracts in the Housing Authority's jurisdiction.

If the family includes a person with disabilities, the Housing Authority will ensure compliance with 24 CFR §8.6 to ensure effective communication.

8.4.2 Briefing Packet **[24 CFR §982.301(b)]**

The Housing Authority provides families with a briefing packet that contains more detailed information about the program. The packet includes forms and information required by HUD, as well as additional resources. The person conducting the briefing session will explain the documents in the briefing packet.

1. Instructions: This explains the term of the voucher, the Housing Authority's policies on extensions and suspensions, and how families may request tenancy approval.
2. Subsidy Estimation: A worksheet on rent calculations, including a description of the method used to calculate the assistance payment, how the minimum and maximum allowable rent is determined, how the payment standard is determined, and a calculation of the estimated maximum rent to suit the tenant's budget.
3. Utility Allowance Schedule: Utility allowance amounts for rental units, by unit size and utility type, for cities and unincorporated areas within the Housing Authority's jurisdiction.
4. Information on where the family can lease a unit, including portability procedures, a list of area housing authorities, and a form for participants who are requesting to transfer.
5. Form HUD-53641: The HUD-required "tenancy addendum" that must be included in the lease.
6. Request for Tenancy Approval (RTA): Families request Housing Authority approval of the assisted tenancy with this form. The RTA includes a statement of Housing Authority policy on providing family information to prospective owners.
7. Subsidy Standards and Requests for Waivers: Explains how the number of bedrooms (unit size) relates to family composition, and when and how exceptions are made in regards to requests for additional bedrooms.
8. A Good Place to Live: HUD's brochure on selecting a unit that complies with HQS.
9. Are You A Victim of Housing Discrimination: HUD's pamphlet on fair housing which contains the complaint form. The Housing Authority also includes available State and local information on equal opportunity laws.
10. Marketing List of Available Properties: Owners or other parties willing to lease to assisted families submit listings of units that are available to rent, which the Housing Authority compiles and distributes. The list includes any available information on units that are accessible to persons with disabilities.
11. Family Obligations: Families sign to acknowledge program obligations, and consequences including termination of assistance for failure to comply.
12. Informal Hearing Information: Includes procedures and explanations of when participant families have the opportunity for an informal hearing, and how to request a hearing.

The packet may also include the following materials:

Three Way Partnership: Explains the relationship between owners, participants and the Housing Authority.

Protect Your Family From Lead In Your Home: Federal brochure on the hazards of lead-based paint and resources for additional information.

Searching for a Rental Home: Guidance on finding a unit and submitting a successful rental application.

Additional Standards for HQS Inspections and inspections process details.

Owner materials including information on the New Contracts Process and the Benefits of Participation.

Owner forms including IRS W 9, Letter of Authorization, Authorization Agreement for Direct Deposit, and a sample Lead-Based Paint Disclosure.

8.5 ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION
[24 CFR §982.301(a)(3)]

At the briefing, families are encouraged to search for housing in non-impacted areas. The Housing Authority provides assistance to families who wish to do so.

The assistance provided to such families includes:

Direct contact with owners;

- Counseling with the family;
- Providing information about services in various non-impacted areas;
- Meeting with neighborhood groups to promote understanding;
- Formal or informal discussions with owner groups;
- Formal or informal discussions with social service agencies;
- Meeting with rental referral companies or agencies; and
- Meeting with fair housing groups or agencies.

The Housing Authority will maintain a database of available housing submitted by owners in all neighborhoods within its jurisdiction to ensure greater mobility and housing choice to very low-income households. The Marketing List will be made available to voucher holders who are actually seeking housing.

8.6 SECURITY DEPOSIT REQUIREMENTS
[24 CFR §982.313]

Security deposits charged by owners may not exceed those charged to unassisted families (nor the maximum prescribed by State or local law.)

For lease-in-place families, responsibility for first and last month's rent is not considered a security deposit issue. In these cases, the owner should settle the issue with the family prior to the beginning of assistance.

8.7 TERM OF VOUCHER
[24 CFR §982.301(b)(1)]

During the briefing session, each family is issued a voucher, which represents a contractual agreement between the Housing Authority and the family, specifying

the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

8.7.1 Expirations
[24 CFR §982.303(a)]

The voucher is valid for a period of 60 calendar days from the date of issuance. The family must submit a Request for Tenancy Approval and lease within the 60 calendar-day period, unless an extension has been granted by the Housing Authority.

If the voucher has expired, and has not been extended by the Housing Authority or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

8.7.2 Policy on Suspensions (Tolling)
[24 CFR 982.303(c)]

When a Request for Tenancy Approval is received, the Housing Authority will not deduct the number of calendar days required to process the request from the term of the voucher.

8.7.3 Extensions
[24 CFR §982.303(b)]

The Housing Authority may grant extensions to vouchers.

A family may request an extension of the voucher time period. All requests for extensions must be received prior to the expiration date of the voucher.

Extensions may be granted in 30, 60, or 120-day increments, up to a maximum term of 180 calendar days, if necessary for the tenant to locate a unit.

Housing Supervisors may authorize extensions up to a maximum term of 270 calendar days for extenuating circumstances or as a reasonable accommodation. Such matters will be considered on an individual basis and must be supported by verifiable third-party documentation.

8.7.4 Assistance to Voucher Holders
[24 CFR §982.301(b)]

Families who require additional assistance during their search may call the Housing Authority to obtain a Marketing List of available units. Information regarding the Marketing List will be presented at the briefing session.

The Housing Authority will assist families with negotiations with owners and provide other assistance related to the families' search for housing.

8.8 VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS
[24 CFR §982.315]

In those instances when a family assisted under the Housing Choice Voucher Program becomes divided into two otherwise eligible families due to divorce,

legal separation, or the division of the family, and the new families cannot agree as to which new family unit should continue to receive the assistance, and there is no determination by a court, the Housing Authority shall consider the following factors to determine which of the families will continue to be assisted:

1. Which of the two new family units has custody of dependent children.
2. Which family member was the head of household when the voucher was initially issued (listed on the initial application).
3. The composition of the new family units, and which unit contains elderly or disabled members.
4. Whether domestic violence was involved in the breakup.
5. Which family members remain in the unit.
6. Recommendations of social service professionals.

Documentation of these factors will be the responsibility of the requesting parties.

If documentation is not provided, the Housing Authority will terminate assistance on the basis of failure to provide information necessary to complete the annual re-examination.

Where the breakup of the family also results in a reduction of the size of the voucher, the family will be required to move to a smaller unit if the current owner is unwilling to accept the rent level of the smaller sized certificate.

8.9 REMAINING MEMBER OF FAMILY – RETENTION OF VOUCHER

To be considered the remaining member of the family, the person must have been previously approved by the Housing Authority to be living in the unit.

A live-in aide, by definition, is not a member of the family and will not be considered a remaining member of the family.

In order for a minor child to continue to receive assistance as a remaining family member:

1. The court has to have awarded emancipated minor status to the minor, or
2. The Housing Authority has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the assisted unit to care for the child/children for an indefinite period.

A reduction in family size may require a reduction in the voucher size.

8.10 FAMILY VOLUNTARILY RELINQUISHES HOUSING CHOICE VOUCHER

The family may voluntarily relinquish their voucher at any time. In such cases, the Housing Authority will provide the owner of the property with a 30 calendar days notice indicating that rental assistance will terminate based on the family's request. The family will become fully liable for the contract rent after 30 calendar days.

Generally, the Housing Authority will not reinstate a family once a request for voluntary termination has been received. However, as a reasonable

accommodation, the Housing Authority will review requests for reinstatements received within 6 months and make a determination on a case-by-case basis.

If a family voluntarily relinquishes their voucher in lieu of facing termination, the Housing Authority will continue to seek to recover any monies that may be due to the Housing Authority as a result of misrepresentation or other breach of program regulations.

**CHAPTER 9:
THE NEW CONTRACT PROCESS REQUEST FOR TENANCY APPROVAL AND
CONTRACT EXECUTION**

9.1 INTRODUCTION

[24 CFR §982.302(b) and 24 CFR §982.353(b)]

After families are issued a voucher, they may search for a unit anywhere within the Housing Authority's jurisdiction, or outside of the Housing Authority's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner who is willing to enter into a Housing Assistance Payments (HAP) contract with the Housing Authority. This chapter defines the types of eligible housing, the Housing Authority's policies which pertain to lease requirements, owner disapproval, and the processing of Requests for Tenancy Approval (RTA).

9.2 REQUEST FOR TENANCY APPROVAL

[24 CFR §982.302(c)]

The family must submit the RTA and a copy of the proposed lease during the term of the voucher. Both the owner and the voucher holder must sign the RTA.

The Housing Authority will not permit the family to submit more than one RTA at a time.

The RTA will be approved if [24 CFR §982.302(d)]:

1. The unit is an eligible type of housing;
2. The unit passes an inspection (based on HUD's Housing Quality Standards and the Housing Authority's requirements, detailed in Chapter 10);
3. The rent is reasonable;
4. The security deposit amount is approvable;
5. The proposed lease complies with HUD and Housing Authority requirements, and State and local law;
6. The owner is approvable, and there are no conflicts of interest; and
7. All applicable lead-based paint disclosure requirements have been met. See Section 10.4 (Lead-Based Paint) for additional policies.

9.2.1 Disapproval of RTA

[24 CFR §982.302(d)]

If the Housing Authority determines that the RTA cannot be approved for any reason, the owner and the family will be notified in writing. The Housing Authority will instruct the owner and family of the steps that are necessary to approve the Request.

The owner will be given 5 calendar days to submit an approvable RTA from the date of disapproval unless the reason for the disapproval is the result of multiple failed inspections (three or more failed HQS inspections).

When, for any reason, an RTA is not approved, the Housing Authority will furnish another RTA form to the family along with the notice of disapproval so that the family can continue to search for eligible housing.

The Housing Authority will suspend the term of the voucher while the RTA is being processed. Therefore, the length of time allotted to a family for the purpose of locating another unit will be based on the number of days left on the term of the voucher at the time the RTA was submitted to the Housing Authority [24 CFR §982.303(b)].

9.3 ELIGIBLE TYPES OF HOUSING
[24 CFR §982.352]

The Housing Authority will approve the following types of housing in the voucher program:

- Single-family dwellings, including condos and townhouses.
- Manufactured homes where the family leases the mobile home and the pad [24 CFR §982.620(a)(2)].
- Manufactured homes where the family owns the mobile home and leases the pad [24 CFR §982.620(a)(3)].
- Multifamily dwellings (apartment buildings).
- Units owned but not subsidized by the Housing Authority (HUD-prescribed requirement).

A family can own a rental unit but cannot reside in it while being assisted, except in the cases involving manufactured homes when the family owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The Housing Authority may not permit a voucher holder to lease a unit which is receiving project-based Section 8 assistance or any duplicative rental subsidies.

9.3.1 Special Housing Types
[24 CFR §982.601]

The Housing Authority must permit use of all special housing type listed below, if needed as a reasonable accommodation so the program is readily accessible to and usable by persons with disabilities in accordance with 24 CFR Part 8.

- Congregate housing
- Group home
- Shared housing
- Cooperative housing (excluding families that are not cooperative members)
- Homeownership

9.3.2 Ineligible Housing Types
[24 CFR §982.352(a)]

The Housing Authority will not approve:

- A unit occupied by the owner or by any person with an interest in the unit, other than manufactured homes described above.
- Nursing homes or other institutions that provide care.
- School dormitories and institutional housing.
- Structures that have not been properly converted. Owners will be required to provide finalized permits for all conversion work when the integrity and/or soundness of a structure is in question.
- Converted garages or other structures not intended to be living areas.
- Any other types of housing prohibited by HUD.

9.4 RESTRICTIONS ON RENTING TO RELATIVES
[24 CFR §982.306(d)]

In accordance with HUD policy, the family will not be allowed to rent a unit from an owner (including a principal or other interested party) who is the spouse, parent, child, grandparent, grandchild, sister or brother of any member of the family. This restriction applies to all new contracts entered into after June 16, 1998.

Exceptions may be made to this policy as a reasonable accommodation for persons with a disability. The Housing Authority will review all such requests on a case-by-case basis. The family will be required to provide documentation of disability and how the particular unit, owned by the relative, could benefit the disabled person. Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification. In addition, the Housing Authority may request a copy of the owner's current utility bills and bank statement.

Failure to provide adequate documentation, within the specified time period (2 weeks), will be grounds for denial of such request.

In all cases, the owner of the assisted unit may not reside in the unit with the assisted household, at any time during the term of the Housing Assistance Payment (HAP) Contract between the Housing Authority and the owner.

9.5 LEASE AGREEMENTS
[24 CFR §982.308 - §982.309]

The tenant and the owner must enter a written lease for the unit. If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form, plus the required HUD Tenancy Addendum, which the Housing Authority will provide to the owner.

The Housing Authority will review the lease for compliance with regulations. At minimum, the lease must specify the following information:

- The names of the owner and tenant;
- The address of the unit rented;
- The term of the lease including the initial term and any provisions for renewal;
- The amount of the monthly rent to owner; and
- A specification of which utilities and appliances will be supplied by the owner, and which by the family.

The lease must provide the following are grounds for the owner to terminate tenancy [24 CFR §982.310(c)]:

- Drug-related criminal activity engaged in, on or near the premises by any tenant, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control. In addition, the lease must provide that the owner may evict a family when the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- Any of the following types of criminal activity by a covered person:
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including property management staff residing on the premises);
 - Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or
 - Any violent criminal activity on or near the premises by a tenant, household member, or guest, or any such activity on the premises by any other person under the tenant's control.
- If a tenant is:
 - Fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or
 - Violating a condition of probation or parole imposed under Federal or State law.

If the owner does not have a standard lease form, the owner may request a sample lease.

When needed, the Housing Authority may require the owner and family to execute a lease rider that changes the rent amount and/or effective date on the owner's original lease.

The effective date of the lease and the HAP contract will be based on the date the unit passed inspection or the family took possession of the unit, whichever is

later. For this purpose, the family is considered to be in possession of the unit when the family has a key to the unit and the unit is fully available for the family's exclusive use [24 CFR §982.305(b)].

9.5.1 Separate Agreements
[24 CFR §982.510(c)]

Separate agreements are not necessarily prohibited. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

Owners and families may execute separate agreements for services (parking space), appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by the Housing Authority.

Any appliances, services or other items which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

The Housing Authority is not liable for unpaid charges for items covered by separate agreements and nonpayment of these agreements cannot be cause for eviction.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the Housing Authority. If agreements are entered into at a later date, they must be approved by the Housing Authority and attached to the lease.

9.6 INITIAL INSPECTIONS

See Chapter 10 (Housing Quality Standards and Inspections).

9.7 RENT LIMITATIONS
[24 CFR §982.508]

In accordance with HUD regulations, at the time the family initially receives assistance for a new unit, the family's share of the rent for the unit (includes utilities and the rent to the owner) may not exceed more than 40 percent of the family's adjusted monthly income if the gross rent for the unit exceeds the payment standard.

If the gross rent (rent plus utilities) does not exceed the payment standard, the family may contribute more than 40 percent of their monthly income towards rent.

Although HUD does not place limits on the amount that a family may contribute towards rent (if the family is a continuing family or the gross rent for an initial

lease does not exceed the payment standard), the Housing Authority is concerned about affordability. Therefore, whenever a family is contributing more than 60 percent of their adjusted family income towards rent, the family will be required to attend a Housing Authority affordability counseling session. Trained staff will review the family's financial situation and review the family's ability to meet their rental obligation. If the family discloses that they are concerned about their ability to meet their rental obligation, the Housing Authority will work with the family to help them locate another affordable unit. If the family indicates that they are able to meet all of their current financial obligations, the family will be allowed to proceed with their request to move into the unit. A notation will be made in the family's file.

9.8 RENT REASONABLENESS
[24 CFR §982.507(a)(1)]

A rent reasonable test will be used to determine if the rent amount request by the owner can be approved. The Housing Authority's rent reasonableness policy, including appeals process, is covered in Chapter 11 (Setting Payment Standards and Determining Rent Reasonableness).

9.9 INFORMATION TO OWNERS
[24 CFR §982.307(b)]

The Housing Authority is required to provide prospective owners with the address of the applicant and the names and addresses of the current and previous owner if known. The Housing Authority will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection. The Housing Authority will not release any other information regarding the family.

The Housing Authority will inform owners that it is the responsibility of the owner to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, eviction history, damage to units, and other factors related to the family's suitability as a tenant [24 CFR §982.307(a)].

Information regarding the Housing Authority's policy on this subject is included in the briefing packet and as an attachment to the Request for Tenancy Approval. This policy will apply uniformly to all families and owners.

In addition to the information listed above, the Housing Authority provides owner workshops at least twice a year. At the workshops, current and prospective owners are given an overview of the program and information about any significant program changes. There is also ample time for a question and answer session.

9.10 OWNER DISAPPROVAL
[24 CFR §982.306(a) - §982.306(c)(4)]

For purposes of this section, "owner" includes a principal or other interested party, and to disapprove an owner means to prevent the participation of an owner in Housing Authority programs.

The Housing Authority is required to disapprove an owner for the following reasons:

- HUD has informed the Housing Authority that the owner has been disbarred, suspended, or subject to a limited denial of participation under 24 CFR Part 24.
- HUD has informed the Housing Authority that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.
- HUD has informed the Housing Authority that a court or administrative agency has determined that the owner violated the Fair Housing Act or other Federal equal opportunity requirements.

The Housing Authority also maintains the discretion to disapprove an owner for the reasons listed below. If the Housing Authority chooses to disapprove an owner, it will be for a period of 1 year unless otherwise indicated.

- The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).
- The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program.

For the following reason(s), an owner will be disapproved for a period of up to 5 years:

- The owner has committed fraud, bribery or any other corrupt act in connection with any Federal housing program.

For the following reason(s), an owner will be disapproved for a period of up to 10 years:

- The owner has engaged in any drug-related criminal activity or any violent criminal activity.

Additionally, in accordance with the policy outlined in Section 9.4 (Restrictions on Renting to Relatives), the Housing Authority will not approve an owner who is the parent, child, grandparent, grandchild, sister or brother of any member of the assisted family.

9.11 CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE

When the family reports changes in factors that will affect the Total Tenant Payment (TTP) prior to the effective date of the HAP contract, the information will be verified and the TTP will be recalculated. If the family does not report any change, the Housing Authority need not obtain new verifications before signing the HAP contract, even if verifications are more than 60 calendar days old.

9.12 CONTRACT EXECUTION PROCESS
[24 CFR §982.305(c)]

Provided that the unit passes inspection, the Housing Authority will prepare the HAP contract for execution. The family and the owner will execute the lease agreement, and the owner and the Housing Authority will execute the HAP contract. Copies of the documents will be furnished to the parties who signed the respective documents.

The Housing Authority makes every effort to execute the HAP contract before the commencement of the lease term. The HAP contract may not be executed more than 60 calendar days after commencement of the lease term and no payments will be made until the contract is executed.

The following Housing Authority representatives are authorized to execute a contract on behalf of the Housing Authority: Assisted Housing's Division Director, Assistant Director, Assistant Managers and Housing Supervisors.

Owners must provide the current address of their residence (not a Post Office box). If families lease properties owned by relatives, the owner's current address will be compared to the subsidized unit's address.

Owners must provide an Employer Identification Number or Social Security number, and may also be required to provide a copy of their driver's license or other photo identification.

9.12.1 Determining the Contract Effective Date

The effective date and the amount of the rental payment is communicated in writing to both the owner and family.

If the owner and the family have entered into a lease and provide a copy of the lease with the RTA, the effective date of the contract will be either:

1. The date the unit passed inspection (for families residing in the unit prior to the inspection date), or
2. The date that the Housing Authority authorized the owner to allow the family to take possession of the unit.

The contract effective date will be based on the later of these two dates. If the owner and the family have not executed a lease prior to the HAP contract negotiation process, then the HAP contract will become effective once the lease has been properly executed by both parties.

9.12.2 Prorating First Month's Rent

When the effective date of a new contract begins on a day other than the first of the month, the Housing Authority will determine a prorated contract rent amount. For consistency with rental industry standards, prorated amounts will be calculated by using 30 days to establish a daily rate (refer to 3/3/05 memo).

9.12.3 Proof Of Ownership

In addition to the items listed above, the Housing Authority also requires owners to provide proof of ownership of the assisted unit. Acceptable documents include

a recorded grant deed, a property tax bill, property insurance documentation and/or if the property was recently acquired, copies of closing escrow documents.

The Housing Authority also uses property profile information obtained from a private vendor to confirm ownership.

Generally, the Housing Authority will only require one form of proof of ownership. However, if ownership is questionable, additional documentation will be requested and must be provided prior to executing a HAP contract. Failure to provide the requested information within a reasonable period of time, generally not more than 30 calendar days, will result in a cancellation of the RTA.

9.12.4 Establishing Eligibility To Execute HAP Contract and Related Documents

In cases involving multiple owners, the Housing Authority will accept the signature of a designee on all contracts and related paperwork if all the legal owners have jointly agreed on the person/persons who may act on their behalf.

To establish signature and/or payment authority, the Housing Authority requires that all persons who have interest in the property sign a letter of authorization giving one or more parties the right to sign contracts, other program documents and/or receive payments on behalf of the owners.

In cases involving a partnership, the Housing Authority may request the partnership agreement or incorporation documents to determine who is designated to act on the group's behalf.

The Housing Authority will not execute a HAP Contract until all the proper authorization, from all the appropriate parties, has been provided. Failure to provide information needed to establish authority to execute the HAP contract within a reasonable time, generally 30 calendar days, may result in a cancellation of the RTA.

Once the Housing Authority has established proper authorization, the letter of authorization will remain in effect until superseded by another authorization or the HAP contract is terminated. All changes or modification to the instructions provided in the current letter of authorization must be provided in writing.

9.12.5 Payment To The Owner

[24 CFR §982.311(a)]

Once the HAP Contract is executed, the Housing Authority begins processing payments to the owner. Because the Housing Authority's sole method of payment to owners is direct deposit, new and existing owners must provide the necessary information for enrollment in the Housing Authority's direct deposit program. Payments will be made via direct deposit by the first of each month. Owners must notify the Housing Authority of any missing payments as soon as possible. The Housing Authority will accept report of missing payment both via a telephone call and/or in writing.

9.13 CHANGE IN OWNERSHIP

A change in ownership does not require execution of a new contract.

The Housing Authority will process a change of ownership only upon the written request of the previous or new owner and only if accompanied by a copy of the escrow statement or other document showing the transfer of title and the Employee Identification Number or Social Security number of the new owner.

In order to complete a change of ownership, the new owner must complete an Assumptions of Obligations and Benefits contract. This form obligates the new owner to the HAP contract. The Housing Authority will provide this document once a written request for a change is received.

When the assumption contract has been executed, the Housing Authority will send a copy of it, along with a copy of the original HAP contract and lease, to the new owner.

New owners are subject to the Housing Authority's owner disapproval policy as detailed in Section 9.10 of this chapter.

**CHAPTER 10:
HOUSING QUALITY STANDARDS AND INSPECTIONS**

10.1 INTRODUCTION

This chapter describes the Housing Authority's procedures for implementing Housing Quality Standards (HQS), conducting different inspections, and setting standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences for noncompliance with HQS by the owner and family.

**10.2 TYPES OF INSPECTIONS
[24 CFR §982.405]**

The Housing Authority conducts the following inspections, which will be explained in greater detail throughout the chapter:

New Contracts Inspection: A unit must pass this HQS inspection before the Housing Authority enters into a HAP Contract with the owner.

Inspections at Other Times as Needed:

- **Interim Inspection:** HQS inspection conducted upon request of the owner, family or agency.
- **Emergency Inspection:** HQS inspection conducted for life-threatening violations.

Annual Inspection: A unit must pass its annual HQS inspection.

Quality Control Inspection: The Housing Authority is required to conduct supervisor quality control HQS inspections.

**10.3 HOUSING QUALITY STANDARDS (HQS)
[24 CFR §982.401]**

HQS is the minimum quality standards set forth by HUD for tenant-based programs. These standards are in place to ensure that assisted housing is decent, safe and sanitary. All program housing must meet the HQS performance requirements both at commencement of assisted occupancy, and throughout the assisted tenancy.

Efforts will be made at all times to encourage owners to provide housing above the HQS minimum standards.

HQS applies to the building and premises, as well as the unit. In order for a unit to pass an HQS inspection, the following standards must be met.

**10.3.1 Unit Space and Size
[24 CFR §982.401(d)(2)(i)]**

At minimum, a living room, kitchen area, and bathroom must be located in the unit.

10.3.2 Living Room / Sleeping Room

[24 CFR §982.401(d)(2)(ii)], [24 CFR §982.401(h)(2)(iv)], [24 CFR §982.401(f)]

- The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. Children of opposite sex, other than very young children, may not be required to occupy the same bedroom or living/sleeping room.
- There must be at least one window in the living room and in each sleeping room. If the window is designed to be openable, the window must open and close properly, and be large enough to provide emergency egress.
- The living room and each bedroom must have at least two electrical outlets in proper operating condition. Permanent overhead or wall-mounted light fixtures may count as one of the required electrical outlets.
- Bedrooms must also have a built-in closet or wardrobe, be located within the unit (e.g., no garages), and be private (have a closing door separating it from the rest of the unit). Bedrooms should also be finished in a quality similar to other bedrooms in the home.
- In cases where an owner has modified the rental unit without obtaining the proper city and/or County building permits, the Housing Authority may rely on the legal property description for the purposes of negotiating the rent and determining how many actual sleeping rooms are in the rental unit.

10.3.3 Sanitary Facilities (Bathroom)

[24 CFR §982.401(b)], [24 CFR §982.401(h)(2)(iii)], [24 CFR §982.401(f)(2)(ii)]

- The bathroom must be located in a separate private room and contain a working flush toilet.
- Bathroom areas must have one openable window or other adequate exhaust ventilation.
- The unit must have a sink, and shower or tub in proper operating condition, with hot and cold running water.
- All walls in a tub or shower area must be covered with ceramic tile or other material that is impervious to water to prevent water damage and deterioration.
- Sinks and commode water lines must have shut off valves, unless faucets are wall-mounted. All sinks in the unit must have functioning stoppers.
- The bathroom must have a permanent ceiling or wall light fixture in proper operating condition.
- All bathrooms in the unit must be in proper operating condition.

10.3.4 Food Preparation (Kitchen)

[24 CFR §982.401(c)], [24 CFR §982.401(f)(2)(ii)]

- The dwelling unit must have suitable space and equipment to store, prepare, and serve foods in a sanitary manner (i.e., kitchen).
- The dwelling unit must have an oven, and a stove or range, and a refrigerator of appropriate size for the family. All of the equipment must be in proper operating condition. The equipment may be supplied by either the owner or the family.
- If the tenant is providing the stove and/or refrigerator, those appliances do not need to be present during the new contract inspection in order to pass; however, they must be in place and operable when the tenant moves in. If the owner is providing the appliances, they must be in place and operable during the new contract inspection in order to pass.
- A microwave oven may be substituted for a tenant-supplied oven and stove or range. A microwave oven may be substituted for an owner-supplied oven and stove or range if the tenant agrees and microwave ovens are furnished instead of an oven and stove or range to both subsidized and unsubsidized tenants in the building or premises.
- The kitchen area must have a permanent ceiling or wall light fixture in proper operating condition, and at least one electrical outlet in proper operating condition.
- The dwelling unit must have a kitchen sink in proper operating condition, with a sink trap and hot and cold running water. The sink must have a shut off valve, unless faucets are wall-mounted, and must drain into an approvable public or private system. All sinks in the unit must have functioning stoppers.
- There must be facilities and services for the sanitary disposal of food waste and refuse, including temporary storage facilities where necessary (e.g., garbage cans).

10.3.5 Ceilings, Walls, Floors and Roof

[24 CFR §982.401(g)]

The unit must be structurally sound. The structure must not present any threat to the health and safety of the occupants and must protect the occupants from the environment.

Ceilings, walls, floors and fences must not have any serious defects such as severe bulging or leaning, large holes, loose surface materials, severe buckling, missing parts, or other serious damage.

- Wood floors must be sanded to a smooth surface and sealed. Any loose or warped boards must be re-secured and made level. If the boards cannot be leveled, they must be replaced.
- The exterior wall structure and surface must not have any serious defects such as serious leaning, buckling, sagging, large holes, or defects that may result in air infiltration or vermin infestation.

- In areas where plaster or drywall is sagging, severely cracked, or otherwise damaged, it must be repaired or replaced.
- The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.
- The roof must be structurally sound and weather tight.

10.3.6 Windows

[24 CFR §982.401(f)(1)(ii)], [24 CFR §982.401(d)(2)(iii)]

All window sashes must be in good condition, solid, intact, and fit properly in the window frame. Damaged or deteriorated sashes must be replaced.

Windows must be weather-stripped as needed to ensure a weather tight seal.

If window security bars or security screens are present on emergency exit windows, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the system.

Dwelling unit windows that are accessible from the outside, such as basement, first floor, and fire escape windows, must be lockable (such as window units with sash pins or sash locks, and combination windows with latches).

Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.

10.3.7 Doors and Unit Access

[24 CFR §982.401(d)(2)(iv)], [24 CFR §982.401(k)]

All exterior doors must be solid core and weather tight to avoid any air or water infiltration, have no holes, and have all trim intact.

All interior doors must have no holes, have all trim intact, and be openable without the use of a key.

All exterior doors must have dead bolt locks.

The unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

10.3.8 Thermal Environment

[24 CFR §982.401(e)]

There must be a safe system for heating the unit, in proper operating condition. The heating unit must be affixed to the unit and be able to provide adequate heat, either directly or indirectly, to each room. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Electric heaters are acceptable. Portable heaters are not acceptable.

10.3.9 Smoke Detectors
[24 CFR §982.401(n)]

Each assisted unit must be equipped with at least one properly working battery-operated or hard-wired smoke detector on each level of the unit.

Whenever possible, smoke detectors should be installed in a hallway adjacent to a bedroom.

If an assisted unit is occupied by a household with hearing-impaired persons, a permanently installed smoke detector designed for people with hearing-impairments must be located in each bedroom that is occupied by a hearing-impaired person.

10.3.10 Site and Sanitation
[24 CFR §982.401(l)], [24 CFR §982.401(m)]

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade. These can include dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

The unit and its equipment must be in sanitary condition, and free from vermin and rodent infestation.

10.3.11 Manufactured Homes HQS Requirements
[24 CFR 982.621]

In addition to meeting all other HQS requirements, a manufactured home must meet the following requirements:

- It must be situated on a site that is stable and free from hazards such as sliding or wind damage.
- Must be appropriately anchored by a tie down device that distributes and transfers the load imposed by the unit to appropriate ground anchors to resist wind overturning and sliding. Alternative types of anchors, beams and foundation bolts are permissible if they meet manufacturer's specifications.
- One operable smoke detector is required.

10.3.12 Additional Housing Quality Standards
[24 CFR §982.401(a)(4)]

The Housing Authority is authorized to enhance HQS, provided that by doing so the Housing Authority does not overly restrict the number of units available for leasing. The enhancements adopted by the Housing Authority are meant to ensure that assisted units are safe in relation to other units rented throughout Los Angeles County.

In addition to the HQS identified by HUD, all assisted units must also be in compliance with the following items derived from California and Los Angeles County Code, in order to pass an HQS inspection.

Double Cylinder Locks: Double-keyed deadbolts, or any other lock requiring special knowledge or a tool to open, are prohibited in a residential unit. All doors that provide an exit from the residence must be openable from the inside without the need of a key or any other special knowledge, effort or tool.

Swimming Pools: Swimming pools in multifamily structures must be enclosed by a gate from 48 inches to 60 inches tall. The gate must be self-closing with a self-closing latch and a protected panel must surround the latch.

Hot Water Heater: TPR and drainpipe 6 inches above the floor must be resent. PVC type drainpipes are not acceptable.

Earthquake Straps for Water Heaters: Must be secured for seismic stability.

Garages: Garages, whether attached or detached, must be accessible. Garages are not to be used as a living space.

10.3.13 Serious Deficiencies

Assisted units must meet all HQS performance requirements in order to pass an inspection. The Housing Authority has compiled the following list of specific conditions that are considered serious deficiencies that may cause a unit to fail an inspection. This list assists inspectors in making a determination regarding the condition of an assisted unit; however, deficiencies are not limited to this list:

1. No TPR/Drainpipe on water heater
2. Clogged toilets/sinks/wash basins/bathtubs
3. Torn carpet or linoleum flooring posing a tripping hazard
4. Stretched carpet when a potential hazard exists
5. Broken mirrors, cabinets, etc.
6. Missing smoke detectors
7. Vermin infestation (fleas, roaches, termites, mice, and rats)
8. Double cylinder locks
9. Exterior/common grounds rubbish/debris/overgrown grass/weeds
10. Large holes/cracks/uneven concrete in walkway
11. Building with major peeling of wood trim/paint (directly affecting family's unit)
12. Large porcelain chips or peeling paint in bathtubs/sinks/wash basin exposing black surfaces/rust
13. Burner knobs missing on stove
14. Inoperable stove/refrigerator
15. Bathrooms where no windows are present and exhaust fans are missing/inoperable

16. Flammable products stored near water heaters
17. Signs of leaking/water damage on ceiling/roof
18. Broken windows and larger cracks which pose a potential hazard
19. Algae/debris in swimming pool
20. Loose hand rails/guard rails
21. Missing/cracked switch cover plates
22. Closet doors off track
23. Bedroom window security bar release mechanism is inoperable
24. Inoperable window locks

10.4 LEAD-BASED PAINT

[24 CFR §982.401(j)]

The Housing Authority's Housing Choice Voucher program is subject to the requirements of the Lead-Based Paint Poisoning Prevention Act and the Residential Lead-Based Paint Hazard Reduction Act of 1992. Applicable regulations are detailed in 24 CFR §35.

The Housing Authority will be responsible for the collection of LBP disclosure information; conducting Visual Assessment inspections; assuring that Clearance Examinations are conducted; collect data regarding Elevated Intervention Blood Lead Level (EIBLL) cases, and informing owners of their responsibilities.

10.4.1 Disclosure

[24 CFR §35(a)]

Owners of units built before 1978 are required to disclose to lessees all available information about the presence of lead-based paint or lead-based paint hazards and provide any available record or reports pertaining to the presence of lead-based paint or lead-based paint hazards, before the lease is enacted.

Lessees must also receive a copy of the lead hazard information pamphlet, "Protect Your Family From Lead in Your Home."

For all new contracts, the Housing Authority will require owners to certify on the RTA that they have met all applicable lead-based paint disclosure requirements. If applicable, the Housing Authority will require owners to submit a copy of the lead-based paint disclosure statement, and any inspection reports.

The Housing Authority will include a sample lead-based paint disclosure form and a lead hazard information pamphlet in voucher issuance packets for participants. Materials will be made available directly to owners upon request.

For units built before 1978, the Housing Authority will not approve an owner lease without receiving all applicable lead-based paint disclosure information.

10.4.2 Lead-Based Paint Visual Assessment
[24 CFR §35(m)]

The Housing Authority is required to conduct lead-based paint visual assessments for all units built prior to 1978 that house or will house a child or children under 6 years of age, at the time of the new contract inspection and at annual inspections.

The Housing Authority inspectors conducting lead-based paint visual assessments will be trained according to HUD requirements.

The purpose of the visual assessment is to identify any deteriorated paint. Deteriorated paint is paint that is peeling, chipping, chalking or cracking, or any paint or coating located on an interior or exterior surface or fixture that is otherwise damaged or separated from the substrate. Inspectors will check the condition of painted surfaces. If deteriorated paint exceeds the de minimis thresholds as defined by HUD, the unit will fail the lead-based paint visual assessment. The de minimis thresholds are defined as 20 sq. ft. (2 sq. meters) on exterior surfaces; 2 sq. ft. (0.2 sq. meters) in any one interior room or space; or 10% of the total surface area on an interior or exterior type of component with a small surface area (such as window sills, baseboards, and trim).

10.4.3 Stabilization and Clearance
[24 CFR §35(m)]

Owners of units that fail the lead-based paint visual assessment will be required to stabilize deteriorated paint in order for the unit to pass.

