This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. 3. Section 8 Tenant Based Assistance--Section 8(y) Homeownership Program
(if applicable) [24 CFR Part 903.12(c), 903.7(k)(1)(i)]

1. Yes No: Does the PHA plan to administer a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982 ? (If “No”, skip to the next component; if “yes”, complete each program description below (copy and complete questions for each program identified.)

2. Program Description: All participants of the Section 8 Choice Voucher Rental Assistance Program in good standing, with at least \$10,000 in annual income are solicited for the homeownership option. Although families must have participated in the rental program for a minimum of 12 months before they can participate in the ownership option, we start the qualification process as soon as possible. Our goal is to have the families fully qualified and approved before they start shopping for a home.

a. Size of Program

- Yes No: Will the PHA limit the number of families participating in the Section 8 homeownership option?

If the answer to the question above was yes, what is the maximum number of participants this fiscal year?

ANSWER We limit the number of participants in the Section 8 Homeownership Program to 5% of total Section 8 vouchers. Since we currently administer 776 vouchers, that would be 39 participants.

b. PHA-established eligibility criteria

Yes No: Will the PHA's program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria? If yes, list criteria:

ANSWER: Additional criteria for participation required by the GHA is extended participation in Homeownership counseling even after closing on a house. Participants will be required to meet with GHA's homeownership counselor every other month for the first year after achieving homeownership. Intervals will become less frequent after the first year but will continue as long as the Choice Voucher is held. We feel this extra counseling will help new homeowners achieve on-going success.

c. What actions will the PHA undertake to implement the program this year (list)?

3. Capacity of the PHA to Administer a Section 8 Homeownership Program:

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- Establishing a minimum homeowner down payment requirement of at least 3 percent of purchase price and requiring that at least 1 percent of the purchase price comes from the family's resources.
- Requiring that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.
- Partnering with a qualified agency or agencies to administer the program (list name(s) and years of experience below): BANK OF AMERICA
- Demonstrating that it has other relevant experience (list experience below):

- The PHA has developed and approved an Administrative Plan for our Section-8 Choice Voucher Homeownership Program.
- The PHA continues to facilitate homeownership within our FSS program and Choice Voucher Homeownership Program. For FY2007 we closed 2 homes under our CVHP and have 3 pending.
- We continue to work with Bank of America for financing Section 8 Choice Voucher Homeownership Program loans for qualified families.

4. Use of the Project-Based Voucher Program

Intent to Use Project-Based Assistance

Yes No: Does the PHA plan to “project-base” any tenant-based Section 8 vouchers in the coming year? If the answer is “no,” go to the next component. If yes, answer the following questions.

1. Yes No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option? If yes, check which circumstances apply:

- low utilization rate for vouchers due to lack of suitable rental units
 access to neighborhoods outside of high poverty areas
 other (describe below:)

The GHA’s project basing of twelve units is appropriate as it is restricted to persons with mental disabilities who are transitioning from group-home housing to independent living and it accounts for only 12 of our 776 Section-8 vouchers, or 1.5% of our Section-8 voucher program. These project-based, one-bedroom apartment units were built as a collaborative effort among SC State Housing Finance and Development Authority, HOME, The SC State Mental Health Office, a non-governmental non-profit, and the Greenwood Housing Authority. These apartments are made available to clients of the Beckman Mental Health facility and are also close to doctors, grocery and drug stores; all of which are necessary as most of these people do not have transportation and Greenwood does not have a public transportation system. The project basing of these twelve units is most appropriate as it provides the opportunity for individuals to obtain decent, safe and affordable housing who otherwise would not be able to do so.

2. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):

12 units which are located within walking distance of the mental health facility where the recipients of the project-based vouchers receive therapy. Since almost none of these residents drive, it is necessary that their dwelling be located near their therapeutic care.

5. PHA Statement of Consistency with the Consolidated Plan

[24 CFR Part 903.15]

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary) only if the PHA has provided a certification listing program or policy changes from its last Annual Plan submission.

1. Consolidated Plan jurisdiction: (provide name here) Greenwood County, SC
