A. Resident Advisory Board Recommendations

1. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?
2. If yes, the comments are: (if comments were received, the PHA **MUST** select one)
 Attached at Attachment (File name)
 Provided below:

The Resident Advisory Board did have some comments to the PHA Plan. One tenant mentioned that her project does not have an overhead living room light and she would like one. In her unit a receptacle is attached to a switch for a lamp, which she does not like. This same tenant mentioned it would be good if the units had a carbon monoxide detector. She thought it was a good idea to widen the driveways also.

Another tenant commented that she liked the accordion doors that we may replace in the plan, and that she does not want it replaced with a solid wall. She also mentioned that instead of replacing all the floor tile in the elderly units (OK062-003) at the same time, replace it as people move out. It will be very burdensome to put tile in a unit with people living in it. This tenant would also like a tub. She said that tubs would also be beneficial during storms in case there is a tornado, that the tenant could get in it for protection. This tenant also mentioned that it would be nice for the Housing Authority to get a generator. During the recent Ice Storm, all the tenants lost power for a week; she thought it would be nice if there were a generator at the Community Building for residents to go too to get warm.

Another tenant mentioned that there is a drainage problem at 21 W. Rock and she would like something done about it.

Comments were also made about how it would be nice to re-stripe parking lots so people would pull in straighter and cause less parking problems.

A Section 8 Participant said she appreciated how quick her maintenance calls got fixed when she called the office and we contacted the landlord.

Another tenant said she is having trouble with mildew in her bathroom and wanted to know if it would be able to get a vent put in. She currently just has a window.

3. In what manner did the PHA address those comments? (select all that apply)
 Considered comments, but determined that no changes to the PHA Plan were necessary.
 The PHA changed portions of the PHA Plan in response to comments
List changes below:

As far as the overhead living room lights and the carbon monoxide detectors, these are things that may be accomplished. The carbon monoxide detectors are a good safety feature and relatively inexpensive. The lighting situation is unfortunate and maybe putting an overhead fixture in will help the Housing Authority rent the units. These things were added to the PHA Plan.

Re-stripping the parking areas is another issue that may be possible through the 5 year Plan. Not only would it make the parking areas more visually appealing, it would help with deter parking issues in some areas. This line item was added to the 5 Year Plan.

Other: (list below)

The McAlester Housing Authority is required to consider all comments. In the following paragraphs, the MHA will address each comment explaining if it is something the MHA might consider for the future or something that will not be considered for whatever reason.

We appreciate the tenant's comments about the accordion door. The MHA will take this into account when deciding to put back an accordion style door or a solid door. The accordion door is definitely more versatile. We had also thought about putting the tile in the units as the tenants moved in and out. The Housing Authority doesn't want to inconvenience the tenants any more than we have too, and moving things while the tile is put in would be a terrible inconvenience. It is unlikely that the MHA will be putting any tubs in the elderly units. A few years ago, the MHA put tubs in the Family units and some of the elderly/disabled people in those units had trouble getting in and out of the tubs and some hand hold bars had to be installed or the tenants were allowed to move to handicapped or elderly units that did not have tubs. If this tenant in need of a tub, they would have to transfer to a unit that has one. The MHA does have shower/tubs and surrounds in the 5 year plan, but these are special showers with seats like the ones currently in use. The MHA may check into some walk in tubs that are on the market, but the problem with these is the longevity of the sealing mechanism. We need something that will last 20 years with little maintenance.

The tenant that mentioned the generator has a valid point. The MHA office and most of the MHA residents were without power for a week during the 2007 Ice Storm. A generator would have been nice. The last time the MHA was without power that long was during the 2000 Ice Storm. This item will have to take some discussion because the length of time between usages is possibly so great. The MHA does not have any other use for a generator and this would be an item that would just sit around collecting dust 99% of the time. It would be a nice luxury to have but have little use otherwise.

A tenant mentioned a drainage problem at 21 W. Rock. We will be working on some parking issues in that area this summer and we may be able to take care of any drainage problems at that time. We will check this out and find out what the problems are and address them if needed.

We thank the Section 8 Participant for her compliment.

The tenant that mentioned having a vent in her bathroom to help keep the mildew down. While we appreciate the fact she wants to keep her bathroom as clean as possible, a vent probably is not going to be installed. Current REAC/ HUD regulations say that a bathroom must either have a Vent or a window that opens. These bathrooms have a window. It would be expensive and redundant to put a vent in the bathrooms. A hole would have to be put through the ceiling and roof to put a vent in. Although a vent would be nice, its not warranted unfortunately.

 - Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

The State of Oklahoma Consolidated Five-Year Strategic Plan for 2004-2009 lists three goals incorporated in the Consolidated Plan. These goals are (1) Provide Decent Housing, (2) Provide a Suitable Living Environment, (3) Expand Economic Opportunities. All of these goals have an emphasis on helping low-income individuals and families.

The McAlester Housing Authority's initiatives are similar to the goals identified in the Consolidated Plan. (1) The McAlester Housing Authority will provide decent housing for low-income individuals by improving management operations to decrease turnaround time and vacancy rates. Most work orders are expedited within 24 hours keeping the unit decent for the tenant to live in. The McAlester Housing Authority is continually modernizing units so that they are truly a decent housing choice. The McAlester Housing Authority has been providing and will continue to provide security for residents through funds applied for through the Capital Fund Program making the McAlester Housing Authority a safer place to live. (2) The McAlester Housing Authority, through its modernization activities and Security operations is continually making our houses more a more suitable living environment than some private sector housing. (3) Goal 3 talks about expanding economic opportunities for all citizens. The McAlester Housing Authority has taken measures in its rent determination policies to help individuals who go to work or are currently working

D. Other Information Required by HUD

Use this section to provide any additional information requested by HUD.

HUD is requiring a locally derived definition of “substantial deviation” and “significant amendment or modification” For this purpose the McAlester Housing Authority has adopted the following definition:

“Substantial deviation or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.”

5 Year Plan Mission and Goals Progress Report

The following is a progress report for the goals and objectives listed in the 5 Year Agency Plan. We are meeting some of the goals set, but there are some that we still need to work on.

The vacancy rate is currently 8%, a little higher than our original vacancy rate. We have a current PHAS score of 93. The SEMAP was not completed since high performing small agencies can skip a year, the McAlester Housing Authority chose to skip this years SEMAP. The overall Resident Survey score is currently 9.3 out of 10. This is lower than we expected but still good. If you will look at the Resident Survey tables below, you will notice that some of our scores have increased.

Section	FY 2006 Survey	FY 2005 Survey	FY 2004 Survey	FY 2003 Survey
Maintenance and Repair	93.5%	93%	87.1%	95.8%
Communication	78.2%	75.4%	77.3%	81.3%
Safety	83%	86.3%	83.7%	86.5%
Services	95.3%	94%	93.5%	96.7%
Neighborhood Appearance	81.7%	79%	77.8%	81.6%

We are currently modernizing our public housing units. Central Air is being installed in all the MHA units. We are still providing security to residents.

Our projects are exempt from the Deconcentration Requirements because they are below 30% of the Area Median Income. But, our Deconcentration Analysis did show a need for action therefore we did implement a Deconcentration Policy in our Admissions and Occupancy Policy to address this need for action. We have three projects outside the acceptable range of incomes determined by our Deconcentration Analysis. Since our average income is less than 30% of the MFI for our area, our units are exempt from HUDs Deconcentration Requirements.

We originally had 109 families with wage income with a goal of 115. We currently have 110 families with wage income. We are still providing referral services to elderly persons, people with disabilities, and all other residents.

The McAlester Housing Authority assures access to assisted housing regardless of race, color religion, national origin, sex, familial status, and disability. We have made minor changes to units to assist persons with disabilities, such as putting handrails in tubs. In addition the MHA has installed handicapped access to some of the mailboxes and made curb cuts for wheelchair access. In the past, we have conducted outreach

activities by sending a notice to businesses and agencies within the community explaining the Public Housing Program in English and in Spanish.

We feel that we have achieved most of the goals set with the 5 Year Plan. We have some goals/objectives that need work and we will make an effort to correct those deficiencies.

Resident Membership of the PHA Governing Board

The McAlester Housing Authority (MHA) Board of Commissioners (BOC) does have a resident member of the board. Members of the MHA BOC are appointed by the City of McAlester Board of Commissioners. The term for board members is 4 years.

The resident board member is Betty Pickle. She was originally appointed on June 26, 2001 and her term expired on July 26, 2005 but was reinstated to a term that will end July 21, 2008.

Pet Policy

The McAlester Housing Authority (MHA) had adopted a pet policy with the submission of the 2001 Annual Plan.

The MHA allows pets in public housing developments. Residents must get prior written approval before getting the pet. We have a pet ownership form that must be filled out before requests will be approved. The form has basic information provided by the vet so as to ensure the pet has had proper inoculations.

Each household is only be allowed one pet. Any pet deemed to be potentially harmful to the health or safety of other, including attack or fight trained dogs, are not allowed. No animal may exceed 20 pounds in weight.

Residents are required to pay for any damages caused by the pet. Any pet related pest infestation will be the financial responsibility of the pet owner.

If the pet becomes a nuisance or threat to health or safety, the pet will have to be removed or the owner will face eviction. Visiting pets not registered will be allowed to stay for two weeks.

Pets may not be unattended in a dwelling unit for over 10 hours. Pets cannot be kept, bred or used for any commercial purpose. Cat owners shall dispose of litter box waste in an appropriate manner. Owners must restrain/confine pets at times when agents of the Housing Authority must enter the unit.

The MHA's Grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

**Deconcentration Analysis
February 2007**

The Public Housing Reform Act requires the McAlester Housing Authority to conduct a Deconcentration Analysis of its Public Housing developments each year. This analysis must be reported in the PHA Annual Plan and the Admissions and Continued Occupancy Policy with an explanation of any discrepancies in the analysis. The McAlester Housing Authority must also adopt Deconcentration Policies in its Admissions and Continued Occupancy Policy to rectify these discrepancies.

To be considered in compliance with Deconcentration regulations, the average income of each individual development must be similar to the average income of the entire PHA. Housing Authorities may substitute the medium income for the average income with a justification of the substitution. Also, Housing Authorities may use a bedroom adjustment to figure the average/medium incomes. To be in compliance, the average/medium income of the individual development must be within 15% of the average/medium income of the entire development.

In February of 2007, the McAlester Housing Authority conducted its Deconcentration Analysis. The results are as follows.

Project	Average Income	Deconcentration upper and lower limits		Average income/w Bedroom adjustment	Deconcentration upper and lower limits	
		85%	115%		85%	115%
62-All	\$10,316	\$8,769	\$11,863	\$10,232	\$8,697	\$11,767
62-001	\$8,492	Outside Limits		\$8,778	Within Limits	
62-002	\$13,563	Outside Limits		\$11,830	Outside Limits	
62-003	\$9,008	Within Limits		\$10,754	Within Limits	
62-004	\$10,386	Within Limits		\$7,419	Outside Limits	
62-005	\$14,198	Outside Limits		\$11,580	Within Limits	

As you can see, the MHA does have a problem with some projects not being in compliance using the average income limit with and without the bedroom adjustment. When the bedroom adjustment is applied, two projects are outside the income guidelines. The MHA will be applying our Deconcentration Policies to its Projects to bring the incomes within limits.

