The payment Standard is used to calculate the housing assistance payment for a family. In accordance with HUD regulation, and the PHA's discretion, the Voucher Payment Standard amount is set by the PHA between 90 percent and 110 percent of the HUD published FMR. This is considered the basic range. The PHA reviews the appropriateness of the Payment Standard when the payment standard is published. In determining whether a change is needed, the PHA will ensure that the Payment Standard is always within the range of 90 percent to 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.

The PHA will establish a single voucher payment standard amount for each FMR area in the PHA jurisdiction. For each FMR area, the PHA will establish payment standard amounts for each "unit size". The PHA may have a higher payment standard within the PHA's jurisdiction if needed to expand housing opportunities outside areas of minority or poverty concentration, as long as the payment standard is within the 90 to 110% FMR range

The PHA may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with disabilities.

14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

INTRODUCTION

 \boxtimes

PHA's have discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains the PHA's policies on the keeping of pets and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe and sanitary loving environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

For the purpose of this policy, pets are common, domesticated household pets such as fish, birds and small pets such as hamsters. The following animals are prohibited: <u>all</u> bees, mantis, and so forth, all reptiles, ferrets and their like, and exotic animals such as, monkeys, pigs and so forth.

Residents will comply with the dwelling lease, which requires that no animals or pets, other

than fish, birds, small pets such as hamsters are permitted on the premises. This does not apply to animals that are used to assist persons with disabilities. Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

A. MANAGEMENT APPROVAL OF PETS

Types of Pets Allowed

- 1. <u>Birds: Registration not required</u> Maximum number: 2 Must be enclosed in a cage at all times.
- 2. <u>Fish or Turtles: Registration not required</u> Maximum aquarium size: 10 gallons
- Hamster or Gerbils ONLY; registration not required Maximum number: 2 Must be enclosed in an acceptable cage at all times. Must have any or all inoculations as specified now or in the future by State law or local ordinance.

<u>B.</u> <u>PETS TEMPORARILY ON THE PREMISES</u>

No pets are allowed to visit. This rule excludes visiting pet programs sponsored by the Humane Society or other non-profit organization. If an approved pet gives birth to a litter, the resident must remove all pets, with the exception of the original number allowed, immediately after weaning.

C. <u>PERSONS WITH DISABILITIES</u>

Pet standards will not be applied to animals who assist persons with disabilities. The resident/pet owner will be required to qualify animals (for exclusion from the pet policy) who assist persons with disabilities. Example below.

To be excluded from the pet policy, the resident/pet owner must certify: That there is a person with disabilities in the household; That the animal has been trained to assist with the specified disability; and That the animal actually assists the person with the disability.

D. ADDITIONAL FEES AND DEPOSITS FOR PETS

The resident/pet owner shall be required to pay a non refundable deposit of \$25.00 for the purpose of defraying all reasonable costs directly attributable to the presence of a pet, and to cover cost associated with a pet living on any Authority property. The non refundable fee of \$25.00 is due on or prior to the date the pet is properly registered and brought into the apartment. The non refundable pet fee is subject to the same regulations as defined in 55-248.11 of the *Virginia Landlord Tenant Act*.

The PHA reserves the right to change or increase the required deposit by amendment to these rules.

All reasonable expenses incurred by the PHA as the result of damages directly attributable to the presence of the pet will be the responsibility of the resident, including but not limited to:

The cost of cleaning, repairs and replacements to the dwelling unit or common areas frequented by the pet.

Any unit and adjacent areas occupied by a pet may be fumigated and treated when necessary. If the tenant is in occupancy when such costs occur, the tenant shall be billed for such costs as a current maintenance charge as defined in the lease, in excess of the pet fee.

If such expenses occur as the result of a move-out inspection, they will be deducted from the security deposit, in excess of the pet fee. In cases in which a pet fee has not been paid, such expenses will be treated as damage beyond fair wear and tear. The pet fee is non refundable.

