For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

The Housing Authority of the City of Independence, Missouri (HAI) will provide a comprehensive program to combat drug use and drug related crime in its three developments (Hocker Heights, Pleasant Heights, and Southview Manor). The HAI will collaborate with the Independence Police Department's Community Policing Program, in cooperation with the Tenant Association Crime Prevention Program, to reduce and eliminate the sale of illegal narcotics at all three developments. By collaborating with the Metropolitan Community College, Camp Fire Boys and Girls, and Parenting Awareness, the HAI will bring together a holistic approach to the prevention of drug use and sales by providing critical information on helping raising children drug free and providing employment skills to the adults by using the existing computer lab. The HAI believes this approach of combating illegal drug sales through community policing, along with providing the necessary tools to break the cycle of drug use and sales, is imperative for success in the war against drugs.

# PET POLICY

This Pet Policy is established to govern the keeping of pets in and on properties owned and operated by the Housing Authority of the City of Independence, Missouri.

Except where specifically noted otherwise, this Pet Policy does not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in the Housing Authority's developments and service animals that visit the developments. However, owners of service animals are subject to State and local public health, animal control, and anticruelty laws.

Residents must apply for and receive a written permit from the HAI prior to keeping any pet, including service animals, on or about the premises. The HAI will not refuse to register a pet solely on the basis of a determination that the pet owner is financially unable to care for the pet. If the HAI refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and the resident's right to grieve the decision. Such notice shall be served in accordance with the Notice requirements incorporated into the lease.

The permit to keep a pet may be revoked at any time, where the Housing Authority determines that the owner is unable care for the animal, the pet has become destructive to Housing Authority property or a nuisance to others, or where the owner fails to comply with the terms of this Policy, including:

- 1. The resident shall pay a \$300.00 pet damage deposit for a dog or a cat, to cover damage to the building and/or Housing Authority property, prior to housing such pet. Said deposit shall be held in escrow and the Housing Authority shall refund any unused portion of said deposit to the resident within thirty (30) days after the resident either: (a) moves from the property; or (b) no longer has a pet present in the dwelling unit.
- 2. The resident must furnish certification each year, at the time of their Annual Recertification, that the pet has received all inoculations required by applicable State and City law, and that the pet is in good health. Such certification must be signed by either a licensed veterinarian, or a State or local authority empowered to inoculate animals. No pet may be kept in violation of humane or health laws. No vicious or intimidating dogs are allowed.
- 3. The pet must not pose a threat to the health and safety of others. Housing Authority site management staff shall reasonably determine whether any pet

poses such threat. A pet's temperament and behavior will be considered as factors in making this determination.

- 4. The maximum number of allowable pets is one (1), with the exception of fish, turtles and/or birds, where the limit shall be one cage or one aquarium. Permitted pets are common household pets, which include dogs no larger than 25 pounds, cats, rabbits, birds, hamsters, guinea pigs, gerbils, turtles and fish. Aquariums and other enclosures must not be larger than 18" wide, 24" long, and 24" deep.
- 5. The pet owner is responsible for the care and welfare of the pet during any absence from their dwelling unit:
  - 6. Pets left unattended for twenty-four (24) hours or more will be removed and transferred to the proper local authorities, and the Housing Authority accepts no responsibility for the health or care of the pet under such circumstances;
  - 7. If the resident leaves the unit overnight and desires to have another resident care for the pet in the other resident's unit, the pet owner must inform the site management staff of these arrangements <u>and</u> the other resident must provide management with a signed written agreement to abide by these pet policies. In such cases, it shall be the pet owner's responsibility to pay for any damages caused by the pet to the other unit.

6. When applying for a pet permit, the resident is required to furnish a signed agreement from two responsible parties that will care for the pet if the resident dies, is incapacitated, or is otherwise unable to care for the pet. If both such persons are unavailable or unwilling to care for the pet (when necessary) the Housing Authority may contact the appropriate City authority (or designated agent) to remove and care for the pet.

7. Dogs and cats must be neutered or spayed. If such animals are not spayed, and have offspring, resident is in violation of this rule. Cats must be declawed.

8. Dogs and cats shall remain inside a resident's unit unless they are on a leash. Birds, turtles, and rodents must be confined to a cage at all times.

9. Pets will not be allowed in the lobby areas, community rooms, laundry rooms porches, balconies, halls, elevators, etc., except in the owners arms, portable enclosure, or on a leash.

10. Pets shall be kept on a leash at all times while on exterior property of the Housing Authority with a responsible adult in attendance. Pets must not be left outside the building alone or staked out or caged in the yard, porches, or balconies at any time.

11. Owner must immediately pick up and bag feces dropped on interior or exterior property of the Housing Authority. Droppings must be flushed down a toilet or disposed of in a sanitary manner. Trash chutes or trash compactors at Pleasant Heights and Southview Manor must never be used to dispose of pet excrement or related waste matter. If Housing Authority staff must dispose of pet waste, a \$10.00 charge per incident will be made to owner. If a Housing Authority staff person has to clean up pet waste, a time and material charge will made to owner.

12. Residents shall take adequate precautions to eliminate any pet odors within or around unit and maintain unit in a sanitary condition at all times.

13. Cats are to use litter boxes, which must be kept in resident's unit. Resident must not allow waste to accumulate. Used cat litter must be bagged and disposed of. Never flush cat litter down the toilet or drains.

14. Visitors' pets will not be allowed in the building. Pets not owned by a resident are excluded from all developments.

15. Residents are prohibited from feeding stray animals. The feeding of stray animals shall constitute having a pet without the permission of the Housing Authority.

- 8. Residents shall not alter their unit, porch, balcony, or any area to create an enclosure for an animal.
- 9. Residents who violate this policy are subject to: (a) being required to get rid of the pet within 30 days of notice by the Housing Authority; or (b) eviction.

I have read and I understand the above regulations regarding pets, and I agree to conform to them.