The MHA Deconcentration Policy contains incentives the MHA can offer applicants to increase appeal in targeted developments. These incentives include, but are not limited to:

1. Allow families to skip ahead on the waiting list if their income is such that it helps deconcentrate income levels of the McAlester Housing Authority projects.
2. Offer of a bigger unit so as to increase the appeal of the targeted development.
3. First month rent remainder waived if applicant is willing to move into targeted development.

Project 62-004 only has three units in it and it is very hard to deconcentrate a project with this few units, as the turnaround is very low.

Project 62-002 is higher income than the other projects but it is only marginally over the income guide. The MHA suspects that this may be due to larger families and thus larger family incomes as this project has several 3 and 4 bedroom units where other projects may not have these large of units. Also, this project is scattered with single-family units instead of duplexes and triplexes like other projects. People with higher incomes are able to wait for the scattered units to become available while people with lower income may have to take the higher turnover projects.

According to HUD, no development whose income is below 30% MFI can be considered above the Average Income of the Development. All of MHA's developments are below the 30% thresh hold and therefore are exempt and not subject to Deconcentration guidelines. The MFI of Pittsburg County for 2007 is \$42,500 which 30% would be \$12,750.

In conclusion, the Deconcentration Analysis did show a discrepancy in incomes among the projects owned by the MHA when using the average income. Even though the MHA developments are exempt, we will be using deconcentration policies to equalize development incomes.

Voluntary Conversion Statement

The McAlester Housing Authority has 4 developments that are eligible for voluntary conversion of Public Housing units to Section 8 Vouchers. They are:

62-001

62-002

62-004

62-005

62-003 is an elderly/disabled project

At this time the McAlester Housing Authority has looked at the feasibility of converting these units to Section 8 Vouchers and determined that it would not be beneficial at this time. The conversion would not help the vacancy rate at any of the projects and would not financially benefit any Section 8 participants to the extent Public Housing can benefit them. Additionally, the additional workload associated with converting the units would adversely affect the operations of the McAlester Housing Authority.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the McAlester Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

This Policy governs admission and occupancy of public housing administered by the Housing Authority of the City of McAlester. It is the intent of the Authority to ensure decent, safe, and sanitary housing for families of limited income in all public housing units owned or operated by the Authority under the United States Housing Act of 1937, as amended.

1.0 FAIR HOUSING

The policy of the McAlester Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The McAlester Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the McAlester Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the McAlester Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the McAlester Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The McAlester Housing Authority will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The McAlester Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the McAlester Housing Authority housing programs and related

services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the McAlester Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the McAlester Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

The application has a question for people requesting a Reasonable Accommodation. When the application interview is conducted, anyone requesting a Reasonable Accommodation will be given a Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the McAlester Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the McAlester Housing Authority will obtain documentation that the requested accommodation is needed due to the disability.

The McAlester Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The McAlester Housing Authority's business is housing. If the request would alter the fundamental business that the McAlester Housing Authority conducts, that would not be reasonable. For instance, the McAlester Housing Authority would deny a request to have the McAlester Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the McAlester Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the McAlester Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the McAlester Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the McAlester Housing Authority's programs and services, the McAlester Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the McAlester Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the McAlester Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the McAlester Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The McAlester Housing Authority will attempt to find interpreters who speak languages other than English in order to assist non-English speaking families.

The McAlester Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The McAlester Housing Authority shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the McAlester Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the McAlester Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the McAlester Housing Authority shall utilize multilingual "I speak" cards to the maximum degree possible."

4.0 FAMILY OUTREACH

When the waiting list reflects the need, the McAlester Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income,

very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the McAlester Housing Authority may distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The McAlester Housing Authority will also try to utilize public service announcements.

The McAlester Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted at the following location:

**McAlester Housing Authority
620 W. Kiowa
McAlester, OK 74501**

Applications are taken to compile a waiting list. Due to the demand for housing in the McAlester Housing Authority jurisdiction, the McAlester Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted from all applicants and the McAlester Housing Authority will verify the information.

Applications may be made in person at the **McAlester Housing Authority, 620 W. Kiowa, McAlester, OK 74501** on **Tuesdays, Wednesdays, and Thursdays from 9:00am to 4:00pm. Applications will not be accepted the first 6 days of each month so that rent may be taken.** Applications will be mailed to interested families upon request. Unless an applicant requests a Reasonable Accommodation for a disability, applications must be returned to the McAlester Housing Authority in person so that a Release of Information form can be signed and other verification documents may be obtained.

The completed application will be dated and time stamped upon its return to the McAlester Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the McAlester Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (918) 426-0335.

The date and time the application is received will be noted on the application form. All data is subject to verification. The completed application must be signed by an adult member of the family.

Upon receipt of the family's application, the McAlester Housing Authority will place the family on the appropriate waiting list according to their time and date. Then the McAlester Housing Authority will begin the verification process to determine eligibility or ineligibility. Once a determination of eligibility or ineligibility has been established, the McAlester Housing Authority will notify the family in writing of eligibility or ineligibility. If the McAlester Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The McAlester Housing Authority will annotate the applicant's file and will update their place on the waiting list.

The McAlester Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

An applicant must contact the Authority every 6 months to indicate continued interest and update any information regarding the application. If an applicant fails to notify the Authority within the specified time, the Authority will remove the application from its active files. At times, the McAlester Housing Authority may send a processing letter to applicants if the MHA determines that the waiting list needs to be purged of applicants that may no longer be interested in housing. The applicant will be sent a 7 day processing letter. The applicant will be taken off the waiting list if they do not respond within the 7 days. If the Housing Authority needs more information or further verifications to finish processing the application, the 7 day letter will state what information the Housing Authority needs to finish processing the applicant's application. If the applicant does not respond to the letter with the proper information, the applicant will be removed from the waiting list.

The Authority will keep a copy of each resident's Application for Admission in the resident's file. Any other occupancy information the Authority collects will be retained for at least three years or until audited by HUD, whichever occurs later. This will include data on current applicants and residents, and applications from persons who were never admitted.

A preliminary application will be taken on anyone wishing to be added to an established lease and household. This person will undergo the same screening procedures as if they were applying for a separate house.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the McAlester Housing Authority screening criteria in order to be admitted to public housing. Applicants must be at least 18 years of age or emancipated by the court to be eligible for admission to the McAlester Housing Authority as the Head of Household.

8.2 ELIGIBILITY CRITERIA

A. Family Status.

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship. Two or more persons who are not so related, but are regularly living together and can verify shared income or resources, who will live together in Public Housing.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides.

3. A **near-elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
4. A **disabled family**, which is:
 - a. A family whose head, spouse, or sole member is a person with disabilities;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
 - d. For the purposes of qualifying for lo-income housing, this does not include a person whose disability is based solely on any drug or alcohol dependence.
5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
6. A **remaining member of a tenant family**.
7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.
8. **Involuntarily Displaced Applicant**
 - A. An applicant is or will be considered involuntarily displaced if applicant has vacated or will have to vacate his/her housing unit as a result of one or more of the following actions:
 1. A disaster, such as a fire or flood, that results in the applicant's unit being uninhabitable;

2. Activity carried on by an agency of the United States or by any State or local governmental body or agency in connection with code enforcement or a public improvement or development program; or
3. Action by a housing owner that results in an applicant's having to vacate his or her unit, where:
 - a. The reason for the owner's action is beyond an applicant's ability to control or prevent;
 - b. The action occurs despite an applicant's having met all previously imposed conditions of occupancy; and
 - c. The action taken is other than a rent increase.

B. An applicant also is involuntarily displaced if:

1. The applicant has vacated his/her housing unit as a result of actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other member of the applicant's household; or
2. The applicant lives in a housing unit with such an individual who engages in such violence.

NOTE: The definition of displacement by domestic violence is clarified in two ways. First, the victim does not have to have a property right (such as a dwelling lease) to the unit where the violence has occurred. Second, the perpetrator of the violence may not reside with the applicant family after admission unless the Authority has given advance written approval.

3. The applicant has been displaced to avoid reprisals (witness relocation). This will apply when a family member has provided information on criminal activity to a law enforcement agency and, based on a threat assessment, the law enforcement agency recommends re-housing the family to avoid reprisals.

4. The applicant is displaced due to a hate crime. A hate crime means actual or threatened physical violence or intimidation against a person or the person's property that is based on the person's race, color, religion, sex, national origin, disability, or familial status.
5. The applicant is displaced by inaccessibility of a unit. This applies when a family member has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make the necessary changes as a reasonable accommodation to the disabled person.

C. For purposes of A(3) above, reasons for an applicant's having to vacate a housing unit include, but are not limited to, conversion of an applicant's housing unit to non-rental or non-residential use; closure of an applicant's housing unit for rehabilitation or for any other reason; notice to an applicant that he or she must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy; sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred; or any other legally authorized act that results or will result in the withdrawal by the owner of the unit or structure from the rental market. Such reasons do not include the vacating of a unit by a resident as a result of actions taken because of the resident's refusal:

1. To comply with applicable program policies and procedures with respect to the occupancy of under-occupied and overcrowded units; or
2. To accept a transfer to another housing unit in accordance with a court decree or in accordance with such policies and procedures under a HUD-approved desegregation plan.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units that were available for occupancy before 10/1/81, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.
2. Income limits apply only at admission and are not applicable for continued occupancy.

3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the McAlester Housing Authority.
4. If the McAlester Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
5. Income limit restrictions do not apply to families transferring within the Public Housing Program.
6. Income limits for admission are established by the Department of Housing and Urban Development. No minimum income limits are established. **Appendix A** sets out the current income limits.
7. The McAlester Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

C. Citizenship/Eligibility Status

To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)), or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preferences to any United States citizen or national resident within Guam.

1. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.5 for calculating rents under the noncitizen rule).

- c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members must provide a Social Security number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

- 1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
- 2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the McAlester Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the McAlester Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed; and
 - e. A statement allowing the McAlester Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The McAlester Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a

family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, McAlester Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

B. The McAlester Housing Authority will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, such as any utility payments and especially rent (this includes rent and damages owed to a private landlord. The MHA may overlook the rent owed to a private land lord if the applicant can prove the rent owed was due to inability to pay due to loss of employment. It is the applicant's responsibility to provide this information);
2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
4. History of disturbing neighbors or destruction of property;
5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The McAlester Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The McAlester Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse and co-head;
2. A rental history check of all adult family members;

3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the McAlester Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the McAlester Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the McAlester Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the McAlester Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing.

- D. Where a person with disabilities is applying for public housing and the individual's eligibility for admission, level of benefits, or qualification for preferences or priorities does not depend upon his or her being a handicapped person, the Authority may not inquire about the existence, severity of any physical or mental impairment, nor require proof that the applicant is capable of independent living. However, to the extent necessary to determine eligibility and rent, the Authority may require an applicant to provide information about the nature and extent of his/her disability or related conditions.