The Housing Authority will send a letter to owners of failed units that provides guidance on stabilizing paint and other required activities. Owners will have 30 calendar days from the letter date to complete the following:

Repair the deteriorated paint. Work must be performed by certified lead workers using lead-safe work practices. The Housing Authority will provide owners with resources and information on meeting these guidelines.

Obtain a Clearance Report. A contractor certified by the Environmental Protection Agency (EPA) must inspect the unit and prepare a Clearance Report summarizing the work completed and the inspection results.

Complete the Housing Authority's Lead-Based Paint Owner Certification form. The owner must certify that all applicable requirements have been met.

Submit Clearance Report and Certification to the Housing Authority. The Housing Authority will accept paperwork by mail, fax, and hand delivery.

The owner is responsible for informing tenants of all lead hazard reduction work and evaluations, in a manner consistent with HUD regulations.

If the unit has been previously certified free of lead-based paint by a certified inspector, the owner may submit a copy of the inspector's report, along with the certification form, to the Housing Authority.

The Housing Authority will review the Clearance Report and certification form for completeness. The Clearance Report must contain all information required by

HUD. If the Clearance Report passes, the unit will receive a pass on the visual assessment; no further inspection visit is required.

On new contracts inspections, the passing Clearance Report and valid certification form must be received by the Housing Authority before the Housing Authority can enter into a HAP Contract with the owner. If this does not take place within 30 calendar days, the Housing Authority will cancel the RTA.

For annual inspections, if the owner fails to submit the passing Clearance Report and valid certification form within 30 calendar days, the Housing Assistance Payments (HAP) will be placed on hold (abated) for the unit and the participant will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated. See Section 10.11.1 for details on abatement.

Assisted Housing's Director will review reasonable cause requests for extension. Extension requests must be submitted in writing within the first 30 calendar days of the failed lead-based paint visual assessment. An extension shall not extend beyond 90 days after the date of notification to the owner of the results of the visual assessment. If an extension is approved, the HAP will not be abated during this extension period. Reasonable cause circumstances include prohibitive weather conditions, financial hardship, and rehabilitation in progress.

10.4.4 Children with Environmental Intervention Blood Lead Levels [24 CFR §35.325]

On a quarterly basis, the Division will send the Los Angeles County Department of Health Services Childhood Lead Poisoning Prevention (CLPP) Program the addresses of assisted families with children under the age of 6. CLPP Program staff will check the addresses for matches with cases of identified Environmental Intervention Blood Lead Levels (EIBLL). If a match is found, CLPP Program staff will conduct a Risk Assessment of the occupied unit and forward a report to the Division. A Risk Assessment is a comprehensive evaluation for LBP hazards that goes beyond the Visual Assessment component including paint testing, and dust and soil sampling. The Risk Assessment Report identifies lead hazards and appropriate lead hazard reduction methods.

A copy of the Risk Assessment Report must immediately be forwarded to the participating owner once received by the Division. The owner must post a Notice of Lead Hazard Evaluation within 15 calendar days and complete lead hazard reduction and clearance activities as advised in the Report within 30 calendar days. The Housing Authority is not allowed to assist *any* other participant in the unit until the owner complies with the Report.

If informed about an EIBLL case from a source other than the CLPP Program, the Division must submit the information to the CLPP Program within 5 calendar days. The CLPP Program will conduct a Risk Assessment of the occupied unit if required.

10.5 INSPECTIONS SCHEDULE

Inspections are conducted on business days between the hours of 7:00 a.m. and 5:00 p.m. An individual over 18 years of age must be present to allow entry for the inspector.

10.6 NEW CONTRACT INSPECTIONS **[24 CFR §982.305(b)(2)]**

Under normal circumstances, new contract (initial) inspections are conducted 7 to 10 calendar days following the receipt of a Request for Tenancy Approval. The new contract inspection is conducted in order to:

1. Determine if the unit, including common areas, meets housing quality standards.
2. Document the current condition of the unit. This will serve as the basis to evaluate the future condition of the unit, i.e. excessive wear and tear.

10.6.1 When HQS Deficiencies Must Be Corrected

If the unit fails the initial inspection, the unit will be scheduled for a follow-up inspection within 10 calendar days. The owner will be given 30 calendar days to correct the deficiencies. The owner can request an inspection sooner if repairs have been made prior to the scheduled follow-up inspection date.

If the time period given by the Housing Authority to correct the deficiencies has lapsed, or the maximum of three failed inspections has occurred, the family must select another unit.

The Housing Authority will not enter into a HAP Contract with the owner until the unit passes the inspection. However, the family may already be in the unit when the new contract inspection is conducted. If the family lives in the unit at the time of the new contract inspection, they are responsible for meeting their HQS obligations. See Section 10.8 for details of the family's HQS obligations.

10.7 ANNUAL AND INTERIM INSPECTIONS **[24 CFR §982.405]**

10.7.1 Annual Inspections

In order to assure that units meet housing quality standards throughout the assisted tenancy, the Housing Authority conducts inspections at least annually.

As stated in the family obligations, the family must allow the Housing Authority to inspect the unit at reasonable times and after reasonable notice. The Housing Authority will notify the family and/or owner of the date and time of the scheduled inspection appointment in writing at least 10 calendar days prior to the inspection.

Appointments may be rescheduled for emergency situations. If the family fails to contact the Housing Authority to reschedule the inspection, or if the family misses two inspection appointments, the Housing Authority will consider the family to be in violation of the Certified Statement of Family Obligation agreement

and will initiate termination procedures in accordance with the Housing Authority's policy for proposed termination.

10.7.2 Interim Inspections

Interim inspections are conducted at the request of the owner, family, or agency (usually as a result of a violation of HQS or violation of the lease). Interim inspections may be scheduled and conducted at any time of the year.

10.8 FAILED INSPECTIONS: DETERMINATION OF RESPONSIBILITY **[24 CFR §982.404(b)]**

If deficiencies cause an assisted unit to fail an inspection, Housing Authority inspectors will determine who is responsible at the time of inspection.

In accordance with family obligations, the following deficiencies are considered the responsibility of the family:

- Family-paid utilities not in service;
- Failure to provide or maintain family-supplied appliances; and
- Damages to the unit or premises caused by a household member or guest beyond normal wear and tear.
 - "Normal wear and tear" is defined as items that could be charged against the family's security deposit under state law or court practice.

The owner is responsible for all other HQS violations. In cases such as vermin infestation, where burden of responsibility is not immediately clear, Housing Authority inspector will determine the responsible party.

HQS deficiencies that cause a unit to fail must be corrected by the owner, unless the family is responsible for the deficiencies.

10.9 FAILED INSPECTIONS: WHEN DEFICIENCIES MUST BE CORRECTED **[24 CFR §982.404(a)(3)]**

10.9.1 Emergency Fail Deficiencies

Items that endanger the family's health or safety are considered emergency fails. These deficiencies must be corrected within 24 hours of inspection or verbal/written notification but no longer than 48 hours total from the time of inspection.

In cases where the owner or responsible party cannot be notified verbally, i.e. weekends, the Housing Authority will have a written notification mailed the day of the inspection.

The following deficiencies are considered life-threatening, emergency fails, and will cause a unit to be labeled uninhabitable:

- Gas leaks
- Major plumbing problems
- Utilities not in service

- No running water
- No functioning toilet
- Unstable roof/structure

In cases where the unit is deemed uninhabitable, the family will be issued a voucher within 24 hours so that they can make arrangements to secure another residence if necessary.

If an emergency fail deficiency is not corrected in the time period required by the Housing Authority, and the owner is responsible, the housing assistance payment will be abated immediately and the contract will be terminated.

If repairs are completed and the family wishes to move back into the unit, a new RTA will need to be submitted for that unit and the New Contract Process will need to be completed again.

If the emergency fail deficiency is not corrected in the time period required by the Housing Authority, and the family is responsible, the Housing Authority will terminate the family's assistance for violating family obligations (see Chapter 15: Family Obligations), but will not abate the payment to owner for that month.

10.9.2 Non-Emergency Fail Deficiencies

Non-emergency deficiencies that cause a unit to fail the inspection must be corrected within a 30 calendar-day cycle. The family and owner will be notified of the failed items in writing. Within the 30 calendar days from the notification letter, the owner and family must make the appropriate corrections and notify the Housing Authority so that a follow-up inspection can be scheduled.

If the necessary repairs have been completed prior to the next scheduled inspection, the owner or tenant may request an earlier inspection date. Requests for earlier repair dates will be reviewed and accommodated in a case-by-case basis.

For major repairs, the Inspections Housing Unit Supervisor or Housing Supervisor may approve an extension beyond 30 calendar days. However, this extension cannot exceed 60 calendar days.

If the family is not at home for the follow-up inspection appointment, a card will be left at the unit with instructions. A second follow-up inspection will be scheduled automatically and the owner and family will be notified by mail.

If owner-caused deficiencies are not corrected in the time period required by the Housing Authority, housing assistance payments will be abated and the contract may be terminated. If family-caused deficiencies are not corrected in the time period required by the Housing Authority, housing assistance may be terminated. See Sections 10.10 and 10.11 below for more information.

10.10 CONSEQUENCES OF VERIFIED FAMILY-CAUSED DEFICIENCIES **[24 CFR §982.552(a)]**

The family has a responsibility to maintain the assisted unit in good condition and to notify the owner of needed repairs. If non-emergency violations of HQS are determined to be the responsibility of the family, the Housing Authority will

require the family to make any repair(s) or corrections within the 30 calendar-day cycle. Housing assistance will be terminated if an assisted unit continues to fail housing inspections for family-caused deficiencies or the family fails to keep scheduled appointment(s). See Chapter 15 (Family Obligations) for more information.

Extensions will be granted on a case-by-case basis and must be approved by the Unit Supervisor.

If it has been concluded that all deficiencies are family-caused, the owner's rent will not be abated for such items.

10.11 CONSEQUENCES OF VERIFIED OWNER-RELATED DEFICIENCIES **[24 CFR §982.404(a), 24 CFR §982.452 and 24 CFR §982.453]**

The owner is responsible for maintaining the unit in accordance with HQS. When it has been determined that an assisted unit fails to meet HQS, the owner of that unit is responsible for completing the necessary repair(s) in the time period specified by the Housing Authority. If the owner fails to correct deficiencies within the specified time period, the Housing Authority is obligated to withhold (abate) housing assistance payments.

10.11.1 Abatement **[24 CFR §982.453(b) and 24 CFR §982.404(a)(3)]**

Abatement is defined as withholding Housing Assistance Payments (HAP) to the owner for the period of time the unit is out of compliance with HQS requirements.

HAP will be abated if:

1. The assisted unit fails the first and second housing inspections due to owner-related deficiencies.

If a unit fails the first inspection due to owner-related deficiencies, the notice sent to the owner stating the deficiencies, repairs that need to be made, and the date of the next inspection will also serve as notice that HAP will be abated if the unit fails a second inspection due to owner-related deficiencies.

If, after the 30-day correction period, the unit then fails the second inspection due to owner-related deficiencies, the Housing Authority will stop payment on the first day of the month following the expiration of the 30-day correction period.

The owner will be notified of the date of a final inspection. Under normal circumstances, the Housing Authority will inspect an abated unit within 30 calendar days after the abatement notification has been issued.

If the owner makes repairs during the abatement period, HAP payments will resume on the day the Housing Authority's inspector has verified the corrections and the unit passes inspection.

A 30-day calculation standard will be used to reconcile abatement payments. Please refer to memo dated 3/3/05.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the family is not responsible for the Housing Authority's portion of rent that is abated. However, the family is responsible to pay its portion of the rent while abatement is in effect.

If an assisted unit fails the third and final housing inspection for owner-caused deficiencies, the Housing Authority will terminate the HAP Contract. The Housing Authority will notify the owner of the termination in writing 30 calendar days before it becomes effective. Abatement will remain in effect until the effective date of the termination.

The Housing Authority is prohibited from implementing rent abatement for family-caused deficiencies. However, abatement will apply if family-caused and owner-related deficiencies exist together.

2. **The Housing Authority has verified that the assisted unit has emergency fail deficiencies, and the owner did not complete the necessary repairs within the required timeframe.**
3. **A unit built before 1978 that houses or will house a child under 6 years of age fails the lead-based paint visual assessment, and the owner fails to submit a complete, passing clearance report and certification within 30 calendar days.** Owners will receive notice by mail if a unit fails the lead-based paint visual assessment. They will have 30 calendar days from the date of the notice to perform clearance and submit passing paperwork. If the owner fails to meet these requirements (see Section 10.4 for more information on lead-based paint), HAP will be abated and the Housing Authority will stop payment on the first day of the month following. The participant will be issued a voucher. The owner will have an additional 60 calendar days to obtain and submit a valid Clearance Report before the HAP Contract is terminated.

Families that reside in units that have been abated will be issued a voucher and will have the option to move even if the assisted unit passes inspection at the third and final inspection (this excludes participants of the Moderate Rehabilitation Program).

10.11.2 Termination of Contract [24 CFR §982.453(b)]

When the HAP Contract has been terminated, the family will be required to move in order to continue receiving rental assistance.

RTA submitted for units that have been terminated due to abatement will be reviewed on a case-by-case basis. In cases where the RTA is accepted, the family will be brought in for counseling on their situation.

10.12 QUALITY CONTROL INSPECTIONS [24 CFR §982.405(b)]

To ensure efficient program operations, it is essential for management to apply sound quality control practices. The purpose of quality control inspections is to objectively ascertain that each inspector is conducting accurate and complete

inspections, and to ensure that there is consistency among inspectors in application of HQS.

Quality control inspections will be performed by a Quality Assurance Representative according to SEMAP Indicator #5 which meets the minimum quality control sample size for the number of units under HAP contract during the last completed Housing Authority fiscal year for SEMAP.

**CHAPTER 11:
SETTING PAYMENT STANDARDS AND DETERMINING RENT REASONABLENESS**

11.1 INTRODUCTION
[24 CFR §982.503]

The Housing Authority is responsible for ensuring that the rents charged by owners are reasonable based upon objective comparables in the rental market. When the Housing Authority has determined that the unit meets the minimum HQS, that the lease is approvable, and that the rent is reasonable, it will make timely payments to the owner and notify the owner of the procedures for rent adjustments in the Housing Choice Voucher programs. This chapter explains the Housing Authority's procedures for setting and adjusting the payment standards and conducting rent reasonableness surveys.

11.2 PAYMENT STANDARDS FOR THE VOUCHER PROGRAM
[24 CFR §982.503(b)(1)]

HUD regulations allow the Housing Authority to set Payment Standards at a level that is between 90 percent to 110 percent of the Fair Market Rent for Los Angeles County. The Housing Authority must set the payment standard at a level that is high enough to ensure that families are able to afford quality housing while also balancing the need to provide assistance to as many families on the waiting list as possible.

The Housing Authority will review the payment standards at least annually to determine whether an adjustment should be made for some or all unit sizes. The following provides a list of the factors that will be used to evaluate the adequacy of the payment standard and/or be used to make a determination to adjust standards, as appropriate.

11.2.1 Assisted Families' Rent Burdens

The Housing Authority will review reports showing the percent of income used for rent by voucher families to determine the extent to which the rent burden is more than 50 percent of income.

If more than 40 percent of program families in the overall program, or for a specific unit size, are contributing in excess of 50 percent of their adjusted monthly income towards rent, the Housing Authority will consider increasing the voucher payment standards. The payment standard will not be raised if:

- (10) The payment is already at the maximum level HUD will allow (110%).
- (10) The Housing Authority would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase.

11.2.2 Success Rate of Voucher Holders

The Housing Authority will periodically review the success rate of voucher holders. If 25 percent or more of new admissions and/or families wishing to move are unable to use the vouchers due to current rental rates in the Housing

Authority's jurisdiction, the Housing Authority will consider increasing the payment standard for particular unit sizes and/or the entire program, as appropriate.

The payment standard will not be increased if:

- (10) The payment is already at the maximum HUD will allow (110%)
- (10) The Housing Authority would have to reduce the number of new admissions by 20 percent or more for the upcoming year in order to fund the increase

11.2.3 Rent Reasonableness Database

The Housing Authority will review the rent information in the rent reasonableness data bank and compare it to the payment standards established for the Housing Choice Voucher Program. If the rent reasonableness review indicated that the payment standards are higher than the average rental unit in Los Angeles County, the payment standard for the specific unit size, or all payment standards, will be lowered to reflect the current market rents.

11.2.4 Quality of Units Selected

The Housing Authority will review the quality of units selected by participant families before determining any change to the Payment Standard to ensure that Payment Standard increases are only made when needed to reach the mid-range of the market.

11.2.5 File Documentation

A file will be retained in the Housing Authority's Administrative Support Unit for at least 3 years to document the analysis and findings to justify whether or not the Payment Standard was changed.

11.3 RENT REASONABLENESS DETERMINATIONS **[24 CFR §982.507]**

Rent reasonableness determinations are made when units are placed under HAP contract for the first time and when an owner requests a rent increase. The Housing Authority will determine and document on a case-by-case basis that the approved rent [24 CFR §982.507(b) and §982.507 (c)]:

1. Does not exceed rents currently charged on new leases by the same owner for an equivalent assisted or unassisted unit in the same building or complex, and
2. Is reasonable in relation to rents currently charged by other owners for comparable units in the unassisted market.

An average of at least three comparable units will be used for each rent determination. Of these, one may be from the first category, and the remaining two should be from the second category. In cases where three comparable units are not available, due either to the unit's location, age or other special features,

two comparables may be used to determine the appropriate rent, one from each category identified above.

All comparables must be based on the rent that the unit would command if leased in the current market. Leased in the current market means that the unit has been leased within the last 12 months.

The data for other unassisted units will be gathered from newspapers, realtors, professional associations, inquiries of owners, market surveys, and other available sources.

The Housing Authority will consider the census tract in which the unit is located to be the market area for the purposes of obtaining rent comparables. If a unit is located in a census tract that is primarily industry, or where no comparable units can be found, the Housing Authority will seek rent comparables in neighboring census tracts. In such cases, may require an inspector to go out to do a visual check of the two neighborhoods to ensure comparability.

The following items will be used for rent reasonableness documentation:

Number of Bedrooms (see Chapter 10 for definition of bedroom)

Facilities

Location

Quality

Amenities

Date Built

Unit Type

11.3.1 Management and Maintenance Services

The Housing Authority maintains a computer database which includes data on unassisted units for use by staff in making rent reasonableness determinations. The data is updated on an ongoing basis and purged when it is more than 12 months old.

In order for a unit to be considered comparable to another, the units must:

- Be located in the same census tract;
- Have been built within 10 years of each other;
- Have three or more similar services and/or amenities;
- Have the same number of bedrooms; and
- Be the same unit type. Single-family structures will generally not be compared to multifamily structures. However, the Housing Authority may make an exception in unique cases where no other selection of rental units exists in the area.

11.3.2 Appealing a Rent Reasonableness Determination

If the owner of the property disagrees with the rent reasonable determination, the owner may appeal the decision in writing by submitting an appeal that includes a list of comparable rental units that the owner has found to justify their requested rent amount.

Before using a list of rental units submitted by the owner, the Housing Authority would confirm that the units are indeed comparable using the criteria outlined above. If the units are not comparable, the Housing Authority will not use these units in the rent comparability survey and the owner will be notified of the decision.

At the owner's request, the Housing Authority will release information on the unit addresses used in the rent comparability survey. If the owner finds that the information used by the Housing Authority is incorrect, the Housing Authority will re-verify the rental comps used and re-determine the rent comparability for the unit.

11.3.3 Rent Increases **[24 CFR §982.519]**

As stated in the HUD Tenancy Addendum, the owner must notify the Housing Authority at least 60 days before the proposed effective date of any intended rent increase. The tenant must be notified in writing, and the written notice must be submitted to the Housing Authority.

As authorized by the HAP contract, the Housing Authority will not approve a rent increase if the HAP contract is in abatement for owner-related HQS deficiencies. In accordance with the HUD Tenancy Addendum, the Housing Authority will disapprove requests made during the initial term (first 12 months) of a lease.

The Housing Authority will use the same criteria defined above to determine if a request for a rent increase meets the rent comparability requirement. If the new rent is not rent comparable, the Housing Authority will advise both the owner and the family that the increase cannot be approved. If a partial rent increase can be approved, the Housing Authority will notify the owner, and process the partial increase upon owner approval.

An owner who disagrees with the determination may exercise any of the following options:

- Appeal the rent comparability determination using the steps outlined above.
- Adjust his/her request for a rent increase.
- Serve the family with a proper termination notice.

**CHAPTER 12:
RE-EXAMINATION**

12.1 INTRODUCTION
[24 CFR §982.516(a)]

To assure that tenancy is restricted to participants meeting the eligibility requirements for continued occupancy and are charged appropriate rents; the eligibility status of each participant is re-examined on an annual basis per HUD requirements.

When families move to another dwelling unit, a re-examination is completed and the anniversary date changed.

12.1.1 Procedure

To maintain program efficiency and integrity, the Housing Authority at its own discretion may conduct re-examination interviews by mail or in-person. The Housing Authority will attempt to conduct all annual re-examinations interviews through the mail. Annual re-examinations not completed through the mail process will be conducted in person.

12.2 RE-EXAMINATION NOTIFICATION TO THE FAMILY

Participating families are advised of the annual re-examination requirement and the importance of reporting income and family composition changes as they occur during the initial re-examination.

12.2.1 Persons with Disabilities
[24 CFR §8.24(a)]

Persons with disabilities who are unable to come in to the Housing Authority's office will be granted an accommodation of conducting the interview at the person's home or by mail, upon verification (physician or medical documentation) that the accommodation requested meets the need presented by the disability.

12.2.2 Requirements to Attend

If it is determined that a participant (family) will need to come to the Housing Authority's office then all adult household members 18 years and older will be required to attend the re-examination interview.

12.2.3 Failure to Respond

If a family fails to complete or return the required re-examination documents within the specified timeframe, the Housing Authority will schedule the family for a mandatory appointment. The appointment letter will provide the date and time of the appointment and a list of items that family will need to bring. Additionally, the appointment letter will serve as a proposed termination notice and will contain the date of termination as well as a specified timeframe to request an informal hearing.

If the family fails to attend the appointment or fails to bring all the required information and has not requested an informal hearing, Housing Assistance Payments will be stopped.

If the family is able to provide documentation of an emergency situation that prevented them from completing the required re-examination documents or attending the mandatory appointment, the Unit Supervisor at his/her own discretion may, on a case-by-case basis reschedule the appointment.

12.2.4 Documents Required from the Family

The re-examination documents will include instructions and appropriate forms that need to be submitted to complete the re-examination. The required forms and documentation are the following:

1. Documentation of income for all family members;
2. Documentation of assets;
3. Documentation of medical or child care expenses;
4. Certified statement of family obligations; and
5. Consent for Release of Information (signed by all household members over 18 years of age).

Verification of these documents will be conducted in accordance with Housing Authority procedures and guidelines described in this plan.

12.2.5 Tenant Rent Increases

If the tenant rent increases, a 30-day notice of increase in rent is mailed to the family before the anniversary date.

If less than 30 calendar days are remaining before the anniversary date, the new tenant rent will be effective on the first of the month following the 30-day notice. If the Housing Authority was unable to process the re-examination on a timely basis due to the family's failure to provide re-examination documents, then the rent increase will be effective retroactive to the appropriate anniversary date.

If the family causes a delay in the re-examination processing, there will be a retroactive increase in rent to the anniversary date. In this particular case, the owner will receive a retroactive HAP payment and every effort will be made to recover lost rent from the tenant.

12.2.6 Tenant Rent Decreases

If the tenant rent decreases, it will be effective on the anniversary date.

If the family causes a delay so the processing of the re-examination is not completed by the anniversary date, the rent change will be effective on the first day of the month following the completion of the re-examination processing.

12.3 INTERIM RE-EXAMINATION
[24 CFR §982.516(b)(3)]

No TTP adjustments will be affected between dates of periodic re-examination or pre-scheduled re-examinations except as noted below:

Tenants are required to submit information affecting eligibility income at all re-examinations. Additionally, tenants are required to report the following changes in family circumstances:

1. Changes in family composition, including loss or addition of one or more family members through death, divorce, birth, or adoption [24 CFR §982.516(c)], and
2. Changes in family income including increases and decreases for income received by the family.

A family is required to report these changes to the Housing Authority within 30 calendar days after the change has occurred. Once notified, the changes that affect the eligibility income will be verified.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular re-examination after moving into the unit. See Section 7.10.7 (Verification of Citizenship/Eligible Immigration Status) for details.

12.3.1 Interim Changes in Income

Decreases: If the information provided results in a decrease in tenant rent, a modification to the HAP Contract is executed to be effective the first of the month following the month in which the required documentation is supplied by the participant.

Increases: If the information provided results in an increase in tenant rent, the Housing Authority may conduct an interim re-examination, or may flag the file and make adjustments at the annual re-examination. In either case, the tenant will be notified in writing at least 30 calendar days in advance of an increase.

12.4 SPECIAL ADJUSTMENTS

If, at the time of re-examination, a family is clearly of low-income, and it is not possible to make an estimate of the family's income for the next 12-month period; A special re-examination will be scheduled to accommodate the family's circumstances. This includes cases where:

1. A tenant is unemployed and there are no anticipated prospects of employment, or
2. The conditions of employment and/or receipt of income are too unstable to validate usual and normal standards for determination. An interim re-examination will be scheduled for families with zero or unstable income every 3 months.

Families whose past employment has been sporadic or who are on welfare, become employed, then are unemployed, or are self-employed, will not be given special re-examination. If such an income pattern has been established and is

expected to continue, then a reasonable 12-month estimate of the income may be based upon past income and present rate of income.

Furthermore, special re-examinations must be clearly set for a definite time to assure compliance.

12.5 CHANGES IN FAMILY COMPOSITION
[24 CFR §982.516(c) and 24 CFR §982.551(h)(2)]

The composition of the assisted family residing in the unit must be approved by the Housing Authority. An interim re-examination will be conducted for any changes in family composition.

The Housing Authority may verify changes in family composition as detailed in Section 7.10.5.

12.5.1 Allowable Family Additions
[24 CFR §982.551(h)(2)]

Allowable family additions are the following:

1. Addition due to birth, adoption or court awarded custody
 - Must be reported to the Housing Authority, in writing, within 30 calendar days of the occurrence. Families should notify the owner and comply with any lease requirements to obtain owner approval.
2. Other allowable persons:
 - The family must request approval from the owner and the Housing Authority before the person is added. Anyone who moves into the unit without written owner and Housing Authority approval is considered an unauthorized person.
 - Addition of marriage/or marital type relation, which is defined as domestic partners that have registered in California or that will certify that they will live in the same principal residence and intend to do so indefinitely;
 - Addition of a minor who is member of the nuclear family, which is defined as the spouse, marital type partner or child of the head of household, spouse or marital type partner who had been living elsewhere; or
 - Addition of a Housing Authority-approved live-in attendant.

As part of the approval process, the Housing Authority conducts a criminal background check, and may also conduct a credit review, on all new potential family members, 18 years of age and older. Criminal records will only be used to screen new household members. They will not be used for lease enforcement or eviction of residents already receiving tenant-based rental assistance.

If an approved change requires a larger size unit due to overcrowding, the change in voucher size will be made effective immediately (see Chapter 5). The Housing Authority will determine the assistance, based on funding availability.

12.5.2 Decreases in Family Size

When a family member leaves the household, the absence must be reported to the Housing Authority, in writing, within 30 calendar days of the occurrence, as detailed in Section 6.8.9 (Reporting Absences to the Housing Authority). The change in family composition may impact the voucher size, as explained in Chapter 5 (Subsidy Standards).

If a decrease in family size results in a decrease of the voucher size, the Housing Authority may exercise the option to downsize the family's voucher size and require the family to move.

Generally, families will be asked to move if the unit is two bedrooms or larger than the family is eligible to rent. When this is necessary, the family will be granted 120 calendar days to locate another suitable unit. Extensions are granted in accordance with the policy outlined in Chapter 8 (Voucher Issuance and Briefings).

However, if the family's Total Tenant Payment unit does not exceed 50 percent of the family's monthly-adjusted income, the family will be allowed to remain in the unit.

12.6 CONTINUATION OF ASSISTANCE FOR "MIXED" FAMILIES **[24 CFR §5.504(b)]**

Families that include at least one citizen or eligible immigrant, and any number of ineligible members, are considered "mixed" families.

"Mixed" families that were participants on or before June 19, 1995, shall continue full assistance if they meet the following criteria:

1. The head of household or spouse is a U.S. citizen or has eligible immigrant status, **and**
2. All members of the family other than head, spouse, parents of head, parents of spouse, children of head or spouse are citizens or eligible immigrants. The family may change the head of household designation to another adult member of the family to qualify under this provision.

If they do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance.

**CHAPTER 13:
ALLOWABLE MOVES/PORTABILITY**

13.1 INTRODUCTION

This chapter defines the procedures, restrictions and limitations for moving, for new applicants and current participants.

As stated in HUD regulations, eligible families participating in the Housing Choice Voucher Program have the right to receive tenant-based voucher assistance anywhere in the United States, in the jurisdiction of a public housing agency (PHA) administering a Housing Choice Voucher program. This program feature is called “portability.” This chapter includes the Housing Authority’s procedures for new applicants and current participants that “port out” of the Housing Authority’s jurisdiction.

Additionally, this chapter specifies the Housing Authority’s policies for receiving “incoming ports” from other public housing agencies.

13.2 ALLOWABLE MOVES AND RESTRICTIONS

13.2.1 Restrictions on Moves

The Housing Authority may deny families permission to move if:

- There is insufficient funding for continued assistance;
- The family has violated a family obligation;
- The family is in the initial term of the lease (see 13.2.4 for exceptions); or
- The family owes money to this Housing Authority or another PHA. See Section 17.2 (Repayment Agreements for Families) for more information on allowable moves for families with repayment agreements.

**13.2.2 Allowable Moves for New Applicants
[24 CFR §982.353]**

A family who lives and/or works in the Housing Authority’s jurisdiction at the time they are admitted to the Housing Choice Voucher Program may choose, as their initial housing:

- To remain in their current unit (this is referred to as leasing-in-place);
- A unit anywhere within this Housing Authority’s jurisdiction; or
- A unit outside of this Housing Authority’s jurisdiction. For more information, see the Outgoing Portability section of this chapter.

A family who does not live or work in this Housing Authority’s jurisdiction at the time they are admitted to the Housing Choice Voucher Program must initially locate a unit within this Housing Authority’s jurisdiction in order to receive assistance. The family does not have any right to portability until they have resided in this Housing Authority’s jurisdiction for at least 12 months [24 CFR §982.353(c)].

- Under limited conditions, the Housing Authority may waive this requirement. Examples of situations that may warrant an exception to this rule include life-threatening situations or as a reasonable accommodation. However, in all cases both the Housing Authority and the receiving jurisdiction must agree to allow the move. If the receiving public housing agency does not agree, the Housing Authority will not approve a transfer [24 CFR §982.353(c)(3)].

13.2.3 Allowable Moves for Current Participants **[24 CFR §982.314]**

A family that initially receives assistance for a unit leased in this Housing Authority's jurisdiction may request to move to another unit and receive continued assistance. Families in good standing may move with continued assistance if:

1. The assisted lease for the old unit has ended because the Housing Authority has terminated the HAP contract for owner breach [24 CFR §982.314(b)(1)(i)];
2. The lease was terminated by mutual agreement of the owner and the family [24 CFR §982.314(b)(1)(ii)]. The Housing Authority must receive a copy of this notice;
3. The owner has given the family a notice to vacate for reasons other than a lease violation [24 CFR §982.314(b)(2)]. The Housing Authority must receive a copy of this notice; or
4. The family has given proper written notice of lease termination after the initial lease term and in accordance with State law. This generally requires a 30-day notice; however, the Housing Authority recommends that families provide a 60-day notice in order to ensure a smooth transition to the new unit [24 CFR §982.314(b)(3)]. The Housing Authority must receive a copy of this notice.

A family is considered to be in good standing if they have not violated the terms of the lease, any program regulations and do not owe any money to this Housing Authority or another public housing agency.

Families that are eligible to move with continued assistance may choose to move to a unit that is:

- **Within this Housing Authority's jurisdiction.** This type of a move is called a "reserve vacate." This means that the family is moving from a unit, which could result in a temporary vacancy in the program until another unit is secured; however, the slot remains reserved for the family until the time they lease another unit.
- **Outside Housing Authority's jurisdiction.** See the Outgoing Portability section of this chapter for more information.

13.2.4 Restrictions on Moves During the Initial Lease **[24 CFR §982.314(c) and §982.314(e)]**

Generally, families will not be permitted to move during the initial lease (12 months), or more than once in any 12-month period except as noted below:

1. **Life-Threatening Situations** (witness to or victim of a crime, HQS emergency items, natural disaster, unsafe environment, etc.)
2. **Reasonable Accommodation**: A family may request to move to accommodate a disability. The Housing Authority may approve the move as a reasonable accommodation and grant the request to move. However, the owner of the property must agree to release the tenant from the lease.
3. **Mutual Termination**: The family and the owner agree to mutually terminate the contract. If a family requests to terminate a HAP contract based on a mutual termination more than once in a 12-month period, the Housing Authority may review the reason for the mutual termination. If the owner is requesting a mutual termination in lieu of enforcing tenant obligations under the lease, and there is evidence that the family has committed violations of the lease, the Housing Authority may terminate the family for non-compliance with family obligations.

13.3 PROCEDURES FOR MOVES FOR CURRENT PARTICIPANTS **[24 CFR §982.314(d)]**

Eligible families who wish to move must first provide the Housing Authority and the property owner with proper written notice. Once the Housing Authority has received the notice and there are no reported changes to the family's income and/or family composition, the Housing Authority will not be required to conduct a re-certification of families whose re-examinations have been completed within the **last 12 months**.

At the same time the voucher is issued, the family will receive a Request for Tenancy Approval (RTA). The family should begin looking for housing immediately in order to ensure a smooth transition to the new unit.

- Requests to move for families wishing to port to another jurisdiction must be submitted in writing.

Families in the Housing Authority's jurisdiction that are unable to locate a new unit by the time they are supposed to vacate the old unit are responsible for contacting the owner and negotiating to stay in the current unit longer. In order for an extension to be approved by the Housing Authority, both parties must sign and complete the required contract extension form, indicating the revised effective expiration date, and submit it to the Housing Authority before the contract is set to expire. Once the request has been received, the Housing Authority will release payments to the owner as appropriate. If the owner does not agree to extend the notice, the family may be required to seek alternative housing, at their own expense, in the interim.

13.4 OUTGOING PORTABILITY PROCEDURES
[24 CFR §982.355(c)]

Both new applicants and current participant families must first identify the new jurisdiction where they will be moving. Once the Housing Authority has received this information, the Housing Authority will:

1. Notify the receiving public housing agency (PHA) that the family wishes to relocate into its jurisdiction [24 CFR §982.355(c)(3)];
2. Advise the family how to contact and request assistance from the receiving PHA [24 CFR §982.355(c)(2)]; and
3. Provide the following documents and information to the receiving PHA [24 CFR §982.355(c)(4)]:
 - A copy of the family's voucher, with issue and expiration dates, formally acknowledging the family's ability to move under portability.
 - The most recent HUD 50058 form and verifications.
 - The Family Portability form (HUD-52665).

New applicant families will be subject to the income eligibility requirements of the jurisdiction in which they will be receiving assistance [24 CFR §982.353(d)].

13.4.1 Briefing for Families Wishing to Exercise Portability

Since families wishing to move to another jurisdiction must understand that the policies and procedures of the receiving PHA prevail, the Housing Authority will provide counseling for those families who express an interest in portability. This will include a discussion of difference in payment standards, subsidy standards, and income limits, if applicable.

13.4.2 Payment to the Receiving PHA
[24 CFR §982.355(d) and §982.355(e)]

If the receiving PHA chooses to administer and bill assistance on the Housing Authority's behalf, the Housing Authority will reimburse the receiving PHA for costs associated with administering the voucher, as specified in HUD regulations.

The receiving PHA must submit to the Housing Authority the initial billing no later than 60 days following the expiration date of the family voucher issued or within 10 days of an executed contract.

The Housing Authority will ensure that the receiving PHA receives all subsequent monthly payments no later than the fifth working day of each month.

13.5 INCOMING PORTABILITY PROCEDURES
[24 CFR §982.355]

Eligible participants in the Housing Choice Voucher Program in other public housing agencies may be assisted in the Housing Authority's jurisdiction.

