PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) It is our goal to increase the number of employed residents from 68% to 75% by the year 2004.**
 - Provide or attract supportive services to improve assistance recipients' employability:
The HHA arranges for onsite registration with PACE Headstart to assist in daycare of young children and has an ongoing referral process with TANF for childcare. Additionally, the HHA has arranged for a bus stop at one site and will work towards establishing bus stops at the two remaining sites to assist in transportation to employment sites. These efforts and others will continue through the year 2004.

 - Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:
The PHA currently has 13 units which have been modified in accordance with handicapped accessibility requirements. Currently 11 of these units are occupied with disabled residents. The PHA will monitor the waiting list status for these handicapped units to assure demands for handicapped units are satisfied. If during the five year period a determination is made that the 13 existing units are inadequate to satisfy the need, the PHA will modify additional units utilizing Capital Fund Program funds.

Board Approved: June 22, 1999

HOUSING AUTHORITY OF THE CITY OF HATTIESBURG, MISSISSIPPI

DECONCENTRATION POLICY

This policy is hereby established to provide guidelines to promote the deconcentration of the lowest of income families in sites operated by the Housing Authority of the City of Hattiesburg. This Deconcentration Policy is being submitted by the Hattiesburg Housing Authority as required by the Federal Register dated February 18, 1999, entitled Quality Housing and Work Responsibility Act of 1998.

GENERAL

The Hattiesburg Housing Authority hereby establishes these guideline and procedures for the deconcentration of very low income families. It is the goal of the Hattiesburg Housing Authority to have a fair mix of families with varying incomes in each of the sites operated by the Hattiesburg Housing Authority. This goal will be achieved by income mixing.

PROCEDURES

- A. **Income Mixing:** To ensure that there is no concentration of only very-low income families or higher income families in any one site, the following guidelines have been established:
1. In each fiscal year, at least 40% of families admitted to public housing will have incomes that do not exceed 30% of the median income for Forrest County, Mississippi.
 2. Skipping of families on the waiting list is permissible in order to specifically reach another family with a lower or higher income. Families will only be skipped if the vacancy in question requires a lower or higher income renter to ensure a fair mix of incomes in the site.

ATTACHMENT F

The Hattiesburg Housing Authority has adopted a Community Service Policy effective October 2000. The policy has been formulated to assure compliance with Sec 12 (c) of the Housing Act of 1937.

The Housing Authority will concentrate efforts to have non-exempt residents satisfy the monthly eight (8) hour requirement by participating in self-sufficiency programs in lieu of the community service. The Housing Authority is of the opinion these activities will be more rewarding and beneficial to the residents and community. Currently the Hattiesburg Housing Authority in conjunction with the Miss. State Employment Services and Pearl River Valley Opportunity co-sponsors two job fairs (employability training, interviewing skills, job applications) for residents. The objective of the Housing Authority is to utilize this joint venture for residents to accomplish the self-sufficiency eight (8) hours monthly requirement in this program.

All residents will be notified in October 2000 of the community service requirement and all resident leases will be modified containing community service requirements and phased in as regular and special re-examinations take place beginning November 2000.

The Housing Authority will examine each resident family annually to assure compliance with the community service policy. The Housing Authority will utilize the local TANF Agency to confirm resident status. This cooperation with the TANF Agency is in accordance with a M.O.U. between the Mississippi Department of Human Services, the Department of Housing & Urban Development, and the Mississippi Association of Housing and Redevelopment officials dated August 2000.