- E. Any applicant who has previously been found ineligible for public housing within six months of application to the Authority shall not be eligible for housing until after the six month period has expired.
- F. Reference **Appendix B** (One Strike Policy)

The McAlester Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the McAlester Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the McAlester Housing Authority's decision. 9.0 MANAGING THE WAITING LIST

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 *ORGANIZATION OF THE WAITING LIST*

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size and then in order of date and time of application; and
- C. Any contacts between the McAlester Housing Authority and the applicant will be documented in the applicant file.

The Authority will indicate on the Community-wide Waiting List the following about each applicant family.

- race/ethnicity;
- determination of eligibility or ineligibility for selection;
- preference determination;
- date and unit offered and rejected, with reason for the rejection noted;
- date assigned to dwelling unit and identification of unit to which assigned;
- reason for removing applicant from consideration for housing (i.e., upon applicant's request, failure to communicate continued interest, or applicant no longer qualifies).

9.3 *PURGING THE WAITING LIST*

The McAlester Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the McAlester Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.4 *REMOVAL OF APPLICANTS FROM THE WAITING LIST*

The McAlester Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.
- E. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.5 *MISSED APPOINTMENTS*

All applicants who fail to keep a scheduled appointment with the McAlester Housing Authority may be sent a notice of termination of the process for eligibility.

The McAlester Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the McAlester Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 *NOTIFICATION OF NEGATIVE ACTIONS*

Any applicant whose name is being removed from the waiting list will be notified by the McAlester Housing Authority, in writing, that they have seven (7) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the time frame specified. The McAlester Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their

failure to respond to a request for information or updates was caused by a disability, the McAlester Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

In selecting residents from among eligible applicants who meet the screening criteria, first consideration shall be given to matching the size and type unit (i.e., physically accessible or not) offered to the family's need.

The McAlester Housing Authority will select families based on the following local preferences within each bedroom size category based on our local housing needs and priorities:

- A. Involuntarily displaced applicants (see glossary), which are not living in standard permanent replacement housing (see glossary):
- B. Applicants living in substandard housing (see glossary):
- C. The applicant has vacated his/her housing unit as a result of actual or threatened physical violence directed against the applicant or one or more members of the applicant's family by a spouse or other member of the applicant's household or the applicant lives in a housing unit with such an individual who engages in such violence.

Any of the three preferences will be applied if eligible with equal weight for each. If more than one applicant has local preferences, application date and time will be used to prioritize.

The date and time of application will be noted and utilized to determine the sequence within each bedroom size category.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated as Elderly Only Housing: The following McAlester Housing Authority projects/units have been approved by HUD as being designated for elderly only.

Project	Site	Number of Units
62-001	A,B,D	65
62-003	WK, SD	63

In filling vacancies in these units, first priority will be given to elderly families. If there are no elderly families on the list, next priority will be given to the near-elderly. If there are no near-elderly, units will be offered to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments that may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families.

In determining bedroom size, the McAlester Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom.
- B. Children of the opposite sex, both under the age of 6, will share a bedroom.
- C. Children, with the possible exception of infants (under age 2), would not be required to share a bedroom with persons of different generations, including their parents.
- D. Foster-adults and/or foster-children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.
- F. Husband and wife will share a bedroom.

- G. Housing units shall be assigned as not to require the use of the living room for sleeping purposes.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The McAlester Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 1 year or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The McAlester Housing Authority will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. Unit assignments will not be made which result in or perpetuate patterns of occupancy which would be inconsistent with Title VI of the Civil Rights Act of 1964 or the Fair Housing Act.

10.3 SELECTION FROM THE WAITING LIST

The McAlester Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is McAlester Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. We will accomplish this in a uniform and non-discriminating manner. We will accomplish this through incentives discussed in Section 10.5 DECONCENTRATION INCENTIVES.

The McAlester Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The Deconcentration Analysis for the McAlester Housing Authority is located as **Appendix C**.

10.5 DECONCENTRATION INCENTIVES

The McAlester Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development. Any development with an average/median income +/- 15% of the MHA average/median income shall be identified as not meeting deconcentration requirements and is subject to the Deconcentration Policy and Deconcentration Incentives. Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner. An example of a deconcentration incentive would be to allow families to skip ahead on the waiting list if their income is such that it helps deconcentrate income levels of the McAlester Housing Authority projects. Some incentives the McAlester Housing Authority will offer include, but are not limited to the following:

1. Allow families to skip ahead on the waiting list if their income is such that it helps deconcentrate income levels of the McAlester Housing Authority projects.
2. Offer of a bigger unit so as to increase the appeal of the targeted development.
3. First month rent remainder waived if applicant is willing to move into targeted development.

10.6 OFFER OF A UNIT

A list of McAlester Housing Authority units is attached as **Appendix D**.

When the McAlester Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The McAlester Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the family was contacted by telephone or from the date the letter was mailed to contact the McAlester Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. The family will have two (2) business days to view and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file.

10.7 REJECTION OF UNIT

If in making the offer to the family the McAlester Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the McAlester Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

Applicants may reject offers of vacancies without being moved from their place on the Community-wide Waiting List if rejection is not related to race, color, national origin, religion, sex, age, disability, or familial status:

- (1) To the Authority's satisfaction, based on clear evidence, the applicant is willing to accept the unit offered but is unable to move at the time of the offer; or
- (2) To the Authority's satisfaction, based on clear evidence, acceptance by the applicant of a given offer of a suitable vacancy will result in undue hardship; i.e., inaccessibility to source of employment or children's day care center.

The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease. The lease will state that the grievance procedure, utility allowances, the current schedule of routine maintenance charges, and a request for reasonable accommodation form are all posted on the McAlester Housing Authority bulletin board located at 620 W. Kiowa, McAlester, OK and that copies will be provided to the tenant upon request. These documents will be explained in detail upon receipt. The applicant will sign a certification that they have received the lease and that they have reviewed it with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the McAlester Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

10.9 SECURITY DEPOSITS

The family will pay a security deposit at the time of lease signing. The security deposit will be a set amount determined by the Housing Authority. A schedule of security deposits is attached as **Appendix E**.

In exceptional situations, the McAlester Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

The security deposit will be returned to the resident within 30 days after move-out, in a manner consistent with State and, if applicable, local law, if the following conditions are met:

- A. There is no unpaid rent and charges for which the resident is liable under the lease or as a result of breaching the lease;
- B. The unit and all equipment are left clear, and all trash and debris have been removed by the family;
- C. There is no breakage or damage beyond that expected from normal wear and tear; and
- D. All keys issued to the family are turned in to the Authority office when the family vacates the unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges and give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The McAlester Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within 30 days.

10.10 MISREPRESENTATIONS ON APPLICATION FOR ADMISSION

If misrepresentations on Application for Admission result in housing an ineligible or unsuitable family, the family may be required to vacate even though currently eligible. If misrepresentations or failure to provide facts have resulted in payment of a lower Total Tenant Payment than should have been paid, the family will be required to pay the difference between the Total Tenant Payment paid and the amount which should have been paid. In justifiable cases, the Authority may take such other action as deemed reasonable.

10.11 DWELLING LEASE

- A. The Authority shall utilize a lease that:

1. Does not contain unreasonable terms and conditions;
 2. Obligates the Authority to maintain the project in a decent, safe, and sanitary condition;
 3. Requires the Authority to give adequate written notice of termination of the lease which shall not be less than:
 - a. A reasonable time, but not to exceed 30 days, considering the seriousness of the situation when the health or safety of other tenants or Authority staff is threatened;
 - b. Fourteen days in the case of failure to pay rent; and
 - c. Twenty-four hour emergency notice to vacate for criminal and/or drug related activity, verbal/physical abuse, threats of violence, or any activity that threatens the health or safety of resident, MHA employees or the public; and
 4. Requires that the Authority may not terminate the tenancy except for serious or repeated violation of the terms or conditions of the lease or for other good cause.
- B. Each lease shall specify the unit to be occupied, the date of admission, the size of the unit to be occupied, all family members who will live in the unit, the Total Tenant Payment security deposit to be charged, the utility allowances, other charges under the lease, and the terms of occupancy. The lease shall be explained in detail to the applicant family before its execution. The lease shall be kept current at all times. Each adult member of the family accepted as a resident is required to execute the lease agreement prior to actual admission. One copy of the lease will be given to the family, and the original will be filed as part of the permanent records established for the family.
- C. If a resident family transfers to a different unit, the existing lease will be canceled. A new lease will be executed by each adult member of the family for the unit into which the family is to move.
- D. If any other change in a resident family's status results in the need to change or amend any provision of the lease, or if the Authority desires to waive a lease provision with respect to a resident family, (1) the existing lease is to be canceled and a new lease executed, or (2) an appropriate rider is to be prepared and executed by appropriate family members and Authority and made a part of the existing lease.

- E. Cancellation of a family's lease will be in accordance with the provisions of the lease.
- F. The current Grievance Procedure, set out in **Appendix F** attached hereto, is incorporated into the lease by reference. Resident families are entitled to utilize provisions of the Authority's Grievance Procedure to attempt settlement of disputes with the Authority.
- G. The dwelling lease shall be incorporated into this Admission/Occupancy policy by reference and is attached as **Appendix G**.

10.12 POLICE OFFICERS IN HOUSING

The MHA may admit police officers who are above income limits for the purpose of increasing security for residents of a public housing development. The PHA may allow police officers who would not otherwise be eligible for occupancy in public housing, to reside in a public housing dwelling unit.

A "police officer" means a person determined by the MHA to be, during the period of residence of that person in public housing, employed on a full-time basis as a duly licensed professional police officer by a Federal, State, or local government or by an agency of these governments.

As an incentive to increase officer interest, a police officer's income will not be considered in figuring tenant rent. a spouse or other adult resident income will be considered in figuring rent. In no case will an officer receive a utility reimbursement check. The police officer will sign a lease and will be subject to the terms thereof, the same as any other tenant. If a police officer loses his/her position with the approved Law Enforcement agency, the police officer will be subject to the same tenancy conditions as any other tenant in housing, including rent. An officer's income will be considered at the annual recertification and rent will be increased accordingly at that time.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the McAlester Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the McAlester Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and

Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
 - 2. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - 3. Imputed welfare income
 - a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the McAlester Housing Authority by the welfare agency) plus the total amount of other annual income.

- b. At the request of the McAlester Housing Authority, the welfare agency will inform the McAlester Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the McAlester Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The McAlester Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the McAlester Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The McAlester Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the McAlester Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the McAlester Housing Authority denies the family's request to modify such amount, then the McAlester Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the McAlester Housing Authority's determination of the amount of imputed welfare income. The McAlester Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.
- g. Relations with welfare agencies
 - 1) The McAlester Housing Authority will ask welfare agencies to inform it of any specified welfare benefits

reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the McAlester Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- 2) The McAlester Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the McAlester Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The McAlester Housing Authority shall rely on the welfare agency notice to the McAlester Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;

- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the McAlester Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;
 - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and

training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;

6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. **Mandatory Earned Income Disregard (MEID).** The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received. Additionally, this exclusion is only available to the following families:
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years. Families must be in housing for at least 12 months before qualifying so that unemployment can be properly verified.
 - b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
 - c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

TANF includes both regular monthly income and one-time benefits and/or services that total at least \$500 over a 6 month period.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48 month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

11. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
12. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
13. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
14. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;
- C. The sum of the following, to the extent the sum exceeds three percent of annual income:
 - 1. Un-reimbursed medical expenses of any elderly family or disabled family, including any fee paid by the participant for the Medicare prescription Drug Program; and
 - 2. Un-reimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus.

- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

11.4 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME

- A. If a public housing resident receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within thirty (30) calendar days of receipt by the resident.
- B. The McAlester Housing Authority shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the McAlester Housing Authority shall, if appropriate, adjust the resident's rent beginning at the start of the next month. If the reconciliation is completed during the final five (5) calendar days of the month, the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the McAlester Housing Authority shall do one of the following:
 - 1. Immediately collect the back rent due to the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the lease and evict for failure to report income; or
 - 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The McAlester Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and

- B. To provide written verification to the McAlester Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

12.0 VERIFICATION

The McAlester Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Enterprise Income Verification (EIV)** – HUD’s online wage and benefit system that allows PHAs to verify tenant-reported income from an independent source in computerized form.
- b. **State Wage Information Collection Agencies (SWICAs)**
- c. **State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. **Credit Bureau Information (CBA) credit reports**

e. Internal Revenue Service (IRS) Letter 1722

f. Private sector databases (e.g. The Work Number)

The McAlester Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the McAlester Housing Authority has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the McAlester Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the McAlester Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The McAlester Housing Authority will allow two (2) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The McAlester Housing Authority will allow five (5) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the two (2) weeks and five (5) business days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the two (2) week and five (5) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the McAlester Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a Social Security card, birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The McAlester Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The McAlester Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the McAlester Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the McAlester Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number must provide verification of his or her Social Security number. New family members must provide this verification prior to being added to the lease. Children in assisted households must provide this verification as soon as they get it.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the McAlester Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The McAlester Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance.

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every year.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the McAlester will provide them with the following information whenever they have to make rent decisions:
 - 1. The McAlester Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the McAlester Housing Authority will provide the amount of income-based rent for the subsequent year only the year the McAlester Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;

- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$50.

13.3 MINIMUM RENT

The McAlester Housing Authority has set the minimum rent at \$50. If the family requests a hardship exemption, however, the McAlester Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum

rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The McAlester Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The McAlester Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.4).

The McAlester Housing Authority will post the flat rents at the main office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners. Flat rents are attached as **Appendix H**.

There is no utility allowance for families paying a flat rent.

13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the McAlester Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.6 UTILITY ALLOWANCE

The McAlester Housing Authority shall establish a utility allowance for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the McAlester Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances. A utility allowance schedule is attached as **Appendix I**.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the McAlester Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Requests for relief from surcharges for excess consumption of McAlester Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the McAlester Housing Authority on reasonable grounds. Requests shall be granted to families that include an

elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.7 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at the McAlester Housing Authority, 620 W. Kiowa, McAlester, OK 74501. Reasonable accommodations for this requirement will be made for persons with disabilities.

If the rent is not paid by the fifth of the month, a 5 Notice to Vacate will be issued to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur a bank charge for insufficient funds plus an additional charge of \$10 for processing costs.

If there is good reason for an extension of time to pay the delinquent rent, the Authority may enter into an agreement with the resident. Such agreement will be in writing, signed by both parties, and require the resident to make future rent payments in full not later than the 5th of the month during which they become due. The agreement will specify the due dates and dollar amounts of periodic payments to be made toward settlement of the past due balance.

Failure to reach an agreement, or failure of the resident to abide by the terms of the agreement, will result in a 14 day notice of lease cancellation to the resident in writing. If the resident contacts the Authority within the 14 day notice period and pays the past due balance in full, the notice of lease cancellation will be rescinded in writing. If the resident does not contact the Authority during the 14 day notice period and does not pay the past due balance in full, the Authority may file for eviction. Once the eviction has been filed, no payments on past due or current rent will be accepted from the resident until the case is settled. All terminations shall be processed in accordance with the requirements of the lease, State law, and Federal regulations.

13.8 OTHER CHARGES

Charges other than rent, such as excess utility usage and resident caused damages, shall not become due and collectable until the first day of the second month following the month during which the charge is incurred. If not paid by the 5th day of the month, a 30 day notice is sent. If no response, a 10 day notice of lease termination is mailed or delivered.

14.0 COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in 8 hours per month of an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement

14.3 NOTIFICATION OF THE REQUIREMENT

The McAlester Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The McAlester Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The McAlester Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after July 1, 2001. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The McAlester Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the McAlester Housing Authority may create volunteer positions including, but not limited to light grounds maintenance, litter patrols, program participation and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission, or at the first annual reexamination on or after July 1, 2001, and each annual reexamination thereafter, the McAlester Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the McAlester Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

The McAlester Housing Authority has the authority to accept or deny community service activities. Residents must notify the McAlester Housing Authority before any community service begins so that it may be approved as an eligible activity.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The McAlester Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.

14.7 OPPORTUNITY FOR CURE

The McAlester Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the McAlester Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the McAlester Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the McAlester Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size, (3) whether the family, based upon reexamination information is still eligible for housing.

15.1 GENERAL

The McAlester Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. At the appointment, the family can make their decision as to using the income rent method or the flat rent method. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

The Authority shall reexamine the income and composition of all resident families at least once every twelve months and determine whether the family's unit size is still appropriate. After consultation with the family and upon verification of the information, the Authority shall make appropriate adjustments in Tenant Rent and Total Tenant Payment. If it is not possible to obtain all verifications necessary to complete a reexamination by the anniversary date, a temporary rent will be established based on data supplied by the family. The family will be notified that payments based on this unverified report of anticipated income are to be made pending establishment of final rent. The notice will make clear that when the final rent is determined it will be effective from the reexamination anniversary date, and that the family will be charged for any balance due, or credited with any overpayment. Appropriate lease changes will be made for each adjustment.

During the appointment, the McAlester Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

The MHA Lease does not automatically renew at reexamination. Upon reexamination, the MHA will redetermine eligibility based on but not limited to: criminal activity, violations of MHA Policies, and any incidents the tenant, tenant's family or guests under tenants control, have been involved in. The Lease will be approved when the MHA initials the Annual Reexamination changes and Lease Approval located on the last page of the lease.

15.2 MISREPRESENTATION AT ANNUAL REEXAMINATION

If the reexamination discloses that the family at time of admission, or at any previous reexamination, made misrepresentations that resulted in the family's being classified as

eligible when, in fact, ineligible, the family may be required to vacate even though currently eligible. Furthermore, if at the time of reexamination it is found that the misrepresentations or failure to provide facts resulted in a lower rent being charged, the family will be required to pay the difference between the rent paid and the amount that should have been paid. In justifiable cases, this Authority may take such other action as deemed reasonable. If the Authority is unable to complete the annual reexamination because of the fault of the family, the effective date of any change will be the reexamination anniversary date.

If, by no fault of the family, the Authority is unable to complete its annual reexamination, the effective date of any increase in Total Tenant Payment will be the first of the second month following completion of the reexamination; the effective date of any decrease in Total Tenant Payment will remain the reexamination anniversary date, and the Family will be given the appropriate Total Tenant Payment credits for overpayment.

15.3 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the McAlester Housing Authority taking eviction actions against the family.

15.4 FLAT RENTS

During the resident's Annual Reexamination Interview, the resident will be provided the following information:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years. Family composition exams and inspections will still be conducted annually.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income-based method at any time for any of the following reasons:

1. The family's income has decreased.
 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- F. The dates upon which the McAlester Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, McAlester Housing Authority will send a reexamination letter to the family. The opportunity to select the flat rent is available only at this time. At the appointment, the McAlester Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. The family can then select which rent method they wish to use.

15.5 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the McAlester Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.6 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.7 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income between annual reexaminations. The MHA may increase tenant rent at interim examinations, if the change results in a substantial difference (increase in rent of \$40 for a period of 2 months) from current tenant rent rate. For any tenant who experiences a loss of income, the MHA may delay, but not refuse, for up to 2 months, to conduct a rent change so that if resident gains alternate income (new job, unemployment) the rent will be adjusted to the new income. If there is an income increase, the rent may increase if there is a substantial difference (increase in rent of \$40 for a period of 2 months) from current tenant rent rate. The Housing Authority may increase rent between annual reexaminations if the change is due to the Mandatory Earned Income Disregard (MEID) or the change is due to false or inaccurate information provided by the tenant or tenant employer.

Families are required to report the following changes to the McAlester Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. Increases and decreases in income that would justify a rent change;
- B. Changes in family composition: A member has been added to the family through birth or adoption or court-awarded custody or a member has left the family household (addition or subtraction of family members).

C. Such other circumstances as would create a hardship situation.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The McAlester Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of a rent increase due to the addition of a household member will be effective the first of the month following the addition to the lease.

Failure to report required changes could result in a retroactive rent charge and/or lease termination. If the Authority receives information concerning a change in the family's composition, income or other circumstances between regularly scheduled reexaminations, the Authority must consult with the family and make any adjustments determined to be appropriate. Any change in the family's income or other circumstances that result in adjustment in Tenant Rent or Total Tenant Payment must be verified.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the McAlester Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.8 SPECIAL REEXAMINATIONS

If at the time of annual reexamination a family's present condition of employment is too unstable to project the Adjusted Income for the upcoming twelve-month period for the purpose of determining Total Tenant Payment, special reexaminations will be scheduled on a 30-day basis. These specific reexaminations will take place until the family's circumstances have stabilized.

15.9 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the

family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.10 RESTRICTION ON EVICTION OF FAMILIES BASED UPON INCOME

The Authority shall not commence eviction proceedings, or refuse to renew a lease, based on the income of the resident family unless: (a) it has identified, for possible rental by the family, a unit of decent, safe, and sanitary housing of suitable size available at a rent not exceeding the Tenant Rent as defined in Section 2, or (b) it is required to do so by local law.

15.11 ADDING FAMILY MEMBERS TO THE LEASE (PRELIMINARY APPLICATIONS)

Residents may add new family members to their lease by submitting a preliminary application to add the family member to the lease. The new applicant will not be allowed to move into the unit until MHA approval. The preliminary application must be turned into the MHA office at 620 W. Kiowa. The applicant (if over 18) is subject to the same admission eligibility criteria as any other applicant to housing except income limits. Upon approval, the applicant (if over 18) must sign the lease of the current tenant. The income of the new family member will be immediately considered in determining rent.

15.12 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the McAlester Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of 12 months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refunds methods.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the McAlester Housing Authority's deconcentration goal, if appropriate.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain McAlester Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the McAlester Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

16.5 PROCESSING TRANSFERS

The Authority shall maintain a list of families that need to be transferred. The family name shall be placed on this list on the day the Authority becomes aware of family composition change or other circumstances requiring a change. Families underhoused shall be given preference over families over-housed in the transfer process. Families needing special consideration because of handicap or disability shall be accommodated before over-housed families whenever possible. Transfers to other dwelling units will be made as follows:

- A. Residents will be transferred to a dwelling unit of equal size, either within a location or site or between locations or sites, only to alleviate hardships as determined by the Authority; and
- B. Normally, transfers within a location or site or between locations or sites for hardship reasons, or to correct over/under-housing shall have priority over new applicants. The Authority will not require a family residing in a unit too large for its needs to transfer into a smaller unit unless the Waiting List reflects a need for the occupied unit.

