**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Kearney Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the mission statement, goals and objectives listed above to guide the activities of the Kearney Housing Authority.

Kearney Housing Authority's Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- ◆ We have adopted three local preferences --applicants who are displaced by disaster and/or government action, victims of domestic abuse and violence, and applicants who are working or in an employment-training program.
- ◆ We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- ◆ Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- ◆ We have established flat rents for the public housing programs.
- ◆ To encourage work, participants who have an increase in income, will not be required report this wage increase for an interim recertification. The increase will be reported at the next regular annual recertification. Income exclusions for eligible participants will be implemented.
- ◆ KHA will utilize 110% of the published FMR as the payment standard for the Section 8 program.

In summary, we are on course to improve the condition of affordable housing in the Kearney community and serve economic distressed families as they move to self-sufficiency.

### **RESIDENT COMMENTS**

---

The Kearney Housing Authority has engaged in an extensive process of seeking resident and public comments on our Agency Plan. In the course of compiling the Plan we engaged in the following process.

KHA sent out notices to all program participants, Section 8, Scattered Sites and Kearney Manor informing them of the opportunity to form a Resident Council. There was no response to this notice. The Kearney Manor (118 units) does have a Tenant Association, however it is not formed within the federal guidelines of a Resident Council. The Tenant Association is active, meeting once a month, planning and volunteering for tenant activities and interacting with staff.

KHA sent out a second notice to all participants of KHA programs, asking for volunteers to serve on a Resident Advisory Board. There were 3 responses. The FSS Coordinator then called various participants in the Section 8 and Scattered Site programs to encourage them to volunteer.

Those indicating a written interest in serving on the Resident Advisory Board were:

Kearney Manor:	Gwen Traxler	2715 Avenue I #27
	Mabel Patterson	2715 Avenue I #106
	Vada Puhls	2715 Avenue I #25
Scattered Sites	Shannon Hopkins	1510 12 <sup>th</sup> Avenue
	Dena Hasbrouck	1123 Avenue K
Section 8	Brenda Grantzinger	1015 Avenue E
	Julie Kaczanowski	2503 1/2 E. 32 <sup>nd</sup> Apt 5B

#### **Summary of Residents Advisory Board**

A meeting was held on October 7, 1999 at 7:00 p.m. and all of the above were present except for Dena Hasbrouck.

The Executive Director using an overhead projector reviewed the changes that are forthcoming from QWHRA, such as new lease language, grievance procedures, community service requirements, flats rents, proposed Capitol Improvements, the Agency Plan and resident input.

After the presentation, the members of the Resident Advisory Board were asked for comments and what they saw as needs.

**Comments:** More Scattered Site Homes, Wait List is long.  
**Response:** *KHA will watch for development NOFA's, however due to federal funding reductions, it is doubtful this will become a reality.*

**Comments:** A place for Kearney Manor tenant activities;  
Able to do Crafts or Puzzles and Leave Them Out.  
More User Friendly Facility.  
An Exercise Room, out of the weather.  
Bigger, More Space Than There is Now.  
Feel Free To Come and Go.  
Beauty Shop at Least One Day a Week.  
**Response:** *The Annual Plan addresses this issue. A new Community Building that is not shared with Administrative Offices will allow residents a more space to do activities during the day, allow for expanded opportunities in providing user friendly environment and improving the quality of life, both physically, emotionally and socially.*

**Comments:** Coordinator for scheduled Activities  
**Response:** *KHA is researching possible grants that would provide supportive services for the elderly.*

**Comments:** Include Seniors and Families in Activities  
Include other Senior Living Complex in the community in Activities  
**Response:** *This will be referred to the Kearney Manor Tenant Association and FSS Support groups for possible action.*

**Comments:** Sidewalks and concrete area needs repair at Kearney Manor.  
**Response:** *The Concrete Work is one of the Capitol Improvements to be addressed.*

**Comments:** In the Administration Area, need a toy room or play area for children during appointments.  
**Response:** *This could be addressed after the new Community Building is built and the present building is all Administration Area.*

**Comments:** "Breathing Space" When income goes up, must report within 10 days, loose HHH food stamps, must pay for child care and then the rent goes up. In realty when income goes up, they have less money because of non-eligibility for programs  
**Response:** *With the new regulations and income exclusions plus the new policy of not requiring interim reexams for increased income, hopefully this will provide some relief and stabilization for residents.*

**Comments:** Hard to find rental units where rent is reasonable and Landlords willing to work with Section 8 requirements.  
Landlords find Section 8 paperwork "burdensome".

- Bad Apples (tenants) sour landlords.  
 Information Meeting with Landlords to explain program.  
 Resources for assistance with Security Deposits are limited.
- Response:** *KHA in the past has worked to develop relationships with Landlords and to minimize the paperwork hassle. KHA will continue to work to educate landlord's regarding responsibilities in checking references and Section 8 program compliance. Community Agencies have limited funds to assist with Security Deposits and some participants do not qualify. Will need to research to see if there are alternative solutions.*
- Comments:** Kearney Manor Residents want more maintenance staff to take care of the lawns etc.
- Response:** *With added management contracts and new regulations, this will be an area to be reviewed and hopefully staffed.*
- Comments:** Would like ceiling fans and exhaust fans
- Response:** *Ceiling Fans may be able to be addressed with future operation funds. Exhaust Fans are already in place in the Scattered Sites home and at a Kearney Manor. However at Kearney Manor the design of the existing exhaust fans is less then satisfactory. This also may create problems in trying to correct if and when funding is available.*

On File in the Housing Authority Office are  
 copies of the advertisement,  
 sign-in sheets from the public hearing,  
 minutes of the public hearing  
 sign-in sheets for Resident Advisory Board,

3. In what manner did the PHA address those comments? (select all that apply)
