Current Term Expired and is pending  
Appointment by the Mayor of the City of Fort Walton Beach, FL  
For a Four-Year Term

**FORT WALTON BEACH HOUSING AUTHORITY  
RESIDENT CUSTOMER SATISFACTION SURVEY  
FOLLOW-UP PLAN**

The Housing Authority of the City of Fort Walton Beach (FWBHA) was required to develop an action plan for any of the five areas included in the survey that fell below 75 percent last fiscal year.

As a result, the HA must respond in the following areas: maintenance and repair, communication, and neighborhood appearance. This follow-up plan addresses all required factors of the recent survey.

**Corrective Action Plan**

Upon review of the Residence Assessment, the Executive Director will be implementing the following policies and procedures to correct the Residence Assessment reported.

Maintenance and Repair

In regards to maintenance and repairs, our housing development is over thirty years old, and we are currently working on updating the plumbing as the funds become available. When dealing with older plumbing systems, sometimes it will take more than one time to come out and correct the problem. Also currently the maintenance turn around time on emergency work orders are twenty-four hours, and non-emergency work orders are forty-eight hours.

Communication

Currently we have a residence meetings the second Tuesday of every month. The meetings are held in the evening so that it is convenient for tenant participation, in which we continuously have a poor response. We will continue to try to reach out to the community/tenants by promoting more tenant participation, so their voices and opinions can be heard. We also currently have an open door policy in which tenants are encouraged to stop by or call at any time if they have questions or concerns.

Neighborhood Appearance

Due to our participation with FEMA and allowing them to use our extended playground area to park their trailers to accommodate families that suffered damages to their units following Hurricane Ivan, we are in the process of waiting on FEMA to restore the playground area back to its original condition, as stated in the signed contract. We are also waiting on insurance payments to renovate units and the grounds that suffered a lot of damage from Hurricane Ivan, Hurricane Dennis, and Hurricane Katrina. The staff is working diligently to insure that all projects are completed in a timely manor.

Board Resolution to Accompany the *Streamlined Annual PHA Plan***

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the streamlined Annual PHA Plan for PHA fiscal year beginning July 1, 2007, hereinafter referred to as the Streamlined Annual Plan, of which this document is a part and make the following certifications, agreements with, and assurances to the Department of Housing and Urban Development (HUD) in connection with the submission of the Streamlined Plan and implementation thereof:*

1. The streamlined Annual Plan is consistent with the applicable comprehensive housing affordability strategy (or any streamlined Plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, and provided this Board or Boards an opportunity to review and comment on any program and policy changes since submission of the last Annual Plan.
3. The PHA made the proposed streamlined Annual Plan, including policy and program revisions since submission of the last Annual Plan, and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the streamlined Plan and invited public comment.

The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
6. For streamlined Annual Plans that include a policy or change in policy for site-based waiting lists:  
The PHA regularly submits required data to HUD's MTCS in an accurate, complete and timely manner (as specified in PIH Notice 99-2);
  - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(b)(2).
