## **Executive Summary (optional)**

The Housing Authority of the City of Hazleton has regained its designation as a high-performing agency; therefore, it is authorized to submit a streamlined Public Housing Agency Plan. Prior to finalizing the PHA Plan, the Housing Authority of the City of Hazleton consulted with the Hazleton Association of Resident Councils, whose comments are attached. In addition to the identified required and optional attachments and list of supporting documents, identified in the Plan, the Housing Authority of the City of Hazleton utilized information provided in the City's Consolidated Plan.

Hazleton Consolidated Plan has identified a large number of families with housing needs. During the coming year the Housing Authority of the City of Hazleton plans an aggressive outreach program to encourage those families to apply for all the housing assistance, support and educational training opportunities available to them.

Relative to eligibility, the Housing Authority of the City of Hazleton screens all applicants for both the Section 8 and Public Housing Programs for criminal and drug related activity only to the extent required by law. A police sub station is operating out of our community building located in our family development which helps deter criminal activity not only in the neighborhood of our family units, but that quadrant of the city. We also enforce our rules on criminal activity by adhering to our "One Strike and your Out" policy. Also, relative to eligibility, we are now required to check immigration status through the SAVE Program, Systematic Assessment of Verification of Eligibility for each new applicant.

We are also administering a ROSS Grant providing services to our senior residents and we expect to continue our programs established in the inception. We are also exploring new programs and new grant opportunities to benefit our senior residents so that they can continue an independent life style for a longer period of time.

Our Housing Choice Voucher Homeownership Program with our partner, CEO, Commission of Economic Opportunity, continues. We have completed two (2) home ownership settlements and will be closing one (1) by the end of the current year out of 8 families enrolled.

Our partnership with the local drug prevention agency, Sorrento Gardens, remains strong, along with the Luzerne County Community College and the local Police Department and the Head Start Program. The majority of children enrolled in the Head Start Program are the children of our Residents that reside in our family community. All of the initiatives are on site at our family units.

The PHA is required to have an audit conducted annually. The most recent fiscal audit, in which there were no findings, has been submitted to HUD.

Attached is a letter from the President of the Hazleton Coalition of Resident Councils, which states their acceptance of the Housing Authority Agency Plan FY 2007.

In the year 2007, we will strive to maintain the level of service we have continually provided in spite of budget cuts and funding restraints.
