PET OWNERSHIP POLICY

A. Pet Rules

The following rules shall apply for the keeping of pets by Residents living in the units operated by the Housing Authority. These rules do not apply to service or companion animals verified to be needed by a person with a documented disability. **In such event, a simple written certification under penalties for making false statements concerning the type of animal, that the animal is a service/companion animal, and the animal's name will be required. Service and companion animals are not otherwise subject to the pet policy of the MHA. No other certification will be required.**

1. Common household pets as authorized by this policy means domesticated animals, such as cats, dogs, fish, birds and turtles, that are traditionally kept in the home for pleasure rather than for commercial purposes.
2. Residents will register their pet with the Authority **BEFORE** it is brought onto the Authority premises, and will update the registration **with inoculation documentation at the appropriate inoculation interval(s)**. The registration will include:
 - Information sufficient to identify the pet and to demonstrate that it is a common household pet *(Appendix 1)*;
 - A certificate signed by a licensed veterinarian or a State or Local Authority empowered to inoculate animals, stating that the pet has received all inoculations required by applicable State and Local Law;
 - The name, address, and telephone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet. *(Appendix 1)*
 - The registration will be updated annually at the annual re-examination of the Residents' income.
 - A statement indicating that the pet owner has read the pet rules and agrees to comply with them; *(Appendix 2)*
 - The Authority may refuse to register a pet if:
 - 1) The pet is not a common household pet;
 - 2) The keeping of the pet would violate any applicable house pet rule;
 - 3) The pet owner fails to provide complete pet registration information;
 - 4) The pet owner fails annually to update the pet registration;
 - 5) The Authority reasonably determines, based on the pet owners' habits and practices and the pet's temperament, that the pet owner will be unable to keep the pet in compliance with the pet rules and other legal obligations;
 - 6) Financial ability to care for the pet will not be a reason for the Authority to refuse to register a pet.

- The Authority will notify the pet owner if the Authority refuses to register a pet. The notice will:
 - 1) State the reasons for refusing to register the pet;
 - 2) Be served on the pet owner in accordance with procedure outlined in paragraph B1 of this policy; and
 - 3) Be combined with a notice of a pet rule violation if appropriate (*Appendix 3*).
- 3. Cats and dogs shall be limited to small breeds where total weight shall not exceed twenty (20) pounds and total height at the shoulder shall not exceed twelve (12) inches. The size limitations do not apply to service animals.
- 4. No chows, pit bulls, german police dogs, dobermans, rottweilers, or any other known fighter breed will be allowed on the premises.
- 5. All cat and dog pets shall be neutered or spayed, and verified by veterinarian, cost to be paid by the owner. Pet owners will be required to present a certificate of health from their veterinarian verifying all required annual vaccines, initially and at re-examination.
- 6. A refundable pet fee of \$250.00 shall be made to the Housing Authority. Such fee will be a one-time fee (per pet) and shall be used to help cover cost of damages to the unit caused by the pet. *The pet fee will be refunded (after any deduction for damages) when the resident moves out or no longer has a pet on the premises, whichever occurs first.*
- 7. Pets shall be quartered in the Residents unit.
- 8. Dogs and cats shall be kept on a leash and controlled by a responsible individual when taken outside.
- 9. No dog houses will be allowed on the premises.
- 10. Pets shall be walked only on lawns or areas as designated by MHA. Owners shall clean up after pet after each time the animal eliminates. *Failure to do so will result in a pet waste removal charge. Litter box waste shall be disposed of in a sealed plastic trash bag and placed in a trash bin.*
- 11. The City Ordinance concerning pets will be complied with.
- 12. Pets shall be removed from the premises when their conduct or condition is duly determined to constitute a nuisance or a threat to the health and safety of the pet owner or other occupants of the Authority in accordance with paragraph B below.
- 13. Birds must be kept in regular bird cages and not allowed to fly throughout the unit.
- 14. Each resident family will be allowed to house only one (1) animal at any time. Visiting guests with pets will not be allowed.
- 15. Dishes or containers for food and water will be located within the owners apartment. Food and/or table scraps will not be deposited on the owners porches or yards.