For a family to port in to the Housing Authority's jurisdiction, the Housing Authority must receive, from the initial PHA:

- The Family Portability form (HUD-52665) with Part I completed.
- A copy of the family's voucher with a valid expiration date.
- The most recent HUD 50058 form and required income verifications supporting the form.

13.5.1 Policies on Absorption and Administration
[24 CFR §982.355(d) and §982.355(e)]

For incoming ports, the Housing Authority may, if funding permits, accept a family with a valid voucher from another jurisdiction and absorb the voucher. The Housing Authority may also exercise the option to administer the initial public housing agency's voucher and bill the initial PHA as authorized in the regulations.

If the Housing Authority chooses to administer, it will submit to the initial PHA an initial billing no later than 60 days following the expiration date of the family voucher issued or within 10 days of an executed contract to ensure timely receipt of payment.

All subsequent monthly billing payments are to be received by the Housing Authority no later than the fifth working day of each month.

13.5.2 Income and Total Tenant Payment Review
[24 CFR §982.355(c)]

The Housing Authority will conduct an initial review of all incoming port families. The Housing Authority will:

- Conduct criminal background and registered sex offender registration checks of family members (see Section 13.5.3 below).
- Verify identifying documents, family income and composition.
- As necessary, the Housing Authority will change the bedroom size of a family's voucher to comply with the Housing Authority's subsidy standards. If this occurs, the family will be notified in writing of the change.
- If family income documents are missing or there has been a change in the family's circumstances, the Housing Authority may re-determine the family's TTP.
- For incoming port families who have not yet leased a unit under the Housing Choice Voucher Program (initial applicants), the Housing Authority must verify that the family meets the Housing Authority's income limits.

If a re-determination is necessary, the Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-determination reveals that the family is not eligible for assistance in the Housing Authority's jurisdiction. In such cases, the family will be referred to the initial PHA for further assistance [24 CFR §982.355(c)(4)].

In general, all families porting into the Housing Authority's jurisdiction will be issued a Housing Authority voucher. The term of the voucher may not expire

before the expiration date noted on the voucher issued by the initial public housing agency. The Housing Authority will determine whether to extend the voucher term, if necessary, based on the Housing Authority's policy for extension. The Housing Authority will notify the initial PHA if such an extension is granted [24 CFR §982.355(c)(6)].

If a family that has ported into the Housing Authority's jurisdiction is unable to locate a unit within the allotted time authorized on the voucher, the Housing Authority will notify the issuing PHA that the voucher did not result in a HAP contract.

Approval of any unit is subject to rent reasonableness and a passed inspection [24 CFR §982.401(a)(3)].

13.5.3 Criminal Background Checks for Incoming Portability **24 CFR §982.355(c)(9) – (10) and PIH Notice 2004-12**

The Housing Authority will conduct criminal background and sex offender registration checks for all incoming portability families and will not delay issuing the family a voucher but will take subsequent necessary action, including up to termination of a family's assistance (see Section 2.8 for details on screening).

The Housing Authority will take the following steps to minimize the number of terminations for families that are porting into its jurisdiction:

- At voucher issuance, families will be informed of the Housing Authority's criminal background policies and that they will be going through a background check and offered an opportunity to return to their originating PHA.
- If it is determined before a contract is effective that a family member is unsuitable due to a criminal background check the family will be given the options of returning to the originating household or excluding the culpable family member.
- If it is determined after a contract is effective that a family member is unsuitable and the Housing Authority is billing the originating PHA, the family will have the option of returning to the originating PHA or exclude the culpable household member.
- If it is determined after the contract is effective that a family member is unsuitable and the Housing Authority has absorbed the contract, the family will only have the option of excluding the culpable household member and will not be allowed to return to the originating household.

The contract will be terminated if it has been absorbed and if the family chooses not to exclude the culpable household member or there are no other adult eligible household members.

13.5.4 Terminations

In cases where the Housing Authority is administering a contract on behalf of another PHA, the Housing Authority will notify the initial PHA in writing of any termination of assistance within 30 calendar days of the termination.

13.5.5 Informal Hearings/Reviews
[24 CFR §982.555]

If an informal hearing is required and requested by the family, the Housing Authority will conduct the hearing only if the participant has been assisted within the Housing Authority's jurisdiction. Such hearings will be conducted using the regular hearing procedures included in this plan. Families who have not yet received assistance in the Housing Authority's jurisdiction are eligible for informal reviews, as detailed elsewhere in this administrative plan.

The initial PHA will be responsible for collecting amounts owed to that public housing agency by the family for claims paid and for monitoring repayment. If the initial PHA notifies the Housing Authority that the family is in arrears or the family has refused to sign a Repayment Agreement, the Housing Authority will terminate assistance to the family.

CHAPTER 14: CONTRACT TERMINATIONS

14.1 INTRODUCTION

The chapter identifies the key documents/contracts that set forth the responsibilities of each party involved in the rental assistance relationship and outlines the policies and procedures under which these contracts can be terminated.

The Housing Authority will not terminate a participant who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the participant otherwise qualifies for assistance.

14.2 DESCRIPTION OF DOCUMENTS

There are three parties involved in the rental relationship: the assisted family, the owner and the Housing Authority.

The rights and responsibilities of the assisted family are defined in the voucher or certificate and the Certified Statement of Family Obligations. A copy of the voucher or certificate is provided to the family at admission and each time a new voucher is issued. The family signs the Certified Statement of Family Obligations annually.

The relationship between the family and the owner is outlined in the rental lease. Generally, the term of the lease is for one year and then turns into a month-to-month tenancy. Although the Housing Authority is not a part of the lease, HUD regulations allow public housing agencies to act against the family for serious or repeated violations of the lease.

The terms of the relationship between the owner and the Housing Authority are outlined in the Housing Assistance Payments (HAP) contract. The term of the HAP contract is the same as the term of the lease.

14.3 TERMINATION OF THE LEASE BY THE FAMILY: MOVES **[24 CFR §982.309(c)]**

For continued tenant assistance, the family cannot terminate the lease until after the initial term of the lease except for material breach of the lease by the owner. The lease determines the notice period for termination to the owner. Most leases require, at minimum, a 30-day notification. However, the Housing Authority recommends that families provide a minimum of a 60-day notice in order to allow enough time for a smooth transition of assistance from the old unit to the new unit. To initiate the lease termination, the family must send a written notice to the owner and the Housing Authority no less than 30 calendar days before the vacate date.

14.4 TERMINATION OF THE LEASE BY THE OWNER

An owner may bifurcate (separate) a lease in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without

evicting, removing, or terminating assistance, or terminating assistance, or otherwise penalizing the victim of such violence which is also a tenant or lawful occupant.

14.4.1 Terminating the Lease During the Initial Term of the Lease
[24 CFR §982.310(a)]

During the term of the lease, the owner may not terminate the tenancy except for good cause, which includes serious or repeated violations of the lease and/or violations of federal, state or local law that imposes obligations on the family in connection with the use of the unit.

Under such conditions, the owner must provide both the family and the Housing Authority with a copy of any notice to move or eviction action. An eviction action is defined as a notice to vacate, or a complaint, or other initial pleading used under State or local law to commence an eviction action. Any eviction notice served to a family must specify the grounds for the termination of the tenancy.

An owner may commence termination of a tenancy for good cause by serving a legal notice of termination on the family for the following reasons:

1. Serious or repeated violation of the terms and conditions of the lease [24 CFR §982.310(a)(1)];
2. Violation of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises [24 CFR §982.310(a)(2)]; and
3. Other good cause, [24 CFR §982.310(a)(3)] including:
 - Criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents, or persons residing in the immediate vicinity of the premises [24 CFR §982.310(d)];
 - Any drug-related criminal activity on or near the premises; or
 - Tenant disturbance of neighbors, destruction of property, or behavior resulting in damage to the premises.

14.4.2 Terminating the Lease After the Initial Term of the Lease

After the initial term of the lease, the owner may terminate the lease for other good cause. Examples of other good cause include:

- Business or economic reason for regaining possession of the unit;
- Owner's desire to repossess the unit for personal or family use or for a purpose other than residential property;

When terminating the lease for business or economic reasons, the owner is required to provide a 90-day notice to both the family and the Housing Authority.

14.4.3 Requests for Criminal Records by Project-Based Section 8 Owners
[24 CFR §5.903(d)]

Project-based Section 8 owners (excludes housing choice voucher owners), that have contracts with the Housing Authority, may request that the Housing Authority obtain criminal records, on their behalf, for the purpose of eviction or lease enforcement. The Housing Authority will, however, charge a fee in order to cover costs associated with the review of criminal records.

Project-based owners must submit the following items in order for the Housing Authority to process criminal records. Owner requests must include:

1. A copy of a signed consent form from each adult household members, age 18 years and older. Included in the consent form must be a legible name, the date of birth, a California Identification Number, and a Social Security number. This information will be used for the sole purpose of distinguishing persons with similar names or birth dates.
2. An owner's criteria or standards for evicting drug criminals in accordance with HUD regulations (§ 5.857 of 24 CFR Parts 5 et al.); or criteria for evicting other criminals (§ 5.858 of 24 CFR Parts 5 et al.); or criteria for lease enforcement.

Once the Housing Authority obtains the criminal records, a determination will be made as to whether a criminal act, as shown by a criminal record, can be used as a basis for eviction or lease enforcement. The Housing Authority will base its determination in accordance with HUD regulations and the owner criteria.

It is important to note that The Housing Authority will not disclose the participant's criminal conviction record, nor the content of that record to the owner unless the owner is proceeding with a judicial eviction process. In the case of a judicial eviction, the owner must provide the Housing Authority with a certification that the criminal records are necessary to proceed with the eviction.

14.5 MUTUAL TERMINATION OF THE LEASE

In cases where the owner and the family agree to terminate the lease, both parties have an obligation to notify the Housing Authority in writing at least 30 calendar days in advance of the vacate date in order that Housing Authority may avoid overpayment to the owner. If the family has properly notified the Housing Authority and is in good standing, they will be scheduled for an issuance session where they will receive a voucher and all the necessary documents to search for a new unit.

14.6 TERMINATION OF THE HAP CONTRACT BY HOUSING AUTHORITY
[24 CFR §982.453 – §982.454]

The Housing Authority will terminate the HAP contract as follows:

1. When the Housing Authority terminates program assistance for the family.
2. When the owner has breached the HAP contract.

An owner who breaches a HAP contract may be disapproved to participate in Housing Authority programs, as detailed in Section 9.10 (Owner

Disapproval). The Housing Authority's rights and remedies against the owner under the HAP contract include recovery of overpayments, abatement or other reduction of housing assistance payments, termination of housing assistance payments, and termination of the HAP contracts.

Any of the following actions will be considered a breach of the HAP contract by the owner:

- The owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit according to housing quality standards, including any standards the Housing Authority has adopted in this policy [24 CFR §982.453(a)(1)].
 - The owner has violated any obligation under any other HAP contract under Section 8 of the 1937 Act (42 U.S.C. 1437f) [24 CFR §982.453(a)(2)]. The Housing Authority will consider the following list of factors in determining whether to terminate the HAP contract for a violation of another HAP contract:
 - The nature of the breach.
 - The location of the other units under contract compared to the subject unit.
 - The impact on participants in the other units.
 - The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program [24 CFR §982.453(a)(3)].
 - The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD [24 CFR §982.453(a)(4)].
 - The owner has engaged in drug-related criminal activity [24 CFR §982.453(a)(5)].
 - The owner has committed any violent criminal activity [24 CFR §982.453(a)(6)].
3. If the family is required to move from a unit which is overcrowded based on the Housing Authority's current subsidy standards [24 CFR §982.403(a)].
 4. If funding is no longer available under the ACC [24 CFR §982.454].
 - Before terminating HAP contracts on the basis of insufficient funding, the Housing Authority is required to ensure that the determination of insufficient funding is documented. The Housing Authority will consider funding insufficient if it is determined that the projected year-end subsidy falls short of the authorized budget amount.
 - The Housing Authority will determine the number of families that must be terminated, and will present the Board of Commissioners with a recommended method for terminating HAP contracts. Following Board of Commissioner and HUD notification, the Housing Authority will terminate HAP contracts.
 - Contracts of elderly and disabled families will not be subject to termination.

- Terminated families will be placed on the waiting list and will receive a preference for assistance from the waiting list.

14.7 HAP PAYMENTS AND CONTRACT TERMINATIONS
[24 CFR §982.311]

When a HAP contract terminates, the Housing Authority will make payments in accordance with the HAP contract and depending on the reason for the contract termination.

In cases involving a tenant notice to move or a mutual termination, not involving an eviction action, the Housing Authority will pay the owner for the entire last month that the family was in the unit regardless of the actual day of the month that the family moved out. The Housing Authority may also pay a HAP on behalf of the family for the new unit in the same month. However, while the Housing Authority can pay a subsidy for two units in a given month under these conditions, the family may only have physical possession of one unit at a time. A family will be considered to have physical possession of a unit if they still have belongings in the unit and the key to the unit. Under such cases, the family will be required to pay the full rent for one of the units in its possession and the family's portion for the other unit [24 CFR §982.311(d)].

In cases involving evictions, the Housing Authority will continue to pay the HAP until the day the family moves out or is evicted [24 CFR §982.311(b)].

In cases involving termination of assistance due to insufficient funding, families will receive a minimum of 30 days notice of termination of assistance.

In cases involving termination of assistance for reasons other than insufficient funding, the Housing Authority will provide the owner and the family of the proposed termination date. If the family does not request a hearing or the hearing is decided in the Housing Authority's favor, the HAP payments will terminate in accordance with the notification. If a family continues to occupy the unit after assistance is terminated, the family is responsible for the total amount of rent due to the owner.

If HAP payments are released to the owner for periods of time beyond the dates set forth above, the owner will be required to return all monies to the Housing Authority within 30 calendar days or within the time specified in any approved repayment agreement. The Housing Authority also reserves the right to deduct any monies from other HAP payments being made to the owner by the Housing Authority. If the owner fails to repay the HAP, the account will be forwarded for further action.

**CHAPTER 15:
FAMILY OBLIGATIONS**

15.1 INTRODUCTION
[24 CFR §982.552(a)]

The Housing Authority may terminate assistance for a family because of the family's action or failure to act. The Housing Authority will provide families with a written description of the family obligations under the program, the grounds under which the Housing Authority can terminate assistance, and the Housing Authority's informal hearing procedures. This chapter describes when the Housing Authority is required to terminate assistance, and the Housing Authority's policies for the termination of assistance.

15.2 GROUND FOR DENIAL/TERMINATION
[24 CFR §982.552(c)(2)(ii)]

The Housing Authority will not terminate a participant who is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the participant otherwise qualifies for assistance.

If termination is based upon behavior resulting from a disability, the Housing Authority will delay the termination in order to determine if there is a reasonable accommodation, pursuant to law, that would cure the grounds for the termination.

15.2.1 Form of Termination

Termination of assistance for a participant may include any or all of the following [24 CFR §982.552(a)(3)]:

1. Refusal to enter into a HAP contract or approve a lease
2. Termination of HAP under an outstanding HAP contract
3. Refusal to process or provide assistance under portability procedures

15.2.2 Mandatory Termination

The Housing Authority must terminate assistance for participants under the following conditions:

1. If any member of the family fails to sign and submit to HUD or Housing Authority required consent forms for obtaining information [24 CFR §982.552(b)(3)].
2. If no member of the family is an U.S. citizen or eligible immigrant [24 CFR §982.552(b)(4)].
3. If 180 calendar days have elapsed since the Housing Authority's last housing assistance payment was made.
4. If any family member fails to meet the eligibility requirements concerning individuals enrolled at an institution of higher education as specified in Section 2.5 [24 CFR §5.612].

15.2.3 Grounds for Termination of Assistance
[24 CFR §982.552(c)(1)]

The Housing Authority may at any time terminate program assistance to a participant, for any of the following reasons:

1. The family violates any family obligation under the program as listed in 24 CFR 982.551 [24 CFR §982.552(c)(1)(i)].
2. Any member of the family has ever engaged in serious lease violations while a resident of federally assisted housing or within the past 5 years has been evicted from a federally assisted housing program [24 CFR §982.552(c)(1)(ii)].
3. Any family member engages in drug-related or violent criminal activity [24 CFR §982.553(a) and §982.551(k)-(l)].
4. The family currently owes rent or other amounts to the Housing Authority or to another housing agency in connection with Section 8 or public housing assistance under the 1937 Act [24 CFR §982.552(c)(1)(v)].
5. The family has not reimbursed the Housing Authority or any housing agency for amounts paid under a HAP contract to an owner for rent, damages to the unit, or other amounts owed by the family under the lease [24 CFR §982.552(c)(1)(vi)].
6. The family breaches an agreement with any housing agency to pay amounts owed to any housing agency, or amounts paid to an owner by any housing agency [24 CFR §982.552(c)(1)(vii)].
7. A family participating in the family self-sufficiency (FSS) program fails to comply, without good cause, with the family's FSS contract of participation (COP) [24 CFR §982.552(c)(1)(viii)].
8. The family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel [24 CFR §982.552(c)(1)(ix)].
 - "Abusive or violent behavior" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination.
 - "Threatening" refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
 - Actual physical abuse or violence will always be cause for termination.

15.2.4 Registered Sex Offenders

If it is brought to the attention of the Housing Authority that a current program participant is on the sex offender registration list, the Housing Authority will review on a case-by-case basis. The Housing Authority will consult with law enforcement and legal counsel and take appropriate actions based on findings.

15.3 FAMILY OBLIGATIONS
[24 CFR §982.551]

Failure to abide by any of the family obligations is grounds for termination.

1. The family must supply any information that the Housing Authority or HUD determines is necessary in the administration of the program [24 CFR §982.551(b)]. Information includes any requested certification, release or other documentation. Requirements include:
 - Submission of required evidence of citizenship or eligible immigration status (as provided by 24 CFR part 5);
 - Disclosure and verification of social security numbers (as provided by 24 CFR part 5);
 - Providing any information requested by the Housing Authority or HUD for use in a regularly scheduled or interim determination of family income and composition, including income, assets, and accurate family composition.
2. The family must report all changes in family income and composition in writing immediately as they occur. The owner of the unit and the Housing Authority must approve changes in composition of the assisted family [24 CFR §982.551(b) and §982.551(h)(2)]. The family must:
 - Report the birth, adoption or court-awarded custody of a child;
 - Request Housing Authority approval to add any other family member;
 - Notify the Housing Authority when a family member no longer lives in the unit.

If the Housing Authority gives approval, a live-in aide or a foster child may live in the unit. Failure to report changes, making false reports and/or allowing unauthorized people in the unit is cause for termination from the program.
3. All information supplied by the family must be true and complete [24 CFR §982.551(b)].
4. Maintain the rental unit [24 CFR §982.551(c)]. The family is responsible for any violation of Housing Quality Standards resulting from:
 - Failure to pay for tenant-paid utilities;
 - Failure to furnish required stove and or refrigerator if to be provided by family; or
 - Damage to the unit or grounds by the family or its guests beyond normal wear and tear.
5. The family must allow the Housing Authority to inspect the unit at reasonable times and after reasonable notice [24 CFR §982.551(d)].
6. The family may not commit any serious or repeated violation of the lease [24 CFR §982.551(e)].
7. The family must notify the owner and, at the same time, notify the Housing Authority before the family moves out of the unit or terminates

the lease on notice to the owner. The family must promptly give the Housing Authority a copy of any owner eviction notice [24 CFR §982.551(f) – (g)].

8. The family must use the assisted unit for residence by the family. The unit must be the family's only residence. The family must not sublease or let the unit [24 CFR §982.551(h)(1), (6)].
9. The family must not assign the lease or transfer the unit. In cases where there is a change in the head of household, the lease may be transferred to the new Head but only with the consent of the owner of the property and the Housing Authority [24 CFR §982.551(h)(7)].
10. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family [24 CFR §982.551(h)(5)].
11. The family must supply any information or certification requested by the Housing Authority to verify that the family is living in the unit, or relating to family absence from the unit, including any Housing Authority-requested information or certification on the purposes of family absences. The family must cooperate with the Housing Authority for this purpose. The family must promptly notify the Housing Authority of absence from the unit [24 CFR §982.551(i)].
12. The family must not own or have any interest in the unit [24 CFR §982.551(j)].
13. The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the program [24 CFR §982.551(k)].
14. The members of the family may not engage in drug-related criminal activity or violent criminal activity, or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
15. The members of the family must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.
16. An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) federal, State or local housing assistance program [24 CFR §982.551(l)].
17. The family must pay only the amount authorized by the Housing Authority on the approved lease. Any amount paid by the family other than the authorized amount is considered an illegal side payment and is cause for termination of the housing assistance subsidy. The Housing Authority may authorize additional payments for other amenities [24 CFR §982.451(b)(4)(ii)].
18. The family must not receive housing choice voucher program housing assistance while residing in a unit owned by a parent, child, grandparent, grandchild, sister or brother of any member of the family, unless the

Housing Authority has determined (and has notified the owner and the family of such determination) that approving rental of the unit, notwithstanding such relationship, would provide reasonable accommodation for a family member who is a person with disabilities (See Section 9.4 for more information).

19. The family must not have a member that has committed a crime that subjects them to a lifetime sex offender registration requirement imposed by any State sex offender registration program reside in the unit. This is to ensure that no household member or guest is creating or maintaining a threat to the health and safety of other residents or the public.

15.3.1 Housing Authority Discretion **[24 CFR §982.552(c)(2)]**

In deciding whether to terminate assistance because of action or failure to act by members of the family, the Housing Authority has discretion to consider all of the circumstances in each case, including:

- The seriousness of the case,
- The extent of participation or culpability of individual family members, and
- The length of time since the violation occurred and more recent record of compliance, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure to act.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside and/or visit in the unit. The Housing Authority may permit the other members of a family to continue in the program.

15.3.2 Enforcing Family Obligations

Explanations and Terms

HQS Breach: The inspector will determine if an HQS breach as identified in 24 CFR §982.404(b) is the responsibility of the family. Families may be given extensions to correct HQS breaches as explained in Chapter 10.

Lease Violations: The following criteria will be used to decide if a serious or repeated violation of the lease will cause a termination of assistance [24 CFR §982.310]:

- If the owner terminates tenancy through court action for serious or repeated violation of the lease.
- If the owner notifies the family of intention to terminate tenancy for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and the Housing Authority determines that the cause is a serious or repeated violation of the lease based on available evidence.
- If there are police reports, neighborhood complaints or other third-party information, and the Housing Authority has verified the

information. Lack of receipts or other proof of rent payments by the family may also be considered verification of lease violations.

Family Member Moves Out: Families are required to notify the Housing Authority within 30 calendar days if any family member leaves the assisted household [24 CFR §982.551(h)(3)]. When the family notifies the Housing Authority, they must furnish the following information:

- The date the family member moved out.
- The new address, if known, of the family member.
- A statement as to whether the family member is temporarily or permanently absent.
- Related income, asset or deduction changes resulting from the member moving.

Limitation on Profit-making Activity in Unit [24 CFR §982.551(h)(5): If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If the Housing Authority determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a violation of family obligations.

Interest in Unit [24 CFR §982.551(j): The owner may not reside in the assisted unit, under any circumstances, including as a live-in aide, regardless of whether the owner is a member of the assisted family, unless assistance is being provided for a mobile home and the family owns the mobile home and rents the pad under the Certificate or Housing Choice Voucher Program.

Fraud [24 CFR §982.551(k): In each case, the Housing Authority will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

15.3.3 Drug-Related Criminal Activity **[24 CFR §982.553(a) and (b)(1) and (2)]**

Drug-related criminal activity refers to the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance [24 CFR §5.100].

Drug-related criminal activity does not include the prior use or possession of a controlled substance if the family member had an addiction to the substance and has recovered, or is recovering from the addiction and does not currently use or possess the substance and has demonstrated successful completion of a rehabilitation program [24 CFR §982.553(b)].

- The Housing Authority may propose termination against the family for drug-related criminal activity that occurs on or off the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- Participants may be terminated if they have been arrested, convicted or whose tenancy is being terminated due to drug-related criminal activity or

whose activities have created a disturbance in the building or neighborhood.

- If the family violates the lease for drug-related criminal activity, the Housing Authority will terminate assistance.

In appropriate cases, the Housing Authority may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside and/or visit in the unit. If the violating member is a minor, the Housing Authority may consider individual circumstances with the advice of Juvenile Court officials.

15.3.4 Violent Criminal Activity **[24 CFR §982.553(a) and (b)(1) and (2)]**

Violent criminal activity includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member. Violent criminal activity also includes activity which occurs within the family, such as during domestic disputes.

- The Housing Authority may propose termination against the family for violent criminal activity that occurs on or off the premises of the assisted unit. An arrest or conviction is not required to deny or terminate assistance.
- Participants may be terminated if they have been arrested, convicted or whose tenancy is being terminated due to violent criminal activity or whose activities have created a disturbance in the building or neighborhood.
- If the family violates the lease for violent criminal activity, the Housing Authority will terminate assistance.

In appropriate cases, the Housing Authority may permit the family to continue receiving assistance provided that family members determined to have engaged in the prescribed activities will not reside and/or visit in the unit. If the violating member is a minor, the Housing Authority may consider individual circumstances with the advice of Juvenile Court officials.

15.3.5 Required Evidence **[24 CFR §982.553(c)]**

In determining whether to terminate assistance based on criminal activity, the Housing Authority may terminate assistance if the preponderance of evidence indicates that a family member has engaged in such activity, regardless of whether the family member has been arrested or convicted.

The Housing Authority may consider arrests, convictions, no contest pleas, fines, city ordinance violations or other credible preponderance of evidence in determining if a violation has occurred.

Preponderance of evidence: evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than

not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

15.3.6 Confidentiality of Criminal Records
[24 CFR §5.903(g)]

Criminal records received by the Housing Authority shall be maintained confidential, not misused, nor improperly disseminated and kept locked during non-business hours. Also, all criminal records will be destroyed no later than 30 calendar days after a final determination is made.

15.3.7 Disclosure of Criminal Records to Family
[24 CFR §5.903(f) and §982.553(d)]

The applicant or household member requesting to be added to the lease will be provided with a copy of the criminal record upon request and an opportunity to dispute the record. Applicants will be provided with the opportunity to dispute the record at an informal review. Participants may contest such records at an informal hearing.

15.4 NOTICE OF TERMINATION OF ASSISTANCE

In any instance where the Housing Authority decides to terminate assistance to the family, the Housing Authority must give the family a written notice that includes:

1. The reason(s) for the proposed termination;
2. The effective date of the proposed termination;
3. Information regarding the family's right to request an Informal Hearing to be held before termination of assistance; and
4. The date by which a request for an informal hearing must be received by the Housing Authority.

A final notice of determination and date of termination will then be sent to the participant if no hearing is requested within the allowable time or if the Informal Hearing confirms the termination.

The Housing Authority will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the termination of assistance. The notice to the owner will not include any details regarding the reason for termination of assistance.

15.5 PROCEDURES FOR NON-CITIZENS
[24 CFR §982.552(b)(4) and 24 CFR §5.514]

The Housing Authority is required to terminate assistance for participant families in which no members are U.S. citizens or eligible immigrants. If a family member does not establish citizenship or eligible immigration status as required, the Housing Authority will prorate the assistance, or if there are no eligible family

members remaining, the Housing Authority will propose program termination and provide the opportunity for an informal hearing, as explained in Chapter 16.

15.5.1 False or Incomplete Information (No Eligible Members)

Families are required to submit evidence and sign declarations of their citizenship or eligible immigration status. If the Housing Authority obtains substantive documentation (such as a permanent resident card or information from another agency) that contradicts a family member's declaration of citizenship, an investigation will be conducted and the individual given an opportunity to present relevant information.

- If the family (or any member) claimed eligible immigrant status and the INS primary and secondary verifications failed to document the status, the family may make an appeal to the INS and request a hearing with the Housing Authority either after the INS appeal or in lieu of the INS appeal.
- If the family member is unable to verify their citizenship, the Housing Authority may give the individual an opportunity to provide a new declaration as an eligible immigrant or to elect not to contend their status. The Housing Authority will then verify eligible status, and terminate, or prorate as applicable.
- Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

After the Housing Authority has made a determination of ineligibility, the family will be notified of the determination and the reasons, and informed of the option for prorated assistance (if applicable) or the proposed termination.

The Housing Authority will terminate assistance for misrepresentations or submission of false information.

15.6 \$0 ASSISTANCE TENANTS (END OF PARTICIPATION)
[24 CFR §982.455]

The Housing Authority is required to automatically terminate the HAP contract 180 calendar days after the last housing assistance payment is made to the owner. A family receiving no (\$0) assistance may remain in the unit for up to 180 calendar days after the last HAP payment. If the family is still in the unit after 180 calendar days, assistance is terminated. If within the 180-day period, an owner rent increase or a decrease in the TTP causes the family to be eligible for a housing assistance payment, the Housing Authority will resume assistance payments for the family.

In order for a family to move to another unit during the 180 calendar days, the rent for the new unit would have to be high enough to necessitate a housing assistance payment.

15.7 OPTION NOT TO TERMINATE FOR MISREPRESENTATION OF INCOME

If the family has misrepresented any facts that caused Housing Authority to overpay assistance, the Housing Authority may choose not to terminate and may offer to continue assistance provided that the family agrees to pay the Housing

Authority the amount owed and either pays the Housing Authority in full or executes a Repayment Agreement and makes payments in accordance with the agreement.

15.8 MISREPRESENTATION IN COLLUSION WITH OWNER

If the family willingly and knowingly commits fraud or is involved in any other illegal scheme with the owner, the Housing Authority will deny or terminate assistance.

**15.9 MISSED APPOINTMENTS AND DEADLINES
[24 CFR §982.551]**

It is a family obligation to supply information, documentation, and certifications as needed for the Housing Authority to complete required processes. The Housing Authority schedules appointments and sets deadlines in order to obtain the required information. Failure to supply requested information can result in termination of assistance. Examples of failing to supply requested information can include: failing to sign necessary documents, failing to return documents or returning incomplete or altered documents, failing to complete all information requested on documents, etc.

The obligations also require that the family keep all appointments and allow the Housing Authority to inspect the assisted unit. All scheduled inspections are considered “appointments.”

The family will receive information about the requirement to keep appointments, and the number of times that appointments are rescheduled as specified below. Appointments are scheduled and time requirements imposed for the following events and circumstances:

1. Eligibility for Admissions;
2. Verification Procedures;
3. Voucher Issuance and Briefings;
4. HQS Inspections;
5. Re-examinations; and
6. Appeals (Informal Hearing/Reviews).

Examples of good cause for missing appointments or failing to provide information by deadlines are medical and/or family emergencies. In such cases, the family may be requested to provide verification of such circumstances.

An applicant or participant who fails to keep appointments, or to supply information required by a deadline without notifying the Housing Authority may be sent a notice of termination of assistance for failure to comply with program regulations.

The family may be granted up to two opportunities before they receive a notice of denial or termination for breach of a family obligation. After issuance of the denial or termination notice, if the family offers to correct the breach within the time allowed to request a review or hearing, the notice may be rescinded after

the family corrects the breach, if the family does not have a history of non-compliance. For families with a history of non-compliance, the Housing Authority may elect to hold the review or hearing.

**CHAPTER 16:
INFORMAL HEARINGS AND COMPLAINTS**

16.1 INTRODUCTION

This chapter covers the Housing Authority's policy and procedures for informal reviews and informal hearings. This chapter defines the Housing Authority's responsibilities to applicants and participants.

16.2 REASONABLE ACCOMMODATION

All requests for accommodation will be verified with a reliable, knowledgeable professional so that the Housing Authority can properly accommodate the need presented by the disability.

Requests for accommodation from persons with disabilities will be granted upon verification that they are reasonable, and they meet the need presented by the disability.

Reasonable accommodation will be made for persons with disabilities that require an advocate or accessible offices. A designee will be allowed to provide information as needed, but only with the permission of the person with the disability.

**16.3 APPLICANTS – PREFERENCE DENIALS
[24 CFR §982.554]**

If the Housing Authority determines that an applicant is not eligible for a preference, the applicant will be informed of the decision in writing. Although such a determination does not render the applicant ineligible to receive assistance, the applicant's file is considered low priority.

If the applicant disagrees with the decision, the applicant must in writing request to review the decision to the Applications and Eligibility Unit Supervisor within 10 calendar days of the date of the notification. The request should also provide all information and documents supporting the applicant's request. The supervisor will review the file and determine if the decision was proper or if new information provided by the family warrants a change in the original determination. The Unit Supervisor will notify the applicant of their decision.

If the determination was properly made, the applicant's file will remain low priority until the family notifies the Housing Authority of a change in circumstance that qualifies the family for a preference.

**16.4 INFORMAL REVIEW PROCEDURES FOR APPLICANTS
[24 CFR §982.554(a)]**

Under certain circumstances, the Housing Authority offers informal reviews for applicants. Applicants are defined as families who are on the Section 8 waiting list and are awaiting the issuance of a voucher or families who have been issued a voucher but have not yet been assisted under a Housing Assistance Payment (HAP) Contract.

When the Housing Authority denies assistance to an applicant, the family is notified in writing. The notice contains:

- The reason(s) for the decision;
- The procedure for requesting an informal review if the applicant does not agree with the decision; and
- The time limit for requesting a review.

The Housing Authority must provide applicants with the opportunity for an Informal Review of Decisions denying issuance of a voucher or participation in the program.

Applicants who are denied assistance based on ineligible immigration status are entitled to an informal hearing (rather than an informal review).

16.4.1 When an Informal Review is Not Required
[24 CFR §982.554(c)]

Informal reviews are not required for established policies, procedures, and Housing Authority determinations such as:

1. Discretionary administrative determinations by the Housing Authority;
2. General policy issues or class grievances;
3. A determination of the family unit size under the Housing Authority subsidy standards;
4. Refusal to extend or suspend a certificate or voucher;
5. Disapproval of lease;
6. Determination that the unit is not in compliance with HQS; or
7. Determination that the unit is not in accordance with HQS due to family size or composition.

16.4.2 Procedure for Review
[24 CFR §982.554(b)]

A request for an informal review must be received in writing by the close of the business day, no later than 10 calendar days from the date of the Housing Authority's notification of denial of assistance. The informal review will be scheduled within 30 calendar days from the date the request is received.

The informal review will not be conducted by the person who made or approved the decision under review, nor a subordinate of such person. The review may be conducted by:

- A staff person who is not the person who made the decision or his/her subordinate, or
- An individual from outside the Housing Authority.

If the applicant fails to appear for the informal review and has not contacted the Housing Authority in advance to reschedule, the Housing Authority's proposed disposition of the grievance will become final. The Housing Authority may

reschedule the review but only if the family can show good cause for the failure to appear.

At the informal review, the applicant may present oral or written objections to the decision. Both the Housing Authority and the family may present evidence and witnesses. The family may use an attorney or other representative to assist them at their own expense.

A Notice of the Review decision will be provided in writing to the applicant within 30 calendar days after the review. It shall include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation, and a copy of the final decision will be retained in the applicant's file.

16.5 INFORMAL HEARING FOR PARTICIPANTS
[24 CFR §982.555]

16.5.1 When an Informal Hearing May Be Requested
[24 CFR §982.555(a)(1)]

A participant family must be given an opportunity for an informal hearing to consider whether certain Housing Authority decisions are in accordance with the law, HUD regulations and Housing Authority policies.

In the following cases, the Housing Authority must give the participant an opportunity for an informal hearing before the Housing Authority terminates HAP for the family under an existing HAP contract.

1. A determination of the family's annual or adjusted income, and the use of the income to compute the housing assistance payment.
2. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Housing Authority utility allowance schedule.
3. A determination of the family unit size under the Housing Authority's subsidy standards.
4. A determination that a certificate program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the Housing Authority's subsidy standards, or a Housing Authority determination to deny the family request for a waiver from the standards.
5. A determination to terminate assistance for a participant family because of the family's action or failure to act.
6. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under Housing Authority policy and HUD rules.

16.5.2 Notification
[24 CFR §982.555(c)]

- When the matter in question is:

1. The determination of the family's annual or adjusted income or computation of the housing assistance payment;
2. Appropriate utility allowance (if any) for tenant-paid utilities; or
3. Family unit size,

The Housing Authority must notify the family that they may ask for an explanation of the basis of the Housing Authority's determination. The family must also be notified that if the family does not agree with the explanation, the family may request in writing an informal hearing on the decision.

