This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Public Housing Agency Plan Provision – Annual Plan  
NORTH CHICAGO Housing Authority (NCHA)**

## **8. Capital Fund Program Five-Year Action Plan**

The North Chicago Housing Authority (NCHA) has adopted a policy (the “NCHA VAWA Policy”) to implement applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) (VAWA). NCHA’s goals, objectives and policies to enable NCHA to serve the needs of child and adult victims of domestic violence, dating violence and stalking, as defined in VAWA, are stated in the NCHA VAWA Policy, a copy of which is attached to this Plan. In addition, NCHA shall operate programs to serve the needs of child and adult victims of domestic violence, dating violence and stalking as and to the extent such programs are described from time to time in NCHA’s Annual Public Housing Agency Plan.

### **NORTH CHICAGO HOUSING AUTHORITY VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY**

#### **I. Purpose and Applicability**

The purpose of this policy (herein called “Policy”) is to implement the applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) and more generally to set forth NCHA’s policies and procedures regarding domestic violence, dating violence, and stalking, as hereinafter defined.

This Policy shall be applicable to the administration by NCHA of all federally subsidized public housing and Section 8 rental assistance under the United States Housing Act of 1937 (42 U.S.C. §1437 *et seq.*). Notwithstanding its title, this policy is gender-neutral, and its protections are available to males who are victims of domestic violence, dating violence, or stalking as well as female victims of such violence.

#### **II. Goals and Objectives**

This Policy has the following principal goals and objectives:

- A. Maintaining compliance with all applicable legal requirements imposed by VAWA;
- B. Ensuring the physical safety of victims of actual or threatened domestic violence, dating violence, or stalking who are assisted by NCHA;
- C. Providing and maintaining housing opportunities for victims of domestic violence dating violence, or stalking;
- D. Creating and maintaining collaborative arrangements between NCHA, law enforcement authorities, victim service providers, and others to promote the safety and well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by NCHA; and

## **8. Capital Fund Program Five-Year Action Plan**

- E. Taking appropriate action in response to an incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by NCHA.

### **III. Other NCHA Policies and Procedures**

This Policy shall be referenced in and attached to NCHA's Five-Year Public Housing Agency Plan and shall be incorporated in and made a part of NCHA's Admissions and Continued Occupancy Policy. NCHA's annual public housing agency plan shall also contain information concerning NCHA's activities, services or programs relating to domestic violence, dating violence, and stalking.

To the extent any provision of this policy shall vary or contradict any previously adopted policy or procedure of NCHA, the provisions of this Policy shall prevail.

### **IV. Definitions**

As used in this Policy:

A. *Domestic Violence* – The term ‘domestic violence’ includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.”

B. *Dating Violence* – means violence committed by a person—

- (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- (B) where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - (i) The length of the relationship.
  - (ii) The type of relationship.
  - (iii) The frequency of interaction between the persons involved in the relationship.

C. *Stalking* – *means* –

- (A) (i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and
- (B) in the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to –
  - (i) that person;
  - (ii) a member of the immediate family of that person; or
  - (iii) the spouse or intimate partner of that person;

D. *Immediate Family Member* - means, with respect to a person –

- (A) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or

## **8. Capital Fund Program Five-Year Action Plan**

(B) any other person living in the household of that person and related to that person by blood or marriage.

E. *Perpetrator* – means person who commits an act of domestic violence, dating violence or stalking against a victim.

### **V. Admissions and Screening**

A. *Non-Denial of Assistance*. NCHA will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

[Optional preference provision: Note that VAWA does not require an admissions preference, and, therefore, if such a preference is adopted it need not be applicable to victims of dating violence and stalking as well as to domestic violence]

B. *Admissions Preference*. Applicants for housing assistance from NCHA will receive a preference in admissions by virtue of their status as victims of domestic violence [dating violence, stalking]. This preference is particularly described as follows: [insert description including any requirements with respect to evidence of past domestic violence incidents, etc.]

[Optional adverse information provision: Note that VAWA does not require such a provision]

C. *Mitigation of Disqualifying Information*. When so requested in writing by an applicant for assistance whose history includes incidents in which the applicant was a victim of domestic violence, NCHA, may but shall not be obligated to, take such information into account in mitigation of potentially disqualifying information, such as poor credit history or previous damage to a dwelling. If requested by an applicant to take such mitigating information into account, NCHA shall be entitled to conduct such inquiries as are reasonably necessary to verify the claimed history of domestic violence and its probable relevance to the potentially disqualifying information. NCHA will not disregard or mitigate potentially disqualifying information if the applicant household includes a perpetrator of a previous incident or incidents of domestic violence.