16. Residents will not feed or water stray animals or wild animals.
17. Pets will not be allowed on specified common areas (under clotheslines, social rooms, office, maintenance space, etc.).
18. Each resident family will be responsible for the noise or odor caused by their pet. Obnoxious odors can cause health problems and will not be tolerated.

B. Pet Violation Procedure

1. **NOTICE OF PET RULE VIOLATION (Appendix 3)**: When the Authority determines on the basis of objective facts supported by written statements, that a pet owner has violated one or more of these rules governing the owning or keeping of pets, the Authority will:
 - Serve a notice of the pet rule violation on the owner by sending a letter by first class mail, properly stamped and addressed to the Resident at the leased dwelling unit, with a proper return address, or
 - serve a copy of the notice on any adult answering the door at the Residents' leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by attaching the notice to the door;
2. The notice of pet rule violation must contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;
3. The notice must state that the pet owner has ten (10) days from the effective date of service of notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation, (the effective date of service is that day that the notice is delivered or mailed, or in the case of service by posting, on the day that the notice was initially posted);
4. The notice must state that the pet owner is entitled to be accompanied by another person on his or her choice at the meeting;
5. The notice must state that the pet owners' failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owners' lease.
6. **PET RULE VIOLATION MEETING**: If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the Authority shall establish a mutually agreeable time and place for the meeting to be held within fifteen (15) days from the effective date of service of the notice of pet rule violation (unless the Authority agrees to a later date).
 - The Authority and the pet owner shall discuss any alleged pet rule violation and attempt to correct it and reach an agreeable understanding.
 - The Authority may, as a result of the meeting, give the pet owner additional time to correct the violation.

- Whatever decision or agreements, if any, are made will be reduced to writing, signed by both parties, with one copy for the pet owner and one copy placed in the Authority's Resident file.

7. **NOTICE OF PET REMOVAL:** If the pet owner and the Authority are unable to resolve the pet rule violation at the pet rule violation meeting, or if the Authority determines that the pet owner has failed to correct the pet rule violation within **the time set forth in the Notice of Pet Rule Violation or within** any additional time provided for this purpose, **the Authority shall issue a Notice** requiring the pet owner to remove the pet. This notice must:

- Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;
- State that the pet owner must remove the pet within ten (10) days of the effective date of service of notice of pet removal (or **within ten (10) days of** the meeting, if the notice is served at the meeting);
- State the failure to remove the pet may result in initiation of procedures to terminate the pet owners' residency.

8. **INITIATION OF PROCEDURE TO TERMINATE PET OWNERS RESIDENCY:** The Authority will not initiate procedure to terminate a pet owners' residency based on a pet rule violation unless:

- The pet owner has failed to remove the pet or correct the pet rule violation within the applicable time period specified above;
- The pet rule violation is sufficient to begin procedures to terminate the pet owners' residency under the terms of the lease and application regulations,
- Provisions of Resident's Lease, Section XIV: Termination of Lease will apply in all cases.

C. Protection of the Pet

1. **No pet shall be left unattended for a period in excess of 24 hours.** If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, the Authority may:
 - Contact the responsible party or parties listed in the registration form and ask that they assume responsibility for the pet;
 - If the responsible party or parties are unwilling or unable to care for the pet, the Authority may contact the appropriate State or Local Authority (or designated agent of such Authority) and request the removal of the pet;
 - If the Authority is unable to contact the responsible parties despite reasonable efforts, action as outlined above will be followed; and
 - If none of the above actions reap results, the Authority may enter the pet owners' unit, remove the pet, and place the pet in a facility that will provide care and

shelter until the pet owner or a representative of the pet owner is able to assume responsibility for the pet, but no longer than thirty (30) days. The cost of the animal care facility provided under this section shall be borne by the pet owner.

D. NUISANCE OR THREAT TO HEALTH OR SAFETY

Nothing in this policy prohibits the Authority or the Appropriate City Authority from requiring the removal of any pet from the Authority property. If the pet's conduct or condition is duly determined to constitute, under the provisions of State or Local Law, a nuisance or a threat to the health or safety or other occupants of the Authority property or of other persons in the community where the project is located.

