ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Rolla Housing Authority is a small PHMAP High-Performer agency located in Phelps County, Missouri. The RHA manages 150 units of public housing at three developments.

The mission of the RHA is:

To provide adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The RHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Improving community quality of life and economic vitality.
5. Increase resident participation through resident council and/or advisory committee.
6. To provide timely response to resident request for

maintenance problems.

7. To return vacated units with new resident in 20 days.
8. To continue to enforce our "One Strike" policies for resident and applicants.
9. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The RHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The RHA has assessed the housing needs of Rolla and surrounding Phelps County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The RHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The RHA has determined that its housing strategy complies with the state of Missouri's Consolidated Plan

The RHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The RHA has established a minimum rent of \$0.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The RHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The RHA has no plans to demolish or dispose of any of its properties. The RHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The RHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The RHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the RHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of RHA's Agency Plan to HUD on

December 1, 1999

Because the RHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

2. Grievances Procedures
3. Designation of Public Housing
4. Conversion of Public Housing
5. Homeownership

RESOLUTION NO. 434

RESOLUTION TO ADOPT A DECONCENTRATION POLICY

WHEREAS, the Housing Authority of the City of Rolla is required by Section 513 of the Quality Housing and Work Responsibility Act of 1998 to adopt a deconcentration policy;

NOW THEREFORE BE IT RESOLVED by the Board of Commissioners that the following policy be adopted and made effective as of June 18, 1999:

It is the policy of the Housing Authority of the City of Rolla (Housing Authority) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the Housing Authority is to house no less than 40 per cent of its inventory with families that have income at or below 30 per cent of the area median income by public housing development. Also, the Housing Authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the Housing Authority does not concentrate families with higher income levels, it is the goal of the Housing Authority not to house more than 60 per cent of its units in any one development with families whose income exceeds 30 per cent of the area median income. The housing Authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the Housing Authority.

To accomplish the deconcentration goals, the Housing Authority will take the following actions:

- A. At the beginning of each fiscal year, the Housing Authority will establish a goal for housing 40 per cent of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40 per cent of the total number of move ins from the previous fiscal year.
- B. To accomplish goals of:
 - 1. Housing not less than 40 per cent of its inventory on an annual basis with families that have incomes at or below 30 per cent of area median income, and
 - 2. Not housing families with incomes that exceed 30 per cent of the area median income in developments that have 60 per cent or more of the total household living in the development with incomes that exceed 30 per cent of the area median income. The Housing Authority's Tenant Selection and Assignment Plan, which is part of the Admissions and Continued Occupancy Policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.
