**i. Annual Plan Type:**

**Standard Plan**

**Streamlined Plan:**

- High Performing PHA**
- Small Agency (<250 Public Housing Units)**
- Administering Section 8 Only**

**Troubled Agency Plan**

**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Sunrise Villa is Genoa's low rent housing with twenty units at the present time. Eighteen (18) of these units are one Bedroom, and two (2) are two bedroom units, one of these being completely handicapped accessible.

To be eligible to live in Sunrise Villa, the applicant must qualify by income limits application for submission. Current annual income limit is \$22,300 for a single person and \$25,450 for a couple. Residents have a choice of rent – either income based (30% of the tenant's adjusted income) or flat rent of \$238.00 for a one bedroom unit or \$285.00 for a two bedroom unit (based upon Fair Market Rents).

Sunrise Villa is kept in very good repair. We insist on a high standard of cleanliness. In 1998 we completed a grant of \$105,000.000, which was used to install new boilers, water heaters, air-conditioners, and ceiling fans, redo all showers, and put new carpet and vinyl in all units and the community room. The result of this investment is a better maintained and a more compatible Sunrise Villa. The year 2000 capital improvement grant dollars will be used to further improve the units by installing new closet doors and enhancing the management capacity by purchasing a computer and gradually bringing our system to date.

Genoa Housing Authority has assisted young unwed mothers by giving them quality yet low rent housing. This affordable rent made it possible for the mothers to both work in town and attend classes at Columbus Central Community College, thus earning a degree which could then help obtain a better paid job and moving on with their lives.

Other tenants that are being assisted include elderly, disabled, and other persons and families in need for short and long term housing solutions. All are

provided with quality housing at a cost that they can afford based on objective criteria (mentioned above).

Tenants of Sunrise Villa can have their meals delivered by the local Senior Center if they are unable to get out. Bingo, birthday parties, and special dinners are held at the community room. This community room also serves tenants who wish to have special family dinners and other local individuals and organizations. Reservations are required to ensure no conflict with residents' activities and privacy.

Genoa Housing Authority is very proud to have a Resident Advisory Board to help us formulate an agency plan that meet their needs. Residents' voice is also a part of the Housing Authority Board of Commissioners along with five other dedicated members of the Board.

Finally, our plan is to continue to maintain Genoa Housing Authority in a way that will provide housing assistance to the needy in ways that support the elderly, disabled and young trying to get started with their lives.

Please be advised that version 2 of submission has different page numbers due to previously unnoticed problem with pagination of Sections.

# **1. Statement of Housing Needs**

[24 CFR Part 903.7 9 (a)]

## **Methodological Comments**

- Data relevant to the housing needs assessment is mostly available at the county level. Community-specific needs were determined based on the relative size of the community in the county and adjusted according to current information available locally.
- The most comprehensive data available for the housing needs assessment is based on 1990 Census. Some estimations are conducted annually by the Census Bureau, the U.S. Department of Commerce (and other government agencies). However, these estimations mostly cover population growth trend. Income distribution among population age groups, accurate local immigration pattern, and breakdown of the age structure of the elderly (65 years and older) are among the components that are omitted from estimations.
- The existing Nebraska State Consolidated Plan, with which this needs assessment should be in compliance, is for the years 1990-2000.
  - ∪ Given the above constraints, the needs assessment presented in this Agency plan is based on 1990 data.
  - ∪ The recent years' crisis in rural Nebraska farm-economy means that the needs assessment for Genoa should be reviewed with caution. Anecdotal information suggests that the population is aging and the elderly tend to remain in town (in the nursing home). It is further suggested that a great deal of the younger population is not employed locally. However, there are no accurate number to substantiate the above observation, thereby contribute to a more accurate needs assessment.
- Finally, in assessing the housing needs, we have accounted for income, housing tenure, cost burden, and known (Census) problems with housing structure. The needs assessment does not account for needs of elderly for more age appropriate housing if these needs do not surface through the above criteria. In other words, elderly individuals and families who enjoy homestead exemption, have paid off mortgage, and reside in a reasonably well maintained house were not considered as having a problem. However, there is evidence that some elderly can benefit from living in a congregate living were they can be safer and less lonely.

## A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

## B. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

We currently do not have a wait list. As a small community, folks who need help apply when they see or hear about a vacant unit. We also have a large number of elderly who prefer to stay at home and will not move out of it until they can no longer take care of themselves.