Transfers in category 1 and 2 will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category 1 will be housed ahead of transfers in category 2. Transfers in Category 2 will be housed ahead of category 3. Transfers in category 3 will be housed last.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

Categories 1 and 2 will be housed before new admissions. Category 3 transfers will be transferred at the discretion of the Housing Authority taking into consideration, Housing needs, family needs, and deconcentration guidelines.

Tenants with owe an outstanding balance to the MHA will not be eligible for transfers until they have been in good standing with a repayment agreement for 3 months.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause, any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the McAlester Housing Authority and the family rejects two offers without good cause, the McAlester Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the McAlester Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the McAlester Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the McAlester Housing Authority has caused the unit to be unsafe or inhabitable.
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.

The responsibility for moving costs in other circumstances will be determined on a case-by-case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the McAlester Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the McAlester Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The McAlester Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The McAlester Housing Authority will grant or deny the transfer request in writing, within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE MCALESTER HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the McAlester Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the McAlester Housing Authority file and a copy given to the family member. An authorized McAlester Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any damages to the unit.

17.1 MOVE-IN INSPECTIONS

The McAlester Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The McAlester Housing Authority will inspect each public housing unit annually to ensure that each unit meets the McAlester Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the McAlester Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the McAlester Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the McAlester Housing Authority will give the tenant at least one (1) day written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the McAlester Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 MOVE-OUT INSPECTIONS

The McAlester Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

17.9 60 DAY INSPECTIONS

Approximately 60 days after initial tenant move-in the MHA will conduct a 60 Day Inspection. This inspection will be to ensure that the family is maintaining the unit in a safe and sanitary condition.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN SENIOR BUILDINGS

The McAlester Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold

the McAlester Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.

18.4 TYPES AND NUMBER OF PETS

The McAlester Housing Authority will allow only domesticated dogs, cats, birds, rodents (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one (1) pet per unit allowed.

Any animals deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed twenty (20) pounds in weight.

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies and other conditions prescribed by local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be filed with the MHA to attest to the inoculations.

18.6 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the McAlester Housing Authority reserves the right to exterminate and charge the resident.

18.7 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or McAlester Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance will result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.8 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals, no pets shall be allowed in the community rooms, community room kitchens, public bathrooms, lobbies, or offices in any of the housing authority sites.

18.9 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without McAlester Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

18.10 REMOVAL OF PETS

The McAlester Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of the MHA staff, of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of the pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the McAlester Housing Authority has permission to call the emergency caregiver designated by the resident or the local Animal Control Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

18.11 MISCELLANEOUS RULES

Pets may not be left attended in a dwelling unit for over 10 hours. If the pet is left unattended and no arrangements have been made for its care, the MHA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculations.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when housing employees, agents of the Housing Authority, or others who must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/or her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The housing authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

19.0 REPAYMENT AGREEMENTS

When a resident owes the McAlester Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the McAlester Housing Authority allow them to enter into a Repayment Agreement. The McAlester Housing Authority has the sole discretion of whether to accept such an agreement.

Applicants, participants, and residents who owe an outstanding balance, to MHA or to another Public Housing Authority in connection with low-income public housing, Section 8, or any other housing assistance program under the U.S. Housing Act of 1937, or any

other landlord shall be determined ineligible for admission in housing programs administered by the McAlester Housing Authority until repayment has been made in full.

In the case of continued participation (annual, special review, and/or transfer) MHA may offer the Resident an agreement to repay outstanding balances owed to MHA or another housing authority. Such agreements must be executed within thirty (30) days from the date of notification or eviction procedures will be implemented.

- (1) The agreement will state the terms of the repayment schedule. The terms shall be from one (1) to twelve (12) months. In no case shall the agreement exceed twelve (12) months.
- (2) Any breach of the reimbursement agreement will be grounds for immediate termination of Lease action.
- (3) A Resident who has executed a repayment agreement shall not be eligible for transfer to another low income public housing unit until they have been in good standing on the repayment agreement for 3 months prior to the transfer.

At the discretion of the Executive Director or his/her designee, the following exemptions may be considered:

- (a) Medical- a Resident may be transferred upon request for medical reasons when a transfer to another unit would eliminate or decrease the advancement of a medical condition or is required in order to be closer to available and necessary medical treatment. A doctor's statement verifying the need for such transfer may be required.
- (b) Emergency- an adult family member may be transferred upon request if an abusive situation exists within the household (i.e. battered spouse) which requires a resident to need emergency housing elsewhere. A clergy, police report, must verify this or a shelter designated in aiding in abusive situations. Children may accompany the custodial parent.
- (c) Natural disaster- a Resident family may be transferred because of a natural disaster (i.e. tornado, fire, flood), which makes the existing unit uninhabitable.
- (d) Safety/security-when the safety and well being of a Resident is in immediate jeopardy of physical and/or emotional harm, a Resident member or family may be transferred upon request after proper verification and/or investigation. If a Resident should die while residing on the Authority's premises, all of their personal belongings should be boxed up for a family member to collect and the apartment secured by Authority personnel.
- (e) Administrative- a Resident may be transferred before the end of the waiting period if administrative guidelines require it. (i.e. income deconcentration, income targeting, over/under housed)

- (4) All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

A down payment on the balance is required at the time the agreement is executed. Monthly payment amount will be established after a review of all relevant family income information. The applicant and/or tenant will remain in good standing with the Housing Authority as long as all payments are received in a prompt timely manner. Failure to abide by this Repayment Agreement will result in one or more of the following actions:

- A. Section 8 applicants and/or Public Housing applicants will have their applications withdrawn until payment in full has been received.
- B. Public Housing tenants will have the unpaid balance filed in Pittsburg County Court for collection of the total unpaid balance, plus court costs.

- D. Public housing and Section 8 tenants will have their accounts referred to a collection agency if the tenant becomes delinquent in the repayment agreement.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

After October 1, 2000, the McAlester Housing Authority will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The McAlester Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

Failure of a family to comply with the provisions of the resident's lease shall cause the Authority to begin eviction proceedings in accordance with State law. Resident families are entitled to utilize provisions of the Authority's Grievance Procedure (**Appendix F** attached hereto) to attempt settlement of disputes with the Authority. The US Department of Housing and Urban Development has determined that a civil court provides the elements of due process for tenants who have been evicted. Therefore, there are no grievance procedures in eviction cases involving termination of tenancy for any activity that threatens the health, safety or any drug-related criminal activity ON OR OFF SUCH PREMISES, not just on or near such premises.

20.3 ABANDONMENT

The McAlester Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, an McAlester Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be disposed of. If the McAlester Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

If any property left in the unit is not claimed within 90 days of the date of notice. The contents of the unit will be disposed of or donated at the McAlester Housing Authority's discretion.

Within 120 days of learning of abandonment, the McAlester Housing Authority will either return the deposit or provide a statement of why the deposit is being kept.

The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

24.0 PEST CONTROL POLICY

The McAlester Housing Authority recognizes the importance of pest control in providing a living environment of adequate health and safety for its residents. To achieve this control, the authority has adopted a pest control policy attached as **APPENDIX L**.

25.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The McAlester Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the McAlester Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the McAlester Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 days of the conclusion of the active duty service.

26.0 Public Housing Anti-Fraud Policy

The supervising adult should, at all times, be in a clean line of sight and sound of the pool and no more than 6 feet away. Any pool not containing water and in use must be stored in a secure area, i.e. home, living quarters, storage facility of the owner of the pool or supervising adult. Resident is responsible for any damage and/or injury caused by the pool.

Playground Climbing/Swing Equipment.

Temporary children's playground equipment may be erected providing the equipment is erected using the manufacturers instructions. The play equipment may not be more than 6 ft tall or allow a child to gain a height higher than 6 ft by climbing or swinging or any other method. The equipment must be erected in an area with the softest possible padding, such as in a grassy area.

Wading pools

Prior approval from the management office must be obtained before the placement and filling of any wading pool to ensure compliance with the above stated concerns.

The cost of any damages to the McAlester Housing Authority property, such as damage to grass, may be charged to the owner of the wading pool.

Failure to adhere to this policy will result in disciplinary action up to and including the immediate removal of said pool and/or termination of lease by the McAlester Housing Authority.

28.0 Air Conditioner Policy

The purpose of this policy is to promote the safe and energy efficient operation of air conditioners which residents are permitted to install at their expense and operate without charge during the cooling season provided they:

1. Accept full responsibility for their installation, and any accident or injury that occurs as a result of their installation, operation and/or removal; and,
2. install them in windows only; do not install them in any door; and,
3. properly install them without making permanent modifications to the window frame or walls; and,

29.0 Protections for Victims of Abuse.

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other "good cause" for termination of the assistance, tenancy, or occupancy rights of such a victim.
2. Criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or immediate member of the tenants family is the victim or threatened victim of domestic violence, dating violence or stalking.

3. Notwithstanding any restrictions on admissions, occupancy, or terminations of occupancy or assistance, or any Federal, State, or local law to the contrary, the MHA may “bifurcate” a lease, or otherwise remove a household member from a lease without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant, or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, termination assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program.
4. Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
5. Nothing in this section limits any otherwise available authority of the McAlester Housing Authority to evict or to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant’s household, provided that the McAlester Housing Authority does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.
6. Nothing in this section may be construed to limit the authority of the McAlester Housing Authority to evict, or terminate assistance, to any tenant if the McAlester Housing Authority can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance.
7. Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.
8. The McAlester Housing Authority may request an individual complete, sign and submit, within 14 business days of the request, a HUD-approved certification form. On the form, the individual certifies that he/she is a victim of domestic violence, dating violence, or stalking, and that the incident or incidences in question are bona fide incidences of such actual or threatened abuse. On the certification form, the individual shall provide the name of the perpetrator.

In lieu of a certification form, or in addition to the certification form, a tenant may provide to PHA's managers or owners, (a Federal, State, Tribal, territorial, or local police record or court record: (2) documentation signed and attested to by an employee, agent or volunteer of a victim service provider, an attorney or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking, or the effects of abuse, in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, or stalking as signed or attested to the documentation.

- B. Victims of Domestic Violence: Individuals or families who have been or are being subjected to or victimized by violence by a member of the family or household. The XYZ Housing Authority will require evidence that the family has been displaced as result of fleeing violence in the home. Individuals and families are also eligible for this preference if there is proof that the individual or family is currently living in a situation where they are being subjected to or victimized by violence in the home. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual's or a family's eligibility for this preference:

- A. Verified actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family or where the family has fled its housing to escape from an abuser.
- B. The actual or threatened violence must have occurred within the past 30 calendar days or be of a continuing nature.