E. APPLICATION OF RULES

1. Pet owners will be responsible and liable for any and all bodily harm to other residents or individuals. Destruction of personal property belonging to others caused by owner's pet will be the moral and financial obligation of the pet owner.
2. All pet rules apply to resident and/or resident's guests.

**Appendix I
Pet Agreement**

1. Management considers the keeping of pets a serious responsibility and a risk to each resident in the apartment. If you do not properly control and care for a pet, you will be held liable if it causes any damages or disturbs other residents.
2. Conditional Authorization for Pet. You may keep the pet that is described below in the apartment until Dwelling Lease is terminated. Management may terminate this authorization sooner if your right of occupancy is lawfully terminated or if you or your pet, your guests or any member of your household violate any of the rules contained in the Authority's pet Policy or this Agreement.
3. Pet Fee. The Pet Fee for your current pet will be \$250.00; paid as follows: \$100.00 down payment and thereafter \$50.00 per month until paid in full. The Pet Fee is a one-time, non-refundable charge.
 - If, at any time in the future, this pet is replaced by another animal, **then the current pet fee will be applied to the replacement animal, but only if the current pet fee does not have to be used for repairs, in which case another one-time fee will be charged for the replacement animal.**
 - This fee will be used to pay reasonable expenses directly attributable to the presence of the pet in the complex, including but not limited to, the cost of repairs and replacement to, and fumigation of, the apartment.
4. Liability Not Limited. The fee under this Pet Agreement does not limit resident's liability for property damages, cleaning, deodorization, defleaing, replacements, or personal injuries.
5. Description of Pet. You may keep only one pet as described below. The pet may not exceed twelve (12) inches in height at the shoulder and twenty (20) pounds in adult weight. You may not substitute other pets for this one without amending this agreement.

Executive Director

Implementation of Public Housing Resident Community Service Requirements

The Housing Authority sent letters to all public housing residents outlining the requirements for each adult member to provide eight (8) hours of community service or economic self-sufficiency activities a month. The letter listed the exemptions for individuals who need not fulfill the requirement, but also provided notice that, unless advised otherwise, the Authority will presume all adult family members will be required to complete and provide verification of the obligation.

After a 30 day comment period the Housing Authority made the required changes to the Lease.

Tenants are advised that they will be required to submit evidence of community service 30 days prior to annual recertification (or for those on flat rents, when the recertification would have occurred). The Housing Authority conducts third-party verification of the statements received regarding community service and proceeds with any required action.

The community service requirements are detailed in full in the Housing Authority's Admissions and Continued Occupancy Policy.

MILFORD REDEVELOPMENT AND HOUSING PARTNERSHIP

Violence Against Women Act

The Milford Redevelopment and Housing Partnership provides or offers the following activities, services, or programs that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing.

The Violence against Women Act protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. Generally, the law provides that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy right if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim or that violence and will not be "good cause" for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

It is the Housing Authority's plan that future/current residents of the public housing program and participants of the Housing Choice Voucher Program will be given a copy of PIH Notice 2006-42. Residents of the Public Housing complexes will be provided this notice when the lease is executed, or upon recertification while participants of the HCV Program will be apprised during their briefing session or upon recertification. The contents therein will be explained to the family members that attend these appointments.

The requirement contained in the law that precludes eviction based on domestic violence, dating violence, or stalking will be explained to new landlords and those currently involved in the program at time of recertification. During the lease period, the landlords will be advised of the VAWA requirements should tenant-eviction because of actions become a reality.

Landlords of/and new participants to the Housing Choice Voucher Program or families relocating to a different unit will be required to complete the reissued Housing Assistance Payments Contract and Tenancy Addendum that incorporated the restrictions of the Act.

Families currently residing in the Public Housing developments, as well as the HCV participants who have not submitted a Request for Tenancy Approval, will be notified of the safe-guards against eviction/termination, as well as the requirement for certification and verification.

Any family who requests relief from eviction or termination because of domestic violence, dating violence, or stalking will be required to submit the Certification Form and provide restraining orders, police reports, letters from shelters, or other such documentation as necessary to verify the request. Additionally, the Housing Authority will obtain information from the local police department as to the nature and type of police calls made to the respective address as further verification.
