A. A hardship exists in the following circumstances:

1. When the family has lost eligibility for or is waiting for an eligibility determination for a Federal, State, or local assistance program;
2. When the family would be evicted as a result of the imposition of the minimum rent requirement;

5. When a death has occurred in the family.

- B. There is no minimum rent hardship exception if the hardship is determined temporary. The AHA may request reasonable documentation of hardship circumstances. If the AHA determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the AHA reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the date of the family=s request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The AHA will offer a reasonable repayment agreement, however, the family cannot be evicted for non-payment of rent due to the minimum rent hardship.
- D. Long-term hardship. If the AHA determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists. This is done retroactively to the date of the family=s request for an exception.
- E. The new minimum rent policies are retroactive to the effective date of the Quality Housing and Work Responsibility Act of October 21, 1998. If a tenant in occupancy has qualified for one of the mandatory hardship exceptions since October 21, 1998 and was charged a minimum rent, the AHA will make arrangement to reimburse the tenant the overpayment in an equitable manner.
- F. Appeals. The family may use the grievance procedure to appeal the AHA=s determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

D. Reserved for Community Service Requirement pursuant to section 12(c) of the U.S. Housing Act of 1937
--

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older
- B. Family members who are blind or disabled
- C. Family members who are the primary care giver for someone who is blind or disabled
- D. Family members engaged in work activity as defined in Section 407(d) of the Social Security Act (42 U.S.C. 607(d) as in effect on and after July 1, 1997
- E. Family members who are exempt from work activity under Part A Title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- F. Family members receiving assistance under a State program funded under Part A Title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

The AHA shall identify all adult family members who are apparently not exempt from the community service requirement.

The AHA shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The AHA shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The AHA will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the AHA may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the AHA will do the following:

- A. Provide a list of volunteer opportunities to the family members (by phone, in person, etc.)
- B. Provide information about obtaining suitable volunteer positions.

- C. Provide a self certification form listing agencies and the dates and times of volunteering/working.
- D. At the time of the family's next lease anniversary date or recertification, the family will meet with their Property Manager, review each applicable family member's community service time sheet and determine if each applicable adult family member is in compliance with the community service requirements.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The AHA will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.

14.7 OPPORTUNITY FOR CURE

The AHA will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agree(s) to enter into an economic self-sufficiency program or agree(s) to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the AHA shall take action to terminate the lease.

14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

20.7 PET POLICY

DEFINITION

For the purpose of these rules, “pet” is defined as a domesticated small animal traditionally kept in the home for pleasure rather than for utility or commercial purposes. Pet is understood to be limited to: dogs, litter box-trained cats, birds (specifically parakeets, canaries, or finches), small caged rodents (i.e., hamsters, gerbils, and guinea pigs), fish and turtles. Exotic animals are not considered “pets”. These rules, in compliance with federal regulations, distinguish cats and dogs from other pets as “fur-bearing” animals. Except where otherwise indicated, these rules apply principally to dogs and cats.

PET RESTRICTIONS

No more than one fur-bearing pet is permitted in an apartment. There may be no more than two birds or small caged animals per apartment. No limit is placed on the number of fish; however, the size of fish tank may not exceed 10 gallons. Guests are not permitted to bring any type of pet onto the premises.

LOCATION OF PETS WITHIN THE BUILDING

Pets shall not be brought into public lobbies, laundry rooms, and storage areas, dining areas or other public gathering spaces. When dogs or cats are moved through the building, they must be moved from the resident’s apartment to the outside exit. One elevator will be specified for pet use; pets will be limited to that one elevator.

SIZES

Dogs shall weigh no more than 20 pounds at the time of maturity and stand no more than 20 inches at the shoulder. Pets acquired as puppies shall be understood to mature at the height and weight not to exceed these height and weight restrictions. American Kennel Club’s standards shall determine the height and weight after maturity of the breed. A non-documented animal will be assumed to mature to that size which has been determined by veterinarian evidence to the Management in a signed letter.

LICENSURE AND TAGS

Every dog and cat must wear the appropriate local animal license, a valid rabies tag and a tag bearing the owner’s name, address and telephone number. All licenses and tags must be current.

ADMISSION/REGISTRATION

Every dog and cat must be registered with management upon admission and, thereafter, annually on the resident lease expiration and recertification date. Registration of dogs and cats requires proof of current dog or cat licensure, including, but not limited to feline distemper shots. Dogs shall have certifications of appropriate inoculations for heartworm, parvo and rabies, unless otherwise specified by a veterinarian. A verification letter that a cat or dog has been spayed or neutered is required prior to admission. Proof of liability insurance, evidence of a flea control program and verification of alternate care-takers are also required as discussed below.

