Policy Changes Implemented

CHAPTER 22

VIOLENCE AGAINST WOMENS AND JUSTICE DEPARTMENT REAUTHORIZATION ACT OF 2005 (VAWA)

INTRODUCTION:

It is the policy of the Housing Agency of the City of Beatrice to fully comply with all rules and regulations regarding the VAWA. The VAWA protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. These provisions apply both to public housing agencies administering public housing and Section 8 programs and to owners renting to families under Section 8 rental assistance programs. In general the law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. The law also provides that an incident or incident of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be good cause for termination of assistance, tenancy or occupancy rights of a victim of such violence.

A. DEFINITIONS:

- 1.. Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim share a child in common, by a person who is cohabitated with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other persons against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
2. Dating Violence: Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; and the frequency of interaction between the persons involved in the relationship.
3. Stalking: to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to that person; a member of the immediate family of that person, or the spouse or intimate partner of that person.
4. Immediate Family Member; a spouse, parent, brother or sister, or a child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage

B. NOTICE:

VAWA requires that PHA's must notify tenants of their rights under VAWA, which includes the existence of form 50056 and the right to confidentiality and limits therefore.

1. All current Section 8 Tenants and landlords will be notified by mail of their rights under VAWA, which includes a letter from the Housing Agency, VAWA brochure, and HUD Form 50066 Certification of Domestic Violence, Dating Violence, or Stalking.
2. All new tenants/landlords will receive the information at lease approval and HAP Contract.

C. VERIFICATION: Certification of Domestic Violence, Dating Violence, or Stalking.

Among other requirements, Sections 606 and 607 of VAWA adds certification and confidentiality provisions that allow for PHA's, owners, or managers responding to an incident or incidents of actual or threatened domestic violence, dating violence or stalking that may affect a tenant's participating in the housing program to request in writing that an individual complete, sign and submit within 14 business days, a HUD approved certification form 50066. On the form, the individual certifies that;

1. he/she is a victim of domestic violence, dating violence, or stalking, and that the incident or incidences in questions are bona fide incidences of such actual or threatened abuse.
2. On the certification form, the individual shall provide the name of the perpetrator. The PHA will then verify with local police, courts, and the local victims assistance program and determine that the incidents or incidents in question are bona fide acts of abuse, and the victim of domestic violence, or stalking has signed or attested to the documentation. If the individual does not provide the form HUD-50066 by the 14th business day, the PHA, owner, or manager would therefore be free to evict, or to terminate assistance.

D. CONFIDENTIALITY

Any information provided pursuant to the VAWA shall neither be entered into any shared database nor provided to any related entity, except to the extent that disclosure is requested or consented to by the individual in writing; required for use in an eviction proceeding of an abuse, stalker or perpetrator or domestic violence; or is otherwise required by law.

Special arrangements will be made by the Beatrice Housing Agency to insure that requests for a different mailing address, or a possible different meeting place, will be implemented at the tenants request to insure that the tenant is not at risk.

E. PORTABILITY

A Section 8 Housing Choice Voucher Participant who is a victim of domestic violence, dating violence, or stalking may request and be granted portability due to the incident or threat if they are otherwise compliant with all program obligations and the perpetrator has moved out of the dwelling unit.

Contract (form HUD 52641) and Tenancy Addendum (form HUD 52651-A) have been revised to reflect the statutory requirements of the Violence Against Women Act and Justice Department Reauthorization Act