- When the matter in question is:
 1. Certificate family residing in too large a unit, or the Housing Authority's refusal to issue a waiver to subsidy standards;
 2. Termination due to the family's action or failure to act; or
 3. Absence from the assisted unit for longer than the maximum period permitted,

The Housing Authority must give the family prompt written notice that the family may request in writing an informal hearing on the decision.

- When the Housing Authority has made a decision to:
 1. Terminate HAP on behalf of a participant under an active contract;
 2. Refuse to re-issue a voucher; or
 3. Refuse to execute a new contract with a program participant,

The family must be given written notice of the opportunity for an informal hearing before the termination of Housing Assistance Payments.

- The notice must:
 - Contain a brief statement of reasons for the decision;
 - Inform the participant regarding his/her right to an informal hearing;
 - Advise the participant that a request for an informal hearing must be in writing;
 - Advise the participant that the Housing Authority must receive the request within 10 calendar days of the date of the letter; and
 - Explain the basic elements of the informal hearing, i.e., right of the participant to present evidence, question witnesses, to have representation, the Housing Authority designated impartial hearing officer a written decision.

16.5.3 Prior to Hearing **[24 CFR §982.555(e)(2)]**

Before the informal hearing, the family may request an appointment to examine any documents in the family's portion of the file that are directly relevant to the hearing. The family must be allowed to copy any such document at the family's expense. If the Housing Authority does not make the document available for

examination on request of the family, the Housing Authority may not use the document at the hearing.

The Housing Authority requires that the family submit any documents that are directly relevant to the hearing either before or at the time of the hearing. The Housing Authority must be allowed to copy any such documents at the Housing Authority's expense. If the family does not make the document available for examination on request of the Housing Authority, the family may not rely on the document at the hearing.

During the course of the hearing, if the family offers to submit evidence, the Hearing Officer is not required to, but may exercise the discretion to allow the family to submit a document within a specified period.

16.5.4 Hearing Process
[24 CFR §982.555(d)]

When a participant family has timely requested a hearing, the Housing Authority will proceed within 15 calendar days of receipt of the request to notify the participant of the date, time and location of the hearing.

- There may be one postponement of the hearing date by the participant. A request to reschedule must be requested before the scheduled date and may not extend beyond the proposed termination date. No HAP will be paid beyond the termination date due to an initial postponement of the participating family.
- Any additional postponements may only be for good cause such as, but not limited to hospitalization, illness or injury. Second postponement requests must be supported by verification of the cause. Additional HAP payments beyond the termination date due to postponements for good cause will be made on a case-by-case basis.

16.5.5 Hearing Officer
[24 CFR §982.555(e)(4)]

The Hearing Officer may be either a Housing Authority employee or an outside third party contracted by the Housing Authority. The Hearing Officer must not have made or approved the decision under review nor be a subordinate of the person who made the decision. The Hearing Officer will audio record the hearing and follow the format set forth below.

16.5.6 Opening

The Hearing Officer will convene the informal hearing with both parties and their representatives present. (If the participant is represented, the participant will have provided the Housing Authority written authorization for the representative to do so.)

The Hearing Officer will explain the informal hearing procedures, state the purpose of the hearing, and inform the participant that the hearing will be recorded. The Hearing Officer may request clarification or ask questions of either side or witnesses at anytime during the Informal Hearing. Each person present will introduce himself or herself.

16.5.7 Presentations

Each side will have an opportunity to present its case and be allowed to present witnesses and submit relevant evidence as determined by the Informal Hearing Officer. (Witnesses may be cross-examined at this time.) The Housing Authority begins the hearing by presenting the Notice of Hearing. The Housing Authority will then present a copy of the original notification to the participant regarding the matter, followed by the evidence, including testimony of witnesses, which supports the allegations in the notification.

16.5.8 Rebuttals

Each side will have an opportunity to present rebuttal to the evidence presented.

16.5.9 Final Summary

Each side is then allowed to summarize its arguments.

16.5.10 Conclusion of Hearing

The Hearing Officer may continue a hearing if additional information from either party is requested. Otherwise, the Hearing Officer will advise each side that the testimony and evidence will be reviewed, a final decision made and a determination letter issued stating the decision and the reasons for the decision within 10 calendar days. The decision of the Hearing Officer is final.

The Hearing Officer will use the following principles for the Informal Hearings and decisions:

1. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
2. Determinations on the matter being reviewed shall be based on the evidence presented at the hearing.
3. If the issues and differences can properly be resolved at the hearing, the Hearing Officer should attempt to resolve them through mutual consent as long as the resolution is not contrary to applicable law, HUD regulations and/or Housing Authority's policies.
4. The purpose of the hearing is to determine if the original decision made in the case is in accordance with the law, HUD regulations and Housing Authority policies.
5. The Hearing Officer may not make a finding contrary to HUD regulations or requirements, contrary to federal, state or local law or exceeding the authority of the Hearing Officer.

16.6 WHEN AN INFORMAL HEARING IS NOT REQUIRED
[24 CFR §982.555(b)]

The Housing Authority is not required to provide a participant family an opportunity for an informal hearing for the following:

1. To review discretionary administrative determinations by the Housing Authority, or to consider general policy issues or class grievances;
2. To review the Housing Authority's determination that a unit does not comply with HQS, **except** when the breach of HQS was determined to be tenant-caused;
3. To review decision by the Housing Authority to exercise or not exercise any remedy against the owner under an outstanding Contract, including the termination of HAP to the owner;
4. To review the Housing Authority's decision not to approve a family's request for an extension or suspension of the term of the voucher;
5. Determination that the unit is not accordance with HQS due to family size;
6. Establishment of the Housing Authority's schedule of utility allowances for families in the program; or
7. A Housing Authority determination not to approve a unit or lease.

**CHAPTER 17:
OWNER OR FAMILY DEBTS TO HOUSING AUTHORITY**

17.1 INTRODUCTION
[24 CFR §982.163 AND §792]

This chapter describes the Housing Authority's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family or owner, the file must contain documentation to support the Housing Authority's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner or the family, as appropriate.

When families or owners owe money to the Housing Authority, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

- Requests for lump sum payments
- Repayment agreements
- Abatements
- Deductions
- Collection agencies
- Credit bureaus
- Civil suits

17.2 REPAYMENT AGREEMENTS FOR FAMILIES
[24 CFR §792.103]

A Repayment Agreement as used in this plan is a document entered into between the Housing Authority and the person who owes a debt to the Housing Authority. The Repayment Agreement contains an acknowledgment by the person of the debt in a specific amount, the terms of repayment, any special provisions of the agreement, and the remedies available to the Housing Authority upon default of the agreement.

If a repayment agreement is to be entered into, the Housing Authority will usually require that the family pay an initial lump sum (in an amount determined by the Housing Authority) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2,400 or 24 months for any amount in excess of \$2,400.

In determining the initial lump sum, the Housing Authority will consider the total amount owed, the ability of the person to make the remaining payments and the percentage of the total sum owed. In most cases, the Housing Authority will require a significant initial lump sum as part of entering into a Repayment Agreement to help ensure full payment to the Housing Authority and to reduce the monthly payment.

17.2.1 Late Payments

A payment will be considered to be in arrears if the payment has not been received by the close of the business day on which the payment was due.

- If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the Housing Authority may do one or more of the following:

- Require the family to pay the entire arrearage plus current month's payment in order avoid loss of assistance;
- Require the family to pay the balance in full in order to avoid losing assistance;
- Pursue civil collection of the balance due; or
- Terminate the housing assistance.

17.2.2 Requests To Move

If the family requests a move to another unit and has a repayment agreement in place and the repayment agreement is not in arrears, the family will be required to pay the balance in full prior to the issuance of a voucher.

If the family requests a move to another unit and is in arrears on a repayment agreement unless, they pay the balance in full, the request will be denied.

Under special circumstances, the Housing Authority may make an exception and allow a family to move without paying the entire balance of the debt if the family is current with its payments. The Housing Authority may also allow a family who is in arrears to become current in order to process a move if the move is for one of the following reasons:

- HAP contract is terminated due to owner non-compliance
- A natural disaster
- The unit is uninhabitable or has major HQS deficiencies that are not the result of a family action or inaction.
- A life-threatening situation such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

The Housing Authority may not agree to a repayment agreement if the family already has a Repayment Agreement in place, or if the family has breached previous Repayment Agreements.

17.2.3 Guidelines for Repayment Agreements

The Housing Authority, at its sole discretion, will determine on a case-by-case basis whether or not to offer a family a repayment agreement for monies owed to the Housing Authority.

Repayment Agreements will be executed between the Housing Authority and the head of household or other adult family member.

Monthly payments may be decreased in cases of hardship with the prior notice of the family, verification of hardship, and the approval of a Housing Authority Housing Supervisor.

Additional Debt Incurred: If the family has a Repayment Agreement in place and incurs an additional debt to the Housing Authority:

- The Housing Authority may choose, at its discretion, to agree to more than one Repayment Agreement at a time with the same family.
- If a Repayment Agreement is in arrears more than 30 calendar days, any new debts must be paid in full.

17.3 FAMILY DEBTS OWED FOR CLAIMS

If a family owes money to the Housing Authority for claims paid to an owner:

- The Housing Authority may require the family to repay the amount in full.
- The Housing Authority may agree to a Repayment Agreement.

17.4 FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION **[24 CFR §792.103]**

HUD's Definition of Program Fraud and Abuse: A single act or pattern of actions that constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Housing Choice Voucher Program funds in violation of Housing Choice Voucher Program requirements.

17.4.1 Family Error/Late Reporting

Families who owe money to the Housing Authority due to the family's failure to report increases in income or change in allowances or deductions will be required to repay in accordance with the guidelines set forth in 17.2 (Repayment Agreements for Families) of this chapter.

17.4.2 Program Fraud

At the Housing Authority's discretion, families who owe money to the Housing Authority due to program fraud may be required to repay in accordance with the guidelines set forth in Section 17.2 (Repayment Agreements for Families) of this chapter.

In addition, the case may be referred to the Inspector General and/or the Housing Authority may refer the case for criminal prosecution.

17.5 FAMILY DEBTS PAID IN FULL

If the Housing Authority determines not to enter into a Repayment Agreement, or if the Repayment Agreement is breached and the Housing Authority demands payment of the balance in full, the family must pay the full amount due and owing

in one lump sum. If the family fails to pay, the Housing Authority may pursue collection through a collection agency or a civil action and may notify credit agencies of the debt. Whether or not the amount is paid, the Housing Authority does not waive its right to take other action including termination of assistance or referral for criminal prosecution in appropriate cases.

17.6 OWNER DEBTS TO HOUSING AUTHORITY

If the Housing Authority determines that the owner has retained Housing Assistance or Claim Payments the owner is not entitled to, the Housing Authority may deduct the amounts owed from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, Housing Authority may do one or more of the following:

- Require the owner to pay the amount in full within 30 calendar days;
- Agree to a repayment agreement with the owner for the amount owed. Repayment period may not exceed 12 months;
- Pursue collections through the local court system;
- Pursue collections through a collection agency; or
- Restrict the owner from future participation.

17.6.1 Owner Debts Due to Fraud

If the landlord has been overpaid because of fraud, misrepresentation or violation of the contract, the Housing Authority may terminate the contract and arrange for restitution to the Housing Authority and/or family as appropriate.

The Housing Authority will make every effort to recover any overpayments made as a result of landlord fraud or abuse. Possible remedies available to the Housing Authority include: recovering monies owed from payments otherwise due to the owner, setting up a repayment agreement, referring the debt to a collection agency, or pursuing the matter in a civil court. A determination on the course of action to be taken will be based on the nature of the violation and the amount of the money owed. Generally, if the owner is cooperative, is willing to pay back all monies owed, and all monies will be repaid within 12 months, the Housing Authority will offer the owner a chance to enter into a Repayment Agreement. However, in cases where the owner knowingly and willfully violated program rules, the Housing Authority may seek full repayment in one lump sum.

17.7 WRITING OFF DEBTS

Debts may be written off if:

- The debtor's whereabouts are unknown and the debt is more than 3 years old.
- A determination is made that the debtor is judgment proof.
- The debtor is deceased and has an insufficient estate.

- The debtor is confined to an institution indefinitely or for more than 3 years.
- The amount is less than \$100 and the debtor cannot be located.

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Housing Authority of the City of Lomita (herein referred to as HA) is responsible for public housing located in the City of Lomita. Through our efforts to provide and maintain housing that is decent, safe, and sanitary, the HA strives for a high standard of property management. In addition, the HA believes that residents of public housing deserve a living environment that promotes individual achievement and empowers families.

The administration of the public housing program and the functions and responsibilities of the HA shall be in compliance with the Annual Contributions Contract (ACC), and this Admissions and Continued Occupancy Policy (herein referred as ACOP). The administration of the HA's housing program will also meet the requirements set forth by the U.S. Department of Housing and Urban Development (HUD). Such requirements include any Public Housing Regulations, Handbooks, and applicable Notices. All applicable Federal, State and local laws, including Fair Housing Laws and regulations also apply. Changes in applicable federal laws or regulations shall supersede provisions in conflict with this policy. Federal regulations shall include those found in Volume 24 Code of Federal Regulations (CFR), Parts V, VII and IX.

A. LOCAL OBJECTIVES

The ACOP demonstrates that the HA manages its program in a manner that reflects its commitment to improving the quality of housing available to the public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, the ACOP is designed to achieve the following objectives:

To provide improved living conditions for very-low and low-income families while maintaining their rent payments at an affordable level.

To operate a public housing authority that provides decent, safe, and sanitary housing within a suitable living environment for residents and their families.

To provide opportunities for upward mobility for families who desire to achieve self-sufficiency.

B. PURPOSE OF THE POLICY

The purpose of the ACOP is to establish guidelines for the HA staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements set forth by HUD with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and the HA.

The HA Board of Commissioners must approve the original policy and any changes. Required portions of the ACOP will be provided to HUD.

C. FAIR HOUSING POLICY

It is the policy of the HA to comply fully with all Federal, State, and local nondiscrimination laws and with rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. The HA will comply with all laws relating to Civil Rights, including:

Title VI of the Civil Rights Act of 1964

Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)

Executive Order 11063

Section 504 of the Rehabilitation Act of 1973

The Age Discrimination Act of 1975

Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)

Any applicable State laws or local ordinances and any legislation protecting individual rights of residents, applicants or staff that may subsequently be enacted.

The HA shall not discriminate on the basis of race, color, sex, religion, familial status, disability, national origin, marital status, in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any development or developments under the HA's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof.

Posters and housing information are displayed in locations throughout the HA's office in such a manner as to be easily readable from a wheelchair.

The HA's facilities are accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDD telephone service provider.

The HA shall not, on account of race, color, sex, religion, familial status, disability, national origin, marital status:

Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to lease housing suitable to its needs;

Provide housing that is different from that provided to others;

Subject a person to segregation or disparate treatment;

Restrict a person's access to any benefit enjoyed by others in connection with the housing program;

Treat a person differently in determining eligibility or other requirements for admission; or

Deny a person access to the same level of services.

The HA shall not automatically deny admission to a particular group or category of otherwise qualified applicants (e.g., families with children born to unmarried parents, elderly families with pets).

Service and Accommodations Policy

The HA's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific accommodations will be made known by including notices on HA forms and letters to all families, and all requests will be verified so that the HA can properly accommodate the need presented by the disability.

This policy is applicable to all situations described in the ACOP when a family initiates contact with the HA, when the HA initiates contact with a family including when a family applies, and when the HA schedules or reschedules appointments of any kind.

Federal Americans with Disabilities Act of 1990

With respect to an individual, the term "disability," as defined by the 1990 Act means:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such impairment.

Undue Hardship

Requests for reasonable accommodation from persons with disabilities will be granted upon verification that they meet the need presented by the disability and they do not create an "undue financial and administrative burden" for the HA, meaning an action requiring "significant difficulty or expense."

In determining whether accommodation would create an undue hardship, the following guidelines will apply:

The nature and cost of the accommodation needed;

The overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation; and

The number of persons employed at such facility, the number of families likely to need such accommodation, the effect on expenses and resources, or the likely impact on the operation of the facility as a result of the accommodation.

Posting of Required Information

The HA will maintain a bulletin board in a conspicuous area of the management offices which will contain:

Current schedule of routine maintenance charges

A Fair Housing Poster

An Equal Opportunity in Employment poster

Current Resident Notices

Required public notices

Utility Allowance Survey Results

Reasonable Accommodations

A person who has a disability, under HUD regulations, as defined in 42 U.S.C. 423, has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration, substantially impedes the ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.

A resident with a disability as defined above, may ask for:

A modification to our rules or policies;

A change in the way we communicate with you or give you information;

An alteration or change in your unit;

An accessible unit; or

An alteration or change to some other part of a HA owned property.

Verification of a Request for a Reasonable Accommodation

A request for an accommodation can be made at any time.

Any resident that requests an accommodation will be given a packet that contains the following:

- Form 1: Notice of the Right to Reasonable Accommodation
- Form 2: Request for a Reasonable Accommodation
- Form 3: Verification of Need for Reasonable Accommodation

All requests for an accommodation must be in writing. A resident may request an accommodation for this requirement.

All residents that request a reasonable accommodation must submit Forms 2 and 3 to the management office.

The management office has a Reasonable Accommodation binder that includes the Reasonable Accommodation Log and all supporting documentation.

The housing development management staff will forward the reasonable accommodation request to the ADA compliance officer at the HA's administrative office for processing.

The ADA compliance officer will evaluate the request and forward a recommendation to the Area Manager.

The Area Manager will send a decision to the resident on the Reasonable Accommodation Request form within 60 working days of receiving the request.

The Reasonable Accommodation Request form will include an approval or a denial of the request. If denied, the form will include reasons for denial and possible alternative accommodations.

Copies of the Decision on Reasonable Accommodation Request will be sent to the housing development site to be placed in the Reasonable Accommodation binder.

D. VIOLENCE AGAINST WOMEN ACT

The HA's policy is to comply with the 2005 Violence Against Women Act (VAWA) Pub. L. 109-162; Stat.2960 signed into law on January 5, 2005. The HA shall not discriminate against an applicant, or public housing resident on the basis of the rights or privileges provided under the VAWA.

E. FAMILY OUTREACH

The HA will publicize and disseminate information to make known the availability of housing units and housing-related services for very low-income families on a regular basis.

The HA will communicate the status of housing availability to other service providers in the community. The PHA will advise them of housing eligibility factors and guidelines in order that they can make proper referrals for those who seek housing.

F. PRIVACY STATEMENT

Applicants and participants, including all adults in their households, are required to sign the form HUD-9886, "Authorization for Release of Information and Privacy Act Notice." This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD will release family information.

The HA's policy regarding release of information is in accordance with State and local laws which may restrict the release of family information.

Any and all information, which would lead one to determine the nature and/or severity of a person's disability, must be kept in a separate folder and marked "confidential." The personal information in this folder must not be released except on an "as needed" basis in cases where an accommodation is under consideration.

G. CONFIDENTIALITY

It is the policy of the HA to comply fully with all Federal, State, and local laws and with rules and regulations governing Confidentiality in housing. Each HA staff signs a "Confidentiality Agreement" at the commencement of their employment and participates in an annual Confidentiality training. Each HA staff agrees not to disclose any applicant/resident information, directly or indirectly, that is of a personal, private, and confidential nature, to any person or use such information in any way, either during the term of their employment or at any other time thereafter, except as follows:

To an officer, employee, or authorized representative of the HA who has a job related need to have access to the information in connection with admission of applicants, eviction of tenants, or termination of assistance;

If the tenant/applicant (or tenant's/applicant's parent/guardian, if tenant is a minor) consents in writing;

If disclosure is allowed by Court Order;

If disclosure is made to medical personnel in a medical emergency;

To the duly appointed guardian or conservator of the individual;

To a law enforcement or regulatory agency, if the use of the information requested is in an investigation of unlawful activity under the jurisdiction of the requesting agency or for Licensing, certification, or regulatory purposes by that agency;

To any person pursuant to a subpoena, court order, or other compulsory legal process if, before the disclosure, the HA reasonably attempts to notify the individual to whom the record pertains, and if the notification is not prohibited by law;

Disclosure of any information about suspected child or elder abuse and/or neglect reported to appropriate state local authorities pursuant to state law.

By signing the “Confidentiality Agreement”, the HA staff agrees that all files, records, documents and similar items relating to their employment, whomever prepared by, are and shall remain exclusively the property of the HA and that said files shall be removed from the premises only with the express prior written consent of the Executive Director or his/her designee. A violation of the “Confidentiality Agreement” may result in disciplinary action up to and including termination of employment. The unauthorized release of information may subject the HA and the HA staff to civil action under the Quality Housing and Work Responsibility Act of 1998.

Chapter 2

ELIGIBILITY AND SUITABILITY FOR ADMISSION TO PUBLIC HOUSING

[24 CFR Part 960, Subpart B]

INTRODUCTION

This chapter describes the eligibility and suitability criteria for admission to the public housing program. The policy of the HA is to apply these criteria to evaluate the qualifications of families who apply. The HA will review all information provided by the family carefully and without regard to factors other than those defined in this chapter. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation of the basis for any decision made by the HA pertaining to their eligibility and suitability.

PART I: ELIGIBILITY

A. QUALIFICATION FOR ADMISSION

In order to be deemed eligible for admission to public housing, an applicant must meet the following criteria:

Meets the definition of a family as defined by HUD and the HA

Heads a household where at least one member of the household is either a citizen or eligible non-citizen. (24 CFR Part 5, Subpart E)

Has an annual income at the time of admission that does not exceed the low-income limits for occupancy established by HUD and posted separately at the HA

Provides a Social Security number for all family members, age six or older, or will provide written certification that they legally cannot obtain Social Security numbers at this time and will notify the HA upon receipt of a Social Security number

Meets the Suitability Criteria as set forth in this chapter

Has no outstanding debts to any housing authority

The HA shall permanently deny admission to public housing units to persons convicted of manufacturing or producing methamphetamine on the premises of assisted housing.

The HA shall deny admission to sex offenders who are subject to a lifetime registration requirement under a State sex offenders registration program.

Timing for the Verification of Qualifying Factors

The HA shall not verify eligibility factors until the HA “batches” applicant files from the waiting list after determining that a sufficient number of vacancies warrant a pool of eligible applicants.

B. FAMILY COMPOSITION

Definition of Family

Elderly, disabled, and displaced families are defined by HUD in CFR 5.403.

Other families are defined by the HA as follows:

A family, other than an elderly, disabled, or displaced family, is defined by the HA as two or more persons who intend to share residency in the public housing unit, and whose income and resources are available to meet the family's needs.

The term "family" also includes, but is not limited to:

A family with or without children;

An elderly family;

A disabled family;

A displaced family;

The remaining member of a resident family;

A single person who is not elderly, displaced, or a person with disabilities, or the remaining member of a resident family;

Two or more elderly or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides;

Two or more near-elderly persons living together, or one or more near-elderly persons living with one or more live-in aides.

The temporary absence of a child from the home due to placement in foster care shall not be considered in determining family composition and family size.

Head of Household

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Spouse of Head

"Spouse" means the husband or wife of the head.

For proper application of the Noncitizens Rule, the definition of "spouse" is the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common-law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

Co-Head

An individual in the household who is equally responsible for the lease with the Head of Household. A household may have either a spouse or co-head, but not both. A co-head never qualifies as a dependent.

Live-In Attendants

A family may include a live-in aide provided that such live-in aide:

Is determined by the HA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,
Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program.

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the resident family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit, providing that doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member(s) does not overcrowd the unit.

A live-in aide may only reside in the unit with the approval of the HA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or caseworker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near-elderly (50–61) or disabled.

Verification of the need for a live-in aide must include the hours the care will be provided.

The HA has the right to disapprove a request for a live-in aide based on the “Other Eligibility Criteria” described in this chapter.

The family is responsible for the actions of the live-in aide. The live-in aide must comply with obligations of the family to maintain the unit and premises in a decent, safe and sanitary manner and not to disturb the peaceful enjoyment of the premises.

C. MANDATORY SOCIAL SECURITY NUMBERS [24 CFR 5.216]

Families are required to provide verification of Social Security Numbers for all family members age six and older prior to admission, or written certification that they legally cannot obtain Social Security numbers at this time and will notify the HA upon receipt of a Social Security number. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of Social Security Numbers is grounds for denial of admission or termination of tenancy.

If a member legally cannot obtain a Social Security Number, he/she must sign a certification stating that he/she does not have one. The certification shall:

State the individual's name, state that the individual has not been issued a Social Security Number;

State that the individual will disclose the Social Security Number to the HA, if he/she obtains one at a later date;

Be signed and dated.

D. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen, a citizen of the Freely Associated States of the Marshall Islands, the Federated States of Micronesia, and Palau, or an eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families: A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

Non-eligible members: Applicant families that include only non-eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students: As defined by HUD in the non-citizen regulations, non-citizen students are not eligible for assistance.

The HA will establish and verify eligibility no later than the date of the family's first annual reexamination.

E. DENIAL OF ADMISSION FOR PREVIOUS DEBTS TO THIS OR ANY OTHER HA

Previous outstanding debts incurred by all adult members of an applicant household to this HA or any housing authority resulting from a previous tenancy in the public housing or Section 8 program must be paid in full prior to admission.

The HA reserves the right, in the case of hardship, to approve a Payment Agreement if the debt owed to the HA occurred due to significant medical bills or utility costs due from the applicant at time the debt was recorded. Full documentation of the hardship will be required. In no case will the debt be forgiven.

F. INCOME LIMITS

Income eligibility for the public housing program is based on the total anticipated income from all sources received by any family member 18 years of age or older. Income limits are determined by HUD and subject to periodic change. The HA shall use income guidelines provided by HUD to determine program eligibility for the public housing program. These income guidelines will be posted at all times at the HA's site management offices.

PART II: SCREENING FOR SUITABILITY [24 CFR 960.204, 960.205]

A. SUITABILITY CRITERIA

All applicants will be processed in accordance with HUD's regulations (24 CFR Part 960) and sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and past behavior the ability:

To pay rent and other charges as required by the lease in a timely manner;

To care for and avoid damaging the unit and common areas;

To use facilities, appliances and equipment in a reasonable way;

To create no health or safety hazards, and to report maintenance needs in a timely manner;

Not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others;

Not to engage in criminal activity or alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal activity on or off the HA premises;

Not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed," on the premises of assisted housing;

Not to be subject to sex offender lifetime registration under a State sex offender registration program. *

To comply with necessary and reasonable rules and program requirements of HUD and the HA; and

To comply with local health and safety codes.

* This requirement includes minors from 13 to 17 years of age.

In developing its admission policies, the aim of the HA is to attain a resident body composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families and families with serious social problems. Therefore, it is the policy of the HA to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The HA will conduct a detailed interview of all applicants designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers may be subject to third party verification.

An applicant's misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition, criminal history, or rent may result in denial of admission.

Applicants must be able to demonstrate the ability and willingness to comply with the terms of the lease. Should the applicant require assistance in order to comply with the terms of the lease, the applicant must notify the HA that the assistance will be available at the time of admission. (24 CFR 8.2 Definition: Qualified Individual with Handicaps) The availability of assistance is subject to verification by the HA.

The HA's minimum age for admission as head of household is 18, so that the HA will avoid entering into leases that would not be valid or enforceable under applicable law.*

As a part of the final suitability determination, the HA will screen each applicant household to assess their suitability as renters.

The HA will complete a credit check or rental history check on all applicants.

The HA may complete a home visit at the current residence of all applicants who:

Have had landlords refuse to sign their Resident Reference Form;

Stated information on their application that is inconsistent with information on the credit and unlawful detainer report;

Do not have an established residence at the time of their suitability review (e.g., state they live "here and there with friends");

Have landlords raise suitability issues on the Resident Reference Forms;

Have a criminal history that raises suitability concerns;

Claim to have zero income (to establish how they are meeting their needs);

Were interviewed by HA staff who has found the applicant's statement or behavior to raise concerns regarding suitability.

* The HA shall make an exception for emancipated minors upon completion of verifying their legal status as such.

The HA's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

The applicant's past performance in meeting financial obligations, especially rent;

Eviction or records of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences, which may adversely affect the health, safety, or welfare of other residents or neighbors;

Any history of criminal activity on the part of any applicant family member, involving criminal acts, including drug-related criminal activity;

Any history or evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors;

Any history of initiating threats or behaving in a manner that indicates intent to assault employees or other residents;

Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents.

The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the HA. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare [24CFR 960.205(b)];

Adversely affect the physical environment or financial stability of the development [24CFR 960.205(b)];

Violate the terms and conditions of the lease [24CFR 8.3];

Require services from HA staff that would alter the fundamental nature of the HA's program [24 CFR 8.3].

B. SCREENING FOR DRUG-RELATED AND/OR CRIMINAL ACTIVITY

It is the intention of the Housing Authority to administer a policy that maintains decent, safe, and sanitary public housing. All screening procedures shall be administered fairly and in such a way as to not discriminate on the basis of race, color, nationality, religion, sex, familial status, disability or against other legally protected groups as well as not in violation of the right to privacy.

The HA will obtain criminal summary history information from State and/or local law enforcement agencies, and the FBI on all applicants over the age of eighteen for the purpose of determining resident suitability.

All applicants to the public housing program will be screened for drug-related, violent- and other criminal activity during the suitability review process. The HA defines criminal activity in the following manner:

Drug-Related Criminal Activity: the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute, or use a controlled substance (as defined in Section 102 of the Controlled Substances Act (21 U.S.C. 802)).

Violent Criminal Activity: any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property.

Any criminal activity that subjects a member of the applicant's household, which includes minors 13 to 17 years of age, to be subject to sex offender lifetime registration under a State sex offender registration program.

Other Criminal Activity: any criminal activity including, but not limited to, violent criminal activity which would adversely affect the health, safety, or right to peaceful enjoyment of the public housing premises by other residents or employees of the HA.

Denial of Admission for Drug-Related Criminal Activity:

The HA will deny admission to those applicants convicted of manufacturing or producing methamphetamine on the premises of Federally assisted housing, in accordance with HUD regulations.

Any applicant evicted from federally assisted housing by reason of drug-related criminal activity within the previous three-year period shall be denied admission, unless the evicted resident successfully completed a rehabilitation program approved by the HA and is willing to continue with counseling and support activities.

The HA will deny admission to applicants where it is determined that there is a pattern of illegal use of a controlled substance or abuse of alcohol by the applicant. The HA will consider the illegal use of a controlled substance or abuse of alcohol a "pattern" where there are three or more incidents during the previous twelve months.

In determining whether to deny admission to public housing based on a pattern of illegal use of a controlled substance or abuse of alcohol by an applicant, and/or prior eviction from federally assisted housing by reason of drug-related criminal activity, the HA may consider the following mitigating factors:

Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is willing to continue with counseling and support activities and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable);

Has otherwise been rehabilitated successfully and is willing to continue with counseling and support activities and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable); or

Is participating in a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol (as applicable).

Notwithstanding Sections a, b, and c, the HA reserves the right to deny admission to applicants who have engaged in any drug-related criminal activity within a previous three-year period. In such a determination, the HA will take into account the above-listed mitigating factors.

Denial of Admission for Violent Criminal Activity

In accordance Section 576 (C) of the Quality Housing and Work Responsibility Act of 1998, the HA will deny admission to public housing for any applicant who has engaged in violent criminal activity within the last three years.

Denial of Admission for Lifetime Sex Offender Registrants

In accordance with 24 CFR 960.204 (a)(4), the HA will deny admission to any applicant, which includes minors 13 to 17 years of age, who is subject to a sex offender lifetime registration under a State sex offender registration program.

Other Criminal Activity

The HA will consider “other criminal activity” engaged in by an applicant in determination of suitability for public housing.

Right to Informal Hearing

Applicants denied admission to public housing based on drug-related, violent or other criminal activity may dispute the information revealed in the criminal summary history information or the determination made by the HA and request an informal hearing in accordance with the HA’s grievance policy.

C. OTHER SUITABILITY FACTORS

Rent-Paying Habits

The HA will examine any HA records from a prior tenancy, and will request written references from the applicant's current landlord and may request written references from current and former landlords for up to the past three years.

Based upon these verifications, the HA will determine if the applicant was chronically late with rent payments, has been evicted for nonpayment of rent, or had other legal action initiated against him/her for debts owed. Any of these circumstances could be grounds for an ineligibility determination, depending on the amount of control the applicant had over the situation.

Screening Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable history or behavior, which, when verified, would indicate both: (1) what the reason for the unsuitable history and/or behavior is; and (2) that the reason for the unsuitable history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If unfavorable information is received about an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct. In order to be factored into the HA's screening assessment of the applicant, mitigating circumstances must be verifiable.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the HA shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The HA shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.

Examples of mitigating circumstances:

Evidence of successful rehabilitation;

Evidence of the applicant family's participation in and completion of social service or other appropriate counseling service approved by the HA;

Evidence of successful and sustained modification of previous disqualifying behavior.

Consideration of mitigating circumstances does not guarantee that the applicant will qualify for admission. The HA will consider such circumstances in light of:

The applicant's ability to substantiate through verification the claim of mitigating circumstances and his/her prospects for improved future behavior; and the applicant's overall performance with respect to all the screening requirements.

D. Qualified and Unqualified Applicants

Information which has been verified by the HA will be analyzed and a determination will be made with respect to:

The eligibility of the applicant as a family;

The eligibility of the applicant with respect to income limits for admission; and

The eligibility of the applicant with respect to citizenship or eligible immigration status.

Assistance to a family may not be delayed, denied or terminated on the basis of the family's ineligible immigration status unless and until the family completes all the verification and appeals processes to which they are entitled under both INS and HA procedures, except for a pending HA hearing.

Applicants who are determined to be unqualified for admission will be promptly notified with a Notice of Denial of Admission stating the reason for the denial. The HA shall provide applicants an opportunity for an informal hearing (see chapter titled "Complaints, Grievances, and Appeals").

The HA will make every effort to accurately estimate an approximate date of occupancy. However, the date given by the HA does not mean that applicants should expect to be housed by that date. The availability of a suitable unit to offer a family is contingent upon factors not directly controlled by the HA, such as turnover rates, and market demands as they affect bedroom sizes and development location.

E. DOCUMENTATION OF FINDINGS

An authorized representative of the HA shall document any pertinent information received relative to the following:

Criminal Activity—includes the activities listed in the definition of criminal activity in this chapter.

Pattern of Violent Behavior—includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy of neighbors.

Pattern of Drug Use—includes a determination by the HA that the applicant has exhibited a pattern of illegal use of a controlled substance which might interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

Drug-Related Criminal Activity—includes a determination by the HA that the applicant has been involved in the illegal manufacture, sale, distribution, use or possession of a controlled substance.

Pattern of Alcohol Abuse—includes a determination by the HA that the applicant's pattern of alcohol abuse might interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

Initiating Threats—or behaving in a manner indicating an intent to assault employees or other residents.

Abandonment of a Public Housing Unit without advising HA officials so that staff may secure the unit and protect its property from vandalism.

Non-Payment of Rightful Obligations—including rent and/or utilities and other charges owed to the HA or any other HA.

Falsifying an Application for Leasing—providing false information about family income and size, using an alias on the application for housing, or making any other material false statement or omission intended to mislead.

Record of Serious Disturbances of Neighbors, Destruction of Property or Other Disruptive or Dangerous Behavior—consists of patterns of behavior that endanger the life, safety, or welfare of other persons by physical violence, gross negligence or irresponsibility; that damage the equipment or premises in which the applicant resides; or that are seriously disturbing to neighbors or disrupt sound family and community life, indicating the applicant's inability to adapt to living in a multi-family setting. Includes judicial termination of tenancy in previous housing on the grounds of nuisance or objectionable conduct, or frequent loud parties that have resulted in serious disturbances of neighbors.

Grossly Unsanitary or Hazardous Housekeeping—includes the creation of a fire hazard through acts such as hoarding rags, papers, or other materials; severe damages to premises and equipment, if it is established that the family is responsible for the condition; seriously affecting neighbors by causing infestation, foul odors, depositing garbage in halls; or serious neglect of the premises. This category does not include families whose housekeeping is found to be superficially unclean or due to lack of orderliness, where such conditions do not create a problem for neighbors.