Prior to admittance of a pet into the facility, residents will be required to complete the pet registration form and sign the Lease Addendum pertaining to pets. All pets must be registered.

As part of the application the applicant shall acknowledge and agree that Management has the right to refer cases of pet abuse or abandonment to the appropriate Humane Society or other agency and the AHA and its representatives shall be held harmless for such referral made in good faith.

Applicants are encouraged to review and complete the appropriate form for estimating the costs of pet ownership prior to acquiring a pet.

Any change in pet will be treated as a new pet, and the permission procedure must be initiated and approval obtained once again before the new pet is allowed on the property.

ALTERING

All cats must be declawed prior to occupancy. Female dogs and cats over six months must be spayed, and males over eight months must be neutered. Dogs and cats cannot be admitted until they are old enough to be declawed, spayed or neutered.

LIABILITY

Residents owning pets shall be liable for the entire amount of all damages caused by their pet and all cleaning, defleaing and deodorizing required because of such pet. Pet owners shall be strictly liable for the entire amount of any injury to the person or property of other residents, staff or visitors of the Development caused by their pet. (Resident's will hold AHA, owners of the development and its employees harmless and indemnify them from any and all claims arising directly and indirectly from any injury or damage as a result of pet ownership.) Pet owners are encouraged to obtain liability insurance. Pet liability insurance can be obtained through most insurance agents and companies. It can also be included in renter's policies. At the discretion of the Executive Director or his designee, any owner with an aggressive breed or an animal perceived as such, may be required to obtain insurance.

PET DEPOSIT

Each dog and cat owner must provide a pet security deposit in the amount of \$200.00 in addition to the standard rental security deposit. This deposit shall be maintained in a separate account as provided for by state law and HUD regulations for the maintenance of security deposits. The amount of pet deposit is established to reflect the potential cost of replacing carpeting and other furnishings as a result of pet odors, stains and damage. This fee also reflects the average pet deposit required by apartment facilities in the market area that permit pet ownership.

SANITATION

Dogs and cats are required to be "house-broken". Cats must be litter-box trained. Dogs must be able to exercise outside the building. Management shall designate a space or spaces to be used exclusively for the purpose of exercising dogs. Pet owners shall be responsible for the immediate clean up of feces after the exercise of their dog. Resident dog owners must place the waste feces in a plastic bag, securely tie and deposit it in designated outdoor trash receptacles. Cat owners shall place "kitty litter" waste in a plastic bag, tie securely, and drop it in specified outdoor trash receptacles. "Kitty-litter" waste may not be disposed of down any garbage chute.

FLEA CONTROL

Upon admission of a pet, the pet owner shall file with Management, proof that a flea control program acceptable to Management will be maintained for a fur bearing pet. Thereafter, the owner of the fur-bearing pet shall file at

intervals determined by Management proof that the pet and/or the apartment is being sprayed for fleas by an accredited exterminator or as recommended by an exterminator.

NOISE

No pet may make noise which disrupts other residents. Barking and/or whining dogs and crying or “caterwauling” cats will not be considered acceptable pets.

PET BEHAVIOR

No pet that bites, attacks, or demonstrates other aggressive behavior toward humans or other domesticated animals may be kept.

LEASHES

Dogs and cats shall be on hand-held leashes no longer than 5 feet in length under the control of a responsible individual at all times outside the confines of the pet owner’s apartment.

ALTERNATE CARETAKER

The pet owner must supply the name of a pet sponsor who will be willing to assume immediate responsibility for the pet in case of an emergency (i.e., when the pet owner is absent or unable to adequately maintain the pet). Written verification of the willingness of these persons to assume alternate caretaker responsibility is required. It is the responsibility of the pet owner to inform the management of any change in the name, address or telephone number of the person designated as alternate caretaker. Any expenses relating to alternate caretaker are the responsibility of the pet owner.

In cases of emergency, when management is unable to reach the alternate caretaker, the pet owner agrees to allow management to place the pet in an appropriate boarding facility with all fees and cost borne by the pet owner. Within five days of such an emergency, the resident, his agent, family or estate must make arrangements with the holder of said pet as to its disposition and shall be responsible for all obligations, financial and otherwise, in such disposition.

The resident pet owner absolves Management and/or its agents of any and all liability, financial or otherwise, for actions taken on behalf of the pet owner, or the well-being of the pet.