Violent criminal activity: means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Welfare Assistance: Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments (including assistance provided under the Temporary Assistance for Needy Families (TANF) program, as that term is defined under the implementing regulations issued by the Department of Health and Human Services at 45 CFR 260.31).

45 CFR 260.31 defines the term "assistance" to include cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

It includes such benefits even when they are:

- A. Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and
- B. Conditioned on participation in work experience or community service (or any other work activity under 45 CFR 261.30).

Except where excluded later in this definition, it also includes supportive services such as transportation and childcare provided to families who are not employed.

The term “assistance” excludes:

- A. Nonrecurrent, short-term benefits that:
 - 1. Are designed to deal with a specific crisis situation or episode of need;
 - 2. Are not intended to meet recurrent or ongoing needs; and
 - 3. Will not extend beyond four months.

- E. Contributions to, and distributions from, Individual Development Accounts;
- F. Services such as counseling, case management, peer support, childcare information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and
- G. Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of the Act, to an individual who is not otherwise receiving assistance.

APPENDIX B

ONE STRIKE AND YOU'RE OUT

Now, therefore be it resolved by the Housing Authority of the City of McAlester, Oklahoma as follows: that the following policy for admission to and occupancy of low income public housing and Section 8 pertaining to screening and/or eviction pursuant to any drug-related activity and/or criminal activity be established:

PURPOSE

The goal of the McAlester Housing Authority is to provide safe, clean, and affordable housing. Moreover, it is the right of all individuals to live in peace and to feel free from fear, intimidation, and abuse. In order to ensure this environment, it is therefore the responsibility and requirement of each tenant/household to abide by the terms herein.

In March 1996, Congress passed the Housing Opportunity Program Extension Act (Extension Act). This act authorizes and obligates the Authority to implement this policy regarding screening and eviction of tenants in Public or Section 8 Housing.

SECTION I..SCREENING PROCESS

A. Any person who engages in criminal activity and/or any illegal drug related activity may be prohibited from living in Public or Section 8 Housing. Any activity that poses a threat to the life, health, safety, or peaceful enjoyment of any resident, their guest, employee of the MHA, or other members of the community will be grounds for denial of housing.

For the purposes of this policy, there will be a prohibition period associated with certain criminal activities or types of activities. Those prohibition periods are listed with the criminal activity in Section I (B) below. The MHA will look at each applicant's criminal history taking into consideration the date of the activity and the circumstances surrounding the activity when determining eligibility for housing. The MHA may reduce the prohibition period if the applicant can demonstrate, to the MHA's satisfaction, that there will be no further criminal behavior.

"Prohibition period" shall be defined as the minimum length of time passed between the criminal act and the housing application date. The applicant will not be eligible for housing if his application date falls within the prohibition period. For example--an applicant has an assault charge--he/she will not be eligible for housing if the assault occurred within 3 years of the application date.

The MHA may deny housing to an applicant indefinitely if the applicant's criminal history shows that the applicant is a habitual offender. A habitual offender shall be defined as a person who has 3 or more criminal violations.

B. For the purposes of the policy, criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants or employees of the McAlester Housing Authority shall include, but is not limited to, any of the following:

- | 1. | Crimes of violence: | Prohibition Period |
|----|--|------------------------------|
| | (a) assault or threat of assault | 3 years |
| | (b) murder or attempted murder | Life |
| | (c) battery | 3 years |
| | (d) use of, or the treat of the use of firearms or weapons, including “BB guns, knives, clubs, or other dangerous objects; | 3 years |
| 2. | Crimes against property: | |
| | (a) burglary | 3 years |
| | (b) larceny | 1 year |
| | (c) robbery | 3 years |
| 3. | Crimes that impose a financial cost: | |
| | (a) vandalism | 1 year |
| | (b) arson | 5 years-depends on severity |
| 4. | Crimes of sexual misconduct: | |
| | (a) sexual molestation or rape | Life |
| | (b) seduction or corruption of a minor | Life |
| | (c) prostitution or | 3 years |
| | (d) similar or related conduct; | Depends on charge 3yr - life |
| 5. | Crimes that involve disturbing the peace: | |
| | (a) alcohol abuse or | MHA discretion- Depends on |
| | (b) any repeated activity that interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents, their guest, employee of the MHA, or other members of the community.; or | Frequency and severity |
| 6. | Crimes that involve illegal drug related activity: | |
| | (a) manufacture of | 10 years |
| | (b) sale of | 10 years |
| | (c) possession of or | 10 years |
| | (d) the use of any illegal controlled substance. | 10 years |

C. Moreover, any applicant who has been evicted from Public Housing because of drug-related activity shall be denied occupancy. Any resident evicted from housing within one year of application to Section 8 housing shall be denied occupancy.

D. The Authority will conduct a comprehensive background check on the applicant and all appropriate members of the applicant's household. This check may include but is not limited to the following:

1. Review of police and court records
2. Review of NCIC records
3. Credit references and
4. Landlord references and
5. Consultations with
 - a. Probation officers
 - b. Parole officers
 - c. Local social service providers.
 - d. Drug and alcohol treatment facilities
 - e. Police, Sheriff, and Security personnel

It is also noted that a conviction is not needed to prove the presence of illegal activity. Participation in a drug treatment facility constitutes admission to past drug activity and therefore may be considered in determination of eligibility and used as grounds for denial.

This background check shall be accomplished through a united effort with the Pittsburg County Sheriff's Office. The McAlester Housing Authority may make written inquiry regarding all appropriate members of the household to the specific police department of the previous location of the applicant.

All infractions falling within the scope of this policy including copies of official police complaints and reports will be kept in the tenant's file or another secured file. This file will be located in the office of the McAlester Housing Authority. This information will only be accessible to authorized personnel on a need to know basis.

E. The Authority shall not discriminate on the basis of race, creed, national origin, religion, age, sex, disability, or familial status during any phase of the screening process. Moreover, the Authority will comply with all Civil Rights, fair housing policies, and privacy laws.

F. In the event the Authority deems an applicant ineligible for admission, the Authority shall promptly notify the applicant of its decision. Subsequent to the decision, the applicant has the right to an informal hearing. If the denial of occupancy is based on a criminal record, the Authority shall provide the applicant with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record.

"One Strike and You're Out" shall be interpreted in accordance with federal statutes and regulations and in compliance with HUD policy. Any conflict between this policy and federal statutes, regulations, or HUD handbook will be resolved in favor of federal law and policy.

Section II.... Eviction

The Extension Act of 1996 both obligates and authorizes the Authority to implement the “One Strike and You’re Out” Public or Section 8 Housing Policy. This policy is an amendment to the present Eviction Policy but does not supplant it. The McAlester Housing Authority lease specifies that any violation of the aforementioned prohibited activity is cause for eviction. In addition, this federal law imposes on tenants an affirmative obligation to assure that neither they, nor any member of their household, or guest, or any person under their control will engage in prohibited criminal or drug-related activity.

A. Pursuant to the terms of this policy, grounds for eviction from the Authority premises shall be the same as the screening process and in general shall include, but are not limited to the following:

1. Any criminal activity
2. Any drug related criminal activity
3. Any alcohol abuse and
4. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other resident, their guest, employee of the MHA, or other members of the community.

B. It is understood that the tenant/household shall be evicted if the prohibited activity is committed either on or off the McAlester Housing Authority premises. Any violation of the terms of this policy regarding criminal activity constitutes a “One Strike and You’re Out.”

C. It is also noted that criminal activity is cause for eviction even in the absence of arrest or conviction. If the McAlester Housing Authority believes, in good faith, that a breach of this lease has occurred, the Authority may terminate tenancy without regard to the following:

1. Whether or not any person, whose conduct is at issue, has been arrested, charged or convicted by law; or
2. Whether or not tenant had knowledge, in fact, of any criminal or drug related activity engaged in by a member of tenant’s household, or of any guest or invitee. Any exception would be the removal of household member’s name from the lease and the refusal of said member of household or guest on Authority premises.

D. It shall be presumed that any person engaging in the prohibited activity is a guest or visitor of the tenant, or a member of tenant’s household, if any criminal activity takes place on the premises.

E. Unlawful activity shall not be tolerated. In the event that the Authority deems it necessary to evict, the Authority ensures that resident’s rights are preserved through the court process. Any eviction based on criminal activity shall be preceded by notice to tenant. The US Department of Housing and Urban Development has determined that a civil court provides the elements of due process for tenants who have been evicted. Therefore, there are no grievance procedures in

eviction cases involving termination of tenancy for any activity that threatens the health, safety, or right to peaceful enjoyment of the premises; or any drug-related criminal activity ON OR OFF SUCH PREMISES, not just on or near such premises. Prior to court, the Authority shall provide tenant occasion to review any relevant documents, records, or regulations related to the eviction

F. Because evictions are civil and not criminal, it is understood that eviction may occur despite arrest or conviction. However, any criminal activity is subject to state and federal laws and shall proceed entirely through the court system. Tracking of the prohibited aforementioned activities shall continue in the One Strike and You're Out policy with the McAlester Police Department and Pittsburg County Sheriff's Office reporting to the McAlester Housing Authority any criminal or drug related activity on Authority premises and any tenant who violates this policy.

G. Moreover, the Authority will comply with all Civil Rights, fair housing policies, and privacy laws and shall not discriminate on the basis of race, creed, national origin, religion, age, sex, disability, or familial status during any phase of the eviction process.

H. Any conflict between this policy and federal statutes, regulations, or HUD handbook will be resolved in favor of federal law and policy.

SECTION III... NONRESIDENT VIOLATORS

This Housing Authority will maintain a zero tolerance for any person that comes onto any Housing Authority owned property and violates the rules and regulations of this Housing Authority. Any nonresident found in violation of this policy, or any other infraction listed in the lease agreement that threatens the health, safety, or right to peaceful enjoyment of the premises by the residents, and/or employees of the Housing Authority will be permanently barred from all Housing Authority properties. Any individual entering a property of the Housing Authority after being barred will be charged for criminal trespassing. This will be enforced to the fullest extent possible.

SECTION IV... REPORTING POLICIES

All employees of this Housing Authority are responsible for insuring that all rules, regulations and guidelines set forth by this Housing Authority are complied with to the fullest extent possible. Further, all employees have been made aware of the One Strike and You're Out Policy. Employees are required to report all violations personally observed or related to them by residents or other concerned citizens within the community.

The following steps will be taken by employees of this Housing Authority upon gaining knowledge of any information concerning violations on the part of anyone on or near Housing Authority Properties. This could be concerning illicit drug activity, other criminal activity and/or disruptive alcohol abuse.