### **VI. Termination of Tenancy or Assistance**

A. *VAWA Protections*. Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by NCHA:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.

2. In addition to the foregoing, tenancy or assistance will not be terminated by NCHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member

## **8. Capital Fund Program Five-Year Action Plan**

is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

- (a) Nothing contained in this paragraph shall limit any otherwise available authority of NCHA' or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, neither NCHA nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.
- (b) Nothing contained in this paragraph shall be construed to limit the authority of NCHA or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or NCHA, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

*B. Removal of Perpetrator.* Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, NCHA or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by NCHA. Leases used for all public housing operated by NCHA and, at the option of Section 8 owners or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by NCHA, shall contain provisions setting forth the substance of this paragraph.

### *VII. Verification of Domestic Violence, Dating Violence or Stalking*

*A. Requirement for Verification.* The law allows, but does not require, NCHA or a section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII. C., NCHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by NCHA. Section 8 owners or managers receiving rental assistance administered by NCHA may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

## **8. Capital Fund Program Five-Year Action Plan**

1. *HUD-approved form* - by providing to NCHA or to the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.

2. *Other documentation* - by providing to NCHA or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.

3. *Police or court record* – by providing to NCHA or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

B. *Time allowed to provide verification/ failure to provide.* An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by NCHA, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (*i.e.*, 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

C. *Waiver of verification requirement.* The Executive Director of NCHA, or a Section 8 owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director, owner or manager. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

## **VIII. Confidentiality**

A. *Right of confidentiality.* All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to NCHA or to a Section 8 owner or manager in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be

## **8. Capital Fund Program Five-Year Action Plan**

retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

1. requested or consented to by the individual in writing, or
  2. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted in VAWA, or
  3. otherwise required by applicable law.
- B. *Notification of rights.* All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by NCHA shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

[paragraphs A through D]

### **VIII. Transfer to New Residence**

- A. *Application for transfer.* In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, NCHA will, if an approved unit size is available at a location that may reduce the risk of harm, approve transfer by a public housing or Section 8 tenant to a different unit in order to reduce the level of risk to the individual. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.
- B. *Action on applications.* NCHA will act upon such an application promptly [alternatively, insert a number of business days].
- C. *No right to transfer.* NCHA will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action. However, except with respect to portability of Section 8 assistance as provided in paragraph IX. E. below the decision to grant or refuse to grant a transfer shall lie within the sole discretion of NCHA, and this policy does not create any right on the part of any applicant to be granted a transfer.
- D. *Family rent obligations.* If a family occupying NCHA public housing moves before the expiration of the lease term in order to protect the health or safety of a household member, the family will remain liable for the rent during the remainder of the lease term unless released by NCHA. In cases where NCHA determines that the family's decision to move was reasonable under the circumstances, NCHA may wholly or partially waive rent payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.
- E. *Portability.* Notwithstanding the foregoing, a Section 8-assisted tenant will not be denied

## **8. Capital Fund Program Five-Year Action Plan**

portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect a health or safety of an individual member of the household who is or has been the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

[Optional Provision]

### **X. Court Orders/Family Break-up**

A. *Court orders.* It is NCHA's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by NCHA and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

B. *Family break-up.* Other NCHA policies regarding family break-up are contained in NCHA's Public Housing Admissions and Continuing Occupancy Plan (ACOP) and its Section 8 Administrative Plan.

[Optional provision]

### **XI. Relationships with Service Providers**

It is the policy of NCHA to cooperate with organizations and entities, both private and governmental, that provide shelter and/or services to victims of domestic violence. If NCHA staff become aware that an individual assisted by NCHA is a victim of domestic violence, dating violence or stalking, NCHA will refer the victim to such providers of shelter or services as appropriate. Notwithstanding the foregoing, this Policy does not create any legal obligation requiring NCHA either to maintain a relationship with any particular provider of shelter or services to victims of domestic violence or to make a referral in any particular case. NCHA's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which NCHA has referral or other cooperative relationships.

### **XII. Notification**

NCHA shall provide written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

### **XIII. Relationship with Other Applicable Laws**

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

### **XIV. Amendment**

## **8. Capital Fund Program Five-Year Action Plan**

This policy may be amended from time to time by NCHA as approved by the NCHA Board of Commissioners.

### **NOTIFICATION OF RIGHTS UNDER VIOLENCE AGAINST WOMEN ACT – PUBLIC HOUSING**

**To:** [Insert name and address of public housing tenant]

**From:** North Chicago Housing Authority

A new federal law reauthorizing the Violence Against Women Act (VAWA) provides certain rights to tenants and lawful occupants of public housing. This law requires that you be notified of these rights.

