The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

### **Resident Comments**

#### Comments

Residents commented on several work items that needed to be addressed by HA. These items included the need for a new roof at the community center on Liberty Street, the need for stair replacement in several units, and the need for floor tile replacement.

#### HA Response

The HA is aware of these needed work items and they will be addressed in the CFP programs.

### **REAC Follow-Up Plan**

#### Communication

The MHA has, in 2006, appointed a new Executive Director. One new initiative is the institution of a policy that totally values the input of our residents. Residents are constantly encouraged to offer their input regarding any and all concerns with HA management. All residents can call and set up appointments directly with the Executive Director to ensure that effective communication is taking place.

#### Safety

PHDEP elimination has hurt our efforts. However, we still contract an anti-drug consultant and have made improvements to our CCTV system. Close contact with the police by residents and the HA staff is encouraged. We hope that PHDEP funding is restored.

#### Neighborhood Appearance

Our maintenance staff must inspect grounds daily. Residents are encouraged to pick up litter, if they see it. CFP funds are allocated towards site improvements as priorities present themselves. The Executive Director will also monitor neighborhood appearance on a daily basis.
