The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

A. Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined Annual Plan.

The City of Fountain is located just south of Colorado Springs and east of Fort Carson Military Base in El Paso County. Like many communities along the front-range, Fountain has experienced tremendous growth. Although there has been an increase in housing units, dwelling units for the very-low and low-income families are still scarce and waiting lists for public housing and tenant based assistance remain long.

The PHA is committed to promoting activities which serve to improve the housing stock and quality of life in the City of Fountain for all citizens and in particular for very-low and low income families. To that end, the PHA has developed this Annual Plan for the year 2008.

The PHA does not anticipate making any changes in the statement of policies that govern eligibility, selection, and admissions for the PHA's Housing Choice Voucher Program or Low-Rent Public Housing Program during the 2008 fiscal year.

This Annual Plan sets forth the annual reports for the current capital improvement programs, the capital improvements the PHA hopes to complete over the next year along with the PHA's revised Capital Fund Program 5-Year Action Plan.

5. Plan Changes Review

[24 CFR Part 903.13, 903.15]

The PHA published notice of a public hearing and comment period on the PHA's 2008 Annual Plan on June 27, 2007. The PHA Annual Plan along with supporting documentation was available for review and comment at the PHA's main office from June 27, 2007 until the public hearing date of August 16, 2007. In addition, a summary of the PHA's Annual Plan was mailed to each member of the Resident Advisory Board on July 6, 2007 along with an invitation to attend the public hearing. After considering any comments on the PHA's 2008 Annual Plan, the Board of Commissioners approved the PHA's 2008 Annual Plan as finalized at its regular meeting held September 20, 2007.

(1) Resident Advisory Board Recommendations

- a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s? If yes, provide the comments below:

The Resident Advisory Board suggested future capital projects to be funded under the Capital Fund Program at the Housing Authority's public housing project, Grinde Manor, as follows:

- 1) The addition of another wheel chair ramp on the north side of the parking lot, close to the west door, so that residents do not have to use the ramp at the entry of the building to get into the parking lot;
- 2) The creation of a dog run on the south side of the south lawn so that dog's and their waste are confined to the dog run;
- 3) Paint the interior of the building and individual units on a five year schedule;
- 4) Repair the wood picnic table located on the south lawn;
- 5) Replace/repair the west and south doors because the thresholds have settled over the years.

- b. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
- The PHA changed portions of the PHA Plan in response to comments
List changes below:
- Other: (list below)

The Housing Authority will review the cost of building another wheel chair ramp and, if necessary, will revise its capital plan to include the building of such ramp under the Capital Fund Program in a future year.

The Housing Authority does not believe the addition of a dog run would benefit the property or solve the problem of pet waste on the property. Current pet policies require owners to pick up their pet's waste. The Housing Authority will look to better enforcement of the pet policies to ensure the property is free of pet waste instead of building a dog run.

The Housing Authority already plans to paint the interior common areas of the building this fall and will develop a five-year painting schedule for unit interiors. Painting is part of the regular maintenance for Grinde Manor and is not a capital project.

The repair of the picnic table will proceed as part of regular maintenance.

The Housing Authority will review the condition of the west and south doors at Grinde Manor to determine if they could simply be repaired or if new doors are required. If new doors are required, the replacement doors will be budgeted into future Capital Fund Program budgets.

6. PHA Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary) only if the PHA has provided a certification listing program or policy changes from its last Annual Plan submission.