Destruction of Property from previous rentals.

Whether Applicant or Resident Is Capable of Maintaining the Responsibilities of Tenancy—In the case of applicants for admission, the person's present living arrangements and a statement obtained from applicant's physician, social worker, or other health professional will be among factors considered in making this determination. The availability of a live-in attendant will be considered in making this determination.

In the event of the receipt of unfavorable information with respect to an applicant, consideration shall be given to the time, nature, and extent of the applicant's conduct and to factors that might indicate a reasonable probability of favorable future conduct or financial prospects.

F. PROHIBITED CRITERIA FOR DENIAL OF ADMISSION

The HA shall not reject an applicant on the basis that such applicant:

- Has no income;
- Is not employed;
- Does not participate in a job-training program;
- Will not apply for various welfare or benefit programs;
- Has a child (or children);
- Has children born out of wedlock;
- Is on welfare;
- Is a student.

G. APPEALS

If information is revealed that would cause the HA to deny admission to the household and the person disputes the information, s/he shall be given an opportunity to appeal the denial according to the HA's hearing procedures outlined in the chapter regarding grievances and appeals.

Chapter 3

APPLICATIONS AND MANAGEMENT OF THE WAITING LIST

PART I: APPLICATIONS

INTRODUCTION

The policy of the HA is to ensure that all families who express an interest in public housing assistance are given an equal opportunity to apply and are treated in a fair and consistent manner. This chapter describes the policies and procedures for entering new applications on the waiting list, opening and closing the waiting list, determining essential applicant information for waiting list placement, administering preferences, and removing applicants from the waiting list.

A. ENTERING NEW APPLICANTS ON THE WAITING LIST

Applicants interested in public housing may call the HA's application phone line to submit an application for the waiting list or apply online at www.hacola.org. Upon a request from a person with a disability, the HA will make the waiting list application available in an accessible format.

B. PROCEDURES FOR INITIAL APPLICATION TO THE WAITING LIST

The purpose of the initial application is to permit the HA to preliminary assess family eligibility or ineligibility and to determine placement on the waiting list.

At the time of the application intake, whether through the application line or website, the HA will obtain the following information:

- Name and social security number of head of household;
- Address of head of household;
- Date and time of application;
- Number of household members;
- Amount and source of annual income;
- Information regarding request for reasonable accommodation or accessible unit.

The HA requires that applicants inform the HA in writing of changes in family composition and address. The HA also requires that applicants respond to requests from the HA to update information on their application, or to determine their continued interest for assistance.

Multiple families in same household

When families apply that consist of two families living together, (such as a mother and father, and a daughter with the own husband or children), if they apply as a family unit, they will be treated as a family unit.

C. NOTIFICATION OF APPLICANT STATUS

If after a review of the information gathered during the phone interview or HA website, the family is determined to be “preliminarily eligible” they will be notified in writing.

If the family is determined to be ineligible based on the information provided in the phone interview or HA website, the HA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal hearing. Persons with disabilities may request to have an advocate attend the informal hearing as an accommodation. See Chapter on “Complaints, Grievances and Appeals.”

D. OPENING AND CLOSING THE WAITING LIST

The HA, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part. The decision to close the waiting list will be based on the number of applications available for a particular size and type of unit, and the ability of the HA to house an applicant in an appropriate units within a reasonable period of time.

The HA will publicly announce the decision to close the waiting list and/or restrict intake through public notice in local newspaper publications, media entities, and social service agencies. The public notice will contain the date and time when the HA will close the waiting list. Generally, the HA will give at least ten days’ notice prior to closing the list. Furthermore, during the period when the waiting list is closed, the HA will not maintain a list of individuals who wish to be notified when the waiting list is open.

Upon request from a person with a disability, additional time will be given as an accommodation for submission of an application after the closing deadline. This accommodation is to allow persons with disabilities the opportunity to submit and application in cases when a social service organization provides inaccurate or untimely information about the closing date.

Opening of the waiting list will be announced in the same manner as closing the waiting list. This notice will be made in an accessible format if requested. It will provide potential applicants with information that includes the HA address and telephone number, how to submit an application, and information on eligibility requirements.

Unless the waiting list is closed, the HA will accept an application, even if the HA believes that the applicant is probably not eligible.

E. REMOVAL FROM THE WAITING LIST AND PURGING

Purging of the waiting list

The waiting list may be purged at least once a year by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest in the program.

Should an applicant fail to respond within ten calendar days s/he will be removed from the waiting list. If a letter is returned by the Post Office with a forwarding address, it will be re-mailed to the address indicated.

Should an applicant be removed from the waiting list for failure to respond, s/he will not be entitled to reinstatement. The applicant may be reinstated at the discretion of the HA.

Notices will be made available in an accessible format upon the request of the person with a disability. An extension to reply to the purge notification will be considered as an accommodation if requested by a person with a disability. The HA will also consider as an accommodation the reinstatement of an applicant who did not respond in the timeframe described above because of verified reason connected to a disability.

All applicants are required to contact the HA in writing to confirm their continued interest in housing assistance.

Removal from the waiting list

The HA will only remove applicants from the Lomita Manor waiting list because they have been housed, they have requested in writing that their names be removed, their applications have been cancelled or denied, or they have refused an offer of housing without good cause (24 CFR 960.206).

Applicants' names may be removed either at their request or because the HA is unable to contact them to follow up on their application. No informal hearing is required following removal of an application, although the HA will store the application file for three years.

If the reason an applicant with disabilities did not respond to the HA's attempts to contact him/her is related to the disability, the HA will, as a reasonable accommodation, reinstate the applicant in the former position on the waiting list.

Applicants who are denied (because the HA determined they were ineligible/unsuitable) are entitled to an informal hearing. Please refer to chapter 12 "Grievances and Appeals."

F. WAITING LIST PREFERENCES

A preference is not an automatic guarantee of admission to the program. Preferences are used to establish the order of placement on the waiting list. Every applicant must meet the HA's Selection Criteria as defined in this policy.

The HA's preference system will work in combination with requirements to match the characteristics of the family to the type of unit available, including units with targeted populations, and further deconcentration of poverty in public housing. When such matching is required or permitted by current law, the HA will give preference to qualified families.

Families who reach the top of the waiting list will be contacted by the HA to verify their preference and, if verified, the HA will complete a full application for occupancy. Applicants may not retain their place on the waiting list if they refuse to complete the application process.

Among applicants with equal preference status, the waiting list will be organized according to date and time of application.

Local Preferences

Local preferences will be used to select among applicants on the waiting list. A public notice with opportunity for public comment will be held before the HA adopts or changes any local preference.

The notice will be distributed following the same guidelines as those used for opening or closing the waiting list.

Mixed Population Developments

The HA has established the following local admissions preferences for mixed population developments:

First Priority: Families that live and/or work in incorporated City of Lomita, are Veterans or surviving spouses of Veterans, AND who are Elderly Families (head, spouse or sole member is 62 years of age or older) OR Disabled Families (head, spouse or sole member meets the HUD/Social Security definition of disability)-State of California Health and Safety Code 34322.2

Second Priority: Families who live and/or work in incorporated City of Lomita AND who are Elderly Families OR Disabled Families.

Third Priority: Families who do not live and/or work in unincorporated City of Lomita AND who are Veterans or spouses of Veterans, AND Elderly Families OR Disabled Families.

Fourth Priority: Families who do not live and/or work in unincorporated City of Lomita and who are Elderly Families OR Disabled Families.

G. FACTORS OTHER THAN PREFERENCES THAT AFFECT SELECTION OF APPLICANTS

Before applying its preference system, the HA will first match the characteristics of the available unit to the applicants available on the waiting lists. Factors such as unit size, accessible features, deconcentration or income mixing, income targeting, or units in housing designated for the elderly and/or disabled limit the admission of families to those characteristics that match the characteristics and features of the vacant unit available.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application.

H. INCOME TARGETING

The HA will monitor its admissions to ensure that at least 40% of families admitted to public housing in each fiscal year shall have incomes that do not exceed 30% of area median income of the HA's jurisdiction.

The HA shall, at its discretion, at least annually, exercise the “fungibility” provision of QHWRA by admitting less than 40% of “extremely low income families” to public housing in a fiscal year, to the extent that the HA has provided more than 75% of newly available Section 8 Housing Choice Vouchers to “extremely low income families.” This fungibility provision discretion by the HA is also reflected in the HA’s Section 8 Administrative Plan.

The fungibility credits will be used to drop the annual requirement below 40% of admissions to public housing for extremely low income families by the lowest of the following amounts:

The number of units equal to 10% of the number of newly available vouchers in the fiscal year; or

The number of public housing units that 1) are in public housing developments located in census tracts having a poverty rate of 30% or more, and 2) are made available for occupancy by and actually occupied in that year by, families other than extremely low-income families.

The Fungibility Floor: Regardless of the above two amounts, in a fiscal year, at least 30% of the HA’s admissions to public housing will be for extremely low-income families. The fungibility floor is the number of units that cause the HA’s overall requirement for housing extremely low-income families to drop to 30% of its newly available units.

I. UNITS DESIGNATED FOR THE ELDERLY

The HA may elect at some future time to submit an Allocation Plan as required by the 1992 Housing Act to designate specific units or sites for elderly applicants only. In accordance with the 1992 Housing Act, elderly families with a head, spouse or sole member at least 62 years of age would receive a preference for admission to such units or buildings covered by a HUD-approved Allocation Plan, except for the units which are accessible, which may be offered to persons with disabilities.

J. UNITS DESIGNATED FOR THE DISABLED

The HA may elect at some future time to submit an Allocation Plan as required by the 1992 Housing Act to designate specific units or sites for disabled applicants only. In accordance with the 1992 Housing Act, disabled families with a head, spouse or sole member who qualifies as a person with disabilities as defined in 24 CFR 945.105 will receive a preference for admission to units that are covered by a HUD-approved Allocation Plan.

K. MIXED POPULATION UNITS

A mixed population development is a public housing development, or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character).

In accordance with the 1992 Housing Act, elderly families whose head spouse or sole member is at least 62 years of age, and disabled families whose head, co-head or spouse or sole member is a person with disabilities, will receive equal preference to such units.

No limit will be established on the number of elderly or disabled families that may occupy a mixed population property. All other HA preferences will be applied.

L. GENERAL OCCUPANCY UNITS

General occupancy units are designed to house all populations of eligible families. In accordance with the HA's occupancy standards, eligible families not needing units designed with special features or units designed for special populations will be admitted to the HA's general occupancy units.

The HA will use its local preference system as stated in this chapter for admission of eligible families to its general occupancy units.

M. DECONCENTRATION OF POVERTY AND INCOME MIXING

The HA's admission policy is designed to provide for deconcentration of poverty and income-mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments.

A resident's gross annual income is used to determine income limits at admission and for income-mixing purposes.

Deconcentration and Income-Mixing Goals

The HA's deconcentration and income-mixing goal, in conjunction with the requirement to target at least 40 percent of new admissions to public housing in each fiscal year to "extremely low-income families," will be to admit higher income families to lower income developments, and lower income families to higher income developments.

Deconcentration will apply to transfer families as well as applicant families.

Development Designation Methodology

Annually, the HA will determine on an annual basis the average income of all families residing in general occupancy developments.

The HA will then determine the average income of all families residing in each general occupancy development.

The HA will then determine whether each general occupancy development falls above, within, or below the Established Income Range (EIR).

The EIR is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the HA-wide average income for general occupancy developments.

The HA will then determine whether or not developments outside the EIR are consistent with local goals and strategies in PHA Agency Plan.

The HA may explain or justify the income profile for these developments as being consistent with and furthering two sets of goals:

1. Goals of deconcentration of poverty and income mixing (bringing higher income residents into lower income developments and vice versa); and
2. Local goals and strategies contained in the PHA Annual Plan.

Deconcentration Policy

If, at annual review, there are found to be development(s) with average income above or below the EIR, and where the income profile for a general occupancy development above or below the EIR is not explained or justified in the PHA Plan, the HA shall adhere to the following policy for deconcentration of poverty and income mixing in applicable developments.

Skipping a family on the waiting list to reach another family in an effort to further the goals of the HA's deconcentration policy:

If a unit becomes available at a development below the EIR, the first eligible family on the waiting list with income above the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income above the EIR will be offered the unit. The process will continue in this order. For the available unit at the development below the EIR, if there is no family on the waiting list with income above the EIR, or no family with income above the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

If a unit becomes available at a development above the EIR, the first eligible family on the waiting list with income below the EIR will be offered the unit. If that family refuses the unit, the next eligible family on the waiting list with income below the EIR will be offered the unit. The process will continue in this order. For the available unit at the development above the EIR, if there is no family on the waiting list with income below the EIR, or no family with income below the EIR accepts the offer, then the unit will be offered to the next family regardless of income.

Skipping of families for deconcentration purposes will be applied uniformly to all families.

A family has the sole discretion whether to accept an offer of a unit made under the HA's deconcentration policy. The HA shall not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under this deconcentration policy. However, the HA shall uniformly limit the number of offers received by applicants, described in this Chapter.

The HA provides a waiting list preference to homeless families referred by the agencies listed in this Chapter. Only the homeless preference can override deconcentration and income mixing policies.

If the average incomes of all general occupancy developments are within the Established Income Range, the HA will be considered to be in compliance with the deconcentration agreement.

Nothing in the deconcentration policy relieves the HA of the obligation to meet the income targeting requirements.

HA Incentives for Higher Income Families

The HA may offer certain incentives to families with incomes above the EIR willing to move into a development with average income below the EIR.

N. PROMOTION OF INTEGRATION

Beyond the basic requirement of nondiscrimination, HA shall affirmatively further fair housing to reduce racial and national origin concentrations.

The HA shall not require any specific income or racial quotas for any development or developments.

The HA shall not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status or national origin for purposes of segregating populations.

O. VERIFICATION OF PREFERENCE QUALIFICATION

A family's placement on the waiting list is based upon whether the family qualifies for an admissions preference. When a family is selected from the waiting list during the final determination of eligibility, the HA shall verify the preference.

If the preference verification indicates that the family does not qualify for an admissions preference, the family will be returned to the waiting list and ranked without regard for a local preference and given an opportunity for a review.

Change in Circumstances

Changes in applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify the HA in writing when their circumstances change. When an applicant claims an additional preference, s/he will be placed on the waiting list in the proper order of their newly-claimed preference.

P. PREFERENCE DENIAL

If the HA denies a preference, the HA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal meeting. The applicant will have ten calendar days to request the meeting in writing. If the preference denial is upheld as a result of the meeting, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against by the HA.

Q. COMPLETION OF A FULL APPLICATION

The HA utilizes the full application form to obtain information related to applicant's eligibility, preferences, and tenant history. Applicants who fail to complete the full application will be cancelled from the jurisdiction-wide waiting list.

Reasonable accommodation(s) will be made for persons with a disability that may include: providing materials in formats requested by applicants, allowing applicants to be represented by a family member, advocate, or case worker designated by the applicant, completing paperwork at a site other than the HA administrative office for applicants who cannot come to the office for a reason connected to their disability, granting extended time for responses to persons who cannot respond within the established timeframes because of a disability and reinstating applicants who do not respond within established timeframes due to a verified reason connected to a disability.

Preferences are based on an applicant's current status and shall be verified during the eligibility review, regardless of the length of time an applicant may have been on the waiting list. The preference must exist at the time the HA initiates verification of applicant information. The HA shall conduct Third Party Verification (TPV) of eligibility and preference at the time the HA initiates the eligibility review.

R. PROCESSING FULL APPLICATIONS

The HA will conduct TPV for the following items to determine qualification for admission to the HA's public housing program:

- Preference(s)
- Family composition and type (elderly/non-elderly)
- Annual income
- Assets and Asset Income
- Deductions from Annual Income
- Social Security Numbers for all family members
- Information used in applicant screening
- Citizenship or eligible immigration status
- Criminal history
- Rental history
- School enrollment (for all household members attending school)

If the HA determines that additional information or document(s) are needed, the HA will request the document(s) or information in writing. The applicant will be given ten calendar days to supply the information. Should this information not be supplied within the timeframe, the HA will provide the applicant a notification of cancellation for assistance.

S. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the HA will make a final determination of eligibility based upon information provided by the family, the verification conducted by the HA, and determination of resident suitability (refer to chapter on Eligibility for Admission).

As the rules and regulations governing the housing program are subject to change by HUD and/or applicants may have experienced a change in circumstance(s) during the review process that may affect their eligibility, it is necessary to make final eligibility determination.

The applicant is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and have been placed on the waiting list.

T. PLAN FOR UNIT OFFERS

The HA plan for selection of applicants and assignment of dwelling units will assure equal opportunity and non-discrimination on grounds of race, color, sex, religion, or national origin. The HA plan for selection is based on how many available units of suitable size and type are available.

If there is a unit vacancy of the suitable size and type, the applicant will be offered a unit at Lomita

Manor. If the offer is rejected due to good cause, the applicant will be offered a second unit of the suitable size and type. If that unit is rejected due to good cause, a final offer will be made.

When an applicant rejects the final unit offer the HA will remove the applicants name from the waiting list. Removal from the waiting list means the applicant must reapply.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The HA will maintain a record of units offered, including date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

U. CHANGES PRIOR TO UNIT OFFER

Changes that occur during the period between removal from the waiting list and an offer of a suitable unit may affect the family's eligibility or Total Resident Payment. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an informal hearing when applicable. (See chapter on Complaints, Grievances, and Appeals.)

V. OFFER OF ACCESSIBLE UNITS

The HA has units designed for persons with mobility, sight and hearing impairments, referred to as accessible units.

No non-mobility impaired families will be offered these units until all eligible mobility-impaired applicants have been considered.

Before offering a vacant accessible unit to a non-disabled applicant, the HA will offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the HA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible/adaptable unit to a non-disabled applicant, the HA will require the applicant to sign a certified statement agreeing that the applicant will relocate within 30 days to the first available vacant unit of appropriate size, at the same or comparable housing development site, should the modified unit be required for an eligible disabled family. This requirement will be a provision of the lease agreement.

W. TIME LIMIT FOR ACCEPTANCE OF UNIT

Applicants must accept a unit offer within three calendar days of the date the offer is made. Offers made over the telephone will be confirmed in writing by the HA. If the HA is unable to contact an applicant by telephone, the HA will write to the applicant to inform him/her of the unit offer.

X. APPLICANT STATUS AFTER FINAL UNIT OFFER

When an applicant rejects the final unit offer, the HA will remove the applicants name from the

waiting list.

Y. REQUIREMENT TO ATTEND INTERVIEW

The HA utilizes the interview session to discuss the family's circumstances in greater detail, to clarify information which has been provided by the family, and to ensure such information is complete. Families are also given information on HA services or programs that may be available.

All adult family members must attend the interview. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

It is the applicant's responsibility to reschedule the interview if s/he misses the appointment. If the applicant does not reschedule or misses three scheduled meeting(s), the HA will not provide housing.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with permission of the person with a disability.

At the time of the interview, all adult members will be required to sign the House Rules, Lease Agreement and other documents required by the HA. Failure to sign any required documents will be cause for denial of housing.

If the HA determines at or after the interview that additional information or document(s) are needed, the HA will request the document(s) or information in writing. The family will be given ten calendar days to supply the information.

If the information is not supplied in this time period, the HA will provide the family a notification of denial for assistance. (See Chapter on Complaints, Grievances and Appeals.)

Z. APPLICANTS UNABLE TO TAKE OCCUPANCY

If an applicant is willing to accept the unit offered, but is unable to take occupancy at the time of the offer for "good cause," the applicant will not be removed from the waiting list.

Examples of "good cause" reasons for the refusal to take occupancy of a housing unit include, but are not limited to:

Unit is not of the proper size and type, and the applicant would be able to reside there only temporarily;

Unit contains lead-based paint, and accepting the offer could result in subjecting the applicant's children under seven (7) years of age to lead-based paint poisoning;

An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing; [24 CFR 945.303(d)];

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member;

The unit is inappropriate for the applicant's disabilities.

Chapter 4

DWELLING UNIT OCCUPANCY STANDARDS

INTRODUCTION

This Chapter states the HA Occupancy Standards used to determine the appropriate type development and unit size for families, based on the following guidelines.

A. DETERMINING UNIT SIZE

GUIDELINES FOR DETERMINING BEDROOM SIZE

Bedroom Size	Persons in Household: Minimum #	Persons in Household: Maximum #
0 Bedroom	1	1
1 Bedroom	1	2
2 Bedrooms	2	4

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

Generally the HA will assign one bedroom to two people within the following guidelines:

A minimum of one person per bedroom.

Adults of different generations, persons of the opposite sex (other than spouses and significant others), and unrelated adults will not be required to share a bedroom.

Foster children will be included in determining unit size.

Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Space may be provided for a child who is away at school but who lives with the family during school recesses.

The living room may be used as a bedroom at the request of the family and the approval of the HA.

The HA may offer a family a unit that is larger than required by HA's occupancy standards.

All members of the family residing in the unit must be approved by the HA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the HA within ten calendar days.

B. EXCEPTIONS TO OCCUPANCY STANDARDS

Person with Disability

The HA will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified [* and meets requirements in the "Service and Accommodations Policy" section of Chapter 1].

Accessible units will be offered to non-mobility impaired applicants only with the understanding that such applicants must accept a transfer to a non-accessible unit at a later date if a person with a mobility impairment requiring the unit applies for housing and is determined eligible.

Other Circumstances

Circumstances may dictate a larger size than the occupancy standards permit when:

Persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. Verification from a doctor must accompany requests for a larger bedroom to accommodate medical equipment.

Requests based on health related reasons must be verified by a doctor.

The HA will grant exceptions from the guidelines in cases where it is the family's request or the HA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply.

Applicants may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until they have been admitted and have occupied the unit for 18 months.

The family may request to be placed on a larger bedroom size waiting list than indicated by the HA's occupancy guidelines. The request must explain the need or justification for a larger bedroom size, and must be verified by the HA before the family is placed on the larger bedroom size list.

In all cases, where the family requests an exception to the general occupancy standards, the HA will evaluate the relationship and ages of all family members and the overall size of the unit.

C. OCCUPANCY STANDARDS ARE APPLICABLE TO TRANSFERS

When a change in the circumstances of a resident family requires another unit size, if the unit is not available at the time it is requested, the family will be placed on the Transfer List.

The unit considerations in this section should be used as a guide to determine whether and when the bedroom size should be changed. If an unusual situation occurs, which is not currently covered in this policy, the case should be taken to the manager who will make determination after review of the situation, the individual circumstances, and the verification provided.

D. OCCUPANCY BY POLICE OFFICERS

In order to provide an increased sense of security for public housing residents the HA may allow public housing units to be occupied by police officers.

Police officers will not be required to be income eligible to qualify for admission to the HA's public housing program.

Chapter 5

DETERMINATION OF TOTAL TENANT PAYMENT AND FAMILY CHOICE IN RENTS [24 CFR 5.609, 5.611, 5.613, 5.615]

PART I: DETERMINATION OF TOTAL TENANT PAYMENT (TTP)

INTRODUCTION

The accurate calculation of Annual Income and Adjusted Income ensures that families are not paying more or less money for rent than their obligation under the regulations.

This chapter defines the allowable deductions from gross Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. However, the QHWRA now gives HAs broader flexibility to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. MINIMUM RENT

The minimum rent for the HA is \$50. The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

The Total Tenant Payment is the greater of:

30% of the adjusted monthly income

10% of the monthly gross income

The minimum rent as established by the HA

HA Procedures for Notification to Families of Hardship Exceptions

The HA will notify those participant families subject to a minimum rent of their right to request a minimum rent hardship exception under the law.

The HA will notify all families at the annual recertification appointment of their right to request a minimum rent hardship exception.

The HA notification will advise the family that hardship exception determinations are subject to HA grievance procedures.

The HA will review all resident requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent exception are required to be in writing.

Requests for minimum rent exception must state the family circumstances that qualify the family for an exception.

Exceptions to Minimum Rent

The HA will immediately grant the minimum rent exception to all families who request it.

The minimum rent will be suspended until the HA determines whether the hardship is:

Covered by statute

Temporary or long-term

If the HA determines that the minimum rent is not covered by statute, the HA will impose a minimum rent including payment for minimum rent from the time of suspension.

HUD Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall into one of the following criteria:

The family has lost eligibility (for reasons other than failure to comply with program requirements and/or committing program fraud) or is awaiting an eligibility determination for Federal, State, or local assistance.

The family would be evicted as a result of the imposition of the minimum rent requirement.

The income of the family has decreased because of changed circumstances, including:

Loss of employment as defined whereby an individual is out of work due to no fault of their own;

Death of the Resident or other member of the Resident's household;

Other circumstances as determined by the HA or HUD

Temporary Hardship

If the HA determines that the hardship is temporary, a minimum rent will be imposed, including back payment from time of suspension, but the family will not be evicted for nonpayment of rent during the 90 day period commencing on the date of the family's request for exemption.

The HA defines temporary as less than 90 days.

Repayment Agreements for Temporary Hardship

The HA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period.

If the family owes the HA money for rent arrears incurred during the minimum rent period, the HA will require that the family pay an initial lump sum (in an amount determined by the HA) with the remaining balance to be paid equal payments over a period of time not to exceed 12 months under

\$2400 or 24 months for any amount in excess of \$2400.

Minimum rent arrears that are less than \$50 will be required to be paid in full the first month following the end of the minimum rent period.

The HA's policies regarding repayment agreements are further discussed in the chapter entitled "Family Debts to the HA."

B. INCOME AND ALLOWANCES

The HA shall define income and allowances as the following:

"Income": The types of money that are to be used as income for the purposes of calculating the TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented. (See Income Inclusions and Income Exclusions in the Glossary of Terms of this policy.)

"Annual income" is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. "Gross income" is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits. (24 CFR 5.607)

"Adjusted income" is defined as the annual income minus any HUD allowable deductions.

Allowable Deductions

HUD has five allowable deductions from Annual Income:

1. Dependent allowance: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled.
2. "Elderly" allowance: \$400 per household for families whose head or spouse is 62 or over or disabled.
3. Allowable medical expenses for all family members are deducted for elderly and disabled families.
4. Childcare expenses for children under 13 are deducted when child-care is necessary to allow an adult member to work or attend school (including vocational training). This amount cannot exceed the income a family receives from working. It also cannot exceed the market rate for a day care provider in the area.
5. Expenses for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work.

C. MEDICARE PRESCRIPTION DRUG PLAN- PART D PROGRAM (PIH 2005-37)

1. In calculating annual income for a family, the low-income subsidy received to assist low-income persons in paying for their Medicare prescription drug plan costs will be excluded as annual income for the purpose of calculating rent.

2. The Housing Authority will include as a medical expense for the medical expenses deduction, the out-of-pocket expenses incurred for prescription drugs and premiums.

A family does not have to report they have enrolled in a Medicare prescription drug plan until the time of their next recertification.

D. DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS

The rent for qualified families may not be increased as a result of the increased income due to such employment during the 12-month period beginning on the date on which the employment begins. Only family members 18 years of age or older can qualify for the earned income disallowance.

A family qualified for the earned income exclusion is a family that occupies a dwelling unit in a public housing development, is paying income-based rent, in good standing with the HA; and

1. Whose income increases as a result of employment of a member of the family who was previously unemployed for one or more years previous to employment;

The HUD definition of “previously unemployed” includes a person who has earned in the previous 12 months no more than the equivalent earnings for working 10 hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the State or locality.

2. Whose earned income increases as a result of increased earnings by a family member during participation in any family self-sufficiency or other job training program; or

The HUD definition of economic self-sufficiency program is: any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Amounts to be excluded are any earned income increases of a family member during the self-sufficiency or job training program and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment. The amount of TANF received in the six-month period includes monthly income and such benefits and services as one-time payments, wage subsidies and transportation assistance.

3. Who is or was, within six months, assisted under any State program for TANF and whose earned income increases, if the amount received under TANF was at least \$500 for the six-month period.

The amount that is subject to the disallowance is the amount of incremental increase in income. The incremental increase in income is calculated by comparing the amount of the family member’s income before the beginning of qualifying employment to the amount of such income after the beginning of employment.

Initial Twelve-Month Exclusion:

During the cumulative 12-month period beginning on the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the HA will exclude from annual income any increase in income of the family member as a result of employment over the prior income of that family member.

Second Twelve-Month Exclusion:

Upon the expiration of the 12-month period referred to above, the rent payable by a family may be increased due to the continued employment of the family member above, except that during the 12-month period beginning upon such expiration the amount of the increase may not be greater than 50 percent of the amount of the total rent increase that would be applicable except for this exclusion.

Maximum Four-Year Disallowance:

The earned income disallowance is limited to a lifetime 48-month period for each family member. For each family member, the disallowance only applies for a maximum of 12 months total exclusion of incremental increase, and a maximum of 12-month phase in exclusion during the 48-month period starting from the date of the initial exclusion.

If the period of increased income does not last for 12 consecutive months, the disallowance period may be resumed at any time within the 48-month period, and continued until the disallowance has been applied for a total of 12 months of each disallowance (the initial 12-month total exclusion and the second 12-month Housing phase in exclusion).

No earned income disallowance will be applied after the 48-month period following the initial date the exclusion was applied.

Tracking the Earned Income Exclusion

The earned income exclusion will be reported on the HUD 50058 form. Documentation will be included in the family's file to show the reason for the reduced increase in rent.

Such documentation will include:

Date the increase in earned income was reported by the family

Name of the family member whose earned income increased

Reason (new employment, participation in job training program, within 6 months after receiving TANF) for the increase in earned income

Amount of the increase in earned income (amount to be excluded)

Date the increase in income is first excluded from annual income

Date(s) earned income ended and resumed during the initial cumulative 12-month period of exclusion (if any)

Date the family member has received a total of 12 months of the initial exclusion

Date the 12-month Housing phase in period began

Date(s) earned income ended and resumed during the second cumulative 12-month period phase in exclusion

Date the family member has received a total of 12 months of the phase in exclusion

Ending date of the maximum 48-month (four year) disallowance period (48 months from the date of the initial earned income disallowance)

The HA will maintain a tracking system to ensure correct application of the earned income disallowance.

Family's Responsibility to Report Changes

Changes in Family Composition

The HA's policy is not to raise rent between annual recertifications, except in the case of a change in family composition. Residents must report all changes in the household composition.

Changes in Income

The HA's policy is not to raise rent between annual recertifications, except in the case of a change in family composition and/ or source of income and/or an increase of \$200/month or more. If the HA determines that the family is a qualified family for Earned Income Disallowance, the 12-month exclusion will begin on the first day of the month after the family becomes eligible. At annual recertification, the remainder of the 12-month full exclusion will be applied. After the 12-month full exclusion ends, the 12-month phase-in exclusion will begin. The family will be required to report any change in income or family composition during this period (while full or housing phase in exclusion is applied).

Inapplicability to Admission

The earned income disallowance is only applied to determine the annual income of families residing in public housing, and is not used in determining the annual income of applicants for purposes of eligibility or income targeting for admission.

E. TRAINING PROGRAMS FUNDED BY HUD

All training income from a HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded.

Upon employment with the HA, the full amount of employment income received by the person is counted. There is no 18-month exclusion of income for wages funded under the 1937 Housing Act Programs, which includes public housing and Section 8.

F. AVERAGING INCOME

Income from the previous year may be analyzed to determine the amount to anticipate when third party or check-stub verification is not available.

When Annual Income cannot be anticipated for a full twelve months, the HA will average known sources of income that vary to compute an annual income.

If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year, will be used.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month.

The method used depends on the regularity, source and type of income.

G. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the HA will calculate the Total Tenant Payment by excluding the income of the person permanently confined to the nursing home and not giving the family deductions for medical expenses of the confined family member.

H. REGULAR CONTRIBUTIONS AND GIFTS [24 CFR 5.609(a)(7)]

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the Total Tenant Payment.

Any contribution or gift received on a regular basis regardless of frequency will be considered a “regular” contribution or gift. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. This information will be requested from the family and will be averaged over a twelve-month period and included in the calculation of Total Tenant Payment. It does not include casual contributions or sporadic gifts. (See chapter on “Verification Procedures,” for further definition.)

I. ALIMONY AND CHILD SUPPORT [24 CFR 5.609(a)(7)]

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the HA must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

The HA will accept as verification that the family is receiving an amount less than the award if:

The HA receives verification from the agency responsible for enforcement or collection.

It is the family’s responsibility to supply a copy of the divorce decree.

J. LUMP-SUM RECEIPTS [24 CFR 5.609(b)(5), (c)]

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments which have accumulated due to a dispute will be treated the same as periodic payments which are deferred due to delays in processing.

In order to determine amount of retroactive resident rent that the family owes as a result of the lump sum receipt the HA will always calculate retroactively to date of receipt.

Retroactive Calculation Methodology

The HA will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer.

The HA will determine the amount of income for each certification period, including the lump sum, and recalculate the resident rent for each certification period to determine the amount due the HA.

At the HA's option, the HA may enter into a Repayment Agreement with the family. The HA will only enter into a Repayment Agreement with the family if they are in good standing (no unpaid rent or other charges, no disturbance complaints). The family will be required to pay fifty percent (50%) of the retroactive amount due at the time of calculation and the balance of the amount over a six-month period.

The amount owed by the family is a collectible debt even if the family becomes unassisted.

Attorney Fees

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

K. CONTRIBUTIONS TO RETIREMENT FUNDS—ASSETS

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

L. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE

The HA must count assets disposed of for less than fair market value during the two years preceding certification or recertification. The HA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

M. CHILD CARE EXPENSES

Unreimbursable child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or attend full-time vocational training.

In the case of a child attending private school, only before or after-hours care can be counted as child-care expenses.

Child-care expenses must be reasonable. Reasonable is determined by what the average childcare rates are in the HA's jurisdiction.

Allowability of deductions for child-care expenses is based on the following guidelines:

Child care to work: The maximum child care expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

Child care for school: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

Amount of Expense: Each site management office will survey the local care providers in the surrounding community to determine what is reasonable. The site management office will use the collected data as a guideline. If the hourly rate materially exceeds the guideline, the HA may calculate the allowance using the guideline.

N. MEDICAL EXPENSES [24 CFR 5.603]

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Nonprescription medicines must be doctor-prescribed in order to be considered a medical expense and will be counted toward medical expenses for families who qualify if the family furnishes legible receipts with identification of the type of purchase.

Acupressure, acupuncture, physical therapy including exercise and chiropractic services may be considered allowable medical expenses if these services are recommended as a specific treatment by the family's primary physician.

The cost of transportation to and from medical appointments and treatments will be an allowable medical expense and will be calculated at the current IRS rate.

O. PRORATION OF ASSISTANCE FOR “MIXED” FAMILIES [24 CFR 5.520]

Applicability

Proration of assistance must be offered to any “mixed” applicant or participant family. A “mixed” family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

“Mixed” families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. (See chapter titled “Recertifications.”) Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated Assistance Calculation

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Maximum Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family’s TTP will be calculated by:

Dividing the Family Maximum Subsidy by the number of persons in the family to determine Member Maximum Subsidy.

Multiplying the Member Maximum Subsidy by the number of eligible family members to determine Eligible Subsidy.

Subtracting the amount of Eligible Subsidy from the applicable Maximum Rent for the unit the family occupies to get the family’s Revised Total Tenant Payment.

P. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The HA will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

Fraud; or

Failure to participate in an economic self-sufficiency program; or

Noncompliance with a work activities requirement.

However, the HA will reduce the rent if the welfare assistance reduction is a result of:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Verification Before Denying a Request to Reduce Rent

A family's request for rent reduction shall be denied upon the HA obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

Cooperation Agreements

The HA has taken a proactive approach to culminating an effective working relationship between the HA and the local welfare agency for the purpose of targeting economic self sufficiency programs throughout the community that are available to public housing residents.

Q. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Resident Rent, a utility allowance will be deducted from the total tenant payment. The Utility allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption utilities in an energy conservative household, *not* on a family's actual consumption.

When the Utility Allowance exceeds the family's Total Tenant Payment, the HA will provide a Utility Reimbursement Payment for the family each month. The check will be made out directly to the utility company after the family has been notified.

Resident-Paid Utilities

The following requirements apply to residents living in developments with resident-paid utilities or applicants being admitted to such developments:

Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for eviction.