SICK OR INJURED ANIMALS

No sick or injured pet will be accepted for occupancy without consultation and written acknowledgment of a veterinarian as to the condition of the pet’s ability to live in an apartment situation. Acceptance, regardless of documentation and consultation, is the prerogative of the Management. Admitted pets which suffer illness or injury must be immediately taken for veterinarian care at the resident pet owner’s expense.

RULE ENFORCEMENT

Any tenant who receives three letters of violation of these pet rules and a letter of intent describing these violations from Management may be required, after private conference, to remove the pet from the premises and provide management with a signed affidavit stating that the pet is no longer on the premises and will not return in the future. Misrepresentation of this affidavit will be grounds for eviction of the resident.

Management exercises the right to act immediately in insisting that an offending pet be removed forthwith in situations deemed to be of an emergency nature. In such instances, Management will act as specified in the section on “Alternate Caretaker” in removing a sick, diseased, or injured and/or aggressive animal.

SPECIALLY-TRAINED ANIMALS

Specially-trained animals to assist the visually and/or hearing impaired and other handicapped persons will not be required to meet the limitations as to pet size, limitations on overall number within the complex, location of pets, or pet deposit, but will be required to meet all other aspects of these rules.

COURTESY

Pets can be therapeutic for those who enjoy, own and care for them. However, pets can be threatening to others who, for whatever reason, are fearful of or allergic to animals. Please exercise common courtesy to other residents and AHA staff in dealing with your pet.

COMPLAINT PROCESS

Management has established a system for handling complaints regarding pet ownership. Management will give the pet owner written notification of a pet rule violation or complaint and will give the owner an opportunity to correct the violation.

The pet owner has the opportunity to meet with management within ten days of written notice to discuss the violation. If the violation is not adequately resolved, management may initiate action to remove the pet or terminate tenancy. Any pet owner with a past history of not being a responsible pet owner for example; has not followed the pet policy rules, or has had a pet removed for violations of the pet policy, will not be allowed to obtain another pet.

VISITING ANIMALS

These rules pertain only to residents and resident pet owners. No visiting pets are allowed, with the exception of animals through an approved pet therapy program or a disabled visitor requiring a specially-trained animal.

MANAGEMENT'S DETERMINATION FORM

Management will be required to complete the management's determination form. This form will be used to determine whether the pet should be admitted into the building. Management reserves the right to prohibit the admission of any pet in cases where it determines the pet or pet owner will not be able to meet the requirements of these pet rules.

LEGAL OBLIGATIONS

The State of Illinois and the City of Aurora have many laws relating to dogs and cats. The following is a list of main requirements.

1. All dogs and cats must wear a license (available at the City/Village/County Buildings).
2. All dogs and cats must wear a valid rabies tag (available at your veterinarian's office).

**PHA Plan for conforming to the requirements of the Carbon
Monoxide Alarm Detector Act.**

The AHA plans to install carbon monoxide alarm detectors within 15' of all sleeping rooms prior to January 1, 2007. The AHA lease and ACOP will be modified to include all related requirements for residents.

The AHA has already installed carbon monoxide alarm detectors in all family units on the first floor (since 1995). Carbon monoxide alarm detectors will now be installed on the second floor for all family units (as applicable), in first floor bedroom hallways and in all senior buildings (in each individual unit).

The following notice was hand delivered to all AHA residents on December 8 and December 11, 2006. The notice was mailed to scattered sir residents on December 8, 2006.

IMPORTANT RESIDENT NOTICE

December 7, 2006

To: All Aurora Housing Authority (AHA) Residents

Subject: Carbon Monoxide Alarm Detector Act

Dear Residents,

On May 8, 2006, the Carbon Monoxide Alarm Detector Act was passed. This Act requires that every dwelling unit be equipped with at least one approved carbon monoxide alarm in an operating condition within 15 feet of every room used for sleeping purposes by January 1, 2007. This Act states that it is the responsibility of the owner of a structure to supply and install all required alarms. This Act states that it is the responsibility of a tenant to test and to provide general maintenance for the alarms within the tenant's dwelling unit or rooming unit, and to notify the owner or the authorized agent of the owner in writing of any deficiencies that the tenant cannot correct.

This Act states that tampering with, removing, destroying, disconnecting, or **removing the batteries** from any installed carbon monoxide alarm, except in the course of inspection, maintenance, or replacement of the alarm, is a Class A misdemeanor in the case of a first conviction, and a Class 4 felony in the case of a second or subsequent conviction. **As stated above, it is the responsibility of a tenant to test and to provide general maintenance for the alarms within the tenant's dwelling unit and to notify the AHA in writing of any deficiencies that the tenant cannot correct. If you or a family member remove, destroy or disconnect a carbon monoxide alarm provided and installed by the AHA, you may be convicted of a Class A misdemeanor in the case of a first conviction, and a Class 4 felony in the case of a second or subsequent conviction. Remember, you are responsible for replacing batteries in the carbon monoxide alarm as needed.**

This is your advance notice that AHA staff will be providing and installing carbon monoxide alarms within 15 feet of every room used for sleeping purposes in all units before January 1, 2007.

