Community Service Description of Implementation

Description of the Community Service Plan

The Housing Authority of the City of Copperas Cove Community Service Plan is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Housing Authority of the City of Copperas Cove believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Plan allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provide in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

Administrative Steps Taken To Implement The Requirement

The following administrative steps were taken in implementing the PHA Community Service Plan. A written notification was sent to all residents regarding requirements on exempt status of each adult family member. Informed all residents that the program would be administered by the PHA, however; they are required to have their hours documented and signed by the agencies where they volunteered. Finally that the volunteer sheet required for filing would be provided by the PHA.

Programmatic Aspects Of The Requirements

Activities that the residents can participate in and receive community service credit are Reading Mentors, Library Assistant, Salvation Army Store Clerk or clothes or other items Sorter, Office filing, assisting with Kids after school and homework Helper. The following agencies assist the residents in accomplishing their community service, Independent School District, Salvation Army, Boys and Girls Clubs, YMCA and the City

and School Libraries. For non-compliance with the Community Service Plan the PHA informed residents again of the requirements, then inform them of the consequences for non-compliance, i.e., grounds for eviction.

Progress in Meeting 5-Year Plan Goals

The Housing Authority of the City of Copperas Cove has been successful in achieving its mission and 5 year plan goals during the fiscal year 2006. Goals are either completed or on target for completion as scheduled.

Concerning modernization the PHA has done substantial renovation of all units and sites. Completed roofing on all 51 buildings and installed central heat and air conditioning in all 100 units, offices and community rooms. The Housing Authority has completely renovated 55% of its stock.

Concerning self-sufficiency and crime and safety, PHA efforts reduced crime in the communities through neighborhood watch programs and constant communications with the local law enforcement office.

Concerning improving the quality of life, PHA has continued to encourage residents to develop and maintain the skills necessary to enhance their abilities to acquire jobs. We also encourage residents to give back to the community by volunteering to service others. The PHA continues to take an active role in the local Boys and Girls Club that enhance the quality of life for the youth residents.

To ensure compliance with the HUD's latest rules and regulations, every policy was reviewed and updated as needed. Most significant was the update to the Admissions and Continued Occupancy Policy.

Concerning ensuring equal opportunity outreach efforts have been made by making renewed partnerships with community groups and medical facilities.

Criteria for Substantial Deviation and Significant Amendment

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

- Any change to the Mission Statement;
- 50% deletion from or addition to the goals and objectives as a whole; and
- 50% or more decrease in the quantifiable measurement of any individual goal or objective

b. Significant Amendment or Modification to the Annual Plan

- Additions or non-emergency work items in excess of \$25,000 (items not included in the current Capital Funds Annual Statement or Five Year Action Plan) or any changes in excess of \$25,000 in use of replacement reserve funds;
- Any change in policy or operation being submitted to HUD that requires a separate notification to residents, such as changes in the HOPE VI, Public Housing Conversion, Demolition/Disposition, Designated Housing or Public Housing Homeownership programs; and
- That is inconsistent with the applicable Consolidated Plan.