R. EXCESS UTILITY PAYMENTS

Residents in units where the HA pays the utilities may be charged for excess utilities if additional appliances or equipment are used in the unit. This charge shall be applied as specified in the lease. [24CFR 966.4(b)(2)]

PART II: FAMILY CHOICE IN RENTS

A. FAMILY RENT CHOICE

The HA shall provide information to enable each family residing in a public housing unit to elect annually whether the rent paid by such family shall be 1) determined based on family income; or 2) the flat rent. The HA may not at any time fail to provide both such rent options for any public housing unit owned, assisted or operated by the HA.

B. FLAT RENTS

The HA has established, for each dwelling unit in public housing, a flat rental amount for the dwelling unit, which:

Is based on the rental value of the unit, as determined by the HA; and

Is designed so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts.

The HA shall review the income of families paying flat rent not less than once every three years.

C. INCOME-BASED RENTS

The monthly Total Tenant Payment amount for a family shall be an amount, as verified by the HA, that does not exceed the greatest of the following amounts:

30 percent of the family's monthly adjusted income;

10 percent of the family's monthly gross income; or

The HA's Minimum TTP of \$50.

D. SWITCHING RENT DETERMINATION METHODS BECAUSE OF HARDSHIP CIRCUMSTANCES

In the case of a family that has elected to pay the HA's flat rent, the HA shall, no later than the first of the month following the month the family reported the hardship, provide for the family to pay rent in the amount determined under income-based rent, during the period for which such choice was made for the following hardship circumstances:

Situations in which the income of the family has decreased because of changed circumstances, loss of or reduction of employment through no fault of the individual, death in the family, and reduction in or loss of income or other assistance;

An increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

Such other situations as may be determined by the HA.

All hardship situations must be verified. If a family has switched from flat rent to income-based rent because of hardship, the family shall remain on income-based rent until the next scheduled annual recertification, at which time the Housing Authority shall allow the family to elect whether to pay flat rent or income-based rent.

E. HA'S FLAT RENT METHODOLOGY

The HA has set a flat rent for each public housing unit, based on the reasonable market value of the unit. The HA's methodology is also described in the HA Agency Plan.

Each public housing development obtains three rent comparables for each bedroom size from unsubsidized units in the surrounding area. The rent comparable information includes factors such as age of the building, location, physical condition, amenities and design. Once three rent comparables are obtained, an average of the three rents is calculated to obtain the flat rent. Rent comparables shall be calculated not less than once each year.

The rent comparable analysis is kept at each site, including documentation as to how the flat rent was determined.

F. ANNUAL RECERTIFICATION

During the annual recertification process, the family will be provided a form from the HA, on which the family will indicate whether they choose flat rent or income-based rent. The HA form will state what the flat rent would be, and an estimate, based on current information, what the family's income-based rent would be. This form will be retained in the resident's file.

Chapter 6

VERIFICATION PROCEDURES

[24 CFR Part 5, Subpart B; 24 CFR 960.259]

INTRODUCTION

This chapter explains the HA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and when there are changes in family members. The HA's verification procedures are designed to meet HUD's requirements that the factors of eligibility and Total Tenant Payment be verified and that the HA maintain program integrity. Applicants and program residents must furnish proof of their statements whenever required by the HA, and the information they provide must be true and complete. The HA will ensure that proper authorization for release of information is always obtained from the family before making verification inquiries.

A. METHODS OF INCOME VERIFICATION AND TIME ALLOWED

The HA will verify information provided by applicants and residents utilizing the following verification methods:

1. Up-Front Income Verification (UIV): The HA's first choice is up-front income verification to substantiate claims made by an applicant or resident. If the institution providing the UIV report charges the resident, the HA will utilize the next income verification method.
2. Third-Party Written Verification
3. Third-Party Oral Verification: The HA may also use telephone verifications.
4. Review of Documents: The HA will review documents, when relevant, to substantiate the claim of an applicant or resident, should the other three forms of Third-Party Verification (UIV, written or oral) not be available.
5. Personal Declaration: When verification cannot be made utilizing the four above methods of Third-Party Verification, information on Personal Declaration will be used.

At all times, should the HA not obtain Third-Party verification, the HA staff must document why third party verification was not obtained and the verification method utilized to substantiate the information.

The HA will not delay the processing of an application beyond two weeks in cases where third party verification is not received by the HA in a timely manner.

Third-Party Verification for applicants may not be more than 120 days old at the time of a unit offer. For residents, they are valid for 120 days from date of receipt.

Up-Front Income Verification

Up-Front Income Verification are computer-generated reports, which reduce the possibility of written fraud. Some UIV is available for wages, welfare benefits, social security benefits and other incomes sources such as child support.

Possible UIV sources are:

Tenant Assessment Sub-System (TASS) matches Social Security and Supplemental Security Income to HUD's MTCS and TRACS databases.

State Wage Information Collection Agencies (SWICAs) are a source of employers and reported wages. SWICAs are required to share data with the HA upon request.

The Work Number is an automated service that provides controlled access to a national database. The information is provided at no cost to the HA.

Internal Revenue Service (IRS) Letter 1722 shows the applicant/tenant filing status, exemptions claimed, adjusted gross income, taxable income, taxes paid, etc.

Credit Bureau (CBA) Credit Profiles contains public record information, credit relationships, inquiries and demographic information. This source will not provide income information, however it can be utilized to identify possession of assets.

Third-Party Written Verification

Third-party verification is used to verify information provided by the family. Third-party written verification forms will be sent and returned via first class mail. Families will be required to sign an authorization form in order for requested information to be released to the HA.

Verifications received electronically directly from the source are considered third party written verifications.

The HA may accept verifications delivered by the family as third party documents, as deemed necessary to complete the application or recertification process in a timely manner.

Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will complete a HA verification form. If oral third party verification is not available, the HA will compare the information to any documents provided by the applicant. If provided by telephone, the HA must originate the call.

Review of Documents

In the event that third-party written or oral verification is unavailable, or the information has not been verified by the third party within two weeks, the HA will utilize documents provided by the family as the primary source if the documents provide complete information.

All such documents, excluding government checks, will be photocopied and retained in the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will complete a Certification of Document Viewed or Person Contacted form.

The HA will accept the following documents from the family:

Printed wage stubs

Computer print-outs from the employer

Signed letters (provided that the information is notarized or confirmed by phone)

Other documents noted in this chapter as acceptable verification

The HA will accept faxed and/or photocopied documents.

If third-party verification is received after documents have been accepted as provisional verification, and there is a discrepancy, the HA will utilize the third party verification.

Personal Declaration

When verification cannot be made by third-party verification or review of documents, information included in the Personal Declaration may be used. A verification form will be completed and documented by HA staff.

B. RELEASE OF INFORMATION

Applicants and residents are required to sign specific authorization forms when information is needed that is not covered by the HUD Form 9886, Authorization for Release of Information.

Each family member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature. Family refusal to cooperate with the HUD prescribed verification procedure will result in denial of admission or termination of tenancy in accordance with the family's obligation to provide information requested by the HA.

C. COMPUTER MATCHING

For some time, HUD has conducted a computer matching initiative to independently verify resident income. HUD can access income information and compare it to information submitted by HAs on the 50058 form. HUD can disclose Social Security information to HAs, but is precluded by law from disclosing Federal tax return data to HAs. If HUD receives information from Federal tax return data indicating a discrepancy in the income reported by the family, HUD will notify the family of the discrepancy. The family is required to disclose this information to the HA (24 CFR 5.240). HUD's letter to the family will also notify the family that HUD has notified the HA in writing that the family has been advised to contact the HA. HUD will send the HA a list of families who have received "income discrepancy" letters.

When the HA receives notice from HUD that a family has been sent an "income discrepancy" letter, the HA will send a written notice to the family, advising the family to contact the HA within 10 days to disclose the contents of the family's notice from HUD.

When the family furnishes the copy of the HUD notice to the HA, the HA will verify the information contained in the notice using the verification procedures contained in this chapter of the Admissions and Continued Occupancy Policy. Based on the verified information, the total tenant payment and resident rent will be adjusted and the HA will take other actions, as appropriate. (*Also see chapters on Recertifications, Lease Terminations, Complaints, Grievances and Appeals, and Family Debts to the HA.*)

Once the site management office has completed this procedure and determined the outcome (e.g., retroactive payment is due or HUD information cannot be verified), the Property Supervisor will send a copy of the disposition document (repayment agreement, letter to family) to the Administrative Unit Manager.

D. ITEMS TO BE VERIFIED

1. All income not specifically excluded by the regulations.

Zero-income applicants and residents will be required to complete a family expense form at each certification or recertification interview.

2. Full-time student status including high school students who are 18 or over.

4. Child-care expense where it allows an adult family member to be employed or to further his/her education.
5. Total medical expenses of all family members in households whose head or spouse is elderly or disabled.
6. Disability assistance expenses to include only those costs associated with attendant care or auxiliary apparatus that allow an adult family member to be employed.
7. Legal identity.
8. U.S. citizenship/eligible immigrant status.
9. Social Security Numbers for all family members 6 years of age or older or certification that a family member does not have a Social Security Number.

11. Family/marital status when needed for head of household or spouse definition.
12. Disability for determination of preferences, allowances or deductions.

E. VERIFICATION OF INCOME

This section defines the methods the HA will use to verify various types of income. Whenever “in this order” is used in this chapter, the HA will request and utilize verifications, if available, in the order specified.

Employment Income

Verification forms request the employer to specify the:

Dates of employment

Amount and frequency of pay

Date of the last pay increase

Likelihood of change of employment status and effective date of any known salary increase during the next 12 months

Year-to-date earnings

Estimated income from overtime, tips, bonus pay expected during next 12 months

Acceptable methods of verification include, in this order:

1. Employment verification form completed by the employer.
2. Check stubs or earning statements, which indicate the employee’s gross pay, frequency of pay or year to date earnings.
3. W-2 forms plus income tax return forms.
4. Income tax returns signed by the family may be used for verifying self-employment income, or income from tips and other gratuities.

Applicants and program residents may be requested to sign an authorization for release of information from the Internal Revenue Service for further verification of income.

In cases where there are questions about the validity of information provided by the family, the HA will require the most recent federal income tax statements.

Social Security, Pensions, Supplementary Security Income (SSI), Disability Income

Acceptable methods of verification include, in this order:

1. Benefit verification form completed by agency providing the benefits.
2. Computer report electronically obtained or in hard copy.
3. Award or benefit notification letters prepared by the providing agency.
4. Bank statements for direct deposits.

Unemployment Compensation

Acceptable methods of verification include, in this order:

1. Computer report electronically obtained or in hard copy, stating payment dates and amounts.
2. Verification form completed by the unemployment compensation agency.
3. Payment stubs.

Welfare Payments or General Assistance

Acceptable methods of verification include, in this order:

1. HA verification form completed by payment provider.
2. Written statement from payment provider indicating the amount of grant/payment, start date of payments, and anticipated changes in payment in the next 12 months.
3. Computer-generated Notice of Action.

Alimony or Child Support Payments

Acceptable methods of verification include, in this order:

1. Copy of a separation or settlement agreement or a divorce decree stating amount and type of support and payment schedules.
2. A notarized letter from the persons paying the support.
3. Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.
4. If payments are irregular, the family must provide appropriate court or welfare agency documents supporting the family's claim that the amount they are actually receiving is less child support/alimony than was ordered.

Net Income from a Business

In order to verify the net income from a business, the HA will view IRS and financial documents from prior years and use this information to anticipate the income for the next 12 months.

Acceptable methods of verification, in this order, include:

1. IRS Form 1040, including:

Schedule C (Small Business)

Schedule E (Rental Property Income)

Schedule F (Farm Income)

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

2. Audited or unaudited financial statement(s) of the business.

3. Documents such as cash-books, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.

Child Care Business

If an applicant/resident is operating a licensed day care business, income will be verified as with any other business.

If the applicant/resident is operating a "cash and carry" operation (licensed or not), the HA will require the applicant/resident to complete a form for each customer giving: name of person(s) whose child(ren) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If the family has filed a tax return, the family will be required to provide it.

Recurring Gifts

The family must furnish a Notarized Statement, which contains the following information:

The person who provides the gifts

The value of the gifts

The estimated frequency of the gifts

Zero-Income Status

Families claiming to have no income will be required to execute verification forms to determine that forms of income such as unemployment benefits, TANF, SSI, etc. are not being received by the household.

Families must also provide a written statement as to how they meet living expenses, such as utilities, food, clothing, and other incidentals, when they claim a zero income.

Full-Time Student Status

Only the first \$480 of the earned income of full time students 18 years of age or older, other than head or spouse, will be counted towards family income.

Financial aid, scholarships and grants received by full time students is not counted towards family income.

Verification of full time student status includes:

Written verification from the registrar's office or other school official.

School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution.

F. INCOME FROM ASSETS

Acceptable methods of verification include, in this order:

Savings Account Interest Income and Dividends

Will be verified by:

1. Account statements, passbooks, certificates of deposit, or HA verification forms completed by the financial institution.
2. Broker's statements showing value of stocks or bonds and the earnings credited the family. Earnings can be obtained from current newspaper quotations or oral broker's verification.
3. IRS Form 1099 from the financial institution, provided that the HA must adjust the information to project earnings expected for the next 12 months.

Interest Income from Mortgages or Similar Arrangements

1. A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for next 12 months. (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)
2. Amortization schedule showing interest for the 12 months following the effective date of the certification or recertification.

Net Rental Income from Property Owned by Family

1. IRS Form 1040 with Schedule E (Rental Income).
2. Copies of latest rent receipts, leases, or other documentation of rent amounts.
3. Documentation of allowable operating expenses of the property: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.
4. Lessee's written statement verifying rent payments to the family and family's Notarized Statement as to net income realized.

G. VERIFICATION OF ASSETS

Family Assets

The HA will require the necessary information to determine the current cash value, (the net amount the family would receive if the asset were converted to cash).

Verification forms, letters, or documents from a financial institution or broker.

Passbooks, current checking account statements and/or a 3-month average of savings account funds, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.

Quotes from a stock broker or realty agent as to net amount family would receive if they liquidated securities or real estate.

Real estate tax statements if the approximate current market value can be deduced from assessment.

Financial statements for business assets.

Copies of closing documents showing the selling price and the distribution of the sales proceeds.

Appraisals of personal property held as an investment.

Family's Notarized Statement describing assets or cash held at the family's home or in safe deposit boxes.

Assets Disposed of for Less than Fair Market Value (FMV)

For all Certifications and Recertifications, the Family will certify as to whether any member has disposed of assets for less than fair market value during the two years preceding the effective date of the certification or recertification.

If the family certifies that they have disposed of assets for less than fair market value, verification [or certification] is required that shows: (a) all assets disposed of for less than FMV, (b) the date they were disposed of, (c) the amount the family received, and (d) the market value of the assets at the time of disposition. Third party verification will be obtained wherever possible.

H. VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME

Child Care Expenses

Written verification from the person who receives the payments is required. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.

Verifications must specify the child care provider's name, address, telephone number, Social Security Number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

Typical verification for child-care expenses included but is not limited to: income tax records, money orders to the child care provider, cancelled checks.

Medical and Disabled Assistance Expenses

Families who claim medical expenses or expenses to assist a person(s) with disability will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.

Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration's of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

For attendant care:

A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. HA may use this approach for “general medical expenses” such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.

The HA will use mileage at the IRS’s rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

Assistance to Persons with Disabilities

In All Cases:

Written certification from a reliable, knowledgeable professional that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.

Family’s certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

Attendant Care:

Attendant’s written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payments.

Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

NOTE: Disability expenses are allowable deductions only if the expenses enable a member of the household age 18 and over (including the disabled member) to go to work.

I. VERIFYING NON-FINANCIAL FACTORS

Verification of Legal Identity

In order to prevent program abuse, the HA will require applicants to furnish verification of legal identity for all family members.

The documents listed below will be considered acceptable verification of legal identity for adults. If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

Certificate of birth, naturalization papers

Current, valid driver's license

U.S. military discharge (DD 214)

U.S. passport

Documents considered acceptable for the verification of legal identity for minors may be one or more of the following:

Certificate of birth

Adoption papers

Custody agreement

Verification of Marital Status

Verification of divorce status will be a certified copy of the divorce decree, signed by a Court Officer.

Verification of a separation may be a copy of court-ordered maintenance or other records.

Verification of marriage status is a marriage certificate.

Familial Relationships

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will be required if certification is insufficient:

Verification of relationship:

Official identification showing name

Birth certificates

Verification of guardianship:

Court-ordered assignment

Affidavit of parent

Verification from social services agency

School records

Evidence of an established family relationship:

Joint bank accounts or other shared financial transactions

Leases or other evidence of prior cohabitation (utility bills)

Credit reports showing relationship

Verification of Permanent Absence of Adult Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the HA will consider any of the following as verification:

Husband or wife institutes divorce action.

Husband or wife institutes legal separation.

Order of protection/restraining order obtained by one family member against another.

Proof of another home address, such as utility bills, canceled checks for rent, drivers license, or lease or rental agreement, if available.

Statements from other agencies such as social services that the adult family member is no longer living at that location.

If the adult family member is incarcerated, a document from the Court or prison should be obtained stating how long they will be incarcerated.

Verification of Change in Family Composition

The HA may verify changes in family composition (either reported or unreported) through letters, telephone calls, leases, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources. Verification of legal custody must be a court-ordered assignment or verification from a social service agency.

Verification of Disability

Verification of disability must be receipt of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001(7) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehabilitation specialist, or licensed social worker, using the HUD language as the verification format.

Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare his or her status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the HA hearing is pending.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury.

Eligible Immigrants who were residents and 62 or over on June 19, 1995, are required to sign a declaration of eligible immigration status and provide proof of age.

Non-citizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The HA verifies the status through the INS SAVE system. If this primary verification fails to verify status, the HA must request within ten days that the INS conduct a manual search.

Family members who do not claim to be citizens or eligible immigrants must be listed on a statement of non-contending family members signed by the head of household or spouse.

Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of non-contending members.

Failure to Provide. If an applicant or resident family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

Time of Verification. For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For resident families, it is done at the first regular recertification after June 19, 1995. For family members added after other members have been verified, the verification occurs prior to the new member moving in. Once verification has been completed for any covered program, it need not be repeated.

Extensions of Time to Provide Documents. The HA will grant an extension of 30 days for families to submit evidence of eligible immigrant status.

Acceptable Documents of Eligible Immigration. The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

Resident Alien Card (I-551)

Alien Registration Receipt Card (I-151)

Arrival/Departure Record (I -94)

Temporary Resident Card (I-688)

Employment Authorization Card (I-688B)

Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept five years.

Verification of Social Security Numbers

Social security numbers must be provided as a condition of eligibility for all family members six and over, unless the family member cannot legally obtain a Social Security number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration.

If a family member cannot produce a Social Security Card, only the documents listed below showing his/her Social Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted in lieu of the Social Security Card information provided is/are complete and accurate:

A valid driver's license

Identification card issued by a Federal, State or local agency

Identification card issued by a medical insurance company or provider (including Medicare and Medicaid)

Earnings statements or payroll stubs

Bank statements

IRS Form 1099

Verification of benefits or SSN from Social Security Administration

New family members ages six and older will be required to produce their Social Security Card or provide the substitute documentation described above together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the HA.

If an applicant or resident is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or resident must sign a certification to that effect provided by the HA. The applicant/resident or family member will have an additional 60 days to provide proof of the Social Security Number. If they fail to provide this documentation, the family member must be removed from the household or the family's tenancy will be terminated.

In the case of an individual at least 62 years of age, the HA may grant an extension for an additional 60 days to a total of 120 days. If, at the end of this time, the elderly individual has not provided documentation, the family member must be removed from the household or the family's tenancy will be terminated.

If the family member states they can not legally obtain a Social Security number, the family member will be required to sign a certification to this effect.

Matricula Consular

The Housing Authority may require that all non-contending family members who are Mexican or Argentine citizens submit a copy of their Consulate General of Mexico's or Argentina's Matricula Consular identification card for identification purposes only.

J. VERIFICATION OF SUITABILITY FOR ADMISSION

Sources to be used to determine suitability include but are not limited to:

Criminal History Reports

Prior landlord references

Physicians, social workers, and other health professionals

HA of the City of Los Angeles and Other HAs (to whom the family may owe debt)

(See Chapter 2 on eligibility.)

Ability to Meet Financial Obligations Under the Lease

All applicants may be subject to the following procedures to ensure their ability to meet financial obligations under the lease:

All applicants may be interviewed and asked questions about the basic elements of tenancy.

The HA will access a Credit Report on all applicants prior to selection.

The HA may independently verify the rent-paying history of all applicants directly from previous landlord(s).

Drug-Related or Violent Criminal Activity

The HA will complete a criminal background check of all adult members of the household.

Housekeeping

The HA will obtain references from prior landlords to determine acceptable housekeeping standards. The HA may conduct a home visit prior to admission.

K. VERIFICATION OF WAITING LIST PREFERENCES [24 CFR 5.410, 5.415, 5.430]

Local Preferences

1. Residency preference: For families who live, work or have been hired to work in the jurisdiction of the HA. Families who are unable to work due to age or disability automatically qualify for this preference.

In order to verify that an applicant is a resident, the HA will require any of the following documents: rent receipts, leases, utility bills, employer or agency records, school records, drivers licenses, voters registration records, credit reports, statement from household with whom the family is residing.

- 2.. Veterans preference: This preference is available to current members of the U.S. Armed Forces, veterans, or surviving spouses of veterans.

The HA will require U.S. government documents that indicate that the applicant qualifies under the above definition.

Chapter 7 TRANSFER POLICY

INTRODUCTION

It is the policy of the HA to permit a resident to transfer within the housing developments when it is to the family's advantage to do so; when it is necessary to comply with occupancy standards; or when it will help accomplish the affirmative housing goals of the HA.

The HA will always consider transfer requests as a reasonable accommodation for a person with a disability.

The transfer policy will be carried out in a manner that does not violate fair housing.

A. TRANSFERS AT THE REQUEST OF THE HA

The HA may require that a family transfer to another unit at the same housing development when their present housing unit is no longer suitable as determined by the HA. These transfers may be made at the discretion of the HA for the following reasons:

1. Family Composition

A family will be required to transfer to another unit if its composition no longer conforms to HUD occupancy standards (i.e. the unit is too large or too small for the family size). The HA will offer the family the first available vacancy of appropriate size at the same housing development site.

2. Transfer Due to Accessible Unit Requirement

When a non-disabled family has been housed in a unit with adaptations for a person with disabilities, the HA may require the family to transfer to another unit if the accessible unit is needed for an eligible disabled family. Before placing a non-disabled family in a modified unit, the HA must first offer the unit to disabled residents requiring a transfer to an accessible unit. Next, the HA will offer the modified unit to an eligible disabled applicant.

If no eligible applicant with disabilities is available when the unit becomes vacant and is ready for lease-up, a non-disabled family may lease the modified unit. When a non-disabled family leases a modified unit, a certified statement will be signed by the family agreeing that the family will relocate to the first available vacant unit of appropriate size, at the same or comparable housing development site should the modified unit be required for an eligible disabled family.

3. Special Circumstances

The HA may require transfers under special circumstances due to modernization and/or remodeling of a unit. In such cases, a family may be required to temporarily transfer to another unit at the same housing development or to temporarily relocate to a location agreed upon by the family and the HA.

4. Transfers Due to Uninhabitable Conditions

The HA will require that a family transfer to another unit if their unit is determined to be uninhabitable. Families residing in units where severe threats to health or safety exist will be transferred as soon as possible. These circumstances may include the following: excessive fire damage, contaminated water supply, electrical outages which are expected to be of long duration, flooding, or lack of plumbing. The scheduling of such transfers will be determined according to the nature and severity of the circumstances, which have made the unit uninhabitable.

If a unit becomes uninhabitable due to conditions caused by the resident, any member of the resident household, or the resident's guests will be addressed through the lease violation process and the resident shall not have the rights set forth above, or if the cause for the conditions is determined after the transfer, the HA may still terminate tenancy.

B. TRANSFER AT THE REQUEST OF THE RESIDENT

To accommodate a verified health and/or medical condition, a resident may be transferred into another unit within Lomita Manor. Please refer to the accommodation request policy in Chapter 1.

Furthermore, the HA will consider in approving transfer requests, other than those for health and safety reasons, whether the resident is in good standing with the HA. Good standing means the resident has demonstrated prompt rent paying habits; the resident has demonstrated and maintained adequate housekeeping standards; the resident has a good overall record since living in public housing.

Transfer Request Procedure

Residents requesting to transfer to another unit are required to submit a Resident Request to Transfer Form to the Lomita Manor management office. The form will include the reason for the transfer and must include documentation verifying the reason for the transfer request.

Within ten calendar days, the Resident Manager at the Lomita Manor housing development site will review the request for transfer and determine if additional documentation is needed to support the request. He/she will determine if the resident is in good standing with the HA, and has resided at the housing development for a minimum of 24 months. Once the resident has been determined to be "in good standing", the Lomita Manor housing development will forward the resident's file to the Eligibility and Suitability Unit.

The Eligibility and Suitability Unit Supervisor will review and forward the resident's request to the Division Manager for final approval or denial within ten calendar days. If the request is approved, the HA will notify the resident that their name has been placed on the transfer list for the location and/or bedroom size desired. If the request is denied, the resident will be sent a letter stating the reason for denial, and offering the resident an opportunity for an informal conference.

The HA will make a maximum of one unit offer for a resident requesting a transfer. A resident must accept or reject the unit offer within three calendar days of the date the offer is made. Residents are entitled to reject transfer offers for a "good cause".

Examples of “good cause” reasons for the refusal to take a housing unit offered include, but are not limited to:

Unit is not of the proper size and type, and the applicant would be able to reside there only temporarily;

Unit contains lead-based paint, and accepting the offer could result in subjecting the applicant’s children under seven (7) years of age to lead-based paint poisoning;

An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing; [24 CFR 945.303(d)];

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member;

The unit is inappropriate for the applicant’s disabilities.

Security Deposits

1. The HA will charge the family for any damages to the previous unit that exceed that unit’s security deposit. If there is a balance left on the original security deposit, it will be refunded. The family must pay a new security deposit at move-in date. Any charges due prior to move out (i.e., delinquent maintenance charges, late rent fee, etc.) will be collected by the sending development and the resident must pay those charges in full prior to entering into a new Lease Agreement. Any charges that are incurred after the resident vacates the unit (i.e., maintenance charges) that exceed the security deposit will be posted to the new unit and will be collected by the receiving department.
2. In the case of HA initiated transfers, the inability to pay the security deposit should not delay the transfer and will be handled on a case-by case basis.

C. RESIDENTS’ RESPONSIBILITY

Residents are responsible for all moving costs related to their transfer. The HA will only incur the reasonable cost of transfers initiated by the Housing Authority due to demolition, disposition, revitalization, rehabilitation, and/or a reasonable accommodation for a resident with a disability. In the case of transfers due to threat of violence, the HA will determine on a case-by-case basis whether the resident shall be responsible for moving costs. Upon approval of the transfer, residents must complete their move within three calendar days.

The resident will be charged rent on both units until the keys from the old unit are turned in to the HA.

Chapter 8

LEASE AGREEMENT

[24 CFR 966.4]

INTRODUCTION

All units must be occupied pursuant to a dwelling Lease Agreement that complies with HUD's regulations [24 CFR Part 966]. This chapter describes the HA's policies pertaining to lease execution, terms of Lease Agreement, security deposits, rent payments, inspection of units, and additions to the lease.

A. LEASE ORIENTATION

Upon execution of the lease, the HA will conduct a lease orientation for all adult members of the household. The family must attend an orientation before taking occupancy of the unit.

Families will be provided with the following information during the lease orientation:

- A copy of the Lease Agreement
- A copy of the HA's lease and grievance procedure
- A copy of the House Rules
- A copy of the full application and signed release forms
- A copy of Parking Policy
- Information on the Privacy Act
- Lead Based Paint Information
- Fair Housing Booklet
- A copy of the HA's Pet Policy
- A schedule of HA maintenance charges

Topics to be discussed will include, but are not limited to:

- Applicable deposits and other charges
- Provisions of the Lease
- Orientation to the community
- Unit maintenance and work orders

B. TERM OF LEASE AGREEMENT

The initial term of the lease will be for 12 months. The lease will renew for a 12-month term unless good cause exists not to renew the lease.

C. EXECUTION OF LEASE

The lease shall be executed by the head of household, spouse, and all other adult members of the household, and by an authorized representative of the HA, prior to admission.

The head of household is the person who assumes legal and financial responsibility for the household and is listed on the application as head.

An appointment will be scheduled for the parties to execute the lease. One executed copy of the lease will be given to the resident, and the HA will retain one in the resident's file. The lease is incorporated into this policy by reference. The lease document will reflect current HA policies as well as applicable Federal, State and Local law.

The following provisions govern lease execution and amendments:

A lease is executed at the time of admission for all new residents.

A new lease is executed at the time of the transfer of a resident from one HA unit to another with a change in recertification date.

If, for any reason, any signer of the lease ceases to be a member of the household, the lease will be amended by drawing a line through the party's name and both parties will be required to initial and date the change.

The names and date of birth of all household members are listed on the lease at initial occupancy and on the Application for Continued Occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.

Changes to resident rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by the HA, which becomes an attachment to the lease. Documentation will be included in the resident file to support proper notice.

Households that include a live-in attendant are required to execute a lease addendum authorizing the arrangement and describing the status of the attendant.

D. MODIFICATIONS TO THE LEASE

The HA may modify its form of lease from time to time, giving residents 30 days for an opportunity to comment on proposed changes and advance notice of the implementation of any changes.

Schedules of special charges and rules and regulations are subject to modification or revision. Residents will be provided at least thirty days written notice of the reason(s) for any proposed modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the central office, and at site management offices.

Any modifications of the lease must be accomplished by a written addendum to the lease and signed by both parties.

A resident's refusal to execute HA approved lease modifications, or those modifications required by HUD, is a material breach of the Lease Agreement and grounds for termination of tenancy.

E. ADDITIONS TO THE LEASE

Requests for the addition of a new member to the household must first be approved by the HA, prior to the actual move-in by the proposed new member.

Following receipt of a family's request to add a new member, the HA will conduct a pre-admission suitability review for those proposed household members over the age of 18. Only those members approved by the HA will be added to the lease. Furthermore, the HA will consider whether the resident's request to add a member(s) will exceed the occupancy limit for the unit as a factor determining whether to approve the request.

Factors which may determine a pre-admissions suitability review include, but are not limited to:

In cases where the resident plans to marry and add his or her spouse to the lease;

In cases where resident desires to add a new family member to the lease, and/or employ a live-in aide.

In addition, the HA may exercise its discretion to screen prospective household members under the age of 18 provided a parent or legal guardian signs consent to allow the HA to access the juvenile records of the child. Sources to be checked may include any of the following:

School Records (attendance/behavior)

Juvenile Probation/Court Records

Police Records

Children born to a family member are not subject to screening for purposes of determining household additions.

Residents who fail to notify the HA of additions to the household, or who permit persons to join the household (includes permitting non-tenants to utilize a resident's address), without undergoing screening are considered to have unauthorized occupants by the HA, and are in violation of the lease and subject to termination of tenancy [24 CFR 966.4(f)(3)].

F. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES
[24 CFR 8.27(a)(1)(2) and (b)]

Before offering a vacant accessible unit to a non-disabled applicant, the HA shall offer such units:

First, to a current occupant of another unit of the same development, or other public housing developments under the HA's control, who has a disability that requires the special features of the vacant unit.

Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

Third, to an eligible qualified applicant on the waiting list who does not require the special features of the vacant unit.

The HA may require such applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

G. UTILITY SERVICES

Residents are responsible for direct payment of utilities. Residents must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits. Failure to maintain utility services during tenancy is a lease violation and grounds for termination of tenancy.

If there is a utility reimbursement payment, the HA may pay the utility reimbursement payment directly to the utility provider and will notify family of the action.

H. SECURITY DEPOSITS

New residents must pay a security deposit to the HA at the time of admission.

Mixed Population (elderly/disabled) Developments:

The Security Deposit is the greater of the applicant's TTP or \$75 for mixed population (elderly/disabled) developments.

The HA will hold the security deposit for the period the resident occupies the unit.

The HA will refund to the resident the amount of the security deposit, less any amount needed to pay the cost of:

Unpaid Rent;

Damages listed on the Move-Out Inspection Report that exceed normal wear and tear;

Other charges under the Lease.

The HA will refund the Security Deposit less any amounts owed, as required by California State Law, within 21 days, following move out and resident's notification of new address.

The HA will provide the resident or designee identified above with a written list of any charges against the security deposit. If the resident disagrees with the amount charged to the security deposit, the HA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the HA. All keys to the unit must be returned to the Management upon vacating the unit.

The HA will not use the security deposit for payment of rent or other charges while the resident is living in the unit.

If the resident transfers to another unit, the HA will refund the security deposit, less damages, and collect a new deposit, using the current information regarding Total Tenant Payment. If applicable, the resident will be informed of the new deposit amount. However, the new deposit will not be collected until the old deposit (if any) is refunded.

I. RENT PAYMENTS

The tenant rent is due and payable to a specific Bank of America (BofA) Post Office Box on the first day of every month. If the first day falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

If BofA does not receive a payment by the fifth business day of the month, a notice to pay rent or quit will be served on the resident. Residents shall make all payments by check or money order payable to THE HOUSING AUTHORITY OF THE COUNTY OF LOS ANGELES (HACoLA). The HA shall collect a fee in the amount charged the Housing Authority by the bank anytime a check is not honored for payment. Residents who submit more than two (2) checks that are not honored for payment will be required to make rent payments by money order only.

J. FEES AND LOCKBOX SYSTEM

The following is the LOCKBOX procedure for paying rent:

All rent payments are mailed to a Bank of America (BofA) Postal Office Box;

BofA scans the front of the money order/check, envelope and statement;

All scanned documents and payment information is inputted and batched by BofA;

BofA uploads all payment information to a secure web site;

The HA accesses the secure BofA web site and import rent payment data into the Information Systems and Services Incorporated (ISSI) housing software.

K. NONPAYMENT PENALTIES

If BofA does not receive the resident's rent payment by the fifth day of the month, a late fee as set forth in the lease will be charged.

L. SCHEDULES OF MAINTENANCE CHARGES

A schedule of charges for maintenance services and repairs which is incorporated into the lease by reference shall be publicly posted in a conspicuous manner in the management office.

M. INSPECTIONS OF PUBLIC HOUSING UNITS

Move-In Inspections

The HA and the family will inspect the premises prior to occupancy of the unit in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the HA and the resident, will be kept in the resident file.

Annual Inspections

The HA will inspect all units annually using HUD's minimum Housing Quality Standards (HQS) as a guideline. (Effective October 1, 2001, the HA will inspect all units annually using HUD's Uniform Physical Condition Standards as a guideline.)

Residents who "fail" the inspection due to housekeeping or resident-caused damages will be given 10 calendar days to correct noted items. The HA will schedule a follow-up inspection to verify that the resident corrected the deficiencies.

Residents will be issued a copy of the inspection report with required corrections.

All inspections will include a check of all smoke alarms to ensure proper working order.

Inspection report will indicate whether required corrections are to be charged to the resident or covered by the HA.

Damages beyond "normal wear and tear" will be billed to the resident.

Quality Control Inspections

The HA will conduct periodic quality control inspections to determine the condition of the unit and to identify problems or issues in which the HA can be of service to the family and to assure that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.

The HA will conduct quality control inspections on 10% of all units.

Special Inspections

The HA may conduct a special inspection for housekeeping, unit condition, or suspected lease violation every 30 days for one year.

HUD representatives or local government officials may review HA operations periodically and as a part of their monitoring may inspect a sampling of the HA's inventory.

Move-Out Inspections

The purpose of these inspections is to determine necessary maintenance and whether there are damages that exceed normal wear and tear. The HA will determine if there are resident caused damages to the unit. Resident caused damages may affect part or all of the family's security deposit.

In accordance with Section 1950.5(f) of the California Civil Code, the HA will abide by the following Move-Out Inspection procedures when the resident submits a 30-day Notice of Intent to Vacate or the HA issues a 30-day Notice to Vacate or a 14-Day Notice to Pay Rent or Quit or a 30-Day Notice to Cure or Quit, to the resident.

These procedures do not apply to residents who receive a Three-Day Notice to Quit due to a lack of time to provide an initial Move-Out inspection.