Make certain you do not remove any carbon monoxide alarm, remove any batteries and report in writing to the AHA any deficiencies that you cannot correct.

Sincerely,

David Kramer
Deputy Executive Director

Violence Against Women Act Provisions

The AHA has amended the ACOP to include a reference to the Violence Against Women Act (VAWA).

19.3 OTHER REASONS FOR DENIAL AND TERMINATION

Other reasons for denial and termination of assistance

- A. **Criminal Activity:** A tenant shall not engage in any criminal activity whether said activity occurs on the leased premises, or on or near the housing development of which the leased premises are a part. Criminal conduct, to meet this definition, needs to be proven by the preponderance of the evidence.

Commission of violent crimes, including assault and battery, by any member of the household, whether or not on AHA property, may be grounds for termination of tenancy.

No member of the tenant's household that resides with the tenant during the term of the tenant's lease, whether a minor or adult, shall engage in any criminal activity whether that activity occurs on the leased premises, or on or near the housing development of which the leased premises are a part. It shall be presumed that any individual who is listed on the lease as a member of the tenant's household or who is otherwise listed in Management files as a member of the tenant's household, and who engages in any criminal activity, resides with tenant and is under tenant's control, unless tenant, before the date of any incident giving rise to any criminal activity, shall have specifically informed Management in writing, that said individual is no longer a member of the his/her household and no longer resides upon the leased premises.

No guest or visitor of either tenant or member of the tenant's household shall engage in any criminal activity on the leased premises. Unless the tenant can demonstrate otherwise, it shall be presumed that any person engaging in criminal activity is a guest or a visitor of the tenant and under tenant's control, or a member of his/her household if said criminal activity takes place on the leased premises.

Criminal Activity shall include, but not be limited to, any of the following serious misconduct:

1. Physical assault or threat of physical assault to any person whatsoever. An Assault is defined as the threat or attempt of physical harm whether successful or not, and does not require actual touching. Battery is defined as the actual intentional striking of someone, with intent to harm, or in a "rude and insolent manner" even if the injury is slight. Both are crimes and can be the basis of lawsuits as a civil wrong.
2. Illegal use or possession of firearms or other weapons or ammunition or the threat to use an illegal firearm or other weapon.
3. Illegal manufacture, sale, distribution, use or possession with intent to manufacture sell, distribute or use, of a controlled substance, unless such controlled substance was obtained directly from or pursuant to a valid prescription or order by a practitioner as defined by the law of the State of Illinois while acting in the course of his/her professional practice;
4. Sexual molestation, debauchery of a minor, prostitution, and other similar or related serious misconduct. It shall be conclusively presumed that engagement in any of the foregoing serious conduct constitutes a serious danger to the health or safety of tenants or employees of the AHA.

The AHA may deny admission to any applicant who engages in the activity as described above, or terminate the tenancy of any tenant who engages in the activity as described above, without regard to the following:

- (i) whether or not any person, whose conduct is at issue, has been arrested,
 - (ii) whether or not the applicant or tenant had any knowledge, in fact, of criminal activity engaged in by a member of said person's household or of any guest or invitee or of a member of said person's household.
- B. Drug Use: A person may be denied eligibility for admission if that person is a confirmed and/or current drug addict.

In cases where a drug addict is undergoing follow-up treatment by a professional agency after discharge from an institution, the applicant shall not be considered ineligible.

