This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

8. Capital Fund Program Five-Year Action Plan

It is our goal at Bristol Housing Authority to provide affordable, safe and decent housing here at Benjamin Church Manor, as well as in the community through our Section 8 Housing Choice Voucher Program.

We recently applied for and received a grant to begin a Section 8 Homeownership Program and a FSS Program. It is our hope that some of our Section 8 tenants will be able to realize the American dream – homeownership. Our Section 8 Voucher program is being utilized to its fullest capacity despite budget cuts.

In the past year, we have upgraded our existing parking lots, added new parking areas and upgraded some exterior lighting. Work will soon begin on an office addition that will accommodate our expanding Section 8 programs. In addition, interior hallway painting will be underway shortly in Benjamin Church Manor's 19-3 and 19-3A projects.

Providing outstanding, affordable housing will continue to be our mission here at Bristol Housing Authority.

Use of Section 18 Authority to Remove Units from Inventory

Although there is no regulatory provision to carry out a Voluntary Conversion at this time, individuals within the industry have expressed the view that PHAs must have this option available to effectively carry out their portfolio management responsibilities. To meet this need in absence of final regulations, the Department offers interim alternative by which voluntary conversion can be accomplished using a disposition application under Section 18. Under this approach, PHAs would complete this analysis described in the Appendix to Part 971-Assessment of the Reasonable Revitalization Potential of Certain Public Housing Required by Law. In addition to showing that tenant based assistance is less costly than operating the development as Public Housing, PHAs would also need to meet all of the other requirements of a Section 18 application. Once approved, the PHA could relocate residents using housing vouchers and sell the public housing development. As always the availability vouchers would be dependent on the levels of funding provided the Department, and a PHA will need to demonstrate that it has sufficient voucher and relocation resources on-hand to obtain a Section 18 approval. It is imperative to stress that to use this approach, a PHA will have to meet all of the current requirements of a Section 18 disposition application. The Disposition activity will also have to be part of an approved PHA Plan.