1. Prepare a written account of your observations and/or information received from another source. The written account should include the date and time of the occurrence.
2. Immediately report the incident to the Executive Director with the written information to be turned in to the Executive Director or their designated representative concerning these matters.
3. Matters concerning drug, gang, violent, or related activity will also be immediately reported to the Security Department by the Executive director. The Security department has the responsibility to contact the agencies that need notification for necessary action.
4. Any sighting of illegal drugs laying in plain view anywhere in the units, whether in occupied or vacant units, will immediately be reported to the Executive Director. Care will be taken on the part of all employees not to touch anything in the area of the drugs or drug paraphernalia. The employee will remain at the scene if possible until arrival of a representative of the Executive Director. The employee will be required to describe to responding law enforcement personnel the circumstances surrounding the finding of the illicit drugs.
5. It is the responsibility of the Executive Director or his/her representative to contact the proper authorities for immediate response and to proceed to the scene to verify and record all necessary information for report purposes. Once completed, the responding individual will immediately report all information concerning actions taken to the Executive Director upon their return to the office.
6. Incident and/or complaint reports generated by law enforcement agencies or security that occur on the Housing Authority properties, a copy will be obtained for Housing Authority purposes. These reports will be kept on file with the security department.

Employees of the Housing Authority, upon accepting employment with this Housing Authority automatically accept full responsibility to comply with the rules, regulations and guidelines set forth by this Housing Authority, and the adherence to the laws and guidelines set forth by HUD, City, State and Federal legislature concerning the issues addressed in this policy.

APPENDIX C

Deconcentration Analysis February 2007

The Public Housing Reform Act requires the McAlester Housing Authority to conduct a Deconcentration Analysis of its Public Housing developments each year. This analysis must be reported in the PHA Annual Plan and the Admissions and Continued Occupancy Policy with an explanation of any discrepancies in the analysis. The McAlester Housing Authority must also adopt Deconcentration Policies in its Admissions and Continued Occupancy Policy to rectify these discrepancies.

To be considered in compliance with Deconcentration regulations, the average income of each individual development must be similar to the average income of the entire PHA. Housing Authorities may substitute the medium income for the average income with a justification of the substitution. Also, Housing Authorities may use a bedroom adjustment to figure the average/medium incomes. To be in compliance, the average/medium income of the individual development must be within 15% of the average/medium income of the entire development.

In February of 2007, the McAlester Housing Authority conducted its Deconcentration Analysis. The results are as follows.

Project	Average Income	Deconcentration upper and lower limits		Average income/w Bedroom adjustment	Deconcentration upper and lower limits	
		85%	115%		85%	115%
62-All	\$10,316	\$8,769	\$11,863	\$10,232	\$8,697	\$11,767
62-001	\$8,492	Outside Limits		\$8,778	Within Limits	
62-002	\$13,563	Outside Limits		\$11,830	Outside Limits	
62-003	\$9,008	Within Limits		\$10,754	Within Limits	
62-004	\$10,386	Within Limits		\$7,419	Outside Limits	
62-005	\$14,198	Outside Limits		\$11,580	Within Limits	

As you can see, the MHA does have a problem with some projects not being in compliance using the average income limit with and without the bedroom adjustment.

When the bedroom adjustment is applied, two projects are outside the income guidelines. The MHA will be applying our Deconcentration Policies to its Projects to bring the incomes within limits.

The MHA Deconcentration Policy contains incentives the MHA can offer applicants to increase appeal in targeted developments. These incentives include, but are not limited to:

1. Allow families to skip ahead on the waiting list if their income is such that it helps deconcentrate income levels of the McAlester Housing Authority projects.
2. Offer of a bigger unit so as to increase the appeal of the targeted development.
3. First month rent remainder waived if applicant is willing to move into targeted development.

Project 62-004 only has three units in it and it is very hard to deconcentrate a project with this few units, as the turnaround is very low.

Project 62-002 is higher income than the other projects but it is only marginally over the income guide. The MHA suspects that this may be due to larger families and thus larger family incomes as this project has several 3 and 4 bedroom units where other projects may not have these large of units. Also, this project is scattered with single-family units instead of duplexes and triplexes like other projects. People with higher incomes are able to wait for the scattered units to become available while people with lower income may have to take the higher turnover projects.

According to HUD, no development whose income is below 30% MFI can be considered above the Average Income of the Development. All of MHA's developments are below the 30% threshold and therefore are exempt and not subject to Deconcentration guidelines. The MFI of Pittsburg County for 2007 is \$42,500 which 30% would be \$12,750.

In conclusion, the Deconcentration Analysis did show a discrepancy in incomes among the projects owned by the MHA when using the average income. Even though the MHA developments are exempt, we will be using deconcentration policies to equalize development incomes.

McALESTER HOUSING AUTHORITY GRIEVANCE PROCEDURE

1.0 RIGHT TO A HEARING

Upon the filing of a written request as provided in these procedures, a resident shall be entitled to a hearing before a Hearing Officer.

2.0 DEFINITIONS

For the purpose of this Grievance Procedure, the following definitions are applicable:

- A. **"Grievance"** shall mean any dispute which a resident may have with respect to the McAlester Housing Authority's action or failure to act in accordance with the individual resident's lease or Authority regulations which adversely affect the individual resident's rights, duties, welfare or status. Grievance does not include any dispute a resident may have with the Authority concerning a termination of tenancy or eviction that involves any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Authority's public housing premises by other residents or employees of the Authority; or any violent or drug-related criminal activity on or off such premises; or any activity resulting in a felony conviction. Nor shall this process apply to disputes between residents not involving the McAlester Housing Authority or to class grievances.
- B. **"Complainant"** shall mean any resident whose grievance is presented to the McAlester Housing Authority or at the development management office in accordance with sections 3.0 and 4.0 of this procedure.
- C. **"Elements of Due Process"** shall mean an eviction action or a termination of tenancy in a State or local court in which the following procedural safeguards are required:
 - 1. Adequate notice to the resident of the grounds for terminating the tenancy and for eviction;
 - 2. Right of the resident to be represented by counsel;
 - 3. Opportunity for the resident to refute the evidence presented by the Authority including the right to confront and cross examine witnesses and to present any affirmative legal or equitable defense which the resident may have; and
 - 4. A decision on the merits.

- D. **"Hearing Officer"** shall mean a person selected in accordance with section 4.0 of these procedures to hear grievances and render a decision with respect thereto.
- E. **"Resident"** shall mean the adult person (or persons) other than a live-in aide:
 - 1. Who resides in the unit and who executed the lease with the McAlester Housing Authority as lessee of the premises, or, if no such person now resides in the premises,
 - 2. Who resides in the unit and who is the remaining head of household of the resident family residing in the unit.
- F. **"Resident Organization"** includes a resident management corporation.
- G. **"Promptly"** (as used in section 3.0, and 4.0 (D)), shall mean within the time period indicated in a notice from McAlester Housing Authority of a proposed action, which would provide the basis for a grievance if the resident has received a notice of a proposed action from the agency.

3.0 PROCEDURES PRIOR TO A HEARING

Any grievance shall be promptly and personally presented, or in writing, to the McAlester Housing Authority office so that the grievance may be discussed informally and settled without a hearing. A summary of such discussion shall be prepared within fourteen (14) calendar days and one copy shall be given to the resident and one retained in the Authority's resident file. The summary shall specify the names of the participants, dates of the meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a hearing under these procedures may be obtained if the resident is not satisfied.

4.0 PROCEDURES TO OBTAIN A HEARING

4.1 REQUEST FOR HEARING

The resident shall submit a written request for a hearing to the Authority or the development office within five (5) calendar days from the date of the mailing of the summary of the discussion pursuant to section 3.0. The written request shall specify:

- A. The reasons for the grievance; and
- B. The action or relief sought.

4.2 SELECTION OF A HEARING OFFICER

A grievance hearing shall be conducted by an impartial person appointed by the McAlester Housing Authority other than a person who made or approved the action under review or a subordinate of such person.

The McAlester Housing Authority shall annually submit a list of prospective hearing officers. This list shall be provided to any existing resident organization(s) for such organization's comments or recommendations. The McAlester Housing Authority shall consider any comments or recommendations by a resident organization.

From this list, a hearing officer shall be selected.

4.3 FAILURE TO REQUEST A HEARING

If the resident does not request a hearing in accordance with this section, then the McAlester Housing Authority's disposition of the grievance under section 3.0 shall become final. However, failure to request a hearing does not constitute a waiver by the resident of the right thereafter to contest the McAlester Housing Authority's action in disposing of the complaint in an appropriate judicial proceeding.

4.4 HEARING PREREQUISITE

All grievances shall be promptly presented in person, either orally or in writing, pursuant to the informal procedure prescribed in section 3.0 as a condition precedent to a hearing under this Section. However, if the resident can show good cause why there was failure to proceed in accordance with section 3.0 to the Hearing Officer, the provisions of this subsection may be waived by the Hearing Officer.

4.5 ESCROW DEPOSIT

Before a hearing is scheduled in any grievance involving the amount of rent as defined in the lease which the McAlester Housing Authority claims is due, the resident shall pay to the McAlester Housing Authority an amount equal to the amount of the rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. The resident shall thereafter deposit monthly the same amount of the monthly rent in an escrow account held by the McAlester Housing Authority until the complaint is resolved by decision of the Hearing Officer. Amounts deposited into the escrow account shall not be considered as acceptance of money for rent during the period in which the grievance is pending. In extenuating circumstances, the McAlester Housing Authority may waive these requirements. Unless so waived, the failure to make such payments shall result in a termination of the grievance procedure. However, failure to make payment

shall not constitute a waiver of any right the resident may have to contest the McAlester Housing Authority's disposition of his grievance in any appropriate judicial proceeding.

If a grievance concerns the denial of a financial hardship exemption from the minimum rent requirement or the effect of welfare benefit reductions in the calculation of family income, the requirement for an escrow deposit is waived.

4.6 SCHEDULING OF HEARINGS

Upon the resident's compliance with this section the Hearing Officer shall promptly schedule a hearing for a time and place reasonably convenient to both the resident and the McAlester Housing Authority. A written notification specifying the time, place and the procedures governing the hearing shall be delivered to the resident and the appropriate agency official.

5.0 PROCEDURES GOVERNING THE HEARING

The resident shall be afforded a fair hearing, which shall include:

- A. The opportunity to examine before the grievance hearing any Authority documents, including records and regulations that are directly relevant to the hearing. The resident shall be provided a copy of any such document at the resident's expense. If the McAlester Housing Authority does not make the document available for examination upon request by the resident, the McAlester Housing Authority may not rely on such document at the grievance hearing.
- B. The right to be represented by counsel or other person chosen as the resident's representative and to have such person make statements on the resident's behalf;
- C. The right to a private hearing unless the resident requests a public hearing;
- D. The right to present evidence and arguments in support of the resident's complaint, to controvert evidence relied on by the Authority or development management, and to confront and cross examine all witnesses upon whose testimony or information the McAlester Housing Authority or development management relies; and
- E. A decision based solely and exclusively upon the facts presented at the hearing.

The Hearing Officer may render a decision without holding a hearing if the Hearing Officer determines that the issue has been previously decided at another hearing.

If either the resident or Authority fails to appear at a scheduled hearing, the Hearing Officer may postpone the hearing for up to five business days or determine that the missing party has waived their right to a hearing. Both the McAlester Housing Authority

and the resident shall be notified of the Hearing Officer's decision. This decision shall not waive a resident's right to contest the disposition of the grievance in an appropriate judicial proceeding.