#### **Protections Against Eviction**

1. VAWA states that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking (as these terms are defined in VAWA) will not be considered to be a “serious or repeated” violation your lease if you are the victim of the incident or incidents of domestic violence, dating violence or stalking. This means you may not be evicted based on such an incident or incidents where you are the victim.
2. In addition, although the housing agency may evict you for certain types of criminal activity as provided in your lease, VAWA states that the housing agency may not evict you if the criminal activity is:
  - (a) directly related to domestic violence, dating violence, or stalking; and
  - (b) engaged in by a member of your household, or any guest, or another person under your control; and
  - (c) you or a member of your immediate family is the victim of this criminal activity.

#### **Certification**

If the housing agency notifies you that it intends to terminate your tenancy based on an incident or incidents of domestic violence, dating violence, or stalking, and you claim protection against eviction under VAWA, the housing agency may require you to deliver a certification. You must deliver the certification within 14 business days after you receive the housing agency’s request for it. If you do not do this within the time allowed, you will not have any protection under VAWA and the agency may proceed with terminating your tenancy without reference to the VAWA protections.

You may certify either by:

## **8. Capital Fund Program Five-Year Action Plan**

- (a) completing and delivering a HUD–approved certification form which will be supplied to you by the housing agency; or
- (b) providing the housing agency with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim (you or another member of your immediate family) has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse. (This certification must be sworn under penalty of perjury); or
- (c) producing a Federal, State, tribal, territorial, or local police or court record.

### **Confidentiality**

Information you provide to the housing agency relating to the fact that you or another member of your household is a victim of domestic violence, dating violence, or stalking will be retained by the housing agency in confidence. This information will not be shared or disclosed by the agency without your consent except as necessary in an eviction proceeding or as otherwise required by law.

### **Limitations**

VAWA provides certain limitations and clarifications concerning your rights as described above. In particular, you should know that nothing contained in VAWA:

1. prevents the housing agency from terminating tenancy and evicting for any violation of a lease that is not based on a matter involving domestic violence, dating violence, or stalking for which VAWA provide protections as described above. However, the housing agency may not in such cases apply any stricter standard to you than to other tenants.
2. prevents the housing agency from terminating tenancy and evicting where the housing authority can demonstrate “an actual and imminent threat to other tenants or those employed at or providing service to the property.” Where such a threat can be demonstrated by the housing agency, you will not be protected from eviction by VAWA.
3. limits the ability of the housing agency to comply with court orders addressing rights of access to or control of the property. This includes civil protection orders entered for the protection of the victim or relating to the distribution or possession of property.
4. supersedes any Federal, State or local law that provides greater protections than VAWA.

### **Housing Agency Right to Remove Perpetrator of Domestic of Violence**

## **8. Capital Fund Program Five-Year Action Plan**

VAWA also creates a new authority under Federal law that allows a housing agency to evict, remove, or terminate assistance to any individual tenant or lawful occupant of public housing who engages in criminal acts of physical violence against family members or others. This may be done without evicting or taking any other action adverse to the other occupants.

### **Further Information**

You may obtain a copy of the housing agency's written policy concerning domestic violence, dating violence, and stalking, from: [insert person/place]

The written policy contains, among other things, definitions of the terms "domestic violence," "dating violence," "stalking," and "immediate family."

**OR**

The definitions of the terms "domestic violence," "dating violence," "stalking," and immediate family as contained in VAWA are set forth on Attachment 1 to this Notification. Please consult those definitions to aid in your understanding of your rights described above.

### **Public Housing Agency Plan Provision – Annual Plan NORTH CHICAGO Housing Authority (NCHA) Carbon Monoxide Detector Policy**

In accordance with Illinois statute Section 20 of the Carbon Monoxide Act an exception is allows if:

- (1) A residential unit in a building that:
  - (i) does not rely on combustion of fossil fuel for heat, ventilation or hot water
  - (ii) is not connected in any way to a garage; and
  - (iii) is not sufficiently close to any ventilated source of carbon monoxide, as determined by the local building commissioner, to receive carbon monoxide from that source.”

The North Chicago Housing Authority (NCHA) has received a letter from the city of North Chicago, Illinois giving us an exemption from placing carbon monoxide detectors in each unit.

This exemption is based on the location of the central boiler systems in relation to the residential units.

The city required carbon monoxide testers in the boiler rooms only.

The required carbon monoxide testers were installed in December 2006.
