## **Executive Summary (optional)**

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Lakewood Housing Authority is submitting this first revision of its 5-year Plan for FY2005-2009 primarily for the purpose of including disposition activities, which were not addressed in the previous 5-year Plan. Included also is the LHA's Annual Plan for FY2007.

The Lakewood Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Lakewood Housing Authority:

# To provide an opportunity for a healthy, affordable, decent and safe living environment for the people of the Lakewood community.

We have also adopted the following goals and objectives for the next five years:

- 1. To increase affordable housing opportunities for low-to-moderate income households.
- 2. To help preserve Lakewood's housing stock and reduce neighborhood blight.
- 3. To provide support services which allow residents receiving rental subsidies to reach their full potential towards self-sufficiency and become fully integrated into the Lakewood community.
- 4. To provide and encourage services and activities which strengthen families, neighborhoods and the community.
- 5. To seek opportunities which will help the Lakewood Housing Authority become a financially self-sustaining agency.

Our Annual Plan is based on the premise that is we accomplish our goals and objectives; we will be working toward the achievement of our mission.

The plans, statements, budget summary, policies, etc., set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- The Plan includes local preferences for those displaced by government action: for those who are working or are in an education or training program (seniors and people with disabilities automatically get this preference): and for those who live or work in the City of Lakewood.
- The Plan includes an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 Program, we are screening applicants to the fullest extent allowable while not taking away the ultimate

responsibility from the landlord. Our screening practices will meet all fair housing requirements.

- We have established a minimum rent of \$50.00 for the Section 8 Housing Choice Voucher Program.
- We have established a method for establishing flat rents for our Public Housing units.
- We are going to utilize 90-100% of the published Fair Market Rents as our payment standard for the Section 8 Program.
- We have conducted the required initial assessments for the conversion of LHA public housing units and determined that conversion and or disposition is feasible, therefore a disposition application will be submitted in 4<sup>th</sup> quarter FY2006.
- We have also conducted the required deconcentration income analysis for public housing units.
- We have established a Section Home Ownership program for qualified Section 8 program participants.
- We offer case management services, programs or activities, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault or stalking.