- C. Rape or Sexual Deviation: As provided in sub clause 1 of this Section, applicants may be denied admission and tenancy may be terminated for applicants or tenants or members of their households who have been involved as offenders in rape, indecent exposure, carnal abuse and impairing the morals of a minor. Exception is permitted in the case of an individual under 16 years of age when he/she was involved in such offense and evidence from a reliable source shows that the individual may be considered rehabilitated.
- D. Initiating threats or behaving in a manner indicating an intent to assault employees or residents of the AHA.
- E. Abandonment of a Public Housing dwelling without advising the Aurora Housing Authority officials so that staff may secure the unit and protect its property from vandalism.
- F. Intentionally falsifying an application for leasing including giving false information regarding family income, size, or utilization of an alias on the application for housing.
- G. Record of serious disturbances consists of patterns of behavior which endanger disturbing to neighbors or disrupt sound family community life, indicating the applicant's or resident's inability to adapt to living in a multi-family or other setting. This definition also includes neglect of children which endangers their health, safety or welfare, judicial termination of residency in previous housing on the grounds of nuisance or objectionable conduct, or alcoholism or frequent loud parties, which have resulted in serious disturbance to neighbors.
- H. Grossly unsanitary or hazardous housekeeping includes the maintenance of a fire hazard through acts such as hoarding of rags and papers; severe damage to premises and equipment, if it is established that the family is responsible for the condition; seriously affecting neighbors causing infestation, foul odors, depositing garbage in halls; or serious neglect of the premises. This category does not include families whose housekeeping is found to be superficially unclean or to lack orderliness, where such conditions do not create a problem for neighbors. This category does include irresponsibility and negligence regarding practices of resident fire safety, prevention, and evacuation as indicated in the established plan. Specifically, any resident, or guest or visitor of a resident responsible for more than

two fire alarm response calls from the local fire department for tenant caused fires annually will be subject to the eviction process. Likewise, any resident who has been warned more than two times annually not to leave the door to their unit open, or has been warned for improper use of fire doors, or any non-compliance with City code which may cause a potential fire hazard will be subject to the eviction process.

- I. Disregard for the rules of occupancy and the rights of others which would diminish their enjoyment of the premises, by adversely affecting their health, safety or welfare.
- J. Acts of destruction defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts.
- K. Any criminal activity on the property or drug-related criminal activity committed by a tenant, guest, visitor or member of the tenant's household on or near the premises. This includes but is not limited to the manufacture of methamphetamine on the premises of the AHA.
- L. Non-compliance with Non-Citizen Rule requirements.
- M. Permitting persons not on the lease, guests or visitors, to reside in the unit more than fourteen (14) consecutive days each year without the prior written approval of the AHA.
- N. Other good cause.
- O. The AHA will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program.
- P. *Pursuant to the "Violence Against Women Act", the AHA's Public housing selection/admissions and continued occupancy provisions will prohibit denial of or eviction/termination of assistance to individuals for reasons related to incidents of "domestic violence", "dating violence", and "stalking" in which they were a victim. The AHA will maintain the confidentiality of certifications of an individual that they are victims of domestic violence and, in general, will implement and comply with the new ("VAWA") requirements.*

Each resident is required to sign the following form at time of certification:

VIOLENCE AGAINST WOMEN ACT (VAWA)
DEFINITIONS

Domestic Violence- includes felony or misdemeanor crimes of violence committed by a current or former spouse, cohabitant, person whom the victim shares a child, etc.

Stalking—means to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to that person, a member of the immediate family of that person, or the spouse or intimate partner of that person.

Dating Violence- means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature and where this relationship will be determined based on length of, type of, and frequency of interaction.

Immediate Family Member- means a spouse, parent, brother, sister, or child of that person, or an individual who has legal responsibility for that person's child, or any other person living in the household of that person and related to that person by blood or marriage.

Implementing:

Public housing and Section 8 selection/admissions/portability and continued occupancy provisions prohibit denial of selection/admission or eviction/termination of assistance to individuals for reasons related to incidents as stated above in which they were a victim.

The housing authority and property owners renting to Section 8 participants are required not to deny access or evict victims of the types of violence as listed above related to their being abused. In selection and regarding termination an incident of violence as listed above will not be construed as a serious or repeated violation of the lease by the victim. The owner or housing authority may remove a lawful occupant or tenant who engages in the criminal act of violence to family members or others without evicting victimized lawful occupants. The owner or AHA can evict or terminate assistance for other good cause unrelated to the incident or incidents as listed above as long as the same standards apply to victims and non-victims or if they can demonstrate an actual and imminent threat to others if that tenant is not evicted or terminated.

Certification:

The owner or AHA can request that an individual provide a certification of his/her status as a victim of domestic violence, dating violence, or stalking in order to qualify for the protections implemented and confidentiality the statute provides.

10.4 DECONCENTRATION POLICY

It is AHA's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, the AHA will skip families on the waiting list to reach other families with a lower or higher income. The AHA will accomplish this in a uniform and non-discriminatory manner.

The AHA will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, the AHA will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which the AHA developments are located, and the income levels of the families on the waiting list. Based on this analysis, the AHA will determine the level of marketing strategies and deconcentration incentives it will implement.

10.5 DECONCENTRATION INCENTIVES

The AHA may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Component 3, (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments			
Development Name:	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]
