Executive Summary of the Annual PHA Plan

The Mission of Marion County Housing Authority is to provide safe, decent, and affordable housing to those individuals or families that reside within Marion County.

The goal of Marion County Housing Authority is to ensure that the supply of affordable housing stock is available for those low-income individuals or families, whose housing needs are not being met.

The Marion County Housing Authority is submitting an updated 5-year plan, which incorporates the Annual Plan and considers the housing needs for low-income individuals and families residing in Marion County. The updated Annual Plan includes the following strategies to expand the supply of assisted housing, acquire, or build new housing units and improve the quality of housing in Marion County:

- Marion County Housing Authority will apply for additional rental vouchers.
- Leverage private or other public funds to create additional housing opportunities
- Provide Voucher Mobility
- Provide Project Base Vouchers to support the housing for foster children in Marion County
- Provide or attract supportive services to improve employability for clients
- Undertake affirmative measures to provide access to assisted housing regardless of race, color, religion, national origin, or familial status.
- Provide Section 8 Vouchers as rent subsidy for homeownership by low-income families.

Other major elements of the updated Annual Plan which constitutes the substance of the 5-year plan and the related goals toward achieving our objectives, include:

- Use all resources available to conduct outreach efforts to match families with potential voucher landlords
- Renovate or modernize public housing units
- Provide replacement housing
- Work with local and state housing agencies to utilize all available resources for the development or rehabilitation or new or existing affordable housing
- Work with public and private organizations to provide home rent subsidy for foster care children that are displaced from their family, friends and neighbors in the Marion County community.
- Work with a Purchase and Resale Entity to provide homeownership for low-income families that qualify under the Section 32 Homeownership program.

Marion County Housing Authority will carry on all such activities that promote the availability of affordable housing stock, and support the independent living for all low-income residents, residing in Marion County.

EXHIBIT B

MARION COUNTY HOUSING AUTHORITY STATEMENT OF PROGRESS AGAINST THE GOALS AND OBJECTIVES ESTABLISHED IN THE PREVIOUS 5-YEAR PLAN FOR THE PERIOD FY 2005-2006.

Marion County Housing Authority has made progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005-2006 in the following areas:

Increased the availability of decent, safe, and affordable housing by expanding the supply of assisted housing:

- Applied for the maximum rental vouchers allowable by HUD
- Completed the construction on sixty (60) units of low-income senior housing with thirty-two (32) units developed in Woodburn, Oregon and another twenty-eight (28) units in Mt. Angel, Oregon.

Improved the quality of assisted housing by:

- Increasing customer satisfaction by holding additional meetings to increase resident participation.
- Providing customers with a **customer satisfaction questionnaire** to gauge their perception of service quality from Marion County Housing Authority.
- Completing the disposition and sale of 3 public housing units in FY 2006, which will eventually be replaced with newer housing units.
- Planning for the sale of thirty-eight (38) single-family public housing homes as homeownership for low-income families.
- Completing the rehab of forty-seven (47) units of farm labor housing with another five (5) units to be completed in FY2007.

Increased assisted housing choices by:

- Providing voucher mobility counseling to explain the choices available and how the program works.
- Conducting outreach efforts to potential voucher landlords by holding landlord meetings to inform and assist future landlords, who may be interested in participating in the assisted housing programs.

Promoted self-sufficiency and asset development of families and individuals by:

- Providing supportive services to improve assistance recipients' employability through the Tenant Based Assistance Program (TBA) program.

MCHA ensured equal opportunity in housing for all Americans by:

- Marion County has undertaken affirmative measures to ensure access to assisted housing, regardless of race, color, religion, national origin, sex, family status and disability by ensuring that staff was trained in fair housing requirements.
- Marion County has undertaken affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color religion, national origin, sex, family status and disability by making capital improvements to several major projects. Improvements were made to provide easier access to the garbage disposal area for seniors. Accessible routes were created from parking areas to walkways.
- Marion County has undertaken affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required. The Housing Agency has renovated both family and senior housing units to accommodate wheelchair accessibility. The types of improvements included lowering hood range controls, creating clear knee space under kitchen sinks, modifying kitchen countertops for knee clearance, lowering thresholds for wheelchairs, creating an accessible route to playground equipment and widening bathroom doorways.