E. <u>ALTERATIONS TO UNIT</u>

Residents/pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal.

F. <u>PET RESTRICTIONS</u>

Pet owners must agree to control the pet so that it does not create a nuisance to other residents or interrupt their peaceful enjoyment of their housing unit or premises. This includes, but is not limited to loud or continuous yowling, whining, screeching, scratching, or other such activities.

Pets must be maintained with the resident's unit. When outside of the unit (within the building or on the grounds) pets must be carried and under the control of the resident or other responsible individual at all times. Pets are not allowed to be left outside the unit unattended.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building.

Pets are not permitted to urinate or defecate in public areas.

The PHA shall have the right to have any pet immediately removed from the premises should it create a constant nuisance, be abandoned or inflict bodily harm on another resident, guest or PHA employee, or display a vicious nature.

G. <u>CLEANLINESS REQUIREMENTS</u>

<u>Waste Removal Requirements.</u> All animal waste shall be picked up immediately by the pet owner, disposed of in sealed plastic trash bags, and placed in a trash bin.

H. <u>PET CARE</u>

All residents/pet owners shall be responsible for adequate care, nutrition and medical attention for his/her pet.

Residents/pet owners must recognize that other residents may have chemical sensitivities or allergies related to pets, or may be easily frightened or disoriented by animals. Pet owners must agree to exercise courtesy with respect to other residents.

I. <u>RESPONSIBLE PARTIES</u>

The resident/pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

J. <u>PET RULE VIOLATIONS</u>

Pet Rule Violation Notice

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Policy, written notice will be served.

The Notice will contain a brief statement of the factual basis for the determination and the pet policy/policies which were violated. The notice will also state:

- 1. That the resident/pet owner has five (5) business days from the date of the notice to request an informal grievance hearing to discuss the violation with the manager;
- 2. That the resident/pet owners's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

If the pet owner requests a meeting within the 5 business day period, the manager will schedule an informal hearing within seven calendar days of receipt of the request for a grievance.

K. NOTICE FOR PET REMOVAL

If the resident/pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The Notice shall contain:

- 1. a brief statement of the factual basis for the PHA's determination that the Pet Policy has been violated;
- 2. The requirement that the resident/pet owner must remove the pet within 21 days of the notice; and
- 3. a statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

L. TERMINATION OF TENANCY

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

The pet owner has failed to remove the pet or correct a pet policy violation within the time period specified; and

The pet policy violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

M. <u>PET REMOVAL</u>

If the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the owner unable to care for the pet, (includes pets who are poorly cared for) the situation will be reported to the Responsible Party designated by the resident/pet owner.

Upon the death of any pet the resident/pet owner is responsible for disposing of the remains by placing the pet in a sealable, plastic bag and depositing the animal in a dumpster.

N. EMERGENCIES

The PHA will take all necessary steps to insure that pets which become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals.

Ms. Young was delayed getting to the meeting because of a fire at 710 Hoffler.

Mr. Cramer began the meeting going over the history of the Capital Funds Program.

 $\Rightarrow 2002$

CBM – Kitchens, siding and mini blinds Cypress – Windows and frames that were broken due to air conditioners, mini blinds. Parker – Shed roofs, main roofs will be done later. Hoffler – Floor supports Chorey – new awning, new stucco, upgraded elevator and repaired storage building.

Mr. Cramer stated that he was working with the city to try to get them to patch the parking lot at Parker.

⇒ 2006
 Cypress and CBM – New furnaces
 Parker – New heaters
 New outside light fixtures and exterior doors are in the planning. Windows have been done except
 for Parker. Also, planning the playground at Cypress/Parker.

Resident question: What about the bathroom cabinets for Chorey? Mr. Cramer said they are in the plans but does not know when they will be done, currently working on the roof.