The HA shall notify the resident in writing of their option to request an initial Move-Out inspection and their right to be present at the inspection.

At the time the resident submits a 30-Day Notice of Intent to Vacate or the HA issues a 30-Day or 14-Day Notice, the residents will be informed that the request for the initial inspection must be in writing and delivered to the Management office during normal business hours within three (3) days of the date of service of the Notice. Should the resident fail to request an initial inspection, the HA will be discharged of its duty.

After the resident submits a request for an initial inspection, the HA and the resident will schedule said inspection at a mutually agreed upon date and time. The inspection should be scheduled no earlier than two weeks before the termination of the Lease Agreement.

The HA will give the resident 48 hour prior written notice of the mutually agreed upon date and time. However, the HA and the resident may forego the 48 hour written notice by executing a written waiver. The HA will then proceed with the inspection whether the resident is present or not in the unit.

Upon the completion of the inspection, the HA will give the resident an itemized statement specifying the items that are in need of repair and/or cleaning which will be the basis for deductions from the security deposit. This itemized statement will be handed to the resident at the conclusion of the inspection or placed inside the unit (should the tenant not be present).

The resident will have the opportunity during the period from the completion of the initial inspection until termination of the Lease Agreement to remedy the deficiencies.

Following the final inspection, the HA may deduct from the security deposit items not cured, items which occurred after the initial inspection, or items not identified during the initial inspection due to the presence of the resident's possessions.

Emergency Inspections

The HA may initiate an emergency inspection report to generate a work order if they believe that an emergency exists in the unit. In addition, the HA may conduct an emergency inspection without a work order and generate a work order after the inspection has been conducted (see Entry of Premises Notice in this chapter.) Repairs are to be completed within 24 hours from the time the work order is issued.

Emergency Repairs to Be Completed in Less than 24 Hours

The following items are to be considered emergency in nature and require immediate (less than 24 hour) response:

Lock-out (with proper identification of resident)

Broken lock that affects unit security

Broken window glass that affects unit security, is a cutting hazard, or occurs within inclement weather (to be secured or abated)

Escaping gas

Plumbing leaks that have the capacity to create flooding or cause damage to the unit

Natural gas leaks or smell of fumes

Backed-up sewage

Electrical hazard or electrical failure

Roof leaks (depending on circumstances)

Smoke detector malfunction/destruction

Elevator operation

HVAC malfunction (depending on unit and circumstances, e.g., weather)

Defective stairs, handrails, guardrails/support apparatus

Residents who disengage smoke detectors for convenience purposes may be cited as being in violation of their lease agreement with the HA.

Entry of Premises Notices

The HA will give 24/48 hour advance written notice prior to entering the unit for non-emergency inspections or repairs. Non-emergency entries to the unit will be made during reasonable hours of the day. For emergency inspections or repairs, no advance notice is required for the HA to enter the unit.

An adult family member must be present in the unit during the inspection or repair if there are children present in the unit.

If no person is at home, the HA will enter the unit and conduct the inspection or repairs.

If no one is in the unit, the HA will leave a written notice to the resident explaining the reason the unit was entered and the date and time.

Where the HA is conducting regular annual examinations of its housing units, the family will receive at least thirty days advance notice of the inspection to allow the family to prepare and be able to pass the inspection.

The HA reserves the right to enter a unit, subject to the applicable notice, under the following conditions:

- Inspections and maintenance
- To make improvements and repairs
- To show the premises for leasing
- In cases of emergency

Non-Inspection Emergency Entry

The HA staff will allow access to the unit to proper authorities when issues of health or safety of the resident are concerned.

Family Responsibility to Allow Inspection

It is a violation of the Lease Agreement for the resident to refuse to allow entry to the unit for the reasons set forth in this ACOP.

Housekeeping Citations

Residents who “fail” an inspection due to housekeeping will be issued a Housekeeping Citation, and a reinspection will be conducted within 10 calendar days by HA staff. Should the resident “fail” the reinspection, the HA will conduct a unit inspection every thirty (30) days for a twelve (12) month period.

Should the family fail to comply with the reinspection, it can be a material breach of the lease and grounds for termination of tenancy.

More than one citation issued to a family who has purposely and for convenience disengaged the unit’s smoke detector will be considered a violation of the lease.

Resident Damages

Repeated failed inspections or damages to the unit beyond normal wear and tear may constitute serious or repeated lease violations.

“Beyond normal wear and tear” is defined as items that could be charged against the resident’s security deposit under state law.

N. GUEST POLICY

Residents shall obtain HA management written approval for the presence of any person not identified in the lease as a member of the resident's household who occupies the unit for over ten consecutive days or a total of 14 days within a twelve-month period. The Executive Director or his/her designee has discretionary authority to approve the occupation of a unit beyond 14 days.

Absence of evidence of any other address will be considered verification that the visitor is an unauthorized household member.

The HA will consider:

- Statements from neighbors and/or HA staff
- Vehicle license plate verification
- Post Office records
- Drivers license verification
- Law enforcement reports
- Credit reports

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a guest rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the HA may terminate the family's lease since prior approval was not requested for the addition.

In a joint custody arrangement, if the minor is in the household less than 90 days per year, the minor will be considered to be an eligible guest and not a family member. If both parents reside in Public Housing, only one parent shall be able to claim the child for deductions and for determination for the occupancy standards.

O. HOME OCCUPATIONS

The HA in its sole discretion, may authorize a unit to be used as a place for conducting a home occupation; provided that the unit is used primarily as a place of residence and the following conditions are met to assure that the use of the unit is consistent with residential use and will not disturb the peaceful enjoyment of the premises by other residents.

Criteria for Home Occupations

1. No construction, structural alteration or addition to the unit shall be permitted;
2. Not more than one room in a unit shall be used in connection with the home occupation;
3. No special equipment or facilities other than furnishings, small tools, and hand-carried or light office machines shall be installed or utilized;

4. No persons other than residents of the unit shall work on the Premises in connection with the home occupation;
5. There shall be no traffic to or from the unit by customers, salesmen, repairmen, service vehicles, deliverymen, messengers or others beyond the amount of such traffic generally incidental to residential uses;
6. No sound created by the operation of the home occupation shall raise the noise to a level which disturbs the neighbors or the housing complex;
7. No hazardous or offensive materials shall be stored or utilized;
8. No sign shall be displayed which in any way indicates the presence of a nonresidential activity;
9. There shall be no evidence of nonresidential activity visible from any point beyond the immediate premises where the home occupation is located;
10. Storage of goods and materials not associated with residential uses shall be limited and shall not create a safety or health impact such as, but not limited to, fire safety or blockage of passage ways;
11. Sale of firearms shall be prohibited.
12. The Property Supervisor shall have final approval of all Home Occupation activities.

Chapter 9

PET POLICY—ELDERLY/DISABLED DEVELOPMENTS

[24 CFR 5.309]

INTRODUCTION

The purpose of this policy is to establish the HA's policy and procedures for ownership of common household pets in elderly and disabled developments and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

This policy changes provisions previously applicable to elderly/disabled developments. Only residents who had pets prior on or before the effective date of the revised Pet Policy are allowed to keep pets providing they have adhered to the terms of the Pet Agreement – Addendum to Lease Agreement.

Animals That Assist Persons with Disabilities

In accordance with Section 504 of the Rehabilitation Act and the Fair Housing Act, pet rules will not be applied to animals that assist persons with disabilities except as provided below:

There is a reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation;

There is reliable objective evidence that the animal would cause substantial physical damage to the property of others;

The presence of the assistance animal would pose an undue financial and administrative burden to the provider; or

The presence of the assistance animal would fundamentally alter the nature of the provider's services.

To be excluded from the pet policy, the resident/pet owner must certify that:

There is a person with disabilities in the household; and

The animal has been trained to assist with the specified disability.

A. HA APPROVAL OF PETS

All pets must be approved in advance by the HA.

Pets must meet the HA's pet standards and the tenant and the PHA must enter into a Pet Agreement.

C. REGISTRATION OF PETS

Pets must be registered with the HA ten (10) days before they are brought onto the premises. Registration includes certificate signed by a licensed veterinarian or State/local authority that the pet has received all inoculations required by State or local law, and that the pet has no communicable disease(s) and is pest-free.

Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30 days prior to annual recertification.

Each pet owner must provide a color photograph of their pet(s) and display a “Pet Here” sticker, provided by the HA, which will be displayed on the front door of the unit at all times.

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal To Register Pets

If the HA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The HA will refuse to register a pet if:

The pet is not a “common household pet” as defined in this policy;

Keeping the pet would violate any House Rules;

The pet owner fails to provide complete pet registration information, or fails to update the registration annually;

The HA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet’s temperament and behavior may be considered as a factor in determining the pet owner’s ability to comply with provisions of the lease.

The notice of refusal may be combined with a notice of a pet violation.

D. PET AGREEMENT

Residents who have been approved to have a pet must adhere to the following rules:

1. Agree that the resident is responsible and liable for all damages caused by their pet(s).

2. No animals may be tethered or chained inside the dwelling unit.
3. When outside the dwelling unit, all pets must be on a leash or in an animal transport enclosure and under the control of a responsible individual.

All animal waste or the litter from litter boxes shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin. Litter shall not be disposed of by being flushed through a toilet.
5. Litter boxes shall be stored inside the resident's dwelling unit or in animal enclosures maintained within dwelling units AND must be removed and/or replaced regularly. Failure to do so will result in a Pet Waste Removal charge.
6. Mandatory implementation of effective flea control by measures that produce no toxic hazard to children who may come into contact with treated animals.
7. All complaints of cruelty and all dog bites will be referred to animal control of applicable policy agency for investigation and enforcement.

The right of management to seek impoundment and sheltering of any animal found to be maintained in violation of housing rules, pending resolution of any dispute regarding such violation, at owner's expense. The resident shall be responsible for any impoundment fees, and the HA accepts no responsibility for pets so removed.
12. Failure to abide by any animal-related requirement or restriction constitutes a violation of the "Resident Obligations" in the resident's Lease Agreement.

E. DESIGNATION OF PET/NO-PET AREAS

The following areas are designated no-pet areas: HA playgrounds, management offices, community centers, and recreation center areas.

F. FEES AND DEPOSITS FOR PETS

The resident/pet owner shall be required to pay a refundable deposit of \$75.00 per unit for the purpose of defraying all reasonable costs directly attributable to the presence of a pet (or pets). The deposit fee shall not apply to birds and fish.

The HA will refund the Pet Deposit to the resident, less any damage caused by the pet(s) to the dwelling unit, upon removal of the pet or the owner from the unit.

The HA will provide the resident or designee identified above with a written list of any charges against the pet deposit. If the resident disagrees with the amount charged to the pet deposit, the HA will provide a meeting to discuss the charges.

All reasonable expenses incurred by the HA as a result of damages directly attributable to the presence of the pet(s) in the dwelling unit will be the responsibility of the resident, including:

The cost of repairs and replacements to the resident's dwelling unit;

Fumigation of the dwelling unit;

Common areas of the development if applicable.

G. ALTERATIONS TO UNIT

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

Single bedroom dwelling units are limited to no more than two pets of any kind.

H. ADDITIONAL REQUIREMENTS

Pet owners must take precautions to eliminate pet odors.

Residents will prevent disturbances by their pets that interfere with the quiet enjoyment of the premises of other residents in their units or in common areas. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

Residents shall not feed stray animals; doing so, or keeping stray or unregistered animals will be considered having a pet without permission.

I. PET WASTE REMOVAL CHARGE

A separate pet waste removal charge of \$50 per occurrence will be assessed against the resident for violations of the pet policy.

Pet deposit and pet waste removal charges are not part of rent payable by the resident.

J. PET CARE

No pet (excluding fish) shall be left unattended in any apartment for a period in excess of 24 hours.

All residents/pet owners shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet(s).

In the event the resident relocates to non-HA owned property (such as a privately-owned apartment complex or hotel) at the request of the HA to complete emergency repairs to the resident's unit

and/or complete modernization and/rehabilitation activities, the resident shall have the responsibility for the board and care of their pet(s) during the duration of the resident's relocation to non-HA-owned property.

K. RESPONSIBLE PARTIES

The resident will provide the following information when registering their pet(s): Name, address and telephone number of the veterinarian who will be providing regular care for the pet(s); name of the adult household member who will be primarily responsible for animal care; name and contact information for a household member who will return home in the event an animal experiences distress or causes a disturbance when left alone; contact information for a non household member who will respond to emergency situations regarding the pet(s) in question.

L. PET RULE VIOLATION NOTICE

If a determination is made on objective facts supported by written statements that a resident/pet owner has violated the Pet Rule Policy, the HA will serve a 30-Day Notice to Cure or Quit.

M. NOTICE FOR PET REMOVAL

If the resident/pet owner and the HA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the HA, the HA may serve notice to remove the pet. The Notice shall contain:

A brief statement of the factual basis for the HA's determination of the Pet Rule that has been violated; and

A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

N. TERMINATION OF TENANCY

The HA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

O. PET REMOVAL

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the Responsible Party designated by the resident/pet owner. Includes pets that are poorly cared for or have been left unattended for over 24 hours.

If the responsible party is unwilling or unable to care for the pet, or if the HA after reasonable efforts cannot contact the responsible party, the HA may contact the appropriate State or local agency and request the removal of the pet.

P. EMERGENCIES

The HA will take all necessary steps to insure that pets which become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

If it is necessary for the HA to place the pet in a shelter facility, the cost will be the responsibility of the resident/pet owner.

Chapter 10

STANDARDS FOR CONTINUED OCCUPANCY AND RECERTIFICATIONS

[24 CFR 5.613, 24 CFR 5.61524; 24 CFR Part 960, Subpart C]

INTRODUCTION

This chapter defines the HA's policy for conducting annual recertifications. It also explains the interim reporting requirements for families, and the standards for continued occupancy.

A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

Qualify as a family as defined in this policy;

Are in full compliance and able to abide with all the obligations and responsibilities described in the Lease Agreement;

For family members ages six years and older, have submitted their Social Security numbers (or have certifications on file that they do not have a Social Security number);

For family members who have submitted required citizenship/eligible immigration status/noncontending documents.

Are not subject to sex offender lifetime registration under a State sex offender registration program. *

* If the HA discovers that a current public housing resident is subject to sex offender lifetime registration under a State sex offender registration program, the HA will proceed with eviction of the resident. Families who fail to remove any household member(s), which includes minors 13 to 17 years of age, that are subject to a sex offender lifetime registration under a State sex offender registration program, will be evicted.

B. ANNUAL RECERTIFICATION

In order to be recertified, families are required to provide current and accurate information on income, assets, allowances and deductions, and family composition. Families are required to report and certify this information by completing a Personal Declaration with the HA. Additionally, families must complete an Emergency Notification card annually at recertification.

Families who choose flat rent are to be recertified every three years. For families who move in on the first of the month, the annual recertifications will be completed within 12 months of the anniversary of the move-in date. (Example: If family moves in August 1, the annual recertification will be conducted to be effective on August 1, the following year.)

For families who move in during the month, the annual recertifications will be completed no later than the first of the month in which the family moved in, the following year. (Example: If family moves in August 15, the effective date of the next annual recertification is August 1.)

When families move to another dwelling unit an annual recertification will be conducted and the anniversary date will be changed, but under no circumstances shall the annual recertification take place later than twelve months.

Recertification Notice to the Family

All families will be notified of their obligation to recertify by first class mail. The notification shall be sent at least 120 days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the HA will provide the notice in an accessible format. The HA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

During recertification, the HA staff shall explain family choice of income-based or flat rent, with an estimate of what the income-based rent would be and a statement of what the flat rent is.

The family will indicate whether the family chooses income-based or flat rent by checking the appropriate box on the document, and signing the document. The document will be retained in the resident's file.

Methodology

If the family chooses income-based rent, or if the family has paid the flat rent for three (3) years, the HA will schedule the specific date and time of appointments in the written notification to the family.

Persons with Disabilities

Persons with disabilities, who are unable to come to the HA's office will be granted an accommodation of conducting the interview at the person's home/by mail/hospital, upon verification that the accommodation requested meets the need presented by the disability.

Collection of Information

The family is required to complete the Personal Declaration form and an Emergency Notification card.

Requirements to Attend

All adult family members will be required to attend the recertification interview and sign the Personal Declaration for continued occupancy.

If the head of household is unable to attend the interview the appointment will be rescheduled.

Failure to Respond to Notification to Recertify

The written notification will explain which family members are required to attend the recertification interview. The family may call to request another appointment date up to five calendar days prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the HA, the HA will reschedule a second appointment.

Exceptions to these policies may be made by the Property Supervisor if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

Documents Required from the Family

In the notification letter to the family, the HA will include instructions for the family to bring the following:

- Documentation of income for all family members

- Documentation of liquid and non-liquid assets

- Documentation to substantiate any deductions or allowances

- Personal Declaration Form completed and signed by all adult family members

- Completed Emergency Notification card

Verification of Information

All information which affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this Policy. Verifications used for recertification must be less than 120 days old. All verifications will be placed in the file, which has been established for the family.

When the information has been verified, it will be analyzed to determine:

- The continued eligibility of the resident as a *family* or as the *remaining member* of a family;

- The unit size required by the family;

- The amount of rent the family should pay.

Changes in the Tenant Rent

If there is any change in rent, including change in family's choice in rent, the lease will be amended, or a new lease will be executed, and a Notice of Rent Adjustment will be issued [24 CFR 966.4(c)].

Tenant Rent Increases

If tenant rent increases, a thirty-day notice will be mailed to the family prior to the anniversary date.

If less than thirty days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the second month following the thirty-day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the recertification processing, there will be a retroactive increase in rent to the anniversary date.

Tenant Rent Decreases

If tenant rent decreases, it will be effective on the anniversary date.

If the family causes a delay so that the processing of the recertification is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the recertification processing by the HA.

C. REPORTING INTERIM CHANGES

Families must report within ten calendar days all changes in household composition to the HA between annual recertifications. This includes additions due to birth, adoption and court-awarded custody. The family must obtain HA approval prior to all other additions to the household.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified prior to the approval by the HA of the family member being added to the lease.

D. INTERIM RECERTIFICATION POLICY

Increases in Income to Be Reported

Families that select to pay flat rent are not required to report increases in income or assets.

If families elect to pay income-based rent, the family must report any of the following factors which could result in an increase in rent to management within ten calendar days of their occurrence:

- Receipt of a deferred payment in a lump sum which represents the delayed start of a periodic payment such as unemployment or social security benefits.
- Change in family (which could either provide additional income to the household or reduce the deductions and allowances for which the family qualifies).
- A change of source of income, such as moving from welfare benefits to employment income.
- An increase in income of \$200/month or more.

Any other changes reported by residents electing to pay income-based rent, other than those list above, will not be processed between regularly scheduled annual recertifications.

Increases in Income and Rent Adjustments

The HA's policy is not to raise rent between annual recertifications, except in the case of a change in family composition and/ or source of income and/or an increase of \$200/month or more.

Decreases in Income and Rent Adjustments

Residents may report a decrease in income and other changes, such as an increase in allowances or deductions, which would reduce the amount of the total tenant payment.

The HA will initiate third-party verification of the decrease in income no later than five (5) days after the resident reports the change to the HA. Upon completion of the third-party verification, the HA will process a rent adjustment to be effective the first day of the month following the month in which the HA completes the verification. If the reduction in income is reported after the HA's cut-off date for the following months rent set-up, Management will charge the resident the former, higher rent, subject to a credit when the circumstances of reduction are verified.

E. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The HA will not reduce the public housing rent for families whose welfare assistance is reduced due to a "specified welfare benefit reduction," which is a reduction in welfare benefits due to:

Fraud by a family member in connection with the welfare program; or

Noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

A "specified welfare benefit reduction" does not include a reduction of welfare benefits due to:

The expiration of a lifetime time limit on receiving benefits; or

A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as:

The family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Noncompliance with other welfare agency requirements.

Definition of "Covered Family"

A household that receives benefits for welfare or public assistance from a State or public agency program which requires, as a condition of eligibility to receive assistance, the participation of a family member in an economic self-sufficiency program.

Definition of "Imputed Welfare Income"

The amount of annual income, not actually received by a family, as a result of a specified welfare benefit reduction, that is included in the family's income for purposes of determining rent.

The amount of imputed welfare income is determined by the HA, based on written information supplied to the HA by the welfare agency, including:

The amount of the benefit reduction

The term of the benefit reduction

The reason for the reduction

Subsequent changes in the term or amount of benefit reduction

Imputed welfare income will be included at annual and interim recertifications during the term of reduction of welfare benefits.

The amount of imputed welfare income will be offset by the amount of additional income a family receives that begins after the sanction was imposed. When additional income is at least equal to the imputed welfare income, the imputed income will be reduced to zero.

If the family was not an assisted resident of public housing when the welfare sanction began, imputed welfare income will not be included in annual income.

Verification Before Denying a Request to Reduce Rent

The HA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance before denying the family's request for rent reduction.

The HA will rely on the welfare agency's written notice to the HA regarding welfare sanctions.

Cooperation Agreements

The HA has an unwritten cooperation agreement in place with the local welfare agency which assists the HA in obtaining the necessary information regarding welfare sanctions.

The HA has taken a proactive approach to culminating an effective working relationship between the HA and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

The HA and the local welfare agency have mutually agreed to notify each other of any economic self-sufficiency and/or other appropriate programs or services that would benefit public housing residents.

Family Dispute of Amount of Imputed Welfare Income

If the family disputes the amount of imputed income and the HA denies the family's request to modify the amount, the HA will provide the resident with a notice of denial, which will include:

An explanation for the HA's determination of the amount of imputed welfare income

A statement that the resident may request a grievance hearing

If the resident requests a grievance hearing, the resident is not required to pay an escrow deposit pursuant to 966.55(e) for the portion of tenant rent attributable to the imputed welfare income.

F. OTHER INTERIM REPORTING ISSUES

An interim recertification will be scheduled for families with zero income every 90 days.

Any changes reported by residents other than those listed in this section will not be processed between regularly scheduled annual recertifications.

HA Errors

If the HA makes a calculation error at admission to the program or at an annual recertification, an interim recertification will be conducted to correct the error. If the family had been undercharged as a result of the calculation error, the family will not be charged retroactively. If the family had been overcharged as a result of the calculation error, the family will receive a rent credit retroactively.

G. TIMELY REPORTING OF CHANGES IN INCOME (AND ASSETS)

Standard for Timely Reporting of Changes for Reexaminations and Interims

The HA requires that families report changes, such as change in family composition, to the HA within ten calendar days of when the change occurs. Any information, document or signature needed from the family needed to verify the change must be provided within three calendar days of the reported change.

If the change is not reported within the required time period, or if the family fails to provide signatures, certifications or documentation, (in the time period requested by the HA), it will be considered untimely reporting.

Procedures When the Change Is Reported in a Timely Manner

The HA will notify the family of any changes in Tenant Rent to be effective according to the following guidelines:

Increases in the Tenant Rent are effective on the first of the month following at least thirty days' notice. It is the HA's policy to not process interim increases in Tenant Rent between regular annual recertifications except for a receipt of a deferred payment in a lump sum which represents the delayed start of a periodic payment, change in family (which could either provide additional income to the household or reduce the deductions and allowances for which the family qualifies), a change of source of income and/or an increase in income of \$200/month or more. The family must report any of the above factors which could result in an increase in rent to management within ten calendar days of their occurrence.

Decreases in the Tenant Rent are effective the first of the month following the month in which the change is reported.

Procedures When the Change Is Not Reported by the Tenant in a Timely Manner

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim or annual recertification processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the date the increase in income became effective. The family will be liable for any underpaid rent, and may be required to sign a Repayment Agreement. The Repayment Agreement will require that the family pay an initial lump sum (in an amount determined by the HA) with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months for amounts under \$2400 or 24 months for any amount in excess of \$2400.

Decrease in Tenant Rent will be effective on the first of the month following completion of processing by the HA and not retroactively.

Procedures When the Change Is Not Processed by the HA in a Timely Manner

“Processed in a timely manner” means that the change goes into effect on the date it should when the family reports the change and provides all information, documents and signatures in a timely manner. If the change cannot be made effective on that date, the change is not processed by the HA in a timely manner.

Therefore, an increase will be effective after the required thirty days’ notice prior to the first of the month after completion of processing by the HA.

If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

H. REPORTING OF CHANGES IN FAMILY COMPOSITION

The members of the family residing in the unit must be approved by the HA. The family must inform the HA and request approval of additional family members other than additions due to birth, adoption, court-awarded custody before the new member occupies the unit.

All changes in family composition must be reported within ten calendar days of the occurrence in writing.

If an adult family member is declared permanently absent by the head of household, the notice must contain a certification by the head of household [or spouse] that the member (who may be the head of household) removed is permanently absent.

Increase in Family Size

The HA will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

Addition by marriage/or marital-type relation

Addition of a minor who is a member of the nuclear family who had been living elsewhere

Addition of a HA-approved live-in attendant

Addition of any relation of the Head or Spouse

Addition due to birth, adoption or court-awarded custody

If a change due to birth, adoption, court-awarded custody, or need for a live-in attendant requires a larger size unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately sized unit.

Definition of Temporarily/Permanently Absent

The HA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The HA will evaluate absences from the unit in accordance with this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the HA will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.

Families are required to notify the HA before they move out of a unit in accordance with the lease and to give the HA information about any family absence from the unit.

“Absence” means that no family member is residing in the unit.

In order to determine if the family is absent from the unit, the HA may:

- Conduct a home visit
- Write letters to the family at the unit
- Post letters on exterior door
- Telephone the family at the unit
- Interview neighbors
- Verify if utilities are in service
- Check with Post Office for forwarding address
- Contact emergency contact

If the entire family is absent from the unit for more than 90 consecutive days, whether or not rent has been paid, the unit will be considered to be abandoned and the HA will terminate the Lease Agreement.

As a reasonable accommodation for a person with a disability, the HA may approve an extension. (See Absence Due to Medical Reasons for other reasons to approve an extension.) During the period of absence, the rent and other charges must remain current.

Absence of Any Member

Any member of the household will be considered permanently absent and removed from the lease if s/he is away from the unit for 90 days in a 12-month period except as otherwise provided in this chapter.

Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the HA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 90 consecutive days, the family member will not be considered permanently absent, as long as rent and other charges remains current.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the HA's "Absence of Entire Family" policy.

Absence Due to Incarceration

If the sole member is incarcerated for more than 90 consecutive days, s/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 90 consecutive days. The rent and other charges must remain current during this period.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, the HA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than 180 days from the date of removal of the child(ren), the family will be required to move to a smaller size unit. If all children are removed from the home permanently, the unit size will be reduced in accordance with the HA's occupancy guidelines.

Absence of Adult

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the HA will treat that adult as a visitor for the first 90 calendar days. This will be noted as an exception to the HA's Visitor Policy.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability criteria, the lease will be transferred to the caretaker.

If the court has not awarded custody or legal guardianship, but the action is in process, the HA will secure verification from social services staff or the attorney as to the status.

The HA will transfer the lease to the caretaker, in the absence of a court order, if the caretaker qualifies under the Tenant Suitability criteria and has been in the unit for more than 90 days and it is reasonable to expect that custody will be granted.

When the HA approves a person to reside in the unit as caretaker for the child(ren), the income of the caretaker should be counted pending a final disposition. The HA will work with the appropriate service agencies to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 90 days, the person will be considered permanently absent.

If an adult child goes into the military and leaves the household, they will be considered permanently absent.

Full time students who attend school away from the home and live with the family during school recess will be considered temporarily absent from the household.

I. REMAINING MEMBER OF RESIDENT FAMILY—RETENTION OF UNIT

To be considered the remaining member of the resident family, the person must have been previously approved by the HA to be living in the unit and must have signed the lease.

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the Family.

A reduction in family size may require a transfer to an appropriate unit size per the Occupancy Standards.

J. CHANGES IN UNIT SIZE

The HA shall grant exceptions from the occupancy standards if the family requests and the HA determines the exceptions are justified according to this policy.

The HA will consider the size of the unit and the size of the bedrooms, as well as the number of bedrooms, when an exception is requested.

(Reference chapter on Occupancy Standards.)

K. CONTINUANCE OF ASSISTANCE FOR “MIXED” FAMILIES

Under the Non-Citizens Rule, “mixed” families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

“Mixed” families who were participants on June 19, 1995, shall continue receiving full assistance if they meet the following criteria:

The head of household, co-head or spouse is a U.S. citizen or has eligible immigrant status;
AND

The family does not include any ineligible immigrants other than the head or spouse, or parents or children of the head, co-head or spouse.

Mixed families who qualify for continued assistance after 11/29/96 may receive prorated assistance only.

If the mixed families do not qualify for continued assistance, the member(s) that cause the family to be ineligible for continued assistance may move, or the family may choose prorated assistance (See chapter titled “Factors Related to Total Tenant Payment Determination”). The HA may no longer offer temporary deferral of termination (see chapter on Lease Terminations).

Chapter 11

LEASE TERMINATIONS

[24 CFR 966.4]

INTRODUCTION

The HA may terminate tenancy for a family based on the resident's action(s) or failure to act in accordance with HUD regulations [24 CFR 966.4 (1)(2)], and the terms of the Lease Agreement. This chapter describes the HA's policies for notification of lease termination and provisions of the Lease Agreement.

A. TERMINATION BY RESIDENT

The resident may terminate their Lease Agreement by providing the HA with a written thirty-day advance notice as defined in the Lease Agreement. The HA in its sole discretion, may reinstate the tenancy of a family 120 days after move-out. The resident must have been in good standing with the HA. Good standing means the resident has demonstrated prompt rent paying habits; the resident has demonstrated and maintained adequate housekeeping standards; the resident has a good overall record since living in public housing.

B. TERMINATION BY HA

The lease may be terminated at any time by the HA who shall give written notice for serious or repeated violation of the terms of the lease, such as, but not limited to:

Nonpayment of rent or other charges due under the Lease, or chronic late payment of rent (3 times in 12 months is considered chronic)

Failure to provide timely and accurate statements of income, assets, expenses and family composition at Admission, Interim, Special or Annual Rent Recertifications

Assignment or subleasing of the premises or providing accommodation for boarders or lodgers

Use of the premises for purposes other than solely as a dwelling unit for the Resident and Resident's household as identified in this Lease, except as approved by the HA for a home based occupation

Failure to abide by reasonable rules made by the HA for the benefit and well being of the housing development and the Residents

Failure to abide by applicable building and housing codes materially affecting health or safety

Failure to dispose of garbage waste and rubbish in a safe and sanitary manner

Failure to use electrical, plumbing, sanitary, heating, ventilating, air conditioning and other equipment, including elevators, in a safe manner

Acts of destruction, defacement or removal of any part of the premises, or failure to cause guests to refrain from such acts

Failure to pay reasonable charges (other than for normal wear and tear) for the repair of damages to the premises, development buildings, facilities, equipment, or common areas.

Sex offender lifetime registrants

Being subject to sex offender lifetime registration under a State sex offender registration program will be grounds for eviction. For families, failure to remove any household member(s), which includes minors 13 to 17 years of age, that are subject to a sex offender lifetime registration under a State sex offender registration program will result in eviction of the family.

Criminal activity

Residents must refrain from and ensure that household members and guests refrain from engaging in drug-related and/or violent criminal activity on or off the housing development premises. The illegal manufacture, sale, distribution or use of, or possession with the intent to manufacture, sell, distribute or use, a controlled substance constitutes a drug-related criminal activity. Residents on or off the housing development premises and having a controlled substance in his/her system are in violation of the lease. Committing of any of the above acts is a material breach of the lease and may result in termination of tenancy on three days notice.

Alcohol abuse that the HA determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents

Non-compliance with Non-Citizen requirements

Physically or verbally abusive behavior toward residents and/or HA staff

Other good cause

C. NOTIFICATION REQUIREMENTS

The HA's written notice of lease termination will state the reason for the proposed termination, the date of termination, and the rights and protections afforded the resident by the regulations and this policy. (See chapter on Grievances and Hearings.)

Notices of lease termination shall be in writing and delivered to resident or adult member of the household or posted on the unit; and in all cases sent by first class mail addressed to the resident at the unit.

Timing of the Notice

If the HA terminates the lease, written notice will be given as follows:

Fourteen (14) calendar days in the case of failure to pay rent;

Three (3) calendar days for drug-related criminal activity, or criminal activity when the health or safety of other residents or HA employees is threatened;

Thirty (30) calendar days in all other cases.

Following the eviction for drug-related criminal activity, the HA shall notify the Post Office that mail should no longer be delivered to the person who was evicted for drug-related criminal activity.

D. CRIMINAL ACTIVITY

The HA shall terminate the lease if any family member is convicted of manufacturing or producing methamphetamine on the premises of the housing development in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.

The HA may terminate the lease in cases where the HA determines there is reasonable cause to believe that a family member, or a guest of a family member, is illegally using a controlled substance or engages in drug-related criminal or violent criminal activity. The same will apply if it is determined that a family member, or a guest of a family member, abuses alcohol in a way that interferes with the health, safety or right to peaceful enjoyment of the premises by other residents. This includes cases where the HA determines that there is a pattern of illegal use of controlled substances or a pattern of alcohol abuse.

The HA will consider the use of a controlled substance or alcohol to be a "pattern" if there is three or more incidents in the previous 12-month period.

"Engages in" drug related criminal or violent criminal activity means any act by a family member, or guest of a family member, which involved drug-related criminal or violent criminal activity which may or may not have resulted in the arrest and/or conviction of the family member, or guest of a family member.

In evaluating whether to terminate the lease, the HA will give fair consideration to the seriousness of the activity, and/or likelihood of favorable conduct in the future (including evidence of rehabilitation).

The HA will also consider whether:

The person demonstrates successful completion of a credible rehabilitation program approved by the HA, and is willing to continue in a supportive program approved by the HA; or

The individual involved in drug-related criminal activity is no longer in the household due to incarceration.

If the HA determines not to terminate the lease, and permit continued occupancy, the HA may require the family accept imposed conditions such as that the involved family member(s) does not reside in or visit the unit. The HA will consider evidence that the person is no longer in the household such as a divorce decree/incarceration/ death/ copy of a new lease for the person including the owner's telephone number and address/ or other substantiating evidence.

E. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS [24 CFR 5.514]

Families who were participants on June 19, 1995, but are ineligible for continued assistance due to the ineligible immigration status of all members of the family, or because a "mixed" family chooses not to accept proration of assistance, were eligible for temporary deferral of termination of assistance to permit the family additional time for transition to affordable housing.

Deferrals may have been granted for intervals not to exceed six months, up to an aggregate maximum of three years for deferrals granted prior to 11/29/96 or up to 18 months if granted after 11/29/96.

However, due to the timeframe applicable to the deferral period, current families are no longer eligible for deferral of termination of assistance.

If the HA determines that a family member has knowingly permitted an ineligible individual to reside in the family's unit on a permanent basis, the family's assistance will be terminated for 24 months. This provision does not apply to a family if the eligibility of the ineligible individual was considered in calculating any proration of assistance provided for the family.

Chapter 12

FRAUD POLICY

INTRODUCTION

Fraud is defined as the intentional, false representation or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Fraud and abuse by a tenant or applicant therefore, may constitute an intentional misrepresentation of income, assets, and allowances, or intentional misrepresentation of family composition or initiating and participating in bribes or other illegal activities. Intentional may mean a claim that a tenant or applicant *knows or has reason to know* is false, fictitious, or fraudulent. Knows or has reason to know may mean a person acts in deliberate ignorance of the truth or acts in reckless disregard of the truth or falsity of the claim or statement.

A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD

The HA does not intend to undertake an inquiry or an audit of a tenant family arbitrarily. The HA's expectation is that tenant families will comply with HUD requirements, provisions of the lease, and other program rules. The HA staff will make an effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the HA has a responsibility to HUD, to the community, and to eligible families in need of housing assistance, to monitor tenants' lease obligations for compliance and, when indicators of possible abuse come to the HA's attention, to investigate such claims.

The HA may initiate an investigation of a tenant family in the event of one or more of the following circumstances:

Referrals, Complaints, or Tips: Referrals from other agencies, companies or persons which are received by mail, by telephone or in person, which allege that a tenant family is in noncompliance with, or otherwise violating the lease or the program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A notation of the allegation will be retained in the tenant file.

Internal File Review: If the HA staff discovers (as a function of a (re)certification, an interim redetermination, or a quality control review), information or facts which conflict with previous file data, the HA's knowledge of the family, or is discrepant with statements made by the family.

