ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

As stated for the five-year plan, our PHA is limited what we are able to do.

We have forty units for the elderly, disabled and handicapped.

It is our understanding that the capital funds for our Agency will be for operational needs starting with the year 2000 funding.

From these funds, it is our goal to do major repairs and replacements at Oak Manor which we have not had, nor were able to acquire, funds for them. These repairs and replacements will improve the quality of living for Oak Manor residents.

It is futher our goal to seek and obtain, if possible, and area for parking for Oak Manor residents. We have only 19 parking spaces. This must accommodate forty residents and Branson Housing Authority staff. At present, staff is parking on the street. If we are able to complete this goal, it will definitely improve living conditions for Oak Manor residents.

DECONCENTRATION PLAN FOR BRANSON HOUSING AUTHORITY

Branson Housing Authority consists of only one site. Apartments are assigned by first-come first-serve time and date basis. In other words, each person is placed on the waiting list in the order that their qualifying application material is received in the office. The first person on the waiting list, regardless of race, color or creed, income or any consideration other than placement on the list is offered the apartment. If he or she refuses the apartment, it is offered to the second on the list, etc.

Branson Housing Authority's Board and Management believe that with only one site, run as above, that all income levels are represented at this site.
