### **Executive Summary (optional)**

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Buffalo Housing Authority is comprised of a 30 unit multi-family public housing complex serving elderly, handicapped and disabled households. The Buffalo Housing Authority strongly encourages resident participation in the development of the Annual Plan, Capital Fund Plan and at each meeting of the Board of Commissioners. The BHA has achieved High Performer recognition under the PHAS system and intends to maintain that status. The primary public housing property is Clear Creek Apartments, which is a very nice property connected to the adjacent Senior Center by an enclosed walkway. This connecting walkway facilitates the participation of all BHA residents in the programs and activities of the Senior Center, thus enhancing the residents' quality of life. The BHA is a public housing only agency. However, the BHA serves as a local intake agent for the Cheyenne Housing Authority voucher program, serving the town of Buffalo.

### 9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

### A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2007 - 2011.

The Buffalo Housing Authority has achieved and maintained High Performer PHAS recognition. Additionally, the BHA has maintained a minimal vacancy rate and encouraged resident participation both by having a resident on the Board of Commissioners and encouraging resident attendance and participation at meetings of the Board of Commissioners. The BHA has utilized capital funds to modernize the property, including:

- · modified three unit to be fully handicapped accessible,
- · addressed security concerns raised by tenants,
- · re-landscaped the property to incorporate more usable space for the residents,
- addressed other concerns raised by the residents.

### **B.** Criteria for Substantial Deviations and Significant Amendments

### (1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- a. Substantial Deviation from the 5-Year Plan
- b. Significant Amendment or Modification to the Annual Plan The Buffalo Housing Authority will apply the following definition of substantial deviation and significant amendment from the agency plan that will require formal action by the Board of Commissioners:

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives or plans of the agency and which require formal approval of the Board of Commissioners.

Buffalo Housing Authority Minutes of the Public Hearing For the 2007 Annual Plan and 5-year Plan Held on 1/10/07 at 5:30 PM

### Attendance:

Connie Ramsey, tenant and Commissioner, Buffalo Housing Authority Board of Commissioners

Mike Stanfield, Executive Director

Mark Stotts, Special projects Coordinator

Richard Trembley, Clear Creek Apartments Manager

Tenants: Connie Ramsey

Susan Hough Jane Davis Sharon Haskin Robert Cameron Annette Akers Marjie Pratt Rose Marble Anna Patrick

Lucy Cooper Marilyn Carpenter Caroline Holmes

Ms. Ramsey thanked everyone for attending and called the public hearing to order.

Mr. Stanfield explained that the public hearing was being held for two purposes:

- to accept public comment on the 2007 agency plan and 5-year plan; and
- to remind the tenants that HUD will be sending out the RASS fairly soon.

Mr. Stanfield provided copies and reviewed the plan, with emphasis on the flat rent schedule and the 2007 Capital Fund Program proposed budget and 5-year plan. He explained that the flat rent schedule reflects no change for the coming fiscal year, even though subsidy levels are anticipated to be substantially less than required. He then explained the capital fund program, reviewed the budget, explained what capital improvements have been made with CFP funds and solicited suggestions for capital improvement projects.

Tenants thanked the CHA for the improvements that have been made and stated that they feel lucky to have Richard as the Manager and Jim as the Maintenance Person.

- A tenant asked about the status of the improvements to the fire alarm system and the replacement of the bathtubs and shower surrounds. Mr. Stanfield explained that the contract has been awarded for the fire alarm system improvements and that the contractor is working with the state Fire Marshal's office to obtain approval of the plans and specifications. He also explained that bids are due tomorrow for the replacement of the bathtubs and shower surrounds.
- A tenant suggested that the BHA purchase new furniture for the community room. The tenants stated that the existing furniture is too low and it is difficult for the tenants to get in and out the chairs. Mr. Stanfield indicated that he would suggest this item to the Board of Commissioners and recommend that it be included in the informal capital improvement plan.
- A tenant asked about getting the floor covering replaced in her unit. She stated that the stains are just horrible. Mr. Stanfield explained that the BHA has to look at the remaining useful life of the carpet, but that tripping hazards would certainly be addressed. After much discussion it was agreed that Mr. Trembley would keep a record of the condition of the carpets during the annual inspections and report back to the Board.
- A tenant requested that the vanity top in her bathroom be replaced. Mr. Trembley replied that he has looked at the vanity top and it is not in need of replacement.
- Mr. Trembley reminded the group that he is working with Johnson Controls to develop a plan for upgrading the air conditioning for the building, given the problems experienced last summer.

Mr. Stanfield reminded the tenants that HUD will be sending out the Resident Assessment Surveys in the coming months and he asked that they please fill them out and send them back to HUD.

There being no further comments, Ms. Ramsey adjourned the public hearing.

Cons	nanner did the PHA address those comments? (select all that apply) sidered comments, but determined that no changes to the PHA Plan were ssary.