Verification or Documentation: If the HA receives independent verification or documentation, which conflicts with representations in the tenant file (such as public record information, credit bureau reports, or reports from other agencies).

B. STEPS TO HELP PREVENT PROGRAM ABUSE AND FRAUD

Management and program staff utilizes various methods and practices (listed below) to help prevent program abuse, noncompliance, and willful violations of program rules by applicants and tenant families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by tenant families.

Things You Should Know (HUD-1140-OIG): This program integrity bulletin (created by HUD's Inspector General) will be furnished and explained to all tenants/ applicants to promote understanding of program rules, and to clarify the HA's expectations for cooperation and compliance.

Program Orientation Session: Mandatory orientation sessions will be conducted by HA staff for all prospective tenants either prior to or upon execution of the lease. At the conclusion of all Program Orientation Sessions, the family representative will be required to sign a "Things You Should Know" (HUD-1140-OIG) form to confirm that all rules and pertinent regulations were explained to him/her regarding fraud and abuse.

Resident Counseling: HA staff will routinely provide tenant counseling as a part of the recertification interview in order to clarify any confusion pertaining to program rules and requirements.

Use of Instructive Sign and Warnings: Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.

Review and Explanation of Forms: Staff will explain all required forms and review the contents of all (re)certification documents prior to signature.

C. STEPS TO DETECT PROGRAM ABUSE AND FRAUD

HA staff training to maintain a high level of alertness to indicators of possible abuse and fraud by assisted families.

Quality Control File Reviews. Prior to initial certification, and at the completion of all subsequent recertifications, each tenant file will be reviewed. Such reviews may include, but are not limited to:

1. Changes in reported Social Security Numbers or dates of birth.
2. Authenticity of file documents.
3. Ratio between reported income and expenditures.
4. Review of signatures for consistency with previously signed file documents.
5. Assurance that verification of all income and deduction is present.

Observation. Management and Program Staff (to include maintenance personnel and policing authorities) training to maintain high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income and assets, including personnel and real property.

Public Record Bulletins. Reviewed by management and staff.

State Wage Data Record Keepers. Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made annually in order to detect unreported wages or unemployment compensation benefits.

Credit Bureau Inquiries. Credit Bureau inquiries may be made in the following circumstances:

1. Application Process.
2. Annual Re-certification.
3. When an allegation is received by the HA wherein unreported income sources are disclosed.
4. When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

Enterprise Income Verification (EIV) Inquiries. Enterprise Income Verification is a system that enables PHAs to verify participant reported income and identified households that may have under reported their households annual income. EIV inquiries may be made in the following circumstances:

1. Annual Re-certification.
2. When an allegation is received by the HA wherein unreported income sources are disclosed.
3. When a tenant's expenditures exceed his/her reported income, and no plausible explanation is given.

D. THE HA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD

HA staff will encourage all tenant families to report suspected abuse to the Property Supervisor. All allegations, complaints and tips will be carefully evaluated in order to determine if they warrant follow-up. The HA will not follow up on allegations which are vague or otherwise nonspecific. They will only review allegations, which contain one or more independently verifiable facts.

Preliminary File Review

An internal file review will be conducted to determine:

1. If the subject of the allegation is a tenant of a project based Housing Development and, if so, to determine whether or not the information reported has been previously disclosed by the family.
2. It will then be determined if the HA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.

Conclusion of Preliminary Review

If, at the conclusion of the preliminary file review, there is/are fact(s) contained in the allegation which conflict with file data, and the fact(s) are independently verifiable, the Fraud Analyst will initiate an investigation to determine if the allegation is true or false.

E. HOW THE HA REVIEWS ALLEGATIONS OF ABUSE AND FRAUD

If the HA determines that an allegation or referral warrants follow-up, the Fraud Analyst will conduct the review. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. In all cases, the HA will ensure, where required, that a written authorization from the program participant for the release of information has been obtained.

Credit Bureau Inquiries (CBIs). In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity which conflicts with the reported income of the family.

IRS. Request for IRS Returns or W-2's may be required.

Verification of Credit. In cases where the financial activity conflicts with file data, a Verification of Credit form may be mailed to the creditor in order to determine the unreported income source.

Employers and Ex-Employers. Employers or ex-employers may be contacted to verify wages, which may have been previously undisclosed or misreported.

Neighbors/Witnesses. Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the HA's review.

Field Investigation: Field Investigators may be utilized to gather additional information as determined by the HA.

Other Agencies. Investigators, caseworkers or representatives of other benefit agencies may be contacted.

Public Records. If relevant, the HA will review public records kept in any jurisdictional courthouse or county recorder's office. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records and postal records.

Interviews with Head of Household or Family Members. The HA will discuss the allegation (or details thereof) with the head of household or family member by scheduling an appointment at the site office with the Property Supervisor and the Fraud Analyst. The HA intends to conduct such interviews with a high standard of courtesy and professionalism, avoiding inflammatory language, accusations, or unprofessional conduct or language. If necessary, an additional staff person may attend such interviews.

Enterprise Income Verification (EIV) Inquiries. The HA will conduct Enterprise Income Verification inquiries to identify households that may have under reported their households annual income.

F. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE HA

Documents and other evidence obtained by the HA during the course of an investigation will be considered “work product” and will be kept in a separate “work file.” The work file will be kept locked and under the control of the Fraud Analyst and Assistant Director. Such cases under review will not be discussed among the HA staff unless they are involved in the process, or have information, which may assist in the investigation.

The Fraud Analyst will maintain a Fraud Data Base System (FDBS), which will document the status of the cases and additional information in order to provide a tracking devise for all fraud cases. The FDBS will be maintained by the Fraud Analyst. Assess of the FDBS will be limited to the HA Director, the HA Assistant Director, the PHA Executive Director and Assistant Executive Director and HA legal counsel.

G. CONCLUSION OF THE HA’S INVESTIGATIVE REVIEW

At the conclusion of the fraud review, the Fraud Analyst will report the findings to the HA Director, Assistant Executive Director, Assistant Director or designee, Property Supervisor or Area Manager. It will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive. In any event, the Fraud Analyst will document the file of his/her fraud investigation by providing a Fraud Findings memorandum including proposed course of action.

H. EVAULATION OF THE FINDINGS

If it is determined that a program violation has occurred, the Fraud Analyst will review the facts to determine:

1. The type of violation (noncompliance, fraud).
2. Whether the violation was intentional or unintentional.
3. What amount of money (if any) is owed by the tenant.
4. If the family is eligible for continued occupancy.

I. PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED

Once a program violation has been documented, the Fraud Analyst will propose the most appropriate remedy based upon the type and severity of the violation.

Procedural Noncompliance - Retroactive Rent

When the tenant owes money for failure to report changes in income or assets, a Notification of Underpaid Rent may be issued. This Notice will contain the following:

1. A description of the violation and the date(s).
2. Any amounts owed to the HA .
3. A 10-day response period.
4. The right to disagree and to request an informal hearing with instructions for the request of such hearing incompliance with the grievance policy established in the ACOP.
 - a. Tenant Fails to Comply with the Notice. If the tenant fails to comply with the notice, and a material provision of the lease has been violated, termination of tenancy may be initiated.

- b. Tenant Complies with the Notice. When a tenant complies with the notice, the Property Supervisor responsible will meet with him/her to discuss and explain the obligation or lease provision which was violated. The Property Supervisor will complete a Tenant Counseling Report, give one copy to the family and retain a copy in the tenant file.

A Tenant Conference may be scheduled by the Property Supervisor to discuss any procedural noncompliance issues and to provide the Tenant with the *Things You Should Know* Program Integrity Bulletin, to promote understanding of the Program Rules and to clarify the expectation for cooperation and compliance. The Property Supervisor may enlist the assistance of the Fraud Analyst.

Intentional Misrepresentations

When a tenant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an underpayment of rent by the tenant, an evaluation will determine whether or not:

1. The tenant had knowledge that his/her actions were wrong, and
2. That the tenant willfully violated the lease or the law.

Knowledge that the action or inaction was wrong. This will be evaluated by determining if the tenant was made aware of program requirements and prohibitions. The tenant's signature on various certification, briefing certificate, Personal Declaration and *Things You Should Know* are adequate to establish knowledge of wrongdoing.

The tenant willfully violated the law. Any of the following circumstances will be considered adequate to demonstrate willful intent:

1. An admission by the tenant of the misrepresentation.
2. That the act was done repeatedly.
3. If a false name or Social Security Number was used.
4. If there were admissions to others of the illegal action or omission.
5. That the tenant omitted material facts, which were known to them (e.g., employment of self or other household member).
6. That the tenant falsified, forged or altered documents.
7. That the tenant uttered and certified to statements at a rent (re)determination which were later independently verified to be false.

The Tenant Conference for Serious Violations and Misrepresentations

When the HA has established that material misrepresentation(s) have occurred, a Tenant Conference may be scheduled with the family representative, the Fraud Analyst, the Property Supervisor and/or the staff person most knowledgeable about the circumstances of the case. In the event that a conference is scheduled, an appointment letter confirming the Tenant Conference date may include a checklist of documents and/or information for the resident to bring to the meeting.

The purpose of such conference is to review the information and evidence obtained with the tenant, and to provide the tenant an opportunity to explain any document findings which conflict with representations in the tenant file. Any documents or mitigating circumstances presented by the tenant will be taken into consideration by the HA. The tenant will be given 10 working days commencing from the conclusion of the Tenant Conference to furnish any mitigating evidence.

A secondary purpose of the Tenant Conference is to assist the HA in determining the course of action most appropriate for the case. Prior to the final determination of the proposed action, the following will be considered:

1. The duration of the violation and number of false statements.
2. The tenant's ability to understand the rules.
3. The tenant's willingness to cooperate and to accept responsibility for his/her actions.
4. The amount of money involved.
5. The tenant's past history.
6. The number of false statements.

Notification to Tenant of Proposed Action

The tenant will be notified by mail of the proposed action no later than fifteen (15) business days after the conclusion of the Tenant Conference.

Dispositions of Cases Involving Misrepresentations

In all cases of misrepresentations involving efforts to recover monies owed, the HA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

Civil Remedies: The HA may:

1. Terminate tenancy and demand payment of restitution in full.
2. Terminate assistance and execute an administrative repayment agreement in accordance with the HA's Repayment Policy.
3. Terminate assistance and/or pursue restitution through civil litigation.
4. Terminate assistance and seek recovery through tax refunds and/or garnishment of wages or other forms of collection.
5. Continue assistance at the correct level upon repayment of restitution in 30 days.
6. Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the HA's repayment policy.

Criminal Referral : If the HA believes that the case meets the criteria established by the HA for prosecution, the HA may refer the case to other enforcement agencies.

Termination by the HA:

In any event, and at the sole discretion of the HA, the HA may terminate a public housing tenancy for a material breach of the lease for discovery of material false statements or fraud, including but not limited to misrepresentation of facts, omitted pertinent information, or failure to inform Management of information it requires for an annual re-certification or interim adjustments, by the tenant or family

member in connection with an application for assistance, with re-certification, or reexamination of income.

Chapter 13

GRIEVANCES AND APPEALS

[24 CFR 966.50–966.57]

INTRODUCTION

This chapter describes the policies to be used when applicants or residents disagree with a HA decision. It is the policy of the HA that all applicants and residents have the benefit of all appeal/grievance rights due to them under the law.

PART I: APPEALS

A. APPEALS BY APPLICANTS

Applicants who are determined ineligible because they do not meet the HA's admission standards, will be given prompt written notification stating reason for the determination and the procedure for requesting an informal hearing. Applicants must submit their request for an informal hearing in writing to the HA within ten days from the date of the notification of their ineligibility.

Except for an applicant caused delay(s), if an applicant requests an informal hearing, the HA will schedule the hearing to be held within ten calendar days of receiving the request. The HA will notify the applicant of the time, date, and location.

An impartial hearing officer will conduct informal hearings. The person who is designated as the hearing officer cannot be the person who made the determination of ineligibility or a subordinate of such person.

The hearing officer will consider documentation or evidence provided by the applicant and data compiled by the HA. The hearing officer will make a determination based upon the merits of the evidence presented by both sides. Within ten calendar days of the date of the hearing, the hearing officer will mail a written decision to the applicant and place a copy of the decision in the applicant's file.

The grievance procedure for public housing residents is not applicable to applicants, and applicants have no rights under the HA's grievance procedures.

B. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"

Assistance to the family in a HA unit pursuant to a lease may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the HA hearing is pending but assistance to an applicant may be delayed pending the HA hearing.

INS Determination of Ineligibility

If a family member or applicant claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the HA notifies the applicant or resident within ten days of their right to appeal to the INS within thirty days or to request an informal hearing with the HA either in lieu of or subsequent to the INS appeal.

If the family or applicant appeals to the INS, they must give the HA a copy of the appeal and proof of mailing or the HA may proceed to deny or terminate. The time period to request an appeal may be extended by the HA for good cause.

The request for a HA hearing must be made within fourteen days of receipt of the notice offering the

hearing or, if an appeal was made to the INS, within fourteen days of receipt of the INS decision.

After receipt of a request for an informal hearing, the hearing is conducted as described in the “Grievance Procedures” section of this chapter for both applicants and residents. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the HA will deny the applicant family.

If there are eligible members in the family, the HA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied assistance.

Participants whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Resident Rent and Total Resident Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

PART II: GRIEVANCE PROCEDURES

A. DEFINITIONS

Grievance

Any dispute that a resident may have with respect to an HA action or failure to act in accordance with the individual resident's lease or HA regulations that adversely affects the individual resident's rights, duties, welfare, or status. Grievance does not include disputes between residents not involving the HA; to class grievances such as rent strikes; as a forum for initiating or renegotiating policy changes between groups of residents and the HA Board of Commissioners; nor to an eviction based upon violent criminal activity or drug-related criminal activity.

Complainant

Any resident whose grievance is presented to the HA or at the site/management office.

Hearing Officer

A person selected in accordance with this grievance procedure to hear grievances and render a decision with respect thereto.

B. APPLICABILITY

This Grievance Procedure applies to all individual grievances, except any grievance concerning a termination of tenancy or eviction that involves:

Any activity, not just criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or HA employees, or

Any drugrelated criminal activity on or off such premises.

C. INFORMAL HEARING

Any grievance shall be presented in writing through a "Grievance Request Form" submitted to the HA office or to the housing management office who sent the notice on which the grievance is based. Written grievances must be signed by the resident/applicant. Except for resident/applicant caused delay(s), the grievance must be presented within ten (10) calendar days after receipt of the notice on which the grievance is based. It may be simply stated, but shall specify:

The particular grounds upon which it is based,

The action requested; and

The name, address, and telephone number of the complainant, and similar information about the complainant's representative, if any.

The HA will provide reasonable accommodation for persons with disabilities to participate in the informal hearing. The HA must be notified within three days of the scheduled time if special accommodations are required.

The purpose of the initial discussion is to discuss and to resolve the grievance without the necessity of a formal hearing. A formal hearing is only for current residents.

A designated HA representative shall hold an informal hearing with the resident/applicant within ten (10) calendar days of receipt of the grievance.

If the complainant fails to appear within 30 minutes of the scheduled time, the HA representative may determine that the complainant has waived their right to a hearing.

When the informal hearing is completed and within (10) calendar days, the HA representative is to complete a summary report. The report will include the date of the informal hearing, names of participants, nature of the disposition of the complaint and supporting reasons, date on which corrective action will be completed, if necessary, as well as procedures and final date by which a hearing may be obtained if the grievance has not been resolved at this level. One copy will be filed in the resident's file.

1. Dissatisfaction with Informal Hearing

If the resident, also known as the complainant, is dissatisfied with the proposed disposition of the grievance, s/he shall submit a "Grievance Request Form" requesting a formal hearing within ten (10) calendar days of the date of the summary of the informal meeting.

The request must specify the reason for the grievance request and the relief sought.

2. Failure to Request a Formal Hearing

If the complainant does not request a formal hearing within ten (10) calendar days of the date of service of the informal hearing decision, s/he waives his/her right to a hearing, and the HA's proposed disposition of the grievance will become final. This section in no way constitutes a waiver of the complainant's right to contest the HA's disposition in an appropriate judicial proceeding.

D. FORMAL HEARING

After exhausting the informal hearing procedures outlined above, a complainant shall be entitled to a formal hearing before a hearing officer.

The head of household must attend the formal hearing.

If the complainant fails to appear within 30 minutes of the scheduled time, the hearing officer may determine that the complainant has waived their right to a hearing.

The HA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The HA must be notified within three days of the scheduled time if special accommodations are required.

The HA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The HA must be notified within three days of the scheduled time if special accommodations are required.

1. Formal Hearing Officer

A grievance hearing shall be conducted by an impartial person appointed by the HA other than the person who made or approved the HA action under review, or a subordinate of such person.

Hearing Officer shall be appointed by the Housing Authority through an approved list of hearing officers or through an organization approved by the Executive Director of the Housing Authority.

Each party may challenge the hearing officer for good cause and must file an objection stating reason prior to start of hearing.

2. Notifying Hearing Officer to Administer Hearing Proceedings

The designated HA representative will send written notification to the hearing officer with a copy of the grievance/complaint form, the informal hearing summary report, and a copy of the request for formal hearing.

The designated HA representative advises the hearing officer of name(s) and address(es) of all participants.

The hearing officer notifies all parties as to date, time and place of hearing.

E. PROCEDURES TO OBTAIN A HEARING

Informal Hearing Prerequisite

All grievances must be presented pursuant to the informal hearing procedure as a prerequisite to a formal hearing.

The hearing officer may waive the prerequisite informal hearing if, and only if, the complainant can show good cause why s/he failed to proceed informally.

Escrow Deposit

Before a hearing is scheduled in any grievance involving an amount of rent the HA claims is due, the complainant shall pay to the HA all rent due and payable as of the month preceding the month in which the act or failure to act took place.

The complainant shall thereafter give the HA their monthly rent and the HA will deposit the monthly rent into an escrow account each month until the complaint is resolved by decision of the hearing officer.

The HA will waive these escrow requirements if the complainant is paying minimum rent and the grievance is based on a request for hardship exemption or imputed welfare income.

Unless so waived, failure to make the required escrow payments shall result in termination of the grievance procedure.

Failure to make such payments does not constitute a waiver of any right the complainant may have to contest the HA's disposition of the grievance in any appropriate judicial proceeding.

Scheduling

If the complainant complies with the procedures outlined above, a hearing shall be scheduled promptly by the HA.

A written notification of the date, time, place, and procedures governing the hearing shall be delivered to the complainant and the appropriate HA official.

The HA will provide reasonable accommodation for persons with disabilities to participate in the hearing. The HA must be notified within three days of the scheduled time if special accommodations are required.

F. HEARING PROCEDURES

The hearing shall be held before a hearing officer.

The complainant shall be afforded a fair hearing and be provided the basic safeguards of due process to include:

The opportunity to examine and to copy before the hearing, at the expense of the complainant (\$.10 per copy), all documents, records and regulations of the HA that are relevant to the hearing with at least a 24 hour notice prior to the hearing. Any document not so made available after request by the complainant may not be relied upon by the HA at the hearing.

The HA shall also have the opportunity to examine and to copy at the expense of the HA all documents, records and statements that the resident plans to submit during the hearing to refute the HA's inaction or proposed action. Any documents not so made available to the HA may not be relied upon at the hearing.

The right to a private hearing unless otherwise requested by the complainant.

The right to be represented by counsel or other person chosen as a representative.

The right to present evidence and arguments in support of the complaint, to controvert evidence presented by the HA, and to confront and cross-examine all witnesses upon whose

testimony or information the HA relies, limited to the issues for which the complainant has received the opportunity for a formal hearing; and

The right to a decision based solely and exclusively upon the facts presented at the hearing.

If the hearing officer determines that the issue has been previously decided in another proceeding, a decision may be rendered without proceeding with the hearing.

If the complainant fails to appear within 30 minutes of the scheduled time, the hearing officer may determine that the complainant has waived their right to a hearing.

~~If the complainant or HA fail to appear at the scheduled hearing, the hearing officer may make a determination that the party has waived his/her right to a hearing.~~

Such a determination in no way waives the complainant's right to appropriate judicial proceedings in another forum.

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the HA must sustain the burden of justifying the HA action or failure to act against which the complaint is directed.

The hearing shall be conducted by the hearing officer as follows:

Oral and documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The hearing officer shall require the HA, complainant, counsel, and other participants and spectators to conduct themselves in an orderly manner. The failure to comply with the directions of the hearing officer to maintain order will result in the exclusion from the proceedings, or a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

Either party may request a tape recording of the hearing. The HA shall provide equipment and an operator for the purpose of recording the hearing. The complainant may secure a duplicate at his/her expense.

G. DECISIONS OF THE HEARING OFFICER

The hearing officer shall mail to the HA and the complainant a written decision, including the reasons for the decision, within 10 calendar days for public housing following the hearing. The HA will place one copy in the resident files. The written decision will be sent to the address provided at the hearing.

The decision of the hearing officer shall be binding on the HA which shall take all actions necessary to carry out the decision, unless the Board of Commissioners intervene in the matter. The Board of Commissioners may overturn a hearing officer's decision in either of the following two situations:

The grievance does not concern the HA action or failure to act in accordance with or involving the complainant's lease or HA regulations that adversely affect the complainant's rights, duties, welfare or status.

The decision of the hearing officer is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the Annual Contributions Contract between HUD and the HA.

A decision by the hearing officer or Board of Commissioners in favor of the HA or which denies the relief requested by the complainant in whole or part shall not constitute a waiver of, nor affect in any manner whatever, the rights of the complainant to a trial or judicial review in any proceedings which may thereafter be brought in the matter.

H. HA EVICTION ACTIONS

If a resident has requested a hearing in accordance with these duly adopted Grievance Procedures on a complaint involving a HA notice of termination of tenancy, and the hearing officer upholds the HA action, the HA shall not commence an eviction action until the notice of termination of tenancy expires. The notice of termination tolls pending the grievance hearing procedures. As the notice of termination tolls, rent shall be due and owing during and pending the grievance hearing procedures.

Chapter 14

FAMILY DEBTS TO THE HOUSING AUTHORITY

INTRODUCTION

This chapter describes the HA's policies and guidelines for the recovery of debts and the use of repayment agreements. Before a debt is assessed against a family, the file must contain documentation to support the HA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the family, as appropriate.

When families owe money to the HA, every effort will be made to collect the debt. A variety of collection tools to recover debts may be used including, but not limited to:

Requests for lump sum payments

Repayment agreements

Abatements

Deductions

Collection agencies

Credit bureaus

Civil suits

A. REPAYMENT AGREEMENT FOR FAMILIES

A Repayment Agreement is a document entered into between the HA and the resident who owes a debt to the HA. The Repayment Agreement contains an acknowledgment by the person of the debt in a specific amount, the terms of repayment, any special provisions of the agreement, and the remedies available to the HA upon default of the agreement.

If a repayment agreement is to be entered into, the HA will require that the family pay an initial 50% lump sum with the remaining balance to be paid in equal payments over a period of time not to exceed 12 months. In the discretion of the HA, a repayment agreement can provide that the remaining balance be paid in equal payments over a period of time not to exceed 24 months if the debt is for an amount in excess of \$2,400.

Late Payments

A payment will be considered to be in arrears if:

The payment has not been received by the close of the business day on which the payment was due. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, the HA may do one or more of the following:

Require the family to pay the entire arrearage plus current month's payment in order avoid termination of tenancy, or

Require the family to pay the balance in full in order to avoid termination of tenancy, or

Pursue civil collection of the balance due, or

Terminate the tenancy.

Requests to Move

If the family requests a move to another unit and has a repayment agreement in place and the repayment agreement is not in arrears, the family may be required to pay the balance in full prior to moving to the new unit.

If the family requests a move to another unit and is in arrears on a repayment agreement, unless they pay the balance in full, the request will be denied.

Under special circumstances, the HA may make an exception and allow a family to move without paying the entire balance of the debt if the family is current with its payments. The HA may also allow a family who is in arrears to become current in order to process a move if the move is for one of the following reasons:

A natural disaster.

The unit is uninhabitable or has major HQS* deficiencies that are not the result of a family action or inaction.

A life-threatening situation, such as the family is a witness to or a victim of a crime and must move for safety reasons. The family will be required to provide proof in such cases.

* Effective October 1, 2001, HQS will transition to the Uniform Property Condition Standards (UPCS).

Guidelines for Repayment Agreements

The HA may not agree to a repayment agreement if the family already has a Repayment Agreement in place, or if the family has breached previous Repayment Agreements.

The HA, at its sole discretion, will determine on a case-by case basis whether or not to offer a family a repayment agreement for monies owed to the HA. All Repayment Agreements must be approved by an HA Manager.

Repayment Agreements will be executed between the HA and the head of household or other adult family member.

The HA may approve in writing a decrease in the monthly payments, either temporary or permanent, in cases of hardship after receiving from the family a written request for a decrease and verification of hardship.

Additional Debt Incurred: If the family has a Repayment Agreement in place and incurs an additional debt to the HA:

The HA may choose, at its discretion, to agree to more than one Repayment Agreement at a time with the same family.

If a Repayment Agreement is in arrears more than 30 days, any new debts must be paid in full.

B. FAMILY DEBTS DUE TO FRAUD/NON-REPORTING OF INFORMATION

HUD's definition of program fraud and abuse is a single act or pattern of actions that:

Constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead the Housing Authority.

Immediate Payment of Retroactive Rent Where Debt is the Result of Resident Misrepresentation or Failure to Disclose Material Information

If the Resident submits false information on any application, Personal Declaration, certification documents or request for interim adjustment or does not report interim changes in family income or other factors as required by his/her Lease Agreement, and as a result, is charged a rent less than the amount required by HUD's rent formulas, the Resident agrees to reimburse the HA for the difference between the rent he/she should have paid and the rent he/she was charged. The HA, in its sole discretion, may terminate the Lease for a material breach or may make the rent increase retroactive to the date the income increased.

If the HA determines that a Resident is liable for the payment of Retroactive Rent, the resulting retroactive rent amount, shall be paid immediately by the Resident.

A decision by the HA to accept the payment of Retroactive Rent from a Resident, shall not constitute a waiver of its right to either terminate the Lease or otherwise pursue any additional actions allowable under Federal, State or local law.

Payment of Retroactive Rent Where Debt Is Not the Result of Resident Misrepresentation or Failure to Disclose Material Information

The HA, in its sole discretion, may enter into a Repayment Agreement for a debt to the HA that did not result from the Resident's submission of false information on any application, Personal Declaration, certification documents or request for interim adjustment or from a failure to report interim changes in family income or other factors as required by his/her Lease Agreement.

C. REPAYMENT AGREEMENTS AT CONCLUSION OF TENANCY OR RESOLUTION OF EVICTION PROCEEDINGS

The HA may enter into a repayment agreement in resolution of a debt incurred by a Resident during the course of his or her tenancy where the Resident has indicated his or her intent to voluntarily vacate. The HA may also enter into a repayment agreement in resolution of either a notice to terminate or not renew a tenancy. The terms of such agreements shall be determined at the discretion of the HA.

D. FAMILY DEBTS PAID IN FULL

(See attachment for additional family members if initialed by Resident) _____ Resident's initials

Any additional occupants to the Residence must be approved by Management and set forth by written rider to this Lease signed and dated by both parties. All others are considered unauthorized occupants and may subject this Lease to termination. Management approval of additional occupants shall be based upon such factors as appropriate size dwelling unit and suitability including without limitation, criminal background information.

C. Resident has the right to exclusive use and occupancy of the Residence. Resident may allow a guest or visitor as described in Section 6 (J) (K) (L) (M), herein and shall not accept any payment for such occupancy.

D. Resident understands and agrees that Management enters into this Lease Agreement in reliance upon the truth of information provided in Resident's initial application for housing and subsequent information provided for continued occupancy. The discovery that any such information is false or that information was misrepresented may result in termination of this Lease and/or retroactive rent charges or other action deemed appropriate under Federal, State and/or local law.

E. Resident acknowledges that the Residence and the Housing Development is not a security complex. Management makes no representations or warranty that the leased premises or the Housing Development is secure from theft or any other criminal act perpetrated by any other resident or person. 2. PAYMENTS OF RENT DUE UNDER THIS LEASE

A. Resident shall pay Management monthly rent of \$_____. Rent shall be paid on or before the first day of each calendar month beginning _____, 20____. The pro-rated rent payment for the period from, _____ 20____ to _____, 20____ is \$_____ and is due and payable at the time this Lease is executed. If the monthly rent is not paid in full by the fifth (5th) business day of each calendar month, Resident shall pay to the Management a late rent charge of twenty-five dollars (\$25.00) due two weeks after receiving the notice. Management shall collect a fee in the amount charged the Housing Authority by the bank anytime a check is not honored for payment. For security reasons, Management shall not accept cash payment of rent.

B. Residents who fail to pay monthly rent by the fifth (5th) business day of each calendar month are delinquent. Being delinquent in rent payment more than three (3) times during the twelve (12) month term of this Lease shall be a material breach of this Lease, unless any such delinquency is outside the control of the Resident and is documented by Resident to the satisfaction of Management.

C. At the time that Resident signs this Lease, he/she will give Management a Security Deposit of \$_____. After this Lease is terminated, Management has the right to apply such amounts from the Security Deposit as are reasonably necessary to remedy damages suffered or cost incurred by Management due to any of the following: Resident's non-payment of rent or any other charges, damage to the Residence or the development caused by Resident, Resident's household members or guests or visitors, and which exceeds normal wear and tear, and Management's expenses in cleaning the Residence after Resident vacates the Residence. If Resident fails to provide a forwarding address, Management shall hold any refund in trust for Resident, without interest. If such costs, charges or expenses or damages exceed the amount of the Security Deposit, Resident will immediately pay the difference and shall remain obligated for such excess charges, expenses or damages after any termination of the Lease. If Resident vacates the Residence and owes a balance for any of the above reasons, he/she will not be eligible for

re-admission to this or any other housing program administered by The Housing Authority of the County of Los Angeles until all outstanding charges have been paid in full.

3. UTILITIES

A. The following utility service(s), when applicable, will be furnished by Management without additional cost to Resident:

B. Resident will arrange with local utility companies for turn-on of those utilities not provided by Management under (A) above. Failure by Resident to have utilities turned on or to pay utility bills is a material breach of this Lease.

4. OTHER CHARGES

A. Resident shall pay other reasonable charges ("Other Charges") beyond normal wear and tear for repair or damage to the Residence or for unauthorized alteration to the Residence or public areas caused by Resident, other household members or guests. Other Charges shall be billed to Resident and will specify damaged items, corrective action taken and cost of labor and/or materials to correct damages. The cost of repairs will be based upon the Schedule of Other Charges provided to each Resident and which is posted in the Management Office and incorporated into this Lease by reference.

B. Management will accept payments of Other Charges separately from payments of rent owed by Resident. The failure of Resident to pay Other Charges when due will constitute a material breach of the Lease. Other Charges will be due and payable the first day of the second calendar month following the calendar month in which the Other Charges are incurred.

5. REDETERMINATION OF RENT AND OCCUPANCY

A. (1) Once a year, or more frequently as requested by Management, Resident, who elects to pay income-based rent, must provide Management with a true and complete written verification of all family income including anticipated income from all sources, family composition, and any other information deemed pertinent by Management, which will be reviewed by Management to determine whether the rent being paid should be changed and/or if Resident is still eligible for continued occupancy in the Residence. If family composition changes requiring a change in unit size, Resident agrees to transfer to an appropriate size dwelling unit based on family composition upon one transfer offer by Management. If Resident refuses or fails to transfer to an appropriate size dwelling unit based on family composition (except for good cause refusal as set forth in Admissions and Continued Occupancy Policy), such refusal shall be a material breach and Management may terminate the Lease. Each review and redetermination of rent and occupancy in the Residence ("Regular Review") will be made in accordance with approved Admissions and Continued Occupancy Policy available in Management's Office and incorporated herein by reference.

(2) Management may begin processing the Regular Review prior to making a determination of whether or not to renew Resident's Lease. Management's action to begin the Regular Review shall not be deemed a waiver by Management of its right to refuse renewal of a Resident's Lease in accordance with Section 1A herein.

(3) Any rent adjustment required as a result of the Regular Review will be effective thirty (30) days after service on Resident of a Notice of Rent Adjustment as provided in subparagraph D below. The Resident may ask for an explanation stating the specific grounds of Management's determination. If Resident does not agree with the determination, the tenant shall have the right to request a hearing under Management's grievance procedure. The Regular Review will occur on or about the same date or dates each calendar year during Resident's occupancy. If Resident or Resident's household does not provide Management the written verification as to all items requested as described above, or execute authorization to release such items, within ten (10) days of Management's request, or if Resident or Resident's household misrepresents any material fact or omits or fails to state any material fact therein, then Resident will have materially breached this Lease.

B. Interim Rent Redetermination

(1) The monthly rent described in Section 2 of this Lease as adjusted pursuant to the latest Regular Review described in subparagraph (A) above, will remain constant for the period between Regular Reviews, unless during such a period any of the following "Changes in Circumstance" occur:

(a) There is a loss of head of household (Resident) due to death, abandonment, separation, divorce or other continuing circumstances. In such event the Lease shall terminate and a new Lease shall be executed by a responsible, residual adult family member deemed legally eligible by the accepted Admissions and Continued Occupancy Policy (a copy of which is on file in Management's office and which is incorporated herein by reference), and Management.

(b) There is a loss of any person(s) other than head of household, whose name is listed in Section 1 (A), as a "Resident".

(c) There is an addition of a member of the household who is 18 years of age or older, by marriage, remarriage, cohabitation or otherwise, and the additional member is added to the Lease in accordance with Management's policy.

(d) Resident can show a change in his/her family circumstances (such as decrease in income) or other similar circumstances which will create a hardship to the Resident in relation to the prompt payment of the rent. In the event the monthly rent payment is decreased because of a verifiable hardship to Resident, Resident must promptly report to management any increases in family income which occur, and the monthly rent will be appropriately adjusted.

(e) There is an additional source of income for any eligible family member, and/or income increases by \$200.00 or more a month or the addition of a family member to the household.

A TRUE AND COMPLETE STATEMENT OF ALL CHANGES DESCRIBED IN SUBPARAGRAPHS (a), (b) (c) (d) AND (e) ABOVE MUST BE REPORTED TO MANAGEMENT WITHIN TEN (10) CALENDAR DAYS OF THEIR OCCURRENCE AND ANY FAILURE BY RESIDENT TO DO SO OR ANY MISREPRESENTATION OF ANY SUCH CHANGES WILL BE A MATERIAL BREACH OF THE

LEASE.

- (2) If, upon verification of a Change in Circumstances, Management determines that Resident's monthly rent does not conform to regulatory requirements, an adjustment in the monthly rent will be made. Interim adjustments in the monthly rent will be effective as follows:
- (a) Any decrease in rent will be effective on the first day of the calendar month following the month in which a Change in Circumstances was reported. If the reduction in income is reported after the Housing Authority's cut-off date for the following months rent set-up, Management will charge the resident the former, higher rent, subject to a credit when the circumstances of reduction are verified.
 - (b) Any increase in rent will be effective on the first day of the second calendar month following the month in which the Change in Circumstance occurred.
 - (c) No interim increase or decrease in rent will be made until all the information for making the determination has been verified by Management.

C. Retroactive Rent

If the Resident misrepresents facts, omits any pertinent information, or fails to inform Management of information it requires for an annual reexamination or interim rent adjustment and these failures result in a lower rent than should have been charged, Management, in its sole discretion, may terminate the Lease for a material breach and/or may make the rent increase retroactive to the date it would have been effective. Any resulting retroactive rent must be paid by the Resident according to the terms of the Repayment Agreement. In addition to collecting the retroactive rent and/or terminating the Lease Agreement, Management may pursue any additional actions allowable under Federal, State or local law.

D. Notice

Management will mail or deliver a "Notice of Rent Adjustment" to Resident at the Residence in accordance with Section 10 of this Lease in the event that the monthly rent payment is increased or decreased pursuant to Section 5.

E. Confidentiality of Record

All records and information given by Resident to Management shall remain confidential and shall not be disclosed except insofar as the Management is authorized by Federal or State Law to make disclosures to other government agencies or as requested by Resident or the Resident's authorized representative.