Ms. Reed asked about the floors at Cypress. Mr. Cramer said that it is in the Capital Plan but there are no specific dates. Ms. Reed also asked about the tubs. Mr. Cramer said that those are in the contract but can only do so many at a time as they cost \$1500 for each bathroom. The issue will be re-visited when additional funds are available. Ms. Diggs wanted to know if her one bathtub could be added because there is a hole it. Ms. Young told her that it was a maintenance issue and to put in a work order for it.

Mr. Cramer stated that the Parker Riddick playground was being considered for the area behind the office or across from the laundry room.

Resident question: From CBM– What about closet doors for CBM? We do not have any doors. Mr. Cramer explained that he was looking into a new type for all communities and wants to then start replacing them, that this is not a structural issue but is on the list.

Ms. Layne asked about separating the Community Room at CBM from the office, it needs to be closed in. Activities cause a disruption of the office. Mr. Cramer said it is in the 5-year plan.

Resident question: Tamia Holland asked where the cabinets listed by CBM were going. Mr. Cramer said they would go in the bathrooms. Cabinets have already been replaced at Hoffler and he is trying to get bathroom cabinets when he can get the money for them.

Mr. Cramer went over the priority list:

- 1. Chorey Park roof
- Erosion at Hoffler, Cypress and Parker control using landscape timbers, also some at CBM. Ms. Layne stated that there was really bad area at apartments 149 – 150 and behind the 3 & 4 bedroom units. Mr. Cramer said he is aware of these.
- 3. Bathrooms at Hoffler upstairs ones are being continued

Resident question: Why are you so concerned with the other residents and not the cabinets in the bathrooms at Chorey? Mr. Cramer stated that his concern is with the structural aspects of the buildings and those are structural issues. The resident then asked about the water leak from the 1st floor at Chorey. Mr. Cramer said it was believed to be a drainage issue from the roof. The roof is being re-done and the drainage will be checked out around June.

4. Furnaces at CBM and Cypress and the heater at Parker

Resident question: Tamia Holland asked what the notation for sheds and the garage at Cypress was about. Mr. Cramer said that in the future there may be a need for electricity in the garage and that there had been problems with the locks and siding on the sheds. Ms. Holland asked if all of that was going to be done this year and Mr. Cramer told her No, but we need to have the items on record so HUD knows what our plans are.

Resident question: A CBM resident asked about replacing the flooring at CBM. Mr. Cramer said that it is being done in phases and that he is trying to do as many as he can each year. He explained that when there is extra money he calls the managers and asks them for a list of the worst floors. Ms. Layne says this has not happened yet but when it does she will get him the list. Mr. Cramer said there are inspections each year and that is how he finds out about the needs.

Resident question: A CBM resident asked about the lighting on the outside of the buildings. Hers has never worked. Mr. Cramer said that this issue is being worked on.

Mr. Cramer asked if there were any more questions. There was not.

Ms. Young began by apologizing to the attendees for being late as she had an emergency at Hoffler. She stated that in case no one had explained why residents were invited to the meeting, every year the Authority sends in their Annual Plan to HUD. Prior to this, the Plan must be reviewed by the residents to gather feedback before the final Plan is completed. Ms. Young passed a draft copy of the Plan to the attendees to review and asked that they make comments or ask questions and she would answer what she could.

Ms. Ricks, a Chorey resident, asked if they could have a copy to take with them. Ms. Young said No, that these were just draft copies for their review. The final Plan will be in their manager's office for residents to read. She stated that we have goals for our department for this year, for example; we continue to encourage resident involvement and promote Resident Council meetings. She read from the Plan draft and stated that the attendees should feel free to ask questions.

Ms. Ricks asked about a program for Resident Council meetings. Ms. Young stated that we are getting ready for the Resident Council elections. Nominations opened on 3/15/2006 and will last for two weeks. For April and half of May nominees can campaign. The actual elections will be held on May 16, 17 & 18 from 1:00 - 4:00 p.m. CBM is 5/16, Chorey, Cypress/Parker is 5/17 and Hoffler is 5/18.

Ms. Young asked if there were any questions about the plan.

Ms. Young asked if there was any thing else to discuss. All said no.