The following accommodation will be made for persons with disabilities:

- A. The McAlester Housing Authority shall provide reasonable accommodations for persons with disabilities to participate in the hearing. Reasonable accommodations may include qualified sign language interpreters, readers, accessible locations, or attendants.
- B. If the resident is visually impaired, any notice to the resident that is required by these procedures must be in an accessible format.

6.0 INFORMAL HEARING PROCEDURES FOR DENIAL OF ASSISTANCE ON THE BASIS OF INELIGIBLE IMMIGRATION STATUS

The participant family may request that the McAlester Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. The participant family must make this request within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

7.0 DECISION OF THE HEARING OFFICER

The Hearing Officer shall prepare a written decision, together with the reasons therefore, within fourteen (14) calendar days after the hearing. A copy of the decision shall be sent to the resident and the McAlester Housing Authority. The Authority shall retain a copy of the decision in the resident's folder. A copy of such decision with all names and identifying references deleted shall also be maintained on file by the McAlester Housing Authority and made available for inspection by a prospective complainant, his or her representative, or the Hearing Officer.

The decision of the Hearing Officer shall be binding on the McAlester Housing Authority who shall take all actions, or refrain from any actions, necessary to carry out the decision unless the McAlester Housing Authority's Board of Commissioners determines within reasonable time, and promptly notifies the complainant of its determination, that:

- A. The grievance does not concern McAlester Housing Authority action or failure to act in accordance with or involving the resident's lease or Authority regulations, which adversely affect the resident's rights, duties, welfare or status;

- B. The decision of the Hearing Officer is contrary to applicable Federal, State, or local law, Authority regulations, or requirements of the Annual Contributions Contract between the Authority and the U.S. Department of Housing and Urban Development.

A decision by the Hearing Officer or Board of Commissioners in favor of the McAlester Housing Authority or which denies the relief requested by the resident in whole or in part shall not constitute a waiver of, nor affect in any manner whatsoever, any rights the resident may have to a trial do novo or judicial review in any judicial proceedings, which may thereafter be brought in the matter.

E. The monthly rent set forth in Section 3 of this Lease, or adjusted rent pursuant to this Section 4, shall remain in effect for the period between the periodic rent redeterminations, except that if the Resident shall misrepresent or fail to report to MHA any material fact affecting the determination of the Resident's rent, so that rent Resident is paying is less than Resident should have been charged, in addition to the termination of Lease, an adjustment to the monthly rent may be made retroactive to the effective date of the surge and Resident shall be required to pay such retroactive amount.

F. If MHA determines on the basis of the Resident's family composition that the leased premises are no longer appropriate to the Resident's needs, and if MHA has available a dwelling unit of appropriate size, then it may require the Resident to move to the available unit. Resident agrees to transfer to an appropriate size dwelling unit based on family composition upon appropriate notice from MHA that such a dwelling unit is available. If the Resident refuses to accept the available unit within five(5) days after receiving the request from MHA, MHA may terminate this Lease. Resident shall be given a reasonable period of time to move. This shall not exceed thirty (30) days unless an unusual hardship condition exists. If the Resident fails to move to the designated dwelling unit within the notice period specified by the MHA, the MHA may terminate this lease. If the Resident does not agree with the determination, the Resident shall have the right to request a hearing under the grievance procedure.

Income reviews will be held every third year for Residents choosing the flat rent option. Family composition reexams and inspections will still be conducted each year. At the time of the review appointment, the Resident may elect to change his or her rent choice option. The Resident's total family income shall be determined by MHA on the basis of the anticipated annual income for the succeeding twelve (12) months from the date of such re-examination with current income the primary basis for estimating the total annual income. The Resident agrees to give MHA proper authorization to verify all sources of income. Any redetermination of the monthly rent, dwelling size, or eligibility shall be made in accordance with the approved statement of policies governing admission and continued occupancy posted in the principal offices of MHA.

Failure to appear for a scheduled reexamination and to provide changes in income may, at the discretion of MHA, result in termination of this lease.

INITIALS _____

Families may change rent calculation methods at any annual reexamination. Families who have chosen the flat rent option may request a reexamination and change to the formula-based method at any time if the family's income has decreased, their on-going expenses for such purposes as child care and/or medical care have changed or any other circumstances that create a hardship for the family that would be alleviated by a change.

H. INTERIM RENT REDETERMINATION: Resident acknowledges that in between regularly scheduled annual reexaminations, changes may occur in income, assets, employment status, or family composition which would warrant an interim rent redetermination. Resident agrees to notify MHA in writing upon any change in family composition within ten (10) days of its occurrence in order that MHA may make determinations with respect to rent, eligibility, and appropriateness of dwelling size. Resident understands that changes to be reported to MHA between annual reexaminations within the aforementioned ten (10) day period shall include, but not be limited to:

1. A member has been added to the family through marriage, birth, adoption, court-awarded custody or other circumstances affecting family composition.
2. A household member is leaving or has left the family unit.

In addition, Residents paying rent based on a percentage of income may report the following activities that occur between Annual rent Recertifications.

- (1) An increase in annual income and the source thereof, or decrease in annual income;
- (2) Childcare expenses for children under the age of 13 that are necessary to enable a member of the household to be employed or to go to school;
- (3) Handicapped assistance expenses, which enable a family member to work;
- (4) Medical expenses of elderly, disabled, or handicapped headed households that are not covered by insurance; or
- (5) Other family changes that impact their adjusted income.

In the event that an interim reexamination results in a rent increase, such increase shall become effective on the first day of the second month following the occurrence of the change(s).

In the event that an interim reexamination results in a rent decrease, such decrease shall become effective on the first day of the month following the occurrence of the change, provided that the Resident has timely reported such change; otherwise, such decrease shall become effective on the first day of the month which follows the date of reporting such change(s) to MHA.

Failure to appear for a scheduled interim rent redetermination and to provide change in income may, at the discretion of MHA, result in termination of this Lease.

INITIALS _____

I. MHA may refuse to process an interim recertification when the Resident reports a decrease in income only if:

- (1) MHA receives confirmation that the decrease will last less than one month (i.e. an employer states that a Resident will be laid-off for only two weeks).
- (2) A Resident's rent shall not be reduced if the decrease in income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Resident's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family's annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had they complied with the welfare requirements or had not committed an act of fraud.

J. MHA may delay (but not refuse) processing an interim reexamination if MHA has confirmation that the Resident's income will be partially or fully restored within two months. Processing may be delayed only until the new income is known (i.e. the Resident has lost a job and unemployment payments will begin within 4 to 6 weeks).

During the period of delayed processing (the period from the date the Resident reports the decrease in income until the date the processing of the recertification is completed) MHA may not evict the Resident nor terminate participation for non-payment of any rent due from that period of delay. This does not constitute a prohibition against eviction for any reason unrelated to the decrease in income which is prompting the payment of rent. In addition, after processing the recertification, MHA will notify the Resident in writing of any rent due for the period of delay, and if the Resident fails to pay it within thirty (30) days after the notification is made, MHA can pursue eviction for non-payment of rent for that period of time.

5. REPAYMENT POLICY

In the case of continued participation (annual, special review, and/or transfer) MHA may offer the Resident an agreement to repay outstanding balances owed to MHA or another housing authority. Such agreements must be executed within thirty (30) days from the date of notification or eviction procedures will be implemented. In appropriate cases, MHA may permit continued occupancy by remaining family member and may impose a condition that family members who engaged in the proscribed activity will not reside in the unit.

16. RIGHT TO EXAMINE AUTHORITY DOCUMENTS BEFORE HEARING OR TRIAL.

MHA shall provide the Resident a reasonable opportunity to examine, at the Resident's request, before a MHA grievance hearing or court trial concerning a termination of residency or eviction, any documents, including records and regulations, which are in the possession of MHA, and which are directly relevant to the termination of residency or eviction.

Reasonable Accommodation may take the form of relief from excess utility charges for elderly or disabled persons.

Resident will be given a reasonable time to move. Resident will have to accept an available unit and move within 35 days (unless an unusual hardship condition exists) after receiving the request to transfer from MHA. MHA may terminate this lease if resident does not move within the period specified.

McAlester Housing Authority Revised 4/12/04

McAlester Housing Authority
Lease Addendum
Protections for Victims of Domestic Abuse.

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of such a victim.
2. Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or immediate member of the tenants family is the victim or threatened victim of domestic violence, dating violence or stalking.
3. Notwithstanding any restrictions on admissions, occupancy, or terminations of occupancy or assistance, or any Federal, State, or local law to the contrary, the MHA may “bifurcate” a lease, or otherwise remove a household member from a lease without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant, or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, termination assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the housing choice voucher program.
4. Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
5. Nothing in this section limits any otherwise available authority of the McAlester Housing Authority to evict or to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant’s household, provided that the McAlester Housing Authority does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining weather to evict or terminate.
6. Nothing in this section may be construed to limit the authority of the McAlester Housing Authority to evict, or terminate assistance, to any tenant if the McAlester Housing Authority can demonstrate an actual and imminent threat to other tenants or those

employed at or providing service to the property if the tenant is not evicted or terminated from assistance.

7. Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.

APPENDIX L

PEST CONTROL POLICY

The McAlester Housing Authority recognizes the importance of pest control in providing a living environment of adequate health and safety for its residents. To achieve this control the authority has adopted a pest control policy.

PEST CONTROL AND EXTERMINATION

The McAlester Housing Authority will make all efforts to provide a healthy and roach-free environment for its residents. Currently, the most common pest that inhabits units of the McAlester Housing Authority is the common cockroach.

The Rentals Manager shall make sure that an adequate schedule for treatment is provided by the Pest Control Contracting Agency to address any existing infestation. The schedule will include frequency and locations of treatment. McAlester Housing Authority units are treated/sprayed once per month. Different schedules may be required for each property.

Resident cooperation with the extermination plan is essential. All apartments in a building must be treated for the plan to be effective. Residents will be given information about the extermination program at the time of move-in. All residents will be provided a copy of the Pest Control Schedule for the entire year, to be provided at the first of the year or upon move-in. Residents will be informed that on the day scheduled for their unit, they must take all food and utensils out of the kitchen cabinets so that the sprayers may spray in the cabinets. Failure to cooperate with this policy will constitute a breach of this Pest Control Policy and a violation of their Dwelling Lease.

If there is a major infestation of cockroaches in a unit, residents may contact the Housing Authority and request to have the house “bombed” by the sprayers using foggers or special gel. The Pest Control people will make an appointment with the resident for this special treatment and the resident must agree to leave the unit for several hours for safety reasons.

This policy is for the control of roaches only as the contract between the Housing Authority and the Pest Control agency is for roaches only. Mice and rats are not covered due to health hazards brought about by the means in which they must be eradicated. (For example, poisons & traps are potentially hazardous to children/pets).

Termites will be treated as needed.

Appendix M

PUBLIC HOUSING ANTI-FRAUD POLICY

The McAlester Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the McAlester Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The McAlester Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the McAlester Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action, as the McAlester Housing Authority deems appropriate, including, but not limited to termination of the dwelling lease.
