This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

The City of Taylor has been instrumental in the formation of Taylor Community Team. The team comprises of staff from the City, local schools, Wayne County, the State of Michigan Department of Human Services, numerous nonprofit agencies, local churches and residents of the City. The goal of the Team is to eliminate duplication of services and bridge gaps in service delivery. The Team is considering including the Taylor Housing Commission, as member of the Team so that outstanding issues related to housing can be more effectively resolved.

While providing some direct services to residents, the City works primarily to identify available resource providers within the community and to coordinate client referral among appropriate service providers. This program has been successful in facilitating service coordination, as well as in addressing the needs of lower income residents of the City.

The City remains on target in accomplishing the goals and objectives and in meeting the priorities established in the annual and the 5-year Consolidated Plans. Much of the City efforts are targeted toward improving the affordable housing stock of the community and in assisting lower income residents in retaining their homes. Through the home rehabilitation program and the section 8 Housing Choice Voucher Program, the City works to maintain affordable housing stock in the community.

In the past four years the City has invested over \$250,000 through CDBG towards rehab of the Maplewood Manor (Public Housing for Seniors and disabled) and furniture for the building. These funds were leveraged with the Capital Grant Fund Program to significantly improve the living conditions of the residents.

The City Consolidated Plan specifically outlines its commitment and role under the Public Housing Strategy (91.210).
