ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Macon Housing Authority is a small PHMAP High-Performer agency located in Macon County, Missouri. The MHA manages 105 units of public housing at three developments.

The mission of the MHA is:

To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The MHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Improving community quality of life and economic vitality.
5. Increase resident participation through resident council and/or advisory committee.
6. To provide timely response to resident request for maintenance problems.
7. To continue to enforce our "One Strike" policies for resident and applicants.
8. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The MHA's financial resources include an operating fund, capital fund, administrative fees and dwelling rental income, which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The MHA has assessed the housing needs of Macon and surrounding Macon County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent

practical for a very small agency. The MHA has approved a Deconcentration Policy and will utilize marketing to attract and encourage applicants that can qualify for public housing. The MHA has determined that its housing strategy complies with the state of Missouri's Consolidated Plan

The MHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The MHA has established a minimum rent of \$50.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The MHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The MHA has no plans to demolish or dispose of any of its properties. The MHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The MHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The MHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the MHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of MHA's Agency Plan to HUD on April 17,2000.

Because the MHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

- Operations and Management
- Grievances Procedures
- Designation of Public Housing
- Conversion of Public Housing
- Homeownership
- Community Service
- Asset Management
