ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The Bureau County Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Housing and Work Responsibility Act (QHWRA) of 1998. Our agency used the U. S. Department of Housing & Urban Development required template. This plan is also consistent with the State of Illinois Consolidation Plan as prepared by the Illinois Housing Development Authority.

The mission of the Bureau County Housing Authority is to assist low-income families with safe, decent, and affordable housing opportunities, without discrimination, as they strive to enhance their quality of life. We will also offer voucher rental assistance and related services to our community.

Faced with shrinking federal dollars that support various programs, the Authority continues to address the needs of our jurisdiction's extremely low-, very low- and low-income residents.

One major initiative is to continue the systematic assessment and renovation of our housing stock. We must continue to provide housing that is decent, safe, sanitary and in good repair. At the same time we must also be responsive to housing needs of the jurisdiction yet strive to be competitive with the local market for amenities and services.

The Board of Commissioners passed a resolution to significantly increase the allowable expenses in the Capital Fund Program for the operating (1406) and administrative (1410) line items. The goal is to offset some of the costs of program administration that will

now be charged off against central office expenses under the new asset management model of accounting procedure.

On the down side, the Management Assessment Sub-System (MASS) portion of the Public Housing Assessment System (PHAS) for FY 2006 was erroneously not submitted. This resulted in a PHAS score of 63%. We plan to forge ahead and continue to improve the condition and availability of affordable housing in Bureau County.

SUMMARY OF POLICY CHANGES

We have made the following changes to our policies or programs based on changes in statutes and/or HUD regulations that have occurred in the past year.

- In accordance with Illinois Carbon Monoxide Detector Alarm Act PA 094-0741 effective 1/1/07 the Bureau County Housing Authority has installed detectors in each family units of the 86-2 project. The remaining projects 86-1, 86-3, 86-4 are all hi-rises and have detectors installed outside the boiler rooms. Local fire departments have provided approved recommendations stating this would be all that was necessary to meet compliance with the new law. In addition these recommendations follow the State Fire Marshall's written policy interpretation on this statute.

- ***ADMISSIONS AND CONTINUED OCCUPANCY POLICY:***

Bifurcation of a lease, if necessary, in cases of domestic violence or abuse

Verification requirements for the Medicare Prescription Drug Program

- ***SECTION 8 PROGRAM ADMINISTRATIVE PLAN:***

Verification requirements for the Medicare Prescription Drug Program

Admission restrictions for college students

In addition we are making the following discretionary changes to policies:

- ***ADMISSIONS AND CONTINUED OCCUPANCY POLICY:***

Current balance and current rate of return of funds that are available to them at the time of determination will be the basis for computing annualized asset income.

Tenants in good standing as relates to unit transfers

- ***SECTION 8 PROGRAM ADMINISTRATIVE PLAN:***

Current balance and current rate of return of funds that are available to them at the time of determination will be the basis for computing annualized asset income.

All requests for informal hearings must be made in writing

Any family absent from the assisted unit for more than 60 consecutive calendar days must be terminated from the program

Required Attachment F: Implementation of Public Housing Resident Community Service Requirements

**Bureau County Housing Authority
Annual Plan for Fiscal Year 4/1/2007 – 3/31/2008**

CONTINUED OCCUPANCY AND COMMUNITY SERVICE

GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirement.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity.
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

NOTIFICATION OF THE REQUIREMENT

The Bureau County Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Bureau County Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Bureau County Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination or after October 31, 2003. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Bureau County Housing Authority will coordinate with social service agencies, local schools and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Bureau County Housing Authority may create volunteer positions such as hall monitoring, litter patrols and supervising and record keeping for volunteers.

THE PROCESS

At the first annual reexamination on or after October 31, 2003 and each annual reexamination thereafter, the Bureau County Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.

- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Bureau County Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Bureau County Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

OPPORTUNITY FOR CURE

The Bureau County Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Bureau County Housing Authority shall take action to terminate the lease.

PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Bureau County Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.
